Mr. Wannemacher explained that the proposed FY20 Budget was presented to the Finance & Audit Committee at both the March and May meeting for feedback. Mr. Wannemacher stated the FY2020 budget is approximately \$70 million lower than FY19 and there are no proposed rate changes in either the electric or water/wastewater systems. Mr. Wannemacher also stated that JEA plans to cash fund the investment of over \$500 million for infrastructure in Northeast Florida with no new debt. Staff recommends the Board of Directors approve the proposed operating and capital FY2020 budget and authorize staff to prepare and transmit the recommended budgets to Jacksonville City Council for final action by July 1, transmit the five year capital improvement plan as required by the City of Jacksonville Planning Department, and approve JEA's share of the SJRPP and Plant Scherer operating and capital budgets. In addition, staff recommends the Board authorize the Managing Director/CEO to adjust the budget approved by the Board of Directors and submitted to Council, if necessary, within the total approved budget amounts for each system.

The pilot was launched June 1 and should start to reflect in participants' July bills. There has been substantial participant feedback; a response team has been created to mitigate any issues that arise. This presentation was received for information only.

#### Agenda Item IV – Strategy (Discussion Only)

April Green noted at May's Board Meeting the SLT presented what was considered Status Quo, which is what JEA would look like if business continued as it is. The board challenged the SLT to come up with different scenarios on how to respond to the evidently changing trends in the industry.

A. Strategic Planning Overview – Baseline/Scenario 1: Status Quo and Scenario 2: Traditional Response – Lynne Rhode, Chief Legal Officer, read a disclaimer stating that this presentation is only for purposes of planning and developing a strategic plan. The full disclaimer can be found in the board package. Aaron Zahn, Managing Director/CEO explained that these scenarios were not only developed by the SLT, but also in collaboration with the McKinsey team and other industry associates. Anton Derkach, Senior Partner McKinsey Co., provided a reminder of where they are in the process and what scenario based strategic planning is. Management has been working closely with McKinsey has been working on a detailed iterative scenario based planning, which was presented in Status Quo. Mr. Derkach also explained why scenario based planning was chosen and the principles of strategic

Ryan Wannemacher, Chief Financial Officer, began the presentation by stating that Energy Policy Act of 2005 had a significant impact on the industry and caused a 17% decrease in residential sales and a 30% commercial sales decrease. Mr. Wannemacher reviewed Status Quo, which was presented in the May Board of Directors meeting. Mr. Wannemacher stated sales continue to decrease even though customer base is increasing and provided details on how sales are being affected by solar growth and other renewable energy technology. Status Quo analysis shows that sales will continue to decline and with no action there will be a 52% electric and 16% water base rate increase. Mr. Wannemacher stated Status Quo does not assume substantial off-grid movement by commercial and industrial customers, which would further exacerbate the decline in sales.

Aaron Zahn, Managing Director/CEO explained that technology disruption is an industry wide issue and not just a JEA issue. Mr. Zahn further explained that other companies overcame these issues by recalibrating their approach. The management team, McKinsey, employees, and community leaders have been coming with initiatives to help JEA innovate. He explained there are constraints that are stopping JEA from taking advantage of all of the initiatives (which are further explained in Appendix C of the presentation).

Melissa Dykes, President/COO, provided details on the Traditional Utility Response which utilize the tools available but also recognizes the constraints. This scenario includes a management response that better positions the company in the long-term from a risk and customer impact force perspective around degradation. Ms. Dykes explained the two primary tools available in this scenario are cost reduction and rate increases.

Aaron Zahn, Managing Director/CEO, provided details on the "Non-Traditional" utilities response and why JEA is developing this strategic plan. Conversations around the concepts in this scenario began at the Innovation Summit in October 2018. (A video recapping the Innovation Summit was presented.) Mr. Zahn asked the Board to instruct staff to finalize a traditional utility response, in the event there is not an opportunity to grow change, and to also allow the opportunity to look at our constraints and consider charter changes to finalize a plan and bring back in the future.

Board member Alan Howard moved that staff be directed to present a plan for implementation of Status Quo 2 and plan for exploring ways to move beyond the constraints, second by Reverend Newbill. **Motion** was approved unanimously.

Mr. Zahn added that staff will bring back a sensitivity analysis on the major customers.

Re: Bond Counsel for JEA

Dear Ms. Rhode:

Pursuant to your request, the General Counsel has ranked the top firms for provision of additional bond-related services to JEA, as set forth in section 126.310, *Ordinance Code*. After review of the potential firms, the best qualified firms are ranked as follows:

- 1. Greenberg Traurig; and
- 2. Broad & Cassel.

We understand that the Board will consider this evaluation and recommendation of the above-ranked firms at its July 23, 2019 regular meeting. If approved, the Board should authorize Office of General Counsel staff to negotiate the contract for Bond Counsel. If you fail to achieve an acceptable contract with the top ranked firm, then you should declare an impasse, terminate negotiations and proceed with the next-ranked firm until you achieve a signed contract for Bond Counsel services.

Please let me know if you have any questions.

# Customer & Community Engagement Overview and Update June FY19

Each month, we update the Board on past, present and future Customer & Community Engagement monthly activities. The purpose is to keep you informed of these efforts, so that you are knowledgeable about JEA's attempts to keep our customers informed, to assist them in the management of their utility services and to be a good corporate citizen.

### **Customer Communications**

## Power of One Campaign

Throughout the month of June, we continued sharing the Power of One campaign aimed at educating the community of JEA's purpose. Through ongoing television commercials, radio spots and social media engagement efforts, the campaign continued to emphasize the passion and commitment of JEA to use the power of one—to improve lives through our emphasis on innovation. Additional social media outreach targeting the importance of timing when watering and the ease of online bill options were also communicated to the customer during the month.

# We Are Ready. Are You?—The start of Hurricane Season

JEA used the platform of our June bill insert to remind customers that Hurricane Season commenced on June 1. We took this opportunity to reinforce our commitment to the community, assuring them that when a hurricane threatens our region, JEA crews are prepared to work around the clock if necessary to restore utility services. By sharing details of Restoration 1-2-3, we emphasized our goal of ensuring the quickest recovery possible through this three-phase plan.

## Flex Pricing Pilot

The Flex Pricing Pilot is a year-long program that studies a new way of providing affordable energy services to our customers. Customers on the pilot will be billed based on the highest demand they place on the electric grid at a given point during a billing period, as opposed to the total energy they consume over that billing period. The Pilot for both the Daily and Dual Flex Rates kicked off on June 1. Customers received various communication pieces, including letters, fact sheets and customized bill inserts in an attempt to educate them on the program.

### **Community Engagement**

JEA employees participated in numerous Ambassador events and Volunteer activities throughout the month of June. Ambassadors participated in 49 activities and volunteers served 453 hours in the community.

# **JEA Ambassadors**

June was a busy month for Ambassadors through participation in several community events including a VA Housing Fair, Tote Maritime Employee Fair and STEM Conference at the University of North Florida, where they created a project that allowed students to participate in the building of their own wind anemometers.

Facility tours were conducted for students at Communities in School and Joshua Christian Academy.

### **Employee Volunteerism**

In June, 93 JEA employees volunteered 453 hours in the community, connecting with customers and assisting with numerous nonprofit projects and activities. From volunteering at BEAM Food Bank to ReStore with Habijax, JEA employees gave generously of their time and talents to benefit our community.

JEA employees also volunteered time at Hope at Hand, Jax Parks: Reddie Point Preserve, Callahan Food Distribution and many other locations.

JEA employees take great pride in the Ambassador and Volunteer programs, which demonstrate tangible ways for our customers and our community to see the "Heart of JEA."

### INTER-OFFICE MEMORANDUM

July 5, 2019

SUBJECT: CORPORATE CAMPUS UPDATE

FROM: Aaron F. Zahn, Managing Director/CEO

**TO:** JEA Board of Directors

### **BACKGROUND:**

JEA released a solicitation in October 2018 for its corporate headquarters. The new headquarters is needed to address business continuity risks while meeting our headquarter needs in a cost-efficient manner. The solicitation process resulted in the JEA Board approving the final rankings on April 2, 2019 and authorizing lease negotiations with Ryan Companies US, Inc., the highest ranked firm, subject to lease negotiations and demonstration of site control within 90 days, or July 1, 2019. The Board approved the lease on June 25, 2019 with a 90 day cancellation clause during consideration of the strategic planning process. The City Council approved the Purchase and Sale Agreement (PSA) on June 25, 2019 and the ordinance and PSA was signed by the City on July 8, 2019. The lease was executed by JEA on July 11, 2019.

### **DISCUSSION:**

JEA and Ryan continue to plan for the project including overall project discussions, exterior design discussions, garage design, early interior space and function planning needs, and overall project communications and transition planning coordination. Ryan has kept JEA and its consultants abreast of progress on environmental analysis of the site, design approval processes and early project planning. JEA will continue to evaluate and decide on Tenant Improvement providers within the next 4 to 8 months, all contingent on lease approval and site control. JEA issued an ITN for workspace programming information to inform the design and planning with Ryan. Ryan continues to express a strong preference to perform the Tenant Improvement construction to control schedule, coordination and project efficiency.

   Water Distribution System Pressure (avg min < 30 psi): We have seen a spike in the average mins the water. pressure was <30 psi due to dry weather conditions during the months of May and June, which led to aggressively managing grid pressures at lower than normal levels so demand would not exceed reservoir supply. Highest flow during peak hours was 265 MGD and our Max daily flow was 171 MGD. Our average flow during normal peak hours is 164 MGD and our normal Max daily flow 156 MGD. ### INTER-OFFICE MEMORANDUM

July 23, 2019

SUBJECT: STRATEGIC PLANNING

**FROM:** Aaron F. Zahn, Managing Director/CEO

**TO:** JEA Board of Directors

### **BACKGROUND:**

During the May 28, 2019 Board meeting, JEA management presented to the Board information regarding technology disruption of the utility industry, the last ten years of JEA's sales and revenue, and forecasts related to continuing to do business under the status quo. The Board directed JEA management to pursue strategic planning in order to address such challenges. In response, JEA management presented to the Board during the June 25, 2019 Board meeting a strategic planning overview, including an overview of measures that could be taken to address declining revenues. The Board directed JEA management to come back with a sensitivity analysis pertaining to JEA's major customers, a plan to implement a traditional utility response, exploration of how to eliminate major business constraints, and an analysis of opportunities for JEA to innovate.

### **DISCUSSION:**

The Senior Leadership Team will present to the Board three strategic planning scenarios for its consideration:

Scenario 2A is a traditional utility response including a sensitivities analysis, execution strategy, and implementation plan. The implementation plan includes workforce reorganization, non-labor operations and maintenance reduction, capex reductions, and rate changes and other revenue initiatives. Scenario 2B is a traditional utility response that additionally includes simultaneous pursuit of a traditional legislative approach to reducing legal constraints to implementing revenue initiatives. Scenario 3 is a non-traditional utility response that provides alternative approaches to maximize JEA's corporate measures of value.

### **RECOMMENDATION:**

Should the Board chose to direct JEA management to pursue Scenario 2A or 2B, JEA staff recommends the Board adopt the following resolutions: 2019-06

Should the Board chose to direct JEA management to pursue Scenario 3, JEA staff recommends the Board adopt all of the following resolutions: 2019-07, 2019-08, 2019-09

## Management Response reduces headcount by 29%, but maintains the salary increases projected in **Status Quo projections**

### **Status Quo projections**

#### **Management Response**

### **Assumptions**

 In Status Quo projections, labor costs increase by 5% from FY19 to 20 (using actuals for FY19 and current budget estimate for FY20), and headcount increases slightly assuming vacancies are filled

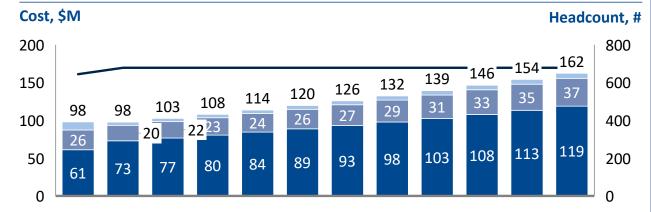

Benefits<sup>1</sup>

- Labor costs increase 5-6% thereafter in SQ1. based on historical increases, including introduction of long-term compensation program and assumptions around increased medical benefits funding needs
- In Management Response, a headcount reduction of 29%, or 574 FTE, conducted in the first year is realized in the second year, given severance and leave
- Management Response removes the longterm compensation increase and slows salary and benefits growth to 3% annually after FY20

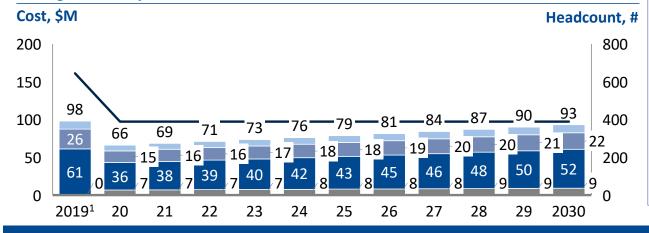

Benefits

#### **Management Response**

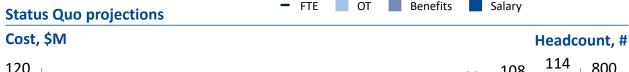

### **Major assumptions:**

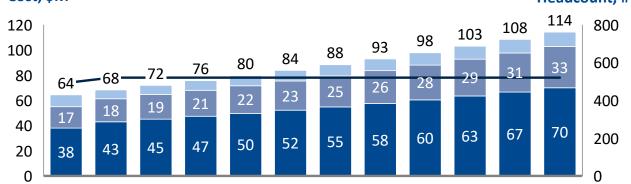

- 26% (168 FTE) headcount reduction in all electric system areas (generation, substation and transmission, distribution)
- Outsourcing of select functions in generation with additional 14% (87 FTE) reduction

#### **Implications:**

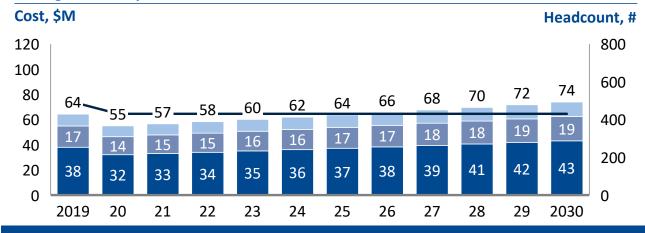

- Customer: Decrease in reliability with fewer employees available for regular maintenance and outage response (reversal of recent gains in SAIDI / SAIFI / CEMI5 to among best in state)
- Community: Reliability impact and delays to connecting new developments and repairing public lighting; reduced ability to provide mutual aid during storm events
- Financial: Increase corrective maintenance and replacement power purchase; limited opportunity to grow the business when customers are dissatisfied with core product
- Employee: Decreased leadership oversight, training opportunities, morale

#### Labor details – water and wastewater

#### **Management Response**

### **Major assumptions:**

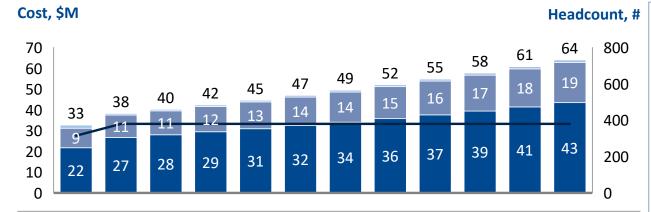

- 13% (62 FTE) headcount reduction overall
- Reductions in night and weekend crew capabilities, reduced maintenance schedules, reduced support function capabilities within business area

#### **Implications:**

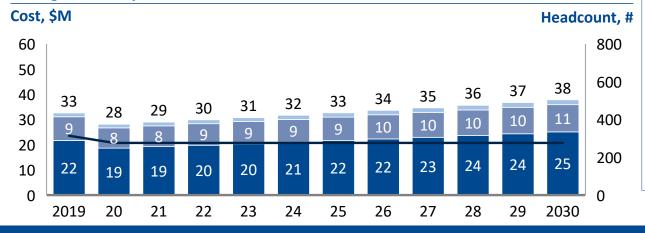

- Customer and community: Decrease in reliability with reduced regular maintenance, increased risk of extended water safety issues during storms
- Financial: Increase in corrective maintenance spend; potential need to rely on additional contractors
- Environmental: Increased risk of pump station overflows due to fewer clean-outs and maintenance, longer response times
- Employee: Decreased leadership oversight, training opportunities, morale

### **Labor details - customer**

#### **Status Quo projections**

#### **Management Response**

### **Major assumptions:**

12% (38 FTE) headcount reduction overall

OT Benefits Salary

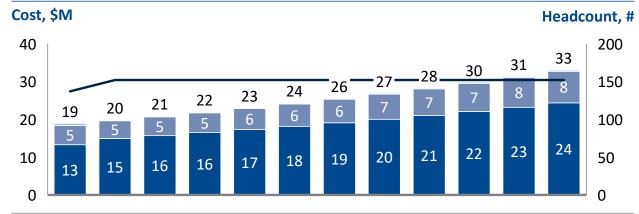

- Reduces or eliminates most community engagement and communication functions
- Reduces customer service levels, reducing key account and low income teams, closing customer care center, reducing scope of customer solutions programs

### **Implications:**

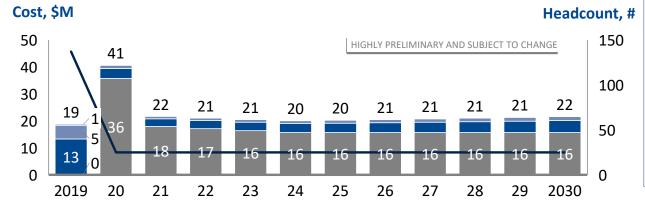

- Customer: Decreased service levels and options for customers
- Community: Reduced awareness of JEA activities, reduced understanding of JEA's role in community
- Employee: Decreased leadership oversight, training opportunities, morale

#### **Labor details - TS**

### **Status Quo projections**

#### **Management Response**

### **Major assumptions:**

Salary

Benefits

- Outsource ~80% of JEA TS staff to 3<sup>rd</sup> party provider (112 FTE)
- Retain core TS team to manage contract and pursue specific technology projects needed by utility (limited to what is still needed in Management Response)
- Assume transition period in 2020 with both contract and employee costs, and \$13M onetime costs to set up contract
- Savings begin to accrue in 2023 post transition period, with net \$35M savings 2020-2030

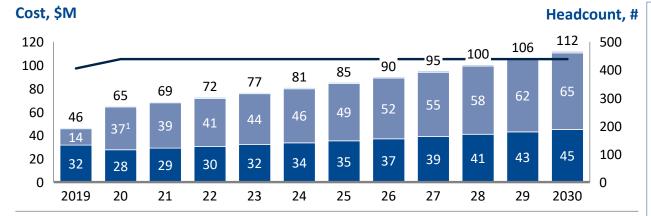

#### **Implications:**

 JEA internal: lower cost and higher quality service in long run, with increased access to IT innovations; potential for disruption in service in interim and need for rigorous contract management

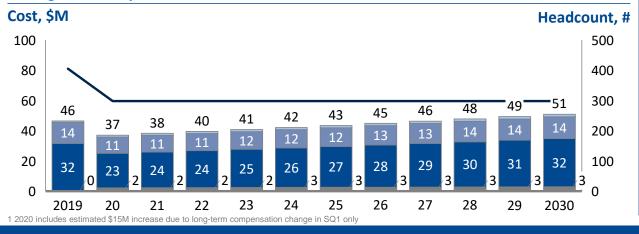

### Labor details - corporate, administrative, SLT

#### **Status Quo projections**

#### **Management Response**

#### **Major assumptions:**

- 26% (107 FTE) reduction in headcount overall, including outsourcing of select functions
- Reductions vary by area across supply chain, environmental, compliance, government affairs, finance, HR, planning
- Positions reduced or eliminated include technicians, clerks, security staff, and analysts
- Includes reduction of SLT by 40% (from 15 positions to 9), including:
  - Consolidating CEO / MD and COO / president into single position
  - Replacing CFO position with comptroller
  - Moving Energy and Water Planning within Energy and Water VP/GMs
  - Eliminating CITO, CAO, CGAO

#### **Implications:**

 JEA internal: potentially reduced ability to perform core services with lower levels of support

# Management Response reduces non-labor O&M by 10% in 2020 from Status Quo projections base, but maintains increases thereafter

Status Quo projections non-labor O&M, \$M

### Management Response non-labor O&M, \$M

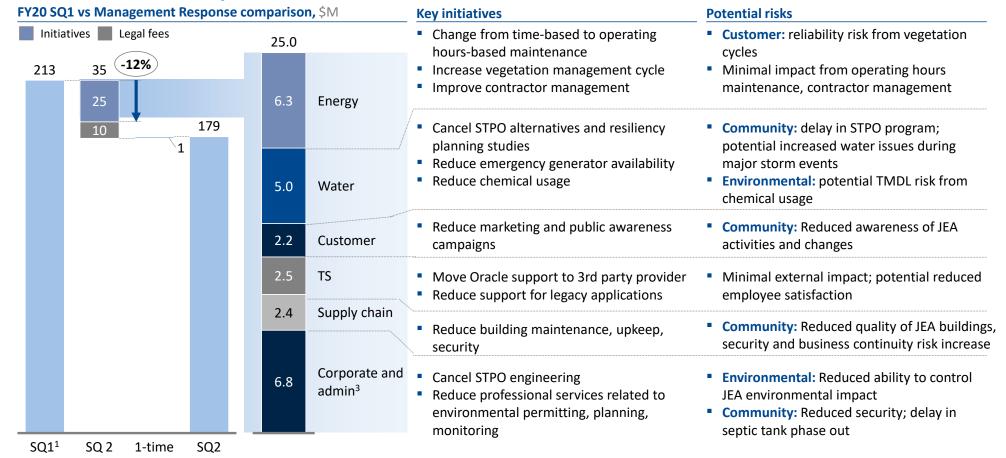

#### **Assumptions**

- Status Quo projections include a 17% increase in FY20 based on current budget assumptions, followed by annual 4% increase in non-labor O&M (materials and supplies, contractors, other), based on historical rate of increase
- In Management Response, cost reduction measures are taken within each business area in 2020 totaling \$25M, less \$1M in 1-time costs to implement measures
- Management Response also includes \$10M in one-time cost-savings in 2020 from reduced legal fees and \$.5M annual savings starting 2021 by renting a less expensive new headquarters building
- Management Response results in a decrease of non-labor costs by 2% FY19 vs. FY20
- Management Response assumes the same 4% growth of O&M as in SQ1

#### Management Response revenue initiatives, \$M

- Management response revenue initiatives, starting with electrification and real estate optimization, generate value in the first 5 years
- An additional 15 initiatives were developed by senior management team, not included here given low or uncertain revenue impact
- Given constraints posed by charter, revenue impact from new initiatives is limited (at most, 4% of total annual revenue)
- Key assumptions by initiative:
  - **Expand electrification:** 5-year road and non-road electrification program estimate developed by ICF, using high-end scenario to estimate net margin and up-front cost (costs largely in incentive programs)
  - Real estate optimization: Initiative launched in March to sell major surplus real estate properties (including SJRPP), assume \$150m total impact spread evenly over 5 years, with \$10M up-front cost to prepare properties for sale
  - Retail marketplace: Assumes \$4.3M annual impact from fee on retail marketplace sales; based on vendor proposal for retail marketplace
  - Residential solar application fee: Based on assumption of a \$500 flat fee per residential solar interconnect agreement processed (currently 0 fee), impact scales with number of residential solar customers consistent with energy sales forecast

<sup>\*</sup> NOTE: Constraints considered are the Florida Constitution, the Florida Public Service Commission jurisdiction, intellectual property (IP) considerations, the City of Jacksonville Charter, JEA's Bond Resolutions, JEA's business structure, and policy considerations. The cumulative impact analysis assumes current law, is based on general and not specific initiative terms, and is subject to confirmation and change by legal counsel. It is not possible to analyze the universe of policies, laws, and regulations that may impact the development, adoption, funding, and implementation of a proposal at this point in the discussion. Any specific initiative will require extensive and detailed legal analysis and counsel.

## FOUR MAJOR BUCKETS OF LEGAL/PUBLIC POLICY BARRIERS

#### WHAT IS PUBLIC POLICY?

Public policy is the principled guide to action taken by government with regard to a class of issues, in a manner consistent with law and institutional customs

# DO "WE" WANT GOVERNMENT COMPETING AGAINST THE PRIVATE SECTOR?

How much will the private sector push back? How will lobbyists defend their territories? Will elected officials make choices that are not aligned with their local businesses?

#### **CONSTRAINTS**

#### **ARTICLE VIII, Sec. 2(b)**

Municipalities shall have governmental, corporate and proprietary powers to enable them to conduct municipal government, perform municipal functions and render municipal services, and may exercise any power for municipal purposes except as otherwise provided by law.

#### **ARTICLE VII, (Sec. 10)**

Neither the state nor any county, school district, municipality, special district, or agency of any of them, shall become a joint owner with, or stockholder of, or give, lend or use its taxing power or credit to aid any corporation, association, partnership or person

#### **AMENDMENT PROCESS**

#### **ARTICLE XI, (3)**

The power to propose the revision or amendment of any portion or portions of this constitution by initiative is reserved to the people, provided that, any such revision or amendment, except for those limiting the power of government to raise revenue, shall embrace but one subject and matter directly connected therewith.

#### ARTICLE XI, Sec. 1

A proposed amendment to or revision of this constitution, or any part of it, shall be submitted to the electors at the next general election held more than ninety days after the joint resolution or report of revision commission, constitutional convention or taxation and budget reform commission.

#### WHAT IS A PUBLIC RECORD?

"Public records" means all documents, papers, letters, maps, books, tapes, photographs, films, sound recordings, data processing software, or other material, regardless of the physical form, characteristics, or means of transmission, made or received pursuant to law or ordinance or in connection with the transaction of official business by any agency. 119.011(12), Florida Statutes

## PUBLIC RECORDS PROVIDE COMPETITORS AN UNFAIR ADVANTAGE

JEA competitors have access to information because JEA is a governmental entity. Public Records laws extend to certain JEA partners.

## JEA AS DEFINED WITHIN THE JAX CITY CHARTER

JEA is created for the express purpose of acquiring, constructing, operating, financing and otherwise having plenary authority with respect to electric, water, sewer, natural gas and such other utility systems as may be under its control now or in the future.

## GEOGRAPHICAL GROWTH IS NOT ALLOWED

JEA is limited to providing electricity to customers in Duval and adjacent counties. JEA is unable to enjoy greater economies of scale due to geographic constraint.

## **SUMMARY OF TIME, COST AND PROBABILITY OF SUCCESS**

## **OVERARCHING PUBLIC POLICY QUESTION:**

Should government compete against the private sector?

	TIME	\$ cost	% PROBABILITY
FLORIDA CONSTITUTION	3-5 years	\$10-12M	<5%
PUBLIC RECORDS	2 years	\$250k	<20%
CITY CHARTER	4–6 months	\$250k	50%

#### RESOLUTION 2019-06 EXHIBIT 2

**CEO Employment Agreement** 

## EMPLOYMENT AGREEMENT FOR CHIEF EXECUTIVE OFFICER

**THIS EMPLOYMENT AGREEMENT** (this "Agreement") is made and entered on July 23, 2019 by and between JEA, a body politic and corporate under the laws of the State of Florida and an independent agency of the Consolidated City of Jacksonville (hereinafter referred "JEA" or "Employer"), and Aaron F. Zahn, an individual currently residing in Florida, hereinafter referred to as Employee.

- **WHEREAS**, JEA is a community-owned, not-for-profit utility providing electricity to more than 485,000 customers in Jacksonville and the surrounding areas in northeastern Florida;
- WHEREAS, JEA, founded in 1968, manages an electric system that dates back to 1895, and now owns and operates an electric system with five generating plants, transmission and distribution facilities, including 745 miles of transmission lines and 6,625 miles of distribution lines; is part owner and full operator of a sixth generating plant; produces energy from two methane-fueled generating facilities and owns a 12.6-megawatt solar project, placing JEA's total generating capacity at approximately 3,757 megawatts;
- **WHEREAS**, JEA also provides water and wastewater services to approximately 352,000 water customers, 12,600 reuse water customers and 275,000 wastewater customers;
- **WHEREAS**, JEA's water system consists of 136 artesian wells tapping the Floridian aquifer, distributing water through 37 water treatment plants and 4,352 miles of water lines and with a sewer system of more than 3,760 miles of collection lines and seven regional and seven non-regional sewer treatment plants;
- **WHEREAS**, JEA owns and operates the District Energy System, a separate utility system that provides chilled water to 13 locations in Jacksonville;
- **WHEREAS**, the JEA governing body is made up of a seven-member Board of Directors ("Board") appointed by the Mayor and confirmed by the City Council;
- **WHEREAS**, the Board is tasked with appointing a Managing Director & Chief Executive Officer to operate the eighth largest community-owned electric utility company in the United States and the largest in Florida, with total assets of \$8.4 billion (2018), total equity of \$2.8 billion (2018), and approximately 2,000 employees (2018); and
- **WHEREAS**, JEA is desirous of continuing to employ Employee as Chief Executive Officer pursuant to the terms and conditions and for the consideration set forth in this Agreement, and Employee is desirous of entering into this Agreement pursuant to such terms and conditions.
- **NOW, THEREFORE**, for and in consideration of the mutual promises, covenants, and obligations contained herein, JEA and Employee agree as follows:

#### **SECTION I – EMPLOYMENT AND DUTIES:**

- 1.1 **Engagement**. JEA agrees to continue to employ Employee and Employee agrees to continue to be employed by JEA, for a time period beginning on November 27, 2018 (the "Effective Date"), and continuing until the employment relationship is terminated in accordance with the terms and conditions of this Agreement (the "Term").
- 1.2 **Terms and Duties**. Employee shall be employed as Managing Director and Chief Executive Officer of JEA (hereinafter collectively "CEO"). Employee agrees to serve in this position and to perform diligently Employee's duties and services with the dedication and in manner of similarly situated executives and as reasonably directed by the Board.
- 1.3 **Compliance with Policies and Procedures**. Employee shall at all times comply with and be subject to such policies and procedures as the Board may establish.
- 1.4 **Diligence to Position**. Employee shall devote full business time, energy, and best efforts to the business of Employer with the dedication and in the manner of similarly situated executives; provided, however, that it is agreed that this obligation shall not preclude Employee from engaging in appropriate civic, charitable or religious activities or from serving on the boards of directors of companies that are not competitors to JEA, as long as the activities do not materially interfere or conflict with Employee's responsibilities to JEA or Employee's ability to perform Employee's duties of employment at JEA, within the sole discretion of the Board. Subject to the foregoing, Employee may not engage, directly or indirectly, in any other business, investment, or activity that interferes with Employee's performance of his duties, is directly contrary to JEA's interests, or requires any significant portion of Employee's business time; provided, however, that Employee may own less than two percent (2%) of the voting stock of a corporation listed for trading or traded over the counter on a recognized stock exchange in the United States. Employee's responsibilities and duties are generally described in the Position Profile for the CEO, which may be amended from time to time and which is attached hereto as Exhibit A and by reference made a part hereof.
- 1.5 **Fiduciary Obligations**. Employee acknowledges and agrees that, during the Term, Employee owes a fiduciary duty of loyalty toward JEA, and will not intentionally injure the direct or indirect interests of JEA, or benefit from any outside activities which Employee knows conflict with interests of JEA or, upon discovery of any such conflict, allow such a conflict to continue. Moreover, Employee agrees to disclose to JEA any facts which involve a conflict of interest during the Term.

#### **SECTION II – COMPENSATION AND BENEFITS:**

Annual Compensation. Employee shall be paid an annual salary of \$520,392.00 (the "Annual Base Salary"), which shall be paid in equal installments in accordance with JEA's standard payroll practice, including deductions for all legally applicable taxes and withholdings. Once every twelve (12) months (measured from, and contemporaneous with, the completion of JEA's annual audit), JEA shall conduct a performance review of Employee, including a review of the market pricing peer group assessment of Employee's Annual Base Salary by a nationally

- recognized compensation consultant and shall discuss the results of such review with Employee. The Board shall make modifications to Employee's Annual Base Salary as deemed to be appropriate based upon this annual review of Employee's performance.
- 2.2 **Pay for Performance Program**. The Board has established a Pay for Performance Program for fiscal year 2018/2019, and anticipates continuing the Program or a similar program in future years (all such programs are referred to in this Agreement as the "Program"). During the Term, Employee shall be eligible to participate in the Program, or any other incentive compensation program established by the Board in accordance with the terms of any such program.
- Vehicle. Employee will have the use of an appropriately equipped JEA vehicle at the expense of JEA to supplement Employee's personal vehicle. In lieu of having use of a JEA vehicle, at Employee's option, JEA shall pay to Employee a monthly automobile allowance of \$850.00, to be paid on or before the first regular payday of each month following the Effective Date, subject to withholding. It is specifically intended and understood that this allowance shall be provided as compensation for unreimbursed expenses incurred by Employee within the territorial limits of the JEA service territory and receipt of this allowance shall not prevent Employee from claiming and being reimbursed for travel expenses resulting from travel by Employee outside the JEA service territory in the manner provided by the Ordinance Code of the City of Jacksonville. JEA and Employee understand and agree that \$850.00 is an estimate of the total cost Employee would incur if not provided with a JEA vehicle, including vehicle wear and tear and other costs that cannot be measured with precision, and that the full \$850.00 shall be paid without any obligation on the part of Employee to provide proof of actual expenses.
- 2.4 **Business Allowance**. JEA shall pay to Employee a monthly allowance in the amount of \$2,200.00 for general business expenses incurred in Employee's efforts to promote and represent JEA beyond those identified in JEA employee policies. The business allowance shall be paid on or before the first regular payday of each month following the Effective Date, subject to withholding. Employee may expend the monthly allowance in such a manner as Employee determines, in Employee's sole discretion, in support of Employee's performance of Employee's duties under this Agreement.
- 2.5 **Parking Allowance**. On or before the first regular payday of each month following the Effective Date, Employee will be provided a monthly allowance in the amount of \$50.00 for parking (subject to withholding).
- 2.6 **Expenses**. Notwithstanding anything herein to the contrary, and in addition to other payments provided for in this Agreement, JEA shall reimburse Employee for telephone, travel, continuing education, and general business expenses incurred by Employee in accordance with JEA policies and procedures.
- 2.7 **Annual Leave**. Employee will be provided annual Paid Time Off ("PTO") in accordance with JEA's existing policies and procedures in effect from time to time. Without limiting the generality of the foregoing, Employee shall be entitled to a minimum of two hundred and eighty (280) hours of PTO during each year of employment commencing on the Effective Date. In addition, JEA shall observe eleven (11) paid holidays and one floating holiday each year.

- 2.8 Fringe Benefits. Employee shall be allowed to participate, on the same basis generally as other employees of JEA, in all general employee benefit plans and programs, including improvements or modifications of same, which on the Effective Date or thereafter are made available by JEA to all or substantially all of JEA's executive employees, or to JEA's employees generally, including any amendments thereto. Such benefits, plans, and programs may include, without limitation, medical, health, and dental care, life insurance, disability protection, and flexible spending accounts. Except as specifically provided herein, nothing in this Agreement is to be construed or interpreted to provide greater or lesser rights, participation, coverage, or benefits under the benefit plans or programs than provided to executive employees pursuant to the terms and conditions of such benefit plans and programs. JEA shall not by reason of this Agreement be obligated to institute, maintain, or refrain from changing, amending, or discontinuing, any incentive compensation or employee benefit program or plan, so long as such actions are similarly applicable to covered employees generally. Notwithstanding anything to the contrary in this Agreement, for so long as Employee's employment with JEA continues, JEA shall pay the premiums required to maintain a life insurance policy, with \$500,000.00 in coverage, payable to one or more beneficiaries to be designated by Employee, and with a conversion provision that will allow Employee to continue coverage upon and after termination of employment.
- 2.9 **Pension Benefits**. Employee shall be allowed to participate in the General Employees Pension Plan, the JEA 401(a) Defined Contribution Plan, and in any other pension or retirement plan made available by JEA to all or substantially all of JEA's executive employees or to JEA's employees generally, including any amendments thereto. Any amounts which the Company would contribute to any Section 401(a) defined contribution plan but for the Section 401(a) limit under the Internal Revenue Code of 1986, as amended (the "Code"), shall be paid to Employee as taxable compensation on a current basis.

#### **SECTION III – TERMINATION OF EMPLOYMENT:**

- 3.1 **Termination**. Subject to the terms of Subsections 3.1.4, 3.1.5 and 3.1.6 of this Agreement, Employee's employment with JEA may be terminated (i) by JEA immediately for "Cause" (as defined in, and subject to the notice and cure provisions of, Subsection 3.1.1 of this Agreement); (ii) by Employee for "Good Reason" (as defined in, and subject to the notice and cure provisions of, Subsection 3.1.2 of this Agreement); (iii) upon Employee's death or upon Employee's "Disability" (as defined in Subsection 3.1.3 of this Agreement); or (iv) by either party, without Cause or Good Reason, upon thirty (30) days' advance notice to the other party.
  - 3.1.1 For purposes of this Agreement, "Cause" for termination of employment means: (i) a willful breach by Employee of material duties, obligations and policies of JEA which Employee fails to cure within ten (10) days after written notice from JEA specifically identifying such breach; (ii) Employee's gross negligence or gross neglect of duties and obligations required in performance of Employee's duties, or willful misconduct; (iii) Employee's continued violation of written rules and policies of the Board after written notice of same and reasonable opportunity to cure; (iv) conviction of Employee for any criminal act which is a felony; (v) commission by Employee in a public or private capacity of theft, fraud, or misappropriation or embezzlement of funds; or (vi) misconduct

- as defined in Florida Statutes § 443.036(29). For purposes of this Agreement, termination of employment "without Cause" means any termination of employment by JEA for any reason not explicitly defined by this Subsection 3.1.1 as Cause for termination.
- 3.1.2 For purposes of this Agreement, "Good Reason" shall mean the occurrence of any of the following: (a) a material diminution in Employee's role, responsibilities, compensation, benefits and/or title without Employee's consent; (b) a directive by the Board to Employee to take any action or to refrain from action when implementing said directive would constitute a violation of applicable law; or (c) a material breach of this Agreement by JEA. Without in any way limiting the foregoing, a reduction in Employee's Base Salary to a level of 95% or less of the Base Salary stated in this Agreement shall be conclusively presumed to be a material diminution in Employee's compensation. Notwithstanding anything to the contrary in this Subsection 3.1.2 or in this Agreement, Employee may terminate Employee's employment for Good Reason only under the following terms and conditions. A termination of employment by Employee for Good Reason shall be effectuated by giving JEA written notice of the termination (the "Notice of Termination for Good Reason") within thirty (30) days after the event constituting Good Reason, setting forth in reasonable detail the specific conduct that constitutes Good Reason and the specific provisions of this Agreement on which Employee relies in support of the assertion of Good Reason. JEA shall have thirty (30) days from the receipt of the Notice of Termination for Good Reason within which to (i) deny that an event of Good Reason has occurred, or (ii) correct, rescind or otherwise substantially reverse the occurrence supporting termination for Good Reason as identified by Employee. If JEA does not deny that an event of Good Reason has occurred or if such event has not been cured within thirty (30) days after JEA received the Notice of Termination for Good Reason, then the termination of employment by Employee for Good Reason shall be effective upon expiration of said thirty (30)-day period after JEA received the Notice of Termination for Good Reason. If the event of Good Reason is cured within such thirty (30)-day period, the Notice of Termination for Good Reason shall have no effect. If JEA disputes that Good Reason exists, and does not within thirty (30) days cure the event cited by Employee as Good Reason, and if Employee then elects to terminate employment, the parties agree to arbitrate the dispute pursuant to Subsection 4.19. Any disputes between the parties regarding this Subsection 3.1.2, including with respect to whether circumstances giving rise to Good Reason exist, shall be resolved pursuant to the arbitration procedure set forth in Subsection 4.19.
- 3.1.3 For purposes of this Agreement, the term "Disability" shall mean: if JEA provides long-term disability insurance to its employees generally, and if JEA's long-term disability plan defines the term "Disability," then that term shall have the same meaning in this Agreement as in JEA's long-term disability plan; otherwise, the term "Disability" means a physical or mental incapacity as a result of which Employee becomes unable to continue to perform Employee's essential job functions, with or without reasonable accommodation, for four consecutive months.

- 3.1.4 If Employee's employment is terminated by JEA for Cause, by Employee without Good Reason, or as a result of Employee's death or Disability, then (a) Employee shall be paid all amounts and shall receive all benefits earned through the date of termination of employment, and (b) all future compensation to which Employee would otherwise be entitled and all future benefits for which Employee would otherwise be eligible shall cease and terminate as of the date of termination, except that (c) Employee shall be entitled to all vested benefits, to the right to continuation of benefits to the extent provided by applicable benefits plans, COBRA, and other applicable law, and to all other rights provided by applicable law.
- If Employee's employment is terminated by JEA without Cause or by Employee for 3.1.5 "Good Reason" then, subject to Employee's compliance with the covenants set forth in this Agreement and Employee's execution and non-revocation of the release of claims substantially in the form of Exhibit B attached hereto, (a) Employee shall be paid all amounts and shall receive all benefits earned through the date of termination of employment, (b) JEA shall pay Employee a lump sum payment equal to twenty (20) weeks of the current Annual Base Salary, less applicable taxes and deductions (such payment will be made within thirty (30) days of the date Employee's termination occurs), (c) Employee shall become fully vested in any unvested amounts contributed on his behalf to any available retirement plan that may then be in effect to the extent allowable under the terms of the applicable plan and applicable law, (d) if Employee makes a timely and effective election to continue health insurance coverage under COBRA, then JEA shall pay directly to its COBRA provider the COBRA premiums necessary to continue Employee's coverage (and coverage for Employee's covered dependents) under COBRA for a period of twenty (20) weeks following the end of the month in which the termination occurs, (e) Subsection 3.1.6 shall become operative, and JEA and Employee shall comply with Subsection 3.1.6, and (f) Employee shall be entitled to all other vested benefits, to all additional rights to continuation of benefits to the extent provided by applicable benefits plans, COBRA, and other applicable law, and to all other rights provided by applicable law.
- 3.1.6 JEA and Employee further agree that if, during the first six (6) years following the Effective Date, Employee's employment is terminated by JEA without Cause, or by Employee for "Good Reason" then, beginning on the first Monday after the effective date of termination of Employee's employment with JEA, Employee shall serve as a consultant to JEA for a period of twelve (12) months in accordance with the terms of the Separation and Transition Agreement substantially in the form of Exhibit B attached hereto.

#### **SECTION IV – MISCELLANEOUS:**

- 4.1 **Eligibility to Work in the United States**. Employee has provided previously to JEA the appropriate documentation to verify Employee's authorization to work in the United States.
- 4.2 **Governing Law; Binding Effect; Amendment**. This Agreement shall be interpreted and enforced in accordance with the laws of the State of Florida, and shall be binding on JEA's

successors (including any organization that succeeds to substantially all of the assets and business of JEA) and assigns, and the term "JEA" whenever used in this Agreement shall mean and include any such successor or assign. This Agreement shall not be assignable or transferable by Employee or his beneficiaries or legal representatives. Notwithstanding the foregoing, in the event of the death of Employee, payments that otherwise would have been made to Employee shall instead be provided to Employee's estate. No amendment or modification shall be effective unless in writing by the parties, including the approval by the Board.

- 4.3 **Savings Clause**. Employee's present benefits and rights are preserved, including but not limited to accrued service credits, accrued leave, and accrued incentive compensation carried forward in accordance with existing policies and procedures.
- 4.4 **Public Records and Open Meetings (Sunshine) Requirements.** Employee will become familiar, with the assistance of JEA's staff and JEA's legal counsel, with the unique obligations and parameters of the State of Florida's public records and sunshine act laws, in order that JEA maintain its record of compliance with such laws.
- 4.5 **Legal Counsel**. Employee shall be entitled to legal counsel from or approved by the Office of General Counsel, paid for by JEA in a prompt and current manner as provided in Section 111.07, Florida Statutes, as necessary if Employee is a defendant participant in a lawsuit against JEA for actions that occurred during period of employment with JEA, excepting where a court has adjudicated Employee as having committed intentional tort or torts.
- 4.6 **Indemnification**. Pursuant to Section 768.28(9)(a), Florida Statutes, Employee is not personally liable in any action for any injury or damage suffered as a result of any act, event, or omission of action in the scope of her or his employment or function. JEA hereby agrees to indemnify, defend and hold Employee harmless from any and all claims, to the fullest extent permitted by Sections 111.07, 111.071 and 768.28(9)(a), Florida Statutes, and other applicable law. Without limiting the scope of this Subsection 4.6, which the parties agree shall be construed as broadly as permitted by applicable law, JEA's agreement to indemnify, defend and hold employee harmless includes claims arising out of the exercise of (or failure to exercise) Employee's duties and responsibilities to JEA, and to all other acts entitled to indemnification pursuant to Sections 111.07, 111.071 and 768.28(9)(a), Florida Statutes. If Employee's claim for indemnification is one for which indemnification is provided by Sections 111.07, 111.071 and 768.28(9)(a), Florida Statutes, or by other applicable law, then Employee shall be entitled to the benefits and protections of this Subsection 4.6 notwithstanding (i) any provision in this Agreement to the contrary, (ii) termination of Employee's employment, regardless of the reason for or circumstances surrounding said termination, or (iii) the termination of this Agreement.
- 4.7 **Confidentiality**. Employee agrees and acknowledges that, in the course of Employee's employment with JEA, Employee may learn trade secrets and other proprietary information of JEA. For purposes of this Agreement, "trade secrets" means any information protected by Florida's Trade Secrets Act, and "proprietary information" means any information obtained during the course of Employee's employment with JEA the disclosure of which would reasonably be expected to create a material risk of harm to JEA's legitimate business interests. JEA agrees and acknowledges that, in the course of Employee's employment with JEA, JEA may learn

confidential information about Employee's finances and other personal matters. Accordingly, Employee agrees that Employee will not, during or after Employee's employment with JEA, disclose any of JEA's trade secrets or other proprietary information, except in performance of Employee's duties as an Employee of JEA, and JEA agrees that it will not, during or after Employee's employment with JEA, disclose any confidential information about Employee. However, nothing in this Agreement or in this Subsection 4.7 shall impose or be construed to impose any limitation that is contrary to applicable law or applicable court order, or to limit the parties' opportunity to agree in the future to permit disclosures of information otherwise made confidential by this Subsection 4.7.

- Non-disparagement. Employee agrees not to disparage JEA, its officers or its Board members, and JEA agrees not to disparage Employee, except that nothing in this Agreement or in this Subsection 4.8 shall preclude either Employee or JEA from making truthful statements in legal proceedings, to preclude Employee from providing information to or initiating or participating in a proceeding before any federal, state or local administrative agency, or to impose any limitation that is contrary to applicable law or applicable court order.
- 4.9 **Authority**. The person executing and delivering this Agreement on behalf of JEA is an authorized officer, director or agent of JEA with full power and authority to bind JEA. Upon execution and delivery of this Agreement by JEA, this Agreement shall constitute the legal, valid and binding obligation of JEA.
- 4.10 **Execution**. This Agreement shall not become a binding and enforceable contract until signed by Employee, the Chair of JEA's Board of Directors, JEA's Chief Financial Officer and JEA's Chief Legal Officer. This Agreement may be executed in multiple counterparts, each of which shall be deemed to constitute an original, and which together, when signed by Employee, the Chair, the Chief Financial Officer and the Chief Legal Officer, shall constitute a single, legally binding contract.
- 4.11 **Entire Agreement**. This Agreement constitutes the entire agreement between the parties with respect to the subject matter hereof. This Agreement supersedes all prior agreements and understandings, both oral and written, between the parties with respect to the subject matter of this Agreement.
- 4.12 **Compliance with Sections 409A** / **457**. JEA intends that all payments provided under this Agreement be exempt from, or comply with, the requirements of Sections 409A and 457 of the Code and any guidance promulgated under Sections 409A / 457 of the Code (collectively, "Sections 409A / 457") so that none of the payments or benefits will be subject to the additional tax imposed under Sections 409A / 457, and any ambiguities in this Agreement will be interpreted in accordance with this intent. No payment or benefits to be paid to Employee, if any, under this Agreement or otherwise, when considered together with any other severance payments or separation benefits that are considered deferred compensation under Sections 409A / 457 will be paid or otherwise provided until Employee has a separation from service within the meaning of Sections 409A / 457. Each severance payment, installment, and benefit payable under Section 3 of this Agreement is intended to constitute a separate payment for purposes of U.S. Treasury Regulation Section 1.409A-2(b)(2).

All expenses or other reimbursements under this Agreement that would constitute nonqualified deferred compensation subject to Sections 409A / 457, (i) shall be paid on or prior to the last day of the taxable year following the taxable year in which such expenses were incurred by Employee, (ii) no such reimbursement or expenses eligible for reimbursement in any taxable year shall in any way affect Employee's right to reimbursement of any other expenses eligible for reimbursement in any other taxable year, and (iii) Employee's right to reimbursement shall not be subject to liquidation in exchange for any other benefit.

- 4.13 Confidential Disclosure in Reporting Violations of Law or in Court Filings. Employee acknowledges and JEA agrees that Employee may disclose confidential information in confidence directly or indirectly to federal, state, or local government officials, including but not limited to the Department of Justice, the Securities and Exchange Commission, the Congress, and any agency Inspector General or to an attorney, for the sole purpose of reporting or investigating a suspected violation of law or regulation or making other disclosures that are protected under the whistleblower provisions of state or federal laws or regulations. Employee may also disclose confidential information in a document filed in a lawsuit or other proceeding, but only if the filing is made under seal. Nothing in this Agreement is intended to conflict with federal law protecting confidential disclosures of a trade secret to the government or in a court filing, 18 U.S.C. § 1833(b), or to create liability for disclosures of confidential information that are expressly allowed by 18 U.S.C. § 1833(b).
- 4.14 **Notices**. For purposes of this Agreement, notices, demands and all other communications provided for in this Agreement shall be in writing and shall be deemed to have been duly given when received if delivered in person, the next business day if delivered by overnight commercial courier (e.g., Federal Express), or the third business day if mailed by United States certified mail, return receipt requested, postage prepaid, to the following addresses:

If to JEA, to:

JEA 21 West Church Street Jacksonville, FL 32202

If to Employee, to:

Aaron F. Zahn at the address on file with JEA

Either party may change its address for notices in accordance with this Subsection 4.14 by providing written notice of such change to the other party.

- 4.15 **Survival**. The provisions of this Agreement that are intended to survive this Agreement and Employee's termination of employment shall survive in accordance with their terms.
- 4.16 **Severability**. If any provision of this Agreement becomes or is deemed invalid, illegal or unenforceable in any applicable jurisdiction by reason of the scope, extent or duration of its

coverage, then such provision shall be deemed amended to the minimum extent necessary to conform to applicable law so as to be valid and enforceable or, if such provision cannot be so amended without materially altering the intention of the parties, then such provision shall be stricken and the remainder of this Agreement (as applicable) shall continue in full force and effect.

- 4.17 **Waiver**. Any failure of Employee to comply with any of his obligations under this Agreement may be waived only in writing signed by JEA. Any failure of JEA to comply with any of its obligations under this Agreement may be waived only in writing signed by Employee. No waiver of any breach, failure, right or remedy contained in or granted by the provisions of this Agreement shall constitute a continuing waiver of a subsequent or other breach, failure, right or remedy, unless the writing so specifies.
- 4.18 **Compliance with Applicable Laws**. No provision of this Agreement shall be deemed to violate applicable law and this Agreement shall be interpreted in accordance with this intent.
- 4.19 **Arbitration**. Except for suits seeking injunctive relief or specific performance or as otherwise prohibited by applicable law, the parties hereby agree that any dispute, controversy or claim arising out of, connected with and/or otherwise relating to this Agreement and the arbitrability of any controversy or claim relating hereto shall be finally settled by binding arbitration. The parties hereby knowingly and voluntarily waive any rights that they may have to a jury trial for any such disputes, controversies or claim. The parties agree to resolve any dispute arising out of this Agreement before the American Arbitration Association (the "AAA") in accordance with the AAA's then existing National Rules of Resolution of Employment Disputes. The arbitration shall be administered by the AAA and the hearing shall be conducted in Duval County in the State of Florida before a neutral arbitrator, who must have been admitted to the practice of law for at least the last ten (10) years (the "Arbitrator"). Each party further agrees to pay its or his own arbitration costs, attorneys' fees, and expenses, unless otherwise required by the AAA's then-existing arbitration rules. The Arbitrator shall issue an opinion within thirty (30) days of the final arbitration hearing and shall be authorized to award reasonable attorneys' fees to the prevailing party, which decision of the Arbitrator shall be final, conclusive, unappealable and binding on the parties. Subject to applicable law, the arbitration proceeding and any and all related awards, relief or findings shall be confidential, except that any arbitration award may be filed in a court of competent jurisdiction by either party for the purpose of enforcing the award.]

#### **Separation and Transition Agreement**

#### FORM OF SEPARATION AND TRANSITION AGREEMENT

**THIS SEPARATION AND TRANSITION AGREEMENT** (this "Agreement") is made and entered into on [DATE] by and between JEA, a body politic and corporate under the laws of the State of Florida and an independent agency of the Consolidated City of Jacksonville (hereinafter referred to as "JEA"), and [NAME], an individual currently residing in Florida, hereinafter referred to as Service Provider. Capitalized terms used herein but not defined shall have the meanings in the Employment Agreement for [TITLE], dated as of July 23, 2019 (the "Employment Agreement"), between JEA and Service Provider.

**WHEREAS**, Service Provider is employed by JEA as its [TITLE] pursuant to the Employment Agreement;

WHEREAS, Service Provider's employment with JEA shall be terminated; and

**WHEREAS**, in connection with Service Provider's separation from service with JEA, JEA and Service Provider desire to commence the transition of the [TITLE] position and Service Provider agrees to make himself or herself available to provide services to JEA on the terms and conditions set forth herein.

Now therefore JEA and Service Provider agree as follows:

#### **SECTION 1 – SEPARATION:**

- 1.1 **Removal from Positions**. The Service Provider's last day of employment with JEA is [DATE] (such date, the "Separation Date"). In that regard, as of the Separation Date, (a) Service Provider's position as [TITLE] of JEA and (b) all other officer positions, directorships and other positions that Service Provider holds with JEA shall terminate.
- 1.2 **Release Agreement**. Service Provider's receipt of any payments and benefits pursuant to this Agreement (other than the payments and benefits pursuant to Sections 3.1.5(a) and (f) of the Employment Agreement (the "Accrued Obligations")) is subject to Service Provider's signing and not revoking the Release Agreement substantially in the form attached hereto as Exhibit A (the "Release Agreement"); provided that the Release Agreement is effective within thirty (30) days following the Separation Date. No payments or benefits under this Agreement (other than the Accrued Obligations) shall be paid or provided to Service Provider until the Release Agreement becomes effective in accordance with the deadline specified in the preceding sentence.

#### **SECTION II – TRANSITION:**

2.1 **Consulting Period and Services**. Commencing on the Separation Date and ending on the [NUMBER] ([NUMBER])-month anniversary thereof (the "Consulting Period"),

<sup>&</sup>lt;sup>1</sup> Note to Draft: To be increased to 60 days for group terminations.

Service Provider shall make himself or herself available to consult with JEA as reasonably requested by JEA from time to time (the "Services").

- 2.2 **Consulting Fee.** In exchange for the Services, commencing on the Separation Date, JEA agrees to pay Service Provider a monthly fee of \$[AMOUNT] (the "Monthly Fee") for a total fee of \$[AMOUNT].<sup>2</sup> Except as to the Monthly Fee, no other payment or benefits shall be due or payable to Service Provider for the Services. JEA may terminate Service Provider's service for Cause prior to the expiration of the Consulting Period and, in such event, Service Provider shall forfeit his or her right to receive the Monthly Fee for the remainder of the Consulting Period.
- 2.3 Status as an Independent Contractor. In all matters relating to the Services, nothing under this Agreement shall be construed as creating any partnership, joint venture or agency between JEA and Service Provider or to constitute Service Provider as an agent, employee or representative of JEA. Service Provider shall act solely as an independent contractor and, as such, is not authorized to bind any member of JEA to third parties. Consequently, Service Provider shall not be entitled to participate during the Consulting Period in any of the employee benefit plans, programs or arrangements of JEA in his capacity as a consultant. Service Provider shall be responsible for and pay all taxes related to the receipt of compensation in connection with the provision of the Services. Service Provider shall not make any public statements concerning the Services that purport to be on behalf of JEA, in each case without prior written consent from JEA. Notwithstanding Service Provider's status as an independent contractor in providing the Services, to the fullest extent permitted by applicable law and JEA's constituent documents applicable to officers and directors of JEA, (a) Service Provider shall continue to be entitled to indemnification for any loss, damage, or claim incurred by, imposed or asserted against Service Provider in connection with the Services provided to JEA, and (b) JEA shall pay the expenses incurred by Service Provider in defending any claim, demand, action, suit or proceeding related thereto as such expenses are incurred by Service Provider and in advance of the final disposition of such matter; provided that Service Provider shall be entitled to the coverage under clauses (a) and (b) on the same terms and conditions as were in effect prior to the Separation Date as reflected in Section
- 2.4 **Legal Counsel**. #### **SECTION III – SEVERANCE BENEFITS:**

Note to Draft: To be calculated based on an annualized amount equal to the combined total of all items reflected on Service Provider's total compensation statement provided to Service Provide for the most recent 12-month period.

- 3.1 **Compliance with Employment Agreement**. JEA shall comply with any and all of its payment and benefit obligations of the Employment Agreement.
- 3.2 **Indemnification**. Pursuant to Section 768.28(9)(a), Florida Statutes, Service Provider is not personally liable in any action for any injury or damage suffered as a result of any act, event, or omission of action in the scope of her or his employment or function. JEA hereby agrees to indemnify, defend and hold Service Provider harmless from any and all claims, to the fullest extent permitted by Sections 111.07, 111.071 and 768.28(9)(a), Florida Statutes, and other applicable law. Without limiting the scope of this Section 3.2, which the parties agree shall be construed as broadly as permitted by applicable law, JEA's agreement to indemnify, defend and hold Service Provider harmless includes claims arising out of the exercise of (or failure to exercise) Service Provider's duties and responsibilities to JEA, and to all other acts entitled to indemnification pursuant to Sections 111.07, 111.071 and 768.28(9)(a), Florida Statutes. If Service Provider's claim for indemnification is one for which indemnification is provided by Sections 111.07, 111.071 and 768.28(9)(a), Florida Statutes, or by other applicable law, then Service Provider shall be entitled to the benefits and protections of this Section 3.2 notwithstanding (i) any provision in this Agreement or the Employment Agreement to the contrary, (ii) termination of Service Provider's employment, regardless of the reason for or circumstances surrounding said termination, or (iii) the termination of this Agreement.
- 3.3 **No Other Compensation or Benefits**. Except as otherwise specifically provided herein or as required by the terms of any employee benefit plan, program or arrangement of JEA, the Consolidated Omnibus Reconciliation Act or other applicable law, Service Provider shall not be entitled to any compensation or benefits or to participate in any past, present or future employee benefit plans, programs or arrangements of JEA on or after the Separation Date.

### **SECTION IV – COVENANTS AND AGREEMENTS:**

- 4.1 **Incorporation by Reference**. The covenants and agreements set forth in Sections 4.7, 4.8 and Section 4.13 of the Employment Agreement (the "Restrictive Covenants") are incorporated herein by reference as if such provisions were set forth herein in full.
- 4.2. **Return of Property**. All files, records, documents, manuals, books, forms, reports, memoranda, studies, data, calculations, recordings, or correspondence, whether visually perceptible, machine-readable or otherwise, in whatever form they may exist, and all copies, abstracts and summaries of the foregoing, and all physical items related to the business of JEA, whether of a public nature or not, and whether prepared by Service Provider or not, are and shall remain the exclusive property of JEA, and shall not be removed from its premises, except as required in the course of Service Provider's employment by JEA, without the prior written consent of JEA. No later than the Separation Date, such items, including any copies or other reproductions thereof, shall be promptly returned by Service Provider to JEA (or, if requested by JEA, destroyed by Service Provider).

### **SECTION V – MISCELLANEOUS:**

- 5.1 **Governing Law; Binding Effect; Amendment**. This Agreement shall be interpreted and enforced in accordance with the laws of the State of Florida, and shall be binding on JEA's successors and assigns. This Agreement shall not be assignable or transferable by Service Provider or his or her beneficiaries or legal representatives. Notwithstanding the foregoing, in the event of the death of Service Provider, payments that otherwise would have been made to Service Provider shall instead be provided to Service Provider's estate. No amendment or modification shall be effective unless in writing by the parties, including the approval by the Board.
- 5.2 **Authority**. The person executing and delivering this Agreement on behalf of JEA is an authorized officer, director or agent of JEA with full power and authority to bind JEA. Upon execution and delivery of this Agreement by JEA, this Agreement shall constitute the legal, valid and binding obligation of JEA.
- 5.3 **Execution**. This Agreement shall not become a binding and enforceable contract until signed by Service Provider, the Chair of JEA's Board of Directors, JEA's Chief Financial Officer and JEA's Chief Legal Officer. This Agreement may be executed in multiple counterparts, each of which shall be deemed to constitute an original, and which together, when signed by Service Provider, the Chair, the Chief Financial Officer and the Chief Legal Officer, shall constitute a single, legally binding contract.
- 5.4 **Entire Agreement**. This Agreement constitutes the entire agreement between the parties with respect to the subject matter hereof. This Agreement supersedes all prior agreements and understandings, both oral and written, between the parties with respect to the subject matter of this Agreement (including, without limitation, the Employment Agreement (other than to the extent set forth herein and the Restrictive Covenants, which shall remain in full force and effect)).
- 5.5 Compliance with Sections 409A / 457. JEA intends that all payments provided under this Agreement be exempt from, or comply with, the requirements of Sections 409A and 457 of the Code and any guidance promulgated under Sections 409A / 457 of the Code (collectively, "Sections 409A / 457") so that none of the payments or benefits shall be subject to the additional tax imposed under Sections 409A / 457, and any ambiguities in this Agreement shall be interpreted in accordance with this intent. No payment or benefits to be paid to Service Provider, if any, under this Agreement or otherwise, when considered together with any other severance payments or separation benefits that are considered deferred compensation under Sections 409A / 457 shall be paid or otherwise provided until Service Provider has a separation from service within the meaning of Sections 409A / 457. Each severance payment, installment, and benefit payable under Section 3 of this Agreement is intended to constitute a separate payment for purposes of U.S. Treasury Regulation Section 1.409A-2(b)(2).

All expenses or other reimbursements under this Agreement that would constitute nonqualified deferred compensation subject to Sections 409A / 457, (i) shall be paid on

or prior to the last day of the taxable year following the taxable year in which such expenses were incurred by Service Provider, (ii) no such reimbursement or expenses eligible for reimbursement in any taxable year shall in any way affect Service Provider's right to reimbursement of any other expenses eligible for reimbursement in any other taxable year, and (iii) Service Provider's right to reimbursement shall not be subject to liquidation in exchange for any other benefit.

Notices. For purposes of this Agreement, notices, demands and all other communications provided for in this Agreement shall be in writing and shall be deemed to have been duly given when received if delivered in person, the next business day if delivered by overnight commercial courier (e.g., Federal Express), or the third business day if mailed by United States certified mail, return receipt requested, postage prepaid, to the following addresses:

If to JEA, to:

JEA 21 West Church Street Jacksonville, FL 32202

If to Service Provider, to:

[NAME]

at the address on file with JEA

Either party may change its address for notices in accordance with this Subsection 5.6 by providing written notice of such change to the other party.

- 5.7 **Survival**. The provisions of this Agreement that are intended to survive this Agreement and Service Provider's termination of employment shall survive in accordance with their terms.
- 5.8 **Severability**. If any provision of this Agreement becomes or is deemed invalid, illegal or unenforceable in any applicable jurisdiction by reason of the scope, extent or duration of its coverage, then such provision shall be deemed amended to the minimum extent necessary to conform to applicable law so as to be valid and enforceable or, if such provision cannot be so amended without materially altering the intention of the parties, then such provision shall be stricken and the remainder of this Agreement (as applicable) shall continue in full force and effect.
- 5.9 **Waiver**. Any failure of Service Provider to comply with any of his or her obligations under this Agreement may be waived only in writing signed by JEA. Any failure of JEA to comply with any of its obligations under this Agreement may be waived only in writing signed by Service Provider. No waiver of any breach, failure, right or remedy contained in or granted by the provisions of this Agreement shall constitute a continuing

waiver of a subsequent or other breach, failure, right or remedy, unless the writing so specifies.

Arbitration. Except for suits seeking injunctive relief or specific performance or as 5.10 otherwise prohibited by applicable law, the parties hereby agree that any dispute, controversy or claim arising out of, connected with and/or otherwise relating to this Agreement and the arbitrability of any controversy or claim relating hereto shall be finally settled by binding arbitration. The parties hereby knowingly and voluntarily waive any rights that they may have to a jury trial for any such disputes, controversies or claim. The parties agree to resolve any dispute arising out of this Agreement before the American Arbitration Association (the "AAA") in accordance with the AAA's then existing National Rules of Resolution of Employment Disputes. The arbitration shall be administered by the AAA and the hearing shall be conducted in Duval County in the State of Florida before a neutral arbitrator, who must have been admitted to the practice of law for at least the last ten (10) years (the "Arbitrator"). Each party further agrees to pay its or his own arbitration costs, attorneys' fees, and expenses, unless otherwise required by the AAA's then-existing arbitration rules. The Arbitrator shall issue an opinion within thirty (30) days of the final arbitration hearing and shall be authorized to award reasonable attorneys' fees to the prevailing party, which decision of the Arbitrator shall be final, conclusive, unappealable and binding on the parties. Subject to applicable law, the arbitration proceeding and any and all related awards, relief or findings shall be confidential, except that any arbitration award may be filed in a court of competent jurisdiction by either party for the purpose of enforcing the award.

### MUTUAL RELEASE AGREEMENT

**THIS MUTUAL RELEASE AGREEMENT** (this "Agreement") is made and entered into on [DATE] by and between JEA, a body politic and corporate under the laws of the State of Florida and an independent agency of the Consolidated City of Jacksonville (hereinafter referred to as "JEA"), and [NAME], an individual currently residing in Florida, hereinafter referred to as Service Provider. Capitalized terms used herein but not defined shall have the meanings set forth in the Separation and Transition Agreement, dated as of [DATE] (the "Separation Agreement"), by and between JEA and Service Provider.

**WHEREAS**, the Separation Agreement sets forth the terms and conditions of Service Provider's separation from service with JEA effective as [DATE]; and

Accordingly, the parties hereto agree as follows:

### **SECTION I – RELEASE:**

1.1 General Release by Service Provider. In consideration of JEA's obligations under the Separation Agreement and for other valuable consideration, Service Provider hereby releases and forever discharges JEA and each of its respective officers, employees, directors and agents from any and all claims, actions and causes of action (collectively, "Claims"), including, without limitation, any Claims arising under (a) the Sarbanes-Oxley Act of 2002, 18 U.S.C. § 1514; Sections 748(h)(i), 922(h)(i) and 1057 of the Dodd-Frank Wall Street and Consumer Protection Act (the "Dodd Frank Act"), 7 U.S.C. § 26(h), 15 U.S.C. § 78u-6(h)(i) and 12 U.S.C. § 5567(a) but excluding from this release any right Service Provider may have to receive a monetary award from the Securities and Exchange Commission as an SEC Whistleblower, pursuant to the bounty provision under Section 922(a)-(g) of the Dodd Frank Act, 7 U.S.C. Sec. 26(a)-(g), or directly from any other federal or state agency pursuant to a similar program, or (b) any applicable federal, state, local or foreign law, including, but not limited to, claims under Chapter 112 or Chapter 760, Florida Statutes, that Service Provider may have, or in the future may possess arising out of (x) Service Provider's employment relationship with and service as a director, employee, officer or manager of JEA, and the termination of such relationship or service, or (y) any event, condition, circumstance or obligation that occurred, existed or arose on or prior to the date hereof; provided, however, that the release set forth in this Section 1.1 shall not apply to (i) the obligations of JEA under the Separation Agreement, (ii) the obligations of JEA to continue to provide indemnification to Service Provider as provided under applicable law or in the Separation Agreement and (iii) any Claims which cannot be released under applicable law. Service Provider further agrees that the payments and benefits described in the Separation Agreement shall be in full satisfaction

- 1.3 **General Release by JEA**. JEA hereby releases and forever discharges Service Provider and each of his or her agents, representatives, attorneys, successors, assigns, heirs, executors and administrators from any Claims that JEA may have, or in the future may possess, arising out of (x) Service Provider's employment relationship with and service as a director, employee, officer or manager of JEA, and the termination of such relationship or service, or (y) any event, condition, circumstance or obligation that occurred, existed or arose on or prior to the date hereof; provided, however, that the release set forth in this Section 1.3 shall not apply to any Claims which cannot be released under applicable law.

WHEREAS, JEA, founded in 1968, manages an electric system that dates back to 1895, and now owns and operates an electric system with five generating plants, transmission and distribution facilities, including 745 miles of transmission lines and 6,625 miles of distribution lines; is part owner and full operator of a sixth generating plant; produces energy from two methane-fueled generating facilities and owns a 12.6-megawatt solar project, placing JEA's total generating capacity at approximately 3,757 megawatts;

**WHEREAS**, JEA also provides water and wastewater services to approximately 352,000 water customers, 12,600 reuse water customers and 275,000 wastewater customers;

**WHEREAS**, JEA's water system consists of 136 artesian wells tapping the Floridian aquifer, distributing water through 37 water treatment plants and 4,352 miles of water lines and with a sewer system of more than 3,760 miles of collection lines and seven regional and seven non-regional sewer treatment plants;

**WHEREAS**, JEA owns and operates the District Energy System, a separate utility system that provides chilled water to 13 locations in Jacksonville;

**WHEREAS**, the JEA governing body is made up of a seven-member Board of Directors ("Board") appointed by the Mayor and confirmed by the City Council;

**WHEREAS**, the Board is tasked with appointing a [TITLE] to operate the eighth largest community-owned electric utility company in the United States and the largest in Florida, with total assets of \$8.4 billion (2018), total equity of \$2.8 billion (2018), and approximately 2,000 employees (2018); and

**WHEREAS**, JEA is desirous of continuing to employ Employee as [TITLE] pursuant to the terms and conditions and for the consideration set forth in this Agreement, and Employee is desirous of entering into this Agreement pursuant to such terms and conditions.

**NOW, THEREFORE**, for and in consideration of the mutual promises, covenants, and obligations contained herein, JEA and Employee agree as follows:

### **SECTION I – EMPLOYMENT AND DUTIES:**

- 1.1 **Engagement**. JEA agrees to continue to employ Employee and Employee agrees to continue to be employed by JEA, for a time period beginning on August 1, 2019 (the "Effective Date"), and continuing until the employment relationship is terminated in accordance with the terms and conditions of this Agreement (the "Term").
- 1.2 **Terms and Duties**. Employee shall be employed as [TITLE] of JEA. Employee agrees to serve in this position and to perform diligently Employee's duties and services with the dedication and in manner of similarly situated executives and as reasonably directed by the Board.
- 1.3 **Compliance with Policies and Procedures**. Employee shall at all times comply with and be subject to such policies and procedures as the Board may establish.
- Diligence to Position. Employee shall devote full business time, energy, and best efforts to the business of Employer with the dedication and in the manner of similarly situated executives; provided, however, that it is agreed that this obligation shall not preclude Employee from engaging in appropriate civic, charitable or religious activities or from serving on the boards of directors of companies that are not competitors to JEA, as long as the activities do not materially interfere or conflict with Employee's responsibilities to JEA or Employee's ability to perform Employee's duties of employment at JEA, within the sole discretion of the Board. Subject to the foregoing, Employee may not engage, directly or indirectly, in any other business, investment, or activity that interferes with Employee's performance of his duties, is directly contrary to JEA's interests, or requires any significant portion of Employee's business time; provided, however, that Employee may own less than two percent (2%) of the voting stock of a corporation listed for trading or traded over the counter on a recognized stock exchange in the United States. Employee's responsibilities and duties shall be commensurate with Employee's position together with any responsibilities and duties assigned by the Board or JEA's Chief Executive Officer.
- 1.5 **Fiduciary Obligations**. Employee acknowledges and agrees that, during the Term, Employee owes a fiduciary duty of loyalty toward JEA, and will not intentionally injure the direct or indirect interests of JEA, or benefit from any outside activities which Employee knows conflict with interests of JEA or, upon discovery of any such conflict, allow such a conflict to continue. Moreover, Employee agrees to disclose to JEA any facts which involve a conflict of interest during the Term.

### **SECTION II – COMPENSATION AND BENEFITS:**

2.1 **Annual Compensation**. Employee shall be paid an annual salary of \$[AMOUNT].00 (the "Annual Base Salary"), which shall be paid in equal installments in accordance with JEA's standard payroll practice, including deductions for all legally applicable taxes and withholdings. Once every twelve (12) months (measured from, and contemporaneous with, the completion of JEA's annual audit), JEA shall conduct a performance review of Employee, including a review of the market pricing peer group assessment of Employee's Annual Base Salary by a nationally recognized compensation consultant and shall discuss the results of such review with Employee.

- The Board shall make modifications to Employee's Annual Base Salary as deemed to be appropriate based upon this annual review of Employee's performance.
- 2.2 **Pay for Performance Program**. The Board has established a Pay for Performance Program for fiscal year 2018/2019, and anticipates continuing the Program or a similar program in future years (all such programs are referred to in this Agreement as the "Program"). During the Term, Employee shall be eligible to participate in the Program, or any other incentive compensation program established by the Board in accordance with the terms of any such program.
- 2.3 **Vehicle**. Employee will have the use of an appropriately equipped JEA vehicle at the expense of JEA to supplement Employee's personal vehicle. In lieu of having use of a JEA vehicle, at Employee's option, JEA shall pay to Employee a monthly automobile allowance of \$850.00, to be paid on or before the first regular payday of each month following the Effective Date, subject to withholding. It is specifically intended and understood that this allowance shall be provided as compensation for unreimbursed expenses incurred by Employee within the territorial limits of the JEA service territory and receipt of this allowance shall not prevent Employee from claiming and being reimbursed for travel expenses resulting from travel by Employee outside the JEA service territory in the manner provided by the Ordinance Code of the City of Jacksonville. JEA and Employee understand and agree that \$850.00 is an estimate of the total cost Employee would incur if not provided with a JEA vehicle, including vehicle wear and tear and other costs that cannot be measured with precision, and that the full \$850.00 shall be paid without any obligation on the part of Employee to provide proof of actual expenses.
- 2.4 **Business Allowance**. JEA shall pay to Employee a monthly allowance in the amount of \$[AMOUNT].00 for general business expenses incurred in Employee's efforts to promote and represent JEA beyond those identified in JEA employee policies. The business allowance shall be paid on or before the first regular payday of each month following the Effective Date, subject to withholding. Employee may expend the monthly allowance in such a manner as Employee determines, in Employee's sole discretion, in support of Employee's performance of Employee's duties under this Agreement.
- 2.5 **Parking Allowance**. On or before the first regular payday of each month following the Effective Date, Employee will be provided a monthly allowance in the amount of \$50.00 for parking (subject to withholding).
- 2.6 **Expenses**. Notwithstanding anything herein to the contrary, and in addition to other payments provided for in this Agreement, JEA shall reimburse Employee for telephone, travel, continuing education, and general business expenses incurred by Employee in accordance with JEA policies and procedures.
- Annual Leave. Employee will be provided annual Paid Time Off ("PTO") in accordance with JEA's existing policies and procedures in effect from time to time. Without limiting the generality of the foregoing, Employee shall be entitled to a minimum of [NUMBER] ([NUMBER]) hours of PTO during each year of employment commencing on the Effective Date. In addition, JEA shall observe eleven (11) paid holidays and one floating holiday each year.

- 2.8 **Fringe Benefits**. Employee shall be allowed to participate, on the same basis generally as other employees of JEA, in all general employee benefit plans and programs, including improvements or modifications of same, which on the Effective Date or thereafter are made available by JEA to all or substantially all of JEA's executive employees, or to JEA's employees generally, including any amendments thereto. Such benefits, plans, and programs may include, without limitation, medical, health, and dental care, life insurance, disability protection, and flexible spending accounts. Except as specifically provided herein, nothing in this Agreement is to be construed or interpreted to provide greater or lesser rights, participation, coverage, or benefits under the benefit plans or programs than provided to executive employees pursuant to the terms and conditions of such benefit plans and programs. JEA shall not by reason of this Agreement be obligated to institute, maintain, or refrain from changing, amending, or discontinuing, any incentive compensation or employee benefit program or plan, so long as such actions are similarly applicable to covered employees generally. Notwithstanding anything to the contrary in this Agreement, for so long as Employee's employment with JEA continues, JEA shall pay the premiums required to maintain a life insurance policy, with \$500,000.00 in coverage, payable to one or more beneficiaries to be designated by Employee, and with a conversion provision that will allow Employee to continue coverage upon and after termination of employment.
- 2.9 **Pension Benefits**. Employee shall be allowed to participate in the General Employees Pension Plan, the JEA 401(a) Defined Contribution Plan, and in any other pension or retirement plan made available by JEA to all or substantially all of JEA's executive employees or to JEA's employees generally, including any amendments thereto. Any amounts which the Company would contribute to any Section 401(a) defined contribution plan but for the Section 401(a) limit under the Internal Revenue Code of 1986, as amended (the "Code"), shall be paid to Employee as taxable compensation on a current basis.

### **SECTION III – TERMINATION OF EMPLOYMENT:**

- 3.1 **Termination**. Subject to the terms of Subsections 3.1.4, 3.1.5 and 3.1.6 of this Agreement, Employee's employment with JEA may be terminated (i) by JEA immediately for "Cause" (as defined in, and subject to the notice and cure provisions of, Subsection 3.1.1 of this Agreement); (ii) by Employee for "Good Reason" (as defined in, and subject to the notice and cure provisions of, Subsection 3.1.2 of this Agreement); (iii) upon Employee's death or upon Employee's "Disability" (as defined in Subsection 3.1.3 of this Agreement); or (iv) by either party, without Cause or Good Reason, upon thirty (30) days' advance notice to the other party.
  - 3.1.1 For purposes of this Agreement, "Cause" for termination of employment means: (i) a willful breach by Employee of material duties, obligations and policies of JEA which Employee fails to cure within ten (10) days after written notice from JEA specifically identifying such breach; (ii) Employee's gross negligence or gross neglect of duties and obligations required in performance of Employee's duties, or willful misconduct; (iii) Employee's continued violation of written rules and policies of the Board after written notice of same and reasonable opportunity to cure; (iv) conviction of Employee for any criminal act which is a felony; (v) commission by Employee in a public or private capacity of theft, fraud, or misappropriation or embezzlement of funds; or (vi) misconduct as defined in Florida Statutes § 443.036(29). For purposes of this Agreement, termination

- of employment "without Cause" means any termination of employment by JEA for any reason not explicitly defined by this Subsection 3.1.1 as Cause for termination.
- For purposes of this Agreement, "Good Reason" shall mean the occurrence of any of the following: (a) a material diminution in Employee's role, responsibilities, compensation, benefits and/or title without Employee's consent; (b) a directive by the Board to Employee to take any action or to refrain from action when implementing said directive would constitute a violation of applicable law; or (c) a material breach of this Agreement by JEA. Without in any way limiting the foregoing, a reduction in Employee's Base Salary to a level of 95% or less of the Base Salary stated in this Agreement shall be conclusively presumed to be a material diminution in Employee's compensation. Notwithstanding anything to the contrary in this Subsection 3.1.2 or in this Agreement, Employee may terminate Employee's employment for Good Reason only under the following terms and conditions. A termination of employment by Employee for Good Reason shall be effectuated by giving JEA written notice of the termination (the "Notice of Termination for Good Reason") within thirty (30) days after the event constituting Good Reason, setting forth in reasonable detail the specific conduct that constitutes Good Reason and the specific provisions of this Agreement on which Employee relies in support of the assertion of Good Reason. JEA shall have thirty (30) days from the receipt of the Notice of Termination for Good Reason within which to (i) deny that an event of Good Reason has occurred, or (ii) correct, rescind or otherwise substantially reverse the occurrence supporting termination for Good Reason as identified by Employee. If JEA does not deny that an event of Good Reason has occurred or if such event has not been cured within thirty (30) days after JEA received the Notice of Termination for Good Reason, then the termination of employment by Employee for Good Reason shall be effective upon expiration of said thirty (30)-day period after JEA received the Notice of Termination for Good Reason. If the event of Good Reason is cured within such thirty (30)-day period, the Notice of Termination for Good Reason shall have no effect. If JEA disputes that Good Reason exists, and does not within thirty (30) days cure the event cited by Employee as Good Reason, and if Employee then elects to terminate employment, the parties agree to arbitrate the dispute pursuant to Subsection 4.19. Any disputes between the parties regarding this Subsection 3.1.2, including with respect to whether circumstances giving rise to Good Reason exist, shall be resolved pursuant to the arbitration procedure set forth in Subsection 4.19.
- 3.1.3 For purposes of this Agreement, the term "Disability" shall mean: if JEA provides long-term disability insurance to its employees generally, and if JEA's long-term disability plan defines the term "Disability," then that term shall have the same meaning in this Agreement as in JEA's long-term disability plan; otherwise, the term "Disability" means a physical or mental incapacity as a result of which Employee becomes unable to continue to perform Employee's essential job functions, with or without reasonable accommodation, for four consecutive months.
- 3.1.4 If Employee's employment is terminated by JEA for Cause, by Employee without Good Reason, or as a result of Employee's death or Disability, then (a) Employee shall be paid

all amounts and shall receive all benefits earned through the date of termination of employment, and (b) all future compensation to which Employee would otherwise be entitled and all future benefits for which Employee would otherwise be eligible shall cease and terminate as of the date of termination, except that (c) Employee shall be entitled to all vested benefits, to the right to continuation of benefits to the extent provided by applicable benefits plans, COBRA, and other applicable law, and to all other rights provided by applicable law.

- If Employee's employment is terminated by JEA without Cause or by Employee for "Good Reason" then, subject to Employee's compliance with the covenants set forth in this Agreement and Employee's execution and non-revocation of the release of claims substantially in the form of Exhibit A attached hereto, (a) Employee shall be paid all amounts and shall receive all benefits earned through the date of termination of employment, (b) JEA shall pay Employee a lump sum payment equal to twenty (20) weeks of the current Annual Base Salary, less applicable taxes and deductions (such payment will be made within thirty (30) days of the date Employee's termination occurs), (c) Employee shall become fully vested in any unvested amounts contributed on his behalf to any available retirement plan that may then be in effect to the extent allowable under the terms of the applicable plan and applicable law, (d) if Employee makes a timely and effective election to continue health insurance coverage under COBRA, then JEA shall pay directly to its COBRA provider the COBRA premiums necessary to continue Employee's coverage (and coverage for Employee's covered dependents) under COBRA for a period of twenty (20) weeks following the end of the month in which the termination occurs, (e) Subsection 3.1.6 shall become operative, and JEA and Employee shall comply with Subsection 3.1.6, and (f) Employee shall be entitled to all other vested benefits, to all additional rights to continuation of benefits to the extent provided by applicable benefits plans, COBRA, and other applicable law, and to all other rights provided by applicable law.
- 3.1.6 JEA and Employee further agree that if, during the first five (5) years following the Effective Date, Employee's employment is terminated by JEA without Cause, or by Employee for "Good Reason" then, beginning on the first Monday after the effective date of termination of Employee's employment with JEA, Employee shall serve as a consultant to JEA for a period of [NUMBER] ([NUMBER]) months in accordance with the terms of the Separation and Transition Agreement substantially in the form of Exhibit A attached hereto.

### **SECTION IV - MISCELLANEOUS:**

- 4.1 **Eligibility to Work in the United States**. Employee has provided previously to JEA the appropriate documentation to verify Employee's authorization to work in the United States.
- 4.2 **Governing Law; Binding Effect; Amendment**. This Agreement shall be interpreted and enforced in accordance with the laws of the State of Florida, and shall be binding on JEA's successors (including any organization that succeeds to substantially all of the assets and business of JEA) and assigns, and the term "JEA" whenever used in this Agreement shall mean and

include any such successor or assign. This Agreement shall not be assignable or transferable by Employee or his or her beneficiaries or legal representatives. Notwithstanding the foregoing, in the event of the death of Employee, payments that otherwise would have been made to Employee shall instead be provided to Employee's estate. No amendment or modification shall be effective unless in writing by the parties, including the approval by the Board.

- 4.3 **Savings Clause**. Employee's present benefits and rights are preserved, including but not limited to accrued service credits, accrued leave, and accrued incentive compensation carried forward in accordance with existing policies and procedures.
- 4.4 **Public Records and Open Meetings (Sunshine) Requirements.** Employee will become familiar, with the assistance of JEA's staff and JEA's legal counsel, with the unique obligations and parameters of the State of Florida's public records and sunshine act laws, in order that JEA maintain its record of compliance with such laws.
- 4.5 **Legal Counsel**. Employee shall be entitled to legal counsel from or approved by the Office of General Counsel, paid for by JEA in a prompt and current manner as provided in Section 111.07, Florida Statutes, as necessary if Employee is a defendant participant in a lawsuit against JEA for actions that occurred during period of employment with JEA, excepting where a court has adjudicated Employee as having committed intentional tort or torts.
- 4.6 **Indemnification**. Pursuant to Section 768.28(9)(a), Florida Statutes, Employee is not personally liable in any action for any injury or damage suffered as a result of any act, event, or omission of action in the scope of her or his employment or function. JEA hereby agrees to indemnify, defend and hold Employee harmless from any and all claims, to the fullest extent permitted by Sections 111.07, 111.071 and 768.28(9)(a), Florida Statutes, and other applicable law. Without limiting the scope of this Subsection 4.6, which the parties agree shall be construed as broadly as permitted by applicable law, JEA's agreement to indemnify, defend and hold employee harmless includes claims arising out of the exercise of (or failure to exercise) Employee's duties and responsibilities to JEA, and to all other acts entitled to indemnification pursuant to Sections 111.07, 111.071 and 768.28(9)(a), Florida Statutes. If Employee's claim for indemnification is one for which indemnification is provided by Sections 111.07, 111.071 and 768.28(9)(a), Florida Statutes, or by other applicable law, then Employee shall be entitled to the benefits and protections of this Subsection 4.6 notwithstanding (i) any provision in this Agreement to the contrary, (ii) termination of Employee's employment, regardless of the reason for or circumstances surrounding said termination, or (iii) the termination of this Agreement.
- 4.7 **Confidentiality**. Employee agrees and acknowledges that, in the course of Employee's employment with JEA, Employee may learn trade secrets and other proprietary information of JEA. For purposes of this Agreement, "trade secrets" means any information protected by Florida's Trade Secrets Act, and "proprietary information" means any information obtained during the course of Employee's employment with JEA the disclosure of which would reasonably be expected to create a material risk of harm to JEA's legitimate business interests. JEA agrees and acknowledges that, in the course of Employee's employment with JEA, JEA may learn confidential information about Employee's finances and other personal matters. Accordingly, Employee agrees that Employee will not, during or after Employee's employment with JEA,

disclose any of JEA's trade secrets or other proprietary information, except in performance of Employee's duties as an Employee of JEA, and JEA agrees that it will not, during or after Employee's employment with JEA, disclose any confidential information about Employee. However, nothing in this Agreement or in this Subsection 4.7 shall impose or be construed to impose any limitation that is contrary to applicable law or applicable court order, or to limit the parties' opportunity to agree in the future to permit disclosures of information otherwise made confidential by this Subsection 4.7.

- Non-disparagement. Employee agrees not to disparage JEA, its officers or its Board members, and JEA agrees not to disparage Employee, except that nothing in this Agreement or in this Subsection 4.8 shall preclude either Employee or JEA from making truthful statements in legal proceedings, to preclude Employee from providing information to or initiating or participating in a proceeding before any federal, state or local administrative agency, or to impose any limitation that is contrary to applicable law or applicable court order.
- 4.9 **Authority**. The person executing and delivering this Agreement on behalf of JEA is an authorized officer, director or agent of JEA with full power and authority to bind JEA. Upon execution and delivery of this Agreement by JEA, this Agreement shall constitute the legal, valid and binding obligation of JEA.
- 4.10 **Execution**. This Agreement shall not become a binding and enforceable contract until signed by Employee, the Chair of JEA's Board of Directors, JEA's Chief Executive Officer and JEA's Chief Legal Officer. This Agreement may be executed in multiple counterparts, each of which shall be deemed to constitute an original, and which together, when signed by Employee, the Chair, the Chief Executive Officer and the Chief Legal Officer, shall constitute a single, legally binding contract.
- 4.11 **Entire Agreement**. This Agreement constitutes the entire agreement between the parties with respect to the subject matter hereof. This Agreement supersedes all prior agreements and understandings, both oral and written, between the parties with respect to the subject matter of this Agreement.
- 4.12 **Compliance with Sections 409A** / **457**. JEA intends that all payments provided under this Agreement be exempt from, or comply with, the requirements of Sections 409A and 457 of the Code and any guidance promulgated under Sections 409A / 457 of the Code (collectively, "Sections 409A / 457") so that none of the payments or benefits will be subject to the additional tax imposed under Sections 409A / 457, and any ambiguities in this Agreement will be interpreted in accordance with this intent. No payment or benefits to be paid to Employee, if any, under this Agreement or otherwise, when considered together with any other severance payments or separation benefits that are considered deferred compensation under Sections 409A / 457 will be paid or otherwise provided until Employee has a separation from service within the meaning of Sections 409A / 457. Each severance payment, installment, and benefit payable under Section 3 of this Agreement is intended to constitute a separate payment for purposes of U.S. Treasury Regulation Section 1.409A-2(b)(2).

All expenses or other reimbursements under this Agreement that would constitute nonqualified deferred compensation subject to Sections 409A / 457, (i) shall be paid on or prior to the last day of the taxable year following the taxable year in which such expenses were incurred by Employee, (ii) no such reimbursement or expenses eligible for reimbursement in any taxable year shall in any way affect Employee's right to reimbursement of any other expenses eligible for reimbursement in any other taxable year, and (iii) Employee's right to reimbursement shall not be subject to liquidation in exchange for any other benefit.

- 4.13 Confidential Disclosure in Reporting Violations of Law or in Court Filings. Employee acknowledges and JEA agrees that Employee may disclose confidential information in confidence directly or indirectly to federal, state, or local government officials, including but not limited to the Department of Justice, the Securities and Exchange Commission, the Congress, and any agency Inspector General or to an attorney, for the sole purpose of reporting or investigating a suspected violation of law or regulation or making other disclosures that are protected under the whistleblower provisions of state or federal laws or regulations. Employee may also disclose confidential information in a document filed in a lawsuit or other proceeding, but only if the filing is made under seal. Nothing in this Agreement is intended to conflict with federal law protecting confidential disclosures of a trade secret to the government or in a court filing, 18 U.S.C. § 1833(b), or to create liability for disclosures of confidential information that are expressly allowed by 18 U.S.C. § 1833(b).
- 4.14 **Notices**. For purposes of this Agreement, notices, demands and all other communications provided for in this Agreement shall be in writing and shall be deemed to have been duly given when received if delivered in person, the next business day if delivered by overnight commercial courier (e.g., Federal Express), or the third business day if mailed by United States certified mail, return receipt requested, postage prepaid, to the following addresses:

If to JEA, to:

JEA 21 West Church Street Jacksonville, FL 32202

If to Employee, to:

[NAME]

at the address on file with JEA

Either party may change its address for notices in accordance with this Subsection 4.14 by providing written notice of such change to the other party.

- 4.15 **Survival**. The provisions of this Agreement that are intended to survive this Agreement and Employee's termination of employment shall survive in accordance with their terms.
- 4.16 **Severability**. If any provision of this Agreement becomes or is deemed invalid, illegal or unenforceable in any applicable jurisdiction by reason of the scope, extent or duration of its coverage, then such provision shall be deemed amended to the minimum extent necessary to

conform to applicable law so as to be valid and enforceable or, if such provision cannot be so amended without materially altering the intention of the parties, then such provision shall be stricken and the remainder of this Agreement (as applicable) shall continue in full force and effect.

- 4.17 **Waiver**. Any failure of Employee to comply with any of his or her obligations under this Agreement may be waived only in writing signed by JEA. Any failure of JEA to comply with any of its obligations under this Agreement may be waived only in writing signed by Employee. No waiver of any breach, failure, right or remedy contained in or granted by the provisions of this Agreement shall constitute a continuing waiver of a subsequent or other breach, failure, right or remedy, unless the writing so specifies.
- 4.18 **Compliance with Applicable Laws**. No provision of this Agreement shall be deemed to violate applicable law and this Agreement shall be interpreted in accordance with this intent.
- 4.19 **Arbitration**. Except for suits seeking injunctive relief or specific performance or as otherwise prohibited by applicable law, the parties hereby agree that any dispute, controversy or claim arising out of, connected with and/or otherwise relating to this Agreement and the arbitrability of any controversy or claim relating hereto shall be finally settled by binding arbitration. The parties hereby knowingly and voluntarily waive any rights that they may have to a jury trial for any such disputes, controversies or claim. The parties agree to resolve any dispute arising out of this Agreement before the American Arbitration Association (the "AAA") in accordance with the AAA's then existing National Rules of Resolution of Employment Disputes. The arbitration shall be administered by the AAA and the hearing shall be conducted in Duval County in the State of Florida before a neutral arbitrator, who must have been admitted to the practice of law for at least the last ten (10) years (the "Arbitrator"). Each party further agrees to pay its or his own arbitration costs, attorneys' fees, and expenses, unless otherwise required by the AAA's then-existing arbitration rules. The Arbitrator shall issue an opinion within thirty (30) days of the final arbitration hearing and shall be authorized to award reasonable attorneys' fees to the prevailing party, which decision of the Arbitrator shall be final, conclusive, unappealable and binding on the parties. Subject to applicable law, the arbitration proceeding and any and all related awards, relief or findings shall be confidential, except that any arbitration award may be filed in a court of competent jurisdiction by either party for the purpose of enforcing the award.

### **EXHIBIT A**

# **Separation and Transition Agreement**

### FORM OF SEPARATION AND TRANSITION AGREEMENT

**THIS SEPARATION AND TRANSITION AGREEMENT** (this "Agreement") is made and entered into on [DATE] by and between JEA, a body politic and corporate under the laws of the State of Florida and an independent agency of the Consolidated City of Jacksonville (hereinafter referred to as "JEA"), and [NAME], an individual currently residing in Florida, hereinafter referred to as Service Provider. Capitalized terms used herein but not defined shall have the meanings in the Employment Agreement for [TITLE], dated as of July 23, 2019 (the "Employment Agreement"), between JEA and Service Provider.

**WHEREAS**, Service Provider is employed by JEA as its [TITLE] pursuant to the Employment Agreement;

WHEREAS, Service Provider's employment with JEA shall be terminated; and

**WHEREAS**, in connection with Service Provider's separation from service with JEA, JEA and Service Provider desire to commence the transition of the [TITLE] position and Service Provider agrees to make himself or herself available to provide services to JEA on the terms and conditions set forth herein.

Now therefore JEA and Service Provider agree as follows:

### **SECTION 1 – SEPARATION:**

- 1.1 **Removal from Positions**. The Service Provider's last day of employment with JEA is [DATE] (such date, the "Separation Date"). In that regard, as of the Separation Date, (a) Service Provider's position as [TITLE] of JEA and (b) all other officer positions, directorships and other positions that Service Provider holds with JEA shall terminate.
- 1.2 **Release Agreement**. Service Provider's receipt of any payments and benefits pursuant to this Agreement (other than the payments and benefits pursuant to Sections 3.1.5(a) and (f) of the Employment Agreement (the "Accrued Obligations")) is subject to Service Provider's signing and not revoking the Release Agreement substantially in the form attached hereto as Exhibit A (the "Release Agreement"); provided that the Release Agreement is effective within thirty (30) days following the Separation Date. No payments or benefits under this Agreement (other than the Accrued Obligations) shall be paid or provided to Service Provider until the Release Agreement becomes effective in accordance with the deadline specified in the preceding sentence.

### **SECTION II – TRANSITION:**

2.1 **Consulting Period and Services**. Commencing on the Separation Date and ending on the [NUMBER] ([NUMBER])-month anniversary thereof (the "Consulting Period"),

<sup>&</sup>lt;sup>1</sup> Note to Draft: To be increased to 60 days for group terminations.

Service Provider shall make himself or herself available to consult with JEA as reasonably requested by JEA from time to time (the "Services").

- 2.2 **Consulting Fee.** In exchange for the Services, commencing on the Separation Date, JEA agrees to pay Service Provider a monthly fee of \$[AMOUNT] (the "Monthly Fee") for a total fee of \$[AMOUNT].<sup>2</sup> Except as to the Monthly Fee, no other payment or benefits shall be due or payable to Service Provider for the Services. JEA may terminate Service Provider's service for Cause prior to the expiration of the Consulting Period and, in such event, Service Provider shall forfeit his or her right to receive the Monthly Fee for the remainder of the Consulting Period.
- 2.3 Status as an Independent Contractor. In all matters relating to the Services, nothing under this Agreement shall be construed as creating any partnership, joint venture or agency between JEA and Service Provider or to constitute Service Provider as an agent, employee or representative of JEA. Service Provider shall act solely as an independent contractor and, as such, is not authorized to bind any member of JEA to third parties. Consequently, Service Provider shall not be entitled to participate during the Consulting Period in any of the employee benefit plans, programs or arrangements of JEA in his capacity as a consultant. Service Provider shall be responsible for and pay all taxes related to the receipt of compensation in connection with the provision of the Services. Service Provider shall not make any public statements concerning the Services that purport to be on behalf of JEA, in each case without prior written consent from JEA. Notwithstanding Service Provider's status as an independent contractor in providing the Services, to the fullest extent permitted by applicable law and JEA's constituent documents applicable to officers and directors of JEA, (a) Service Provider shall continue to be entitled to indemnification for any loss, damage, or claim incurred by, imposed or asserted against Service Provider in connection with the Services provided to JEA, and (b) JEA shall pay the expenses incurred by Service Provider in defending any claim, demand, action, suit or proceeding related thereto as such expenses are incurred by Service Provider and in advance of the final disposition of such matter; provided that Service Provider shall be entitled to the coverage under clauses (a) and (b) on the same terms and conditions as were in effect prior to the Separation Date as reflected in Section
- 2.4 **Legal Counsel**. The Service Provider shall be entitled to legal counsel, paid for by JEA, as necessary if Service Provider is a defendant participant in a lawsuit against JEA for actions that occurred during his period of employment and the Consulting Period with JEA, excepting intentional torts.

### **SECTION III – SEVERANCE BENEFITS:**

Note to Draft: To be calculated based on an annualized amount equal to the combined total of all items reflected on Service Provider's total compensation statement provided to Service Provide for the most recent 12-month period.

- 3.1 **Compliance with Employment Agreement**. JEA shall comply with any and all of its payment and benefit obligations of the Employment Agreement.
- 3.2 **Indemnification**. Pursuant to Section 768.28(9)(a), Florida Statutes, Service Provider is not personally liable in any action for any injury or damage suffered as a result of any act, event, or omission of action in the scope of her or his employment or function. JEA hereby agrees to indemnify, defend and hold Service Provider harmless from any and all claims, to the fullest extent permitted by Sections 111.07, 111.071 and 768.28(9)(a), Florida Statutes, and other applicable law. Without limiting the scope of this Section 3.2, which the parties agree shall be construed as broadly as permitted by applicable law, JEA's agreement to indemnify, defend and hold Service Provider harmless includes claims arising out of the exercise of (or failure to exercise) Service Provider's duties and responsibilities to JEA, and to all other acts entitled to indemnification pursuant to Sections 111.07, 111.071 and 768.28(9)(a), Florida Statutes. If Service Provider's claim for indemnification is one for which indemnification is provided by Sections 111.07, 111.071 and 768.28(9)(a), Florida Statutes, or by other applicable law, then Service Provider shall be entitled to the benefits and protections of this Section 3.2 notwithstanding (i) any provision in this Agreement or the Employment Agreement to the contrary, (ii) termination of Service Provider's employment, regardless of the reason for or circumstances surrounding said termination, or (iii) the termination of this Agreement.
- 3.3 **No Other Compensation or Benefits**. Except as otherwise specifically provided herein or as required by the terms of any employee benefit plan, program or arrangement of JEA, the Consolidated Omnibus Reconciliation Act or other applicable law, Service Provider shall not be entitled to any compensation or benefits or to participate in any past, present or future employee benefit plans, programs or arrangements of JEA on or after the Separation Date.

### **SECTION IV – COVENANTS AND AGREEMENTS:**

- 4.1 **Incorporation by Reference**. The covenants and agreements set forth in Sections 4.7, 4.8 and Section 4.13 of the Employment Agreement (the "Restrictive Covenants") are incorporated herein by reference as if such provisions were set forth herein in full.
- 4.2. **Return of Property**. All files, records, documents, manuals, books, forms, reports, memoranda, studies, data, calculations, recordings, or correspondence, whether visually perceptible, machine-readable or otherwise, in whatever form they may exist, and all copies, abstracts and summaries of the foregoing, and all physical items related to the business of JEA, whether of a public nature or not, and whether prepared by Service Provider or not, are and shall remain the exclusive property of JEA, and shall not be removed from its premises, except as required in the course of Service Provider's employment by JEA, without the prior written consent of JEA. No later than the Separation Date, such items, including any copies or other reproductions thereof, shall be promptly returned by Service Provider to JEA (or, if requested by JEA, destroyed by Service Provider).

### **SECTION V – MISCELLANEOUS:**

- 5.1 **Governing Law; Binding Effect; Amendment**. This Agreement shall be interpreted and enforced in accordance with the laws of the State of Florida, and shall be binding on JEA's successors and assigns. This Agreement shall not be assignable or transferable by Service Provider or his or her beneficiaries or legal representatives. Notwithstanding the foregoing, in the event of the death of Service Provider, payments that otherwise would have been made to Service Provider shall instead be provided to Service Provider's estate. No amendment or modification shall be effective unless in writing by the parties, including the approval by the Board.
- 5.2 **Authority**. The person executing and delivering this Agreement on behalf of JEA is an authorized officer, director or agent of JEA with full power and authority to bind JEA. Upon execution and delivery of this Agreement by JEA, this Agreement shall constitute the legal, valid and binding obligation of JEA.
- 5.3 **Execution**. This Agreement shall not become a binding and enforceable contract until signed by Service Provider, the Chair of JEA's Board of Directors, JEA's Chief Executive Officer and JEA's Chief Legal Officer. This Agreement may be executed in multiple counterparts, each of which shall be deemed to constitute an original, and which together, when signed by Service Provider, the Chair, the Chief Executive Officer and the Chief Legal Officer, shall constitute a single, legally binding contract.
- 5.4 **Entire Agreement**. This Agreement constitutes the entire agreement between the parties with respect to the subject matter hereof. This Agreement supersedes all prior agreements and understandings, both oral and written, between the parties with respect to the subject matter of this Agreement (including, without limitation, the Employment Agreement (other than to the extent set forth herein and the Restrictive Covenants, which shall remain in full force and effect)).
- 5.5 Compliance with Sections 409A / 457. JEA intends that all payments provided under this Agreement be exempt from, or comply with, the requirements of Sections 409A and 457 of the Code and any guidance promulgated under Sections 409A / 457 of the Code (collectively, "Sections 409A / 457") so that none of the payments or benefits shall be subject to the additional tax imposed under Sections 409A / 457, and any ambiguities in this Agreement shall be interpreted in accordance with this intent. No payment or benefits to be paid to Service Provider, if any, under this Agreement or otherwise, when considered together with any other severance payments or separation benefits that are considered deferred compensation under Sections 409A / 457 shall be paid or otherwise provided until Service Provider has a separation from service within the meaning of Sections 409A / 457. Each severance payment, installment, and benefit payable under Section 3 of this Agreement is intended to constitute a separate payment for purposes of U.S. Treasury Regulation Section 1.409A-2(b)(2).

All expenses or other reimbursements under this Agreement that would constitute nonqualified deferred compensation subject to Sections 409A / 457, (i) shall be paid on

or prior to the last day of the taxable year following the taxable year in which such expenses were incurred by Service Provider, (ii) no such reimbursement or expenses eligible for reimbursement in any taxable year shall in any way affect Service Provider's right to reimbursement of any other expenses eligible for reimbursement in any other taxable year, and (iii) Service Provider's right to reimbursement shall not be subject to liquidation in exchange for any other benefit.

Notices. For purposes of this Agreement, notices, demands and all other communications provided for in this Agreement shall be in writing and shall be deemed to have been duly given when received if delivered in person, the next business day if delivered by overnight commercial courier (e.g., Federal Express), or the third business day if mailed by United States certified mail, return receipt requested, postage prepaid, to the following addresses:

If to JEA, to:

JEA 21 West Church Street Jacksonville, FL 32202

If to Service Provider, to:

[NAME]

at the address on file with JEA

Either party may change its address for notices in accordance with this Subsection 5.6 by providing written notice of such change to the other party.

- 5.7 **Survival**. The provisions of this Agreement that are intended to survive this Agreement and Service Provider's termination of employment shall survive in accordance with their terms.
- 5.8 **Severability**. If any provision of this Agreement becomes or is deemed invalid, illegal or unenforceable in any applicable jurisdiction by reason of the scope, extent or duration of its coverage, then such provision shall be deemed amended to the minimum extent necessary to conform to applicable law so as to be valid and enforceable or, if such provision cannot be so amended without materially altering the intention of the parties, then such provision shall be stricken and the remainder of this Agreement (as applicable) shall continue in full force and effect.
- 5.9 **Waiver**. Any failure of Service Provider to comply with any of his or her obligations under this Agreement may be waived only in writing signed by JEA. Any failure of JEA to comply with any of its obligations under this Agreement may be waived only in writing signed by Service Provider. No waiver of any breach, failure, right or remedy contained in or granted by the provisions of this Agreement shall constitute a continuing

waiver of a subsequent or other breach, failure, right or remedy, unless the writing so specifies.

Arbitration. Except for suits seeking injunctive relief or specific performance or as 5.10 otherwise prohibited by applicable law, the parties hereby agree that any dispute, controversy or claim arising out of, connected with and/or otherwise relating to this Agreement and the arbitrability of any controversy or claim relating hereto shall be finally settled by binding arbitration. The parties hereby knowingly and voluntarily waive any rights that they may have to a jury trial for any such disputes, controversies or claim. The parties agree to resolve any dispute arising out of this Agreement before the American Arbitration Association (the "AAA") in accordance with the AAA's then existing National Rules of Resolution of Employment Disputes. The arbitration shall be administered by the AAA and the hearing shall be conducted in Duval County in the State of Florida before a neutral arbitrator, who must have been admitted to the practice of law for at least the last ten (10) years (the "Arbitrator"). Each party further agrees to pay its or his own arbitration costs, attorneys' fees, and expenses, unless otherwise required by the AAA's then-existing arbitration rules. The Arbitrator shall issue an opinion within thirty (30) days of the final arbitration hearing and shall be authorized to award reasonable attorneys' fees to the prevailing party, which decision of the Arbitrator shall be final, conclusive, unappealable and binding on the parties. Subject to applicable law, the arbitration proceeding and any and all related awards, relief or findings shall be confidential, except that any arbitration award may be filed in a court of competent jurisdiction by either party for the purpose of enforcing the award.

### **EXHIBIT A**

### MUTUAL RELEASE AGREEMENT

**THIS MUTUAL RELEASE AGREEMENT** (this "Agreement") is made and entered into on [DATE] by and between JEA, a body politic and corporate under the laws of the State of Florida and an independent agency of the Consolidated City of Jacksonville (hereinafter referred to as "JEA"), and [NAME], an individual currently residing in Florida, hereinafter referred to as Service Provider. Capitalized terms used herein but not defined shall have the meanings set forth in the Separation and Transition Agreement, dated as of [DATE] (the "Separation Agreement"), by and between JEA and Service Provider.

**WHEREAS**, the Separation Agreement sets forth the terms and conditions of Service Provider's separation from service with JEA effective as [DATE]; and

**WHEREAS**, the Separation Agreement provides that, in consideration for certain payments and benefits payable to Service Provider in connection with his or her separation from service, Service Provider shall fully and finally release JEA from all claims relating to Service Provider's employment relationship with JEA and the termination of such relationship.

Accordingly, the parties hereto agree as follows:

### **SECTION I – RELEASE:**

1.1 General Release by Service Provider. In consideration of JEA's obligations under the Separation Agreement and for other valuable consideration, Service Provider hereby releases and forever discharges JEA and each of its respective officers, employees, directors and agents from any and all claims, actions and causes of action (collectively, "Claims"), including, without limitation, any Claims arising under (a) the Sarbanes-Oxley Act of 2002, 18 U.S.C. § 1514; Sections 748(h)(i), 922(h)(i) and 1057 of the Dodd-Frank Wall Street and Consumer Protection Act (the "Dodd Frank Act"), 7 U.S.C. § 26(h), 15 U.S.C. § 78u-6(h)(i) and 12 U.S.C. § 5567(a) but excluding from this release any right Service Provider may have to receive a monetary award from the Securities and Exchange Commission as an SEC Whistleblower, pursuant to the bounty provision under Section 922(a)-(g) of the Dodd Frank Act, 7 U.S.C. Sec. 26(a)-(g), or directly from any other federal or state agency pursuant to a similar program, or (b) any applicable federal, state, local or foreign law, including, but not limited to, claims under Chapter 112 or Chapter 760, Florida Statutes, that Service Provider may have, or in the future may possess arising out of (x) Service Provider's employment relationship with and service as a director, employee, officer or manager of JEA, and the termination of such relationship or service, or (y) any event, condition, circumstance or obligation that occurred, existed or arose on or prior to the date hereof; provided, however, that the release set forth in this Section 1.1 shall not apply to (i) the obligations of JEA under the Separation Agreement, (ii) the obligations of JEA to continue to provide indemnification to Service Provider as provided under applicable law or in the Separation Agreement and (iii) any Claims which cannot be released under applicable law. Service Provider further agrees that the payments and benefits described in the Separation Agreement shall be in full satisfaction

of any and all claims for payments or benefits, whether express or implied, that Service Provider may have against JEA arising out of Service Provider's employment relationship, Service Provider's service as a director, employee, officer or manager of JEA and the termination thereof. The provision of the payments and benefits described in the Separation Agreement shall not be deemed an admission of liability or wrongdoing by JEA. This Section 1.1 does not apply to any Claims that Service Provider may have as of the date Service Provider signs this Agreement arising under the federal Age Discrimination in Employment Act of 1967, as amended, and the applicable rules and regulations promulgated thereunder ("ADEA"). Claims arising under ADEA are addressed in Section 1.2 of this Agreement.

- 1.2 Specific Release of ADEA Claims by Service Provider. In consideration of the payments and benefits provided to Service Provider under the Separation Agreement, Service Provider hereby releases and forever discharges JEA and each of their respective officers, employees, directors and agents from any and all Claims that Service Provider may have as of the date Service Provider signs this Agreement arising under ADEA. By signing this Agreement, Service Provider hereby acknowledges and confirms the following: (a) Service Provider was advised by JEA in connection with Service Provider's termination to consult with an attorney of Service Provider's choice prior to signing this Agreement and to have such attorney explain to Service Provider the terms of this Agreement, including, without limitation, the terms relating to Service Provider's release of claims arising under ADEA; (b) Service Provider has been given a period of not fewer than twenty-one (21)<sup>3</sup> days to consider the terms of this Agreement and to consult with an attorney of Service Provider's choosing with respect thereto; and (c) Service Provider is providing the release and discharge set forth in this Section 1.2 only in exchange for consideration in addition to anything of value to which Service Provider is already entitled.
- 1.3 **General Release by JEA**. JEA hereby releases and forever discharges Service Provider and each of his or her agents, representatives, attorneys, successors, assigns, heirs, executors and administrators from any Claims that JEA may have, or in the future may possess, arising out of (x) Service Provider's employment relationship with and service as a director, employee, officer or manager of JEA, and the termination of such relationship or service, or (y) any event, condition, circumstance or obligation that occurred, existed or arose on or prior to the date hereof; provided, however, that the release set forth in this Section 1.3 shall not apply to any Claims which cannot be released under applicable law.
- 1.4 **Representation**. Service Provider hereby represents that Service Provider has not instituted, assisted or otherwise participated in connection with, any action, complaint, claim, charge, grievance, arbitration, lawsuit or administrative agency proceeding, or

action at law or otherwise against any member of JEA or any of their respective officers, employees, directors, shareholders or agents.

### **SECTION II – CESSATION OF PAYMENTS:**

In the event that Service Provider (a) files any charge, claim, demand, action or arbitration with regard to Service Provider's employment, compensation or termination of employment under any federal, state or local law, or an arbitration under any industry regulatory entity, except in either case for a claim for breach of the Separation Agreement or failure to honor the obligations set forth therein or (b) breaches any of the covenants or obligations contained in or incorporated into the Separation Agreement, JEA shall be entitled to cease making any payments due pursuant to Section 3 of the Separation Agreement (other than the Accrued Obligations).

### **SECTION III – VOLUNTARY ASSENT:**

Service Provider affirms that Service Provider has read this Agreement, and understands all of its terms, including the full and final release of claims set forth in Section 1. Service Provider further acknowledges that (a) Service Provider has voluntarily entered into this Agreement; (b) Service Provider has not relied upon any representation or statement, written or oral, not set forth in this Agreement; (c) the only consideration for signing this Agreement is as set forth in the Separation Agreement; and (d) this document gives Service Provider the opportunity and encourages Service Provider to have this Agreement reviewed by Service Provider's attorney and/or tax advisor.

### SECTION IV - REVOCATION:4

This Agreement may be revoked by Service Provider within the seven (7)-day period commencing on the date Service Provider signs this Agreement (the "Revocation Period"). In the event of any such revocation by Service Provider, all obligations of JEA under the Separation Agreement shall terminate and be of no further force and effect as of the date of such revocation. No such revocation by Service Provider shall be effective unless it is in writing and signed by Service Provider and received by JEA prior to the expiration of the Revocation Period.

### **SECTION V – MISCELLANEOUS:**

5.1 **Governing Law; Binding Effect; Amendment**. <sup>&</sup>lt;sup>1</sup>NPV of JEA's expected contribution to the City of Jacksonville over the next 20 years

## WHY PROTECT EMPLOYEE PENSIONS?

### **NUMBER ONE ASSET**

JEA's employees are critical to providing reliable, safe, affordable, and clean utility service to our community now and in the future.

### **SOCIAL SECURITY**

As government employees, most JEA employees are in a defined benefit pension program and do not pay into social security as an additional retirement benefit. Any change in structure would automatically terminate employee participation

### **ENSURE A NEST EGG**

As part of considering any restructuring, we recommend the Board give each employee the assurance that his or her retirement nest egg will be protected

### **VESTING EMPLOYEES**

We recommend the Board consider pension legislation changes that protect vested employees by increasing years of service credit and non-vested employees by vesting them in the pension

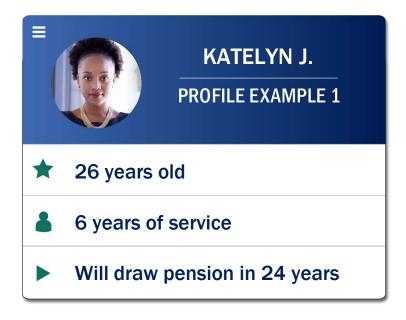

## **MATRIX OF AGE AND LENGTH OF TIME**

- Employees in the GEDC with more than 5 service years can move back into the GEPP if they choose, prior to any transaction if one should take place.
- Those on the GEPP plan hired before October 1, 2017 with under 5 years of service have the option to receive a 100% matching contribution in addition to what they invested to date.

## **EMPLOYEE PENSION SCENARIO EXAMPLES**

Katelyn will receive 24 additional years of service credit on top of her 6 years served, which will result in her having a 30-year pension she can begin receiving at age 50 (75% of her current salary)

Frank will receive 2 additional years of service credit on top of his 18 years served, which will result in his having a 20-year pension he can begin receiving at age 55 (50% of salary)

## RESOLUTION 2019-09 EXHIBIT 2

**CEO Employment Agreement** 

## EMPLOYMENT AGREEMENT FOR CHIEF EXECUTIVE OFFICER

**THIS EMPLOYMENT AGREEMENT** (this "Agreement") is made and entered on July 23, 2019 by and between JEA, a body politic and corporate under the laws of the State of Florida and an independent agency of the Consolidated City of Jacksonville (hereinafter referred "JEA" or "Employer"), and Aaron F. Zahn, an individual currently residing in Florida, hereinafter referred to as Employee.

- **WHEREAS**, JEA is a community-owned, not-for-profit utility providing electricity to more than 485,000 customers in Jacksonville and the surrounding areas in northeastern Florida;
- WHEREAS, JEA, founded in 1968, manages an electric system that dates back to 1895, and now owns and operates an electric system with five generating plants, transmission and distribution facilities, including 745 miles of transmission lines and 6,625 miles of distribution lines; is part owner and full operator of a sixth generating plant; produces energy from two methane-fueled generating facilities and owns a 12.6-megawatt solar project, placing JEA's total generating capacity at approximately 3,757 megawatts;
- **WHEREAS**, JEA also provides water and wastewater services to approximately 352,000 water customers, 12,600 reuse water customers and 275,000 wastewater customers;
- **WHEREAS**, JEA's water system consists of 136 artesian wells tapping the Floridian aquifer, distributing water through 37 water treatment plants and 4,352 miles of water lines and with a sewer system of more than 3,760 miles of collection lines and seven regional and seven non-regional sewer treatment plants;
- **WHEREAS**, JEA owns and operates the District Energy System, a separate utility system that provides chilled water to 13 locations in Jacksonville;
- **WHEREAS**, the JEA governing body is made up of a seven-member Board of Directors ("Board") appointed by the Mayor and confirmed by the City Council;
- **WHEREAS**, the Board is tasked with appointing a Managing Director & Chief Executive Officer to operate the eighth largest community-owned electric utility company in the United States and the largest in Florida, with total assets of \$8.4 billion (2018), total equity of \$2.8 billion (2018), and approximately 2,000 employees (2018); and
- **WHEREAS**, JEA is desirous of continuing to employ Employee as Chief Executive Officer pursuant to the terms and conditions and for the consideration set forth in this Agreement, and Employee is desirous of entering into this Agreement pursuant to such terms and conditions.
- **NOW, THEREFORE**, for and in consideration of the mutual promises, covenants, and obligations contained herein, JEA and Employee agree as follows:

#### **SECTION I – EMPLOYMENT AND DUTIES:**

- 1.1 **Engagement**. JEA agrees to continue to employ Employee and Employee agrees to continue to be employed by JEA, for a time period beginning on November 27, 2018 (the "Effective Date"), and continuing until the employment relationship is terminated in accordance with the terms and conditions of this Agreement (the "Term").
- 1.2 **Terms and Duties**. Employee shall be employed as Managing Director and Chief Executive Officer of JEA (hereinafter collectively "CEO"). Employee agrees to serve in this position and to perform diligently Employee's duties and services with the dedication and in manner of similarly situated executives and as reasonably directed by the Board.
- 1.3 **Compliance with Policies and Procedures**. Employee shall at all times comply with and be subject to such policies and procedures as the Board may establish.
- 1.4 **Diligence to Position**. Employee shall devote full business time, energy, and best efforts to the business of Employer with the dedication and in the manner of similarly situated executives; provided, however, that it is agreed that this obligation shall not preclude Employee from engaging in appropriate civic, charitable or religious activities or from serving on the boards of directors of companies that are not competitors to JEA, as long as the activities do not materially interfere or conflict with Employee's responsibilities to JEA or Employee's ability to perform Employee's duties of employment at JEA, within the sole discretion of the Board. Subject to the foregoing, Employee may not engage, directly or indirectly, in any other business, investment, or activity that interferes with Employee's performance of his duties, is directly contrary to JEA's interests, or requires any significant portion of Employee's business time; provided, however, that Employee may own less than two percent (2%) of the voting stock of a corporation listed for trading or traded over the counter on a recognized stock exchange in the United States. Employee's responsibilities and duties are generally described in the Position Profile for the CEO, which may be amended from time to time and which is attached hereto as Exhibit A and by reference made a part hereof.
- 1.5 **Fiduciary Obligations**. Employee acknowledges and agrees that, during the Term, Employee owes a fiduciary duty of loyalty toward JEA, and will not intentionally injure the direct or indirect interests of JEA, or benefit from any outside activities which Employee knows conflict with interests of JEA or, upon discovery of any such conflict, allow such a conflict to continue. Moreover, Employee agrees to disclose to JEA any facts which involve a conflict of interest during the Term.

#### **SECTION II – COMPENSATION AND BENEFITS:**

Annual Compensation. Employee shall be paid an annual salary of \$520,392.00 (the "Annual Base Salary"), which shall be paid in equal installments in accordance with JEA's standard payroll practice, including deductions for all legally applicable taxes and withholdings. Once every twelve (12) months (measured from, and contemporaneous with, the completion of JEA's annual audit), JEA shall conduct a performance review of Employee, including a review of the market pricing peer group assessment of Employee's Annual Base Salary by a nationally

- recognized compensation consultant and shall discuss the results of such review with Employee. The Board shall make modifications to Employee's Annual Base Salary as deemed to be appropriate based upon this annual review of Employee's performance.
- 2.2 **Pay for Performance Program**. The Board has established a Pay for Performance Program for fiscal year 2018/2019, and anticipates continuing the Program or a similar program in future years (all such programs are referred to in this Agreement as the "Program"). During the Term, Employee shall be eligible to participate in the Program, or any other incentive compensation program established by the Board in accordance with the terms of any such program.
- Vehicle. Employee will have the use of an appropriately equipped JEA vehicle at the expense of JEA to supplement Employee's personal vehicle. In lieu of having use of a JEA vehicle, at Employee's option, JEA shall pay to Employee a monthly automobile allowance of \$850.00, to be paid on or before the first regular payday of each month following the Effective Date, subject to withholding. It is specifically intended and understood that this allowance shall be provided as compensation for unreimbursed expenses incurred by Employee within the territorial limits of the JEA service territory and receipt of this allowance shall not prevent Employee from claiming and being reimbursed for travel expenses resulting from travel by Employee outside the JEA service territory in the manner provided by the Ordinance Code of the City of Jacksonville. JEA and Employee understand and agree that \$850.00 is an estimate of the total cost Employee would incur if not provided with a JEA vehicle, including vehicle wear and tear and other costs that cannot be measured with precision, and that the full \$850.00 shall be paid without any obligation on the part of Employee to provide proof of actual expenses.
- 2.4 **Business Allowance**. JEA shall pay to Employee a monthly allowance in the amount of \$2,200.00 for general business expenses incurred in Employee's efforts to promote and represent JEA beyond those identified in JEA employee policies. The business allowance shall be paid on or before the first regular payday of each month following the Effective Date, subject to withholding. Employee may expend the monthly allowance in such a manner as Employee determines, in Employee's sole discretion, in support of Employee's performance of Employee's duties under this Agreement.
- 2.5 **Parking Allowance**. On or before the first regular payday of each month following the Effective Date, Employee will be provided a monthly allowance in the amount of \$50.00 for parking (subject to withholding).
- 2.6 **Expenses**. Notwithstanding anything herein to the contrary, and in addition to other payments provided for in this Agreement, JEA shall reimburse Employee for telephone, travel, continuing education, and general business expenses incurred by Employee in accordance with JEA policies and procedures.
- 2.7 **Annual Leave**. Employee will be provided annual Paid Time Off ("PTO") in accordance with JEA's existing policies and procedures in effect from time to time. Without limiting the generality of the foregoing, Employee shall be entitled to a minimum of two hundred and eighty (280) hours of PTO during each year of employment commencing on the Effective Date. In addition, JEA shall observe eleven (11) paid holidays and one floating holiday each year.

- 2.8 Fringe Benefits. Employee shall be allowed to participate, on the same basis generally as other employees of JEA, in all general employee benefit plans and programs, including improvements or modifications of same, which on the Effective Date or thereafter are made available by JEA to all or substantially all of JEA's executive employees, or to JEA's employees generally, including any amendments thereto. Such benefits, plans, and programs may include, without limitation, medical, health, and dental care, life insurance, disability protection, and flexible spending accounts. Except as specifically provided herein, nothing in this Agreement is to be construed or interpreted to provide greater or lesser rights, participation, coverage, or benefits under the benefit plans or programs than provided to executive employees pursuant to the terms and conditions of such benefit plans and programs. JEA shall not by reason of this Agreement be obligated to institute, maintain, or refrain from changing, amending, or discontinuing, any incentive compensation or employee benefit program or plan, so long as such actions are similarly applicable to covered employees generally. Notwithstanding anything to the contrary in this Agreement, for so long as Employee's employment with JEA continues, JEA shall pay the premiums required to maintain a life insurance policy, with \$500,000.00 in coverage, payable to one or more beneficiaries to be designated by Employee, and with a conversion provision that will allow Employee to continue coverage upon and after termination of employment.
- 2.9 **Pension Benefits**. Employee shall be allowed to participate in the General Employees Pension Plan, the JEA 401(a) Defined Contribution Plan, and in any other pension or retirement plan made available by JEA to all or substantially all of JEA's executive employees or to JEA's employees generally, including any amendments thereto. Any amounts which the Company would contribute to any Section 401(a) defined contribution plan but for the Section 401(a) limit under the Internal Revenue Code of 1986, as amended (the "Code"), shall be paid to Employee as taxable compensation on a current basis.

#### **SECTION III – TERMINATION OF EMPLOYMENT:**

- 3.1 **Termination**. Subject to the terms of Subsections 3.1.4, 3.1.5 and 3.1.6 of this Agreement, Employee's employment with JEA may be terminated (i) by JEA immediately for "Cause" (as defined in, and subject to the notice and cure provisions of, Subsection 3.1.1 of this Agreement); (ii) by Employee for "Good Reason" (as defined in, and subject to the notice and cure provisions of, Subsection 3.1.2 of this Agreement); (iii) upon Employee's death or upon Employee's "Disability" (as defined in Subsection 3.1.3 of this Agreement); or (iv) by either party, without Cause or Good Reason, upon thirty (30) days' advance notice to the other party.
  - 3.1.1 For purposes of this Agreement, "Cause" for termination of employment means: (i) a willful breach by Employee of material duties, obligations and policies of JEA which Employee fails to cure within ten (10) days after written notice from JEA specifically identifying such breach; (ii) Employee's gross negligence or gross neglect of duties and obligations required in performance of Employee's duties, or willful misconduct; (iii) Employee's continued violation of written rules and policies of the Board after written notice of same and reasonable opportunity to cure; (iv) conviction of Employee for any criminal act which is a felony; (v) commission by Employee in a public or private capacity of theft, fraud, or misappropriation or embezzlement of funds; or (vi) misconduct

- as defined in Florida Statutes § 443.036(29). For purposes of this Agreement, termination of employment "without Cause" means any termination of employment by JEA for any reason not explicitly defined by this Subsection 3.1.1 as Cause for termination.
- 3.1.2 For purposes of this Agreement, "Good Reason" shall mean the occurrence of any of the following: (a) a material diminution in Employee's role, responsibilities, compensation, benefits and/or title without Employee's consent; (b) a directive by the Board to Employee to take any action or to refrain from action when implementing said directive would constitute a violation of applicable law; or (c) a material breach of this Agreement by JEA. Without in any way limiting the foregoing, a reduction in Employee's Base Salary to a level of 95% or less of the Base Salary stated in this Agreement shall be conclusively presumed to be a material diminution in Employee's compensation. Notwithstanding anything to the contrary in this Subsection 3.1.2 or in this Agreement, Employee may terminate Employee's employment for Good Reason only under the following terms and conditions. A termination of employment by Employee for Good Reason shall be effectuated by giving JEA written notice of the termination (the "Notice of Termination for Good Reason") within thirty (30) days after the event constituting Good Reason, setting forth in reasonable detail the specific conduct that constitutes Good Reason and the specific provisions of this Agreement on which Employee relies in support of the assertion of Good Reason. JEA shall have thirty (30) days from the receipt of the Notice of Termination for Good Reason within which to (i) deny that an event of Good Reason has occurred, or (ii) correct, rescind or otherwise substantially reverse the occurrence supporting termination for Good Reason as identified by Employee. If JEA does not deny that an event of Good Reason has occurred or if such event has not been cured within thirty (30) days after JEA received the Notice of Termination for Good Reason, then the termination of employment by Employee for Good Reason shall be effective upon expiration of said thirty (30)-day period after JEA received the Notice of Termination for Good Reason. If the event of Good Reason is cured within such thirty (30)-day period, the Notice of Termination for Good Reason shall have no effect. If JEA disputes that Good Reason exists, and does not within thirty (30) days cure the event cited by Employee as Good Reason, and if Employee then elects to terminate employment, the parties agree to arbitrate the dispute pursuant to Subsection 4.19. Any disputes between the parties regarding this Subsection 3.1.2, including with respect to whether circumstances giving rise to Good Reason exist, shall be resolved pursuant to the arbitration procedure set forth in Subsection 4.19.
- 3.1.3 For purposes of this Agreement, the term "Disability" shall mean: if JEA provides long-term disability insurance to its employees generally, and if JEA's long-term disability plan defines the term "Disability," then that term shall have the same meaning in this Agreement as in JEA's long-term disability plan; otherwise, the term "Disability" means a physical or mental incapacity as a result of which Employee becomes unable to continue to perform Employee's essential job functions, with or without reasonable accommodation, for four consecutive months.

- 3.1.4 If Employee's employment is terminated by JEA for Cause, by Employee without Good Reason, or as a result of Employee's death or Disability, then (a) Employee shall be paid all amounts and shall receive all benefits earned through the date of termination of employment, and (b) all future compensation to which Employee would otherwise be entitled and all future benefits for which Employee would otherwise be eligible shall cease and terminate as of the date of termination, except that (c) Employee shall be entitled to all vested benefits, to the right to continuation of benefits to the extent provided by applicable benefits plans, COBRA, and other applicable law, and to all other rights provided by applicable law.
- If Employee's employment is terminated by JEA without Cause or by Employee for 3.1.5 "Good Reason" then, subject to Employee's compliance with the covenants set forth in this Agreement and Employee's execution and non-revocation of the release of claims substantially in the form of Exhibit B attached hereto, (a) Employee shall be paid all amounts and shall receive all benefits earned through the date of termination of employment, (b) JEA shall pay Employee a lump sum payment equal to twenty (20) weeks of the current Annual Base Salary, less applicable taxes and deductions (such payment will be made within thirty (30) days of the date Employee's termination occurs), (c) Employee shall become fully vested in any unvested amounts contributed on his behalf to any available retirement plan that may then be in effect to the extent allowable under the terms of the applicable plan and applicable law, (d) if Employee makes a timely and effective election to continue health insurance coverage under COBRA, then JEA shall pay directly to its COBRA provider the COBRA premiums necessary to continue Employee's coverage (and coverage for Employee's covered dependents) under COBRA for a period of twenty (20) weeks following the end of the month in which the termination occurs, (e) Subsection 3.1.6 shall become operative, and JEA and Employee shall comply with Subsection 3.1.6, and (f) Employee shall be entitled to all other vested benefits, to all additional rights to continuation of benefits to the extent provided by applicable benefits plans, COBRA, and other applicable law, and to all other rights provided by applicable law.
- 3.1.6 JEA and Employee further agree that if, during the first six (6) years following the Effective Date, Employee's employment is terminated by JEA without Cause, or by Employee for "Good Reason" then, beginning on the first Monday after the effective date of termination of Employee's employment with JEA, Employee shall serve as a consultant to JEA for a period of twelve (12) months in accordance with the terms of the Separation and Transition Agreement substantially in the form of Exhibit B attached hereto.

#### **SECTION IV – MISCELLANEOUS:**

- 4.1 **Eligibility to Work in the United States**. Employee has provided previously to JEA the appropriate documentation to verify Employee's authorization to work in the United States.
- 4.2 **Governing Law; Binding Effect; Amendment**. This Agreement shall be interpreted and enforced in accordance with the laws of the State of Florida, and shall be binding on JEA's

successors (including any organization that succeeds to substantially all of the assets and business of JEA) and assigns, and the term "JEA" whenever used in this Agreement shall mean and include any such successor or assign. This Agreement shall not be assignable or transferable by Employee or his beneficiaries or legal representatives. Notwithstanding the foregoing, in the event of the death of Employee, payments that otherwise would have been made to Employee shall instead be provided to Employee's estate. No amendment or modification shall be effective unless in writing by the parties, including the approval by the Board.

- 4.3 **Savings Clause**. Employee's present benefits and rights are preserved, including but not limited to accrued service credits, accrued leave, and accrued incentive compensation carried forward in accordance with existing policies and procedures.
- 4.4 **Public Records and Open Meetings (Sunshine) Requirements.** Employee will become familiar, with the assistance of JEA's staff and JEA's legal counsel, with the unique obligations and parameters of the State of Florida's public records and sunshine act laws, in order that JEA maintain its record of compliance with such laws.
- 4.5 **Legal Counsel**. Employee shall be entitled to legal counsel from or approved by the Office of General Counsel, paid for by JEA in a prompt and current manner as provided in Section 111.07, Florida Statutes, as necessary if Employee is a defendant participant in a lawsuit against JEA for actions that occurred during period of employment with JEA, excepting where a court has adjudicated Employee as having committed intentional tort or torts.
- 4.6 **Indemnification**. Pursuant to Section 768.28(9)(a), Florida Statutes, Employee is not personally liable in any action for any injury or damage suffered as a result of any act, event, or omission of action in the scope of her or his employment or function. JEA hereby agrees to indemnify, defend and hold Employee harmless from any and all claims, to the fullest extent permitted by Sections 111.07, 111.071 and 768.28(9)(a), Florida Statutes, and other applicable law. Without limiting the scope of this Subsection 4.6, which the parties agree shall be construed as broadly as permitted by applicable law, JEA's agreement to indemnify, defend and hold employee harmless includes claims arising out of the exercise of (or failure to exercise) Employee's duties and responsibilities to JEA, and to all other acts entitled to indemnification pursuant to Sections 111.07, 111.071 and 768.28(9)(a), Florida Statutes. If Employee's claim for indemnification is one for which indemnification is provided by Sections 111.07, 111.071 and 768.28(9)(a), Florida Statutes, or by other applicable law, then Employee shall be entitled to the benefits and protections of this Subsection 4.6 notwithstanding (i) any provision in this Agreement to the contrary, (ii) termination of Employee's employment, regardless of the reason for or circumstances surrounding said termination, or (iii) the termination of this Agreement.
- 4.7 **Confidentiality**. Employee agrees and acknowledges that, in the course of Employee's employment with JEA, Employee may learn trade secrets and other proprietary information of JEA. For purposes of this Agreement, "trade secrets" means any information protected by Florida's Trade Secrets Act, and "proprietary information" means any information obtained during the course of Employee's employment with JEA the disclosure of which would reasonably be expected to create a material risk of harm to JEA's legitimate business interests. JEA agrees and acknowledges that, in the course of Employee's employment with JEA, JEA may learn

confidential information about Employee's finances and other personal matters. Accordingly, Employee agrees that Employee will not, during or after Employee's employment with JEA, disclose any of JEA's trade secrets or other proprietary information, except in performance of Employee's duties as an Employee of JEA, and JEA agrees that it will not, during or after Employee's employment with JEA, disclose any confidential information about Employee. However, nothing in this Agreement or in this Subsection 4.7 shall impose or be construed to impose any limitation that is contrary to applicable law or applicable court order, or to limit the parties' opportunity to agree in the future to permit disclosures of information otherwise made confidential by this Subsection 4.7.

- Non-disparagement. Employee agrees not to disparage JEA, its officers or its Board members, and JEA agrees not to disparage Employee, except that nothing in this Agreement or in this Subsection 4.8 shall preclude either Employee or JEA from making truthful statements in legal proceedings, to preclude Employee from providing information to or initiating or participating in a proceeding before any federal, state or local administrative agency, or to impose any limitation that is contrary to applicable law or applicable court order.
- 4.9 **Authority**. The person executing and delivering this Agreement on behalf of JEA is an authorized officer, director or agent of JEA with full power and authority to bind JEA. Upon execution and delivery of this Agreement by JEA, this Agreement shall constitute the legal, valid and binding obligation of JEA.
- 4.10 **Execution**. This Agreement shall not become a binding and enforceable contract until signed by Employee, the Chair of JEA's Board of Directors, JEA's Chief Financial Officer and JEA's Chief Legal Officer. This Agreement may be executed in multiple counterparts, each of which shall be deemed to constitute an original, and which together, when signed by Employee, the Chair, the Chief Financial Officer and the Chief Legal Officer, shall constitute a single, legally binding contract.
- 4.11 **Entire Agreement**. This Agreement constitutes the entire agreement between the parties with respect to the subject matter hereof. This Agreement supersedes all prior agreements and understandings, both oral and written, between the parties with respect to the subject matter of this Agreement.
- 4.12 **Compliance with Sections 409A** / **457**. JEA intends that all payments provided under this Agreement be exempt from, or comply with, the requirements of Sections 409A and 457 of the Code and any guidance promulgated under Sections 409A / 457 of the Code (collectively, "Sections 409A / 457") so that none of the payments or benefits will be subject to the additional tax imposed under Sections 409A / 457, and any ambiguities in this Agreement will be interpreted in accordance with this intent. No payment or benefits to be paid to Employee, if any, under this Agreement or otherwise, when considered together with any other severance payments or separation benefits that are considered deferred compensation under Sections 409A / 457 will be paid or otherwise provided until Employee has a separation from service within the meaning of Sections 409A / 457. Each severance payment, installment, and benefit payable under Section 3 of this Agreement is intended to constitute a separate payment for purposes of U.S. Treasury Regulation Section 1.409A-2(b)(2).

All expenses or other reimbursements under this Agreement that would constitute nonqualified deferred compensation subject to Sections 409A / 457, (i) shall be paid on or prior to the last day of the taxable year following the taxable year in which such expenses were incurred by Employee, (ii) no such reimbursement or expenses eligible for reimbursement in any taxable year shall in any way affect Employee's right to reimbursement of any other expenses eligible for reimbursement in any other taxable year, and (iii) Employee's right to reimbursement shall not be subject to liquidation in exchange for any other benefit.

- 4.13 Confidential Disclosure in Reporting Violations of Law or in Court Filings. Employee acknowledges and JEA agrees that Employee may disclose confidential information in confidence directly or indirectly to federal, state, or local government officials, including but not limited to the Department of Justice, the Securities and Exchange Commission, the Congress, and any agency Inspector General or to an attorney, for the sole purpose of reporting or investigating a suspected violation of law or regulation or making other disclosures that are protected under the whistleblower provisions of state or federal laws or regulations. Employee may also disclose confidential information in a document filed in a lawsuit or other proceeding, but only if the filing is made under seal. Nothing in this Agreement is intended to conflict with federal law protecting confidential disclosures of a trade secret to the government or in a court filing, 18 U.S.C. § 1833(b), or to create liability for disclosures of confidential information that are expressly allowed by 18 U.S.C. § 1833(b).
- 4.14 **Notices**. For purposes of this Agreement, notices, demands and all other communications provided for in this Agreement shall be in writing and shall be deemed to have been duly given when received if delivered in person, the next business day if delivered by overnight commercial courier (e.g., Federal Express), or the third business day if mailed by United States certified mail, return receipt requested, postage prepaid, to the following addresses:

If to JEA, to:

JEA 21 West Church Street Jacksonville, FL 32202

If to Employee, to:

Aaron F. Zahn at the address on file with JEA

Either party may change its address for notices in accordance with this Subsection 4.14 by providing written notice of such change to the other party.

- 4.15 **Survival**. The provisions of this Agreement that are intended to survive this Agreement and Employee's termination of employment shall survive in accordance with their terms.
- 4.16 **Severability**. If any provision of this Agreement becomes or is deemed invalid, illegal or unenforceable in any applicable jurisdiction by reason of the scope, extent or duration of its

coverage, then such provision shall be deemed amended to the minimum extent necessary to conform to applicable law so as to be valid and enforceable or, if such provision cannot be so amended without materially altering the intention of the parties, then such provision shall be stricken and the remainder of this Agreement (as applicable) shall continue in full force and effect.

- 4.17 **Waiver**. Any failure of Employee to comply with any of his obligations under this Agreement may be waived only in writing signed by JEA. Any failure of JEA to comply with any of its obligations under this Agreement may be waived only in writing signed by Employee. No waiver of any breach, failure, right or remedy contained in or granted by the provisions of this Agreement shall constitute a continuing waiver of a subsequent or other breach, failure, right or remedy, unless the writing so specifies.
- 4.18 **Compliance with Applicable Laws**. No provision of this Agreement shall be deemed to violate applicable law and this Agreement shall be interpreted in accordance with this intent.
- 4.19 **Arbitration**. Except for suits seeking injunctive relief or specific performance or as otherwise prohibited by applicable law, the parties hereby agree that any dispute, controversy or claim arising out of, connected with and/or otherwise relating to this Agreement and the arbitrability of any controversy or claim relating hereto shall be finally settled by binding arbitration. The parties hereby knowingly and voluntarily waive any rights that they may have to a jury trial for any such disputes, controversies or claim. The parties agree to resolve any dispute arising out of this Agreement before the American Arbitration Association (the "AAA") in accordance with the AAA's then existing National Rules of Resolution of Employment Disputes. The arbitration shall be administered by the AAA and the hearing shall be conducted in Duval County in the State of Florida before a neutral arbitrator, who must have been admitted to the practice of law for at least the last ten (10) years (the "Arbitrator"). Each party further agrees to pay its or his own arbitration costs, attorneys' fees, and expenses, unless otherwise required by the AAA's then-existing arbitration rules. The Arbitrator shall issue an opinion within thirty (30) days of the final arbitration hearing and shall be authorized to award reasonable attorneys' fees to the prevailing party, which decision of the Arbitrator shall be final, conclusive, unappealable and binding on the parties. Subject to applicable law, the arbitration proceeding and any and all related awards, relief or findings shall be confidential, except that any arbitration award may be filed in a court of competent jurisdiction by either party for the purpose of enforcing the award.]

## **Separation and Transition Agreement**

#### FORM OF SEPARATION AND TRANSITION AGREEMENT

**THIS SEPARATION AND TRANSITION AGREEMENT** (this "Agreement") is made and entered into on [DATE] by and between JEA, a body politic and corporate under the laws of the State of Florida and an independent agency of the Consolidated City of Jacksonville (hereinafter referred to as "JEA"), and [NAME], an individual currently residing in Florida, hereinafter referred to as Service Provider. Capitalized terms used herein but not defined shall have the meanings in the Employment Agreement for [TITLE], dated as of July 23, 2019 (the "Employment Agreement"), between JEA and Service Provider.

**WHEREAS**, Service Provider is employed by JEA as its [TITLE] pursuant to the Employment Agreement;

WHEREAS, Service Provider's employment with JEA shall be terminated; and

**WHEREAS**, in connection with Service Provider's separation from service with JEA, JEA and Service Provider desire to commence the transition of the [TITLE] position and Service Provider agrees to make himself or herself available to provide services to JEA on the terms and conditions set forth herein.

Now therefore JEA and Service Provider agree as follows:

#### **SECTION 1 – SEPARATION:**

- 1.1 **Removal from Positions**. The Service Provider's last day of employment with JEA is [DATE] (such date, the "Separation Date"). In that regard, as of the Separation Date, (a) Service Provider's position as [TITLE] of JEA and (b) all other officer positions, directorships and other positions that Service Provider holds with JEA shall terminate.
- 1.2 **Release Agreement**. Service Provider's receipt of any payments and benefits pursuant to this Agreement (other than the payments and benefits pursuant to Sections 3.1.5(a) and (f) of the Employment Agreement (the "Accrued Obligations")) is subject to Service Provider's signing and not revoking the Release Agreement substantially in the form attached hereto as Exhibit A (the "Release Agreement"); provided that the Release Agreement is effective within thirty (30) days following the Separation Date. No payments or benefits under this Agreement (other than the Accrued Obligations) shall be paid or provided to Service Provider until the Release Agreement becomes effective in accordance with the deadline specified in the preceding sentence.

#### **SECTION II – TRANSITION:**

2.1 **Consulting Period and Services**. Commencing on the Separation Date and ending on the [NUMBER] ([NUMBER])-month anniversary thereof (the "Consulting Period"),

<sup>&</sup>lt;sup>1</sup> Note to Draft: To be increased to 60 days for group terminations.

Service Provider shall make himself or herself available to consult with JEA as reasonably requested by JEA from time to time (the "Services").

- 2.2 **Consulting Fee.** In exchange for the Services, commencing on the Separation Date, JEA agrees to pay Service Provider a monthly fee of \$[AMOUNT] (the "Monthly Fee") for a total fee of \$[AMOUNT].<sup>2</sup> Except as to the Monthly Fee, no other payment or benefits shall be due or payable to Service Provider for the Services. JEA may terminate Service Provider's service for Cause prior to the expiration of the Consulting Period and, in such event, Service Provider shall forfeit his or her right to receive the Monthly Fee for the remainder of the Consulting Period.
- 2.3 Status as an Independent Contractor. In all matters relating to the Services, nothing under this Agreement shall be construed as creating any partnership, joint venture or agency between JEA and Service Provider or to constitute Service Provider as an agent, employee or representative of JEA. Service Provider shall act solely as an independent contractor and, as such, is not authorized to bind any member of JEA to third parties. Consequently, Service Provider shall not be entitled to participate during the Consulting Period in any of the employee benefit plans, programs or arrangements of JEA in his capacity as a consultant. Service Provider shall be responsible for and pay all taxes related to the receipt of compensation in connection with the provision of the Services. Service Provider shall not make any public statements concerning the Services that purport to be on behalf of JEA, in each case without prior written consent from JEA. Notwithstanding Service Provider's status as an independent contractor in providing the Services, to the fullest extent permitted by applicable law and JEA's constituent documents applicable to officers and directors of JEA, (a) Service Provider shall continue to be entitled to indemnification for any loss, damage, or claim incurred by, imposed or asserted against Service Provider in connection with the Services provided to JEA, and (b) JEA shall pay the expenses incurred by Service Provider in defending any claim, demand, action, suit or proceeding related thereto as such expenses are incurred by Service Provider and in advance of the final disposition of such matter; provided that Service Provider shall be entitled to the coverage under clauses (a) and (b) on the same terms and conditions as were in effect prior to the Separation Date as reflected in Section
- 2.4 **Legal Counsel**. The Service Provider shall be entitled to legal counsel, paid for by JEA, as necessary if Service Provider is a defendant participant in a lawsuit against JEA for actions that occurred during his period of employment and the Consulting Period with JEA, excepting intentional torts.

#### **SECTION III – SEVERANCE BENEFITS:**

Note to Draft: To be calculated based on an annualized amount equal to the combined total of all items reflected on Service Provider's total compensation statement provided to Service Provide for the most recent 12-month period.

- 3.1 **Compliance with Employment Agreement**. JEA shall comply with any and all of its payment and benefit obligations of the Employment Agreement.
- 3.2 **Indemnification**. Pursuant to Section 768.28(9)(a), Florida Statutes, Service Provider is not personally liable in any action for any injury or damage suffered as a result of any act, event, or omission of action in the scope of her or his employment or function. JEA hereby agrees to indemnify, defend and hold Service Provider harmless from any and all claims, to the fullest extent permitted by Sections 111.07, 111.071 and 768.28(9)(a), Florida Statutes, and other applicable law. Without limiting the scope of this Section 3.2, which the parties agree shall be construed as broadly as permitted by applicable law, JEA's agreement to indemnify, defend and hold Service Provider harmless includes claims arising out of the exercise of (or failure to exercise) Service Provider's duties and responsibilities to JEA, and to all other acts entitled to indemnification pursuant to Sections 111.07, 111.071 and 768.28(9)(a), Florida Statutes. If Service Provider's claim for indemnification is one for which indemnification is provided by Sections 111.07, 111.071 and 768.28(9)(a), Florida Statutes, or by other applicable law, then Service Provider shall be entitled to the benefits and protections of this Section 3.2 notwithstanding (i) any provision in this Agreement or the Employment Agreement to the contrary, (ii) termination of Service Provider's employment, regardless of the reason for or circumstances surrounding said termination, or (iii) the termination of this Agreement.
- 3.3 **No Other Compensation or Benefits**. Except as otherwise specifically provided herein or as required by the terms of any employee benefit plan, program or arrangement of JEA, the Consolidated Omnibus Reconciliation Act or other applicable law, Service Provider shall not be entitled to any compensation or benefits or to participate in any past, present or future employee benefit plans, programs or arrangements of JEA on or after the Separation Date.

#### **SECTION IV – COVENANTS AND AGREEMENTS:**

- 4.1 **Incorporation by Reference**. The covenants and agreements set forth in Sections 4.7, 4.8 and Section 4.13 of the Employment Agreement (the "Restrictive Covenants") are incorporated herein by reference as if such provisions were set forth herein in full.
- 4.2. **Return of Property**. All files, records, documents, manuals, books, forms, reports, memoranda, studies, data, calculations, recordings, or correspondence, whether visually perceptible, machine-readable or otherwise, in whatever form they may exist, and all copies, abstracts and summaries of the foregoing, and all physical items related to the business of JEA, whether of a public nature or not, and whether prepared by Service Provider or not, are and shall remain the exclusive property of JEA, and shall not be removed from its premises, except as required in the course of Service Provider's employment by JEA, without the prior written consent of JEA. No later than the Separation Date, such items, including any copies or other reproductions thereof, shall be promptly returned by Service Provider to JEA (or, if requested by JEA, destroyed by Service Provider).

#### **SECTION V – MISCELLANEOUS:**

- 5.1 **Governing Law; Binding Effect; Amendment**. This Agreement shall be interpreted and enforced in accordance with the laws of the State of Florida, and shall be binding on JEA's successors and assigns. This Agreement shall not be assignable or transferable by Service Provider or his or her beneficiaries or legal representatives. Notwithstanding the foregoing, in the event of the death of Service Provider, payments that otherwise would have been made to Service Provider shall instead be provided to Service Provider's estate. No amendment or modification shall be effective unless in writing by the parties, including the approval by the Board.
- 5.2 **Authority**. The person executing and delivering this Agreement on behalf of JEA is an authorized officer, director or agent of JEA with full power and authority to bind JEA. Upon execution and delivery of this Agreement by JEA, this Agreement shall constitute the legal, valid and binding obligation of JEA.
- 5.3 **Execution**. This Agreement shall not become a binding and enforceable contract until signed by Service Provider, the Chair of JEA's Board of Directors, JEA's Chief Financial Officer and JEA's Chief Legal Officer. This Agreement may be executed in multiple counterparts, each of which shall be deemed to constitute an original, and which together, when signed by Service Provider, the Chair, the Chief Financial Officer and the Chief Legal Officer, shall constitute a single, legally binding contract.
- 5.4 **Entire Agreement**. This Agreement constitutes the entire agreement between the parties with respect to the subject matter hereof. This Agreement supersedes all prior agreements and understandings, both oral and written, between the parties with respect to the subject matter of this Agreement (including, without limitation, the Employment Agreement (other than to the extent set forth herein and the Restrictive Covenants, which shall remain in full force and effect)).
- 5.5 Compliance with Sections 409A / 457. JEA intends that all payments provided under this Agreement be exempt from, or comply with, the requirements of Sections 409A and 457 of the Code and any guidance promulgated under Sections 409A / 457 of the Code (collectively, "Sections 409A / 457") so that none of the payments or benefits shall be subject to the additional tax imposed under Sections 409A / 457, and any ambiguities in this Agreement shall be interpreted in accordance with this intent. No payment or benefits to be paid to Service Provider, if any, under this Agreement or otherwise, when considered together with any other severance payments or separation benefits that are considered deferred compensation under Sections 409A / 457 shall be paid or otherwise provided until Service Provider has a separation from service within the meaning of Sections 409A / 457. Each severance payment, installment, and benefit payable under Section 3 of this Agreement is intended to constitute a separate payment for purposes of U.S. Treasury Regulation Section 1.409A-2(b)(2).

All expenses or other reimbursements under this Agreement that would constitute nonqualified deferred compensation subject to Sections 409A / 457, (i) shall be paid on

or prior to the last day of the taxable year following the taxable year in which such expenses were incurred by Service Provider, (ii) no such reimbursement or expenses eligible for reimbursement in any taxable year shall in any way affect Service Provider's right to reimbursement of any other expenses eligible for reimbursement in any other taxable year, and (iii) Service Provider's right to reimbursement shall not be subject to liquidation in exchange for any other benefit.

Notices. For purposes of this Agreement, notices, demands and all other communications provided for in this Agreement shall be in writing and shall be deemed to have been duly given when received if delivered in person, the next business day if delivered by overnight commercial courier (e.g., Federal Express), or the third business day if mailed by United States certified mail, return receipt requested, postage prepaid, to the following addresses:

If to JEA, to:

JEA 21 West Church Street Jacksonville, FL 32202

If to Service Provider, to:

[NAME]

at the address on file with JEA

Either party may change its address for notices in accordance with this Subsection 5.6 by providing written notice of such change to the other party.

- 5.7 **Survival**. The provisions of this Agreement that are intended to survive this Agreement and Service Provider's termination of employment shall survive in accordance with their terms.
- 5.8 **Severability**. If any provision of this Agreement becomes or is deemed invalid, illegal or unenforceable in any applicable jurisdiction by reason of the scope, extent or duration of its coverage, then such provision shall be deemed amended to the minimum extent necessary to conform to applicable law so as to be valid and enforceable or, if such provision cannot be so amended without materially altering the intention of the parties, then such provision shall be stricken and the remainder of this Agreement (as applicable) shall continue in full force and effect.
- 5.9 **Waiver**. Any failure of Service Provider to comply with any of his or her obligations under this Agreement may be waived only in writing signed by JEA. Any failure of JEA to comply with any of its obligations under this Agreement may be waived only in writing signed by Service Provider. No waiver of any breach, failure, right or remedy contained in or granted by the provisions of this Agreement shall constitute a continuing

waiver of a subsequent or other breach, failure, right or remedy, unless the writing so specifies.

Arbitration. Except for suits seeking injunctive relief or specific performance or as 5.10 otherwise prohibited by applicable law, the parties hereby agree that any dispute, controversy or claim arising out of, connected with and/or otherwise relating to this Agreement and the arbitrability of any controversy or claim relating hereto shall be finally settled by binding arbitration. The parties hereby knowingly and voluntarily waive any rights that they may have to a jury trial for any such disputes, controversies or claim. The parties agree to resolve any dispute arising out of this Agreement before the American Arbitration Association (the "AAA") in accordance with the AAA's then existing National Rules of Resolution of Employment Disputes. The arbitration shall be administered by the AAA and the hearing shall be conducted in Duval County in the State of Florida before a neutral arbitrator, who must have been admitted to the practice of law for at least the last ten (10) years (the "Arbitrator"). Each party further agrees to pay its or his own arbitration costs, attorneys' fees, and expenses, unless otherwise required by the AAA's then-existing arbitration rules. The Arbitrator shall issue an opinion within thirty (30) days of the final arbitration hearing and shall be authorized to award reasonable attorneys' fees to the prevailing party, which decision of the Arbitrator shall be final, conclusive, unappealable and binding on the parties. Subject to applicable law, the arbitration proceeding and any and all related awards, relief or findings shall be confidential, except that any arbitration award may be filed in a court of competent jurisdiction by either party for the purpose of enforcing the award.

#### MUTUAL RELEASE AGREEMENT

**THIS MUTUAL RELEASE AGREEMENT** (this "Agreement") is made and entered into on [DATE] by and between JEA, a body politic and corporate under the laws of the State of Florida and an independent agency of the Consolidated City of Jacksonville (hereinafter referred to as "JEA"), and [NAME], an individual currently residing in Florida, hereinafter referred to as Service Provider. Capitalized terms used herein but not defined shall have the meanings set forth in the Separation and Transition Agreement, dated as of [DATE] (the "Separation Agreement"), by and between JEA and Service Provider.

**WHEREAS**, the Separation Agreement sets forth the terms and conditions of Service Provider's separation from service with JEA effective as [DATE]; and

**WHEREAS**, the Separation Agreement provides that, in consideration for certain payments and benefits payable to Service Provider in connection with his or her separation from service, Service Provider shall fully and finally release JEA from all claims relating to Service Provider's employment relationship with JEA and the termination of such relationship.

Accordingly, the parties hereto agree as follows:

#### **SECTION I – RELEASE:**

1.1 General Release by Service Provider. In consideration of JEA's obligations under the Separation Agreement and for other valuable consideration, Service Provider hereby releases and forever discharges JEA and each of its respective officers, employees, directors and agents from any and all claims, actions and causes of action (collectively, "Claims"), including, without limitation, any Claims arising under (a) the Sarbanes-Oxley Act of 2002, 18 U.S.C. § 1514; Sections 748(h)(i), 922(h)(i) and 1057 of the Dodd-Frank Wall Street and Consumer Protection Act (the "Dodd Frank Act"), 7 U.S.C. § 26(h), 15 U.S.C. § 78u-6(h)(i) and 12 U.S.C. § 5567(a) but excluding from this release any right Service Provider may have to receive a monetary award from the Securities and Exchange Commission as an SEC Whistleblower, pursuant to the bounty provision under Section 922(a)-(g) of the Dodd Frank Act, 7 U.S.C. Sec. 26(a)-(g), or directly from any other federal or state agency pursuant to a similar program, or (b) any applicable federal, state, local or foreign law, including, but not limited to, claims under Chapter 112 or Chapter 760, Florida Statutes, that Service Provider may have, or in the future may possess arising out of (x) Service Provider's employment relationship with and service as a director, employee, officer or manager of JEA, and the termination of such relationship or service, or (y) any event, condition, circumstance or obligation that occurred, existed or arose on or prior to the date hereof; provided, however, that the release set forth in this Section 1.1 shall not apply to (i) the obligations of JEA under the Separation Agreement, (ii) the obligations of JEA to continue to provide indemnification to Service Provider as provided under applicable law or in the Separation Agreement and (iii) any Claims which cannot be released under applicable law. Service Provider further agrees that the payments and benefits described in the Separation Agreement shall be in full satisfaction

of any and all claims for payments or benefits, whether express or implied, that Service Provider may have against JEA arising out of Service Provider's employment relationship, Service Provider's service as a director, employee, officer or manager of JEA and the termination thereof. The provision of the payments and benefits described in the Separation Agreement shall not be deemed an admission of liability or wrongdoing by JEA. This Section 1.1 does not apply to any Claims that Service Provider may have as of the date Service Provider signs this Agreement arising under the federal Age Discrimination in Employment Act of 1967, as amended, and the applicable rules and regulations promulgated thereunder ("ADEA"). Claims arising under ADEA are addressed in Section 1.2 of this Agreement.

- 1.3 **General Release by JEA**. JEA hereby releases and forever discharges Service Provider and each of his or her agents, representatives, attorneys, successors, assigns, heirs, executors and administrators from any Claims that JEA may have, or in the future may possess, arising out of (x) Service Provider's employment relationship with and service as a director, employee, officer or manager of JEA, and the termination of such relationship or service, or (y) any event, condition, circumstance or obligation that occurred, existed or arose on or prior to the date hereof; provided, however, that the release set forth in this Section 1.3 shall not apply to any Claims which cannot be released under applicable law.

**WHEREAS**, JEA's water system consists of 136 artesian wells tapping the Floridian aquifer, distributing water through 37 water treatment plants and 4,352 miles of water lines and with a sewer system of more than 3,760 miles of collection lines and seven regional and seven non-regional sewer treatment plants;

**WHEREAS**, JEA owns and operates the District Energy System, a separate utility system that provides chilled water to 13 locations in Jacksonville;

**WHEREAS**, the JEA governing body is made up of a seven-member Board of Directors ("Board") appointed by the Mayor and confirmed by the City Council;

**WHEREAS**, the Board is tasked with appointing a [TITLE] to operate the eighth largest community-owned electric utility company in the United States and the largest in Florida, with total assets of \$8.4 billion (2018), total equity of \$2.8 billion (2018), and approximately 2,000 employees (2018); and

**WHEREAS**, JEA is desirous of continuing to employ Employee as [TITLE] pursuant to the terms and conditions and for the consideration set forth in this Agreement, and Employee is desirous of entering into this Agreement pursuant to such terms and conditions.

**NOW, THEREFORE**, for and in consideration of the mutual promises, covenants, and obligations contained herein, JEA and Employee agree as follows:

#### **SECTION I – EMPLOYMENT AND DUTIES:**

- 1.1 **Engagement**. JEA agrees to continue to employ Employee and Employee agrees to continue to be employed by JEA, for a time period beginning on August 1, 2019 (the "Effective Date"), and continuing until the employment relationship is terminated in accordance with the terms and conditions of this Agreement (the "Term").
- 1.2 **Terms and Duties**. Employee shall be employed as [TITLE] of JEA. Employee agrees to serve in this position and to perform diligently Employee's duties and services with the dedication and in manner of similarly situated executives and as reasonably directed by the Board.
- 1.3 **Compliance with Policies and Procedures**. Employee shall at all times comply with and be subject to such policies and procedures as the Board may establish.
- Diligence to Position. Employee shall devote full business time, energy, and best efforts to the business of Employer with the dedication and in the manner of similarly situated executives; provided, however, that it is agreed that this obligation shall not preclude Employee from engaging in appropriate civic, charitable or religious activities or from serving on the boards of directors of companies that are not competitors to JEA, as long as the activities do not materially interfere or conflict with Employee's responsibilities to JEA or Employee's ability to perform Employee's duties of employment at JEA, within the sole discretion of the Board. Subject to the foregoing, Employee may not engage, directly or indirectly, in any other business, investment, or activity that interferes with Employee's performance of his duties, is directly contrary to JEA's interests, or requires any significant portion of Employee's business time; provided, however, that Employee may own less than two percent (2%) of the voting stock of a corporation listed for trading or traded over the counter on a recognized stock exchange in the United States. Employee's responsibilities and duties shall be commensurate with Employee's position together with any responsibilities and duties assigned by the Board or JEA's Chief Executive Officer.
- 1.5 **Fiduciary Obligations**. Employee acknowledges and agrees that, during the Term, Employee owes a fiduciary duty of loyalty toward JEA, and will not intentionally injure the direct or indirect interests of JEA, or benefit from any outside activities which Employee knows conflict with interests of JEA or, upon discovery of any such conflict, allow such a conflict to continue. Moreover, Employee agrees to disclose to JEA any facts which involve a conflict of interest during the Term.

#### **SECTION II – COMPENSATION AND BENEFITS:**

2.1 **Annual Compensation**. Employee shall be paid an annual salary of \$[AMOUNT].00 (the "Annual Base Salary"), which shall be paid in equal installments in accordance with JEA's standard payroll practice, including deductions for all legally applicable taxes and withholdings. Once every twelve (12) months (measured from, and contemporaneous with, the completion of JEA's annual audit), JEA shall conduct a performance review of Employee, including a review of the market pricing peer group assessment of Employee's Annual Base Salary by a nationally recognized compensation consultant and shall discuss the results of such review with Employee.

- The Board shall make modifications to Employee's Annual Base Salary as deemed to be appropriate based upon this annual review of Employee's performance.
- 2.2 **Pay for Performance Program**. The Board has established a Pay for Performance Program for fiscal year 2018/2019, and anticipates continuing the Program or a similar program in future years (all such programs are referred to in this Agreement as the "Program"). During the Term, Employee shall be eligible to participate in the Program, or any other incentive compensation program established by the Board in accordance with the terms of any such program.
- 2.3 **Vehicle**. Employee will have the use of an appropriately equipped JEA vehicle at the expense of JEA to supplement Employee's personal vehicle. In lieu of having use of a JEA vehicle, at Employee's option, JEA shall pay to Employee a monthly automobile allowance of \$850.00, to be paid on or before the first regular payday of each month following the Effective Date, subject to withholding. It is specifically intended and understood that this allowance shall be provided as compensation for unreimbursed expenses incurred by Employee within the territorial limits of the JEA service territory and receipt of this allowance shall not prevent Employee from claiming and being reimbursed for travel expenses resulting from travel by Employee outside the JEA service territory in the manner provided by the Ordinance Code of the City of Jacksonville. JEA and Employee understand and agree that \$850.00 is an estimate of the total cost Employee would incur if not provided with a JEA vehicle, including vehicle wear and tear and other costs that cannot be measured with precision, and that the full \$850.00 shall be paid without any obligation on the part of Employee to provide proof of actual expenses.
- 2.4 **Business Allowance**. JEA shall pay to Employee a monthly allowance in the amount of \$[AMOUNT].00 for general business expenses incurred in Employee's efforts to promote and represent JEA beyond those identified in JEA employee policies. The business allowance shall be paid on or before the first regular payday of each month following the Effective Date, subject to withholding. Employee may expend the monthly allowance in such a manner as Employee determines, in Employee's sole discretion, in support of Employee's performance of Employee's duties under this Agreement.
- 2.5 **Parking Allowance**. On or before the first regular payday of each month following the Effective Date, Employee will be provided a monthly allowance in the amount of \$50.00 for parking (subject to withholding).
- 2.6 **Expenses**. Notwithstanding anything herein to the contrary, and in addition to other payments provided for in this Agreement, JEA shall reimburse Employee for telephone, travel, continuing education, and general business expenses incurred by Employee in accordance with JEA policies and procedures.
- Annual Leave. Employee will be provided annual Paid Time Off ("PTO") in accordance with JEA's existing policies and procedures in effect from time to time. Without limiting the generality of the foregoing, Employee shall be entitled to a minimum of [NUMBER] ([NUMBER]) hours of PTO during each year of employment commencing on the Effective Date. In addition, JEA shall observe eleven (11) paid holidays and one floating holiday each year.

- 2.8 **Fringe Benefits**. Employee shall be allowed to participate, on the same basis generally as other employees of JEA, in all general employee benefit plans and programs, including improvements or modifications of same, which on the Effective Date or thereafter are made available by JEA to all or substantially all of JEA's executive employees, or to JEA's employees generally, including any amendments thereto. Such benefits, plans, and programs may include, without limitation, medical, health, and dental care, life insurance, disability protection, and flexible spending accounts. Except as specifically provided herein, nothing in this Agreement is to be construed or interpreted to provide greater or lesser rights, participation, coverage, or benefits under the benefit plans or programs than provided to executive employees pursuant to the terms and conditions of such benefit plans and programs. JEA shall not by reason of this Agreement be obligated to institute, maintain, or refrain from changing, amending, or discontinuing, any incentive compensation or employee benefit program or plan, so long as such actions are similarly applicable to covered employees generally. Notwithstanding anything to the contrary in this Agreement, for so long as Employee's employment with JEA continues, JEA shall pay the premiums required to maintain a life insurance policy, with \$500,000.00 in coverage, payable to one or more beneficiaries to be designated by Employee, and with a conversion provision that will allow Employee to continue coverage upon and after termination of employment.
- 2.9 **Pension Benefits**. Employee shall be allowed to participate in the General Employees Pension Plan, the JEA 401(a) Defined Contribution Plan, and in any other pension or retirement plan made available by JEA to all or substantially all of JEA's executive employees or to JEA's employees generally, including any amendments thereto. Any amounts which the Company would contribute to any Section 401(a) defined contribution plan but for the Section 401(a) limit under the Internal Revenue Code of 1986, as amended (the "Code"), shall be paid to Employee as taxable compensation on a current basis.

#### **SECTION III – TERMINATION OF EMPLOYMENT:**

- 3.1 **Termination**. Subject to the terms of Subsections 3.1.4, 3.1.5 and 3.1.6 of this Agreement, Employee's employment with JEA may be terminated (i) by JEA immediately for "Cause" (as defined in, and subject to the notice and cure provisions of, Subsection 3.1.1 of this Agreement); (ii) by Employee for "Good Reason" (as defined in, and subject to the notice and cure provisions of, Subsection 3.1.2 of this Agreement); (iii) upon Employee's death or upon Employee's "Disability" (as defined in Subsection 3.1.3 of this Agreement); or (iv) by either party, without Cause or Good Reason, upon thirty (30) days' advance notice to the other party.
  - 3.1.1 For purposes of this Agreement, "Cause" for termination of employment means: (i) a willful breach by Employee of material duties, obligations and policies of JEA which Employee fails to cure within ten (10) days after written notice from JEA specifically identifying such breach; (ii) Employee's gross negligence or gross neglect of duties and obligations required in performance of Employee's duties, or willful misconduct; (iii) Employee's continued violation of written rules and policies of the Board after written notice of same and reasonable opportunity to cure; (iv) conviction of Employee for any criminal act which is a felony; (v) commission by Employee in a public or private capacity of theft, fraud, or misappropriation or embezzlement of funds; or (vi) misconduct as defined in Florida Statutes § 443.036(29). For purposes of this Agreement, termination

- of employment "without Cause" means any termination of employment by JEA for any reason not explicitly defined by this Subsection 3.1.1 as Cause for termination.
- For purposes of this Agreement, "Good Reason" shall mean the occurrence of any of the following: (a) a material diminution in Employee's role, responsibilities, compensation, benefits and/or title without Employee's consent; (b) a directive by the Board to Employee to take any action or to refrain from action when implementing said directive would constitute a violation of applicable law; or (c) a material breach of this Agreement by JEA. Without in any way limiting the foregoing, a reduction in Employee's Base Salary to a level of 95% or less of the Base Salary stated in this Agreement shall be conclusively presumed to be a material diminution in Employee's compensation. Notwithstanding anything to the contrary in this Subsection 3.1.2 or in this Agreement, Employee may terminate Employee's employment for Good Reason only under the following terms and conditions. A termination of employment by Employee for Good Reason shall be effectuated by giving JEA written notice of the termination (the "Notice of Termination for Good Reason") within thirty (30) days after the event constituting Good Reason, setting forth in reasonable detail the specific conduct that constitutes Good Reason and the specific provisions of this Agreement on which Employee relies in support of the assertion of Good Reason. JEA shall have thirty (30) days from the receipt of the Notice of Termination for Good Reason within which to (i) deny that an event of Good Reason has occurred, or (ii) correct, rescind or otherwise substantially reverse the occurrence supporting termination for Good Reason as identified by Employee. If JEA does not deny that an event of Good Reason has occurred or if such event has not been cured within thirty (30) days after JEA received the Notice of Termination for Good Reason, then the termination of employment by Employee for Good Reason shall be effective upon expiration of said thirty (30)-day period after JEA received the Notice of Termination for Good Reason. If the event of Good Reason is cured within such thirty (30)-day period, the Notice of Termination for Good Reason shall have no effect. If JEA disputes that Good Reason exists, and does not within thirty (30) days cure the event cited by Employee as Good Reason, and if Employee then elects to terminate employment, the parties agree to arbitrate the dispute pursuant to Subsection 4.19. Any disputes between the parties regarding this Subsection 3.1.2, including with respect to whether circumstances giving rise to Good Reason exist, shall be resolved pursuant to the arbitration procedure set forth in Subsection 4.19.
- 3.1.3 For purposes of this Agreement, the term "Disability" shall mean: if JEA provides long-term disability insurance to its employees generally, and if JEA's long-term disability plan defines the term "Disability," then that term shall have the same meaning in this Agreement as in JEA's long-term disability plan; otherwise, the term "Disability" means a physical or mental incapacity as a result of which Employee becomes unable to continue to perform Employee's essential job functions, with or without reasonable accommodation, for four consecutive months.
- 3.1.4 If Employee's employment is terminated by JEA for Cause, by Employee without Good Reason, or as a result of Employee's death or Disability, then (a) Employee shall be paid

all amounts and shall receive all benefits earned through the date of termination of employment, and (b) all future compensation to which Employee would otherwise be entitled and all future benefits for which Employee would otherwise be eligible shall cease and terminate as of the date of termination, except that (c) Employee shall be entitled to all vested benefits, to the right to continuation of benefits to the extent provided by applicable benefits plans, COBRA, and other applicable law, and to all other rights provided by applicable law.

- If Employee's employment is terminated by JEA without Cause or by Employee for "Good Reason" then, subject to Employee's compliance with the covenants set forth in this Agreement and Employee's execution and non-revocation of the release of claims substantially in the form of Exhibit A attached hereto, (a) Employee shall be paid all amounts and shall receive all benefits earned through the date of termination of employment, (b) JEA shall pay Employee a lump sum payment equal to twenty (20) weeks of the current Annual Base Salary, less applicable taxes and deductions (such payment will be made within thirty (30) days of the date Employee's termination occurs), (c) Employee shall become fully vested in any unvested amounts contributed on his behalf to any available retirement plan that may then be in effect to the extent allowable under the terms of the applicable plan and applicable law, (d) if Employee makes a timely and effective election to continue health insurance coverage under COBRA, then JEA shall pay directly to its COBRA provider the COBRA premiums necessary to continue Employee's coverage (and coverage for Employee's covered dependents) under COBRA for a period of twenty (20) weeks following the end of the month in which the termination occurs, (e) Subsection 3.1.6 shall become operative, and JEA and Employee shall comply with Subsection 3.1.6, and (f) Employee shall be entitled to all other vested benefits, to all additional rights to continuation of benefits to the extent provided by applicable benefits plans, COBRA, and other applicable law, and to all other rights provided by applicable law.
- 3.1.6 JEA and Employee further agree that if, during the first five (5) years following the Effective Date, Employee's employment is terminated by JEA without Cause, or by Employee for "Good Reason" then, beginning on the first Monday after the effective date of termination of Employee's employment with JEA, Employee shall serve as a consultant to JEA for a period of [NUMBER] ([NUMBER]) months in accordance with the terms of the Separation and Transition Agreement substantially in the form of Exhibit A attached hereto.

## **SECTION IV - MISCELLANEOUS:**

- 4.1 **Eligibility to Work in the United States**. Employee has provided previously to JEA the appropriate documentation to verify Employee's authorization to work in the United States.
- 4.2 **Governing Law; Binding Effect; Amendment**. This Agreement shall be interpreted and enforced in accordance with the laws of the State of Florida, and shall be binding on JEA's successors (including any organization that succeeds to substantially all of the assets and business of JEA) and assigns, and the term "JEA" whenever used in this Agreement shall mean and

include any such successor or assign. This Agreement shall not be assignable or transferable by Employee or his or her beneficiaries or legal representatives. Notwithstanding the foregoing, in the event of the death of Employee, payments that otherwise would have been made to Employee shall instead be provided to Employee's estate. No amendment or modification shall be effective unless in writing by the parties, including the approval by the Board.

- 4.3 **Savings Clause**. Employee's present benefits and rights are preserved, including but not limited to accrued service credits, accrued leave, and accrued incentive compensation carried forward in accordance with existing policies and procedures.
- 4.4 **Public Records and Open Meetings (Sunshine) Requirements.** Employee will become familiar, with the assistance of JEA's staff and JEA's legal counsel, with the unique obligations and parameters of the State of Florida's public records and sunshine act laws, in order that JEA maintain its record of compliance with such laws.
- 4.5 **Legal Counsel**. Employee shall be entitled to legal counsel from or approved by the Office of General Counsel, paid for by JEA in a prompt and current manner as provided in Section 111.07, Florida Statutes, as necessary if Employee is a defendant participant in a lawsuit against JEA for actions that occurred during period of employment with JEA, excepting where a court has adjudicated Employee as having committed intentional tort or torts.
- 4.6 **Indemnification**. Pursuant to Section 768.28(9)(a), Florida Statutes, Employee is not personally liable in any action for any injury or damage suffered as a result of any act, event, or omission of action in the scope of her or his employment or function. JEA hereby agrees to indemnify, defend and hold Employee harmless from any and all claims, to the fullest extent permitted by Sections 111.07, 111.071 and 768.28(9)(a), Florida Statutes, and other applicable law. Without limiting the scope of this Subsection 4.6, which the parties agree shall be construed as broadly as permitted by applicable law, JEA's agreement to indemnify, defend and hold employee harmless includes claims arising out of the exercise of (or failure to exercise) Employee's duties and responsibilities to JEA, and to all other acts entitled to indemnification pursuant to Sections 111.07, 111.071 and 768.28(9)(a), Florida Statutes. If Employee's claim for indemnification is one for which indemnification is provided by Sections 111.07, 111.071 and 768.28(9)(a), Florida Statutes, or by other applicable law, then Employee shall be entitled to the benefits and protections of this Subsection 4.6 notwithstanding (i) any provision in this Agreement to the contrary, (ii) termination of Employee's employment, regardless of the reason for or circumstances surrounding said termination, or (iii) the termination of this Agreement.
- 4.7 **Confidentiality**. Employee agrees and acknowledges that, in the course of Employee's employment with JEA, Employee may learn trade secrets and other proprietary information of JEA. For purposes of this Agreement, "trade secrets" means any information protected by Florida's Trade Secrets Act, and "proprietary information" means any information obtained during the course of Employee's employment with JEA the disclosure of which would reasonably be expected to create a material risk of harm to JEA's legitimate business interests. JEA agrees and acknowledges that, in the course of Employee's employment with JEA, JEA may learn confidential information about Employee's finances and other personal matters. Accordingly, Employee agrees that Employee will not, during or after Employee's employment with JEA,

disclose any of JEA's trade secrets or other proprietary information, except in performance of Employee's duties as an Employee of JEA, and JEA agrees that it will not, during or after Employee's employment with JEA, disclose any confidential information about Employee. However, nothing in this Agreement or in this Subsection 4.7 shall impose or be construed to impose any limitation that is contrary to applicable law or applicable court order, or to limit the parties' opportunity to agree in the future to permit disclosures of information otherwise made confidential by this Subsection 4.7.

- Non-disparagement. Employee agrees not to disparage JEA, its officers or its Board members, and JEA agrees not to disparage Employee, except that nothing in this Agreement or in this Subsection 4.8 shall preclude either Employee or JEA from making truthful statements in legal proceedings, to preclude Employee from providing information to or initiating or participating in a proceeding before any federal, state or local administrative agency, or to impose any limitation that is contrary to applicable law or applicable court order.
- 4.9 **Authority**. The person executing and delivering this Agreement on behalf of JEA is an authorized officer, director or agent of JEA with full power and authority to bind JEA. Upon execution and delivery of this Agreement by JEA, this Agreement shall constitute the legal, valid and binding obligation of JEA.
- 4.10 **Execution**. This Agreement shall not become a binding and enforceable contract until signed by Employee, the Chair of JEA's Board of Directors, JEA's Chief Executive Officer and JEA's Chief Legal Officer. This Agreement may be executed in multiple counterparts, each of which shall be deemed to constitute an original, and which together, when signed by Employee, the Chair, the Chief Executive Officer and the Chief Legal Officer, shall constitute a single, legally binding contract.
- 4.11 **Entire Agreement**. This Agreement constitutes the entire agreement between the parties with respect to the subject matter hereof. This Agreement supersedes all prior agreements and understandings, both oral and written, between the parties with respect to the subject matter of this Agreement.
- 4.12 **Compliance with Sections 409A** / **457**. JEA intends that all payments provided under this Agreement be exempt from, or comply with, the requirements of Sections 409A and 457 of the Code and any guidance promulgated under Sections 409A / 457 of the Code (collectively, "Sections 409A / 457") so that none of the payments or benefits will be subject to the additional tax imposed under Sections 409A / 457, and any ambiguities in this Agreement will be interpreted in accordance with this intent. No payment or benefits to be paid to Employee, if any, under this Agreement or otherwise, when considered together with any other severance payments or separation benefits that are considered deferred compensation under Sections 409A / 457 will be paid or otherwise provided until Employee has a separation from service within the meaning of Sections 409A / 457. Each severance payment, installment, and benefit payable under Section 3 of this Agreement is intended to constitute a separate payment for purposes of U.S. Treasury Regulation Section 1.409A-2(b)(2).

All expenses or other reimbursements under this Agreement that would constitute nonqualified deferred compensation subject to Sections 409A / 457, (i) shall be paid on or prior to the last day of the taxable year following the taxable year in which such expenses were incurred by Employee, (ii) no such reimbursement or expenses eligible for reimbursement in any taxable year shall in any way affect Employee's right to reimbursement of any other expenses eligible for reimbursement in any other taxable year, and (iii) Employee's right to reimbursement shall not be subject to liquidation in exchange for any other benefit.

- 4.13 Confidential Disclosure in Reporting Violations of Law or in Court Filings. Employee acknowledges and JEA agrees that Employee may disclose confidential information in confidence directly or indirectly to federal, state, or local government officials, including but not limited to the Department of Justice, the Securities and Exchange Commission, the Congress, and any agency Inspector General or to an attorney, for the sole purpose of reporting or investigating a suspected violation of law or regulation or making other disclosures that are protected under the whistleblower provisions of state or federal laws or regulations. Employee may also disclose confidential information in a document filed in a lawsuit or other proceeding, but only if the filing is made under seal. Nothing in this Agreement is intended to conflict with federal law protecting confidential disclosures of a trade secret to the government or in a court filing, 18 U.S.C. § 1833(b), or to create liability for disclosures of confidential information that are expressly allowed by 18 U.S.C. § 1833(b).
- 4.14 **Notices**. For purposes of this Agreement, notices, demands and all other communications provided for in this Agreement shall be in writing and shall be deemed to have been duly given when received if delivered in person, the next business day if delivered by overnight commercial courier (e.g., Federal Express), or the third business day if mailed by United States certified mail, return receipt requested, postage prepaid, to the following addresses:

If to JEA, to:

JEA 21 West Church Street Jacksonville, FL 32202

If to Employee, to:

[NAME]

at the address on file with JEA

Either party may change its address for notices in accordance with this Subsection 4.14 by providing written notice of such change to the other party.

- 4.15 **Survival**. The provisions of this Agreement that are intended to survive this Agreement and Employee's termination of employment shall survive in accordance with their terms.
- 4.16 **Severability**. If any provision of this Agreement becomes or is deemed invalid, illegal or unenforceable in any applicable jurisdiction by reason of the scope, extent or duration of its coverage, then such provision shall be deemed amended to the minimum extent necessary to

conform to applicable law so as to be valid and enforceable or, if such provision cannot be so amended without materially altering the intention of the parties, then such provision shall be stricken and the remainder of this Agreement (as applicable) shall continue in full force and effect.

- 4.17 **Waiver**. Any failure of Employee to comply with any of his or her obligations under this Agreement may be waived only in writing signed by JEA. Any failure of JEA to comply with any of its obligations under this Agreement may be waived only in writing signed by Employee. No waiver of any breach, failure, right or remedy contained in or granted by the provisions of this Agreement shall constitute a continuing waiver of a subsequent or other breach, failure, right or remedy, unless the writing so specifies.
- 4.18 **Compliance with Applicable Laws**. No provision of this Agreement shall be deemed to violate applicable law and this Agreement shall be interpreted in accordance with this intent.
- 4.19 **Arbitration**. Except for suits seeking injunctive relief or specific performance or as otherwise prohibited by applicable law, the parties hereby agree that any dispute, controversy or claim arising out of, connected with and/or otherwise relating to this Agreement and the arbitrability of any controversy or claim relating hereto shall be finally settled by binding arbitration. The parties hereby knowingly and voluntarily waive any rights that they may have to a jury trial for any such disputes, controversies or claim. The parties agree to resolve any dispute arising out of this Agreement before the American Arbitration Association (the "AAA") in accordance with the AAA's then existing National Rules of Resolution of Employment Disputes. The arbitration shall be administered by the AAA and the hearing shall be conducted in Duval County in the State of Florida before a neutral arbitrator, who must have been admitted to the practice of law for at least the last ten (10) years (the "Arbitrator"). Each party further agrees to pay its or his own arbitration costs, attorneys' fees, and expenses, unless otherwise required by the AAA's then-existing arbitration rules. The Arbitrator shall issue an opinion within thirty (30) days of the final arbitration hearing and shall be authorized to award reasonable attorneys' fees to the prevailing party, which decision of the Arbitrator shall be final, conclusive, unappealable and binding on the parties. Subject to applicable law, the arbitration proceeding and any and all related awards, relief or findings shall be confidential, except that any arbitration award may be filed in a court of competent jurisdiction by either party for the purpose of enforcing the award.

## **EXHIBIT A**

## **Separation and Transition Agreement**

## FORM OF SEPARATION AND TRANSITION AGREEMENT

**THIS SEPARATION AND TRANSITION AGREEMENT** (this "Agreement") is made and entered into on [DATE] by and between JEA, a body politic and corporate under the laws of the State of Florida and an independent agency of the Consolidated City of Jacksonville (hereinafter referred to as "JEA"), and [NAME], an individual currently residing in Florida, hereinafter referred to as Service Provider. Capitalized terms used herein but not defined shall have the meanings in the Employment Agreement for [TITLE], dated as of July 23, 2019 (the "Employment Agreement"), between JEA and Service Provider.

**WHEREAS**, Service Provider is employed by JEA as its [TITLE] pursuant to the Employment Agreement;

WHEREAS, Service Provider's employment with JEA shall be terminated; and

**WHEREAS**, in connection with Service Provider's separation from service with JEA, JEA and Service Provider desire to commence the transition of the [TITLE] position and Service Provider agrees to make himself or herself available to provide services to JEA on the terms and conditions set forth herein.

Now therefore JEA and Service Provider agree as follows:

## **SECTION 1 – SEPARATION:**

- 1.1 **Removal from Positions**. The Service Provider's last day of employment with JEA is [DATE] (such date, the "Separation Date"). In that regard, as of the Separation Date, (a) Service Provider's position as [TITLE] of JEA and (b) all other officer positions, directorships and other positions that Service Provider holds with JEA shall terminate.
- 1.2 **Release Agreement**. Service Provider's receipt of any payments and benefits pursuant to this Agreement (other than the payments and benefits pursuant to Sections 3.1.5(a) and (f) of the Employment Agreement (the "Accrued Obligations")) is subject to Service Provider's signing and not revoking the Release Agreement substantially in the form attached hereto as Exhibit A (the "Release Agreement"); provided that the Release Agreement is effective within thirty (30) days following the Separation Date. No payments or benefits under this Agreement (other than the Accrued Obligations) shall be paid or provided to Service Provider until the Release Agreement becomes effective in accordance with the deadline specified in the preceding sentence.

#### **SECTION II – TRANSITION:**

2.1 **Consulting Period and Services**. Commencing on the Separation Date and ending on the [NUMBER] ([NUMBER])-month anniversary thereof (the "Consulting Period"),

<sup>&</sup>lt;sup>1</sup> Note to Draft: To be increased to 60 days for group terminations.

Service Provider shall make himself or herself available to consult with JEA as reasonably requested by JEA from time to time (the "Services").

- 2.2 **Consulting Fee.** In exchange for the Services, commencing on the Separation Date, JEA agrees to pay Service Provider a monthly fee of \$[AMOUNT] (the "Monthly Fee") for a total fee of \$[AMOUNT].<sup>2</sup> Except as to the Monthly Fee, no other payment or benefits shall be due or payable to Service Provider for the Services. JEA may terminate Service Provider's service for Cause prior to the expiration of the Consulting Period and, in such event, Service Provider shall forfeit his or her right to receive the Monthly Fee for the remainder of the Consulting Period.
- 2.3 Status as an Independent Contractor. In all matters relating to the Services, nothing under this Agreement shall be construed as creating any partnership, joint venture or agency between JEA and Service Provider or to constitute Service Provider as an agent, employee or representative of JEA. Service Provider shall act solely as an independent contractor and, as such, is not authorized to bind any member of JEA to third parties. Consequently, Service Provider shall not be entitled to participate during the Consulting Period in any of the employee benefit plans, programs or arrangements of JEA in his capacity as a consultant. Service Provider shall be responsible for and pay all taxes related to the receipt of compensation in connection with the provision of the Services. Service Provider shall not make any public statements concerning the Services that purport to be on behalf of JEA, in each case without prior written consent from JEA. Notwithstanding Service Provider's status as an independent contractor in providing the Services, to the fullest extent permitted by applicable law and JEA's constituent documents applicable to officers and directors of JEA, (a) Service Provider shall continue to be entitled to indemnification for any loss, damage, or claim incurred by, imposed or asserted against Service Provider in connection with the Services provided to JEA, and (b) JEA shall pay the expenses incurred by Service Provider in defending any claim, demand, action, suit or proceeding related thereto as such expenses are incurred by Service Provider and in advance of the final disposition of such matter; provided that Service Provider shall be entitled to the coverage under clauses (a) and (b) on the same terms and conditions as were in effect prior to the Separation Date as reflected in Section
- 2.4 **Legal Counsel**. The Service Provider shall be entitled to legal counsel, paid for by JEA, as necessary if Service Provider is a defendant participant in a lawsuit against JEA for actions that occurred during his period of employment and the Consulting Period with JEA, excepting intentional torts.

## **SECTION III – SEVERANCE BENEFITS:**

Note to Draft: To be calculated based on an annualized amount equal to the combined total of all items reflected on Service Provider's total compensation statement provided to Service Provide for the most recent 12-month period.

- 3.1 **Compliance with Employment Agreement**. JEA shall comply with any and all of its payment and benefit obligations of the Employment Agreement.
- 3.2 **Indemnification**. Pursuant to Section 768.28(9)(a), Florida Statutes, Service Provider is not personally liable in any action for any injury or damage suffered as a result of any act, event, or omission of action in the scope of her or his employment or function. JEA hereby agrees to indemnify, defend and hold Service Provider harmless from any and all claims, to the fullest extent permitted by Sections 111.07, 111.071 and 768.28(9)(a), Florida Statutes, and other applicable law. Without limiting the scope of this Section 3.2, which the parties agree shall be construed as broadly as permitted by applicable law, JEA's agreement to indemnify, defend and hold Service Provider harmless includes claims arising out of the exercise of (or failure to exercise) Service Provider's duties and responsibilities to JEA, and to all other acts entitled to indemnification pursuant to Sections 111.07, 111.071 and 768.28(9)(a), Florida Statutes. If Service Provider's claim for indemnification is one for which indemnification is provided by Sections 111.07, 111.071 and 768.28(9)(a), Florida Statutes, or by other applicable law, then Service Provider shall be entitled to the benefits and protections of this Section 3.2 notwithstanding (i) any provision in this Agreement or the Employment Agreement to the contrary, (ii) termination of Service Provider's employment, regardless of the reason for or circumstances surrounding said termination, or (iii) the termination of this Agreement.
- 3.3 **No Other Compensation or Benefits**. Except as otherwise specifically provided herein or as required by the terms of any employee benefit plan, program or arrangement of JEA, the Consolidated Omnibus Reconciliation Act or other applicable law, Service Provider shall not be entitled to any compensation or benefits or to participate in any past, present or future employee benefit plans, programs or arrangements of JEA on or after the Separation Date.

## **SECTION IV – COVENANTS AND AGREEMENTS:**

- 4.1 **Incorporation by Reference**. The covenants and agreements set forth in Sections 4.7, 4.8 and Section 4.13 of the Employment Agreement (the "Restrictive Covenants") are incorporated herein by reference as if such provisions were set forth herein in full.
- 4.2. **Return of Property**. All files, records, documents, manuals, books, forms, reports, memoranda, studies, data, calculations, recordings, or correspondence, whether visually perceptible, machine-readable or otherwise, in whatever form they may exist, and all copies, abstracts and summaries of the foregoing, and all physical items related to the business of JEA, whether of a public nature or not, and whether prepared by Service Provider or not, are and shall remain the exclusive property of JEA, and shall not be removed from its premises, except as required in the course of Service Provider's employment by JEA, without the prior written consent of JEA. No later than the Separation Date, such items, including any copies or other reproductions thereof, shall be promptly returned by Service Provider to JEA (or, if requested by JEA, destroyed by Service Provider).

## **SECTION V – MISCELLANEOUS:**

- 5.1 **Governing Law; Binding Effect; Amendment**. This Agreement shall be interpreted and enforced in accordance with the laws of the State of Florida, and shall be binding on JEA's successors and assigns. This Agreement shall not be assignable or transferable by Service Provider or his or her beneficiaries or legal representatives. Notwithstanding the foregoing, in the event of the death of Service Provider, payments that otherwise would have been made to Service Provider shall instead be provided to Service Provider's estate. No amendment or modification shall be effective unless in writing by the parties, including the approval by the Board.
- 5.2 **Authority**. The person executing and delivering this Agreement on behalf of JEA is an authorized officer, director or agent of JEA with full power and authority to bind JEA. Upon execution and delivery of this Agreement by JEA, this Agreement shall constitute the legal, valid and binding obligation of JEA.
- 5.3 **Execution**. This Agreement shall not become a binding and enforceable contract until signed by Service Provider, the Chair of JEA's Board of Directors, JEA's Chief Executive Officer and JEA's Chief Legal Officer. This Agreement may be executed in multiple counterparts, each of which shall be deemed to constitute an original, and which together, when signed by Service Provider, the Chair, the Chief Executive Officer and the Chief Legal Officer, shall constitute a single, legally binding contract.
- 5.4 **Entire Agreement**. This Agreement constitutes the entire agreement between the parties with respect to the subject matter hereof. This Agreement supersedes all prior agreements and understandings, both oral and written, between the parties with respect to the subject matter of this Agreement (including, without limitation, the Employment Agreement (other than to the extent set forth herein and the Restrictive Covenants, which shall remain in full force and effect)).
- 5.5 Compliance with Sections 409A / 457. JEA intends that all payments provided under this Agreement be exempt from, or comply with, the requirements of Sections 409A and 457 of the Code and any guidance promulgated under Sections 409A / 457 of the Code (collectively, "Sections 409A / 457") so that none of the payments or benefits shall be subject to the additional tax imposed under Sections 409A / 457, and any ambiguities in this Agreement shall be interpreted in accordance with this intent. No payment or benefits to be paid to Service Provider, if any, under this Agreement or otherwise, when considered together with any other severance payments or separation benefits that are considered deferred compensation under Sections 409A / 457 shall be paid or otherwise provided until Service Provider has a separation from service within the meaning of Sections 409A / 457. Each severance payment, installment, and benefit payable under Section 3 of this Agreement is intended to constitute a separate payment for purposes of U.S. Treasury Regulation Section 1.409A-2(b)(2).

All expenses or other reimbursements under this Agreement that would constitute nonqualified deferred compensation subject to Sections 409A / 457, (i) shall be paid on

or prior to the last day of the taxable year following the taxable year in which such expenses were incurred by Service Provider, (ii) no such reimbursement or expenses eligible for reimbursement in any taxable year shall in any way affect Service Provider's right to reimbursement of any other expenses eligible for reimbursement in any other taxable year, and (iii) Service Provider's right to reimbursement shall not be subject to liquidation in exchange for any other benefit.

Notices. For purposes of this Agreement, notices, demands and all other communications provided for in this Agreement shall be in writing and shall be deemed to have been duly given when received if delivered in person, the next business day if delivered by overnight commercial courier (e.g., Federal Express), or the third business day if mailed by United States certified mail, return receipt requested, postage prepaid, to the following addresses:

If to JEA, to:

JEA 21 West Church Street Jacksonville, FL 32202

If to Service Provider, to:

[NAME]

at the address on file with JEA

Either party may change its address for notices in accordance with this Subsection 5.6 by providing written notice of such change to the other party.

- 5.7 **Survival**. The provisions of this Agreement that are intended to survive this Agreement and Service Provider's termination of employment shall survive in accordance with their terms.
- 5.8 **Severability**. If any provision of this Agreement becomes or is deemed invalid, illegal or unenforceable in any applicable jurisdiction by reason of the scope, extent or duration of its coverage, then such provision shall be deemed amended to the minimum extent necessary to conform to applicable law so as to be valid and enforceable or, if such provision cannot be so amended without materially altering the intention of the parties, then such provision shall be stricken and the remainder of this Agreement (as applicable) shall continue in full force and effect.
- 5.9 **Waiver**. Any failure of Service Provider to comply with any of his or her obligations under this Agreement may be waived only in writing signed by JEA. Any failure of JEA to comply with any of its obligations under this Agreement may be waived only in writing signed by Service Provider. No waiver of any breach, failure, right or remedy contained in or granted by the provisions of this Agreement shall constitute a continuing

waiver of a subsequent or other breach, failure, right or remedy, unless the writing so specifies.

Arbitration. Except for suits seeking injunctive relief or specific performance or as 5.10 otherwise prohibited by applicable law, the parties hereby agree that any dispute, controversy or claim arising out of, connected with and/or otherwise relating to this Agreement and the arbitrability of any controversy or claim relating hereto shall be finally settled by binding arbitration. The parties hereby knowingly and voluntarily waive any rights that they may have to a jury trial for any such disputes, controversies or claim. The parties agree to resolve any dispute arising out of this Agreement before the American Arbitration Association (the "AAA") in accordance with the AAA's then existing National Rules of Resolution of Employment Disputes. The arbitration shall be administered by the AAA and the hearing shall be conducted in Duval County in the State of Florida before a neutral arbitrator, who must have been admitted to the practice of law for at least the last ten (10) years (the "Arbitrator"). Each party further agrees to pay its or his own arbitration costs, attorneys' fees, and expenses, unless otherwise required by the AAA's then-existing arbitration rules. The Arbitrator shall issue an opinion within thirty (30) days of the final arbitration hearing and shall be authorized to award reasonable attorneys' fees to the prevailing party, which decision of the Arbitrator shall be final, conclusive, unappealable and binding on the parties. Subject to applicable law, the arbitration proceeding and any and all related awards, relief or findings shall be confidential, except that any arbitration award may be filed in a court of competent jurisdiction by either party for the purpose of enforcing the award.

Capitalized terms used herein but not defined shall have the meanings set forth in the Separation and Transition Agreement, dated as of [DATE] (the "Separation Agreement"), by and between JEA and Service Provider.

**WHEREAS**, the Separation Agreement sets forth the terms and conditions of Service Provider's separation from service with JEA effective as [DATE]; and

**WHEREAS**, the Separation Agreement provides that, in consideration for certain payments and benefits payable to Service Provider in connection with his or her separation from service, Service Provider shall fully and finally release JEA from all claims relating to Service Provider's employment relationship with JEA and the termination of such relationship.

Accordingly, the parties hereto agree as follows:

## **SECTION I – RELEASE:**

1.1 General Release by Service Provider. In consideration of JEA's obligations under the Separation Agreement and for other valuable consideration, Service Provider hereby releases and forever discharges JEA and each of its respective officers, employees, directors and agents from any and all claims, actions and causes of action (collectively, "Claims"), including, without limitation, any Claims arising under (a) the Sarbanes-Oxley Act of 2002, 18 U.S.C. § 1514; Sections 748(h)(i), 922(h)(i) and 1057 of the Dodd-Frank Wall Street and Consumer Protection Act (the "Dodd Frank Act"), 7 U.S.C. § 26(h), 15 U.S.C. § 78u-6(h)(i) and 12 U.S.C. § 5567(a) but excluding from this release any right Service Provider may have to receive a monetary award from the Securities and Exchange Commission as an SEC Whistleblower, pursuant to the bounty provision under Section 922(a)-(g) of the Dodd Frank Act, 7 U.S.C. Sec. 26(a)-(g), or directly from any other federal or state agency pursuant to a similar program, or (b) any applicable federal, state, local or foreign law, including, but not limited to, claims under Chapter 112 or Chapter 760, Florida Statutes, that Service Provider may have, or in the future may possess arising out of (x) Service Provider's employment relationship with and service as a director, employee, officer or manager of JEA, and the termination of such relationship or service, or (y) any event, condition, circumstance or obligation that occurred, existed or arose on or prior to the date hereof; provided, however, that the release set forth in this Section 1.1 shall not apply to (i) the obligations of JEA under the Separation Agreement, (ii) the obligations of JEA to continue to provide indemnification to Service Provider as provided under applicable law or in the Separation Agreement and (iii) any Claims which cannot be released under applicable law. Service Provider further agrees that the payments and benefits described in the Separation Agreement shall be in full satisfaction

of any and all claims for payments or benefits, whether express or implied, that Service Provider may have against JEA arising out of Service Provider's employment relationship, Service Provider's service as a director, employee, officer or manager of JEA and the termination thereof. The provision of the payments and benefits described in the Separation Agreement shall not be deemed an admission of liability or wrongdoing by JEA. This Section 1.1 does not apply to any Claims that Service Provider may have as of the date Service Provider signs this Agreement arising under the federal Age Discrimination in Employment Act of 1967, as amended, and the applicable rules and regulations promulgated thereunder ("ADEA"). Claims arising under ADEA are addressed in Section 1.2 of this Agreement.

- 1.3 **General Release by JEA**. JEA hereby releases and forever discharges Service Provider and each of his or her agents, representatives, attorneys, successors, assigns, heirs, executors and administrators from any Claims that JEA may have, or in the future may possess, arising out of (x) Service Provider's employment relationship with and service as a director, employee, officer or manager of JEA, and the termination of such relationship or service, or (y) any event, condition, circumstance or obligation that occurred, existed or arose on or prior to the date hereof; provided, however, that the release set forth in this Section 1.3 shall not apply to any Claims which cannot be released under applicable law.

# Proposed Compensation Adjustments

#### Market Positioning Based on Proposed Pay Adjustments

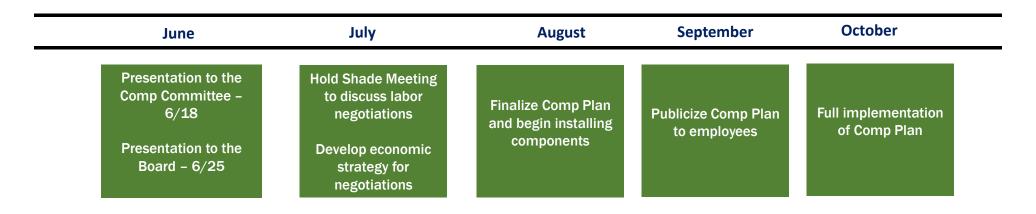

- The following exhibit summarizes the competitive position of JEA pay based on the target bonus % and LTI % adjustments needed to align pay with market median
  - All levels approximate or exceed the market median for target TDC, thereby aligning with the Board's articulated competitive compensation positioning
    - Proposed target bonus % and LTI % for executives bring target TDC to market competitive levels; therefore, material base salary adjustments are not required
    - Bargaining Unit variance exceeds market median target TDC due primarily to variances that are calculated based off of step structure base salaries

# **Evolution of JEA's Compensation Program**

## Timeline of Goals and Major Changes

- Conducted competitive cash compensation analysis for approximately 200 Appointed positions, as well as a benefits assessment
- While total cash compensation levels were generally below market, benefit programs were generally above market (retirement plan significantly above market)
- JEA re-instituted a short-term incentive plan where all employees were eligible to receive an award (re-instated for FY12)
- Conducted competitive market analysis, which showed JEA remained below market but had an improved competitive positioning
- Updated 2013 analysis, which showed that competitive positioning continued to improve
- Effective beginning FY18, the defined benefit plan was closed to new hires. All new hires will participate in the new defined contribution plan
- Competitive market positioning continues to improve JEA value creation
- JEA Board's objective is to create and implement a short-term and longterm incentive plan where all employees are eligible to receive an award based on individual and organization performance

#### Introduction

- JEA re-instated a broad-based short-term incentive plan several years ago, both to address competitive pay levels, as well as to reinforce specific messages related to performance expectations
- The following pages summarize market practices related to short-term incentive plan design
  - As appropriate, JEA may consider these practices as they continue to evolve their incentive plan design
  - Key design features covered include eligibility, target award opportunities, payout ranges, bonus pool funding, performance measures and performance range
- The market practices information has been summarized from survey research, as well as our consulting experiences

## **Short-Term Incentive Plan Practices Eligibility**

- Eligibility for short-term incentive plans is typically broad for both the Utility and General Industries, with prevalence actually higher in the Utility Industry (particularly at the lower job levels)
- Over 60% of organizations in the industry extend eligibility to the lower exempt and nonexempt roles
  - Lower roles may not have an expressed target opportunity, but they may be part of a "sharing program" based on organizational performance
  - In some cases, overall funding and participation at lower levels may be discretionary

### Target Incentive Award Opportunities

- Target incentive opportunities typically increase with job level, and are relatively similar in both the Utility and General Industries
- Note that we have recommended STI targets as part of our analysis to "close the gap" between market and JEA's desired competitive positioning

Target Incentive Award Opportunities – By Job Level

Entry-Mid Level Professionals			
Senior Level Professionals

Managers

### Payout Ranges

- Payout ranges reflect the total award opportunity as a percentage of the target award, and represent the minimum award opportunity if threshold performance is achieved, and the maximum opportunity if maximum performance is achieved
- Payout ranges are typically 50% of target at threshold performance and 200% of target at maximum performance
- In most cases (and based on the specific performance standards), organizations will interpolate actual performance between threshold, target and maximum to provide appropriate incentive to improve performance at every possible increment
- Note that it is important to calibrate the payout range with the performance range to ensure that the awards are aligned with the probability of achievement

#### **Bonus Pool Funding**

- There are two primary approaches to determine bonus pool funding:
  - 1. <u>Sum-of-targets</u>: specific target opportunities are defined (typically by role or grade) and the sum of these targets determines the bonus "pool" (the aggregated award which would be generated at target performance)
  - 2. <u>Financial results-based formula</u>: typically a financially-driven formula (e.g., bonus pool equals 10% of profits above a specific threshold)
- The sum-of-targets approach is typically the most common in both the Utility and General Industries
  - Prevalence for financial results-based formulas increases slightly for broad-based plans that are separate from executive plans because there is often a greater requirement that they be selffunding
- Particularly for sum-of-target plans, circuit breakers are a common design feature
  - A circuit breaker represents a single performance measure (typically a financial measure) that must be reached before any incentive award is paid regardless of performance in other measures
  - In other words, if the circuit breaker financial performance isn't achieved, it shuts down the entire plan regardless of performance on other performance measures
  - Note that a financial circuit breaker may be set at levels below threshold levels for payout
- Another design feature is a modifier, which can be used to adjust the initial funding up or down based on another important measure (e.g. determine pool based on financial performance, and then modify by operational or customer performance measures)

#### Performance Measures

- Performance measures send an important message about what an organization must achieve, and how individual employees can contribute to those objectives
- We consider it a best practice to have a portfolio of performance measures to balance expectations across financial, operational and customer service categories
  - However, in order to ensure appropriate focus, we typically see 4-6 performance measures, with each measure having at least a 10% weight
- It is typical for organizations in both the Utility and General Industries to include at least one profit or income measure, with <u>profit / operating income</u> being the most common in both industries
- For non-financial performance measures, <u>environmental health and safety</u>, as well as <u>operating / strategic measures</u> are the most common in the Utility Industry
- Individual performance measures are also common in the Utility and General Industries
  - These measures help create line-of-sight to broader corporate measures

#### Performance Range

- Performance ranges reflect the minimum acceptable performance as a percentage of target performance, and the maximum performance recognized as a percentage of target performance
- Narrow performance ranges are typically used for measures where results are not expected to vary significantly from target (e.g., revenues)
- Wider performance ranges are typically used for measures where performance can fluctuate significantly year to year (e.g., profitability)
- In the Utility Industry, performance ranges for profitability at minimum is typically set to be 90% of target and for maximum is typically set to be 115% of target
- An important consideration in establishing the performance range is the probability of achievement
  - A best practice is to set threshold performance goals where the probability of achievement is 80-90% to ensure appropriate motivation
  - Similarly, probability of achievement for target performance should be 50-60% and 10-20% for maximum performance
  - As noted earlier, it is important to calibrate the performance range with the payout range

## **Proposed Compensation Adjustments**

### Competitive Pay Gaps to Market by Pay Element

- The table below summarizes the current gaps to market for JEA's population (excluding the M&C roles due to lack of incumbent data) by each pay element:
  - JEA's base salary, target TCC, and target TDC show variances comparing incumbent pay to market for the Appointed population
  - Bargaining Units' pay elements and JEA target bonus % are based off of pay structures (many of the Bargaining Units are in step structures)
- Gaps to market exist at target bonus % and long-term incentive %, particularly for the executives and directors, which lead to higher variances to market at target TCC and target TDC

## **Proposed Compensation Adjustments**

### Proposed Base Salary, Target Bonus and Long-Term Incentive Adjustments

- Base Salary: assess individual competitive position to market; for individual positions well below market, JEA could bring positions to within the competitive range of the market median within two to three years, assuming performance expectations are being met
- Target Bonus % and LTI % (as % of salary): the table below summarize JEA's current average target bonus and LTI incentive opportunities and proposed target values
  - The incentive targets below are intended to close the gap to market for target total direct compensation within the first year in order to align with the Board's compensation philosophy
  - <u>Note</u>: when material gaps to market exist, typical market practice is to make <u>incremental</u> adjustments over a multiyear period (2 to 3 years) to close the gap to market. Company performance, cost considerations and stakeholder optics will influence the level of pay adjustment and the timeframe over which pay is brought to market

  - Target Bonus Cost: \$2.4M based off current incumbent base salaries
  - LTI Cost: \$3.4M based off current incumbent base salaries for performance unit award (total cost of \$4.6M if time-based unit award is included)

## **Proposed Compensation Adjustments**

## Market Positioning Based on Proposed Pay Adjustments

- The following exhibit summarizes the competitive position of JEA pay based on the target bonus % and LTI % adjustments needed to align pay with market median
  - All levels approximate or exceed the market median for target TDC, thereby aligning with the Board's articulated competitive compensation positioning
    - Proposed target bonus % and LTI % for executives bring target TDC to market competitive levels; therefore, material base salary adjustments are not required
    - Bargaining Unit variance exceeds market median target TDC due primarily to variances that are calculated based off of step structure base salaries

#### **RESOLUTION 2019-10 EXHIBIT 1**

The Long-Term Performance Plan Summary

#### **RESOLUTION 2019-10 EXHIBIT 1**

#### **Long-Term Performance Plan Summary**

Overview	Subject to the satisfaction of the conditions described below, each eligible employee may purchase a specified number of performance units from JEA on January 15th of each year. Eligible employees will be notified in and will execute the Long-Term Performance Unit Plan Agreement in Q4 of calendar year 2019 that they may purchase performance units and the first purchase date will be January 15, 2020.  Each performance unit represents a potential right to receive a cash payment equal to the redemption price (as described below) for such unit.
Documentation	All eligible employees will be subject to a plan and will be required to sign an agreement with JEA.
Eligible Employees	All (i) full-time employees who are actively employed with JEA for at least three months prior to the purchase date and (ii) full-time attorneys from the Office of the General Counsel of the City of Jacksonville who are dedicated exclusively to JEA for at least three months prior to the purchase date are eligible to purchase performance units.
	Any exceptions to the above must be recommended by JEA's CEO and approved by the administrator (as described below).
Pool	A total of 100,000 performance units are available for purchase under the plan.
	Each performance unit will have a purchase price of \$10.00.
Purchase Price Payment	To pay the purchase price, an eligible employee will elect to defer a portion of his or her pay equal to the aggregate purchase price for the performance units.
	Each eligible employee may elect to defer his or her pay in a lump sum or equal installments during the payroll periods as selected by such employee and such employee's pay will be deferred at such time as such pay would otherwise have been paid but not for the deferral election.
	An eligible employee will elect to defer in the calendar year prior to the year in which the compensation is earned.
Performance Period	Each performance period will be a three-year period that is used to calculate the redemption price (if a Recapitalization Event occurs, the performance period will be truncated and will end on the closing date of such Recapitalization Event).

An eligible employee will receive a cash payment equal to the redemption price for each performance unit that such employee purchases. The redemption price will include the purchase price paid by an eligible employee for such unit.

The redemption price will increase by \$100.00 per performance unit for each Value Change Percentage increase of 1% in excess of the "Challenge Value Target" and will decrease by \$0.50 per performance unit for each "Value Change Percentage" decrease of 1% below the Threshold Value Target, but the redemption price will not be less than \$0.00 per performance unit.

- The "Challenge Value Target" will be 110% for the first performance period and the "Threshold Value Target" will be 90% for the first performance period.
- The "Value Change Percentage" means a percentage equal to the "Current Year Value" divided by the "Base Year Value."
- "Current Year Value" means, with respect to each performance period, the sum of (i) JEA's Net Position, as shown on JEA's audited financial statements for such performance period, (ii) the aggregate consideration paid, distributed, credited or otherwise provided to the City of Jacksonville whether in cash or in-kind (excluding any public service taxes or franchise fees) during the 12-month period prior to the end of the performance period, and (iii) the aggregate consideration (including refunds, rebates and distributions) paid, distributed, credited or otherwise provided to JEA's customers during the 12-month period prior to the end of the performance period. Any consideration and change in Net Position, as applicable, in connection with the Recapitalization Event will be taken into account for purposes of calculating the amounts in (i) (iii).
- For the first performance period, "Base Year Value" is the amount equal to the Current Year Value for fiscal year 2019 as reflected on JEA's audited financial statements when available.

JEA's Chief Financial Officer will calculate the redemption price.

The administrator will certify the redemption price as soon as practicable following the completion of JEA's audit for the applicable performance period, but in no event later than 30 days thereafter (or, if a Recapitalization Event occurs, no later than 30 days following the closing date of such Recapitalization Event).

#### **Redemption Price**

	,
Payments and Vesting Generally	The performance units will vest on the earlier to occur of (i) the first anniversary of the last day of the performance period and (ii) the date on which a Recapitalization Event occurs (the "Vesting Date"). Except as otherwise described herein, an eligible employee must be employed on the Vesting Date for the performance units to vest.  Payments will be paid to an eligible employee no later than 30 days after the redemption price has been certified by the administrator as described
	above.
Termination of Employment	If an eligible employee experiences an involuntary termination of employment (as described below) prior to the applicable Vesting Date, such employee will receive a payment in respect of all of his performance units. Any amounts payable to a terminated eligible employee in respect of his performance units will be paid to such employee at the same time as the amounts would have been paid had there been no termination of employment.
	An involuntary termination means a termination of employment by JEA without cause or due to the eligible employee's death or disability.
	An eligible employee will forfeit his performance units and aggregate purchase price on a termination of employment that is not involuntary.
Retirement Eligible Employees	If an eligible employee becomes a retirement eligible employee (as described below) and retires, in each case, prior to the applicable Vesting Date, such employee's performance units will vest on the applicable Vesting Date.
	An eligible employee is retirement eligible if such employee has attained one of the retirement milestones as described in the General Employees Retirement Plan.
Recapitalization Event	"Recapitalization Event" means the closing and funding of a transaction or a series of related transactions in accordance with Article 21 of the Charter of the City of Jacksonville and any other applicable law that results in either (i) unencumbered cash proceeds to the City of Jacksonville of at least Three Billion Dollars (\$3,000,000,000) or (ii) at least 50% of the net depreciated property, plant and equipment value of either JEA's electric system or JEA's water and wastewater system being transferred, assigned, sold or otherwise disposed of.
Conditions to Receipt	An eligible employee will receive the cash payment in respect of his performance units if: (i) he executes an agreement; (ii) the employee is continuously employment with JEA (except as set forth above); (iii) the employee executes and does not revoke a release of claims in favor of JEA and the City of Jacksonville; (iv) the employee complies with the covenants set forth below; and (v) the conditions in Section 215.425(3), Florida Statutes are satisfied.

Employee Covenants	Each eligible employee must (i) devote his best efforts to faithfully discharge his duties on behalf of JEA and not take any action that would be contrary to the best interests of JEA, (ii) not disclose confidential JEA information (except as required by applicable law or to perform his job duties) or (iii) not make any unauthorized public statements about, among others, JEA and government officials of the City of Jacksonville.  If an eligible employee breaches or threatens to breach these covenants, such employee will forfeit his unvested performance units and JEA will not pay to such employee any amount in respect of his performance units (including any purchase price paid by such employee for the performance units) and/or such employee will promptly repay all or any portion of the cash payment previously paid to him in respect of his performance units, as applicable.
Administrator	The Chair of the Compensation Committee will be the administrator.
Miscellaneous	Any payments made to an eligible employee will be paid less applicable withholding taxes.  The plan and agreements will be subject to Sections 409A and 457(f) of the Internal Revenue Code (the "Code") and will be construed and interpreted accordingly.  The agreements will be governed by the laws of the State of Florida and subject to arbitration in Duval County in the State of Florida.  If or as required, JEA will collectively bargain the plan and applicable agreements with unions representing covered bargaining unit employees of JEA.  If any payments under the plan or an agreement to an eligible employee are subject to any excise tax, interest or penalties under the Code (the "Penalties"), JEA will pay to such employee an amount equal to the full amount of the Penalties. JEA will not pay to an eligible employee any amount in respect of Penalties caused by such employee's breach of his or her agreement or such employee's failure to comply with applicable law.
