

MANAGEMENT DIRECTIVE:

800

TITLE:

ENVIRONMENTAL SERVICES

ORIGINATION DATE:

REVISED: June 10, 2005

POLICY STATEMENT: JEA is committed to the goal of continually improving the environmental performance of our facilities and operations. JEA will also demonstrate environmental leadership by promoting conservation and pollution prevention programs and undertaking specific initiatives that exceed the requirements of targeted environmental laws and regulations.

ASSIGNMENT OF RESPONSIBILITY: The Vice President, Environmental Services is responsible for the preparation and revision of this Management Directive. All appointed directors, managers, staff and employees are responsible for carrying out this directive and any associated policies and procedures.

SIGNATURE: James A. Dickenson
Managing Director, Chief Executive Officer

EFFECTIVE DATE: June 10, 2005
