

## RESPONSIBLE BIDDERS CATEGORIES (RBL)

RBL No.	Category Title	3 References Required in Qualifying Job size (\$) Amount
<b>CS1-A-B-C-D</b>	<b>See Additional Requirements for Wireless Communication Work on this web page.</b>	\$100,000.00
<b>CS1-A</b>	<b>Tower Foundation Work</b>	\$100,000.00
<b>CS1-B</b>	<b>Tower Erection/Maintenance Work</b>	\$100,000.00
<b>CS1-C</b>	<b>Antenna Work</b>	\$100,000.00
<b>CS1-D</b>	<b>Communications Electrical Work</b>	\$100,000.00
<b>CS</b>	<b>Communication System Work</b>	
<b>CS2</b>	Data networks equipment, including fiber optics equipment installation, maintenance & repair	\$25,000.00
<b>CS3</b>	Fiber optics cable installation	\$10,000.00
<b>CS5</b>	Voice and data equipment installation, construction, maintenance and repair	\$5,000.00
<b>EG</b>	<b>Electrical Grid Work</b>	
<b>EG1</b>	Electrical secondary service installations	\$25,000.00
<b>EG2</b>	OH Distribution construction - up to 45KV (Energized & De-energized)	\$100,000.00
<b>EG4</b>	OH Transmission construction up to 500KV (Energized)	\$1,000,000.00
<b>EG5</b>	OH Transmission construction up to 500KV (De-energized)	\$1,000,000.00
<b>EG6</b>	Underground distribution construction up to 45KV	\$100,000.00
<b>EG7</b>	Underground Transmission construction - Direct Buried Cable	\$3,000,000.00
<b>EG8</b>	Underground Transmission construction - High Pressure Oil Filled Cable	\$3,000,000.00
<b>FL</b>	<b>Fleet Services</b>	
<b>FL1</b>	Vehicles and mobile equipment	\$1,000.00
<b>FL2</b>	Fleet services	\$10,000.00
<b>GC</b>	<b>General Construction Work</b>	
<b>GC0</b>	General Construction	\$100,000.00
<b>GC1</b>	Asbestos removal & re-insulation	\$100,000.00
<b>GC2</b>	Demolition services - building & equipment	\$1,000,000.00
<b>GC3</b>	Dredging	\$50,000.00
<b>GC4</b>	Fire protection equipment installation, maintenance and repair	\$10,000.00
<b>GC6</b>	General painting	\$500.00
<b>GC7</b>	Glasswork	\$500.00
<b>GC8</b>	Hazardous materials cleanup services	\$10,000.00
<b>GC9</b>	HVAC system installation, maintenance and repair (include control systems)	\$10,000.00
<b>GC10</b>	Industrial non-hazardous site cleanup services	\$1,000.00
<b>GC11</b>	Line locate services / Wire testing	\$1,000.00
<b>GC12</b>	Marine construction	\$10,000.00
<b>GC13</b>	Masonry construction	\$150,000.00
<b>GC14</b>	Metal fabrication, installation and repair	\$100,000.00
<b>GC15</b>	Railcar maintenance and repair	\$10,000.00
<b>GC16</b>	Railroad siding installation, maintenance and repair	\$10,000.00
<b>GC17</b>	Rigging and scaffolding erection	\$10,000.00
<b>GC18</b>	Roofing	\$1,000.00
<b>GC</b>	<b>General Construction Work (continued)</b>	
<b>GC19</b>	Scaffolding rental including delivery and pickup	\$1,000.00
<b>GC23</b>	Waterproofing	\$1,000.00
<b>GC24</b>	Wood construction	\$100,000.00
<b>GC25</b>	Locksmith & master key services	\$500.00
<b>GC26</b>	Plumbing construction	\$1,000.00
<b>LB</b>	<b>Labor &amp; Misc Services</b>	
<b>LB2</b>	Security equipment, installation and monitoring services	\$5,000.00
<b>LB3</b>	Security officer services	\$10,000.00
<b>PF</b>	<b>General Plant &amp; Facility Work</b>	
<b>PF1</b>	Building and equipment insulation installation and repairs	\$100,000.00
<b>PF2</b>	Combustion engine installation, maintenance & repairs	\$1,000.00
<b>PF3</b>	Elevator installation, maintenance and repair	\$25,000.00
<b>PP</b>	<b>Power Plant Work</b>	

<b>PP1</b>	Boiler, auxiliary equipment, refractory, insulation, and lagging, installation, maintenance & repair	\$500,000.00
<b>PP5</b>	Plant piping system & mechanical equipment installation, maintenance & repair	\$500,000.00
<b>PP6</b>	Plant Electrical Systems (230 and 460 volt systems)	\$50,000.00
<b>PP7</b>	Circulating fluidized bed boiler maintenance and repair	\$500,000.00
<b>SB1</b>	<b>See Additional Requirements for Substation Construction on this web page</b>	\$1,000,000.00
<b>SB1</b>	Substation construction - up to 500KV	\$1,000,000.00
<b>SW</b>	<b>Site Work</b>	
<b>SW1</b>	Asphalt paving and restoration	\$150,000.00
<b>SW2</b>	Concrete paving and restoration	\$5,000.00
<b>SW5</b>	Specialty landscaping	\$1,200.00
<b>SW8</b>	Well drilling	\$600,000.00
<b>WM</b>	<b>Water &amp; Sewer Main Work</b>	
<b>WM3</b>	Water & sewer main construction underground trench	\$1,000,000.00
<b>WM5</b>	Line Rehabilitation	\$1,000,000.00
<b>WP</b>	<b>Water &amp; Sewer Plant Work</b>	
<b>WP1</b>	Pump station installation, construction, maintenance & repair	\$1,000,000.00
<b>WP2</b>	Water & sewer plant systems installation, construction, maintenance & repair	\$1,000,000.00
