**PERFORMANCE BOND**

**KNOW ALL MEN BY THESE PRESENTS**, that \_\_\_\_\_, as Principal, (hereinafter called "Contractor"), and \_\_\_\_\_, a corporation organized and existing under the laws of the State of \_\_\_\_\_ and duly authorized to conduct and carry on a general surety business in the State of Florida, as Surety (hereinafter called "Surety"), are each held and firmly bonded unto JEA, a body politic and corporate, in Duval County, Florida, as Obligee (hereinafter called "JEA"), in the sum of \_\_\_\_\_ and 00/100 Dollars (\$\_\_\_\_\_.), lawful money of the United States of America, for the payment whereof Contractor and Surety bind themselves, their respective heirs, executors, administrators, legal representatives, successors and assigns, jointly and severally, firmly by these presents.

**WHEREAS**, Contractor has by written agreement dated the \_\_\_\_ day of \_\_\_\_\_, 20\_\_, entered into a contract with JEA (Contract # \_\_\_\_\_) for "**Solicitation Name**" pursuant to IFB #\_\_\_\_\_; all of said work to be done in the time and manner and in strict accordance with any advertisement for bids for said work and done in strict compliance with the drawings, plans and specifications for said work and requirements of JEA proposal and award therefor and of the contract and all documents included as a part of the contract (hereinafter referred to collectively as the "Contract"), all of which are, by this reference, made a part hereof to the same extent as if fully set out herein.

**NOW, THEREFORE, THE CONDITION OF THIS OBLIGATION** is such that, if Contractor shall: (1) provide JEA with a certified copy of the recorded bond before commencing the work (or before recommencing the work after a default or abandonment; and (2) promptly and faithfully perform the construction work and other work in the time and manner prescribed in said Contract, which is made a part of this Bond, by reference, in strict compliance with the Contract requirements; and (3) perform the guarantee and maintenance of all work and materials furnished under the Contract for the time specified in the Contract; and (4) pay JEA all losses, delay and disruption damages and all other damages, expenses, costs, statutory attorney's fees,

including appellate proceedings, that JEA sustains because of a default by Contractor under the Contract; then this Bond shall be void; otherwise it shall remain in full force and effect, both in equity and in law, in accordance with the laws and statutes of the State of Florida.

**PROVIDED**, that the Surety hereby waives notice of any alteration or extension of time made by JEA, and any changes in or under the Contract and compliance or noncompliance with any formalities connected with the Contract or the changes does not affect Surety's obligation under this bond.

**PROVIDED further**, that whenever Contractor shall be declared by JEA to be in default under the Contract, JEA having performed JEA's obligations thereunder, the Surety shall, at JEA's sole option, take one (1) of the following actions:

- (1) Within a reasonable time, but in no event later than thirty (30) days, from JEA's written notice of termination for default, arrange for Contractor with JEA's consent, which shall not be unreasonably withheld, to complete the Contract and the Surety shall pay JEA all losses, delay and disruption damages and all other damages, expenses, costs and statutory attorney's fees, including appellate proceedings, that JEA sustains because of a default by the Contractor under the Contract; or
- (2) (A) Within a reasonable time, but in no event longer than sixty (60) days after JEA's written notice of termination for default, award a contract to a completion contractor and issue notice to proceed. Surety shall obtain a bid or bids for completing the Contract in accordance with its terms and conditions, and upon determination by Surety of the lowest responsible qualified bidder, award a contract; (B) alternatively, JEA may elect, to have the Surety determine jointly with JEA the lowest responsible qualified bidder, to have the Surety arrange for a contract

between such bidder and JEA, and for the Surety to make available as Work progresses sufficient funds to pay the cost of completion less the balance of the Contract price (even though there should be a default or a succession of defaults under the contract or contracts of completion arranged under this paragraph). The term "balance of the Contract price," as used in this Bond, shall mean the total amount payable by JEA to Contractor under the Contract and any approved change orders thereto, less the amount properly paid by JEA to Contractor. (C) Either way, the Surety shall pay JEA all remaining losses, delay and disruption damages, expenses, costs, and statutory attorney's fees, including appellate proceedings, that JEA sustains because of a default by Contractor under the Contract; or

- (3) Within a reasonable time, but in no event later than thirty (30) days from JEA's notice of termination for default, waive its right to complete or arrange for completion of the Contract and, within twenty-one (21) days thereafter, determine the amount for which it may be liable to JEA and tender payment to JEA of any amount necessary in order for JEA to complete performance of the Contract in accordance with its terms and conditions less the balance of the Contract price, and shall also indemnify and save JEA harmless on account of all claims and damages arising from the Contractor's default under the Contract, and pay JEA for all losses, delay and disruption damages and other damages, expenses, costs and statutory attorney's fees, including appellate proceedings, that JEA sustains because of a default of the Contractor under the Contract.

**PROVIDED further**, the Surety shall indemnify and save JEA harmless from any and all claims and damages, arising from the Contractor's default under the Contract

including, but not limited to, contractual damages, expenses, costs, injury, negligent default, or intentional default, patent infringement and actual damages (including delay and disruption damages) in accordance with the Contract, and including all other damages and assessments which may arise by virtue of failure of the product to perform or any defects in work or materials within a period of one (1) year from the date on which the Contractor receives from JEA a certificate of final completion under the Contract.

**PROVIDED further**, that during any interim period after JEA has declared Contractor to be in default but Surety has not yet remedied the default in the manner acceptable to JEA, Surety shall be responsible for securing and protecting the work site including, but not limited to, the physical premises, structures, fixtures, materials, and equipment, and shall be responsible for securing and protecting materials and equipment stored off-site in accordance with the Contract.

**PROVIDED further**, no right of action shall accrue on this Bond to or for the use of any person or corporation other than JEA named herein or the heirs, executors, administrators or successors of JEA.
