APPENDIX A: JEA FLEET SERVICES: GENERAL VEHICLE PURCHASE TECHNICAL SPECIFICATIONS

1. SCOPE

a. The purpose of this specification is to establish one or more contract(s) for purchase, repairs, modifications, and preventive maintenance and inspection units of units in attached Appendix A - Technical Specification.

b. The quantities on the Bid Form(s) are only estimates and are not guarantees of the amount of business to be transacted.

c. All dimensions specified will be considered minimum requirements unless otherwise stated.

d. When manufacturer names are given, vendor must state equivalent, if different, for approval by JEA Fleet Services.

e. All products and services will comply with applicable regulations and specifications including but not limited to Federal and State laws, OSHA regulations, DOT regulations, ANSI standards, and ASTM standards.

f. It is the policy of JEA to proactively comply with all applicable FERC, FRCC, NERC and Florida PSC rules and regulations relating to electric system reliability, electric system transmission operations and electric market rules.

2. DELIVERY OF UNITS: ALL UNITS WILL BE DELIVERED TO THE FOLLOWING SITE UNLESS OTHERWISE SPECIFIED IN APPENDIX A – TECHNICAL SPECIFICATIONS.

JEA Fleet Services
5717 New Kings Road
Jacksonville, Florida
32209-2126
