ADDENDUM NUMBER One (1)

TITLE: Pole Line Hardware for JEA Inventory Stock

JEA IFB NUMBER 036-18

BID DUE DATE: December 19, 2017

TIME OF RECEIPT: 12:00 PM

TIME OF OPENING: 2:00 PM

THIS ADDENDUM IS FOR THE PURPOSE OF MAKING THE FOLLOWING CHANGES OR CLARIFICATIONS:

1. The Bid Due Date has been changed from December 12, 2017 to December 19, 2017. The Time of Receipt and Time of Opening will remain the same.
2. JEA has received questions concerning changes of approved manufacturers and/or part numbers. These will be addressed in Addendum 2 along with a Revised Bid Workbook.
3. Questions Received and JEA's Responses:
 1. During the Pre bid meeting on Nov 28th, it was mentioned that there would be another worksheet released, adding some manufacturers. Because of time constraints, will these be highlighted on the spreadsheet so we can quickly identify the changes? **Yes, there is a new workbook coming out early next week. The items changed will be highlighted.**
 2. Is it possible to add more than one manufacturer for a quotation of a particular item? **No**
 3. I want to make sure we understood this correct per each bucket. Please see below hypothetical examples.
 - a. Ex: 100 items were in bucket "A" and distributor 1 quotes 75 of 100 items. If 50 items are deemed "common items and distributor 1 wins the "common items" based on low price, does distributor 1 get awarded all 75 ea quoted from bucket "A" and the 25 ea not quoted get "cherry picked"? **Yes, Distributor 1 is awarded the 75 quoted. The 25 not quoted will be awarded individually or in groups, whichever is in the best interest of JEA.**
 - b. Ex: 100 items were in bucket "B" and distributor 2 quotes 100 of 100 items. If 30 items are deemed "common items and distributor 2 wins the "common items" based on low price, does distributor 2 get awarded all 100 ea quoted from bucket "B"? **Correct, if in the best interest of JEA.**

Acknowledge receipt of this addendum on the Response Form (Appendix A).
