5. JEA is answering the following questions:

Question:

The spec doesn't directly or indirectly mention or describe pipe bursting Ductile Iron Pipe. Is the bidder to assume that all cost associated for this is to be covered in existing line items provided? Will JEA consider adding a DIP adder line item

Answer:

JEA will include a DIP incremental cost item. Please see 061-19 Addendum 6 Appendix B - Workbook

Question:

The spec mentions that the contractor must install an electro fused coupling (Star) inside the manhole. Is this correct?

Answer:

Yes.

Question:

Will the Owner please confirm the maximum mark-up % allowed to be added by the Contractor when using the Owner's existing asphalt subcontractor?

Answer:

10%

Question:

Will the Owner please confirm that dewatering, bypass pumping, & traffic control activities on all roads even FDOT should be included in the bursting unit pricing

Answer:

Confirmed.

Question:

Can JEA please confirm that if a joint venture submits an offer, may one of the joint venture's satisfy the minimum experience requirement?

Answer:

If submitting as a joint venture, the experience requirements will apply to the joint venture, i.e., the work must have been performed as a joint venture in order to meet the minimum qualifications.
