This Section shall in no way limit JEA's right to all remedies for nonperformance provided under law or in equity. Further, the rights and remedies available to JEA are distinct, separate and cumulative remedies, and no one of them, whether or not exercised by a party, shall be deemed to be in exclusion of any other.

In the event of termination for nonperformance, the Company shall immediately surrender all Work records to JEA. In such a case, JEA may set off any money owed to the Company against any liabilities resulting from the Company's nonperformance.

JEA has no responsibility whatsoever to issue to the Company notices of any kind, including but not limited to deficient performance letters and scorecards, regarding its performance prior to declaring an event of Default for performance related issues.

If the Company is declared to be in default, JEA may charge the expenses of completing the Work to the Company and may deduct such expenses from monies due, or which at any time thereafter may become due, to the Company. If such expenses are more than the sum that would otherwise have been payable under the Contract, then the Company shall pay the amount of such excess to JEA upon receipt of notice of the expenses from JEA. JEA shall not be required to obtain the lowest price for completing the Work, but may make such expenditures that, in its sole

judgment, shall best accomplish completion of the Work. JEA will, however, make reasonable efforts to mitigate the costs of completing the Work.
