ADDENDUM NUMBER: Four (4)

TITLE: ITN 130-19 FUEL TANK CLEANING, TREATMENT, AND TESTING SERVICES

BID DUE DATE: September 17, 2019

TIME OF RECEIPT: 12:00 PM EST

THIS ADDENDUM IS FOR THE PURPOSE OF MAKING THE FOLLOWING CHANGES OR CLARIFICATIONS:

1. **Question:** Will JEA accept the same suite of tests that has been historically provided or will the entire suite of tests in the SOW of the current ITN be required?

Answer: The testing requirements detailed in the technical specifications are what shall be required by JEA for pricing for these services. JEA has the option to reduce the amount or alter based off of the current operational environment, however the tests included in the technical specifications would be the most we will require. The prices included on the Response Workbook shall be for the lab tests included as specified in Appendix A - Technical Specifications.
