2. **Revise and Replace Addendum 1 - 1411887847 Solicitation ITN Facilities Landscaping Maintenance - Open Market with Addendum 2 - 1411887847 Solicitation ITN Facilities Landscaping Maintenance - Open Market.** Revised Scope of Work to update count from “approximately 2100 JEA Facilities” to “approximately 1990 JEA Facilities.”

3. **Revise and Replace 1411887847 Appendix A - Technical Specifications Landscaping with Addendum 2 - 1411887847 Appendix A - Technical Specifications Landscaping.** Revised Scope to update count from “approximately 2100 JEA Facilities” to “approximately 1990 JEA Facilities.”
Added section 3.15: JEA reserves the right to request before and after images of sites. This would typically be requested by the JEA contract administrator if a site requires remediation or has a particular area of concern. If requested, the Contractor must provide a set of images during their next cut/spray for that location.
