225 North Pearl Street
Jacksonville, Florida 32202

December 18, 2024

ADDENDUM NUMBER: One (1)

TITLE: IFB District II (Cedar Bay) WRF New Plant Entrance Construction - 1411900647

RESPONSE DUE DATE: January 21, 2025

TIME OF RECEIPT: 12:00 PM EST

THIS ADDENDUM IS FOR THE PURPOSE OF MAKING THE FOLLOWING CHANGES OR CLARIFICATIONS:

1. JEA has revised the Mandatory pre-response meeting and Mandatory site visit meeting to be Optional.
2. **Question:** We are a General Contractor with a General Contractors License. Under the Minimal qualification it states, All Bidder shall have a valid State of Florida Civil Contractor's license number. I see most who have been invited are also General Contractors. Does this meet the Minimum Qualification to bid? If this doesn't meet your minimum requirements, does listing our subcontractors Civil Contractors Number meet the qualifications to bid? We would like to know this before moving forward.

Answer: General Contractors can bid, but the General Contractor and their sub-contractors will have to provide a valid State of Florida Civil Contractor's license number if awarded.
