THIS ADDENDUM IS FOR THE PURPOSE OF MAKING THE FOLLOWING CHANGES OR CLARIFICATIONS:

1. CHANGE – JEA is extending the bid due date:

- JEA will extend the Solicitation closing date by one (1) week from February 11th, 2025 to February 18th, 2025 in order to address all questions received from Respondents.

2. QUESTIONS - JEA is answering the following questions:

- **Question:** Page 6/66, Section 1.17) Payment and Performance Bond Amount and Requirements reads “The Payment and Performance Bond requirements may be less than the full Contract amount.” Is the performance and payment bond requirement 100% of the full contract amount?

Answer: The use of the word “may” in the Solicitation is to imply the possibility exists, and is general language used in many of JEA’s construction Solicitations; however, for this specific project, the requirement is 100%. Please refer to document titled “*1411906646 Appendix B - Bid Form*” included in the Solicitation packet to verify the performance and payment bond requirement.

- **Question:** Seeking clarification on the required amounts/percentages to be provided on the bid bond form. Specifically, the last 2 blank spaces on the bottom section of page 1 of 2 on the bid bond form. “... furnish a Section 255.05 Florida Statutes Contract Bond in the amount equal to ____ for the performance of said contract” and “... furnishes a Section 255.05 Florida Statutes Contract Bond in the amount equal to ____ satisfactory to the JEA”. Please provide clarification on the bonding requirements to properly complete the bid bond form acceptable to the JEA.

Answer: The first line refers to the “Bid Security Requirements” section located on the *1411906646 Appendix B - Bid Form*. For this Solicitation, the requirement is a certified check or bond in the amount of five (5) percent. Respondents may enter “5% of Bid Amount” in that space on the Bid Bond Form. The second line refers to the “Section 255.05, Florida Statutes Contract Bond” section on the same form. The requirement selected is “Bond required 100% of Bid Award.” Respondents may enter “100% of Award Amount” in the second and also final line of the Bid Bond form.
