3. JEA is providing the document titled **1411912646 Addendum 2 Appendix B - Response Forms** for clarification and correction of information on originally solicited form titled 1411912646 Appendix B - Response Forms.
 - "TERM OF CONTRACT" was updated to (3) Three Years to match the solicitation.
 - "SECTION 1.3.3 PAST PERFORMANCE/ EXPERIENCE EVALUATION" was updated to match the corresponding section of the solicitation.
4. JEA is providing responses to the following questions:
 - **Question:** Clarification on item #7A: Will the unit price for the night time flagger include a light tower?
 - **Response:** The respondent will need to provide their own light tower and may include the price for a light tower in their unit price if necessary; the light tower may not be invoiced as an additional line item.

- **Question:** Clarification for item #8: Will the unit price require water to be included in the price and how long will the water wall remain on rent? (It's unit of measure which does not provide a duration).
 - **Response:** The unit price will require the vendor to fill up the water walls. There is no duration on the rental, because the emergency repair projects vary in duration.
