Questions:

1. **Question:** Do we have an anticipated start date on the contract deliverables? Is there an anticipated agenda/schedule for the post award?

Answer: As soon as the contract is fully executed, we will begin sending out RFPs and material orders. The bidder needs to understand that the material list is an estimated quantity spread over a five-year contract lifespan.

2. **Question:** Is this project for a particular facility or multiple projects? We would like to schedule an in-person walk-through if that is possible.

Answer: This is a multi-year and multi-facility contract. Each RFP issued against the contract will have provisions to perform a walk through of the site and it is highly recommended that the contractors perform a pre-project walk prior to responding to their RFP.

3. **Question:** The Appendix B states bonds not required. Does that cover both Bid and Performance Bonds?

Answer: Neither a bid bond nor a payment and performance bond is required.
