

Procurement Department Bid Section

April 24, 2025

ADDENDUM NUMBER: ONE (1)

TITLE: 1411971847 (IFB) Miller/Caldwell Solar Interconnect Pre-Fab Control House

PROPOSAL DUE DATE: May 06, 2025

TIME OF RECEIPT: 12:00 PM EST

THIS ADDENDUM IS FOR THE PURPOSE OF MAKING THE FOLLOWING CHANGES OR CLARIFICATIONS:

1. **Question:** Are you looking for a vendor to supply just the precast building shell with the door, delivered and set on your prepared pad?

Answer: The specification calls for the prefabricated enclosure to include all of the identified equipment contained within Section 3.3 of the specification.

2. **Question:** Are there preliminary layouts/BOM for the relay panels?

Answer: Appendix A of the Specification shows the relay panel layout and Section 3.3.20 in the spec lists the relays/quantities required.

3. **Question:** Will JEA take exception to the 15 and 5 year warranties?

Answer: TBD, Under Internal Review

4. **Question:** Will JEA take exception to the design milestones timeline for 30% and 60%?

Answer: TBD, Under Internal Review

ACKNOWLEDGE RECEIPT OF THIS ADDENDUM ON THE PROPOSAL FORM.
