RESPONSE DUE DATE: August 5, 2025

TIME OF RECEIPT: 12:00 PM EST

THIS ADDENDUM IS FOR THE PURPOSE OF MAKING THE FOLLOWING CHANGES OR CLARIFICATIONS:

- 1. Question:** How you would like us to bid the handful of line items located under the Addendum 2; Appendix B; Group 5 attachment for those line items that would include more than one specific sized piece of rental equipment.

An example would be the diesel generator and welder categories as these line items would encompass several sized machines in each requested range. Any feedback to help us clarify the expectation would be most appreciated.

Answer: For each line item in Addendum 2 - 1412002450 Appendix B - Response Workbook Vehicle & Equipment Rentals that includes multiple sizes of rental equipment, please provide the pricing for the most cost-effective size within the specified range.
