**THIS ADDENDUM IS FOR THE PURPOSE OF MAKING THE FOLLOWING CHANGES OR CLARIFICATIONS:**

1. **Question-** I noticed on your equipment list that the Vac trucks are on this list also. I thought those units were going to be separate since we already quoted them on the previous Vac Bid estimate back in February to PM the chassis & Vac system. Unless this bid is for repairing the chassis only.

**Answer-** The Vac trucks were included to cover services that may be required for the cab and chassis of these units to help minimize asset downtime.
