TITLE: 1412142447 (ITN) Fire Resistant Clothing FY27-FY29

PROPOSAL DUE DATE: April 24, 2026

TIME OF RECEIPT: 12:00 PM EST

THIS ADDENDUM IS FOR THE PURPOSE OF MAKING THE FOLLOWING CHANGES OR CLARIFICATIONS:

1. **Question:** How many employees are using an online portal versus a local retail store.

Answer: Looking at the spend amounts from FY23 to FY25 it is about a 70% local to 30% online split.

2. **Question:** How many suppliers will be awarded?

Answer: Up to four (4).

3. **Question:** How many employees will be ordering?

Answer: Minimum 150 but up to 260.

4. **Question:** The solicitation indicates that employees must be fitted prior to order placement. Could you please clarify the expectations in situations where only one or two employees require fitting? Specifically, is the vendor expected to provide on-site fitting for such small groups, or are alternative approaches acceptable in these cases, taking into consideration scheduling efficiency and logistical practicality?

Answer: For local vendors we can send them to the establishment / for online vendors that is what the "sample kit" is for so no unnecessary trips are needed for on off occasions.

5. **Question:** Are there any color restrictions for these clothes?

Answer: We do allow for individuality so solid colors and plaid are acceptable.
