Short-list Process (Optional)

JEA may select Respondents (the "Short-list") with which to commence presentations. A selection committee (hereinafter referred to as the "Selection Committee"), will be appointed by the Chief Procurement Officer (the "CPO"), or their designee, to review, evaluate, and rank each Response submitted.

JEA will use the ranking to develop the Short-list of companies in which to proceed with presentations if applicable. If JEA determines the previously stated criteria have not been met, JEA will finalize the Short-list and proceed with presentations.

Presentations and Additional Clarifications (Optional)

A Respondent that is included on the Short-list may be required, at the sole option of JEA, to make an oral presentation, provide additional written clarifications to its Response, or JEA may require site visits to Respondent's

While evaluating Responses, JEA may request clarification or additional information from the Respondent about any item in its Response. Such requests will be sent consistent with the protocols outlined in this Solicitation and the Respondent must provide a response back to JEA within five (5) business days unless otherwise specified by JEA, or JEA, at its sole discretion, may deem the Respondent to be non-responsive and either suspend or terminate further evaluation of its Responses.

The prices quoted by Respondent on the Response Form must be firm-fixed prices, not estimates. The low bid will receive the maximum 70 points and the amount of that bid will be the basis for awarding points to all other bids based on the following formula:

Other bidders' points = 70 * (Low Bidder/Bidder).

For Example: Bid #1 = \$100, Bid #2 = \$125

Bid #1 is low bid and will receive 70 points. Bid #2 will receive 56 points ($70 \times (100/125)$)

1.20) Lead-time

The basis for awarding points to all other bids based on the following formula:

- Delivery prior to November 30, 2029 shall be awarded 15 Points
- Delivery after November 30, 2029, but before February 28, 2030 shall be awarded 10 Points
- Delivery after February 28, 2030 shall be awarded 0 Points

Pricing is based on the USD non-adjusting. Milestone payments are aligned well with the percentage of work completed and no less than 50% is upon final acceptance.

Example of Unsatisfactory: No information provided and references are unable to be reached.

JEA may contact the references provided by Respondent to determine the reference's satisfaction with the Respondent's performance with similar projects.

The Commissioning and Testing Plan shall set forth the procedures, sequence, schedule, responsibilities, and acceptance criteria for commissioning and testing of the Equipment, consistent with the requirements of this Contract and the Technical Specifications. Upon receipt of the proposed plan, Company and JEA shall work together in good faith to finalize the Commissioning and Testing Plan. Upon completion of Installation by JEA (or its representative), JEA shall complete initial fills and perform commissioning and testing of the Equipment in accordance with the Commissioning and Testing Plan, as may be updated from time to time by mutual written agreement of the Parties. The Company shall provide technical advisors to oversee such commissioning and testing as further described in the Technical Specifications.

2.9.3 Final Completion

When Company believes that it has achieved the requirements of Final Completion, it will provide a certificate to JEA, along with supporting documentation and test data sufficient for JEA to verify that such requirements have been achieved. JEA shall review such certificate and supporting documentation and either Accept or reject Company's certificate. If JEA Accepts Company's certificate, the date that Company submitted the certificate Accepted by JEA will be the Final Completion Date. If JEA rejects such certificate, the Company will take such actions as may be required to correct the reasons for such rejection and resubmit its certificate. This process will be repeated until JEA Accepts the Company's certificate.

2.9.4 Acceptance

Following the achievement of Final Completion, Company will complete any punchlist items.

2.10) JEA Changes.

JEA shall have the right, at any time, to request Changes to this Contract that JEA may deem desirable. Any such change must be agreed by both JEA and Company and any resulting adjustments to any affected provisions, including price, schedule, and guarantees mutually agreed in writing through a Change Order prior to implementation of the change.

2.11) Warranty

2.11.1 Work Warranty.

The Company warrants the Work furnished under the Contract (referred to herein as "**Parts**" and/or "**Services**") to JEA as follows: (i) the Parts shall comply with the Contract Documents, including the Technical Specifications, and shall be free from defects in design, material, workmanship and title, and (ii) the Services shall be performed in a safe, competent, diligent manner, all in conformance with the Contract Documents.

The warranty period for Parts and Services shall be five (5) years from Final Completion or sixty-six (66) months from delivery, whichever occurs first; provided that any delay in achieving Final Completion beyond the Final Completion Date for reasons attributable to the Company will extend the delivery warranty period above on a day-for-day basis.

In addition, as part of the warranty, the Company warrants that the Parts and Services shall conform to all applicable standards and regulations promulgated by federal, state, local laws and regulations, standards boards, organizations of the Department of State, and adopted industry association standards. If the Parts or Services fail to conform to such laws, rules, standards and regulations, JEA may return the Parts for correction or replacement at the Company's expense, or return the Parts at the Company's expense and cancel the Contract.

2.11.2 Warranty Remedies

If the Work does not meet the above warranties within the applicable warranty period, JEA shall promptly notify Company. Company shall thereupon (i) at Company's option, repair or replace the defective Parts or (ii) re-perform the defective Services. If in Company's reasonable judgment the Services cannot be re-performed, Company shall refund or credit monies paid by JEA for that portion of Services that do not meet the above warranties. Any repair, replacement or reperformance by Company hereunder shall carry warranties on the same terms as described herein, except that the warranty period shall be (a) the remaining balance of the original warranty period, or (b) a period of 12 months from the date of such repair, replacement or reperformance, whichever period ends later. In any event, the warranty period and Company's responsibilities set forth herein for such repair, replacement or reperformance shall end no later than 12 months after expiration of the applicable original warranty period. JEA shall bear the costs of access (including removal and replacement of systems, structures or other parts of JEA's facility), de-installation, decontamination, re-installation and transportation unless such access (including removal and replacement of systems, structures or other parts of JEA's facility), de-installation, decontamination, re-installation and transportation was included in the Work.

These warranties and remedies are conditioned upon: (a) proper storage, installation, operation, and maintenance of the Parts and conformance with the proper operation instruction manuals provided by Company; (b) JEA keeping reasonable records of operation and maintenance during the warranty period and providing Company access to those records, and (c) modification or repair of the Parts or Services only as authorized by Company. Company does not warrant the Parts or any repaired Parts against normal wear and tear or damage caused by misuse, accident, or use against the advice of Company. Any modification or repair of any of the Parts or Services not authorized by Company shall render the warranty null and void.

2.11.3 Exclusive Remedies

This Section provides the exclusive remedies for all warranty claims based on failure of or defect in Parts or Services, whether the failure or defect arises before or during the applicable warranty period. The warranties provided in this Section are exclusive and are in lieu of all other warranties and guarantees whether written, oral, implied or statutory. NO IMPLIED STATUTORY WARRANTY OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE APPLIES.

2.12) Mutual Indemnification

Notwithstanding any other term or condition of this Contract, JEA's indemnification obligation shall be for tort claims only, subject to the provisions and limitations of returns Section 768.28, Florida Statutes.

In the event such damage or injury is caused by the joint or concurrent negligence of JEA and/or the Company, the loss or expense shall be borne by each party in proportion to its degree of negligence in accordance with Section 768.31 of the Florida Statutes, the Uniform Contribution Among Tortfeasors Act and subject to the Limitations of Liability defined within this section.

In the case of any claim for which a party is seeking indemnification hereunder, the party seeking indemnification will provide the other reasonable notice of any such claim.

Access to Public Records

Article I, Section 24, Florida Constitution, guarantees every person access to all public records and Chapter 119, Florida Statutes, provides a broad definition of public records. JEA is subject to these laws and related statutes ("Florida's Public Records Laws"). The Company shall allow public access to all documents, data and other records made or received by the Company in connection with the Contract unless the records are exempt from Section 249(a) of Article I of the Florida Constitution or subsection 119.07(1), Florida Statutes. JEA may unilaterally terminate the Contract if the Company refuses to allow public access as required under the Contract.

Redacted copies of Confidential Information.

The Redacted Copy shall contain JEA's contract name and number, and shall be clearly titled "Redacted Copy". If a Requestor asserts a right to any redacted information, JEA will notify the Company that such an assertion has been made. It is the Company's responsibility to respond to the requestor to assert that the information in questions is exempt from disclosure under applicable law. If JEA becomes subject to a demand for discovery or disclosure of the redacted information under legal process, JEA shall give the Company prompt notice of the demand prior to releasing the redacted information (unless otherwise prohibited by applicable law). The Company shall be responsible for defending its determination that the redacted portions of the information are not subject to disclosure.

Indemnification for Redacted Information.

The Company shall protect, defend, and indemnify JEA from and against all claims, demands, actions, suits, damages, liabilities, losses, settlements, judgments, costs, and expenses (including but not limited to reasonable attorney's fees and costs) arising from or relating to the Company's assertion that all or any portion of its information is not subject to disclosure.

Public Records Clause for Service Contracts.

If, under the Contract, the Company is providing services and is acting on behalf of JEA as contemplated by subsection 119.011(2), Florida Statutes, the Company shall:

1. Keep and maintain public records that ordinarily and necessarily would be required by JEA in order to perform service;
2. Provide the public with access to public records on the same terms and conditions that JEA would provide the records and at a cost that does not exceed the cost provided in Chapter 119, Florida Statutes, or otherwise prohibited by law;
3. Ensure that public records that are exempt or confidential and exempt from public records disclosure requirements are not disclosed except as authorized by law; and
4. Meet all requirements for retaining public records and transfer, at no cost, to JEA all public records in possession of the Company upon termination of the contract and destroy any duplicate public records that are exempt or confidential and exempt from public records disclosure requirements. In the event of a suspension of Work, the Company shall resume performance of the Work when and to the extent directed in writing to do so by JEA. During any period of service suspension, the Company shall not take any action to intentionally erase any JEA data or its customers.

Suspension of Work shall not affect any other rights or remedies JEA may have under this Solicitation and the Contract.

2.18) Liquidated Damages

Liquidated Damages may, at JEA's sole discretion, be deducted from any monies held by JEA that are otherwise payable to Company. The Company's responsibility for Liquidated Damages shall in no way relieve the Company of any other obligations under the Contract.

2.19) Force Majeure

Neither party shall be liable for any default or delay in the performance of its obligations under the Contract due to an event or circumstance to the extent that: (a) the non-performing party is without fault in causing such default or delay; (b) such default or delay could not have been prevented by reasonable precautions; and (c) such default or delay could not have been reasonably circumvented by the non-performing Party through the use of alternate sources, work-around plans or other means. Such causes include, but are not limited to: act of civil or military authority (including but not limited to courts or administrative agencies); acts of God; war; terrorist attacks; riot; insurrection; inability of JEA to secure approval, validation or sale of bonds; inability of JEA or the Company to obtain any required permits, licenses or zoning; blockades; embargoes; sabotage; epidemics; pandemics; outbreaks of communicable disease; quarantines; fires; hurricanes, tornados, floods; other natural disasters; or strikes that are not directed solely against the affected party or its subcontractors.

In the event of any delay resulting from such causes, the time for performance of each of the parties hereunder (including the payment of monies if such event actually prevents payment) shall be extended for a period of time reasonably necessary to overcome the effect of such delay, except as provided for elsewhere in the Contract Documents.

In the event of any delay or nonperformance resulting from such causes, the party affected shall promptly notify the other in writing of the nature, cause, date of commencement and the anticipated impact of such delay or nonperformance. Such written notice shall indicate the extent to which it is anticipated that any delivery or completion dates will be thereby affected within seven calendar days.

2.20) Term of Contract

The Contract shall commence on the effective date of the Contract and continue and remain in full force and effect as to all its terms, conditions and provisions as set forth herein for through the end of the warranty period.

The Contract shall be contingent upon the existence of lawfully appropriated funds for the Contract. Certain provisions of the Contract may extend past termination including, but not limited to, Warranty and Indemnification provisions.

2.21) Termination for Default

JEA may terminate the Contract for default upon written notice to the Company if any of the following occurs (each, an "Event of Default"):

1. The Company assigns or subcontracts the Work without JEA's prior written consent;
2. Any petition is filed or any proceeding is commenced by or against the Company for relief under any bankruptcy or insolvency laws;
3. A receiver is appointed for the Company's properties or the Company commits any act of insolvency (however evidenced);
4. The Company makes an assignment for the benefit of creditors;
5. The Company suspends the operation of a substantial portion of its business;
6. The Company suspends the whole or any part of the Work to the extent that it impacts the Company's ability to meet the schedule for the Work, or the Company abandons the whole or any part of the Work;
7. The Company breaches or fails to comply with any of the conditions or provisions of the Contract Documents, and, if such breach or failure is capable of cure, Company does not cure the breach or failure within thirty (30) days after receipt of written notice from JEA;
8. The Company attempts to willfully impose upon JEA items or workmanship that are, in JEA's sole opinion, defective or of unacceptable quality;
9. The Company has been placed on the list maintained under Section 287.135, Florida Statutes, of companies with activities in Sudan or in Iran Petroleum Energy Sector;
10. The Company is determined, in JEA's sole opinion, to have misrepresented the utilization of funds or misappropriated property belonging to JEA; or
11. Any material adverse change in the financial or business condition of the Company.
12. The Company reaches the aggregate liquidated damages cap set forth in this Contract.

If, within thirty (30) days after service of such notice to discontinue or notice to cure upon the Company, an arrangement satisfactory to JEA has not been made by the Company for continuance of the Work or the material breach has not been remedied, JEA may declare the Company to be in default and terminate the Contract.

This Section shall in no way limit JEA's right to all remedies for nonperformance provided under law or in equity. Further, the rights and remedies available to JEA are distinct, separate and cumulative remedies, and no one of them, whether or not exercised by a party, shall be deemed to be in exclusion of any other.

In the event of termination for nonperformance, the Company shall immediately surrender all Work records to JEA. In such a case, JEA may set off any money owed to the Company against any liabilities resulting from the Company's nonperformance.

JEA has no responsibility whatsoever to issue to the Company notices of any kind, including but not limited to deficient performance letters and scorecards, regarding its performance prior to declaring an event of Default for performance related issues.

If the Company is declared to be in default, JEA may charge the expenses of completing the Work to the Company and may deduct such expenses from monies due, or which at any time thereafter may become due, to the Company. If such expenses are more than the sum that would otherwise have been payable under the Contract, then the Company shall pay the amount of such excess to JEA upon receipt of notice of the expenses from JEA. JEA shall not be required to obtain the lowest price for completing the Work, but may make such expenditures that, in its sole judgment, shall best accomplish completion of the Work. JEA will, however, make reasonable efforts to mitigate the costs of completing the Work.

If, after an Event of Default, it is determined that an Event of Default did not occur, or that the default was excusable, the rights and obligations of the parties shall be the same as if JEA had terminated the Contract for convenience.

2.22) Termination for Convenience

JEA shall have the absolute right to terminate the Contract, in whole or part, with or without cause, at any time upon written notification to the Company of such termination.

In the event of termination for convenience, JEA will pay the Company for all disbursements and expenses that the Company has incurred prior to the termination date.

Upon receipt of such notice of termination, the Company shall stop the performance of the Work except as may be necessary to carry out a termination and take any other action toward termination of the Work that JEA may reasonably request, including all reasonable efforts to provide for a prompt and efficient transition as directed by JEA.

JEA shall have no liability to the Company for any cause whatsoever arising out of, or in connection with, termination including, but not limited to, lost profits, lost opportunities, or any resulting change in business condition.

2.23) Actions Upon Termination

Immediately upon termination or expiration of this Contracts, Company must return to JEA all materials, documents and things used by Company and belonging to JEA, including proposals, computer files, borrower files, building keys, and any other property or information regarding continued business compliance or goodwill, whether in electronic or hard-copy form, or upon JEA's request, the Company shall secure the disposal of all JEA data.

Furthermore, upon JEA's request, Company shall certify in writing that all of the foregoing documents or materials, including archival or backup copies, whether in electronic or hard-copy form, have been returned to JEA, deleted from any computer system, or otherwise destroyed.

2.24) Self Help

Within five (5) business days after being notified by JEA in writing of defective work, unacceptable work or failure to perform any portion of the work required by this Contract, if the Company fails to correct such work or perform such work, JEA may cause the unacceptable or defective work to be corrected or perform the work. If JEA undertakes to correct the work or perform the services, JEA shall be entitled to set off against and deduct from any monies due, or which may become due to the Company, the reasonable cost incurred by JEA. If the corrective work or services cannot reasonably be completed within such five (5) business day period, and the Company immediately begins corrective work or services, and JEA reasonably determines that the Company is diligently pursuing completion of such corrective work or services, JEA agrees to allow the Company to complete correction of the defective or unacceptable work or perform services within a reasonable period of time.

If the Company fails to reimburse monies due to a Subcontractor in accordance with the timelines provided in the Florida Prompt Payment Act, after determining the Company's negligence, JEA reserves the right to reimburse the subcontractor and set off against and withhold such monies from payments due to the Company.

All costs and expenses incurred by JEA pursuant to this Section shall be deducted by JEA from monies due, or which may become due, to the Company for performance of the work or services and its obligations herein.

This provision is cumulative to all other provisions of the Contract and it is not intended that any deductions in payment taken pursuant to this Section shall diminish or waive JEA's right to declare the Company in default in accordance with applicable provisions of the Contract or to exercise any other right or remedy available to JEA.

2.25) Company Representative

The individual responsible for representing the Company in all activities concerning the fulfillment and administration of the Contract.

2.26) Company Review of Project Requirements

The Company shall review all requirements and specifications prior to commencing Work. The Company represents that its total Contract Price and the schedule for the execution of the Work are based on its own knowledge and judgment of the conditions and hazards involved, and not upon any representation of JEA. JEA assumes no responsibility for any understanding or representation made by any of its representatives during or prior to execution

of the Contract unless such understandings or representations are expressly stated in the Contract and the Contract expressly provides that JEA assumes the responsibility.

The Company shall immediately notify the Project Manager in writing of any conflict with applicable law, or any error, inconsistency or omission it may discover. JEA will promptly review the alleged conflicts, errors, inconsistencies or omissions, and issue a Change Order or Contract Amendment as appropriate if JEA is in agreement with the alleged conflict, and issue revised specifications. Any Work the Company performs prior to receipt of approved Change Order will be at the Company's sole risk.

2.27) Coordination of Services Provided by JEA

The JEA Project Manager, or other designated JEA Representative, will, on behalf of JEA, coordinate with the Company and administer the Contract. It shall be the responsibility of the Company to coordinate all assignment related activities with the designated JEA Representative. A JEA Representative will be assigned to perform day-to-day administration and liaison functions, and to make available to the Company appropriate personnel, to the extent practical, and to furnish records and available data necessary to conduct the Work. The JEA Representative will also authorize the Company to perform work under the Contract.

2.28) Vendor Performance Evaluations

Use of Vendor Performance Evaluation Scorecards

JEA may evaluate the Company's performance using the Vendor Performance Scorecard templates which are available online at jea.com. However, JEA is not required to use scorecards to terminate a contract.

When evaluating the Company's performance, JEA will consider the performance of the Company's Subcontractors and suppliers, as part of the Company's performance.

Vendors are scored on a scale from 1 to 5:

- 5 - Far Exceeds Expectations
- 4 - Exceeds Expectations
- 3 - Meets Expectations
- 2 - Below Expectations
- 1 - Far Below Expectations

The Scorecard averages all the scores for each criterion. If a Vendor scores a 3 or higher, they are considered to at least Meet Expectations.

Frequency of Evaluations

JEA may conduct performance evaluations and prepare scorecards at any time during performance of the Work or soon after the completion of the Work. JEA may conduct one or more evaluations determined solely at the discretion of JEA.

Scoring -Meets Expectations

JEA expects the Company's performance to be at a minimum evaluated as "Meets Expectations".

Scoring - Below Expectations

If at any time, JEA determines, using the criteria described on the scorecard, that the performance of the Company is Below Expectations or Far Below Expectations, the Project Manager may first meet with the Company and issue a deadline for the Company to be back in compliance with the Contract.

If the Company fails to achieve Contract compliance, the Chief Procurement Officer or her designated alternate may meet with the Company to review the scorecard and/or send a Notice to Cure letter to the Company describing the deficient performance. The Company shall respond as requested and shall also include in its response a statement of the timeframes and specific actions that the Company will take to bring the Company's performance up to at least Meets Expectations.

The Company's performance may again be evaluated by the JEA Project Manager and if the Company is evaluated as at least Meets Expectations, no further remedial action is required by the Company, as long as Company's performance continues to be at Meets Expectations.

If the scorecard shows the Company's performance is Below Expectations or Far Below Expectations, JEA will take such actions as it deems appropriate including, but not limited to, terminating the Contract for breach, suspending the Company from bidding on any JEA related solicitations, invoking the Self Help clause, and other remedies available in the JEA Procurement Code and in law. Such action does not relieve the Company of its obligations under the Contract, nor does it preclude an earlier termination.

In the event that the Contract Term or the remaining Term of the Contract does not allow for the completion of the deficient performance notification cycles described above for those in danger of receiving a Below Expectations scorecard, JEA may choose to slow down or accelerate these cycles at its sole discretion.

If the Company receives five or more letters of performance deficiency within any 12-month period, then JEA will consider suspending the Company's JEA bidding privileges.

Disputes

In the event that the Company wants to dispute the results of its scorecard performance evaluation, the Company must submit a letter to the Chief Procurement Officer supplying supplemental information that it believes JEA failed to take into account when preparing the scorecard. Such letter, along with supplemental information, must be submitted no later than 10 days following the Company's receipt of the scorecard. If the Chief Procurement Officer decides to change the scorecard, the Company will be notified and a revised scorecard will be prepared, with a copy issued to the Company. If the Chief Procurement Officer decides that no change is warranted, the decision of the Chief Procurement Officer is final.

Public Records

There can be no expectation of confidentiality of performance-related data is subject to disclosure pursuant to Florida Public Records Laws. All scorecards are the property of JEA.

2.29) JEA Access Badges

If the Work requires an individual to access JEA's facilities or properties, the Project Manager or other JEA Representative will determine whether or not such individual must have a JEA access badge prior to accessing JEA facilities or properties. This determination will be made based upon the business need and in accordance with JEA's applicable security policies and procedures. In no event shall individuals share JEA access badges.

Individuals issued an access badge must adhere to all of JEA's security badge usage policies and procedures. Violation of the provisions of this Section or any of JEA's security policies may result in immediate termination of the Contract.

In particular, JEA shall be notified within 24 hours of a lost or stolen JEA access badge or when an individual leaves the Company or any subcontractor. The Company will bear any costs associated with issuance, and production, of any lost or stolen JEA access badge. The Company is required to report all badge loss, or termination, notifications to the JEA Representative and JEA Security. JEA Security can be contacted at (904) 665-8200 and security@jea.com. Failure to make the reports required in this paragraph may result in significant regulatory fines and penalties. The Company shall be responsible for all such costs and JEA shall have the right to immediately terminate the Contract.

The provisions in this Section shall apply to Company's Subcontractors and agents performing any of the Work and shall be included in Company's contracts with its Subcontractors for any part of the Work.

2.30) Background Checks and Other Security Policies

In the event Company personnel or contractors are required to perform work at a JEA facility, the Company, at its expense, shall conduct appropriate background checks and screen each individual who will provide services to JEA as a part of the Work or who will have access to JEA's computer systems, either through on-site or remote access. The minimum background screening process shall include, but not be limited to, the following checks:

- I. Social Security Number (SSN) Trace;
- II. Criminal Records (County and State Criminal Felony and Misdemeanor, National Criminal Database, Federal Criminal);

IV. Background checks which may be required pursuant to applicable background screening policies adopted by JEA from time to time.

The background screening must be conducted prior to the employee providing any services or performing any Work for JEA. JEA has the right to require more regular background checks and has the right to require that the Company provide background check results to JEA. JEA shall have the right to audit the Company's background check process to ensure compliance with JEA standards. If, at any time, the Company discovers that an individual providing services to JEA as a part of the Work has a criminal record that includes a felony or misdemeanor, the Company shall immediately inform JEA and JEA will assess the circumstances surrounding the conviction, time frame, nature, gravity and relevancy of the conviction to the job duties. JEA, in its sole discretion, shall determine whether the individual will be placed on, or terminated from, a JEA assignment. Additionally, all individuals providing services to JEA shall have the responsibility to self-disclose any misdemeanor or felony conviction that occurs while assigned to JEA within three business days of the conviction. If the Company learns of any such conviction, the Company shall notify JEA immediately. The Company shall comply with all applicable laws and regulations governing the conduct of background checks, including but not limited to the Fair Credit Reporting Act (FCRA). Failure of the Company to comply with the terms of this paragraph may result in immediate termination of its contract with JEA.

2.31) JEA Critical Infrastructure Protection (CIP)

Pursuant to federal regulations, JEA is required to implement Critical Infrastructure Protection (CIP) and comply with NERC/FERC reliability standards for identified assets (collectively the "Assets"). Assets include both physical and cyber Assets that are essential for JEA to maintain the integrity of the bulk electric system. Therefore, the Company must ensure that all individuals that have access to any Assets meet all requirements of JEA, including, but not limited to the background screenings required by this Contract, prior to the individual performing any services for JEA. The specific Assets an individual will access will determine the specific JEA training and criminal background check that will be required before an employee will be approved to perform services for JEA. The Company will be responsible for all labor costs associated with completion of the training. The provisions of this Section and the immediately preceding section shall apply to all of the Company's Subcontractors and agents, and shall be included in Company's contracts with its Subcontractors for any part of the Work. JEA reserves the right to modify these terms if the applicable regulations change or additional regulations become applicable. JEA will provide sufficient notice in advance for Company to comply with JEA's requirements related to the updated regulations.

If applicable for all or any part of the Work, Company must also be able to certify and demonstrate to JEA's satisfaction that Company is able to comply with JEA's supply chain cyber security risk management plan and the requirements of NERC Reliability Standard NERC CIP-013, including, but not limited to CIP-013 R1. Company must demonstrate that Company has, in JEA's sole discretion, appropriate cyber security processes, including, but not limited to, addressing the following:

1. Notification by Company to JEA, within 12 hours or sooner, of any Company personnel, who have been terminated, retired or ceased working on JEA projects.

Proof of enrollment and participation must be provided to the JEA Representative upon request.

2.34) Intellectual Property

The Company shall retain all right, title and interest in its patents, copyrights, trademarks, trade secrets and know-how and any other intellectual property rights ("Intellectual Property") in all materials and information, owned, created, and developed by Company even if embodied with the Work. With respect to written or documentary material provided to JEA as part of the Work, the Company grants to JEA an irrevocable, perpetual, royalty free and fully paid-up right to use (and such right includes, without limitation, a right to copy, modify and create derivative works from the subject matter of the grant of the right to sublicense all, or any portion of, the foregoing rights to an affiliate or a third party service provider) the Company's Intellectual Property that is contained or embedded in, required for the use of, that was used in the production of or is required for the operation, maintenance, installation, retirement, disposal or repair or continued operation of the Work. The Company will, at its expense, hold harmless, indemnify and defend JEA from and against all liability or loss, including but not limited to any and all claims, actions, judgments, proceedings, based on any allegation that the Work, or any part of the Work, constitutes an infringement of any Intellectual Property right, and will pay to JEA all costs, damages, charges, and expenses, including court costs and attorneys' fees incurred, occasioned to JEA by reason thereof. JEA will give the Company written notice of any such claim, action or proceeding and, at the request and expense of the Company, JEA will provide the Company with available information, assistance and authority for the defense.

If a temporary restraining order or preliminary injunction is granted, or in any action or proceeding, the Work, or any part thereof, is held to constitute an infringement, the Company will, within thirty (30) days of notice, provide a satisfactory bond or otherwise, to secure the suspension of such restraining order or temporary injunction, and either secure for JEA the right to continue using the Work or will, at the Company's expense, replace the infringing items with non-infringing Work or make modifications as necessary so that the Work no longer infringes, but remains compliant with the requirements of this Contract.

The Company will obtain and pay for all Intellectual Property royalties and license fees required in respect of the Work.
