THIS ADDENDUM IS FOR THE PURPOSE OF MAKING THE FOLLOWING CHANGES OR CLARIFICATIONS:

1. **Change-** The Response Due Date has been extended from Wednesday, June 11, 2025 to Wednesday, June 18, 2025. The Time of Receipt remains the same.
2. **Revise and replace 1411966647 Appendix B – Response Workbook with Addendum 5 – 1411966647 Appendix B – Response Workbook.**
3. **Question-** Can the current pricing be provided?

Answer- To follow on additional Addendum.

4. **Question-** How does the call out process work? My assumption is that you will have 2 or 3 contracts setup and it works from the lowest priced contractor to the next. Given the nature of the event, natural disaster or similar, this would be based on availability of resources that each contractor would have available to provide. Are there any minimums that the suppliers have to guarantee to be available or do you go through the process with each contractor to determine what units they have available to mobilize in?

Answer- Yes, as stated in Addendum 3 – 1411966647 RFQ Mobile Lodging, Restroom, and Shower Facilities section 1.9 JEA intends to Award up to three (3) Contracts. Also as stated in 1411966647 – Addendum 3 JEA intends to activate companies prioritizing lowest bid price. There are no minimum quantity guarantees required from the contractors. Instead, JEA will coordinate directly with each awarded contractor at the time of an event to determine what resources and units they have available to mobilize.
