THIS ADDENDUM IS FOR THE PURPOSE OF MAKING THE FOLLOWING CHANGES OR CLARIFICATIONS:

1. **Question:** Please confirm whether bidders are required to submit a unit price for each line item in order for their bid to be considered responsive.

Answer: JEA requires bidders to submit a unit price for each line item to ensure bids are responsive and comparable across categories. JEA allows “N/A” only where an item is not offered.

2. **Question:** Please confirm the annual allotment amount per employee.

Answer: This depends on the classification of the employee and subject to change annually. Most are line maintainers with an allotment of \$1100.

3. **Question:** Please provide JEA logo artwork to be used for embroidery.

Answer: Please see “1412142447 Addendum 1 – Appendix A – JEA Logo”

4. **Question:** Please confirm whether an items under this solicitation require screen printing. If so, please provide the required silk screen artwork in a clear color format.

Answer: No screen printing just embroidery with FR thread.

5. **Question:** Please confirm whether any items under this solicitation require patches. If so, please clarify whether the patches are to be furnished by the bidder or provided by JEA. If patches are required, please provide the applicable specifications, including size, backing method, and artwork.

Answer: No patches just embroidery with FR thread.

6. **Question:** When will samples need to be received and what address should they be shipped to?

Answer: Samples should be made available at site visits for those that missed the fittings and can be shipped after the fittings if not local to our Westside Service Center.

7. **Question:** How many different locations will need in person fittings? Aside from Southside and Westside, are there other locations that will require in person visits for fittings?

Answer: The fittings can be coordinated at just those 2 locations for all departments if not local.

8. **Question:** Are qualifying comments allowed with bids?

Answer: Qualifying comments are allowed in proposal.
