A business justification for upgrades noting such must be included in the travel pre-approval. Personal accident insurance purchased by the traveler will not be reimbursed by JEA.

A receipt of itemized rental car charges must be obtained and submitted with the travel reimbursement claim.

Lodging

- Communication expenses such as business telephone expenses and daily internet/wireless access to conduct JEA business or to inform family members or caretakers of travel delays.

(e) **Benefit of Reductions:** Should any Tariffs existing at the Effective Date, or imposed thereafter, be reduced or eliminated, resulting in a demonstrable decrease in the Contractor's costs for goods, materials, or equipment essential for the performance of this Agreement, the benefit of such reduction shall be passed through to JEA via an equitable downward adjustment to the relevant prices, rates, or charges, following a similar notification and verification process as outlined above.

(f) **Separate Line Item for Tariffs:** Unless otherwise negotiated, notwithstanding the inclusion of existing Tariffs in the agreed-upon prices as per Section title "Existing Tariffs", any Tariffs applicable to an invoice shall be listed as a separate line item on that invoice. This separate listing will clearly indicate the amount of the Tariff, allowing for its easy identification and potential removal or adjustment as agreed upon by the Parties pursuant to the Section titled "New or Changed Tariffs". The cost of the goods, materials, equipment, or services shall be listed separately from the Tariff amount.

2.51) Term of Contract

The Contract shall commence on the effective date of the Contract and continue and remain in full force and effect as to all its terms, conditions and provisions as set forth herein for one (1) year.

JEA may renew the Contract in its sole discretion for two additional one-year periods. Renewal options shall maintain the original pricing provided with the Response.

This Contract, after the initial year, shall be contingent upon the existence of lawfully appropriated funds for each subsequent year of the Contract.

2.52) Price Adjustment – Annual

Contract prices (also referred to as “Unit Prices”) for the Work will remain firm fixed through the first year of the Contract. Thereafter, the Company may request a Consumer Price Index (“CPI”) adjustment annually thereafter. Only the Unit Prices for labor and equipment will be subject to price adjustment.

Thirty (30) days prior to the Anniversary Date, the Company may request an increase or decrease of the Unit Prices by a percentage equal to the then applicable annual percentage change in the Consumer Price Index (CPI).

If the Company fails to request a CPI price adjustment within thirty (30) days in advance of the Anniversary Date, the Company or JEA will be denied the increase or decrease, and the Company will have to request the CPI adjustment again the following year in accordance with this clause.

When a timely CPI adjustment request is received or provided, JEA will adjust the Unit Prices based on the applicable annual percentage change in the CPI. Each annual price adjustment will be recognized no later than thirty (30) days after the Anniversary Date. No retroactive price adjustments will be allowed.

Price Adjustment shall be capped at 3% annually.

All requested price adjustments for the Contract shall be in accordance with the Consumer Price Index for All Urban Consumers: All Items (CPIAUCNS) - Not Seasonally Adjusted. The index used will be the unadjusted average mean percent change over the previous twelve (12) months beginning with the last published index month closest to the Anniversary Date compared to the prior twelve (12) month mean average using the published index. This index can be found at <https://fred.stlouisfed.org/series/CPIAUCNS> or <https://data.bls.gov/timeseries/CUUR0000SA0>.

JEA requests the Company to supply JEA with updated Unit Prices for its review and approval based upon the price adjustment methodology described herein.

In the event the applicable price index publication ceases, the Company and JEA shall mutually agree on a replacement price adjustment index. If the Company and JEA fail to agree on a replacement index, the Contract shall terminate for convenience on the next Anniversary Date. Additionally, should the applicable index deviate from market for the services or goods that are being provided, JEA in its sole discretion, may approve a request to change the applicable index and determine the method for the application of the price adjustment change.

It should be noted that in instances a monthly CPI level is not recorded, only the levels recorded during calendar twelve (12) month period is used; an average will be based on the monthly index levels recorded during the period of time. All Unit Pricing will be truncated at the nearest cent, percentages are truncated at the hundredth of a percent, all other numbers shall be truncated at the thousandth.

JEA also reserves the right to decrease the Unit Prices on the Anniversary Date if justified by the CPI.

Price Increase/Decrease Formula = ((Most recent 12 month BLS Index Average – Prior 12 month BLS Index Average)/ Prior 12 month BLS Index Average)) X 100 = Percent Change (%) (Truncated at the hundredth of a percent)
Example:

Contract Effective date of 1/22/2024 Contract Expiration Date 1/21/2029 Term: Five (5) Year Contract

Company would submit their price adjustment request to JEA by 12/21/2025 for the 2nd “Anniversary Date” which falls on 1/22/2026.

Price Adjustment Calculation Methodology: Using the CPI table below, the figures used to calculate the year two (2) price adjustment would be the prior 12 month BLS Index Average (i.e., the Mean Average of January 2024 through December 2024 CPI reported figures), which would then be compared to the most recent 12 month BLS Index Average (i.e., the Mean Average of January 2025 through December 2025 CPI figures) to determine the applicable percent price adjustment. The percent price adjustment will then be applied to each Unit Price.

Price Increase/Decrease Formula = ((Most Recent 12 month BLS Index Mean Average – Prior 12 month BLS Index Mean Average)/ Prior 12 month BLS Index Mean Average)) X 100 = Percent Change (%)

Applying above formula to this example:

Most Recent 12 Month BLS Index Average

(January 2025 – December 2025)

$(317.671 + 319.082 + 319.799 + 320.795 + 321.465 + 322.561 + 323.048 + 323.976 + 324.800 + 324.122 + 324.054)/11 = 321.943$

(Truncated at the Thousandth)

(11 periods were used in average due to October 2025 not being recorded)

Prior 12 month BLS Index Average

(January 2024 – December 2024)

$(308.417 + 310.326 + 312.332 + 313.548 + 314.069 + 314.175 + 314.540 + 314.796 + 315.301 + 315.664 + 315.493 + 315.605)/12 = 313.688$

(Truncated at the Thousandth)

Percent Change

$((321.943 - 313.689) / 313.689) \times 100 = 2.63\%$

(Truncated to Hundredths).

Item Pricing

Original Item price: \$4.89

New Unit Price Adjustment: $\$4.89 \times 2.63\% = \0.12 (Truncated to Nearest Cent) New Unit Price: $\$4.89 + \$0.12 = \$5.01$

All Contract Pricing would be increased by 2.63% effective on 2/21/2026.

2.53) Termination for Convenience

JEA shall have the absolute right to terminate the Contract, in whole or part, with or without cause, at any time upon written notification to the Company of such termination.

In the event of termination for convenience, JEA will pay the Company for all Work performed by the Company prior to the termination date.

Upon receipt of such notice of termination, the Company shall stop the performance of the Work except as may be necessary to carry out a termination and take any other action toward termination of the Work that JEA may reasonably request, including all reasonable efforts to provide for a prompt and efficient transition as directed by JEA.

JEA shall have no liability to the Company for any cause whatsoever arising out of, or in connection with, termination including, but not limited to, lost profits, lost opportunities, or any resulting change in business condition.

2.54) Termination for Default (No Bonds)

JEA may terminate the Contract for default upon written notice to the Company if any of the following occurs (each, an "Event of Default"):

1. The Company assigns or subcontracts the Work without JEA's prior written consent;
2. Any petition is filed or any proceeding is commenced by or against the Company for relief under any bankruptcy or insolvency laws;
3. A receiver is appointed for the Company's properties or the Company commits any act of insolvency (however evidenced);
4. The Company makes an assignment for the benefit of creditors;
5. The Company suspends the operation of a substantial portion of its business;
6. The Company suspends the whole or any part of the Work to the extent that it impacts the Company's ability to meet the schedule for the Work, or the Company abandons the whole or any part of the Work;
7. The Company breaches or fails to comply with any of the conditions or provisions of the Contract Documents, and, if such breach or failure is capable of cure, Company does not cure the breach or failure within 15 days after receipt of written notice from JEA;
8. The Company attempts to willfully impose upon JEA items or workmanship that are, in JEA's sole opinion, defective or of unacceptable quality;
9. The Company has been placed on the list maintained under Section 287.135, Florida Statutes, of companies with activities in Sudan or in Iran Petroleum Energy Sector;
10. The Company is determined, in JEA's sole opinion, to have misrepresented the utilization of funds or misappropriated property belonging to JEA; or
11. Any material adverse change in the financial or business condition of the Company.

If, within fifteen (15) days after service of such notice to discontinue or notice to cure upon the Company, an arrangement satisfactory to JEA has not been made by the Company for continuance of the Work or the material breach has not been remedied, JEA may declare the Company to be in default and terminate the Contract.

This Section shall in no way limit JEA's right to all remedies for nonperformance provided under law or in equity. Further, the rights and remedies available to JEA are distinct, separate and cumulative remedies, and no one of them, whether or not exercised by a party, shall be deemed to be in exclusion of any other.

In the event of termination for nonperformance, the Company shall immediately surrender all Work records to JEA. In such a case, JEA may set off any money owed to the Company against any liabilities resulting from the Company's nonperformance.

JEA has no responsibility whatsoever to issue to the Company notices of any kind, including but not limited to deficient performance letters and scorecards, regarding its performance prior to declaring an event of Default for performance related issues.

If the Company is declared to be in default, JEA may charge the expenses of completing the Work to the Company and may deduct such expenses from monies due, or which at any time thereafter may become due, to the Company. If such expenses are more than the sum that would otherwise have been payable under the Contract, then

the Company shall pay the amount of such excess to JEA upon receipt of notice of the expenses from JEA. JEA shall not be required to obtain the lowest price for completing the Work, but may make such expenditures that, in its sole judgment, shall best accomplish completion of the Work. JEA will, however, make reasonable efforts to mitigate the costs of completing the Work.

If, after an Event of Default, it is determined that an Event of Default did not occur, or that the default was excusable, the rights and obligations of the parties shall be the same as if JEA had terminated the Contract for convenience.

2.55) Actions After Termination

Immediately upon termination or expiration of this Contracts, Company must return to JEA all materials, documents and things used by Company and belonging to JEA, including proposals, computer files, borrower files, building keys, and any other property or information regarding continued business compliance or goodwill, whether in electronic or hard-copy form.

Furthermore, upon JEA's request, Company shall certify in writing that all of the foregoing documents or materials, including archival or backup copies, whether in electronic or hard-copy form, have been returned to JEA, deleted from any computer system, or otherwise destroyed.

2.56) Transition Services

At any time prior to the date the Contract expires or terminates for any reason (the "Termination Date"), JEA may request Company to provide reasonable transition assistance services ("Transition Assistance"). Company will provide such Transition Assistance until such time as JEA notifies the Company that JEA no longer requires such Transition Assistance, but in no event for more than 180 days following the Termination Date.

Transition Assistance shall mean any services, functions or responsibilities that are ordinarily or customarily provided to a purchaser to ensure that the services provided to that purchaser by a contractor are fully transitioned in a smooth and efficient manner to a new service contractor (either JEA itself or a third party contractor). Transition Assistance includes the development and implementation of a detailed transition plan. To the extent that Transition Assistance will involve third parties hired by JEA, those third parties shall cooperate with Company in its provision of Transition Assistance and sign any reasonable non-disclosure agreements required by Company.

Transition Assistance rendered before the Termination Date shall be provided at no additional cost to JEA. Transition Assistance rendered after the Termination Date shall be provided at the rates negotiated by the parties prior to the rendering of such service, which rates shall not exceed the standard market rates that Company charges to government entities for comparable services; provided however, that if JEA terminates the Contract because of a breach by Company, then (i) the Transition Assistance shall be provided at no cost to JEA, and (ii) JEA will be entitled to any other remedies available to it under law. Company may withhold Transition Assistance after the Termination Date if JEA does not provide reasonable assurance that the charges for such Transition Assistance will be paid to Company in accordance with the invoicing and payment provisions of the Contract.

2.57) Data Obligations at Termination or Suspension of Contract

In the event of the Contract expiration or termination, the Company shall implement an orderly return of JEA's data in a mutually agreeable format at a time agreed to by JEA and the Company, or upon JEA's request, the Company shall secure the disposal of all JEA data. During any period of service suspension, the Company shall not take any action to intentionally erase any JEA data or its customers. In the event of termination of any services or the Contract in its entirety, the Company shall not take any action intentionally to erase any data of JEA or its customers except as mutually agreed upon in writing by the Company and JEA. Upon JEA request, the Company shall securely dispose of all request data in all its forms.

2.58) Suspension of Work

JEA may suspend the performance of the Work, in whole or in part, by providing Company with five days' prior written notice of such suspension. In the event of a suspension of Work, the Company shall resume performance of the Work when and to the extent directed in writing to do so by JEA.

Suspension of Work shall not affect any other rights or remedies JEA may have under this Solicitation and the Contract.

2.59) Company Representatives

The Company shall provide JEA with the name and responsibilities of the Company Representative, in writing after Award of the Contract and before starting the Work under the Contract. Should the Company need to change the Company Representative, the Company shall promptly notify JEA in writing of the change.

2.60) Company Review of Project Requirements

The Company shall review all requirements and specifications prior to commencing Work. The Company represents that its total Response Price and the schedule for the execution of the Work are based on its own knowledge and judgment of the conditions and hazards involved, and not upon any representation of JEA. JEA assumes no responsibility for any understanding or representation made by any of its representatives during or prior to execution of the Contract unless such understandings or representations are expressly stated in the Contract and the Contract expressly provides that JEA assumes the responsibility.

The Company shall immediately notify the Project Manager in writing of any conflict with applicable law, or any error, inconsistency or omission it may discover. JEA will promptly review the alleged conflicts, errors, inconsistencies or omissions, and issue a Change Order or Contract Amendment as appropriate if JEA is in agreement with the alleged conflict, and issue revised specifications. Any Work the Company performs prior to receipt of approved Change Order will be at the Company's sole risk.

2.61) Coordination of Services Provided by JEA

The JEA Project Manager, or other designated JEA Representative, will, on behalf of JEA, coordinate with the Company and administer the Contract. It shall be the responsibility of the Company to coordinate all assignment related activities with the designated JEA Representative. A JEA Representative will be assigned to perform day-to-day administration and liaison functions, and to make available to the Company appropriate personnel, to the extent practical, and to furnish records and available data necessary to conduct the Work. The JEA Representative will also authorize the Company to perform work under the Contract.

2.62) Qualifications of Employees, Subcontractors, and Agents

All employees, subcontractors and agents of the Company performing work under the Contract shall be properly trained and qualified. Upon request, Company shall furnish a copy of a technical certification or other proof of qualification. All employees, subcontractors and agents performing work under the Contract must comply with all reasonable administrative requirements of JEA and with all controlling laws and regulations relevant to the services they are providing under the Contract.

The Company shall take all actions necessary to ensure that the Company's employees, subcontractors and agents are not considered employees of JEA. Such actions include, but are not limited to, ensuring that Company's employees, subcontractors and agents receive payment and any legally mandated insurance (e.g., workers' compensation and unemployment compensation) from an employer other than JEA.

2.63) JEA Access Badges

If the Work requires an individual to access JEA's facilities or properties, the Project Manager or other JEA Representative will determine whether or not such individual must have a JEA access badge prior to accessing JEA facilities or properties. This determination will be made based upon the business need and in accordance with JEA's applicable security policies and procedures. In no event shall individuals share JEA access badges.

Individuals issued an access badge must adhere to all of JEA's security badge usage policies and procedures. Violation of the provisions of this Section or any of JEA's security policies may result in immediate termination of the Contract.

In particular, JEA shall be notified within 24 hours of a lost or stolen JEA access badge or when an individual leaves the Company or any subcontractor. The Company will bear any costs associated with issuance, and production, of any lost or stolen JEA access badge. The Company is required to report all badge loss, or termination, notifications to the JEA Representative and JEA Security. JEA Security can be contacted at (904) 665-8200 and security@jea.com. Failure to make the reports required in this paragraph may result in significant regulatory fines and penalties. The Company shall be responsible for all such costs and JEA shall have the right to immediately terminate the Contract.

The provisions in this Section shall apply to Company's Subcontractors and agents performing any of the Work and shall be included in Company's contracts with its Subcontractors for any part of the Work.

2.64) Background Checks and Other Security Policies

The Company, at its expense, shall conduct appropriate background checks and screen each individual who will provide services to JEA as a part of the Work or who will have access to JEA's computer systems, either through on-site or remote access. The minimum background screening process shall include, but not be limited to, the following checks:

- Social Security Number (SSN) Trace;
- Criminal Records (County and State Criminal Felony and Misdemeanor, National Criminal Database, Federal Criminal);
- Background checks undertaken by JEA for its own employees who have duties similar to the duties of the Company's employee(s); and
- Background checks which may be required pursuant to applicable background screening policies adopted by JEA from time to time.

The background screening must be conducted prior to the employee providing any services or performing any Work for JEA. JEA has the right to require more regular background checks and has the right to require that the Company provide background check results to JEA. JEA shall have the right to audit the Company's background check process to ensure compliance with JEA standards. If, at any time, the Company discovers that an individual providing services to JEA as a part of the Work has a criminal record that includes a felony or misdemeanor, the Company shall immediately inform JEA and JEA will assess the circumstances surrounding the conviction, time frame, nature, gravity and relevancy of the conviction to the job duties. JEA, in its sole discretion, shall determine whether the individual will be placed on, or terminated from, a JEA assignment. Additionally, all individuals providing services to JEA shall have the responsibility to self-disclose any misdemeanor or felony conviction that occurs while assigned to JEA within three business days of the conviction. If the Company learns of any such conviction, the Company shall notify JEA immediately. The Company shall comply with all applicable laws and regulations governing the conduct of background checks, including but not limited to the Fair Credit Reporting Act (FCRA). Failure of the Company to comply with the terms of this paragraph may result in immediate termination of its contract with JEA.

2.65) JEA Critical Infrastructure Protection (CIP)

Pursuant to federal regulations, JEA is required to implement Critical Infrastructure Protection (CIP) and comply with NERC/FERC reliability standards for identified assets (collectively the "Assets"). Assets include both physical and cyber Assets that are essential for JEA to maintain the integrity of the bulk electric system. Therefore, the Company must ensure that all individuals that have access to any Assets meet all requirements of JEA, including, but not limited to the background screenings required by this Contract, prior to the individual performing any services for JEA. The specific Assets an individual will access will determine the specific JEA training and criminal background check that will be required before an employee will be approved to perform services for JEA. The Company will be responsible for all labor costs associated with completion of the training. The provisions of this Section and the immediately preceding section shall apply to all of the Company's Subcontractors and agents, and shall be included in Company's contracts with its Subcontractors for any part of the Work. JEA reserves the right to modify these terms if the applicable regulations change or additional regulations become applicable. JEA will provide sufficient notice in advance for Company to comply with JEA's requirements related to the updated regulations.

If applicable for all or any part of the Work, Company must also be able to certify and demonstrate to JEA's satisfaction that Company is able to comply with JEA's supply chain cyber security risk management plan and the requirements of NERC Reliability Standard NERC CIP-013, including, but not limited to CIP-013 R1. Company must demonstrate that Company has, in JEA's sole discretion, appropriate cyber security processes, including, but not limited to, addressing the following:

1. Notification by Company to JEA, within 12 hours or sooner, of any Company personnel, who have been terminated, retired or ceased working on JEA projects.
2. Notification by the Company of Company-identified incidents related to the products or services provided to JEA that pose cyber security risk to JEA
3. Coordination of responses to Company-identified incidents related to the products or services provided to the JEA that pose cyber security risk to JEA
4. Notification by Company when remote or onsite access should no longer be granted to Company

representatives

5. Disclosure by Company of known vulnerabilities related to the products or services provided to the JEA
6. Method for verification of software integrity and authenticity of all software and patches provided by the Company for use in JEA's Bulk Electric System's Cyber System
7. Coordination of controls for (i) Company-initiated Interactive Remote Access, and (ii) system-to-system remote access with Company
8. Compliance with JEA CIP Cyber Security Policy posted on https://www.jea.com/About/Procurement/Bid_Forms/.

2.66) Licenses

The Company shall comply with all licensing, registration and certification requirements pursuant to applicable laws, rules and regulations. The Company shall secure all licenses, registrations and certifications as required for the performance of the Work and shall pay all fees associated with securing them. The Company shall produce written evidence of licenses and other certifications immediately upon request from JEA.

2.67) Legal Workforce

The Company's employment of unauthorized aliens shall be a violation of section 274A(e) of the Immigration and Nationalization Act and a breach of the provisions of the Contract. The Company and all Subcontractors must enroll and participate in the federal E-Verify Program prior the performance of any part of the Work and appropriately screen all individuals performing any part of the Work. Proof of enrollment and participation must be provided to the JEA Representative upon request.

2.68) Data Ownership, Protection and Location

JEA shall own all right, title and interest in all data of JEA and JEA's customers that is related to the Work. The Company shall only access JEA's data and JEA's customers' accounts and data if (i) required to provide the Work, (ii) required in response to service or technical issues, (iii) required by the express terms of the Contract, or (iv) at JEA's written request. Protection of personal privacy and data shall be an integral part of the Work to ensure that there is no inappropriate or unauthorized use of data of JEA or JEA's customers at any time.

The Company shall safeguard the confidentiality, integrity, and availability of all data of JEA and its customers and comply with the following:

The Company shall implement and maintain appropriate administrative, technical and organizational security measures to safeguard against the unauthorized access, disclosure or theft of Personal Data or Non-Public Data. For the purposes of the Contract, "Personal Data" shall mean data that includes information relating to a person that identifies the person by name and has any of the following personally identifiable information: government-issued identification numbers (e.g., Social Security, driver's license, passport); financial account information including account number, credit or debit card numbers; or protected health information relating to a person. Non-Public Data shall mean data, other than Personal Data, that is not subject to distribution to the public as public information and is deemed to be sensitive and confidential because it is exempt by statute, ordinance or administrative rule from access by the general public as public information;

All data obtained by Company under the Contract shall become and remain the property of JEA:

- All Personal Data and Non-Public Data shall be encrypted at rest and in transit with controlled access. Unless otherwise agreed in writing by JEA and the Company, the Company shall be responsible for encryption of the Personal Data and non-Public Data;
- At no time shall any Personal Data or Non-Public Data of JEA or its customers be copied, disclosed or retained by the Company or any party related to the Company for subsequent use in any transaction that is not a part of the Work to be provided under the Contract;
- The Company shall not use any Personal Data, Non-Public Data or any other information collected in connection with the Contract for any purpose other than providing the Work; The Company will prevent its employees, other than employees with a need to know, from gaining access to JEA's data and information. The Company will direct and take all reasonable steps to insure that any Company employee who encounters any such information during the course of performing the Company's responsibilities of the Contract shall maintain the confidentiality of such information, which shall not be passed onto other Company employees or any other person. The Company shall

also enforce separation of job duties, require commercially reasonable non-disclosure agreements, and limit staff knowledge of JEA data to that which is absolutely necessary to perform job duties. The Company shall provide the Work solely from data centers in the United States. Storage of JEA data at rest shall be located solely in data centers in the United States. The Company shall not allow its personnel or its subcontractors to store JEA and JEA customer data on portable devices, including personal computers, except for devices that are used and kept only at its data centers in the United States. The Company shall permit its personnel and subcontractors to access JEA and JEA customer's data remotely only as required to provide technical support. The Company shall deploy reasonable steps and safeguards as part of a network security program in accordance with accepted industry practices, including but not limited to, Purchasing Card Industry-Data Security Standards (PCI-DSS), to prevent unlawful hacking to gain surreptitious access into JEA's and JEA's customer's data.

The Company shall promptly notify JEA within 48 hours of any confirmed breaches or issues regarding the security of systems that maintain JEA or JEA's customer data, or within 12 hours in the event of a ransomware incident. However, any such notification by the Company shall not affect the Company's obligations to secure JEA's data as provided under the Contract. The Company shall notify JEA within 48 hours if it learns that JEA or any of JEA's customers has been, have been, or may have been, the subject of a Security Incident (which is defined below) of any kind which may compromise data of JEA or its customers, except in the event of a ransomware incident, in which case the Company shall notify JEA within 12 hours of such incident. In any such event, the Company shall: (i) investigate the incident(s) and provide a report to JEA within 48 hours; (ii) conduct a forensic investigation to determine a cause and what data/systems are implicated; (iii) provide daily updates of its investigation to JEA and permit JEA reasonable access to the investigation; (iv) communicate and cooperate with JEA concerning communication with outside parties such as law enforcement and media; and (v) cooperate with JEA in determining whether and how notice, if any, will be provided to JEA's customers with all applicable laws and regulations.

The term "Security Incident" means the potentially unauthorized access by non-authorized persons to Personal Data or Non-Public Data that the Company believes could reasonably result in the use, disclosure, or theft of unencrypted Personal Data or Non-Public Data of JEA or its customers within the possession or control of the Company. If a Data Breach (defined below) with respect to Personal Data or Non-Public data has occurred, the Company shall promptly implement necessary remedial measures and document responsive actions taken related to the Data Breach, including any post-incident review and actions taken to make changes in business practices in providing the Work, if necessary.

If a Data Breach is a result of the Company's breach of its obligation to encrypt Personal Data or Non-Public Data or otherwise prevent the release of Personal or Non-Public Data or the Company's failure to comply with any of the security requirements comply with the Contract, the Company shall bear the costs associated with (i) the investigation and resolution of the Data Breach; (ii) notifications to individuals, regulators or others required by state law; (iii) a credit monitoring service required by state or federal law; (iv) a website or toll-free number and call center for affected individuals required by state law; and (v) completing all corrective actions as reasonably determined by the Company based on root cause.

The term "Data Breach" means the unauthorized access by a non-authorized person or persons that results in the use, disclosure or theft of unencrypted Personal Data, Non-Public Data or JEA's customer information.

2.69) Vendor Performance Evaluations

Use of Vendor Performance Evaluation Scorecards

JEA may evaluate the Company's performance using the Vendor Performance Scorecard templates which are available online at jea.com. However, JEA is not required to use scorecards to terminate a contract.

When evaluating the Company's performance, JEA will consider the performance of the Company's Subcontractors and suppliers, as part of the Company's performance.

Vendors are scored on a scale from 1 to 5:

- 5 - Far Exceeds Expectations
- 4 - Exceeds Expectations
- 3 - Meets Expectations
- 2 - Below Expectations
- 1 - Far Below Expectations

The Scorecard averages all the scores for each criterion. If a Vendor scores a 3 or higher, they are considered to at least Meet Expectations.

Frequency of Evaluations

JEA may conduct performance evaluations and prepare scorecards at any time during performance of the Work or soon after the completion of the Work. JEA may conduct one or more evaluations determined solely at the discretion of JEA.

Scoring -Meets Expectations

JEA expects the Company's performance to be at a minimum evaluated as "Meets Expectations".

Scoring - Below Expectations

If at any time, JEA determines, using the criteria described on the scorecard, that the performance of the Company is Below Expectations or Far Below Expectations, the Project Manager may first meet with the Company and issue a deadline for the Company to be back in compliance with the Contract.

If the Company fails to achieve Contract compliance, the Chief Procurement Officer or her designated alternate may meet with the Company to review the scorecard and/or send a Notice to Cure letter to the Company describing the deficient performance. The Company shall respond as requested and shall also include in its response a statement of the timeframes and specific actions that the Company will take to bring the Company's performance up to at least Meets Expectations.

The Company's performance may again be evaluated by the JEA Project Manager and if the Company is evaluated as at least Meets Expectations, no further remedial action is required by the Company, as long as Company's performance continues to be at Meets Expectations.

If the scorecard shows the Company's performance is Below Expectations or Far Below Expectations, JEA will take such actions as it deems appropriate including, but not limited to, terminating the Contract for breach, suspending the Company from bidding on any JEA related solicitations, invoking the Self Help clause, and other remedies available in the JEA Procurement Code and in law. Such action does not relieve the Company of its obligations under the Contract, nor does it preclude an earlier termination.

In the event that the Contract Term or the remaining Term of the Contract does not allow for the completion of the deficient performance notification cycles described above for those in danger of receiving a Below Expectations scorecard, JEA may choose to slow down or accelerate these cycles at its sole discretion.

If the Company receives five or more letters of performance deficiency within any 12-month period, then JEA will consider suspending the Company's JEA bidding privileges.

Disputes

In the event that the Company wants to dispute the results of its scorecard performance evaluation, the Company must submit a letter to the Chief Procurement Officer supplying supplemental information that it believes JEA failed to take into account when preparing the scorecard. Such letter, along with supplemental information, must be submitted no later than 10 days following the Company's receipt of the scorecard. If the Chief Procurement Officer decides to change the scorecard, the Company will be notified and a revised scorecard will be prepared, with a copy issued to the Company. If the Chief Procurement Officer decides that no change is warranted, the decision of the Chief Procurement Officer is final.

Public Records

There can be no expectation of confidentiality of performance-related data is subject to disclosure pursuant to Florida Public Records Laws. All scorecards are the property of JEA.

2.70) Confidentiality & Public Records Laws

CONFIDENTIALITY & PUBLIC RECORDS LAWS

Access to Public Records.

All Documents, data and other records received by JEA in connection with the Contract are public records and available for public inspection unless specifically exempt by law. The Company shall allow public access to all documents, data and other records made or received by the Company in connection with the Contract unless the records are exempt from Section 249(a) of Article I of the Florida Constitution or subsection 119.07(1), Florida Statutes. JEA may unilaterally terminate the Contract if the Company refuses to allow public access as required under the Contract.

Redacted copies of Confidential Information.

If the Company believes that any portion of any documents, data or other records submitted to JEA are exempt from disclosure under Chapter 119, Florida Statutes, the Florida Constitution and related laws ("Florida's Public Records Laws"), Company must (1) clearly segregate and mark the specific sections of the document, data and records as "Confidential", (2) cite the specific Florida Statute or other legal authority for the asserted exemption, and (3) provide JEA with a separate redacted copy of the documents, data, or records (the "Redacted Copy"). The Redacted Copy shall contain JEA's contract name and number, and shall be clearly titled "Redacted Copy". Bidder should only redact those portions of records that Bidder claims are specifically exempt from disclosure under Florida's Public Records Laws. If the Company fails to submit a redacted copy of documents, data, or other records it claims is confidential, JEA is authorized to produce all documents, data, and other records submitted to JEA in answer to a public records request for these records.

Request for Redacted Information.

In the event of a public records or other disclosure request under Florida's Public Records Laws or other authority to which the Company's documents, data or records are responsive, JEA will provide the Redacted Copy to the requestor. If a Requestor asserts a right to any redacted information, JEA will notify the Company that such an assertion has been made. It is the Company's responsibility to respond to the requestor to assert that the information in questions is exempt from disclosure under applicable law. If JEA becomes subject to a demand for discovery or disclosure of the redacted information under legal process, JEA shall give the Company prompt notice of the demand prior to releasing the redacted information (unless otherwise prohibited by applicable law). The Company shall be responsible for defending its determination that the redacted portions of the information are not subject to disclosure.

Indemnification for Redacted Information.

The Company shall protect, defend, and indemnify JEA from and against all claims, demands, actions, suits, damages, liabilities, losses, settlements, judgments, costs, and expenses (including but not limited to reasonable attorney's fees and costs) arising from or relating to the Company's assertion that all or any portion of its information is not subject to disclosure.

Public Records Clause for Service Contracts.

If, under the Contract, the Company is providing services and is acting on behalf of JEA as contemplated by subsection 119.011(2), Florida Statutes, the Company shall:

- Keep and maintain public records that ordinarily and necessarily would be required by JEA in order to perform service;
