THIS ADDENDUM IS FOR THE PURPOSE OF MAKING THE FOLLOWING CHANGES AND CLARIFICATIONS:

Change (1): JEA amends the Response Due Date of this Solicitation from Tuesday, January 8th 2019 to Tuesday, January 15th 2019.

Add (1): JEA adds the following questions and answers to this Solicitation.

Supplier Inquiry: What is the expectation of time spent on site by the consultants?

JEA Response: 50%-60% of consultants time should be spent on JEA site. Consultants are expected to be on site for sessions related to assessments/interviews, leadership collaboration, milestones and engagement wrap-up.

Artifact/Documentation writing portions of the deliverables can be virtual/off-site.

Supplier Inquiry: From the last phone call, it was mentioned that JEA was going to correct the cost form and resend it. When will that go out?

JEA Response: It was determined that no error is contained in Appendix B – Response Workbook. As a result, no revision to Appendix B – Response Workbook is necessary.
