ADDENDUM NUMBER: One (1)

TITLE: Cisco Energy Management System (EMS) Network Equipment Purchase for SOCC and Cologix

JEA ITN NUMBER: 96026

RESPONSE DUE DATE: November 6, 2018

TIME OF RECEIPT: 12:00 PM

TIME OF OPENING: 12:00 PM

**THIS ADDENDUM IS FOR THE PURPOSE OF MAKING THE FOLLOWING CHANGES OR CLARIFICATIONS:**

1. **INQUIRY:** I just heard back regarding Palo Alto and HA licensing. You may want to let the client know that the 3<sup>rd</sup> 3250 will have to be part of a pair. It's possible they already have a 3250 and are creating an HA pair, but just want them to be aware that if it's going to be a standalone device, we'll have to give them the non-HA license.

- **ANSWER:** We purchased one Palo Alto 3250 last year, which will be an HA Redundant configuration.
  - Two Palo Alto HA Pair at SOCC Datacenter
  - Two Palo Alto 3250 HA Pair at Cologix Datacenter3 more Palo Alto 3250s, that will give us a total of 4 Palo Alto security appliances.

**Acknowledge receipt of this addendum on the Response Form**
