JEA intends to Award One (1) Contract(s) for the Work for each Vehicle Group identified in Section 1.1.1. There are no requirements to the number of Vehicle Groupings that need to be bid, as each grouping will be treated as a standalone scope. Suppliers are encouraged to bid multiple groupings for efficiency purposes. JEA reserves the right to Award more than one Contract based on certain groupings of the Work items, or JEA may exclude certain Work items, if JEA determines that it is in its best interest to do so.

1.2.3. REQUIRED FORMS TO BE SUBMITTED WITH RESPONSE

- Evidence of active registration with the State of Florida Division of Corporations (www.sunbiz.org)
- Any technical submittals as required by the Technical Specifications

1.2.4. LIQUIDATED DAMAGES IN CONTRACT

The Contract issued pursuant to this Solicitation contains liquidated damages tied to project completion deadlines. The Respondent should review the specific time frames and liquidated damage amounts prior to submitting its Bid.

1.3. EVALUATION METHODOLOGY

1.3.1. EVALUATION AND NEGOTIATION PROCESS

JEA intends to select Respondents (the "Short-list") with which to commence negotiations. A selection committee (hereinafter referred to as the "Selection Committee"), will be appointed by the Chief Procurement Officer (the "CPO"), or his designee, to review and evaluate each Response submitted. The CPO's office will distribute a copy of each Response to each member of the Selection Committee, and the members of the Selection Committee will separately and independently evaluate and rank the Responses using the "Selection Criteria" as stated below in this ITN. JEA will use this ranking to develop the Short-list of companies in which to proceed with contract negotiations.

Prior to developing the Short-list, JEA may request that the Respondents provide additional information to clarify their Response. JEA will NOT allow Respondents to submit additional reference projects or change said reference projects that were initially submitted for the purposes of meeting the Minimum Qualifications stated in this ITN. However, JEA may request clarification of submitted documentation so that JEA may make an accurate assessment in developing the Short-list. JEA must be satisfied that the successful Respondent has the necessary technical expertise, experience, and resource capabilities to satisfactorily perform the Work described in this ITN.

JEA reserves the right to Award a Contract based on the Selection Committee's initial evaluation of the Responses if JEA deems the Responses demonstrate adequate competition, compliance, and responsiveness to this ITN. If JEA determines the previously stated criteria have not been met, JEA will finalize the Short-list and proceed with contract negotiations.

Respondents are cautioned to present the best possible pricing offer in their initial Responses. Failing to do so may result in a Respondent not making the Short-list, and will not be allowed to proceed with contract negotiations. Additionally, the Total Bid Price submitted with the initial Response cannot be increased during the ITN process.

Once a Short-list is developed, the CPO, or his designee, will appoint a negotiating team (the "Negotiating Team"). The Negotiation Team may be comprised of the same individuals as were members of the Selection Committee. JEA reserves the right to negotiate concurrently or separately with the Short-list Respondents. JEA reserves the right to seek clarifications, to request Response revisions, and to request any additional information deemed necessary for proper evaluation of the Responses. JEA reserves the right to incorporate value added services or industry standard innovations recommended by a Respondent into the Contract's scope of work.

A Respondent that is included on the Short-list may be required, at the sole option of JEA, to make an oral presentation, provide additional written clarifications to its Response, or JEA may require site visits to Respondent's facilities. Oral presentations, handouts, and written clarifications will be attached to the Respondent's Response and will become a part of the Response as if originally submitted. The CPO or his designee will initiate and schedule a time and location for any presentations that may be required.

As a part of the negotiation process, JEA may contact the references provided by the Respondent for independently verifying the information provided in the Response, and to assess the extent of success of the projects associated with those references. JEA also reserves the right to contact references not provided by Respondents. Respondents may be requested to provide additional references. The results of the reference checking may influence the final negotiation, ranking, and Award recommendation.

After written clarifications, oral presentations, site visits, and any other negotiations deemed by JEA to be in its best interest, the Short-list Respondents will be given a deadline to submit their best and final offer (the "Best and Final Offer" or "BAFO"). The negotiation process will stop upon submission of the BAFO. Respondents will not be allowed to make further adjustments to their BAFO or communicate further with JEA, except to respond to requests for clarification from the Negotiating Team.

The JEA Negotiating Team will adjust and calculate the final rankings of the Short-list based on the BAFO submissions. JEA does not anticipate reopening negotiations after receiving the BAFOs, but reserves the right to do so if it believes doing so will be in the best interests of JEA. In the event that JEA reopens negotiations, any final rankings will be revised accordingly.

Negotiations will not be open to the public, but will be recorded. All recordings of negotiations and any records, documents, and other materials presented at negotiation sessions are public records and can be released pursuant to a public records request after a notice of intended decision for this ITN is posted, or thirty (30) days after the opening of the Responses, whichever occurs earlier.

The Award recommendation of the Negotiating Team will be based upon the scoring of the BAFOs and the Selection Criteria described below in this ITN. The Respondent with the highest score will be submitted to the CPO for approval. Once approved, the CPO will then present an Award to the JEA Awards Committee for final approval.

In its sole discretion, JEA reserves the right to withdraw this ITN either before or after receiving Responses, to reject any and all Responses either in whole or in part, with or without cause, or to waive any ITN requirement informalities, minor irregularities, and deficiencies in any Response, and to determine such action is in the best interest of JEA. Issuance of this ITN in no way constitutes a commitment by JEA to make an Award or enter into a Contract.

All Responses submitted to JEA are subject to the JEA's terms and conditions contained in this ITN and JEA's Procurement Code. Any and all additional terms and conditions submitted by Respondents are rejected and shall have no force.

1.3.2. ALTERNATE PROVISIONS AND CONDITIONS

Responses that contain provisions that are contrary to requirements found on this ITN, including, but not limited to, the Contract terms and conditions contained in Section 2 of this ITN, and any requirements found in the Technical Specifications attached as Appendix A to this ITN, will be reviewed but may not be accepted by JEA. However, as this is an ITN, JEA reserves the right to negotiate the best terms and conditions if determined to be in the best interests of JEA, and negotiate different terms and related price adjustments if JEA determines that it provides the best value to JEA.

1.4. SELECTION CRITERIA

1.4.1. QUOTATION OF RATES

Maximum score for criterion is: 100 POINTS

Respondent shall provide a firm-fixed price quote for each Vehicle Grouping in this ITN by completing the enclosed Appendix B Response Form and Appendix B Response Workbook. The prices shall include all profit, taxes, benefits, travel, and all other overhead items. Each vehicle grouping will be treated as a standalone scope so Respondents are encouraged to bid multiple groupings for efficiency purposes.

Please note, the prices quoted by Respondent on the Response Form must be firm-fixed prices, not estimates.

1.4.2. TIE

In the event of a tie score, the tie shall be resolved in accordance with JEA's Procurement Code and Operational Procedures.

1.5. GENERAL INSTRUCTIONS

1.5.1. SUBMITTING THE RESPONSE

The Respondent shall submit one (1) original Response via email to Colin Roddy at roddcp@jea.com.

1.5.2. ADDENDA

JEA may issue Addenda prior to the opening of Responses to change or clarify the intent of this Invitation to Negotiate (ITN). The Respondent shall be responsible for ensuring it has received all Addenda prior to submitting its Response and shall acknowledge receipt of all Addenda by completing the Confirmation of Receipt of ITN Addenda. JEA will post Addenda when issued online at JEA.com. Companies must obtain Addenda from the JEA.com website. All Addenda will become part of the ITN and any resulting Contract Documents. It is the responsibility of each Respondent to ensure it has received and incorporated all Addenda into its Response. Failure to acknowledge receipt of Addenda may be grounds for rejection of a Response at JEA's sole discretion.

1.5.3. CONTRACT EXECUTION AND START OF WORK

Within thirty (30) days from the date of Award, JEA will present the successful Respondent with the Contract Documents. Unless expressly waived by JEA, the successful Respondent shall execute a Contract for the Work or Services within ten (10) days after receiving the Contract from JEA. If the Respondent fails to execute the Contract or associated documents as required, or if it fails to act on a JEA-issued Purchase Order (PO), JEA may cancel the Award with no further liability to the Respondent, retain the bid security or bond (if applicable), and Award to the next-ranked company.

Upon JEA's receipt of the executed Contract and certificate of insurance, JEA will issue a PO, in writing and signed by an authorized JEA representative as acceptance of the Proposal and authorization for the company to proceed with the Work, unless otherwise stated in the Contract or PO.

1.5.4. DEFINED TERMS

Words and terms defined in the Section entitled "Definitions" of this document are hereby incorporated by reference into the entire document.

1.5.5. EX PARTE COMMUNICATION

Ex Parte Communication is defined as any inappropriate communication concerning an ITN between a company submitting a Response and a JEA representative during the time in which the ITN is being advertised through the time of Award. Examples of inappropriate communications include private communications concerning the details of the ITN in which a company becomes privy to information not available to the other Respondents. Social contact between companies and JEA Representatives should be kept to an absolute minimum during the ITN process.

Ex Parte Communication is strictly prohibited. Failure to adhere to this policy will disqualify the noncompliant company's Response. Any questions or clarifications concerning this ITN must be sent in writing via email to the JEA Buyer at least five (5) business days prior to the opening date. If determined by JEA, that a question should be answered or an issue clarified, JEA will issue an addendum to all Respondents.

1.5.6. CERTIFICATION AND REPRESENTATIONS OF THE COMPANY

By signing and submitting the Response Form, the Respondent certifies and represents as follows:

A. That the individual signing the Response Form is a duly authorized agent or officer of the Respondent. Responses submitted by a corporation must be executed in the corporate name by the President or Vice President. If an individual other than the President or Vice President signs the Response Form, satisfactory evidence of authority to sign must be submitted upon request by JEA. If the Response is submitted by a partnership, the Response Form must be signed by a partner whose title must be listed under the signature. If an individual other than a partner signs the Response Form, satisfactory evidence of authority to sign must be submitted upon request by JEA.

B. That every aspect of the Response and the detailed schedule for the execution of the Work, are based on its own knowledge and judgment of the conditions and hazards involved, and not upon any representation of JEA. JEA assumes no responsibility for any understanding or representation made by any of its representatives during or prior to execution of the Contract unless such understandings or representations are expressly stated in the Contract and the Contract expressly provides that JEA assumes the responsibility.

C. The corporation or partnership must be in active status at the Florida Division of Corporations (www.sunbiz.org) prior to any subsequent Award of Contract.

D. That the Respondent maintains in active status any and all licenses, permits, certifications, insurance, bonds and other credentials including, but not limited to, contractor's license and occupational licenses necessary to perform the Work. The Respondent also certifies that, upon the prospect of any change in the status of applicable licenses, permits, certifications, insurances, bonds or other credentials, the Respondent shall immediately notify JEA of status change.

E. That the Respondent has read, understands and will comply with the Section titled Ethics.

1.5.7. ETHICS

By submitting a Response, the Respondent certifies this Response is made without any previous understanding, agreement or connection with any other person, firm, or corporation submitting a Response for the same Work other than as a Subcontractor or supplier, and that this Response is made without outside control, collusion, fraud, or other illegal or unethical actions. The Respondent shall comply with all JEA and City of Jacksonville ordinances, policies and procedures regarding business ethics.

The Respondent shall submit only one (1) Response in response to this Solicitation. If JEA has reasonable cause to believe the Respondent has submitted more than one (1) Response for the same Work, other than as a Subcontractor or sub supplier, JEA shall disqualify the Response and may pursue debarment actions.

The Respondent shall disclose the name(s) of any public officials who have any financial position, directly or indirectly, with this Response by completing and submitting the Conflict of Interest Certificate Form found at jea.com. Failure to fully complete and submit the Conflict of Interest Certificate may disqualify the Response. If JEA has reason to believe that collusion exists among the Respondents, JEA shall reject any and all Responses from the suspected Respondent s and will proceed to debar Respondent from future JEA Awards in accordance with the JEA Procurement Code.

JEA is prohibited by its Charter from awarding contracts to JEA officers or employees, or in which a JEA officer or employee has a financial interest. JEA shall reject any and all Responses from JEA officers or employees, as well as, any and all Responses in which a JEA officer or employee has a financial interest.

If the Respondent violates any requirement of this clause, the Response may be rejected and JEA may debar offending companies and persons.

1.5.8. JEA PUBLICATIONS

Applicable JEA publications are available at jea.com.

1.5.9. MATHEMATICAL ERRORS

In the event of a mathematical error in calculation of the prices entered on the Response, the Unit Prices will prevail. The corrected Response Price utilizing the Unit Prices will be used to determine if the Company is awarded the Work or the Services. Subsequently, the Unit Prices will be used throughout the term of the Contract.

1.5.10. MODIFICATION OR WITHDRAWAL OF RESPONSES

The Respondent may modify or withdraw its Response at any time prior to the Response Due Date and Time by giving written notice to JEA's Chief Procurement Officer. JEA will not accept modifications submitted by telephone, telegraph, email, or facsimile, or those submitted after Response Due Date and Time. The Respondent shall not modify or withdraw its Response from time submitted and for a period of ninety (90) days following the opening of Responses.

1.5.11. PROHIBITION AGAINST CONTINGENT FEES

The Respondent warrants that it has not employed or retained any company or person, other than a bona fide employee working for the Respondent, or an independent sales representative under contract to the Respondent, to solicit or secure a contract with JEA, and that it has not paid or agreed to pay any person, company, corporation, individual or Respondent, other than a bona fide employee working solely for the Respondent, or an independent sale representative under contract to the Respondent, any fee, commission, percentage, gift, or any other consideration, contingent upon or resulting from the Award or making of the Contract. JEA reserves the right to cancel, postpone, modify, reissue and amend this ITN at its discretion.

JEA reserves the right to cancel or change the date and time announced for opening of Responses at any time prior to the time announced for the opening of Responses. 1.5.14. SUNSHINE LAW

General

Article I, Section 24, Florida Constitution, guarantees every person access to all public records and Chapter 119, Florida Statutes, provides a broad definition of public records. JEA is a body politic and corporate and subject to these laws and related statutes ("Florida's Public Records Laws"). All responses to this ITN are public record and available for public inspection unless specifically exempt by law.

Redacted Submissions

If a Respondent believe that any portion of the documents, data or records submitted in response to this ITN are exempt from Florida's Public Records Law, Respondent must (1) clearly segregate and mark the specific sections of the document, data or records as "Confidential," (2) cite the specific Florida Statute or other legal authority for the asserted exemption, and (3) provide JEA with a separate redacted copy of its response (the "Redacted Copy"). The cover of the Redacted Copy shall contain JEA's title and number for this ITN and Respondent's name, and shall be clearly labeled "Redacted Copy." Respondent should only redact those portions of records that Respondent claims are specifically exempt from the Florida Public Records Laws. If Respondent fails to submit a redacted copy of information it claims is confidential, JEA is authorized to produce all documents, data and other records submitted to JEA in answer to a public records request for such information.

In the event of a request for public records to which documents that are marked as confidential are responsive, JEA will provide the Redacted Copy to the requestor. If a requestor asserts a right to any redacted information, JEA will notify Respondent that such an assertion has been made. It is Respondent's responsibility to respond to the requestor to assert that the information in question is exempt from disclosure under applicable law. If JEA becomes subject to a demand for discovery or disclosure of Respondent's redacted information under legal process. JEA shall give Respondent prompt notice of the demand prior to releasing the information (unless otherwise prohibited by applicable law.) Respondent shall be responsible for defending its determination that the redacted portions of its response are not subject to disclosure.

By submitting a response to this ITN, Respondent agrees to protect, defend, and indemnify JEA from and against all claims, demands, actions, suits, damages, losses, settlements, costs and expenses (including but not limited to

reasonable attorney fees and costs) arising from it relating to Respondent's determination that the redacted portions of its response to this Solicitation are not subject to disclosure.

Company for any cost that may be alleged to be related to a refusal to accept a Cost Savings Plan proposed by Company.

Upon receipt of an acceptable revised Invoice or Application for Payment, JEA will pay the Respondent the revised amount within ten (10) days.

JEA may withhold payment if the Respondent is in violation of any conditions or terms of the Contract Documents.

In the case of early termination of the Contract, all payments made by JEA against the Contract Price prior to notice of termination shall be credited to the amount, if any, due the Company. 2.4.8. TAXES

JEA is authorized to self-accrue the Florida Sales and Use Tax and is exempt from Manufacturer's Federal Excise Tax when purchasing tangible personal property for its direct consumption.

2.4.9. PRICE ADJUSTMENT ANNUAL

Contract prices (also referred to as "Unit Prices") for the Work will remain firm fixed through the first year of the Contract. For the purposes of this clause, the end date of the first year of the Contract shall be referred to as the "Anniversary Date", and the term "Anniversary Date" shall also apply to the end date of any renewals.

Thirty (30) days prior to the Anniversary Date, the Company may propose an decrease or increase in unit price not to exceed 1) the percentage change in the Producer Price Index (PPI) as described and calculated below.

The Producer Price Index by Industry: Automobile, Light Truck and Utility Vehicle Manufacturing: Trucks, Truck Tractors, and Bus Chassis 14,000 Pounds or Less, Including Minivans and SUVs (PCU3361103361102) will be utilized to measure the adjustment for the Vehicle Group One (1). The PPI index used will measure the percent change for the previous twelve (12) months beginning with the last published index month closest to the Anniversary Date as the based index.

In the event the applicable price index publication ceases, the Company and JEA shall mutually agree on a replacement index. If the Company and JEA fail to agree on a replacement index, the Contract may be mutually terminated if in the best interest of JEA.

Price Increase/Decrease Formula = ((Latest BLS Index – Base BLS Index)/ Base BLS Index)) X 100 = Percent Change (%) (Truncated at the nearest hundredth of a percent)

Example:

Contract Effective date of 3/22/2017; Contract Expiration Date 3/21/2019 (the "Anniversary Date")
Term: One (1) Year Contract with One (1) One (1) Year renewal which was executed on February 1, 2018.

The incumbent Supplier provided a MSRP percentage increase of 1.5% compared to year one costs.

Price Adjustment Calculation Methodology: Using the PPI table below, the figures used to calculate the year two (2) price adjustment would be the Base BLS Index, which would then be compared to the latest BLS Index to determine the applicable percent price adjustment.

Price Increase/Decrease Formula = ((Latest BLS Index– Base BLS Index)/ Base 12 BLS Index)) X 100 = Percent Change (%) (Truncated at the thousandth of a percent)

Applying above formula to this example:
Latest BLS Index (March 2018) = 248.991

Base BLS Index (February 2017) = 243.603

Percent Change = ((248.991 – 243.603) / 243.603)) x 100 = 2.212% (Truncated at the thousandth)

All Contract Pricing would be increased by the proposed MSRP increase of 1.5% as it did not exceed the CPI percentage change for the initial contract year.

In the event of termination for convenience, JEA will pay the Company for all disbursements and expenses that the Company has incurred, or has become obligated prior to receiving JEA's notice of termination.

Upon receipt of such notice of termination, the Company shall stop the performance of the Work hereunder except as may be necessary to carry out such termination and take any other action toward termination of the Work that JEA may reasonably request, including all reasonable efforts to provide for a prompt and efficient transition as directed by JEA.

JEA will have no liability to the Company for any cause whatsoever arising out of, or in connection with, termination including, but not limited to, lost profits, lost opportunities, resulting change in business condition, except as expressly stated within these Contract Documents.

2.7.3. TERMINATION FOR DEFAULT

JEA may give the Company written notice to discontinue all Work under the Contract in the event that:

- The Company assigns or subcontracts the Work without prior written permission;
- Any petition is filed or any proceeding is commenced by or against the Company for relief under any bankruptcy or insolvency laws;
- A receiver is appointed for the Company's properties or the Company commits any act of insolvency (however evidenced);
- The Company makes an assignment for the benefit of creditors;

- The Company suspends the operation of a substantial portion of its business;
- The Company suspends the whole or any part of the Work to the extent that it impacts the Company's ability to meet the Work schedule, or the Company abandons the whole or any part of the Work;
- The Company, at any time, violates any of the conditions or provisions of the Contract Documents, or the Company fails to perform as specified in the Contract Documents, or the Company is not complying with the Contract Documents;
- The Company attempts to willfully impose upon JEA items or workmanship that are, in JEA's sole opinion, defective or of unacceptable quality;
- The Company breaches any of the representations or warranties;
- The Company is determined, in JEA's sole opinion, to have misrepresented the utilization of funds or misappropriate property belonging to JEA; or
- Any material change in the financial or business condition of the Company.

If within fifteen (15) days after service of such notice upon the Company an arrangement satisfactory to JEA has not been made by the Company for continuance of the Work, then JEA may declare Company to be in default of the Contract.

Once Company is declared to be in default, JEA will charge the expenses of completing the Work to the Company and will deduct such expenses from monies due, or which at any time thereafter may become due, to the Company. If such expenses are more than the sum that would otherwise have been payable under the Contract, then the Company shall pay the amount of such excess to JEA upon receipt of notice of the expenses from JEA. JEA shall not be required to obtain the lowest price for completing the Work under the Contract, but may make such expenditures that, in its sole judgment, shall best accomplish such completion. JEA will, however, make reasonable efforts to mitigate the excess costs of completing the Work.

The Contract Documents shall in no way limit JEA's right to all remedies for nonperformance provided under law or in equity, except as specifically set forth herein. In the event of termination for nonperformance, the Company shall immediately surrender all Work records to JEA. In such a case, JEA may set off any money owed to the Company against any liabilities resulting from the Company's nonperformance.

JEA has no responsibility whatsoever to issue notices of any kind, including but not limited to deficient performance letters and scorecards, to the Company regarding its performance prior to default by Company for performance related issues.

JEA shall have no liability to the Company for termination costs arising out of the Contract, or any of the Company's subcontracts, as a result of termination for default.

2.8. CONFIDENTIALITY AND OWNERSHIP OF DOCUMENTATION

2.8.1. PUBLIC RECORDS LAWS

Access to Public Records

All Documents, data and other records received by JEA in connection with the Contract are public records and available for public inspection unless specifically exempt by law. The Company shall allow public access to all documents, data and other records made or received by the Company in connection with the Contract unless the records are exempt from Section 249(a) of Article I of the Florida Constitution or subsection 119.07(1), Florida Statutes. JEA may unilaterally terminate the Contract of the Company refuses to allow public access as required under the Contract.

Redacted copies of Confidential Information

If the Company believes that any portion of any documents, data or other records submitted to JEA are exempt from disclosure under Chapter 119, Florida Statutes, the Florida Constitution and related laws ("Florida's Public Records Laws"), Company must (1) clearly segregate and mark the specific sections of the document, data and records as "Confidential", (2) cite the specific Florida Statute or other legal authority for the asserted exemption, and (3) provide JEA with a separate redacted copy of the documents, data, or records (the "Redacted Copy"). The Redacted Copy shall contain JEA's contract name and number, and shall be clearly titled "Redacted Copy". Respondent should only redact those portions of records that Respondent claims are specifically exempt from disclosure under Florida's Public Records Laws. If the Company fails to submit a redacted copy of documents, data, or other records it claims is confidential, JEA is authorized to produce all documents, data, and other records submitted to JEA in answer to a public records request for these records.

Request for Redacted Information
In the event of a public records or other disclosure request under Florida's Public Records Laws or other authority to which the Company's documents, data or records are responsive, JEA will provide the Redacted Copy to the requestor. If a Requestor asserts a right to any redacted information, JEA will notify the Company that such an assertion has been made. It is the Company's responsibility to respond to the requestor to assert that the information in questions is exempt from disclosure under applicable law. If JEA becomes subject to a demand for discovery or disclosure of the redacted information under legal process, JEA shall give the Company prompt notice of the demand prior to releasing the redacted information (unless otherwise prohibited by applicable law). The Company shall be responsible for defending it determination that the redacted portions of the information are not subject to disclosure.

Indemnification for Redacted Information
The Company shall protect, defend, and indemnify JEA from and against all claims, demands, actions, suits, damages, liabilities, losses, settlements, judgments, costs, and expenses (including but not limited to reasonable attorney's fees and costs) arising from or relating to the Company's assertion that all or any portion of its information is not subject to disclosure.

Public Records Clause for Service Contracts
If, under the Contract, the Company is providing services and is acting on behalf of JEA as contemplated by subsection 119.011(2), Florida Statutes, the Company shall:

- Keep and maintain public records that ordinarily and necessarily would be required by JEA in order to perform service;
- Provide the public with access to public records on the same terms and conditions that JEA would provide the records and at a cost that does not exceed the cost provided in Chapter 119, Florida Statues, or otherwise prohibited by law;
- Ensure that public records that are exempt or confidential and exempt from public records disclosure requirements are not disclosed except as authorized by law; and
- Meet all requirements for retaining public records and transfer, at no cost, to JEA all public records in possession of the Company upon termination of the contract and destroy any duplicate public records that are exempt or confidential and exempt from public records disclosure requirements. All records stored electronically shall be provided to JEA in a format that is compatible with the information technology systems of JEA.

IF THE COMPANY HAS QUESTIONS REGARDING THE APPLICATION OF CHAPTER 119, FLORIDA STATUTES, TO THE COMPANY'S DUTY TO PROVIDE PUBLIC RECORDS RELATING TO THIS CONTRACT, CONTACT THE CUSTODIAN OF PUBLIC RECORDS AT:

2.8.2. PROPRIETARY INFORMATION

The Company shall not copy, reproduce, or disclose to third parties, except in connection with the Work, any information that JEA furnishes to the Company. The Company shall insert in any subcontract a restriction on the use of all information furnished by JEA. The Company shall not use this information on another project. All information furnished by JEA will be returned to JEA upon completion of the Work.

2.8.3. PUBLICITY AND ADVERTISING

The Company shall not take any photographs, make any announcements or release any information concerning the Contract or the Work to any member of the public, press or official body unless prior written consent is obtained from JEA.

2.8.4. PATENTS AND COPYRIGHTS

In consideration of ten dollars ($10.00), receipt and sufficiency is hereby acknowledged, Company shall hold harmless and indemnify JEA from and against liability or loss, including but not limited to any claims, judgments, court costs and attorneys' fees incurred in any claims, or any pretrial, trial or appellate proceedings on account of infringements of patents, copyrighted or uncopyrighted works, secret processes, trade secrets, patented or unpatented inventions, articles or appliances, or allegations thereof, pertaining to the Services, or any part thereof, combinations thereof, processes therein or the use of any tools or implements used by Company.

Company will, at its own expense, procure for JEA the right to continue use of the Services, parts or combinations thereof, or processes used therein resulting from a suit or judgment on account of patent or copyright infringement.

If, in any such suit or proceeding, a temporary restraining order or preliminary injunction is granted, Company will make every reasonable effort, by giving a satisfactory bond or otherwise, to secure the suspension of such restraining order or temporary injunction.

If, in any such suit or proceeding, any part of the Services is held to constitute an infringement and its use is permanently enjoined, Company will, at once, make every reasonable effort to secure for JEA a license, authorizing the continued use of the Services. If Company fails to secure such license for JEA, Company will replace the Services with non-infringing Services, or modify the Services in a way satisfactory to JEA, so that the Services are non-infringing.

2.9. LABOR

2.9.1. NONDISCRIMINATION

The Company represents that it has adopted and will maintain a policy of nondiscrimination against employees or applicants for employment on account of race, religion, sex, color, national origin, age or handicap, in all areas of employee relations, throughout the Term of this Contract. The Company agrees that on written request, it will allow JEA reasonable access to the Company's records of employment, employment advertisement, application forms and other pertinent data and records for the purpose of investigation to ascertain compliance with the nondiscrimination provisions of this Contract; provided however, the Company shall not be required to produce, for inspection, records covering periods of time more than one year from the effective date of this Contract.

The Company shall comply with the following executive orders, acts, and all rules and regulations implementing said orders or acts, which are by this reference incorporated herein as if set out in their entirety:

- The provisions of Presidential Order 11246, as amended, and the portions of Executive Orders 11701 and 11758 as applicable to Equal Employment Opportunity;

- The provisions of section 503 of the Rehabilitation Act of 1973, as amended, and the Americans with Disabilities Act (ADA); and
- The provisions of the Employment and Training of Veterans Act, 38 U.S.C. 4212 (formerly 2012).

The Company agrees that if any of the Work of this Contract will be performed by a Subcontractor, then the provisions of this subsection shall be incorporated into and become a part of the subcontract.

2.9.2. LEGAL WORKFORCE

JEA shall consider the Company's employment of unauthorized aliens a violation of section 274A(e) of the Immigration and Nationalization Act. Such violation shall be cause for termination of the Contract for default upon thirty (30) days' prior written notice of such termination, notwithstanding any other provisions to the contrary in the Contract Documents.

2.9.3. PROHIBITED FUTURE EMPLOYMENT

It shall be unlawful and a class C offense for any person, who was an officer or employee of JEA, after his or her employment has ceased, to be employed by or enter into any contract for personal services, with a person or company who contracted with, or had a contractual relationship with JEA, while the contract is active or being completed, or within two years of the cessation, completion, or termination of the person's or company's contractual relationship with JEA, where (1) the contract with JEA had a value that exceeded $250,000.00, and (2) the officer or employee had a substantial and decision-making role in securing or negotiating the contract or contractual relationship, or in the approval of financial submissions or draws in accordance with the terms of the contract; except that this prohibition shall not apply to an employee whose role is merely as a review signatory, or to contracts entered into prior to January 1, 2008, or to contracts that have been competitively procured. With respect to this subsection a contract is competitively procured if it has been obtained through a sealed low bid award. A "substantial and decision-making role" shall include duties and/or responsibilities that are collectively associated with: (i) approving solicitation or payment documents; (ii) evaluating formal bids and proposals; and (iii) approving and/or issuing award recommendations for JEA Awards Committee approval. The contract of any person or business entity who hires or contracts for services with any officer or employee prohibited from entering into said relationship shall be voidable at the pleasure of JEA. This prohibition shall not apply to any former officer or employee after two (2) years from cessation from JEA employment.

2.9.4. HIRING OF OTHER PARTY'S EMPLOYEES

Each party recognizes that the other party has incurred or will incur significant expenses in training its own employees and agrees that it will not pursue or hire, without the other party's consent, the other party's employees or the employees of its subsidiaries for a period of two (2) years from the termination date of this Contract.

2.9.5. COMPANY'S LABOR RELATIONS

The Company shall negotiate and resolve any disputes between the Company and its employees, or anyone representing its employees. The Company shall immediately notify JEA of any actual or potential labor dispute that may affect the Work and shall inform JEA of all actions it is taking to resolve the dispute.

2.10. COMPANY'S RESPONSIBILITIES AND PERFORMANCE OF THE CONTRACT

2.10.1. JEA ACCESS BADGES

If the scope of work described in this Contract requires a Company to access JEA facilities, each Company employee shall apply for a JEA access badge through JEA's Security Department. An appointment to obtain a JEA access badge can be made by contacting JEA Security at securitybadge@jea.com. Finally, JEA does not allow Company employees to share JEA access badges. A Company whose employees are found to be sharing JEA access

badges, will result in the Contract being terminated immediately for default. Additionally, JEA shall be notified within six (6) hours of a lost or stolen JEA security badge or when an employee leaves the Company. Report badge termination notifications to JEA Security at (904) 665-8200.

2.10.2. CHANGE IN SCOPE OF SERVICES

From time to time, JEA may direct changes and modifications to the scope of the services to be performed under this Contract. The Company is willing and agreeable to accommodate such changes. Such changes shall be in the form of a written amendment. The JEA Representative directly responsible for this Contract will make the final determination as to whether any compensable change to the Company exists.

2.10.3. TRANSITION SERVICES

At any time prior to the date the Contract expires or terminates for any reason (the "Termination Date"), JEA may request Company to provide reasonable transition assistance services ("Transition Assistance"). Company will provide such Transition Assistance until such time as JEA notifies the Company that JEA no longer requires such Transition Assistance, but in no event for more than 180 days following the Termination Date.

Transition Assistance shall mean any services, functions or responsibilities that are ordinarily or customarily provided to a purchaser to ensure that the services provided to that purchaser by a contractor are fully transitioned in a smooth and efficient manner to a new service contractor (either JEA itself or a third party contractor). Transition Assistance includes the development and implementation of a detailed transition plan. To the extent that Transition Assistance will involve third parties hired by JEA, those third parties shall cooperate with Company in its provision of Transition Assistance and sign any reasonable non-disclosure agreements required by Company.

Transition Assistance rendered before the Termination Date shall be provided at no additional cost to JEA. Transition Assistance rendered after the Termination Date shall be provided at the rates negotiated by the parties prior to the rendering of such service, which rates shall not exceed the standard market rates that Company charges to government entities for comparable services; provided however, that if JEA terminates the Contract because of a breach by Company, then (i) the Transition Assistance shall be provided at no cost to JEA, and (ii) JEA will be entitled to any other remedies available to it under law. Company may withhold Transition Assistance after the Termination Date if JEA does not provide reasonable assurance that the charges for such Transition Assistance will be paid to Company in accordance with the invoicing and payment provisions of the Contract.

2.10.4. COMPANY REPRESENTATIVES

The Company shall provide JEA with the name and responsibilities of the Company Representative, in writing after Award of the Contract and before starting the Work under the Contract. Should the Company need to change the Company Representative, the Company shall promptly notify JEA in writing of the change.

2.10.5. COMPANY REVIEW OF PROJECT REQUIREMENTS

The Company shall review the Work requirements and specifications prior to commencing Work. The Company shall immediately notify the Contract Administrator in writing of any conflict with applicable law, or any error, inconsistency or omission it may discover. JEA will promptly review the alleged conflicts, errors, inconsistencies or omissions, and issue a Change Order or Purchase Order as appropriate if JEA is in agreement with the alleged conflict, and issue revised specifications. Any Work the Company performs prior to receipt of approved Change Order will be at the Company's sole risk.

2.10.6. LICENSES

The Company shall comply with all licensing, registration and/or certification requirements pursuant to applicable laws, rules and regulations. The Company shall secure all licenses, registrations and certifications as required for the

performance of the Work and shall pay all fees associated with securing them. The Company shall produce written evidence of licenses and other certifications immediately upon request from JEA.

2.10.7. SAFETY AND PROTECTION PRECAUTIONS

The Company shall comply with all applicable federal, state and local laws, ordinances, all JEA procedures and policies including any orders of any public body having jurisdiction for the safety of persons or protection of property. The Company understands and agrees that a violation of any provision of this clause is grounds for a Termination for Default, with no requirement to provide Company with a notice to cure. Additionally, the Company shall be responsible for all JEA damages associated with such termination.

The Company understands and agrees that JEA Representatives may stop Work at any time that JEA, at its sole discretion, considers the Company's Work to be unsafe or a risk to property, and to direct the Company to, at a minimum, perform as directed in such a way as to render the Work environment safe. The Company understands and agrees that it is responsible for paying all costs associated with providing a safe work environment including, but not limited to, any costs associated with any JEA directed safety improvements. The Company further understands and agrees that it is solely responsible for the safety of personnel and property associated with the Work, and that any actions taken by JEA to prevent harm to persons or damage to equipment does not, in any way, relieve the Company of this responsibility.

The Company Representative, or alternatively, the Company Supervisor, shall be designated as the Company's individual responsible for the prevention of accidents.

2.11. VENDOR PERFORMANCE EVALUATION

2.11.1. VENDOR PERFORMANCE EVALUATION

Use of Vendor Performance Evaluation Scorecards

JEA may evaluate the Company's performance using the evaluation criteria shown on the vendor scorecard available online at JEA.com.

Scores for all metrics shown on the evaluation range from a low of 1, meaning significantly deficient performance, to a high of 5, meaning exceptionally good performance. The Company's performance shall be classified as Top Performance, Acceptable Performance, or Unacceptable Performance, as defined herein. The evaluator will be a designated JEA employee. The evaluator's supervisor and the Chief Purchasing Officer will review deficient performance letters and Unacceptable Performance scorecards, as described below, prior to issuance. When evaluating the Company's performance, JEA will consider the performance of the Company's Subcontractors and suppliers, as part of the Company's performance.

Frequency of Evaluations

JEA may conduct performance evaluations and prepare scorecards in accordance with the procedures described herein at any time during performance of the Work or soon after the completion of the Work. JEA may conduct one or more evaluations determined solely at the discretion of JEA.

Unacceptable Performance

- If at any time, JEA determines, using the criteria described on the scorecard, that the performance of the Company is Unacceptable, the Contract Administrator and Chief Procurement Officer or his designated alternate will notify the Company of such in a letter. The Company shall have ten (10) days to respond to the Contract Administrator. Such response shall include, and preferably be delivered in-person by an

officer of the Company, the specific actions that the Company will take to bring the Company's performance up to at least Acceptable Performance.

- Within thirty (30) days from date of the first Unacceptable Performance letter, the Contract Administrator and Chief Purchasing Officer or his designated alternate will notify the Company by letter as to whether its performance, as determined solely by JEA, is meeting expectations, or is continuing to be Unacceptable. If the Company's performance is described in the letter as meeting expectations, no further remedial action is required by the Company, as long as Company's performance continues to be Acceptable.
- If the Company's performance as described in the letter continues to be Unacceptable, or is inconsistently Acceptable, then the Company shall have fifteen (15) days from date of second letter to demonstrate solely through its performance of the Work, that it has achieved Acceptable Performance. At the end of the fifteen (15) day period, JEA will prepare a scorecard documenting the Company's performance from the start of Work, or date of most recent scorecard, whichever is latest, and giving due consideration to improvements the Company has made in its performance, or has failed to make. If the scorecard shows Company's performance is Acceptable, then no further remedial action is required by Company as long as Company's performance remains Acceptable. If the scorecard shows the Company's performance is Unacceptable, JEA will take such actions as it deems appropriate including, but not limited to, terminating the Contract for breach, suspending the Company from bidding on any JEA related solicitations, and other remedies available in the JEA Purchasing Code and in law. Such action does not relieve the Company of its obligations under the Contract, nor does it preclude an earlier termination.
- In the event that the Contract Term or the remaining Term of the Contract does not allow for the completion of the deficient performance notification cycles described above for those in danger of receiving an Unacceptable Performance scorecard, JEA may choose to accelerate these cycles at its sole discretion.
- If the Company receives five (5) or more letters of deficiency within any twelve (12) month period, then JEA will prepare a scorecard describing the deficiencies and the Company's performance will be scored as Unacceptable.

Acceptable Performance

JEA expects the Company's performance to be at a minimum Acceptable.

Disputes

In the event that the Company wants to dispute the results of its scorecard performance evaluation, the Company must submit a letter to the Chief Procurement Officer supplying supplemental information that it believes JEA failed to take into account when preparing the scorecard. Such letter, along with supplemental information, must be submitted no later than ten (10) days following the Company's receipt of the scorecard. If the Chief Procurement Officer decides to change the scorecard, the Company will be notified and a revised scorecard will be prepared, with a copy issued to the Company. If the Chief Procurement Officer decides that no change is warranted, the decision of the Chief Procurement Officer is final. If the Company is to be suspended from consideration for future Award of any contracts, the Company may appeal to the Procurement Appeals Board as per JEA Procurement Code.

Public Records

There can be no expectation of confidentiality of performance-related data in that all performance-related data is subject to disclosure pursuant to Florida Public Records Laws. All scorecards are the property of JEA.

2.12. JEA RESPONSIBILITIES

2.12.1. SUSPENSION OF SERVICES

JEA may suspend the performance of the Services by providing Company with five (5) days' written notice of such suspension. Schedules for performance of the Services shall be amended by mutual agreement to reflect such suspension. In the event of suspension of Services, the Company shall resume the full performance of the Services when directed in writing to do so by JEA. Suspension of Services for reasons other than the Company's negligence or failure to perform, shall not affect the Company's compensation as outlined in the Contract Documents.

2.12.2. FORCE MAJEURE

No party shall be liable for any default or delay in the performance of its obligations under this Contract due to an act of God or other event to the extent that: (a) the non-performing party is without fault in causing such default or delay; (b) such default or delay could not have been prevented by reasonable precautions; and (c) such default or delay could not have been reasonably circumvented by the non-performing party through the use of alternate sources, work-around plans or other means. Such causes include, but are not limited to: act of civil or military authority (including but not limited to courts or administrative agencies); acts of God; war; terrorist attacks; riot; insurrection; inability of JEA to secure approval, validation or sale of bonds; inability of JEA or the Company to obtain any required permits, licenses or zoning; blockades; embargoes; sabotage; epidemics; fires; hurricanes, tornados, floods; or strikes.

In the event of any delay resulting from such causes, the time for performance of each of the parties hereunder (including the payment of monies if such event actually prevents payment) shall be extended for a period of time reasonably necessary to overcome the effect of such delay, except as provided for elsewhere in the Contract Documents.

In the event of any delay or nonperformance resulting from such causes, the party affected shall promptly notify the other in writing of the nature, cause, date of commencement and the anticipated impact of such delay or nonperformance. Such written notice, including Change Orders, shall indicate the extent, if any, to which it is anticipated that any delivery or completion dates will be thereby affected within seven (7) calendar days.

2.12.3. COORDINATION OF SERVICES PROVIDED BY JEA

The JEA Representative for the Work will, on behalf of JEA, coordinate with the Company and administer this Contract. It shall be the responsibility of the Company to coordinate all assignment related activities with the designated JEA Representative. The JEA Representative will be assigned to perform day-to-day administration and liaison functions, and to make available to the Company appropriate personnel, to the extent practical, and to furnish records and available data necessary to conduct the Work. The JEA Representative will also authorize the Company to perform work under this Contract.

2.13. MISCELLANEOUS PROVISIONS

2.13.1. AMBIGUOUS CONTRACT PROVISIONS

The parties agree that this Contract has been the subject of meaningful analysis and/or discussions of the specifications, terms and conditions contained in this Contract. Therefore, doubtful or ambiguous provisions, if any, contained in this Contract will not be construed against the party who physically prepared this Contract.

2.13.2. AMENDMENTS

This Contract may not be altered or amended except in writing, signed by JEA Chief Procurement Officer, or designee, and the Company Representative, or each of their duly authorized representatives.

2.13.3. APPLICABLE STATE LAW; VENUE; SEVERABILITY

The rights, obligations and remedies of the parties as specified under the Contract will be interpreted and governed in all respects exclusively by the laws of the State of Florida without giving effect to the principles of conflicts of laws thereof. Should any provision of the Contract be determined by the courts to be illegal or in conflict with any law of the State of Florida, the validity of the remaining provisions will not be impaired. Litigation involving this Contract or any provision thereof shall take place in the State or Federal Courts located exclusively in Jacksonville, Duval County, Florida.

2.13.4. CUMULATIVE REMEDIES

Except as otherwise expressly provided in this Contract, all remedies provided for in this Contract shall be cumulative and in addition to and not in lieu of any other remedies available to either party at law, in equity or otherwise.

2.13.5. DELAYS

Neither party shall be considered in default in the performance of its obligations hereunder to the extent that the performance of such obligation is prevented or delayed by any cause beyond the reasonable control of the affected party, and the time for performance of either party hereunder shall be extended for a period of equal to any time lost due to such prevention or delay.

2.13.6. ENTIRE AGREEMENT

This Contract constitutes the entire agreement between the parties. No statement, representation, writing, understanding, or agreement made by either party, or any representative of either party, which are not expressed herein shall be binding. All changes to, additions to, modifications of, or amendment to this Contract, or any of the terms, provisions and conditions hereof, shall be binding only when in writing and signed by the authorized officer, agent or representative of each of the parties hereto.

2.13.7. EXPANDED DEFINITIONS

Unless otherwise specified, words importing the singular include the plural and vice versa and words importing gender include all genders. The term "including" means "including without limitation", and the terms "include", "includes" and "included" have similar meanings. Any reference in this Contract to any other agreement is deemed to include a reference to that other agreement, as amended, supplemented or restated from time to time. Any reference in the Contract to "all applicable laws, rules and regulations" means all federal, state and local laws, rules, regulations, ordinances, statutes, codes and practices.

2.13.8. HEADINGS

Headings appearing herein are inserted for convenience or reference only and shall in no way be construed to be interpretations of text.

2.13.9. INDEPENDENT CONTRACTOR

Company is performing this Contract as an independent contractor and nothing in this Contract will be deemed to constitute a partnership, joint venture, agency, or fiduciary relationship between JEA and Company. Neither Company nor JEA will be or become liable or bound by any representation, act, or omission of the other.

2.13.10. LANGUAGE AND MEASUREMENTS

All communication between the Company and JEA, including all documents, notes on drawings, and submissions required under the Contract, will be in the English language. Unless otherwise specified in the Contract, the US

System of Measurements shall be used for quantity measurement. All instrumentation and equipment will be calibrated in US System of Measures.

2.13.11. MEETINGS AND PUBLIC HEARINGS

The Company will, upon request by JEA, attend all meetings and public hearings as required, in any capacity, as directed by JEA.

2.13.12. NEGOTIATED CONTRACT

Except as otherwise expressly provided, all provisions of this Contract shall be binding upon and shall inure to the benefit of the parties, their legal representatives, successors and assigns. The parties agree that they have had meaningful discussion and negotiation of the provisions, terms and conditions contained in this Contract. Therefore, doubtful or ambiguous provisions, if any, contained in the Contract shall not be construed against the party who physically prepared this Contract.

2.13.13. NONEXCLUSIVE

Notwithstanding anything contained herein that may appear to be the contrary, this Contract is "non-exclusive" and JEA reserves the right, in its sole discretion, to retain other companies to perform the Work, and/or JEA may self-perform the Work itself.

2.13.14. REFERENCES

Unless otherwise specified, each reference to a statute, ordinance, law, policy, procedure, process, document, drawing, or other informational material is deemed to be a reference to that item, as amended or supplemented from time to time. All referenced items shall have the enforcement ability as if they are fully incorporated herein.

2.13.15. RIGHT TO AUDIT AND FINANCIAL REPORTING

Accounting System

The Company shall establish and maintain a reasonable accounting system that enables JEA to readily identify the Company's assets, expenses, cost of goods, and use of funds.

Audited Financial Statements

The Company shall provide to JEA audited financial statements for the most recent fiscal year upon JEA's request, not later than five (5) days after receipt of written request.

Content and Retention of Records

Such records shall include, but not be limited to, accounting records, written policies and procedures; subcontract files (including proposals of successful and unsuccessful Respondents, bid recaps, etc.); all paid vouchers including those for out of pocket expenses; other reimbursement supported by invoices; ledgers; cancelled checks; deposit slips; bank statements; journals; original estimates; estimating work sheets; contract amendments and change order files; backcharge logs and supporting documentation; insurance documents; payroll documents; timesheets; memoranda; and correspondence. Company shall, at all times during the term of this Contract and for a period of five (5) years after the completion of this Contract, maintain such records, together with such supporting or underlying documents and materials.

Inspection /Audit of Records

Upon JEA's request, the Company agrees to allow JEA to audit, to examine, and to make copies of or extracts from its financial and operating records (in whatever form they may be kept, whether written, electronic, or other) kept by the Company, its employees, agents, assigns, successors, and subcontractors, for the purpose of determining invoice accuracy, or otherwise assessing compliance with the Contract Documents.

The Company shall at any time requested by JEA, whether during or after completion of this Contract, and at Company's own expense make such records available for inspection and audit (including copies and extracts of records as required) by JEA. Such records shall be made available to JEA during normal business hours at the Company's office or place of business in a workspace suitable for the audit and [subject to a three (3) day written notice/without prior notice]. In the event that no such location is available, then the financial records, together with the supporting or underlying documents and records, shall be made available for audit at a time and location that is convenient for JEA. The Company agrees to have knowledgeable personnel available to answer questions for the auditors during the time they are performing the audit and for a period of two (2) weeks thereafter. Company shall ensure JEA has these rights with Company's employees, agents, assigns, successors, and subcontractors, and the obligations of these rights shall be explicitly included in any subcontracts or agreements formed between the Company and any subcontractors to the extent that those subcontracts or agreements relate to fulfillment of the Company's obligations to JEA.

Cost of Audits

Costs of any audits conducted under the authority of this right to audit and not addressed elsewhere will be borne by JEA unless certain exemption criteria are met. If the audit identifies overpricing or overcharges (of any nature) by the Company to JEA in excess of one half of one percent (.5%) of the total contract billings, the Company shall reimburse JEA for the total costs of the audit.
