Minimum Qualification:

- The Respondent shall provide evidence of successful completion of two (2) similar projects by the lead investigator in years 2010 through 2019. These two projects will be the minimum qualification projects, and will also serve as the two (2) reference projects.
 - A similar project for the minimum qualification shall be defined as having evaluated proposals for generating capacity received by an investor-owned utility (IOU) or a municipal utility (Muni) under the Florida Public Service Commission (FPSC) Bid Rule (25-22.082 F.A.C.), and by having filed and defended testimony relative to the methodology, execution and results of the bid evaluation with FPSC in the corresponding Need-For-Power (NFP) application.
 - Successful completion will be demonstrated via reference to a FPSC docket number containing the associated NFP application filing, which shows testimony filed by the lead investigator relative to the methodology, execution and results of the RFP bid evaluation under the Bid Rule. The reference should also include the project name, project owner (utility) and project date, a description of the project objectives and methods, and if possible a copy of the pre-filed testimony found in the referenced docket. Verification will be made (by JEA) via checking the Need application documents in the identified FPSC docket folder.
 - Lead investigator shall be defined as the person who will be leading the evaluation process for JEA and presenting testimony (if required) before the FPSC
