REVISED: April 1, 2010

POLICY: JEA's travel requirements for contractors parallel the same travel guidelines in OS A0500 PS 120A for JEA Employee Travel. JEA is authorized to provide reimbursements for certain expenses incurred by a non-JEA employee upon the traveler meeting all the requirements stated in this procedure. The proper approval process must be followed for a non-JEA employee to travel and receive reimbursements for expenses incurred.

OBJECTIVES: Provide assistance to the non-JEA traveler in making travel arrangements and filing a travel claim for reimbursement of travel expenses occurred.

ASSIGNMENT: Director, Procurement Services is responsible for maintenance and implementation of this procedures. All using employees are responsible for compliance herewith.

PROCEDURE:

I. TRAVEL REQUESTS - Contractors must request approval for travel on official JEA business prior to commencement of travel. A Travel Request/Reimbursement Form is located in **Quest, Enabling Processes, Travel** and must be completed and submitted to the traveler's approving authority before travel begins.

II. GENERAL TRAVEL GUIDELINES

- A. **Constructive Point of Origin** - The application of the constructive point of origin regulation will ensure that the traveler travels the shortest reasonable distance on business. Travel shall be deemed to have begun at the usual place of business or residence, or the place where travel actually began, whichever is less.
- B. **Constructive Travel Time** is the time the traveler actually departs for his/her destination, or at the latest time the traveler could reasonably have departed in order to arrive at his/her destination in time to accomplish the official business, whichever is later. The same applies to the return back to the point of origin.
 - 1. Common Carrier (excluding rental automobile) Travel Time begins two hours prior to the time the traveler's conveyance actually departs.
 - 2. Motor vehicle (including rental automobile) Travel Time begins at the time travelers actually begin driving to their destination.
 - 3. If a traveler conducts personal business during official travel, the personal business shall be considered to have been conducted at the beginning or at the end of the travel.

C. Transportation

1. The traveler requesting approval to travel shall choose the most economical means of transportation, considering the nature of the business, the traveler's time, cost of transportation, meals, lodging and incidental expenses required.
2. Reimbursement shall be made only for travel performed over usually regularly traveled routes to the destination. When travel is by indirect route for the traveler's own convenience, reimbursement for expenses shall be based only on such charges as would have been incurred over the usually traveled route.
3. If the total miles from the departure point to destination exceeds 400 miles round trip, the mileage reimbursement for use of a private motor vehicle shall be limited to the lesser of:
 - a. IRS-authorized mileage rates described in Section 106.706 of the Ordinance Code, City of Jacksonville; or
 - b. the lowest airline common carrier coach fare available to the nearest airport plus IRS-authorized mileage rate per mile from the airport to the destination.

IV. AUTHORIZED EXPENSES

A. Airplane

1. Travel by Common Carrier shall be reimbursed at the lowest coach fare rate available (except that the first class rate is authorized if coach fare is not available). The Common Carrier shall complete The Certification of Unavailability of Coach Accommodation (Appendix A)
2. Reservations for a Saturday night stay over are encouraged if it results in a net savings after considering all incremental travel related expenses.
3. Reimbursement for rented aircraft shall be based on the hourly rental rate for the aircraft, including fuel, if the cost of renting the aircraft can be demonstrated to be less than the lowest available common carrier coach fare.
4. A copy of the ticket and itinerary must be submitted along with the expense statements.

B. Automobiles

1. If travel is by private automobile, reimbursement shall be based on IRS authorized mileage rate in existence at the time of travel. All mileage shall be completed from the constructive point of origin to the point of destination. Vicinity mileage incurred while driving on official business may also be reimbursed. Current mileage rates are listed on **Quest, Enabling Processes, Travel**.
2. No other reimbursement for expenses related to the operation, maintenance and ownership of a vehicle shall be allowed when a private motor vehicle is used on public business.

2. Every effort shall be made to coordinate travel so that travelers share a rental car and thereby eliminate multiple cars at the same location.

4. Personal accident insurance purchased by the traveler will not be reimbursed by JEA.
5. A copy of itemized rental car charges will be made and submitted with the expense statement.

D. Lodging

1. Reasonable reimbursement will be made for the cost of overnight lodging when a traveler is away from his/her place of residence. Travelers shall select lodging which is the most economically available, consistent with the duties being performed.
