

**NOTIFICATION OF INTENT TO CLOSE CCR LANDFILL
ST. JOHNS RIVER POWER PARK
BYPRODUCT STORAGE AREA B**

The Coal Combustion Residuals (CCR) Rule, 40 Code of Federal Regulations (CFR) Part 257 and 261, requires the owner or operator to provide notification of the intent to close a CCR unit under the requirements of §257.102. JEA is making notification of its intent to close the existing CCR landfill designated at Byproduct Storage Area B at the St. Johns River Power Park located at 11202 New Berlin Road, Jacksonville, Florida.

PROFESSIONAL CERTIFICATION

Byproduct Storage Area B will complete closure in accordance with §257.102(d) by leaving CCR in-place. I hereby certify that the final cover system has been designed to meet the requirements of §257.102(d)(3). This professional certification meets the requirements of §257.102(d)(3)(iii).

As used herein, the word “certification” shall mean an expression of the Engineer’s professional opinion of his or her information, knowledge, and belief, and does not constitute a warranty or guarantee by the Engineer.
