JEA AWARDS COMMITTEE DECEMBER 17, 2020 MEETING MINUTES

The JEA procurement Awards Committee met on December 17, 2020, in person with a WebEx option

WebEx Meeting Number (access code): 160 199 4252 WebEx Password: pxP6CqUSt63

Members in attendance were Jenny McCollum as Chairperson, Laure Whitmer as Budget Representative, Lawsikia Hodges as Office of General Counsel Representative; with Steve Tuten, Joe Orfano, Stephen Datz, Alan McElroy, and Kevin Holbrooks as voting Committee Members.

Chair McCollum called the meeting to order at 10:08 a.m., introduced the Awards Committee Members, and confirmed that there was a quorum of the Committee membership present.

Public Comments:

Chair McCollum recognized the public comment speaking period and opened the meeting floor to public comments. No public comments were provided by email, phone or videoconference.

Awards:

1. Chair McCollum verbally presented the Committee Members the proposed December 10, 2020 minutes contained in the board packet.

MOTION: Steve Tuten made a motion to approve the December 10, 2020 minutes (Award Item 1). The motion was seconded by Alan McElroy and approved unanimously by the Awards Committee (5-0).

The Committee Members reviewed and discussed the following Awards Items 2-6, 9-11, 13, 15-18, 20-23:

2. Request approval to award a sole source contract to The Energy Authority to provide Project Services Agreement for TEA JEA Water System Optimization Project Software Application Internal JEA Installation in the amount of \$40,000.00, subject to the approval of lawfully appropriated funds.

NOTE: PER OGC - there is no conflict with Joe Orfano voting on TEA items

MOTION: Alan McElroy made a motion to approve Award Item 2 as presented in the board packet. The motion was seconded by Joe Orfano and approved unanimously by the Awards Committee (5-0).

3. 091-20 – Request approval to award a contract to C & C Powerline Inc for construction services for the Normandy Substation controls project in the amount of \$744,359.00, subject to the availability of lawfully appropriated funds.

MOTION: Stephen Datz made a motion to approve Award Item 3 as presented in the board packet. The motion was seconded by Steve Tuten and approved unanimously by the Awards Committee (5-0).

4. Request approval to award a contract increase to The Haskell Company, for construction services for CMAR Services for the Greenland WRF project in the amount of \$9,479,822.00 for a new not-to-exceed amount of \$10,049,411.01, subject to the availability of lawfully appropriated funds.

MOTION: Alan McElroy made a motion to approve Award Item 4 as presented in the board packet. The motion was seconded by Joe Orfano and approved unanimously by the Awards Committee (5-0).

5. 104-20 – Request approval to award a contract to Williams Industrial Services, LLC for Construction Services for the 4511 Spring Park Rd Pump Station Rehab and Upgrade project in the amount of \$3,358,137.98, subject to the availability of lawfully appropriated funds.

MOTION: Steve Tuten made a motion to approve Award Item 5 as presented in the board packet. The motion was seconded by Stephen Datz and approved unanimously by the Awards Committee (5-0).

6. 084-20 – Request approval to award a contract to Insituform Technologies, LLC for construction services for Cured-In-Place Pipe (CIPP) Unit Price Construction projects in the amount of \$1,500,000.00, subject to the availability of lawfully appropriated funds.

MOTION: Kevin Holbrooks made a motion to approve Award Item 6 as presented in the board packet. The motion was seconded by Alan McElroy and approved unanimously by the Awards Committee (5-0).

- 7. **DEFERRED** Request approval to award a five (5) year lease renewal to SBA Towers II, LLC. for Communication Tower Site Lease Agreements in the amount of \$500,634.81, for a new not to exceed amount of \$1,355,773.75, subject to the availability of lawfully appropriated funds.
- 8. **DEFERRED** Request approval to award a five (5) year lease renewal to Pinnacle Towers Acquisition LLC. for Communication Tower Site Lease in the amount of \$791,062.11, for a new not to exceed amount of \$2,086,611.29, subject to the availability of lawfully appropriated funds.
- 9. 098-20 Request approval to award a contract to J. B. Coxwell Contracting, Inc. for construction services for the Beverly Hills West Septic Tank Phase-Out Project in the amount of \$20,987,000.00, subject to the availability of lawfully appropriated funds.

MOTION: Alan McElroy made a motion to approve Award Item 9 as presented in the board packet. The motion was seconded by Joe Orfano and approved unanimously by the Awards Committee (5-0).

10. Request approval to award a change order to Jones, Edmunds & Associates Inc. for services during construction for the Beverly Hills West Septic Tank Phase-Out Project in the amount of \$1,192,240.00, for a new not-to-exceed amount of \$2,941,925.00, subject to the availability of lawfully appropriated funds.

MOTION: Steve Tuten made a motion to approve Award Item 10 as presented in the board packet. The motion was seconded by Stephen Datz and approved unanimously by the Awards Committee (5-0).

11. Request approval to award a change order to Zycus, Inc. related to the Procurement E-Sourcing and Contract Lifecycle Management Cloud SaaS Software Solution License Subscription Purchase, Implementation, and Integration in the amount of \$1715.00, for a new not-to-exceed amount of \$868,271.36, subject to the availability of lawfully appropriated funds.

MOTION: Stephen Datz made a motion to approve Award Item 11 as presented in the board packet. The motion was seconded by Joe Orfano and approved unanimously by the Awards Committee (5-0).

- 12. **CANCELLED** Request approval to rescind the previously approved award to Schweitzer Engineering Laboratories Inc. The follow on award requests to approve a new award to Schweitzer Engineering Laboratories Inc and its affiliate SEL Engineering Services Inc.
- 13. Request approval to award a three (3) year contract to Schweitzer Engineering Laboratories Inc. and its affiliate SEL Engineering Services, Inc. for the supply of relays and services for transmission and distribution services in the amount of \$2,987,661.15, subject to the availability of lawfully appropriated funds.

MOTION: Kevin Holbrooks made a motion to approve Award Item 13 as presented in the board packet. The motion was seconded by Joe Orfano and approved unanimously by the Awards Committee (5-0).

- 14. **DEFERRED** 086-20 Request approval to award a contract to T B Landmark Construction, Inc. for construction services for the Downtown Extend Chilled Water System to New JEA Office & Ed Ball Building project in the amount of \$5,549,319.00, subject to the availability of lawfully appropriated funds.
- 15. 003-21 Request approval to award a contract to DB Civil Construction, LLC for construction services for the Ponte Vedra Blvd 6-inch CI Water Main Replacement project in the amount of \$3,319,011.00, subject to the availability of lawfully appropriated funds.

MOTION: Steve Tuten made a motion to approve Award Item 15 as presented in the board packet. The motion was seconded by Stephen Datz and approved unanimously by the Awards Committee (5-0).

16. 077-20 – Request approval to award a contract to Williams Industrial Services, LLC for construction services for the Construction Services for the Holiday Road Master Pump Station Rehabilitation project in the amount of \$1,838,452.76, subject to the availability of lawfully appropriated funds.

MOTION: Joe Orfano made a motion to approve Award Item 16 as presented in the board packet. The motion was seconded by Alan McElroy and approved unanimously by the Awards Committee (5-0).

17. 085-20 – Request approval to award a contract to Gresco Distribution Inc. representing Delta Star Transformer Inc. for the supply of one (1) 4 kV transformer for the Park & King substation project in the amount of \$617,571.90, subject to the availability of lawfully appropriated funds.

MOTION: Steve Tuten made a motion to approve Award Item 17 as presented in the board packet. The motion was seconded by Joe Orfano and approved unanimously by the Awards Committee (5-0).

18. 072-20 - Request approval to award a five (5) year contract to Armstrong Fence Co for Repair and Installation of Industrial Automatic Gate and Door Systems in the amount of \$2,388,000.00, subject to the availability of lawfully approved funds.

MOTION: Alan McElroy made a motion to approve Award Item 18 as presented in the board packet. The motion was seconded by Kevin Holbrooks and approved unanimously by the Awards Committee (5-0).

- 19. **DEFERRED** 073-20 Request approval to award a five (5) year contract to Agent Fire LLC for repair, installation and testing of fire alarm and sprinkler systems in the amount of \$2,408,000.00, subject to the availability of lawfully appropriated funds.
- 20. 074-20 Request approval to award a five (5) year contract to G4S Secure Integration LLC for Repair and Installation of Access Control Systems, in the amount of \$5,467,000.00, subject to the availability of lawfully approved funds.

MOTION: Stephen Datz made a motion to approve Award Item 20 as presented in the board packet. The motion was seconded by Joe Orfano and approved unanimously by the Awards Committee (5-0).

21. 075-20 - Request approval to award a five (5) year contract to United Security Alliance Inc. for repair and installation of video surveillance systems in the amount of \$6,400,000.00, subject to the availability of lawfully approved funds.

MOTION: Steve Tuten to approve Award Item 21 as presented in the board packet. The motion was seconded by Alan McElroy and approved unanimously by the Awards Committee (5-0).

22. 103-20 - Request approval to award a contract to Ferguson Enterprises, LLC for supplying Water and Wastewater Materials carried in JEA's inventory stock for a total not-to-exceed amount of \$4,776,285.60, subject to the availability of lawfully appropriated funds.

MOTION: Kevin Holbrooks made a motion to approve Award Item 22 as presented in the board packet. The motion was seconded by Joe Orfano and approved unanimously by the Awards Committee (5-0).

23. Request approval to award contract to Mid-Florida Diesel for the purchase of four (4) trailer mounted generators in the amount of \$352,528.00, subject to lawfully appropriated funds.

MOTION: Steve Tuten made a motion to approve Award Item 23 as presented in the board packet. The motion was seconded by Kevin Holbrooks and approved unanimously by the Awards Committee (5-0).

Informational Item:

No informational items were presented to the Awards Committee.

Ratifications:

No ratifications were presented to the Awards Committee for consideration.

Public Comments:

No additional public comment speaking period was taken.

Adjournment:

Chair McCollum adjourned the meeting at 11:15 a.m.

NOTE: These minutes provide a brief summary only of the Awards Committee meeting. For additional detail regarding the content of these minutes or discussions during the meeting, please review the meeting recording. Formal Bid and Award System

Award #2 January 7, 2021

Type of Award Request:	PROPOSAL (RFP)
Request #:	6840
Requestor Name:	Williams, David R.
Requestor Phone:	(904) 665-7093
Project Title:	Water Treatment Program for Chilled Water Plants
Project Number:	HD30803
Project Location:	JEA
Funds:	O&M
Budget Estimate:	\$675,000.00
Scope of Work:	

The purpose of this Request for Proposal (RFP) is to evaluate and select a vendor that can provide a five year (with up to two (2) one year renewals) Water Treatment Program providing a chemically or acid based water treatment program to keep the JEA Chilled Water Plants in full operation and at top efficiency at the following sites/locations:

- Hogan's Creek 777 East Church Street, Jacksonville, FL
- Downtown 521 West Duval Street, Jacksonville, FL
- Springfield 2103 Boulevard Street, Jacksonville, FL (by Shands Hospital).

JEA IFB/RFP/State/City/GSA#: 06	9-20

PROPOSERS:

Name	Amount	Rank
NALCO COMPANY LLC	\$684,564.75	1
PREMIER WATER & ENERGY TECHNOLOGY, INC.	\$569,760.00*	2

*Quotation of rates was 50% of evaluation, along with Technical Solution (40%) and Staff Experience (10%).

Background/Recommendations:

Advertised on 10/9/2020. Three (3) prime companies attended the mandatory pre-proposal meeting held on 10/20/2020. At proposal opening on 11/24/2020, JEA received two (2) Proposals. One bid was received after the noon cutoff time and was not accepted. Additionally, during the bid process, one company was acquired by one of the other bidders. This work has historically had low vendor participation, due to the specialized nature of the work and few capable providers. JEA deemed Nalco Company LLC ("Nalco") most qualified to perform the work. A copy of the bid forms and evaluation matrix are attached as backup.

The solicitation was originally advertised informally as RFP 98682 on 01/29/2020, and later rescinded due the evaluation criteria not providing the best value to JEA. This new solicitation reflects JEA's intent to better balance pricing vs. technical requirements. The new solicitation also included a more detailed bid workbook so vendors can bid materials (e.g., chemicals) and labor (services), in order to improve price transparency to JEA. Even though Premier Water & Energy Technology, Inc. had the lowest bid price, Nalco scored highest in technical solution and staff experience. Nalco provided a solution that included two proprietary items that better serve our systems:

- 1. 3D TRASAR Technology has the ability to detect upsets immediately by monitoring not only conductivity and pH, but by monitoring system stress directly using TRASAR scale and corrosion inhibitors. This helps Nalco achieve optimum cycles and increased water savings.
- 2. Rapid bio testing for immediate onsite results vs. dip slides which take 48 hours.

Additionally, Nalco will be using a Chlorine Dioxide treatment for the Thermal Energy Storage tank at Hogan's Creek. This is a more effective and best practice treatment of large thermal storage tanks. Lastly, Nalco's staff had cumulative total of 21 years more experience in this field. Their staff members included 2 members with BS degrees in Mechanical Engineering and one with a BS degree in Chemical Engineering.

069-20 – Request approval to award a contract to NALCO Company LLC, for water treatment services for the Water Treatment Program for Chilled Water Plants in the amount of \$684,564.75 subject to the availability of lawfully appropriated funds.

GM: Vu, Hai X. – Interim GM Water/Wastewater Systems

Formal Bid and Award System

Award #3 January 7, 2021

Type of Award Request:	BID (IFB)
Request #:	6842
Requestor Name:	Wagoner, Bryan L Mgr W/WW Control Systems & Operations
Requestor Phone:	(904) 728-1440
Project Title:	SCADA Field Services for JEA Water/Wastewater
Project Numbers:	HW30136, 8006487, 8006486, 8006539, 8006542, 8006543, 8006541, 8006544, 8006545
Project Location:	JEA
Funds:	Capital and O&M
Budget Estimate:	\$950,000.00

Scope of Work:

The scope of work includes providing labor, materials and services necessary for performance of Supervisory Control and Data Acquisition (SCADA) services for JEA. This Technical Specification, together with other solicitation documents will cover the performance of related Work for JEA Water/Wastewater.

The Scope of Work shall include, but not necessarily be limited to, furnishing of all supervision, labor and tools required to perform work described below:

- Radio Path Studies
- Telemetry inspection
- Radio supply cable connection testing
- SCADA system continuity testing
- Providing radio poles, towers, antennas and other equipment to complete upgrades, repairs and installations on an as requested basis
- Provide troubleshooting services
- Provide emergency support and response during outages
- Supply Radios (Radio communications 900 MHz, 2.4 GHz, and cellular frequencies)

JEA IFB/RFP/State/City/GSA#:	068-20
Purchasing Agent:	King, David
Is this a Ratification?:	NO

RECOMMENDED AWARDEE(S):

Name	Contact Name	Email	Address	Phone	Amount
A ADVANTAGE ELECTRIC, INC.	•	rvan@advantageelec.com	Middleburg.	(904) 219- 3556	\$950,000.00

Amount for entire term of Contract/PO:	\$950,000.00
Award Amount for remainder of this FY:	\$190,000.00
Length of Contract/PO Term:	Five (5) Years w/ Two (2) - 1 Yr. Renewals
Begin Date (mm/dd/yyyy):	01/10/2021
End Date (mm/dd/yyyy):	01/09/2026
Renewals:	Yes - Two (2) - 1 Yr. Renewals
JSEB Requirement:	N/A - Optional

BIDDERS:

Name	Amount (5 Year Total)
A ADVANTAGE ELECTRIC, INC.	\$3,992,662.40
TECHNICAL FIELD SERVICES	\$4,369,411.60
MOBILE COMMUNICATIONS AMERICA	No Bid
ITG TECHNOLOGIES	No Bid

Background/Recommendations:

Originally advertised on 09/23/2020. This solicitation was re-advertised due to low participation. Three (3) prime contractors attended the second mandatory pre-bid meeting held on 11/4/2020. At Bid opening on 12/01/2020, JEA received two (2) Bids. The other potential bidders stated that the amount of work on this project was more than their staffing levels could support. A Advantage Electric, Inc. is the lowest responsive and responsible Bidder. A copy of the Bid Form and Workbook are attached as backup.

The award amount of \$950,000.00 is the budgeted amount for services for the contract term. Based on historical spend, the project will be funded at approximately 60% Capital and 40% O&M. The unit prices in the Bid Workbook will be used as the basis to issue task orders as needed. The bid amount of \$3,992,662.40 was based on a workbook that overestimated the forecast quantities for both labor and materials. The intent was to price all of the possible work that might be performed. Compared to our previous contract for these services, JEA expects to realize an estimated savings of \$64,410.00 over the five-year term of this contract.

068-20 – Request approval to award a contract to A Advantage Electric, Inc. for SCADA Field Services for JEA Water/Wastewater in the amount of \$950,000.00, subject to the availability of lawfully appropriated funds.

VP: Vu, Hai X. – Interim GM Water Wastewater Systems

Formal Bid and Award System

Award #4 January 7, 2021

Type of Award Request:	BID (IFB)
Request #:	6876
Requestor Name:	Betancur, Maria A.
Requestor Phone:	(904) 665-7215
Project Title:	5th St. W Imeson Rd to Melson Ave - Trans - New - FM
Project Number:	8004781
Project Location:	JEA
Funds:	Capital
Budget Estimate:	\$12,538,302.00
Scope of Work	

Scope of Work:

Construction services for the installation of approximately 16,000 feet of 20-inch sewer force main (FM) along 5th St. from Melson to Picketville. Work includes but not limited to:

- 5th and Melson St. manhole replacement
- Upsizing of two adjacent manholes before discharging into 5th and Melson intersection
- Jack and bore under Rail Road crossings, Lane Ave, and Edgewood Ave, at 5th St. Directional drilling under I-295
- Installation of water main stub-outs
- Installation of FM pipe interconnections between the new 20-inch FM and the existing two 12-inch FMs
- Footprint and service connections establishment for future odor control equipment.

The main purpose of this project is to provide additional capacity to dual 12-inch force mains along the project corridor.

JEA IFB/RFP/State/City/GSA#:	092-20
Purchasing Agent:	King, David
Is this a Ratification?:	NO

J. B. COXWELL CONTRACTING, INC.	\$13,263,411.32
JAX UNDERGROUND UTILITIES, INC.	No Bid

Background/Recommendations:

Advertised on 09/24/2020. Sixteen (16) prime contractors attended the second mandatory pre-bid meeting held on 10/15/2020. At Bid opening on 12/15/2020, JEA received five (5) Bids and one (1) no bid. Petticoat-Schmitt Civil Contractors, Inc. is the lowest responsive and responsible Bidder. A copy of the Bid Form and Workbook are attached as backup.

The award amount of \$9,004,152.00 is approximately 28% lower than the budget estimate of \$12,538,302.00. The majority of the lower costs are associated with the materials, labor and installation items, compared to the 100% estimate prepared by the engineer. The biggest decrease in cost appears to be on the unit price of the 20' PVCDR-25 Force Main pipe that went down from \$252.00/LF to \$170.00/LF. When analyzing the changes along the project progress and stages, it shows that this value increased substantially to account for dewatering and location of the project along a congested traffic corridor. Initially the pipe was designed at a higher depth, in order to accommodate for the current Air Release Valve (ARV) standards and measurements, lately as the design progressed, a new proposed ARV modification to the standards allowed for the pipe to be designed shallower, reducing dewatering costs and construction safety risks. Apparently, the contingency for an installation at a deeper depth was carried along and not reduced accordingly through the project in the engineer's estimate. Another item that should have increased the cost of pipe installation is the \$963,000.00 of 21,400 CY of unsuitable soils approximated to be removed and replaced according to the Geotechnical report and the engineer's recommendation, but this value was to be considered to be rolled over in the pipe installing price by the contractor. The bid amounts were reviewed by JEA and deemed reasonable.

092-20 – Request approval to award a contract to Petticoat-Schmitt Civil Contractors, Inc. for construction services for 5th St. W. - Imeson Rd to Melson Ave - Trans - New - FM project in the amount of \$9,004,152.00, subject to the availability of lawfully appropriated funds.

Manager:	DiMeo, Elizabeth A Mgr W/WW Project Management

Formal Bid and Award System

Award #5

January 7, 2021

Type of Award Request:	RENEWAL
Request #:	188
Requestor Name:	Tanner, Steve C.
Requestor Phone:	(904) 665-7953
Project Title:	Communication Tower Site Lease
Project Number:	HE30904
Project Location:	JEA
Funds:	O&M
Award Estimate:	\$500,000.00 (Based on \$100,000 in FY21)
Scope of Work	

Scope of Work:

Formal request to renew the existing four (4) site lease agreements between JEA and formerly known as SBA Towers, LLC, now known as SBA Communications Corporation. Communication connectivity is required at the Hogan Rd. site for the FCRS (First Coast Radio System), SCADA NMR (Network Metet Reading) which has transitioned to AMI (Advanced Metering Infrastructure), SCADA DA (Supervisory Control Data Acquisition Distribution Automation), and SCADA WWLS (Supervisory Control Data Acquisition Waste Water Lift Station) Systems.

JEA IFB/RFP/State/City/GSA#: CPA 104372

Purchasing Agent:	Dambrose, Nickolas C.
Is this a ratification?:	NO

RECOMMENDED AWARDEE(S):

Name	Contact Name	Address	Email	Phone	Amount
SBA	Lymatta	8051 Congress Avenue,	LSzuba@sbasite.com	(561)	
COMMUNICATIONS	Lynelle	Boca Raton, FL 33487-		226-	\$500,634.81
CORPORATION	Szuba	1307		9384	

Amount of Original Award:	\$162,500.00
Date of Original Award:	10/28/1999
Change Order Amount:	\$500,634.81

List of Previous Change Order/Amendments:

Change Order #	Amount	Date
1	\$350,000.00	03/25/2010
2	\$443,533.16	12/18/2014
3	\$61,605.78	12/19/2019

New Not-To-Exceed Amount: \$1,518,273.75 Award Amount for remainder of this FY: \$97,014.59

Length of Contract/PO Term:	Five (5) Years w/ One $(1) - 5$ Yr. Renewal
Begin Date (mm/dd/yyyy):	05/01/2020
End Date (mm/dd/yyyy):	4/30/2025
Renewal Options:	YES – One (1) 5-Yr Renewal

If yes, please explain: This lease agreement will automatically renew for another five (5) year period from 05/01/2025 to 4/30/2030. This item will be returned to awards committee for approval prior to auto renewal.

JSEB Requirement:

There are no JSEB Opportunities

BIDDER:

Name	Amount
SBA COMMUNICATIONS CORPORATION	\$500,634.81

Background/Recommendations:

This agreement was initiated in 2001. The original award was sole source with the tower owner SBA and was for the First Coast Radio build. The original lease was with TC Florida Towers II, LLC. Agreement date was June 12, 2001 (see attached agreement). On September 8, 2006, TC Florida Towers II, LLC sold to SBA Towers II, LLC. JEA owned the radio system until 2011 and have carried the leases on behalf of the City of Jacksonville since that time. JEA has an MOU with the City of Jacksonville for reimbursement of the First Coast Radio attachments for these towers. The company name has changed from SBA Towers II LLC to SBA Communications Corporation. There are four (4) separate lease agreements for each system which include FCRS (First Coast Radio System), JEA SCADA DA, JEA SCADA NMR, and JEA SCADA WWLS systems). Per the terms of the Original Lease Agreements with SBA Towers, LLC (which purchased this tower from TC Florida Towers II, LLC), the agreements are good for five (5) years and automatically renew at the end of each five (5) year period. Also according to the terms of the agreement and the amendments currently in force, SBA Tower II, LLC is allowed to increase the rent by three percent (3%) percent every year (see the attached Leases for details). In 2011, the City amended the agreement when they wanted to interconnect all the sites with a microwave antenna system link to connect the whole system as a loop to allow better communication. Both amendments increased the cost by more than \$4,800 per year. On December 19, 2019 JEA added less than ten percent (10%) administrative increase of \$61,605.78 to get through the existing expiration date of 04/30/2020.

It should be noted, the City of Jacksonville (COJ) reimburses JEA for the Hogan Rd FCRS site. The estimated amounts included in this award over the next five (5) years are noted below (see attached spreadsheet for a more detailed breakdown):

Years	Total Award Estimate Per Year	COJ Reimbursement Estimate Per
	for all Four (4) Sites	Year
FY20-21	\$ 97,014.59	\$72,663.26
FY21-22	\$ 98,545.42	\$73,809.84
FY22-23	\$ 100,101.38	\$74,975.25
FY23-24	\$ 101,682.93	\$76,159.82
FY24-25	\$ 103,290.49	\$77,363.87
TOTAL	\$500,634.81	\$374,972.04

The four (4) lease areas for the Hogan Rd. Tower included in this request are as follows:

Hogan Rd. WJCT FCRS reimbursed by COJ (possible co-build) Hogan Rd. WJCR SCADA NMR Hogan Rd. WJCR SCADA DA Hogan Rd. WJCR SCADA WWLS JEA has approached the City of Jacksonville (COJ) about the possibility of co-building to replace the SBA Hogan Rd. WJCT FCRS site tower currently under lease. JEA is currently in a holding pattern right now on this discussion with COJ.

Request approval to award a five (5) year lease renewal to SBA Communications Corporation for Communication Tower Site Lease Agreements in the amount of \$500,634.81, for a new not to exceed amount of \$1,518,273.75, subject to the availability of lawfully appropriated funds.

Award Amount for remainder of this FY:	\$83,541.50
Length of Contract/PO Term:	Five (5) Years
Begin Date (mm/dd/yyyy):	5/1/2015
End Date (mm/dd/yyyy):	4/30/2020
Renewal Options:	YES – One (1) 5-Yr Renewal

If yes, please explain: This lease agreement will automatically renew for another five (5) year period from 5/1/2020 to 4/30/2025.

JSEB Requirement:	NA
Comments on JSEB Requirements:	N/A -lease agreement

BIDDER:

Name	Amount	Disqualified	Reason
SBA TOWERS II LLC	\$443,533.16	NO	

Background/Recommendations:

This agreement was initiated in 2001. There are separate lease agreements for each system (FCRS (the First Coast Radio System), the JEA SCADA DA, the JEA SCADA NMR, and the JEA SCADA WWLS systems). Per the terms of the Original Lease Agreements with SBA Towers II, LLC (which purchased this tower from TC Florida Towers II, LLC), the agreements are good for five (5) years and automatically renew at the end of each five (5) year period. Also according to the terms of the agreement and the amendments currently in force, SBA Tower II, LLC is allowed to increase the rent by 3% percent every year (see the attached Leases for details). In 2011, the City amended the agreement when they wanted to interconnect all the sites with a microwave antenna system link to connect the whole system as a loop to allow better communication. Both amendments increased the cost by more than \$4,800 per year.

It should be noted, the City of Jacksonville (COJ) reimburses JEA for the Hogan Rd FCRS site. The estimated amounts included in this award over the next five (5) years are noted below (see attached spreadsheet for a more detailed breakdown):

Years	Total Award Estimate Per Year	COJ Reimbursement Estimate Per Year
FY14-15	\$ 83,541.50	\$62,572.01
FY15-16	\$ 86,047.74	\$64,449.17
FY16-17	\$ 88,629.17	\$66,382.64
FY17-18	\$ 91,288.05	\$68,374.12
FY18-19	\$ 94,026.69	\$70,425.34
TOTAL	\$443,533.16	\$332,203.28

The sites included in this request are as follows:

Hogan Rd. WJCT FCRS

Hogan Rd. WJCR SCADA NMR Hogan Rd. WJCR SCADA DA Hogan Rd. WJCR SCADA WWLS

Request approval to award a five (5) year lease renewal to SBA Towers II, LLC. for Communication Tower Site Lease Agreements in the amount of \$443,533.16, for a new not to exceed amount of \$956,033.16, subject to the availability of lawfully appropriated funds.

Good afternoon everyone,

Thank you for reaching out to SBA, Steve.

Please see attached projected rent for 2021. Each individual account is listed on a separate tab. The annual increase is 3% and the account will bill in January. The increase occurs throughout the year and as we discussed last fiscal year, invoices will be produced for the increases throughout the year. There may be a slight rounding difference on the final billing.

Erdy, Please review the accounts to ensure all 2020 payments have been applied to any open invoices for 2020. Thank you,

Subject: [External] RE: JEA Hogan Road Site - FL10339-A-12 Invoice No. 13651868 Importance: High

Lynette,

Per your note below, and based on JEA current Contract Purchase Agreement (CPA) with SBA Towers II, LLC, it is time for us to work together to get the billing issues resolved so when we pay the Invoices in January, no further invoices will be generated for the rest of the year. I thought we had created an amendment so the anniversary dates of FL10339-A-11, 12, 13, and 14 are moved to January 1 of each respective year. Is this not the case?

Please let me know how we want to move forward so we can get this corrected. Thanks,

Steven C. Tanner

Dear Steve,

I hope this email finds you well, thank you for reaching out to our team.

Unfortunately, subject referenced are the back-billings we discussed in our last correspondence and they will process through the year. I believe there will be another in June. The system auto-generates the invoice. If we turn off the auto-generation of invoices then no invoices will be mailed on the new billing cycle. I can confirm as per our previous discussions, SBA has received full payment for the fiscal year billing. Additionally as discussed, as we get closer to the new fiscal year, we should work together with our site-leasing department to put together a more efficient method.

Regards,

Formal Bid and Award System

Award #7 January 7, 2020

Type of Award Request:	BID (IFB)
Request #:	6862
Requestor Name:	Summers, Matt K Manager, Physical Security
Requestor Phone:	(904) 665-4798
Project Title:	Repair, Installation, and Testing of Fire Alarm and Sprinkler Systems
Project Number:	8006696, 8006563, HE31000
Project Location:	JEA
Funds:	Capital and O&M
Budget Estimate:	\$3,458,000.00 (JEA = \$2,408,000.00, other agencies = \$1,050,000.00)
Scope of Work:	

The scope of this contract is to secure the services of a licensed and qualified contractor which will provide procurement, installation, inspection, testing, and maintenance of fire alarm, sprinkler, and clean agent systems at various JEA facilities and properties. The work performed by the contractor consists of, but is not limited to, all materials, labor, supervision, tools, electronic parts, wiring, software, hardware and equipment necessary to provide installation, maintenance, adjustments, testing, replacement of parts, and emergency service as herein specified.

JEA IFB/RFP/State/City/GSA#:	073-20
Purchasing Agent:	Rix, Lynn Woods
Is this a Ratification?:	NO

AGENT FIRE LLC	\$3,388,397.40
CINTAS FIRE PROTECTION	\$3,390,188.50
WW GAY FIRE & INTEGRATED SYSTEMS INC.	\$3,860,652.46

Background/Recommendations:

Advertised 10/05/2020. Six (6) companies attended the mandatory pre-bid meeting on 10/16/2020. At bid opening, November 3, 2020, only two (2) bids were received. JEA did not open the bid and set as second mandatory pre-bid meeting to increase competition. In order to bid, a supplier must have attended at least one of the two mandatory pre-bid meetings. No additional companies attended the second mandatory pre-bid meeting on November 13, 2020. At bid opening, November 24, 2020, three (3) bids were received. Agent Fire LLC was the lowest responsive and responsible bidder. JTA and JPA participated in the Bid process and their forecast spend was aggregated with JEA's spend for a five (5) year multi-agency Bid. A copy of the Bid Form is attached.

This award is the result of a joint effort between JEA, JAXPORT, and JTA to create a single solicitation and provide the identified services for all three (3) agencies as a collaborative sourcing effort. This award is for JEA projects only. The primary goals are to:

- Obtain reduced, and secured, united costs for all three (3) agencies for the next five (5) years;
- Create interoperability between agencies; and
- Enhance the availability of materials and responsiveness of service in Jacksonville for these systems, while reducing the administrative burden to the agencies.

Comparing Agent Fire LLC labor rates to the current contract, labor rates show a three percent (3%) decrease. The forecasted materials spend has increased due to material changes and pricing changes, which varied and are not directly comparable. Rates are fixed throughout the term of the contract. The award amount is less than the Bid Amount to due to current budget and the business unit intends to examine the budget in the out years to support carrying the contract to term. The award amount is less than the Bid Amount to due to current budget and the business unit intends to examine the budget in the out years to support carrying the contract to term. The award amount is less than the Bid Amount to due to current budget and the business unit intends to examine the budget in the out years to support carrying the contract to term.

073-20 – Request approval to award a five (5) year contract to Agent Fire LLC for repair, installation and testing of fire alarm and sprinkler systems in the amount of \$2,408,000.00, subject to the availability of lawfully appropriated funds.

Formal Bid and Award System

Award #8 January 7, 2021

Type of Award Request:	INVITATION TO NEGOTIATE (ITN)
Request #:	6875
Requestor Name:	Brunell, Baley
Requestor Phone:	(904) 665-6992
Project Title:	JEA Vacuum Truck Procurement Acquisition
Project Number:	8006562
Project Location:	JEA
Funds:	Capital
Budget Estimate:	\$740,000.00

Scope of Work:

The purpose of this Invitation to Negotiate (the "ITN") was to solicit pricing for the purchase of two (2) vacuum jet trucks within class category 143 for JEA's FY21 requirements. This purchase is for planned and budgeted replacement of JEA's Fleet Water assets (Water Replacement – 2 units) and have been approved as part of the FY21 Fleet Capital Procurement Plan.

JEA IFB/RFP/State/City/GSA#:	088-20
Purchasing Agent:	Roddy, Colin
Is this a Ratification?:	NO

RECOMMENDED AWARDEE(S):

Name	Contact Name	Email	Address	Amount
ENVIRONMENTAL PRODUCTS GROUP, INC.	Nick Causey	ncausey@myEPG.com	2525 Clarcona Rd, Apopka, FL 32703	\$747,488.00

Amount for entire term of Contract/PO:	\$747,488.00
Award Amount for remainder of this FY:	\$747,488.00
Length of Contract/PO Term:	Project Completion
Begin Date (mm/dd/yyyy):	01/07/2021
End Date (mm/dd/yyyy):	Project Completion
JSEB Requirement:	N/A – No JSEBs available

BIDDERS:

Name	Original Amount	BAFO Amount	Proposed Award Amount
ENVIRONMENTAL PRODUCTS GROUP, INC.	\$756,876.00	\$747,488.00	\$747,488.00
VAC-CON, INC.	\$775,632.00	\$750,000.00	\$0.00

Background/Recommendations:

Advertised 10/26/2020. Five (5) companies attended the optional pre-response meeting on 11/02/2020. At the Response opening on 11/17/2020, JEA received two (2) Responses. Southern Sewer (VAC-CON) & Environmental Products (VACTOR) are the 2 primary players in the business. However, Pats Pump & Blower was also invited after review of our requirements vs their specifications. The delivery deadline was the primary reason for them not bidding. The secondary reason is Pats Pump & Blower primarily build rear mounted reel units. The front reel mounted units (JEA Required) require them to retool which takes additional time/labor.

The solicitation was processed as an ITN given the complexity of the work found within the solicitation, as this was a fleet capital solicitation that involved complex technical requirements. On 12/07/2020, negotiations were held with the two (2) shortlisted companies, Vac-Con, Inc. and Environmental Products Group, Inc. After the Best and Final Offers (BAFO) were submitted, Environmental Products Group, Inc. was deemed the lowest cost responsible and responsive Respondent for the one Vacuum Truck grouping.

Vehicle Grouping	Proposed Awardee	Previous Pricing	Proposed Award
Group 1 – Class 143 Two (2) 5T Vacuum Truck Loader 16 CY	Environmental Products Group, Inc.	\$351,900.00	\$373,744.00
	TOTALS	\$703,800.00	\$747,488.00

When comparing JEA's past pricing to the proposed winning supplier, JEA's new pricing will be 6.21%, or \$43,688.00 higher based on current market conditions. This percentage was determined by taking the last price paid for this specific fleet asset and comparing that price to the quoted unit price found within this solicitation. As a result of the ITN, JEA was able to realize a BAFO savings in the amount of \$9,388.00.

Request approval to award a contract to Environmental Products Group, Inc. in the amount of \$747,488.00, for the purchase of two (2) vehicles within the vehicle class category of 143 for JEA's FY21 Fleet capital requirements, for a total not-to-exceed amount of \$747,488.00, subject to the availability of lawfully appropriated funds.

Project Number:	8006562 & 8006703
Project Location:	JEA
Funds:	Capital
Budget Estimate:	\$1,655,500.00
Scope of Work:	

The purpose of this Invitation to Negotiate (the "ITN") was to solicit pricing for the purchase of eleven (11) heavy duty vehicles within the class categories of 131, 133, 135, and 145 for JEA's FY21 and FY22 requirements. This purchase is for planned and budgeted replacement of JEA's Fleet Water (Water Replacement – 2 units) and Energy (Energy Replacement – 9 units) assets associated with the Fleet Capital Procurement Plan.

TOM NEHL TRUCK COMPANY	\$415,758.00	\$414,500.00	\$0.00

Background/Recommendations:

Advertised 10/26/2020. Five (5) companies attended the optional pre-response meeting on 11/02/2020. At the Response opening on 11/17/2020, JEA received five (5) Responses.

The solicitation was processed as an ITN given the complexity of the work found within the solicitation, as this was a fleet capital solicitation that involved complex technical requirements. On 12/02/2020 and 12/04/2020, negotiations were held with the five (5) shortlisted companies, Cumberland International Trucks, Kenworth of Jacksonville, Inc., Nextran Truck Centers Jacksonville, Orlando Freightliner, and Tom Nehl Truck Company. After the Best and Final Offers (BAFO) were submitted, Orlando Freightliner and Nextran Truck Centers Jacksonville were deemed the lowest cost responsible and responsive Respondents for the three (3) heavy duty vehicle groupings included in this solicitation.

Vehicle Grouping	Vehicles	Proposed Awardee	Previous Pricing	Proposed Award
Group 1	Truck 3 Ton Cargo Reel	Orlando Freightliner	\$689,892.00	\$722,814.00
Group 2	Truck 5 Ton Dump 19 Cubic Yard Truck 5 Ton Road Tractor	Nextran Truck Centers of Jacksonville	\$475,855.00	\$396,507.00
Group 3	Van Walk-In 18' Van Walk-In Comp 22'	Orlando Freightliner	\$349,782.00	\$408,948.00

When comparing JEA's past pricing to the proposed winning supplier, JEA's new pricing will on average be 1.67%, or \$12,740.00 higher based on current market conditions. This percentage was determined by taking the last price paid and comparing those prices to the quoted unit prices found within this solicitation. As a result of the ITN, JEA was able to realize a BAFO savings in the amount of \$8,778.00.

Request approval to award a contract to Orlando Freightliner (\$1,131,762.00) and Nextran Truck Centers of Jacksonville (\$396,507.00), for the purchase of eleven (11) vehicles within the vehicle class categories of 131, 133, 135, and 145 for JEA's FY21 and FY22 heavy duty fleet capital requirements, for a total not-to-exceed amount of \$1,528,269.00, subject to the availability of lawfully appropriated funds.

Formal Bid and Award System

Award #10 January 7, 2021

Type of Award Request:	INVITATION TO NEGOTIATE (ITN)
Request #:	6874
Requestor Name:	Brunell, Baley
Requestor Phone:	(904) 665-6992
Project Title:	JEA Aerial Duty Vehicle Procurement Acquisition
Project Number:	TBD – FY22
Project Location:	JEA
Funds:	Capital
Budget Estimate:	\$3,800,000.00

Scope of Work:

The purpose of this Invitation to Negotiate (the "ITN") was to solicit pricing for the purchase of sixteen (16) aerial duty vehicles within the class categories of 132, 211, 213, 223, and 226 for JEA's FY22 requirements. This purchase is for planned and budgeted replacement of JEA's Energy (Energy Replacement – 16 units) assets associated with the Fleet Capital Procurement Plan.

JEA IFB/RFP/State/City/GSA#:	090-20
Purchasing Agent:	Roddy, Colin
Is this a Ratification?:	NO

End Date (mm/dd/yyyy):	Project Completion
JSEB Requirement:	N/A – No JSEBs available
BIDDERS:	

Name	Original Amount	BAFO Amount	Proposed Award Amount
ALTEC INDUSTRIES, INC.	\$3,847,487.00	\$3,574,380.00	\$1,632,230.00
EQUIPMENT TECHNOLOGY, LLC	\$1,261,628.25	\$1,261,628.25	\$0.00
RING POWER CORPORATION	\$3,602,534.00	\$3,512,851.00	\$0.00
VERSALIFT SOUTHWEST LLC	\$3,365,434.00	\$3,405,181.00*	\$1,901,176.00

*Versalift's BAFO was \$39,747.00 higher than their initial bid as they improperly quoted two (2) of the aerial groupings, which was contributed to being a first time bidder of JEA's aerial duty vehicles. It should be noted that they were not awarded either grouping which had a price increase.

Background/Recommendations:

Advertised 10/26/2020. Four (4) companies attended the optional pre-response meeting on 11/02/2020. Four (4) companies also attended an optional on-site vehicle review held on 11/10/2020. At the Response opening on 11/17/2020, JEA received four (4) Responses.

The solicitation was processed as an ITN given the complexity of the work found within the solicitation, as this was a fleet capital solicitation that involved complex technical requirements. On 12/01/2020, negotiations were held with the four (4) shortlisted companies, Altec Industries, Inc., Equipment Technology LLC, Ring Power Corporation, and Versalift Southwest LLC. After the Best and Final Offers (BAFO) were submitted, Altec Industries, Inc. and Versalift Southwest LLC were deemed the lowest cost responsible and responsive Respondents for the seven (7) aerial duty vehicle groupings.

Vehicle Grouping	Vehicles	Proposed Awardee	Previous Pricing	Proposed Award
Group 1	Truck 1 T 4X4 Flatbed / Ground Rod Driver	Altec Industries, Inc.	-	\$162,480.00
Group 2	Truck 1 Ton Extended Cab 4X4 Bucket Tele 40'	Versalift Southwest LLC	\$404,028.00	\$408,288.00
Group 3	Truck 3 Ton Derrick Digger 50'	Altec Industries, Inc.	\$1,165,332.00	\$1,094,000.00
Group 4	Truck 5 Ton Derrick / Bed Winch 50'	Altec Industries, Inc.	\$367,235.00	\$375,750.00
Group 5	Truck 2 Ton Bucket Cut-In 40'	Versalift Southwest LLC	-	\$275,786.00
Group 6	Truck 3 Ton Extended Cab Bucket Material Handler 55'	Versalift Southwest LLC	\$458,650.00	\$464,564.00
Group 7	Truck 3 Ton Extended Cab Over Center Bucket Material Handler 55'	Versalift Southwest LLC	-	\$752,538.00

It should be noted for Group 4, Versalift Southwest LLC was the lowest cost Respondent, but they provided a quote that did not meet all the JEA Technical Specifications identified within the Appendix A Technical Specifications for Group 4. Because of this, it is recommended for Group 4 to award to the next lowest cost Respondent, Altec Industries, Inc.

When comparing JEA's past pricing to the proposed winning supplier for each respective grouping, JEA's new pricing will be 2.25%, or \$52,643.00 lower based on current market conditions for Vehicle Groupings 2, 3, 4, and 6. This percentage was determined by taking the last price paid and comparing those prices to the quoted unit prices of this solicitation. There were some units where no past pricing information was available for comparison purposes, as the specific assets have never been purchased prior to this solicitation, those were excluded from the decrease percentage calculation.

Request approval to award a contract to Versalift Southwest LLC (\$1,901,176.00) and Altec Industries, Inc. (\$1,632,230.00), for the purchase of sixteen (16) vehicles within the vehicle class categories of 132, 211, 213, 223, and 226 for JEA's FY22 aerial duty fleet capital requirements, for a total not-to-exceed amount of \$3,533,406.00, subject to the availability of lawfully appropriated funds.
