Welcome to the JEA Awards Meeting

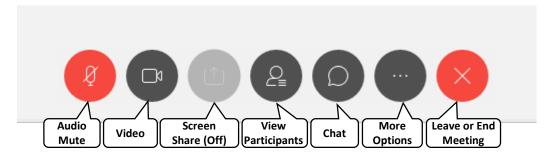

You have been joined to the meeting with your audio muted by default.

We will unmute your lines during the public comment time and provide opportunity for you to speak.

During the meeting, interested persons can also email Halley Reiman at reimhj@jea.com to submit public comments to be read during the meeting regarding any matter on the agenda for consideration. Public comments by e-mail must be received no later than 9:00 a.m. to be read during the public comment portion of the meeting.

Please contact Halley Reiman by telephone at (904) 665-8815 or by email at reimhj@jea.com if you experience any technical difficulties during the meeting.

Below is a summary of the meeting controls you will see at the bottom of your screen.

AWARDS COMMITTEE AGENDA

DATE: Thursday, October 28, 2021

TIME: 10:00 A.M.

PLACE: JEA, Customer Center, Bid Office, 1st Floor, 21 West Church Street, Jacksonville, FL

32202 OR

WebEx/Teleconference

WebEx Meeting Number (access code): 160 199 4252

WebEx Password: pxP6CqUSt63

Public Comments:

Awards:

1. Approval of the minutes from the last meeting (10/21/2021).

- 2. 1410316846 Request approval to award a contract to Jacobs Engineering Group, Inc, Four Waters Engineering, Inc, Mott MacDonald Florida, LLC, Jones Edmunds & Associates, Inc, McKim & Creed, Inc, Ardurra Group, Inc, and Black & Veatch Corporation, for General Engineering Services for Pipeline Projects and Studies 16" Pipe Diameter or Greater in the amount of \$6,000,000.00, subject to the availability of lawfully appropriated funds.
- 3. Request approval to decrease the contract with Brasfield & Gorrie LLC, for the Arlington East Water Reclamation Facility (WRF) Upgrade Projects in the amount of (\$476,957.19), for a new not-to-exceed amount of \$3,091,449.39, subject to the availability of lawfully appropriated funds.
- 4. 1410440046 Request approval to award a contract to Duval Ford and Garber Ford Inc for the combined purchase of Sixty-two (62) vehicles found within vehicle class categories of 116, 116X, 117, 117C, 117X, 122, 122+, & 130 for JEA's Light and Medium Duty Fleet Capital Purchases for a total not-to-exceed amount of Duval Ford in the amount of \$1,996,149.00 and Garber Ford Inc in the amount of \$619,317.00 for a total of \$2,615,466.00, subject to the availability of lawfully appropriated funds.

Open Discussion: N/A

Public Notice: N/A

General Business: N/A

SPECIAL NOTES: Copies of the above items are available in JEA Procurement, if needed for review. If a person decides to appeal any decision made by the Awards Committee, with respect to any matter considered at this meeting, that person will need a record of the proceedings, and, for such purpose, needs to ensure that a verbatim record of the proceedings is made, which record includes the evidence and testimony upon which the appeal is to be based. If you have a disability that requires reasonable accommodations to participate in the above meeting, please call 665-8625 by 8:30 a.m. the day before the meeting and we will provide reasonable assistance for you.

| Award # | Type of Award | Business Unit | Estimated/ Budgeted Amount | Amount | <u>Awardee</u> | <u>Term</u> | <u>Summary</u> |
|---------|--|------------------|----------------------------------|--|--|--|--|
| 1 | Minutes | N/A | N/A | N/A | N/A | N/A | Approval of minutes from the 10/21/2021 meeting. |
| 2 | Request for Proposal (RFP) 15 proposers | Vu | \$6,000,000.00 | \$1,000,000.00 \$1,000,000.00 \$1,000,000.00 \$750,000.00 \$750,000.00 \$750,000.00 | Jacobs Engineering Group, Inc. Four Waters Engineering Group, Inc. Mott MacDonald Florida, LLC Jones Edmunds & Associates, Inc. McKim & Creed, Inc. Ardurra Group, Inc. Black & Veatch Corporation | Three (3) Years w/Two (2) - 1 Yr. Renewals | General Engineering Services for Pipeline Projects and Studies 16" Pipe Diameter or Greater JEA is soliciting qualifications for professional design and engineering services for water, sewer and reclaimed water projects with a pipe diameter of greater than or equal to sixteen (16) inches. The work is generally described as performing engineering and design services as requested from time to time by JEA for water, sewer and reclaimed water projects for which the estimated engineering fees and construction costs are within the threshold set forth in Florida Statutes Section 287.055, known as the Consultants' Competitive Negotiation Act (CCNA), as amended. JEA anticipates the need for contracts with seven firms under this solicitation in order to complete the projected workload. This is continuing services contract, so task orders will be issued for each project/study as the jobs come available. JEA is awarding to the projected budget estimate for engineering for each anticipated project. Each task order will be billed using the negotiated hourly rates. The hourly rates were compared to current contracts and deemed reasonable. The hourly rates may be increased by CPI annually, if requested by the firm. Request approval to award a contract to Jacobs Engineering Group, Inc, Four Waters Engineering Group, Inc, Four Waters Engineering Group, Inc, General Engineering Services for Pipeline Projects and Studies 16" Pipe Diameter or Greater in the amount of \$6,000,000.00. |
| 3 | Contract Decrease | Vu | N/A | (\$476,957.19) | Brasfield & Gorrie, LLC | Project Completion (Expected: March 2023) | Construction Management-at-Risk (CMAR) Services for the Arlington East Water Reclamation Facility (WRF) Upgrade Projects Originally bid and approved by Awards Committee on 01/16/2020 in the amount of \$840,546.58 for preconstruction services to Brasfield & Gorrie LLC. On 06/25/2020 the Awards Committee approved a contract increase of \$2,727,880.00 for the purchase of odor control |

| | | | | | | | equipment. A copy of the previous awards are attached as backup. |
|---|--|---------|----------------|--------------------------------|-------------------------------|---|--|
| | | | | | | | This contract decrease is to reduce the scope of this contract to the purchase of the odor control equipment approved by the Awards Committee on 06/25/2020. JEA has determined to bid out the previously planned projects for this contract separately using traditional design-bid-build rather than the CMAR approach due budget considerations. JEA issued a scope reduction notice to Brasfield & Gorrie LLC on 08/09/2021. The scope reduction letter is attached for reference. The reduction in contract price is due to pre-construction services that will not be performed. The amount the contract is being reduced is \$163,839.24 less than listed in the letter, because the final invoice for pre-construction services was received after the letter was issued. With this scope reduction, the contract will end once the odor control units are received by JEA's installation contractor, and Brasfield & Gorrie will still be responsible for any warranty work for those odor control units. Request approval to decrease the contract with Brasfield & Gorrie LLC, for the Arlington East Water Reclamation Facility (WRF) Upgrade Projects in the amount of |
| 4 | Invitation for Bid (IFB) 2 bidders | McElroy | \$2,581,596.00 | \$1,996,149.00 \$619,317.00 | DUVAL FORD GARBER FORD INC | Project Completion (Expected: September 2022) | (\$476,957.19), for a new not-to-exceed amount of \$3,091,449.39. FY22 Light & Medium Duty Trucks and Vans Capital Procurement JEA received two (2) responses. It should be noted that during the bidding process, JEA eliminated all Liquidated Damages (LD) from the solicitation as well as extended the bid one (1) week in response to supplier feedback for means to develop more competition. This was done via addendum prior to bid opening after discussions with the supply base. JEA still only received two bids. Volatility and uncertainty in the market has been the common theme when discussing lack of participation with prospective bidders. The basis of award is to contract with the lowest cost Respondent for each |
| | | | | | | | light and medium duty vehicle groupings included in this solicitation; companies were encouraged to bid multiple groupings for efficiency purposes. Three (3) original groupings were included in the solicitation, but only two (2) of the three (3) groupings were bid on by Duval Ford and only |

| <u> </u> | T | 1 | 1 (1) 6.1 : (2) : |
|----------|---|---|---|
| | | | one (1) of the three (3) groupings were bid on by Garber Ford Inc It should be noted that these grouping are all items previously not bid by any supplier during a previous solicitation; the items during that solicitation were awarded September 30, 2021. In response to that solicitation, alternative sourcing strategies were implement to meet supplier feedback on how they would need a bid structured to participate given current market complexities. The changes are listed below: |
| | | | We are changing the sourcing method from ITN to IFB for a more simplistic bid and faster turnaround time. We eliminated the LDs previously listed at \$100/day. We eliminated hard dates for delivery in this solicitation. We revised language on LED lighting and tow hooks as optional to up-fitting. We converted the Chevrolet to Ford F-series since Chevrolet is no longer taking FY22 orders. |
| | | | When comparing JEA's past pricing to the proposed winning supplier for each respective grouping, on average JEA's new pricing will be nine percent (10%) higher, largely based on inflation and current market conditions. This percentage was determined by taking the last price paid and comparing those prices to the quoted unit prices of this solicitation from FY20 through FY21 purchases. There were some units where no past pricing information was available for comparison purposes, as the specific assets have never been purchased prior to this solicitation; those items were not included in the calculations when determining the increase. JEA will see a cost increase of \$218,341.00 across comparable light and medium duty vehicles . Feedback during the solicitation |
| | | | indicated that previous incentives for government purchases have been suspended by most OEMs to combat rising costs in the supply chain and that while incentives will most likely return in the future, this timeline is not certain and vehicle costs will continue to rise. We believe it is in the best interest of JEA to move forward with award to groupings one (1), two (2) & three (3) as proposed despite low competition, as we believe pricing is reasonable |

| | | with current market conditions. Grouping One (1) consisting of the vehicle class categories of 116, 116X, 117, 117C, & 117X for JEA's FY 22 fleet capital requirements in the amount of \$1,488,071.00 to Duval Ford, Grouping Two (2) consisting of the vehicle class category of 130 for JEA's fleet capital requirements in the amount of \$619,317.00 to Garber Ford Inc, and Grouping Three (3) consisting of the vehicle class categories of 122 & 122+ for JEA's fleet capital requirements in the amount of \$508,078.00 to Duval Ford. It should be noted that Duval Ford was the largest awardee on the FY21 solicitation performed in 2020 and the awardee on an earlier FY22 Light and Medium Duty solicitation that was awarded September 30, 2021. Duval Ford and Garber Ford Inc. has also been a historically well performing vendor for both quality of work and timeliness of capital purchases, and also historically very competitive in past solicitations as well. Request approval to award a contract to Duval Ford and Garber Ford Inc. for the combined purchase of Sixty-two (62) vehicles found within vehicle class categories of 116, 116X, 117, 117C, 117X, 122, 122+, & 130 for |
|----------------|----------------|--|
| | | JEA's Light and Medium Duty Fleet Capital Purchases for a total not-to-exceed amount of Duval Ford in the amount of \$1,996,149.00 and Garber Ford Inc. in the amount of \$619,317.00 for a total of \$2,615,466.00, subject to the availability of lawfully appropriated funds. |
| Total Award | \$8,138,508.81 | appropriated faires. |

JEA AWARDS COMMITTEE OCTOBER 21, 2021 MEETING MINUTES

The JEA procurement Awards Committee met on October 21, 2021, in person with a WebEx option

WebEx Meeting Number (access code): 160 199 4252

WebEx Password: pxP6CqUSt63

Members in attendance were Jenny McCollum as Chief Procurement Officer, Stephen Datz as Chairperson (on site), Hai Vu as Vice Chairperson (on site), Laure Whitmer as Budget Representative, Regina Ross as Office of General Counsel Representative; with Laura Dutton, Joe Orfano, and Ricky Erixton (on site). Unless otherwise indicated, all attendees were via WebEx.

Chair Datz called the meeting to order at 10:00 a.m., introduced the Awards Committee Members, and confirmed that there was an in person quorum of the Committee membership present.

Public Comments:

Chair Datz recognized the public comment speaking period and opened the meeting floor to public comments. No public comments were provided by email, phone or videoconference.

Awards:

1. Approval of the minutes from the last meeting (10/14/2021). Chair Datz verbally presented the Committee Members the proposed October 14, 2021 minutes contained in the committee packet.

MOTION: Laura Dutton made a motion to approve the October 14, 2021 minutes (Award Item 1). The motion was seconded by Ricky Erixton and approved unanimously by the Awards Committee (5-0).

The Committee Members reviewed and discussed the following Awards Items 2-7:

2. 1410375246 - Request approval to award a contract to Prosys for the Cisco Contact Center Managed Services in the amount of \$1,248,858.00, subject to the availability of lawfully appropriated funds.

MOTION: Hai Vu made a motion to approve Award Item 2 as presented in the committee packet. The motion was seconded by Joe Orfano and approved unanimously by the Awards Committee (5-0).

3. Request approval to award a contract increase to AT&T for Telephony, Network, Internet & Telecommunications Services in the amount of \$658,737.00, for a new not-to-exceed amount of \$6,013,346.60 subject to the availability of lawfully appropriated funds.

MOTION: Hai Vu made a motion to approve Award Item 3 as presented in the committee packet. The motion was seconded by Ricky Erixton and approved unanimously by the Awards Committee (5-0).

4. Request approval to award a new two (2) year contract to AT&T for Telephony, Network, Internet & Telecommunications Services in the amount of \$3,210,071.76, subject to the availability of lawfully appropriated funds.

MOTION: Joe Orfano made a motion to approve Award Item 4 as presented in the committee packet. The motion was seconded by Hai Vu and approved unanimously by the Awards Committee (5-0).

5. 1410415448 – Request approval to award a contract to Ring Power Corporation for the Brandy Branch Generating Station Operations and DC Power Backup Generator for a total not-to-exceed amount of \$833,300.00, subject to the availability of lawfully appropriated funds.

MOTION: Ricky Erixton made a motion to approve Award Item 5 as presented in the committee packet. The motion was seconded by Laura Dutton and approved unanimously by the Awards Committee (5-0).

6. 1410360246 – Request approval to award a contract to Franklin Energy Demand, Inc. for the Design and Implementation of JEA's Residential and Field Services Electric and Water Demand Side Management (DSM) Programs for a total not-to-exceed amount of \$22,302,730.00and to ICF Resources LLC. for the Design and Implementation of JEA's Commercial Electric and Water Demand Side Management (DSM) Program for a total not-to-exceed amount of \$6,022,110.00, subject to the availability of lawfully appropriated funds.

MOTION: Hai Vu made a motion to approve Award Item 6 as presented in the committee packet. The motion was seconded by Laura Dutton and approved unanimously by the Awards Committee (5-0).

7. Request approval to award a contract increase to Opin LLC, DBA American FR and Safety for FY22 fire protective clothing in the amount of \$194,000.00, for a new not-to-exceed amount of \$527,500.00, subject to the availability of lawfully appropriated funds.

MOTION: Ricky Erixton made a motion to approve Award Item 7 as presented in the committee packet. The motion was seconded by Joe Orfano and approved unanimously by the Awards Committee (5-0).

| No informational items were presented to the Awards Committee. |

| Public Comments: |

No additional public comment speaking period was taken.

Adjournment:

Informational Item:

Chair Datz adjourned the meeting at 10:52 a.m.

NOTE: These minutes provide a brief summary only of the Awards Committee meeting. For additional detail regarding the content of these minutes or discussions during the meeting, please review the meeting recording. The recording of this meeting as well as other relevant documents can be found at the link below: https://www.jea.com/About/Procurement/Awards_Meeting_Agendas_and_Minutes/

Formal Bid and Award System

Award # 2 October 28, 2021

Type of Award Request: PROPOSAL (RFP)

Requestor Name:

DiMeo, Elizabeth

Requestor Phone:

(904) 665-8139

Project Title:

General Engineering Services for Pipeline Projects and Studies 16" Pipe Diameter

or Greater

Project Number:

Various

Project Location:

JEA

Funds:

Capital

Budget Estimate:

\$6,000,000.00

Scope of Work:

JEA is soliciting qualifications for professional design and engineering services for water, sewer and reclaimed water projects with a pipe diameter of greater than or equal to sixteen (16) inches. The work is generally described as performing engineering and design services as requested from time to time by JEA for water, sewer and reclaimed water projects for which the estimated engineering fees and construction costs are within the threshold set forth in Florida Statutes Section 287.055, known as the Consultants' Competitive Negotiation Act (CCNA), as amended.

The scope for specific projects may include, but are not limited to:

- Surveys
- Geotechnical investigations
- Detailed design and engineering including hydraulic calculations
- Drawings
- Specifications
- Bid document preparation
- All permitting activities and applications for construction
- Real estate easements (temporary and permanent)
- Maintenance of traffic plans
- Other utility coordination; and
- Coordination with state and local agencies including but not limited to COJ, FDOT, JTA, etc.

JEA IFB/RFP/State/City/GSA#:

Background/Recommendations:

Advertised on 04/09/2021. Nineteen (19) prime companies attended the mandatory pre-proposal meeting held on 04/19/2021. At proposal opening on 05/11/2021, JEA received fifteen (15) proposals. The public evaluation meeting was held on 08/02/2021 and JEA deemed Jacobs Engineering Group, Inc, Four Waters Engineering Group, Inc, Mott MacDonald Florida, LLC, Jones Edmunds & Associates, Inc, McKim & Creed, Inc, Ardurra Group, Inc, and Black & Veatch Corporation most qualified to perform the work. A copy of the evaluation matrix and negotiated hourly rates are attached as backup.

JEA anticipates the need for contracts with seven firms under this solicitation in order to complete the projected workload. This is continuing services contract, so task orders will be issued for each project/study as the jobs become available. JEA is awarding to the projected budget estimate for engineering for each anticipated project. Each task order will be billed using the negotiated hourly rates. The hourly rates were compared to current contracts and deemed reasonable. The hourly rates may be increased by CPI annually, if requested by the firm.

1410316846 – Request approval to award a contract to Jacobs Engineering Group, Inc, Four Waters Engineering Group, Inc, Mott MacDonald Florida, LLC, Jones Edmunds & Associates, Inc, McKim & Creed, Inc, Ardurra Group, Inc, and Black & Veatch Corporation, for General Engineering Services for Pipeline Projects and Studies 16" Pipe Diameter or Greater in the amount of \$6,000,000.00, subject to the availability of lawfully appropriated funds.

Previous Contract Increase

N/A (specialty equipment purchase)

Background/Recommendations:

Originally bid and approved by Awards Committee on 01/16/2020 in the amount of \$840,526.58 for preconstruction services to Brasfield & Gorrie LLC. On 06/25/2020 the Awards Committee approved a contract increase of \$2,727,880.00 for the purchase of odor control equipment. A copy of the previous awards are attached as backup.

This contract decrease is to reduce the scope of this contract to the purchase of the odor control equipment approved by the Awards Committee on 06/25/2020. JEA has determined to bid out the previously planned projects for this contract separately using traditional design-bid-build rather than the CMAR approach due budget considerations. JEA issued a scope reduction notice to Brasfield & Gorrie LLC on 08/09/2021. The scope reduction letter is attached for reference. The reduction in contract price is due to pre-construction services that will not be performed. The amount the contract is being reduced is \$163,839.24 less than listed in the letter, because the final invoice for pre-construction services was received after the letter was issued. With this scope reduction, the contract will end once the odor control units are received by JEA's installation contractor, and Brasfield & Gorrie will still be responsible for any warranty work for those odor control units.

Request approval to decrease the contract with Brasfield & Gorrie LLC, for the Arlington East Water Reclamation Facility (WRF) Upgrade Projects in the amount of (\$476,957.19), for a new not-to-exceed amount of \$3,091,449.39, subject to the availability of lawfully appropriated funds.

Scope of Work:

The scope of work to be performed under this solicitation consists of construction management at risk (CMAR) services for the Arlington East WRF Upgrade Projects. The projects to be constructed are listed below. This project is needed to update the treatment process at the Arlington East WRF to meet current and future needs.

- 1. Odor Control Improvements
- 2. New Aeration Basin & Blowers
- 3. Influent Channel Rehabilitation
- 4. Secondary MCC Replacement and Building Improvements

This award positively impacts all of JEA's Measures of Value:

- Customer Value: Improve customer's service by providing additional capacity and reliable operation
- Community Value: Provide additional capacity and redundancy to meet existing and future growth in the service area and will reduce the odor associated with the WRF
- Environmental Value: Provide high level treatment of wastewater to produce a high quality and consistent effluent for discharge to the St. Johns River while meeting the most current resiliency requirements
- Financial Value: Will provide the most energy efficient process equipment and upgrades to improve operations and reduce energy requirements

| GARNEY COMPANIES, INC | N/A | 3 |
| CLARK CONSTRUCTION GROUP, LLC | N/A | 4 |
| PC CONSTRUCTION COMPANY | N/A | 5 |

Background/Recommendations:

Advertised on 08/29/2019. Six (6) prime companies attended the mandatory pre-proposal meeting held on 09/09/2019. At proposal opening on 10/08/2019, JEA received five (5) Proposals. The public evaluation meeting was held on 12/30/2019 and JEA deemed Brasfield & Gorrie LLC most qualified to perform the work. A copy of the evaluation matrix and negotiated fees are attached as backup.

Negotiations with Brasfield & Gorrie LLC were successfully completed for Phase 1 of this project. Phase 1 consists of developing the project schedule, design and constructability reviews, developing work packages, value engineering and developing the Guaranteed Maximum Price (GMP). The total preconstruction costs are 2.4% of the estimated total construction costs, which includes a \$100,000.00 subsurface investigation allowance, and the fee is deemed reasonable (typically 0.5% - 3% of total construction costs). If negotiations for the final GMP are not successful, JEA reserves the right not to proceed with construction with this contractor.

137-19 – Request approval to award a contract to Brasfield & Gorrie, LLC, for pre-construction services for the Arlington East Water Reclamation Facility Upgrade Projects in the amount of \$840,526.58, subject to the availability of lawfully appropriated funds.

Original Award

This Contract Increase

N/A (specialty equipment purchase)

Background/Recommendations:

Originally bid and approved by Awards Committee on 01/16/2020 in the amount of \$840,546.58 for preconstruction services to Brasfield & Gorrie LLC. A copy of the original award is attached as backup.

This contract increase is for an early out package with a guaranteed maximum price (GMP) for the purchase of the new odor control equipment for the Arlington East WRF Upgrades project. The negotiations for the installation of the odor control equipment are still underway. The odor control equipment is a critical component in order for the new Bradley Rd booster pump station to come online. The Bradley Rd pump station currently has some of the highest levels of hydrogen sulfide off gassing in the Arlington East basin due to the high flows and large area it services. With its conversion into a booster station, the gasses currently being released at this station would stay entrained in the wastewater until reaching the Arlington East WRF headworks. The impact of this additional loading at the treatment plant on the old odor control systems may lead to dangerous conditions at the facility for personnel and equipment. As a safety precaution, the startup of the new Bradley Rd Booster Station would be delayed until the new odor control equipment at Arlington East has been completed and released for service. Due to the five month lead time for equipment delivery the project schedule requires the equipment secured as soon as possible.

Negotiations with Brasfield & Gorrie LLC were successfully completed for the purchase of the odor control equipment. The negotiated price of \$2,727,880.00 is approximately 12.6% below the planning estimate for the odor control equipment and deemed reasonable. A budget trend will be performed once the negotiations for the installation are completed.

The contract increase spend details are below:

FY20: \$300,000.00FY21: \$2,427,880.00

Request approval to award a change order to Brasfield & Gorrie LLC, for the purchase of equipment for the Arlington East Water Reclamation Facility (WRF) Upgrade Projects in the amount of \$2,727,880.00, for a new not-to-exceed amount of \$3,568,406.58, subject to the availability of lawfully appropriated funds.

ELECTRIC

RE: Contract 188159 - CMAR Services for the Arlington East Water Reclamation Facility (WRF) Upgrade Projects - Phase 1 (the "Contract")

SEWER

WATER

Dear Mr. Shoemaker:

As previously discussed, JEA has made a decision to reduce scope of work associated with the above referenced Contract. The current Contract includes preconstruction services and a guaranteed maximum price (GMP) to furnish odor control equipment for a total contract amount of \$3,568,406.58. However, JEA intends to reduce the scope of work in the amount of \$640,796.43 to exclude all services except for the GMP established for furnishing the odor control equipment. Once approved by the JEA Awards Committee a Contract amendment will be sent for execution.

JEA has elected not to exercise the installation of the Odor Control GMP submitted by Brasfield & Gorrie, L.L.C. ("B&G") and the resulting competitive bid which showed a savings of over \$1 million. As discussed, the submitted GMP for the Secondary MCC Replacement and Building Improvements reveals excessive costs associated with the general conditions (labor, equipment, mobilization, per diem, travel, etc.). While these B&G costs are justified, they are proving to be costs that local contractors do not have. This coupled with the current pricing for the JEA book of work will result in further deferment of the program bid packages, which unbundles the subject program and exacerbates the decision to conduct the work in the current delivery method.

This in no way reflects on B&G's ability to execute the work; rather a business decision made by JEA to defer the program design and construction over an extended period of time rather than bundled per the original solicitation.

If there are any outstanding invoices associated with the Contract please let us know immediately.

If you should require additional information, please contact Joe Perez at perejl@jea.com.

Jacksonville, Florida 32202-3139

Sincerely,

Jenny McCollum

Budget Estimate:

\$2,581,596.00

Scope of Work:

The purpose of this Invitation For Bid (the "IFB") is to solicit pricing for the purchase of sixty-two (62) vehicles within the vehicle class categories of 116, 116X, 117, 117C, 117X, 122, 122+, and 130 for JEA's fleet capital requirements for replacement for the Electric and Water departments and expansion for the Electric and Water department. During the solicitation process, it was determined to be in the best interests for JEA to proceed with an award of only the following subset of assets:

- Electric Replacement 35 Units 8007294)
- Electric Expansion 19 Units (8007295)
- Water Replacement 2 Units (8007344)
- Water Expansion 6 Units (8007352)

| Name | Original Bid Amount | | | | | |
|--------------------|------------------------|---|----------------|---|--|--|
| DUVAL FORD | \$1,996,149.00 | 2 | \$1,996,149.00 | 2 | | |
| GARBER FORD INC | \$619,317.00 | 1 | \$619,317.00 | 1 | | |

Background/Recommendations:

Advertised on 10/01/2021. At Response opening on 10/26/2021, JEA received two (2) responses. During the bidding process, JEA eliminated all Liquidated Damages (LDs) from the solicitation as well as extended the bid one (1) week in response to supplier feedback to encourage more competition. This was done via addendum prior to bid opening after discussions with the supplier base. JEA still only received two bids. Volatility and uncertainty in the market has been the common theme when discussing lack of participation with prospective bidders.

The basis of award is to contract with the lowest cost Respondent for each light and medium duty vehicle groupings included in this solicitation; companies were encouraged to bid multiple groupings for efficiency. Three (3) original groupings were included in the solicitation, but only two (2) of the three (3) groupings were bid on by Duval Ford and only one (1) of the three (3) groupings were bid on by Garber Ford Inc. and no grouping was bid by the other vendor. A copy of the detailed bid analysis is attached as backup and the proposed award breakout by vehicle grouping is identified below:

| Vehicle Grouping | Vehicles | Proposed Awardee | Award Price |
|---------------------|---|---------------------|----------------|
| Group 1 | ½ Ton Trucks (116, 116X, 117, 117C, & 117X) | DUVAL FORD | \$1,488,071.00 |
| Group 2 | 1 Ton Vans (130) | GARBER FORD INC | \$619,317.00 |
| Group 3 | 1 Ton Trucks (122 & 122+) | DUVAL FORD | \$508,078.00 |

It should be noted that these grouping are all items previously not bid by any supplier during a previous solicitation; the items during that solicitation were awarded September 30, 2021. In response to that solicitation, alternative sourcing strategies were implement to meet supplier feedback on how they would need a bid structured to participate given current market complexities. The changes are listed below:

- Changed the sourcing method from ITN to IFB for a more simplistic bid and faster turnaround time.
- Eliminated the LDs previously listed at \$100/day.
- Eliminated hard dates for delivery in this solicitation.
- Revised language on LED lighting and tow hooks as optional to up-fitting.
- Converted the Chevrolet to Ford F-series since Chevrolet is no longer taking FY22 orders.

When comparing JEA's past pricing to the proposed winning supplier for each respective grouping, on average JEA's new pricing will be nine percent (9%) higher, largely based on inflation and current market conditions. This percentage was determined by taking the last price paid and comparing those prices to the quoted unit prices of this solicitation from FY20 through FY21 purchases. There were some units where no direct past pricing information was available for comparison purposes, as the exact assets had never been

purchased prior to this solicitation; those items used an estimated cost model based on what we believe those features cost and those modeled costs were included in the calculations when determining the increase. JEA will see a cost increase of \$218,341.00 across comparable light and medium duty vehicles. Feedback during the solicitation indicated that previous incentives for government purchases have been suspended by most OEMs to combat rising costs in the supply chain. While incentives will most likely return in the future, this timeline is not certain and vehicle costs will continue to rise. Even though we are in a market that is topsyturvy, our budget estimate was only exceeded by \$33,870.

We believe it is in the best interest of JEA to move forward with award to groupings one (1), two (2) & three (3) as proposed despite low competition, as we believe pricing is reasonable with current market conditions. Grouping One (1) consisting of the vehicle class categories of 116, 116X, 117, 117C, & 117X for JEA's FY 22 fleet capital requirements in the amount of \$1,488,071.00 to Duval Ford, Grouping Two (2) consisting of the vehicle class category of 130 for JEA's fleet capital requirements in the amount of \$619,317.00 to Garber Ford Inc, and Grouping Three (3) consisting of the vehicle class categories of 122 & 122+ for JEA's FY 22 fleet capital requirements in the amount of \$508,078.00 to Duval Ford. It should be noted that Duval Ford was the largest awardee on the FY21 solicitation performed in 2020 and the awardee on an earlier FY22 Light and Medium Duty solicitation that was awarded September 30, 2021. Duval Ford and Garber Ford Inc. has also been a historically well performing vendors for both quality of work and timeliness of capital purchases, and historically very competitive in past solicitations as well.

1410440046 - Request approval to award a contract to Duval Ford and Garber Ford Inc. for the combined purchase of Sixty-two (62) vehicles found within vehicle class categories of 116, 116X, 117, 117C, 117X, 122, 122+, & 130 for JEA's Light and Medium Duty Fleet Capital Purchases for a total not-to-exceed amount of Duval Ford in the amount of \$1,996,149.00 and Garber Ford Inc. in the amount of \$619,317.00 for a total of \$2,615,466.00, subject to the availability of lawfully appropriated funds.
