

# Welcome to the

## Awards Meeting

**August 08, 2024, 10:00 AM EST**

You have been joined to the meeting with your **audio muted** by default.

At the designated public comment time we will provide opportunity for you to unmute to speak.

During the meeting, public comments received via e-mail regarding any matter on the agenda for consideration will be read out. Per the Public Notice Agenda posted on [JEA.com](http://JEA.com), public comments by e-mail must be received no later than 9:00 a.m. on the day of the meeting to be read during the public comment portion of the meeting.

Please contact **Aileen Cruz** by telephone at **(904) 776-1911** or by email at **[cruza@jea.com](mailto:cruza@jea.com)** if you experience any technical difficulties during the meeting.

JEA Awards Agenda August 08, 2024 225 North Pearl St., Jacksonville, FL 32202 - Hydrangea Room 1st Floor <a href="#">Teams Meeting Info</a> Consent Agenda											
The Chief Procurement Officer offers the following items for the JEA Awards Consent Agenda. Any item may be moved from the Consent Agenda to the Regular Agenda by a committee member asking that the item be considered separately. <b>All items on the Consent agenda have been approved by OGC, Budget and the Business Unit Vice President and Chief.</b> The posting of this agenda serves as an official notice of JEA's intended decision for all recommended actions for <b>Formal Purchases</b> as defined by <b>Section 3-101 of the JEA Procurement Code</b> . Please refer to JEA's Procurement Code, if you wish to protest any of these items.											
Award #	Type of Award	Solicitation # & Short Description/Title	VP	Awardee	Funding Source	Award Amount	Original Award Amount	New Not-to-Exceed	Amendments	Term (Projected) Start Date - End Date	JSEB Participation (Y/N) If Y, then list company name(s) (% , \$ - awarded)
1	Minutes	Minutes from 08/01/2024 Meeting	N/A	N/A	N/A	N/A	N/A	N/A	N/A	N/A	N/A
2	Developer Agreement	2022-2518 Rivertown Parcel 37	Melendez	Mattamy Jacksonville, LLC / Grimes Utilities, Inc.	Capital	\$1,194,500.00	N/A	\$1,194,500.00	N/A	Project Completion Start: 11/01/2023 End: 09/30/2025 (Estimated)	N/A
	Three (3) Bids Received (Developer) For additional information, contact: Ella Bryant  The Rivertown Parcel 37 Minor Collector project is part of the Rivertown Development and includes improvements covered in the Rivertown Developer and Utility Service Agreement. The proposed pump station and force main are designed to serve 141 single family residential units in Parcel 37.  This project is developer driven, so all design and engineering was completed by the developer at their cost (no JEA funds for design). JEA Development has reviewed and approved the construction plan submittal. Per the Developer Agreement, the Developer bid the project in accordance with JEA guidelines and the work has been awarded to the to the lowest qualified bidder. The project elements are comprised of 1,100 feet of 10" force main, 100 feet of 8" force main, 2,140 feet of 6" force main and a duplex pump station.  The developer has followed JEA procurement directives by advertising and awarding to the lowest responsible bidder. The solicitation was advertised, and a pre-bid meeting was held on August 29, 2023. Mattamy Jacksonville, LLC received three responses. Grimes Utilities, Inc. had the lowest bid amount and was awarded the project. The bid is approximately 5% below the JEA estimate and is deemed reasonable.										
3	Developer Agreement	Estuary - 2023-0673 Ranger Station Roadway and Infrastructure	Melendez	Big Creek Timber, LLC / John Woody, Inc.	Capital	\$13,402,945.00	N/A	\$13,402,945.00	N/A	Project Completion Start: 03/15/2024 End: 11/30/2025 (Estimated)	N/A
	Two (2) Bids Received (Developer) For additional information, contact: Ella Bryant  In accordance with the Estuary Utility Service and Cost Participation Agreement, this project includes JEA reimbursable infrastructure to Big Creek Timber, LLC. The project includes but is not limited to a water main, a reclaim water main and a force main along the development spine road. Per the developer agreement for this project, JEA will reimburse the Developer, for certain water, sewer and reclaim improvements within the Estuary development. The Estuary development has undergone multiple name changes and has settled on everRange.  This project is developer driven, so all design and engineering was completed by the developer at their cost (no JEA funds for design). JEA Development has reviewed and approved the plans submitted. Per the Developer Agreement, the Developer bid the project in accordance with JEA guidelines and the work has been awarded to highest evaluated bidder who was also the low bidder. The project elements are comprised as follows: Install 17,802 feet of 20 inch reclaimed water main (100%); Install 16,411 feet of 20 inch force main (75%); Install 16,985 feet of 24 inch water main (75%).  The developer has followed JEA procurement directives by advertising and awarding to the highest evaluated bidder. The solicitation was advertised, and a pre-bid meeting was held on 12/15/2023. Three bidders attended the prebid meeting and 2 bids were received. Another potential bidder was unable to meet the JEA bonding requirements. John Woody, Inc. was the highest evaluated and low bidder and was awarded the project. The bid is approximately 34% below the JEA estimate and is deemed reasonable.										
4	Invitation to Negotiate (ITN)	1411666246 - Residuals Hauling and Disposal Services	Vu	Merrell Bros., Inc.	O&M	\$11,971,099.50	N/A	\$11,971,099.50	N/A	Five (5) Years w/Two (2) – 1 Yr. Renewals  Start Date: 09/01/2024 End Date: 08/31/2029	N/A
	Advertised: 04/16/2024 Opened: 05/14/2024 Four (4) Responses Received For additional information contact: Darriel Brown  The scope for this service includes removing residuals and sludge cake from the various Water Reclamation Facilities (WRFs), and other JEA-owned facilities within JEA service area and hauling as well as disposal at one of three locations; 1) the Buckman WRF for further processing, 2) to several Contractor permitted and regulatory approved land application sites, or 3) landfill disposal.  The selected firm was the highest scored respondent. Merrell Bros., Inc. is the incumbent for this service and the business unit has expressed a favorable service level during the current contract. The Florida Department of Environmental Protection revised biosolids regulations in 2020 legislation that went into effect in the summer of 2023 resulting in a statewide shift from land application sites to landfills and higher costs for a significantly tighter landfill availability. The BAFO process resulted in a price reduction of \$387,598.10. The new pricing is approximately 27% higher than the current contract; this pricing is deemed reasonable as 26% is the average increase across all respondents. Upon analysis of the rates, the majority of the increase is coming from the landfill costs. Procurement reached out to the vendor to discuss, and the driver behind the increase are due to 2020 legislation, SB-712, regulation aimed at mitigating nutrient impacts on Florida's water resources. In response to this legislation, the proposed FDEP rule changes went into effect in the Summer of 2023 and the result of the rule change is aimed at curtailing the land application of class B biosolids. This is impacting every landfill and treatment facility in the State. The FDEP's own estimates expect this to cost upwards of \$600 million Statewide as utilities shift away from land application programs and pay tip fees for disposal/treatment. Tip fees are swiftly rising as landfills and compost facilities are at capacity. Additionally, there is a shortage of woody green vegetation waste needed in the composting process. Wood was disposed of at a cost, and is now purchased by many compost facilities. This too increases the total disposal cost of the biosolids as the necessary inputs in the composting process.										
5	Developer Agreement	2021-0517 Percy Oaks	Melendez	AMH Development, LLC / TB Landmark Construction, Inc.	Capital	\$546,790.00	N/A	\$546,790.00	N/A	Project Completion Start: 03/15/2023 End: 09/30/2024 (Estimated)	N/A
	One (1) Bid Received (Developer) For additional information contact: Ella Bryant  There are several large developments along Lem Turner which are master planned to connect to proposed utility extensions. Therefore, JEA has upsized the Percy Oaks proposed main extensions to provide capacity for further growth in the area. The water main extension is critical for further growth in the region and is part of an overall master water grid plan. The force main extension will collect wastewater for this and future growth with conveyance to the Cedar Bay WWTP.  This project is developer driven, so all design and engineering was completed by the developer at their cost (no JEA funds for design). JEA Development has reviewed and approved the construction plan submittal. Per the Developer Agreement, the Developer bid the project in accordance with JEA guidelines and the work has been awarded to the to the lowest qualified bidder. The project elements are comprised as follows: Upsize 540 feet of water main from 8" to 20" and upsize 590 feet of force main from 4" to 20".  The developer has followed JEA procurement directives by advertising and awarding to the lowest responsible bidder. The solicitation was advertised, and a pre-bid meeting was held on May 3, 2022. One bid was received from TB Landmark Construction, Inc. The bid was approximately 60% of the JEA estimate of \$381,488.00. Based on the bid amount the cost participation agreement was awarded informally. Once under construction, the FDOT required changes to their permitted drawings and the project required design changes. The new design did not impact the cost of the water main installation but did impact that of the force main. A summary of the changes was obtained and a new JEA cost estimate was prepared. The new participation amount is \$546,790.00 which is approximately 90% of the JEA estimate of \$609,732.00. The revision was deemed fair and accurate when reviewed and compared to the JEA estimate.										

6	Developer Agreement	2022-3807 Rivertown Main St Phase 5	Melendez	Mattamy Jacksonville, LLC / Burnham Construction, Inc.	Capital	\$4,829,342.47	N/A	\$4,829,342.47	N/A	Project Completion Start: 02/01/2024 End: 02/28/2025 (Estimated)	N/A
	Two (2) Bids Received (Developer) For additional information contact: Ella Bryant  The proposed spine road infrastructure and utilities are designed to serve future parcels 39-43 and serve to create a water and reclaimed water transmission loop from Greenbriar Road to Longleaf Pine Parkway through the Rivertown Development.  This project is developer driven, so all design and engineering were completed by the developer at their cost (no JEA funds for design). JEA Development has reviewed and approved the construction plan submittal. Per the Developer Agreement, the Developer bid the project in accordance with JEA guidelines and the work has been awarded to the highest evaluated bidder and low bid. The project elements are comprised 5,700 feet of 16" water main, 500 feet of 8" water main, 2,250 feet of 10" force main, 2,850 feet of 8" force main, 75 feet of 6" force main, 5,700 feet of 20" reclaim water main, 1,350 feet of 16" reclaim water main, 3,915 feet of 12" reclaim water main, and 215 feet of 8" reclaim water main.  The developer has followed JEA procurement directives by advertising and awarding to the highest evaluated bidder. The solicitation was advertised, and a pre-bid meeting was held on 10/10/2023. Two addendums were issued during the bid. Three bidders attended the prebid meeting and 2 bids were received. Burnham Construction, Inc. was the highest evaluated and lowest bid and was awarded the project. The bid is approximately 13% below the JEA estimate. The JEA estimate included the material, labor, and equipment. JEA is reimbursing in accordance with the Rivertown Developer Agreement and the bid amount is deemed reasonable.										
7	Developer Agreement	2022-2518 Rivertown Parcel 39	Melendez	Mattamy Jacksonville, LLC / Grimes Utilities, Inc.	Capital	\$1,156,900.00	N/A	\$1,156,900.00	N/A	Project Completion Start: 03/15/2024 End: 06/30/2025 (Estimated)	N/A
	Three (3) Bids Received (Developer) For additional information contact: Ella Bryant  The Rivertown Parcel 39 project is part of the Rivertown Development and includes improvements covered in the Rivertown Developer and Utility Service Agreement. The proposed pump station and force main are designed to serve 237 single family residential units in Parcel 39 Phases 1 & 2.  This project is developer driven, so all design and engineering was completed by the developer at their cost (no JEA funds for design). JEA Development has reviewed and approved the construction plan submittal. Per the Developer Agreement, the Developer bid the project in accordance with JEA guidelines and the work has been awarded to the to the highest evaluated bidder and the lowest bidder. The project elements are comprised of 2,600 feet of 6 inch force main and a duplex pump station.  The developer has followed JEA procurement directives by advertising and awarding to the lowest responsible bidder. The solicitation was advertised, and a pre-bid meeting was held on February 6, 2024. Mattamy Jacksonville, LLC received three responses. Grimes Utilities, Inc. had the lowest bid amount and was awarded the project. The bid is approximately 43% below the JEA estimate of \$2,047,147.00. The JEA estimate included the material, labor, and equipment. JEA is reimbursing in accordance with the Rivertown Developer and Utility Service Agreement and the bid amount is deemed reasonable.										
8	Joint Project	COJ Harts Rd Bridge Replacement-Water and Force Main Replacement	Melendez	J.B. Coxwell Contracting, Inc.	Capital	\$3,672,275.00	N/A	\$3,672,275.00	N/A	Project Completion Start: 10/01/2024 End: 01/01/2027 (Estimated)	N/A
	Two (2) Bids Received For additional information contact: Dan Kruck  The scope of work for this contract includes replacing the existing 12" and 16" water main as well as 6", 14" and 20" sewer force mains crossing the river with new piping attached to the new bridge structure. All existing mains will be abandoned in place by grouting and/or plugging; or removed.  The City is replacing and raising the Harts Rd Bridge over Broward River, also raising the elevation of the roadway leading to the bridge. JEA's water and sewer mains are in conflict and will need to be relocated. JEA will be completing this work with the City via our typical joint project process. The City competitively bid the JEA scope along with their roadway/bridge scope and the low bidder was JB Coxwell. The bid price for JEA's scope of work is below the JEA estimate and deemed reasonable.										
9	Single Source	Caterpillar Heavy Equipment Maintenance Services	Erixton	Ring Power Corporation	O&M	\$1,100,000.00	N/A	\$1,100,000.00	N/A	Three (3) Years w/Two (2) – 1 Yr. Renewals  Start Date: 08/08/2024 End Date: 08/07/2027	N
	Deferred										
10	Contract Increase	1410431046 (RFP) Industrial Cleaning Services	Erixton	Thompson Industrial Services MPW Industrial Services	O&M	\$565,000.00 \$745,000.00	\$765,030.00 \$327,870.00	\$2,026,876.82 \$3,558,657.00	Thompson Industrial: 05/10/2023 - \$76,503.00 06/15/2023 - \$487,445.93 07/26/2024 - \$132,897.89  MPW Industrial Services: 01/19/2023 - \$2,230,000.00 03/04/2024 - \$255,787.00	Three (3) Years w/Two (2) – 1 Yr. Renewals  Start Date: 12/22/2021 End Date: 12/21/2024	N
	Originally Awarded: 12/16/2021 For additional information contact: Jason Behr  The scope of work includes furnishing all supervision, labor, materials, tools, equipment, consumables, and subcontracts necessary for industrial cleaning services primarily at JEA electric generating facilities. Services shall include, but not be limited to, the following: <ul style="list-style-type: none"><li>• Wet &amp; Dry Vacuuming Services</li><li>• Hydroblasting &amp; Ultra High Pressure (UHP) Cleaning Services</li><li>• Chemical Cleaning Services (pricing will be requested on a per project basis)</li><li>• High Volume Pump Services</li><li>• Fugitive Dust Control Services</li></ul> This contract increase is to fund the two contracts for the remainder of the term that expires December 2024. There is no rate increase associated with this increase and rates have only increased based on CPI terms associated with this contract. It is JEA's intention not to execute the renewals for these contracts, and instead, go out for a new bid to locate other sources, and also change the language of the contract for enhancements and improvements.										

11	Single Source	NGS - N36 Electrical Equipment Upgrades	Melendez	ABB Inc.	Capital	\$527,000.00	N/A	\$527,000.00	N/A	Project Completion  Start Date: 08/16/2024 End Date: 04/29/2026	N
	Single Source For additional information contact: Jason Behr  This project is being proposed to replace NGS CT 6 low and medium voltage motor control centers (MCC A, B & C), associated control wiring, and power feeders. Most of this equipment poses a safety and reliability risk, as most of them have been installed for over three to four decades and have reached the end of its intended useful life. This equipment currently has a long lead time and a purchase order is needed as soon as possible to ensure equipment arrives before scheduled outage.  This same equipment has been used on our three other similar units on site. It is beneficial to JEA to keep all units with the same equipment. ABB's equipment and services were selected in the past for their advanced knowledge in the original GE CT equipment. This helped immensely in the installation of the equipment, given JEA's insufficient documentation and knowledge of how the equipment is wired internally. ABB received all OEM equipment knowledge since they acquired GE Industrial, the original OEM, which gives them expertise on our CTs that were installed in the 1970's.										
12	Contract Increase	069-18 Engineering Services for the Twin Creeks Reclaimed Water (RW) Storage Tank and Booster Pump Station	Melendez	Mott Macdonald Florida, LLC	Capital	\$62,218.00	\$1,049,933.00	\$1,173,779.00	08/29/2019 - \$22,744.00 11/18/2019 - \$30,116.00 03/30/2020 - \$8,768.00	Project Completion Start: 02/28/2019 End: 09/30/2024 (Estimated)	N/A
	Lasted awarded: 02/07/2019 For additional information contact: Dan Kruck  The scope of work for this contract consists of preliminary design, final detailed design, bid phase assistance, engineering support services during construction (SDC), and acceptance testing of the Twin Creeks Reclaimed Water (RW) Storage Tanks and Booster Pump Station project. Twin Creeks is a multi-use development in the Southeast area and reclaimed water is required for irrigation in this development. JEA is constructing this project to provide RW to this development.  The contractor for this project (Williams Industrial Services) declared bankruptcy and stopped all work when the project was about 85% complete. Due to this contractor default, JEA requires additional SDC efforts from the engineer. This additional effort will include assisting in obtaining the final certificate of completion, additional field inspections, additional start-up inspections and the creation of "as-built" surveys of the site/civil, stormwater, water and sewer facilities. The original hourly rates were used in determining the lump sum fee for this additional SDC work. The fee was reviewed by JEA project staff and deemed reasonable compared to other projects. The cost for this work is being funded by the balance of the contract amount leftover from the Williams contract.

## JEA Awards Agenda August 1, 2024

225 North Pearl St., Jacksonville, FL 32202 - Hydrangea Room 1st Floor

[Teams Meeting Info](#)

### Consent Agenda

The Chief Procurement Officer offers the following items for the JEA Awards Consent Agenda. Any item may be moved from the Consent Agenda to the Regular Agenda by a committee member asking that the item be considered separately. All items on the Consent agenda have been approved by OGC, Budget and the Business Unit Vice President and Chief. The posting of this agenda serves as an official notice of JEA's intended decision for all recommended actions for **Formal Purchases** as defined by **Section 3-101 of the JEA Procurement Code**. Please refer to JEA's Procurement Code, if you wish to protest any of these items.

Award #	Type of Award	Solicitation # & Short Description/Title	VP	Awardee	Funding Source	Award Amount	Original Award Amount	New Not-to-Exceed	Amendments	Term (Projected) Start Date - End Date	JSEB Participation (Y/N) If Y, then list company name(s) (%, \$ - awarded)
1	Minutes	Minutes from 07/25/2024 Meeting	N/A	N/A	N/A	N/A	N/A	N/A	N/A	N/A	N/A
2	Invitation for Bid (IFB)	1411702446 Electric Plant Scaffolding Services	Erixton	Sumbelt Rentals, Inc.	O & M and Capital	\$4,248,180.00	\$4,248,180.00	\$4,248,180.00	N/A	Five (5) Years w/ Two (2) -1 Yr. Renewals  Start Date: 01/01/2025 End Date: 12/31/2029	N
	Advertised: 06/03/2024 Opened: 06/26/2024 Five (5) Bids Received For additional information contact: Lynn Rix  The purpose of this Invitation for Bid (IFB) is to select a vendor that can provide scaffolding services for electric plant outage and non-outage work. The scaffolding to be erected will be used for the purpose of repairs, testing, inspection, or replacement of generating station components.  The Solicitation had good participation with five (5) companies submitting. The bids came in only slightly higher than the business unit estimate of \$4,000,000.00. The lowest, responsive bid was 6.66% more than the 2018 contract. This is lower than the overall inflation rate for the period of the previous contract.										
3	Contract Increase	069-19 Overhead Transmission & Distribution and Underground Distribution Construction and Maintenance Services	Wheeler	SPE Utility Contractors FD, LLC dba SPE Group	Capital/O&M	\$1,486,420.00	\$20,089,154.47	\$23,584,489.92	10/25/2023 - \$2,008,915.45	191	N
	Originally Awarded 10/03/2019 For additional information contact: Jason Behr  The scope of work includes pole removal, pole delivery, neighborhood overhead to underground conversion projects, pole maintenance, pole replacement, voltage conversion, and new line construction. Work includes projects that will restore electricity and increase reliability. Immediate response in emergencies and hurricanes is required. JEA will provide all standard materials. Contractor may provide miscellaneous materials. Contractor may be required to work alongside JEA's own work forces or other contractor's work forces.  This contract increase will provide funding through the end of the original contract term of 10/30/2024. Original award amounts and last contract increase were awarded to budgets for projects that were identified at the time of award. This increase is for new projects that have been identified for FY24. There is not a rate increase associated with this increase, current rates will remain in effect.										
4	Request for Proposal (CCNA)	1411544446 (RFP) CCNA Substation and Transmission Project Management Services	Melendez	Burns & McDonnell Leidos Engineering Black & Veatch	Capital	\$916,666.67 \$916,666.67 \$916,666.66	N/A	N/A	N/A	Five (5) Years w/ Two (2) Optional One (1) Year Renewals	Burns & McDonnell, 5% (TRC Energy Engineering LLC) Leidos Engineering, 0% Black & Veatch, 0%
	Item 4 Moved to Regular Agenda as Item 1										
5	Joint Project	COJ - JP - Park Street Road Diet	Melendez	J.B. Coxwell Contracting, Inc.	Capital	\$499,631.41	N/A	\$499,631.41	N/A	Project Completion Start: 08/16/2024 End: 01/30/2025 (Estimated)	N/A
	Four (4) Responses Received (COJ) For additional information contact: Dan Kruck  The scope of work for this contract is to install new side street stubs and resolve conflicts within the City's project of roadway re-construction and replacement of approximately 2,000 LF of aging 4" thru 16" cast iron (CI) water main along Park St. from Forest St. to Stonewall St. through the design-build process. The City selected J.B. Coxwell as the design-builder through a competitive solicitation process.  The City provided JEA with the negotiated price from their design-build firm for the agreed upon JEA scope for both the design and construction fee. The negotiated price was below the JEA estimate for the scope of work and deemed reasonable.										

# Award #1 Supporting Documents 08/08/24

Award #1

	14108246 - Construction of the Cor-Chek 2 - NGS Oxygen Scavenging Replacement	Melendez	Endlway Contracting Inc.	Capital	\$2,275,050.19	N/A	\$2,275,050.19				
6	<p>Advised: 05/30/2024 Pre-Response Meeting: 6/7/2024 Bids Due: 07/23/2024 Six (6) Bids Received For additional information contact: David King</p> <p>The scope of work for this contract includes the replacement of a 16-inch force main along Clark Rd. and Main St. between Kentucky St. and Gun Club Rd. This sewer main conveys sewage from the residential areas in the southwest of District 2 to the Cedar Bay Treatment Facility. The force main consists of approx. 2,616 feet of 16-inch ductile iron pipe (DIP). The existing ductile FM was installed in the 1970's. Non-destructive testing has shown that the pipe walls have significant thinning. Based on the age and materials of the pipe, the tested pipe thinning, and the consequences of failure, replacing this FM prior to the end of its useful life is recommended to reduce the potential risk of future pipe failures, service interruptions, and costly emergency repairs.</p> <p>The award amount is approximately 9% below the budget estimate. JEA project staff reviewed the bid pricing and deemed it reasonable compared to the other bids received.</p>								N/A	Project Completion Start: 08/30/2024 End: 08/31/2025 (Estimated)	JSEB Participation Y DJ Contracting, Inc. .5% RX Services Group LLC 7.5%
7	Contract Increase/ Amendment	Single Source - Chemical Supply For JEA	Erixton	Applied Specialties Inc.	O&M	\$515,771.76	\$1,270,850.00	\$1,913,706.76	02/06/2024 - \$127,085	Five Years w/ Two - (1) Year Renewals  Start Date: 07/15/2020 End Date: 07/14/2025	N
	<p>Originally Awarded: 07/09/2020 For additional information contact: Jason Behr</p> <p>Scope: JEA uses Applied Specialties for chemicals and chemistry related services for the following chemicals: • Cor-Chek 2 - NGS Oxygen Scavenging • AS-6114 – NGS Closed Loop Cooling corrosion inhibitor • AS-8004 – NGS Polymer for SDA • AS-743 – NGS Sodium Bromide Water Treatment • AT-7538 - Brandy Branch Generating Station cooling tower corrosion inhibitor. (This chemical is being replaced by AT-7521 as an amendment to this contract) • AS-8656 – Anti-Scalent Reverse Osmosis The services include but are not limited to chemical supply and delivery, system analysis, coupon evaluation and chemistry adjustments for both Northside Generating Station and Brandy Branch Generating Station.</p> <p>Increase: This increase is to fund the contract to make it to contract term in FY25. Although there is no rate increase associated with this contract increase request, the price has been adjusted annually based on the CPI index in the contract since executed in 2020. The volume of chemicals needed have also increased from what was originally forecasted in 2020.</p> <p>Amendment: The AT-7521 is replacing the AT-7538 that we have been using as a scale inhibitor for our Brandy Branch cooling tower. The AT-7521 is a proprietary chemical that Applied Specialties makes specific to our cooling tower water composition. We are simply replacing one chemical with the other.</p>

# Award #1 Supporting Documents 08/08/24

## Regular Agenda (date last updated)

Award #	Type of Award	Solicitation # & Short Description/Title	VP	Awardee	Award Amount	Original Award Amount	New Not-to-Exceed	Amendments	Term	JSEB Participation (Y/N) If Y, then list company name(s) (% , \$ - awarded)	Action
1	Request for Proposal (CCNA)	141154446 (RFP) CCNA Substation and Transmission Project Management Services	Melendez	Burns & McDonnell Leidos Engineering Black & Veatch	\$916,666.67 \$916,666.67 \$916,666.66	N/A	N/A	N/A	Five (5) Years w/ Two (2) Optional One (1) Year Renewals	Burns & McDonnell, 5% (TRC Energy Engineering LLC) Leidos Engineering, 0% Black & Veatch, 0%	Motion by: David Emanuel  Second by: Hai Vu  Committee Decision: Approved
<p>Advised: 01/10/2024 Proposals Opened: 02/27/2024 Ten (10) Proposals Received For additional information contact: Jason Behr</p> <p>This bid was solicited in accord with the Florida's Consultants' Competitive Negotiation Act (CCNA). Ten (10) bidders attended the mandatory Pre-Bid Meeting on 01/16/2024. At Response opening on 02/27/2024, JEA received ten (10) Responses. The Responses were evaluated on Professional Staff Experience, Company Experience, and use of Jacksonville Small and Emerging Business (JSEB) program. Minimum qualification past performance references were also verified. No bidders were disqualified. Burns &amp; McDonnell, Leidos, and Black &amp; Veatch are deemed the highest ranking responsible and responsive Respondents. A copy of the Bid Workbook and Evaluation Summary is attached as backup.</p> <p>This award requests Burns &amp; McDonnell, Leidos, and Black &amp; Veatch to provide JEA with Project Managers to supplement the electric substation and transmission engineering design process when JEA in-house engineering resources may not meet the urgent demands or required in-service dates. JEA has specified technical expertise in utility project management.</p> <p>JEA intends to award three (3) contracts for this scope of work. We compared four (4) past similar engineering contracts to review rates and the rates submitted by Leidos are in line with past engineering contracts. The average project manager rate is \$158.75/hr and the average support role rate is \$113/hr. The rates submitted by Burns &amp; McDonnell are forty two percent (42%) higher on average. The previous contracts in which these rates were compared were with smaller firms and JEA expects Burns &amp; McDonnell a larger firm to produce quality work with less hours required. The proposed rates contained in the this Burns &amp; McDonnell award are the same rates previously awarded to Burns &amp; McDonnell for general engineering services by the awards committee on 03/21/2024 and for substation/ transmission general engineering services on 5/23/2024. The rates submitted by Black &amp; Veatch are slightly less than those proposed by Burns &amp; McDonnell.</p> <p>The awarded funds of \$2,750,000 will be split equally between the three contracts because the projects that are included in this award are large and complex and require broader expertise to successfully implement. Burns &amp; McDonnell received the highest evaluation of its Company Experience due to its demonstration of experience in these areas. Leidos was the second highest evaluated while Black &amp; Veatch was third.</p> <p><b>Discussion/ Action:</b> How did JEA determine our 3 awardees of the 10 proposals received? The awardees met the criteria on the evaluation. The evaluation was not based on price but based the highest score with the ability to manage projects from past projects performed.</p> <p><b>Discussion/ Action Participants:</b> Ted Phillips, Sebastian Chmst</p>											
2	Amendment	4511 Spring Park Rd Pump Station Rehab and Upgrade	Melendez	Petticoat-Schmitt Civil Contractors, Inc.	\$1,409,000.00	N/A	\$1,409,000.00	N/A	Project Completion Start: 08/16/2024 End: 01/30/2025 (Estimated)	N/A	Motion by: Hai Vu  Second by: David Emanuel  Committee Decision: Approved
<p>The scope of work for this contract includes: complete remaining electrical and process mechanical work required to in-service the pump station, install and commission odor control system, install and commission HVAC system, assist in removing bypass pumping system, and complete remaining building renovations and site work.</p> <p>This project was originally awarded to Williams Industrial Services, LLC on 3/11/2021 in the amount of \$3,358,137.98. Two Contact Amendments were processed that raised the contract amount to \$4,041,634.02. Williams Industrial Services notified JEA on 07/20/2023 that it was stopping work on all JEA projects. Williams Industrial Services subsequently declared bankruptcy. JEA terminated the Williams Industrial Services contract and contacted the surety. Prior to the contract termination, JEA had paid Williams Industrial \$3,285,928.09 for work completed. Per the terms of bond, the surety has paid JEA \$653,294.07, which represents the difference between the remaining Williams Industrial Services contract balance of \$755,705.93 and the Petticoat-Schmitt proposal to complete the remaining work in the amount of \$1,409,000.00.</p> <p>Per section 3-104 of the Procurement Code, JEA is directly awarding the remaining scope of work of the terminated Williams Industrial contract to Petticoat-Schmitt. JEA reviewed the project with the Petticoat-Schmitt and deemed the proposal is reasonable when compared to other project of this type.</p> <p><b>Discussion/ Action:</b> How does the process work when a contract is terminated and wanting to use a bond to complete the work? JEA calls the bond company per the JEA contract to advise of contract default and requests a remedy. For this project, the surety went to market to find another company to complete the work which is allowed by State statute. Does JEA have say in approval of new company proposal? For this remedy, yes, JEA did have a say in new proposal and found it reasonable.</p> <p><b>Discussion/ Action Participants:</b> Ted Phillips, Jennifer McCollum, Hai Vu, Dan Kruck, Delphine Maiden</p>

**ARTICLE 1 – BID RECIPIENT**

- 1.01 The Entity the bid is addressed to: **Mattamy Jacksonville, LLC**  
**39 Riverwalk Blvd**  
**St Johns, FL 32259**
- The physical address the bid is submitted to: **Prosser, Inc. Attn: Shane Haslauer**  
**13901 Sutton Park Drive S. Suite 200**  
**Jacksonville, FL 32224**
- 1.02 The undersigned Bidder proposes and agrees, if this Bid is accepted, to enter into an Agreement with Owner in the form included in the Bidding Documents to perform all Work as specified or indicated in the Bidding Documents for the prices and within the times indicated in this Bid and in accordance with the other terms and conditions of the Bidding Documents.

**ARTICLE 2 – BIDDER'S ACKNOWLEDGEMENTS**

- 2.01 Bidder accepts all of the terms and conditions of the Instructions to Bidders, including without limitation those dealing with the disposition of Bid security. This Bid will remain subject to acceptance for **60 days** after the Bid opening, or for such longer period of time that Bidder may agree to in writing upon request of Owner.

**ARTICLE 3 – BIDDER'S REPRESENTATIONS**

- 3.01 In submitting this Bid, Bidder represents that:

- A. Bidder has examined and carefully studied the Bidding Documents, the other related data identified in the Bidding Documents, and the following Addenda, receipt of which is hereby acknowledged.

<u>Addendum No.</u>	<u>Addendum Date</u>
<u>1</u>	<u>9/13/2023</u>
<u>2</u>	<u>9/19/2023</u>

- B. Bidder has visited the Site and become familiar with and is satisfied as to the general, local and Site conditions that may affect cost, progress, and performance of the Work.
- C. Bidder is familiar with and is satisfied as to all federal, state and local Laws and Regulations that may affect cost, progress and performance of the Work.
- D. Bidder has carefully studied all: (1) reports of explorations and tests of subsurface conditions at or contiguous to the Site and all drawings of physical conditions in or relating to existing surface or subsurface structures at or contiguous to the Site (except Underground Facilities) which have been identified in SC-4.02, and (2) reports and drawings of Hazardous Environmental Conditions that have been identified in SC-4.06
- E. Bidder has obtained and carefully studied (or accepts the consequences for not doing so) all additional or supplementary examinations, investigations, explorations, tests, studies and data concerning conditions (surface, subsurface and Underground Facilities) at or contiguous to the Site which may affect cost, progress, or performance of the Work or which relate to any aspect of the means, methods, techniques, sequences, and procedures of construction to be employed by Bidder, including applying the specific means, methods, techniques, sequences, and procedures of construction expressly required by the Bidding Documents to be employed by Bidder, and safety precautions and programs incident thereto.
- F. Bidder does not consider that any further examinations, investigations, explorations, tests, studies, or data are necessary for the determination of this Bid for performance of the Work at the price(s) bid and within the times and in accordance with the other terms and conditions of the Bidding Documents.

**ORIGINAL**

- G. Bidder is aware of the general nature of work to be performed by Owner and others at the Site that relates to the Work as indicated in the Bidding Documents.
- H. Bidder has correlated the information known to Bidder, information and observations obtained from visits to the Site, reports and drawings identified in the Bidding Documents, and all additional examinations, investigations, explorations, tests, studies, and data with the Bidding Documents.
- I. Bidder has given Engineer written notice of all conflicts, errors, ambiguities, or discrepancies that Bidder has discovered in the Bidding Documents, and the written resolution thereof by Engineer is acceptable to Bidder.
- J. The Bidding Documents are generally sufficient to indicate and convey understanding of all terms and conditions for the performance of the Work for which this Bid is submitted.
- K. Bidder will submit written evidence of its authority to do business in the state where the Project is located not later than the date of its execution of the Agreement.

#### ARTICLE 4 – FURTHER REPRESENTATIONS

4.01 Bidder further represents that:

- A. this Bid is genuine and not made in the interest of or on behalf of any undisclosed individual or entity and is not submitted in conformity with any agreement or rules of any group, association, organization or corporation.
- B. Bidder has not directly or indirectly induced or solicited any other Bidder to submit a false or sham Bid;
- C. Bidder has not solicited or induced any individual or entity to refrain from bidding; and
- D. Bidder has not sought by collusion to obtain for itself any advantage over any other Bidder or over Owner.

#### ARTICLE 5 – BASIS OF BID

5.01 Bidder will complete the Work in accordance with the Contract Documents for the following price(s):

	One Million One Hundred Ninety Four Thousand	\$1,194,500.00
Lump Sum Price-	Five Hundred Dollars & Zero Cents	
	Written	Numeric

#### ARTICLE 6 – TIME OF COMPLETION

- 6.01 Bidder agrees that the Work will be substantially complete within 180 calendar days, after the date when the Contract Times commence to run as provided in Paragraph 2.03 of the General Conditions, and will be completed and ready for final payment in accordance with Paragraph 14.07.B of the General Conditions within 210 calendar days after the date when the Contract Times commence to run.
- 6.02 Bidder accepts the provisions of the Agreement as to liquidated damages in the event of failure to complete the Work within the Contract Times.
  - A. Liquidated damages for failure to meet times specified will be \$1000/ calendar day.

#### ARTICLE 7 – ATTACHMENTS TO THIS BID

7.01 The following documents are attached to and made a condition of this Bid:

- A. Schedule of Values

**ARTICLE 8 - DEFINED TERMS**

8.01 The terms used in this Bid with initial capital letters have the meanings stated in the Instructions to Bidders, the General Conditions, and the Supplementary Conditions.

**ARTICLE 9 - BID SUBMITTAL**

9.01 This Bid submitted by:

BID BOND

STATE OF FLORIDA

COUNTY OF: Duval

KNOW ALL PERSONS BY THESE PRESENTS, That we, Grimes Utilities, Inc. (hereinafter called "Principal"), and Merchants Bonding Company (Mutual) as Surety (hereinafter called "Surety"), are held and firmly bound unto the JEA of the City of Jacksonville, Florida (hereinafter called the "JEA"), in the sum of \$ 5% of Bid, lawful money of the United States of America, for the payment which sum well and truly to be made, we bind ourselves, our heirs, executors, administrators, and successors, jointly and severally, firmly by these presents:

WHEREAS, the Principal contemplates submitting or has submitted a Bid to the JEA for:

RiverTown Parcel 37

WHEREAS, it was a condition precedent to the submission of said Bid that a certified check or Bid Bond in the amount of 5% of Bid be submitted with said Bid as a guaranty that the Principal would, if awarded the contract, enter into a written contract with the JEA and furnish a Section 255.05 Florida Statutes Contract Bond in an amount equal to 100% for the performance of said contract, within ten consecutive calendar days after written notice being given of acceptance by the JEA.

NOW, THEREFORE, THE CONDITIONS OF THIS OBLIGATION ARE SUCH, that if the Bid of the Principal herein be accepted and said Principal, within ten consecutive calendar days after written notice being given of such acceptance, enters into a written contract with the JEA, and furnishes a Section 255.05, Florida Statutes Contract Bond in an amount equal to 100% satisfactory to the JEA, then this obligation shall be void; otherwise, the sum herein stated shall be due and payable to the JEA, and the Surety herein agrees to pay said sum immediately upon demand of said JEA, in good and lawful money of the United States of America; as liquidated damages for failure thereof of said Principal.

IN WITNESS WHEREOF, the said Principal and the said Surety have duly executed this bond the 19th day  
of September, 2023.

**MERCHANTS**  
**BONDING COMPANY™**  
**POWER OF ATTORNEY**

Know All Persons By These Presents, that MERCHANTS BONDING COMPANY (MUTUAL) and MERCHANTS NATIONAL BONDING, INC., both being corporations of the State of Iowa, d/b/a Merchants National Indemnity Company (in California only) (herein collectively called the "Companies") do hereby make, constitute and appoint, individually,

Benjamin Powell; Fitzhugh K Powell Jr; Robert T Theus; Susan W Jordan

their true and lawful Attorney(s)-in-Fact, to sign its name as surety(ies) and to execute, seal and acknowledge any and all bonds, undertakings, contracts and other written instruments in the nature thereof, on behalf of the Companies in their business of guaranteeing the fidelity of persons, guaranteeing the performance of contracts and executing or guaranteeing bonds and undertakings required or permitted in any actions or proceedings allowed by law.

This Power-of-Attorney is granted and is signed and sealed by facsimile under and by authority of the following By-Laws adopted by the Board of Directors of Merchants Bonding Company (Mutual) on April 23, 2011 and amended August 14, 2015 and adopted by the Board of Directors of Merchants National Bonding, Inc., on October 16, 2015.

"The President, Secretary, Treasurer, or any Assistant Treasurer or any Assistant Secretary or any Vice President shall have power and authority to appoint Attorneys-in-Fact, and to authorize them to execute on behalf of the Company, and attach the seal of the Company thereto, bonds and undertakings, recognizances, contracts of indemnity and other writings obligatory in the nature thereof."

"The signature of any authorized officer and the seal of the Company may be affixed by facsimile or electronic transmission to any Power of Attorney or Certification thereof authorizing the execution and delivery of any bond, undertaking, recognizance, or other suretyship obligations of the Company, and such signature and seal when so used shall have the same force and effect as though manually fixed."

In connection with obligations in favor of the Florida Department of Transportation only, it is agreed that the power and authority hereby given to the Attorney-in-Fact cannot be modified or revoked unless prior written personal notice of such intent has been given to the Commissioner-Department of Highways of the Commonwealth of Kentucky at least thirty (30) days prior to the modification or revocation.

In connection with obligations in favor of the Kentucky Department of Highways only, it is agreed that the power and authority hereby given to the Attorney-in-Fact cannot be modified or revoked unless prior written personal notice of such intent has been given to the Commissioner-Department of Highways of the Commonwealth of Kentucky at least thirty (30) days prior to the modification or revocation.

In Witness Whereof, the Companies have caused this instrument to be signed and sealed this 8th day of December, 2022.

[Remainder of Page Left Intentionally Blank]

The undersigned hereby authorize(s) and request(s) any person, firm or corporation to furnish any pertinent information requested by the Developer or their authorized agents, deemed necessary to verify the statements made in this application or attachments hereto, or necessary to determine whether the Developer should qualify the Proposer for providing a Proposal for its construction projects, including such matters as the Proposer's ability, standing integrity, quality of performance, efficiency and general reputation.

It is anticipated that, after the contract is awarded, it will be assigned to a Community Development District (the "District"). By submitting a proposal each Proposer is consenting and agreeing to the assignment of the contract to the District and any obligations to the Developer set forth herein or in the contract documents shall apply to the District.

John Woody, Inc.

**Benjamin Powell Attorney in Fact**

**MERCHANTS**  
**BONDING COMPANY™**  
**POWER OF ATTORNEY**

Know All Persons By These Presents, that MERCHANTS BONDING COMPANY (MUTUAL) and MERCHANTS NATIONAL BONDING, INC., both being corporations of the State of Iowa, d/b/a Merchants National Indemnity Company (in California only) (herein collectively called the "Companies") do hereby make, constitute and appoint, individually,

Benjamin Powell; Fitzhugh K Powell Jr; Robert T Theus; Susan W Jordan

their true and lawful Attorney(s)-in-Fact, to sign its name as surety(ies) and to execute, seal and acknowledge any and all bonds, undertakings, contracts and other written instruments in the nature thereof, on behalf of the Companies in their business of guaranteeing the fidelity of persons, guaranteeing the performance of contracts and executing or guaranteeing bonds and undertakings required or permitted in any actions or proceedings allowed by law.

This Power-of-Attorney is granted and is signed and sealed by facsimile under and by authority of the following By-Laws adopted by the Board of Directors of Merchants Bonding Company (Mutual) on April 23, 2011 and amended August 14, 2015 and adopted by the Board of Directors of Merchants National Bonding, Inc., on October 16, 2015.

"The President, Secretary, Treasurer, or any Assistant Treasurer or any Assistant Secretary or any Vice President shall have power and authority to appoint Attorneys-in-Fact, and to authorize them to execute on behalf of the Company, and attach the seal of the Company thereto, bonds and undertakings, recognizances, contracts of indemnity and other writings obligatory in the nature thereof."

"The signature of any authorized officer and the seal of the Company may be affixed by facsimile or electronic transmission to any Power of Attorney or Certification thereof authorizing the execution and delivery of any bond, undertaking, recognizance, or other suretyship obligations of the Company, and such signature and seal when so used shall have the same force and effect as though manually fixed."

In connection with obligations in favor of the Florida Department of Transportation only, it is agreed that the power and authority hereby given to the Attorney-in-Fact includes any and all consents for the release of retained percentages and/or final estimates on engineering and construction contracts required by the State of Florida Department of Transportation. It is fully understood that consenting to the State of Florida Department of Transportation making payment of the final estimate to the Contractor and/or its assignee, shall not relieve this surety company of any of its obligations under its bond.

In connection with obligations in favor of the Kentucky Department of Highways only, it is agreed that the power and authority hereby given to the Attorney-in-Fact cannot be modified or revoked unless prior written personal notice of such intent has been given to the Commissioner-Department of Highways of the Commonwealth of Kentucky at least thirty (30) days prior to the modification or revocation.

In Witness Whereof, the Companies have caused this instrument to be signed and sealed this 8th day of December, 2022.

MERCHANTS BONDING COMPANY (MUTUAL)  
MERCHANTS NATIONAL BONDING, INC.  
d/b/a MERCHANTS NATIONAL INDEMNITY COMPANY

By

*Larry Taylor*  
President

STATE OF IOWA  
COUNTY OF DALLAS ss.

On this 8th day of December, 2022, before me appeared Larry Taylor, to me personally known, who being by me duly sworn did say that he is President of MERCHANTS BONDING COMPANY (MUTUAL) and MERCHANTS NATIONAL BONDING, INC.; and that the seals affixed to the foregoing instrument are the Corporate Seals of the Companies; and that the said instrument was signed and sealed in behalf of the Companies by authority of their respective Boards of Directors.

*Kim Lee*

Notary Public

(Expiration of notary's commission does not invalidate this instrument)

I, William Warner, Jr., Secretary of MERCHANTS BONDING COMPANY (MUTUAL) and MERCHANTS NATIONAL BONDING, INC., do hereby certify that the above and foregoing is a true and correct copy of the POWER-OF-ATTORNEY executed by said Companies, which is still in full force and effect and has not been amended or revoked.

In Witness Whereof, I have hereunto set my hand and affixed the seal of the Companies on this 17th day of January, 2024.

*William Warner Jr.*  
Secretary

## Addendum

ADDENDUM NO.

One (1)

DATE OF ADDENDUM:

December 18, 2023

TITLE OF BID: **RANGER STATION ROADWAY,  
JEA WATER, REUSE AND FORCEMAIN IMPROVEMENTS**

PROPOSAL DUE DATE & TIME: January 19, 2023 @ 3:00 p.m. (unchanged)

**THIS ADDENDUM IS ISSUED FOR THE INFORMATION OF BIDDERS ON  
THE ABOVE TITLED PROJECT AND WILL BE A PART OF THE CONTRACT**

### General

1. The sign in sheet and Agenda from the December 15, 2023 Pre-Proposal Meeting is included.
2. Attention is called that the Roadway and Drainage Contractor is Vallencourt Construction.
3. Attention is called that the Utility Contractor is responsible for all MOT associated with the Utility installation.
4. Required Schedule shall be based on the Phase 1 Construction.
5. Clarification is provided that Pig Stations will not be required.

### Plans

1. Sheet 362: Revised text for bends on 8" Reuse Stub-Out.

As noted in the Project Manual documents are provided to the Proposer solely as a point of reference and a courtesy and should in no way be relied on by the Proposer as complete. Such reliance is at the sole and absolute risk of the Proposer.

As stated in the Project Manual, any and all questions relative to this project that may result in a change in the project documents should be received by January 12, 2023. Any questions after that date may or may not be addressed prior to the proposal due date and time.

### Project Manual Revision

1. The Proposal (Official Bid Form) within the Project Manual has been revised to address comments from JEA. This revised Proposal (Official Bid Form) has a revision date of January 4, 2024, and has been incorporated into the Project Manual on the FTP site. **Please ensure that you use this Proposal (Official Bid Form) for the Proposal that is submitted instead of the prior one.**

### Plans

**Question:** "On sheet 280 the water tie-in, should this be a Tapping sleeve & valve?"

**Response:** "Per JEA, both the Water Main and the Force Main connections at USI shall be Cut-in Tee connections. Please see revised sheet 280 and 283 attached."

As noted in the Project Manual documents are provided to the Proposer solely as a point of reference and a courtesy and should in no way be relied on by the Proposer as complete. Such reliance is at the sole and absolute risk of the Proposer.

As stated in the Project Manual, any and all questions relative to this project that may result in a change in the project documents should be received by January 12, 2024. Any questions after that date may or may not be addressed prior to the proposal due date and time.

## Addendum

ADDENDUM NO.

Three (3) ✓

DATE OF ADDENDUM:

January 17, 2024

TITLE OF BID: **RANGER STATION ROADWAY,  
JEA WATER, REUSE AND FORCEMAIN IMPROVEMENTS**

PROPOSAL DUE DATE & TIME: January 19, 2024 @ 3:00 p.m. (unchanged)

**THIS ADDENDUM IS ISSUED FOR THE INFORMATION OF BIDDERS ON  
THE ABOVE TITLED PROJECT AND WILL BE A PART OF THE CONTRACT**

1. **Question:** "In phase I, at STA 510+16.06, on the water main, there is a stub out called to be 20" DR 18 pipe. JEA typically asks for DIP over 16" on watermain. Should this branch be DIP, or the DR 18 as called out?"

**Response:** DIP material to be used for 20" Water Main.

2. **Question:** "JEA Standards say that DR25 PVC pipe can be used on forcemains 16" and over. Can DR 25 be used in place of the DR18?"

**Response:** Use DR18 material as specified in the plans.

3. **Question:**

- "Is there an amount of time that JEA will allow for the tie ins within the US 1 ROW?"
- "Does JEA know the amount of distance/location of existing valves on the forcemain line?"
- "How many pump stations are tied to it, and an estimate of how much flow runs through it?"

**Response:**

- JEA will work with the contractor to allow shutdowns at night.
- Based on the JEA service maps valves are located:

WM

Approximately 1,400 ft north of the connection. In front of the Above Athletics

Approximately 500 ft South of the connection. North of the JEA Plant driveway

FM

Approximately 500 ft north of the connection. In front of the Above Athletics

Approximately 2,200 ft South of the connection. South of Nocatee Parkway

- JEA has not specified.

As noted in the Project Manual documents are provided to the Proposer solely as a point of reference and a courtesy and should in no way be relied on by the Proposer as complete. Such reliance is at the sole and absolute risk of the Proposer.

As stated in the Project Manual, any and all questions relative to this project that may result in a change in the project documents should be received by January 12, 2024. Any questions after that date may or may not be addressed prior to the proposal due date and time.

**FROM: John Woody, Inc.**

**(Contractor)**

In accordance with the Request for Proposal inviting proposals for Ranger Station Roadway JEA Water, Reuse and Force Main Improvements, the undersigned proposes to perform all work necessary to construct a complete utility system, including water main, reclaimed watermain and force main, as shown on the plans released for bid and the Geotechnical Report prepared by ECS Florida, LLC, and in accordance with all JEA and City of Jacksonville requirements, JEA Standards and Specifications and the Florida Department of Environmental Protection Potable Water and Domestic Wastewater permits. Technical Project Specifications for this project is subject to the JEA specifications in publication at the time of bid. Please visit JEA.com for further information. Attention is called to the required coordination of the proposed work with the existing roadway work being conducted within this same corridor. Proposer is required to provide for close coordination and scheduling of the work with the existing site work currently being performed by Vallencourt Construction. It is imperative that Proposer take this coordination into account when preparing their proposal. Substantial Completion of Phase I shall be achieved within 100 calendar days, and Final Completion of Phase I shall be achieved within 130 calendar days.

All proposals shall be for complete work in accordance with the construction plans. (No partial proposals accepted.)

TO: EVRDEV, LLC

From: John Woody, Inc.

In response to your Request for Proposal, the undersigned hereby submits our Proposal for the **Ranger Station Roadway – JEA Water, Reuse and Force Main Improvements** project. This Proposal has been prepared and submitted subject to the conditions and requirements set forth in the Project Manual, including all Addenda. All of the documents included in the Project Manual and Addenda thereto, so far as they relate to this Proposal, are made a part hereof. The undersigned (Contractor) herewith proposes to perform the work stipulated for the unit and/or lump sum prices given by the Summary of Costs and schedule of values that is part hereof.

The undersigned has carefully checked the Summary of Costs and schedule of values against the Project Manual, including but not limited to the plans and specifications, general and special conditions and other contract documents and all Addenda before proposing this Proposal and accepts them as correctly listing the complete work to be done in accordance with the Project Manual, including but not limited to the plans and specifications, general and special conditions and other contract documents.

The undersigned Proposer examined the entire Project Manual, including but not limited to the Request for Proposal, plans and specifications, General and Special Conditions, and other contract documents and all addenda and is acquainted with and fully understands the extent and character of the work covered by this Proposal and the specified requirements for the work to be performed for the Project. Further, the Proposer has examined the work site and is fully informed as to conditions at this site. The Proposer understands that all work provided for in the Project Manual, including but not limited to all contract-related documents, as may be amended, shall be warranted to the benefit of the City of Jacksonville (COJ) provided until at least 12 months after as-built approval by COJ. All other work shall be warranted in accordance with the Contract Documents. However, none of the above is intended to shorten the statutory or common law construction warranties to which the District is otherwise entitled.

The undersigned Proposer certifies that no officer or agent of EVRDEV, LLC is directly or indirectly interested in this Proposal.

The undersigned Proposer states that this Proposal is made in conformity with the Project Manual and agrees that in case of any discrepancy or differences between any condition of his or her Proposal and those of the Project Manual, the provisions of the latter shall prevail.

The undersigned Proposer certifies that he or she has carefully examined the project site, made his/her own measurements and calculations and prepared and checked the foregoing Proposal after the same was completed and has verified every item placed thereon; and agrees to indemnify, defend and hold harmless EVRDEV, LLC and England-Thims and Miller, Inc. against any cost, damage or expense which may be incurred or caused by error in his or her preparation of the same.

The undersigned acknowledges, by execution of this Proposal, that all information provided herein has been provided in full and that such information is truthful and accurate. Proposer agrees through submission of this Proposal to honor all pricing information one hundred twenty (120) days from that date of the Proposal opening, and if awarded a contract on the basis of this Proposal, or a portion thereof, to enter into and execute the EJCDC standard form of agreement in substantially the form included in the Project Manual. Further the Contractor warrants the pricing provided in the Proposal shall remain valid and binding for the term of the agreement and not subject to escalation, including for gasoline, labor or material price increases.

Proposer understands that inclusion of false, deceptive, or fraudulent statements on the Proposal constitutes fraud; and that the District considers such action on the part of the Proposer to constitute good cause for denial, suspension or revocation of a Proposal for work for EVRDEV, LLC.

## BID SUMMARY

### Part 1 - Phase 1 (US1 to Sta. 522+65)

A.	MOBILIZATION	
B.	EROSION AND SEDIMENT CONTROL	
C.	MAINTENANCE OF TRAFFIC (US-1 UTILITIES)	
D.	WATER MAIN (JEA PARTICIPATION)	\$ 1,982,180.00
E.	RECLAIMED WATER MAIN (JEA PARTICIPATION)	\$ 1,667,880.00
F.	FORCE MAIN (JEA PARTICIPATION)	\$ 1,315,880.00
G.	WATER MAIN (NO JEA PARTICIPATION)	\$ 178,800.00
H.	RECLAIMED WATER MAIN (NO JEA PARTICIPATION)	\$ 83,420.00
I.	FORCE MAIN (NO JEA PARTICIPATION)	\$ 28,370.00
J.	UNSUITABLE MATERIAL REMOVAL AND REPLACEMENT	
K.	COORDINATION WITH OTHER ON-SITE CONTRACTORS	
L.	STORMWATER POLLUTION PREVENTION PLAN	
M.	TESTING	
N.	AS-BUILTS	
O.	BONDING	

**PART 1 SUBTOTAL LUMP SUM BID (ITEMS D – I)**

**\$ 5,256,530.00**

### Part 2 - Phase 2 (Sta. 522+65 to Sta. 588+34)

P.	MOBILIZATION	
Q.	EROSION AND SEDIMENT CONTROL	
R.	WATER MAIN (JEA PARTICIPATION)	\$ 2,254,708.00
S.	RECLAIMED WATER MAIN (JEA PARTICIPATION)	\$ 1,816,350.00
T.	FORCE MAIN (JEA PARTICIPATION)	\$ 1,759,336.00
U.	WATER MAIN (NO JEA PARTICIPATION)	\$ 161,375.00
V.	RECLAIMED WATER MAIN (NO JEA PARTICIPATION)	\$ 24,972.00
W.	FORCE MAIN (NO JEA PARTICIPATION)	\$ 39,950.00
X.	UNSUITABLE MATERIAL REMOVAL AND REPLACEMENT	
Y.	COORDINATION WITH OTHER ON-SITE CONTRACTORS	
Z.	STORMWATER POLLUTION PREVENTION PLAN	
AA.	TESTING	

BB. AS-BUILTS  
CC. BONDING

<b>PART 2 SUBTOTAL LUMP SUM BID (ITEMS R – W)</b>	<b>\$6,056,691.00</b>
---	-----------------------

**Part 3 - Phase 3 (Sta. 588+34 to Sta 650+75)**

DD.	MOBILIZATION	
EE.	EROSION AND SEDIMENT CONTROL	
FF.	WATER MAIN (JEA PARTICIPATION)	\$ 1,998,992.00
GG.	RECLAIMED WATER MAIN (JEA PARTICIPATION)	\$ 1,640,947.00
HH.	FORCE MAIN (JEA PARTICIPATION)	\$ 1,725,928.00
II.	WATER MAIN (NO JEA PARTICIPATION)	\$ 201,490.00
JJ.	RECLAIMED WATER MAIN (NO JEA PARTICIPATION)	\$ 68,548.00
KK.	FORCE MAIN (NO JEA PARTICIPATION)	\$ 47,960.00
LL.	UNSUITABLE MATERIAL REMOVAL AND REPLACEMENT	
MM.	COORDINATION WITH OTHER ON-SITE CONTRACTORS	
NN.	STORMWATER POLLUTION PREVENTION PLAN

PP.	AS-BUILTS	
QQ.	BONDING	

<b>PART 3 SUBTOTAL LUMP SUM BID (ITEMS FF – KK)</b>	<b>\$5,683,865.00</b>
---	-----------------------

<b>GRAND TOTAL LUMP SUM BID (PARTS 1-3)</b>	<b>\$16,997,086.00</b>
---	------------------------

**BID ALTERNATE NO. 1 – CONSTRUCTION OF PHASES 1, 2 AND 3, CONCURRENTLY**

This bid alternate is to provide the deductive amount if all three phases are constructed concurrently.

TOTAL LUMP SUM DEDUCT: \$ 186.00

**Part 1 - Phase 1 (US1 to Sta. 522+65)**

**A. MOBILIZATION**

Includes all preparatory work and operations in mobilizing for beginning work on the project, including, but not limited to, those operations necessary for the movement of personnel, equipment, supplies, and incidentals to the project site. Includes the costs of any required insurance, bonds and any other pre-construction expense necessary for the start of the work, excluding the cost of construction materials.

***NOTE: The cost for this Bid Item shall be included in Bid Items D – I, allocated between those six Bid Items as deemed appropriate by the Proposer.***

**B. EROSION AND SEDIMENT CONTROL**

Includes all measures that are required to comply with the State of Florida and City of Jacksonville water quality standards. This includes all such measures that shall prevent the discharge of turbid waters from the site and minimize erosion of all graded areas. This includes sodding of all disturbed areas.

***NOTE: The cost for this Bid Item shall be included in Bid Items D – I, allocated between those six Bid Items as deemed appropriate by the Proposer.***

**C. MAINTENANCE OF TRAFFIC (US-1 UTILITIES)**

Includes all costs associated with implementing the Maintenance of Traffic Plan for the utility portion of this project as depicted on the plans and in accordance with the FDOT Standard Index 600 series, which may include but is not limited to:

INSTALLATION AND REMOVAL OF SPECIAL DETOURS AND DIVERSIONS  
NON-PEAK HOURS CONSTRUCTION  
COMMERCIAL MATERIAL FOR DRIVEWAY MAINTENANCE  
OFF-DUTY LAW ENFORCEMENT OFFICERS  
FLAGGERS  
WORK ZONE SIGNS  
BUSINESS SIGNS  
BARRIER WALL (TEMPORARY) (RELOCATE)(CONCRETE)  
GUARDRAIL (TEMPORARY)  
BARRICADE (TEMPORARY) (TYPES I, II, VP & DRUM)  
BARRICADE (TEMPORARY) (TYPE III) (6')  
PANELS ARROW ADVANCE WARNING  
HIGH INTENSITY FLASHING LIGHTS (TEMP – TYPE B)  
MARKER PAVT REFLECTIVE (TEMPORARY)  
LIGHTS (TEMP-BARR. WALL MOUNT) (TYPE C STEADY BURN)  
IMPACT ATTENUATOR (REDIRECTIVE OPTION) (TEMPORARY)  
BARRICADE (TO REMAIN) (TYPE III) (6')  
SIGN VARIABLE MESSAGE (TEMPORARY)  
PAVT MARKING TEMPORARY PAINT  
PAVT MARKING REMOVABLE

PAVT MARKING REMOVABLE (RPM)  
ACCESS FOR RESIDENCES AND BUSINESSES  
COORDINATION WITH EMERGENCY SERVICE PROVIDERS  
FENCE AND GATE MAINTENANCE

**NOTE: The cost for this Bid Item shall be included in Bid Items D – I, allocated between those six Bid Items as deemed appropriate by the Proposer.**

D. WATER MAIN (JEA PARTICIPATION)

Includes the construction of the 24" DI JEA potable water main within the Ranger Station Roadway and EverRange Parkway rights of way, from the point of connection at Sta. 100+30+/- (in US 1 R/W) to Sta. 522+65 (end of Phase 1), as shown within the construction plans. Includes all 24" pipe, 24" valves, Tees installed in the 24" main, 24" fittings, connection to the existing water distribution systems, pressure testing, flushing, disinfection, bacteriological testing, locate wires and appurtenances, plugs, backfill and compaction to JEA and City of Jacksonville Standards of material over the pipe, and the removal, disposal and replacement of any unsuitable material encountered and all other work (including dewatering) necessary to complete the installation of the system. Additionally, this work includes the acceptance testing, JEA warranty and maintenance and other items not specifically mentioned, but necessary for a complete and operable system as shown on the drawings and in accordance with the JEA and Florida Department of Environmental Protection requirements.

**NOTE: This item specifically does not include piping, valves, fire hydrants and other fittings/appurtenances smaller than 24". The cost for those items are to be included in Bid Item G.**

TOTAL LUMP SUM PRICE ITEM D:	
\$ 1,982,180.00	(Numerals)
ONE MILLION NINE HUNDRED EIGHTY TWO THOUSAND ONE HUNDRED EIGHTY AND 0/100	(Written)

E. RECLAIMED WATER MAIN (JEA PARTICIPATION)

Includes the construction of the 20" DI JEA reclaimed water main within the Ranger Station Roadway and EverRange Parkway rights of way, from the point of connection at Sta. 100+30+/- (in US 1 R/W) to Sta. 522+65 (end of Phase 1), as shown within the construction plans. Includes all 20" pipe, 20" valves, Tees installed in the 20" main, 20" fittings, connection to the existing reclaim water distribution systems, pressure testing, flushing, locate wires and appurtenances, plugs, backfill and compaction to JEA and City of Jacksonville Standards of material over the pipe and the removal, disposal and replacement of any unsuitable material encountered and all other work (including dewatering) necessary to complete the installation of the system. This work also includes the acceptance testing, JEA warranty and maintenance and other items not specifically mentioned, but necessary for a complete and operable system as shown on the drawings and in accordance with the JEA and Florida Department of Environmental Protection requirements.

**NOTE: This item specifically does not include piping, valves and other fittings/appurtenances smaller than 20". The cost for those items are to be included in Bid Item H.**

TOTAL LUMP SUM PRICE ITEM E:	
\$ 1,667,880.00	(Numerals)
ONE MILLION SIX HUNDRED SIXTY SEVEN THOUSAND EIGHT HUNDRED EIGHTY AND 0/100 (Written)	

**F. FORCE MAIN (JEA PARTICIPATION)**

Includes the construction of the 20" PVC JEA reclaimed water main within the Ranger Station Roadway right of way, from the point of connection at Sta. 100+30+/- (in US 1 R/W) to Sta. 522+65 (end of Phase 1), as shown within the construction plans. Includes all 20" pipe, 20" valves, 20" fittings, Tees installed in the 20" main, connection to the existing force main, pressure testing, flushing, locate wires and appurtenances, plugs, backfill and compaction to JEA and City of Jacksonville Standards of material over the pipe and the removal, disposal and replacement of any unsuitable material encountered and all other work (including dewatering) necessary to complete the installation of the system. This work also includes the acceptance testing, JEA warranty and maintenance and other items not specifically mentioned, but necessary for a complete and operable system as shown on the drawings and in accordance with the JEA and Florida Department of Environmental Protection requirements.

**NOTE: This item specifically does not include piping, valves and other fittings/appurtenances smaller than 20". The cost for those items are to be included in Bid Item I.**

TOTAL LUMP SUM PRICE ITEM F:	
\$ 1,315,880.00	(Numerals)
ONE MILLION THREE HUNDRED FIFTEEN THOUSAND EIGHT HUNDRED EIGHTY AND 0/100 (Written)	

**G. WATER MAIN (NO JEA PARTICIPATION)**

Includes the construction of the less than 24" portions of the water main, including all pipes, valves, fire hydrants and other fittings/appurtenances that are not included in Bid Item D.

TOTAL BASIS OF BID PRICE ITEM G:	
\$ 178,800.00	(Numerals)
ONE HUNDRED SEVENTY EIGHT THOUSAND EIGHT HUNDRED AND 0/100 (Written)	

**H. RECLAIMED WATER MAIN (NO JEA PARTICIPATION)**

Includes the construction of the less than 20" portions of the reclaimed water main, including all pipes, valves and other fittings/appurtenances that are not included in Bid Item E.

TOTAL BASIS OF BID PRICE ITEM H:	
<u>\$ 83,420.00</u>	(Numerals)
<u>EIGHTY THREE THOUSAND FOUR HUNDRED TWENTY AND 0/100</u>	(Written)

I. FORCE MAIN (NO JEA PARTICIPATION)

Includes the construction of the less than 20" portions of the force main, including all pipes, valves and other fittings/appurtenances that are not included in Bid Item F.

TOTAL BASIS OF BID PRICE ITEM I:	
<u>\$28,370.00</u>	(Numerals)
<u>TWENTY EIGHT THOUSAND THREE HUNDRED SEVENTY AND 0/100</u>	(Written)

J. UNSUITABLE MATERIAL REMOVAL AND REPLACEMENT

Includes removal of all unsuitable material encountered, naturally occurring or otherwise, that is not included in regular utility excavation, as required for utility construction. Also includes replacement of removed unsuitable material with suitable fill, compacted in 12" lifts to 98% of the Modified Proctor maximum dry density, in accordance with the Report of Geotechnical Exploration. Suitable fill material shall be imported from offsite source(s) secured by the contractor and approved by Owner and Engineer. Excess Unsuitable Material shall be disposed of off-site at a location secured by the Contractor.

BASIS OF BID QUANTITY: 1,000 CUBIC YARDS

**NOTE: The cost for this Bid Item shall be included in Bid Items D – I, allocated between those six Bid Items as deemed appropriate by the Proposer.**

K. COORDINATION WITH OTHER ON-SITE CONTRACTORS

The selected Utility Contractor shall re-establish all earthwork grades disturbed by the installed utilities (to within 0.1' of the grades established by the roadway contractor) upon completion of the utility installations. This grading work shall be accomplished in a timely manner so as not to delay the roadway contractor's project schedule. The Contractor shall coordinate with the roadway Contractor before, during and after construction to ensure that all proposed water, reclaim and force main improvements and connections are installed as shown on the drawings and specifications and in accordance with JEA and Florida Department of Environmental Protection requirements. Additionally, Contractor will be expected to coordinate with the roadway Contractor in such a way as to not impede their construction, and such coordination should be reflected in the project schedule and in the price reflected in this bid item. Contractor will be required to provide, in writing, a weekly status report to the roadway Contractor, Owner's representative and engineer depicting the portion of the water and reclaim improvements that were installed that week and the anticipated portion of the water and reclaim improvements to be installed in the week ahead. Contractor shall be responsible for any delay in the roadway Contractor's work due to lack of coordination and/or delays associated with the work herein. The cost of this coordination shall be included in this proposal item.

**NOTE: The cost for this Bid Item shall be included in Bid Items D – I, allocated between those six Bid Items as deemed appropriate by the Proposer.**

L. STORMWATER POLLUTION PREVENTION PLAN

The Contractor shall adhere to all Federal rules and regulations regarding the National Pollutant Discharge Elimination System (NPDES) for construction and ground water discharge. The Storm Water Pollution Prevention Plan (SWPPP) included in these plans shall establish the minimum requirements allowed. The Contractor shall implement additional measures, as required, to ensure compliance with the NPDES requirements. Note: Contractor shall also obtain and have analyzed dewatering discharge samples after the commencement of construction in accordance with the FDEP Generic Permit for the Discharge of Produced Groundwater.

**NOTE: The cost for this Bid Item shall be included in Bid Items D – I, allocated between those six Bid Items as deemed appropriate by the Proposer.**

M. TESTING

The costs for all testing associated with the backfill of the utility trenches are to be included in the Contractor's Contract. This includes, but is not limited to, all material tests, compaction tests, etc. The Owner must approve the Contractor's testing company.

**NOTE: The cost for this Bid Item shall be included in Bid Items D – I, allocated between those six Bid Items as deemed appropriate by the Proposer.**

N. AS-BUILTS

Cost of providing ALL as-builts of the potable water system, reclaimed water systems, force main water systems, site work as required by the JEA, Florida Department of Environmental Protection, and City of Jacksonville.

**NOTE: The cost for this Bid Item shall be included in Bid Items D – I, allocated between those six Bid Items as deemed appropriate by the Proposer.**

O. BONDING

O.1 PAYMENT AND PERFORMANCE BOND

Cost of providing a payment and performance bond in accordance with project specifications.

**NOTE: The cost for this Bid Item shall be included in Bid Items D – I, allocated between those six Bid Items as deemed appropriate by the Proposer.**

O.2. CONTRACTOR'S WARRANTY

Cost of providing a Contractor's warranty in accordance with JEA's standard requirements and the project specifications.

**NOTE: The cost for this Bid Item shall be included in Bid Items D – I, allocated between those six Bid Items as deemed appropriate by the Proposer.**

**Part 2 - Phase 2 (Sta. 522+65 to Sta. 588+34)**

**P. MOBILIZATION**

Includes all preparatory work and operations in mobilizing for beginning work on the project, including, but not limited to, those operations necessary for the movement of personnel, equipment, supplies, and incidentals to the project site. Includes the costs of any required insurance, bonds and any other pre-construction expense necessary for the start of the work, excluding the cost of construction materials.

**NOTE: The cost for this Bid Item shall be included in Bid Items R – W, allocated between those six Bid Items as deemed appropriate by the Proposer.**

**Q. EROSION AND SEDIMENT CONTROL**

Includes all measures that are required to comply with the State of Florida and City of Jacksonville water quality standards. This includes all such measures that shall prevent the discharge of turbid waters from the site and minimize erosion of all graded areas. This includes sodding of all disturbed areas.

**NOTE: The cost for this Bid Item shall be included in Bid Items R – W, allocated between those six Bid Items as deemed appropriate by the Proposer.**

**R. WATER MAIN (JEA PARTICIPATION)**

Includes the construction of the 24" DI JEA potable water main within the Ranger Station Roadway right of way, from the point of connection at Sta. 522+65 (end of Phase 1) to Sta. 588+34 (end of Phase 2), as shown within the construction plans. Includes all 24" pipe, 24" valves, Tees installed in the 24" main, 24" fittings, connection to the existing water distribution systems, pressure testing, flushing, disinfection, bacteriological testing, locate wires and appurtenances, pipe bedding and compaction to JEA and City of Jacksonville Standards of material over the pipe, and the removal, disposal and replacement of any unsuitable material encountered and all other work (including dewatering) necessary to complete the installation of the system. Additionally, this work includes the acceptance testing, JEA warranty and maintenance and other items not specifically mentioned, but necessary for a complete and operable system as shown on the drawings and in accordance with the JEA and Florida Department of Environmental Protection requirements.

**NOTE: This item specifically does not include piping, valves, fire hydrants and other fittings/appurtenances smaller than 24". The cost for those items are to be included in Bid Item U.**

**TOTAL LUMP SUM PRICE ITEM R:**

**\$ 2,254,708.00**

**(Numerals)**

**TWO MILLION TWO HUNDRED FIFTY FOUR THOUSAND SEVEN HUNDRED EIGHT AND 0/100**

**(Written)**

**S. RECLAIMED WATER MAIN (JEA PARTICIPATION)**

Includes the construction of the 20" DI JEA reclaimed water main within the Ranger Station Roadway right of way, from the point of connection at Sta. 522+65 (end of Phase 1) to Sta. 588+34 (end of Phase 2), as shown within the construction plans. Includes all 20" pipe, 20" valves, Tees installed in the 20" main, 20" fittings, connection to the existing reclaim water distribution systems, pressure testing, flushing, locate wires and appurtenances, plugs, backfill and compaction to JEA and City of Jacksonville Standards of material over the pipe and the removal, disposal and replacement of any unsuitable material encountered and all other work (including dewatering) necessary to complete the installation of the system. This work also includes the acceptance testing, JEA warranty and maintenance and other items not specifically mentioned, but necessary for a complete and operable system as shown on the drawings and in accordance with the JEA and Florida Department of Environmental Protection requirements.

**NOTE: This item specifically does not include piping, valves and other fittings/appurtenances smaller than 20". The cost for those items are to be included in Bid Item V.**

TOTAL LUMP SUM PRICE ITEM S:	
\$1,816,350.00	(Numerals)
ONE MILLION EIGHT HUNDRED SIXTEEN THOUSAND THREE HUNDRED FIFTY AND 0/100	(Written)

**T. FORCE MAIN (JEA PARTICIPATION)**

Includes the construction of the 20" PVC JEA reclaimed water main within the Ranger Station Roadway right of way, from the point of connection at Sta. 522+65 (end of Phase 1) to Sta. 588+34 (end of Phase 2), as shown within the construction plans. Includes all 20" pipe, 20" valves, 20" fittings, Tees installed in the 20" main connection to the existing force main, pressure testing, flushing, locate wires and appurtenances, plugs, backfill and compaction to JEA and City of Jacksonville Standards of material over the pipe and the removal, disposal and replacement of any unsuitable material encountered and all other work (including dewatering) necessary to complete the installation of the system. This work also includes the acceptance testing, JEA warranty and maintenance and other items not specifically mentioned, but necessary for a complete and operable system as shown on the drawings and in accordance with the JEA and Florida Department of Environmental Protection requirements.

**NOTE: This item specifically does not include piping, valves and other fittings/appurtenances smaller than 20". The cost for those items are to be included in Bid Item W.**

X. UNSUITABLE MATERIAL REMOVAL AND REPLACEMENT

Includes removal of all unsuitable material encountered, naturally occurring or otherwise, that is not included in regular utility excavation, as required for utility construction. Also includes replacement of removed unsuitable material with suitable fill, compacted in 12" lifts to 98% of the Modified Proctor maximum dry density, in accordance with the Report of Geotechnical Exploration. Suitable fill material shall be imported from offsite source(s) secured by the contractor and approved by Owner and Engineer. Excess Unsuitable Material shall be disposed of off-site at a location secured by the Contractor.

BASIS OF BID QUANTITY: 1,000 CUBIC YARDS

**NOTE: The cost for this Bid Item shall be included in Bid Items R – W, allocated between those six Bid Items as deemed appropriate by the Proposer.**

Y. COORDINATION WITH OTHER ON-SITE CONTRACTORS

The selected Utility Contractor shall re-establish all earthwork grades disturbed by the installed utilities (to within 0.1' of the grades established by the roadway contractor) upon completion of the utility installations. This grading work shall be accomplished in a timely manner so as not to delay the roadway contractor's project schedule. The Contractor shall coordinate with the roadway Contractor before, during and after construction to ensure that all proposed water, reclaim and force main improvements and connections are installed as shown on the drawings and specifications and in accordance with JEA and Florida Department of Environmental Protection requirements. Additionally, Contractor will be expected to coordinate with the roadway Contractor in such a way as to not impede their construction, and such coordination should be reflected in the project schedule and in the price reflected in this bid item. Contractor will be required to provide, in writing, a weekly status report to the roadway Contractor, Owner's representative and engineer depicting the portion of the water and reclaim improvements that were installed that week and the anticipated portion of the water and reclaim improvements to be installed in the week ahead. Contractor shall be responsible for any delay in the roadway Contractor's work due to lack of coordination and/or delays associated with the work herein. The cost of this coordination shall be included in this proposal item.

***NOTE: The cost for this Bid Item shall be included in Bid Items R – W, allocated between those six Bid Items as deemed appropriate by the Proposer.***

Z. STORMWATER POLLUTION PREVENTION PLAN

The Contractor shall adhere to all Federal rules and regulations regarding the National Pollutant Discharge Elimination System (NPDES) for construction and ground water discharge. The Storm Water Pollution Prevention Plan (SWPPP) included in these plans shall establish the minimum requirements allowed. The Contractor shall implement additional measures, as required, to ensure compliance with the NPDES requirements. Note: Contractor shall also obtain and have analyzed dewatering discharge samples after the commencement of construction in accordance with the FDEP Generic Permit for the Discharge of Produced Groundwater.

***NOTE: The cost for this Bid Item shall be included in Bid Items R – W, allocated between those six Bid Items as deemed appropriate by the Proposer.***

AA. TESTING

The costs for all testing associated with the backfill of the utility trenches are to be included in the Contractor's Contract. This includes, but is not limited to, all material tests, compaction tests, etc. The Owner must approve the Contractor's testing company.

***NOTE: The cost for this Bid Item shall be included in Bid Items R – W, allocated between those six Bid Items as deemed appropriate by the Proposer.***

BB. AS-BUILTS

Cost of providing ALL as-builts of the potable water system, reclaimed water systems, force main water systems, site work as required by the JEA, Florida Department of Environmental Protection, and City of Jacksonville.

***NOTE: The cost for this Bid Item shall be included in Bid Items R – W, allocated between those six Bid Items as deemed appropriate by the Proposer.***

CC. BONDING

W.1 PAYMENT AND PERFORMANCE BOND

Cost of providing a payment and performance bond in accordance with project specifications.

***NOTE: The cost for this Bid Item shall be included in Bid Items R – W, allocated between those six Bid Items as deemed appropriate by the Proposer.***

CC.2. CONTRACTOR'S WARRANTY

Cost of providing a Contractor's warranty in accordance with JEA's standard requirements and the project specifications.

***NOTE: The cost for this Bid Item shall be included in Bid Items R – W, allocated between those six Bid Items as deemed appropriate by the Proposer.***

### Part 3 - Phase 3 (Sta. 588+34 to Sta. 650+75)

#### DD. MOBILIZATION

Includes all preparatory work and operations in mobilizing for beginning work on the project, including, but not limited to, those operations necessary for the movement of personnel, equipment, supplies, and incidentals to the project site. Includes the costs of any required insurance, bonds and any other pre-construction expense necessary for the start of the work, excluding the cost of construction materials.

**NOTE: The cost for this Bid Item shall be included in Bid Items FF – KK, allocated between those six Bid Items as deemed appropriate by the Proposer.**

#### EE. EROSION AND SEDIMENT CONTROL

Includes all measures that are required to comply with the State of Florida and City of Jacksonville water quality standards. This includes all such measures that shall prevent the discharge of turbid waters from the site and minimize erosion of all graded areas. This includes sodding of all disturbed areas.

**NOTE: The cost for this Bid Item shall be included in Bid Items FF – KK, allocated between those six Bid Items as deemed appropriate by the Proposer.**

#### FF. WATER MAIN (JEA PARTICIPATION)

Includes the construction of the 24" DI JEA potable water main within the Ranger Station Roadway and EverRange Parkway rights of way, from the point of connection at Sta. 100+30+/- (in US 1 R/W) to Sta. 522+65 (end of Phase 1), as shown within the construction plans. Includes all 24" pipe, 24" valves, Tees installed in the 24" main, 24" fittings, connection to the existing water distribution systems, pressure testing, flushing, disinfection, bacteriological testing, locate wires and appurtenances, plugs, backfill and compaction to JEA and City of Jacksonville Standards of material over the pipe, and the removal, disposal and replacement of any unsuitable material encountered and all other work (including dewatering) necessary to complete the installation of the system. Additionally, this work includes the acceptance testing, JEA warranty and maintenance and other items not specifically mentioned, but necessary for a complete and operable system as shown on the drawings and in accordance with the JEA and Florida Department of Environmental Protection requirements.

**NOTE: This item specifically does not include piping, valves, fire hydrants and other fittings/appurtenances smaller than 24". The cost for those items are to be included in Bid Item II.**

**RANGER STATION ROADWAY  
PART II. PROPOSAL FORM – (G) SCHEDULE**

Contractor shall submit along with this Proposal a chart of its detailed project schedule. The chart shall use June 3, 2024 as the start date for the project and use calendar days for purposes of indicating the project's duration. The chart shall also include such milestones included at the Proposer's discretion; however, at the very least the chart shall identify dates for the issuance of the Notice To Proceed, the achievement of Substantial Completion and the application for Final Payment, as such events are defined in the Standard General Conditions of the Contract, respectively.

In addition to the definitions in the Standard General Conditions of the Contract, Substantial Completion shall include the completion of pavement and a punch list from COJ and application for Final Payment shall include receipt of JEA Acceptance. Important milestones to be clearly denoted in the schedule include: Substantial Completion when paving is complete and COJ Acceptance Submittal. The number of days occurring between the issuance of the Notice to Proceed and the achievement of Substantial Completion is: one hundred calendar days (100); the achievement of application of Final Payment is: one hundred and thirty days (130). The Owner reserves the right to waive any informalities, or to reject any and all proposals.

**SWORN STATEMENT PURSUANT TO SECTION 287.133(3)(N)  
FLORIDA STATUTES, ON PUBLIC ENTITY CRIMES**

**THIS FORM MUST BE SIGNED AND SWORN TO IN THE PRESENCE OF A NOTARY PUBLIC OR OTHER  
OFFICIAL AUTHORIZED TO ADMINISTER OATHS.**

1. This sworn statement is submitted to EV RDEV LLC  
(print name of the public entity)
- by Michael Woodall / President  
(print individual's name and title)
- for John Woody, Inc.  
(print name of entity submitting sworn statement)

whose business address is

754 Harrison Street

Jacksonville, FL 32220

and (if applicable) its Federal Employer Identification Number (FEIN) is 59-1896667

(If the entity has no FEIN, include the Social Security Number of the individual signing this sworn statement)

2. I understand that a "public entity crime" as defined in Paragraph 287.133(1)(g), Florida Statutes, means a violation of any state or federal law by a person with respect to and directly related to the transaction of business with any public entity or with any agency or political subdivision of any other state or of the United States, including, but not limited to, any bid or contract for goods or services to be provided to any public entity or an agency or political subdivision of any other state or of the United States and involving antitrust, fraud, theft, bribery, collusion, racketeering, conspiracy, or material misrepresentation.
3. I understand that "convicted" or "conviction" as defined in Paragraph 287.133(1)(b), Florida Statutes, means a finding of guilt or a conviction of a public entity crime, with or without an adjudications of guilt, in any federal or state trial court of record relating to charges brought by indictment or information after July 1, 1989, as a result of a jury verdict, nonjury trial, or entry of a plea of guilty or nolo contendere.
4. I understand that an "affiliate" as defined in Paragraph 287.133(1)(a), Florida Statutes, means:
1. A predecessor or successor of a person convicted of a public entity crime; or
  2. An entity under the control of any natural person who is active in the management of the entity and who has been convicted of a public entity crime. The term "affiliate" includes those officers directors, executives, partners, shareholders, employees, members, and agents who are active in the management of an affiliate. The ownership by one person of shares constituting a controlling interest in another person, or a pooling of equipment or income among persons when not for fair market value under an arm's length agreement, shall be a prima facie case that one person controls another person. A person who knowingly enters into a joint venture with a person who has been convicted of a public entity crime in Florida during the preceding 36 months shall be considered an affiliate.

5. I understand that a "person" as defined in Paragraph 287.133(1)(e), Florida Statutes, means any natural person or entity organized under the laws of any state or of the United States with the legal power to enter into a binding contract and which bids or applies to bid on contracts for the provision of goods or services let by a public entity, or which otherwise transacts or applies to transact business with a public entity. The term "person" includes those officers, directors, executives, partners, shareholders, employees, members, and agents who are active in management of an entity.

Based on information and belief, the statement which I have marked below is true in relation to the entity submitting this sworn statement. (Indicate which statement applies.)

- X Neither the entity submitting this sworn statement, nor any of its officers, directors, executives, partners, shareholders, employees, members, or agents who are active in the management of the entity, nor any affiliate of the entity has been charged with and convicted of a public entity crime subsequent to July 1, 1989.
- The entity submitting this sworn statement, or one or more of its officers, directors, executives, partners, shareholders, employees members or agents who are active in the management of the entity, or an affiliate of the entity has been charged with and convicted of a public entity crime subsequent to July 1, 1989.
- The entity submitting this sworn statement, or one or more of its officers, directors, executives, partners, shareholders, employees members or agents who are active in the management of the entity, or an affiliate of the entity has been charged with and convicted of a public entity crime subsequent to July 1, 1989. However, there has been a subsequent proceeding before a Hearing Officer of the State of Florida, Division of Administrative Hearings and the Final Order entered by the Hearing Officer determined that it was not in the public interest to place the entity submitting this sworn statement on the convicted vendor list. (attach a copy of the final order)

IT SHALL BE THE RESPONSIBILITY OF THE CONTRACTOR/VENDOR EXECUTING THIS PUBLIC ENTITY CRIME AFFIDAVIT TO VERIFY THAT NONE OF THE SUBCONTRACTORS/SUPPLIERS UTILIZED FOR THIS BID/QUOTE HAVE BEEN CONVICTED OF A PUBLIC ENTITY CRIME SUBSEQUENT TO JULY 1, 1989. IN THE EVENT IT IS LATER DISCOVERED THAT A SUBCONTRACTOR/SUPPLIER HAS BEEN CONVICTED OF A PUBLIC ENTITY CRIME, THE CONTRACTOR/VENDOR SHALL SUBSTITUTE THE SUBCONTRACTOR/SUPPLIER WITH ANOTHER WHO HAS NOT RECEIVED A CONVICTION. ANY COST ASSOCIATED WITH THIS SUBSTITUTION SHALL BE THE SOLE RESPONSIBILITY OF THE CONTRACTOR/VENDOR.

I UNDERSTAND THAT THE SUBMISSION OF THIS FORM TO THE CONTRACTING OFFICER FOR THE PUBLIC ENTITY IDENTIFIED IN PARAGRAPH 1 (ONE) ABOVE IS FOR THAT PUBLIC ENTITY ONLY AND THAT THIS FORM IS VALID THROUGH DECEMBER 31 OF THE CALENDAR YEAR IN WHICH IT IS FILED. I ALSO UNDERSTAND THAT I AM REQUIRED TO INFORM THE PUBLIC ENTITY PRIOR TO ENTERING INTO A CONTRACT IN EXCESS OF THE THRESHOLD AMOUNT PROVIDED IN SECTION 287.017, FLORIDA STATUTES, FOR CATEGORY TWO OF ANY CHANGE IN THE INFORMATION CONTAINED IN THIS FORM.

(print name of entity submitting sworn statement)

whose business address is

754 Harrison Street, Jacksonville, FL 32220

2. I understand that, subject to limited exemptions, section 287.135, Florida Statutes, declares a company that at the time of bidding or submitting a proposal for a new contract or renewal of an existing contract is on the Scrutinized Companies with Activities in Sudan List or the Scrutinized Companies with Activities in the Iran Petroleum Energy Sector List, created pursuant to section 215.473, Florida Statutes, is ineligible for, and may not bid on, submit a proposal for, or enter into or renew a contract with a local governmental entity for goods or services of \$1 million or more.
3. Based on information and belief, at the time the entity submitting this sworn statement submits its proposal to the Developer, neither the entity, nor any of its officers, directors, executives, partners, shareholders, members, or agents, is listed on either the Scrutinized Companies with Activities in Sudan List or the Scrutinized Companies with Activities in the Iran Petroleum Energy Sector List.
4. If awarded the Contract, the entity will immediately notify the Developer in writing if either the entity, or any of its officers, directors, executives, partners, shareholders, members, or agents, is placed on either the Scrutinized Companies with Activities in Sudan List or the Scrutinized Companies with Activities in the Iran Petroleum Energy Sector List.

## TRENCH SAFETY ACT COMPLIANCE STATEMENT

### INSTRUCTIONS

Because trench excavations on this project are expected to be in excess of 5 feet, Chapter 90-96 of the Laws of Florida requires that construction on the project comply with Occupational Safety and Health Administration Standard 29 C.F.R.s. 1926.650 Subpart P. The Contractor is required to execute this Compliance Statement and the Compliance Cost Statement. The costs for complying with the Trench Safety Act must be incorporated into the Contract Price.

This form must be certified in the presence of a notary public or other officer authorized to administer oaths.

### CERTIFICATION

1. I understand that Chapter 90.96 of the Laws of Florida (The Trench Safety Act) requires me to comply with OSHA Standard 29 C.F.R.s. 1926.650 Subpart P. I will comply with The Trench Safety Act, and I will design and provide trench safety systems at all trench excavations in excess of five feet in depth for this project.
2. The estimated cost imposed by compliance with The Trench Safety Act will be:  
Ninety Thousand Dollars \$ 90,000.-  
(Written) (Figures)
3. The amount listed above has been included within the Contract Price.

Dated this 19th day of January, 2024.

**RANGER STATION ROADWAY  
ACKNOWLEDGEMENT OF RECEIPT OF DOCUMENTS (I)  
AND PROPOSAL SIGNATURE FORM**

This Proposal for construction services has been submitted on this 19<sup>th</sup> day of JANUARY, 2024 by JOHN WOODY INC. [company] whose business address is P.O. BOX 60218 JACKSONVILLE, FLA. 32236, telephone number is 904-783-2411, fax number is 904-695-0881, and e-mail address is MWOODY40@AOL.COM.

The undersigned acknowledges, by the below execution of this Proposal, that all information provided herein has been provided in full and that such information is truthful and accurate. Proposer agrees through submission of this Proposal to honor all pricing information one hundred and twenty (120) days from the date of the Proposal opening, and if awarded the contract on the basis of this Proposal, to enter into and execute the services contract in substantially the form included in the Project Manual.

Proposer understands that inclusion of false, deceptive or fraudulent statements on this Proposal constitutes fraud; and, that EVRDEV, LLC considers such action on the part of the Proposer to constitute good cause for denial, suspension or revocation of a Proposal for work for the Developer.

Furthermore, the undersigned acknowledges receipt of the following documents, the provisions of which have been included in this Request for Proposal.

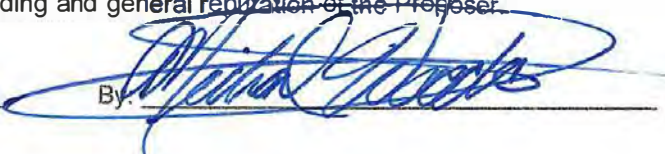

- |   |   |
|---|---|
| 1. Request for Proposal (1 page)  |  (Initial)   |
| 2. Instructions to Proposer (6 pages)                                     |  (Initial)  |

**PROPOSAL**

**Water Main and Force Main Extensions on Lem Turner Road**

For

AMH Development  
8936 Western Way #12  
Jacksonville, FL 32256

Due On or Before  
**May 31, 2022 at 11:00 am**

(Deliver bids to Dominion Engineering Group office at 4348 Southpoint Blvd., Suite 201, Jacksonville, FL 32216)

To: **AMH Development**

From:  
T B Landmark Construction, Inc.

- In accordance with the Request for Proposal inviting proposals for the Water Main and Force Main Extension on Lem Turner Road, the undersigned proposes to construct all work, or portion thereof, necessary to install a complete Water Main and Force Main extension, including clearing, earthwork, grading, paving repair, drainage as shown on the JEA plans dated April 27, 2022 prepared by Dominion Engineering Group, Inc. (DEG) and in accordance with the JEA, FDOT and City of Jacksonville .

The Project Plans, Specifications, and the Proposal Package will be available and may be obtained by emailing [Mbowles@dom-eng.com](mailto:Mbowles@dom-eng.com) for the drop box link, no hard copies will be available from DEG. All Requests for Additional Information (RFI) shall be in writing **only** to Mike Bowles at [Mbowles@dom-eng.com](mailto:Mbowles@dom-eng.com). All RFI shall be received no later than 11:00 am EST on May 24, 2022.

**Bids**

All bids shall include coordination of construction with others.

Schedule - Time is of the essence for the construction of this project. The Contractor shall prepare its bid based on a construction schedule submitted by the contractor. The Contractor's schedule shall include Substantial Completion and Final Acceptance of the improvements from the JEA. Substantial Completion is defined as completion of pressure testing and as-built survey and a punch list from the JEA and DEG. The Notice to Proceed is anticipated to be June 13, 2022. Important milestones to be clearly denoted in the schedule include:

- JEA Force main Acceptance Schedule
- JEA Potable Water System Acceptance Schedule
- FDOT acceptance schedule
-

## Water Main & Force Main Extension

1. **MOBILIZATION AND SITE PREPARATION** - Includes the preparatory work and operations in mobilizing to begin the work and demobilizing upon completion of work on the project. Work will include any site preparation necessary for construction. This item will be paid for on a percentage of total construction complete basis.

Total

Lump Sum Price: \$ 39,000.00 (Numerals)

Thirty Nine Thousand (Written)

2. **EROSION AND SEDIMENT CONTROL** - Includes all measures that are required to comply with the State of Florida water quality standards. This includes, but is not limited to silt screens, sodding, settling ponds or other such measures that shall prevent the discharge of turbid waters from the site and minimize erosion of all graded areas. This item includes all measures necessary to meet agency quality standards and requirements for the Clearing & Mass Earthwork. All offsite water discharge will be tested occasionally for turbid water by the contractor. The contractor is ultimately responsible for turbid water discharge. Testing results will be provided to the Owner on a regular basis or when requested. The site will be inspected on a regular basis by the Owner's Representative and will produce a weekly report with actions items indicating deficiencies. All Deficiencies must be repaired in seven days or less, or the contractor must provide in writing why the deficiencies cannot be addressed with in the seven-day limit. Failure to correct a deficiency in the first seven days, will result in a written warning. If the deficiency is not corrected after fourteen days the Owners Representative will make the repair and the Contractor will be back charged for the cost of the repair and a \$500.00 fine for each line item not addressed. Upon final acceptance of the site from the JEA and FDOT. The contractor shall remove sediment control measures once the grassing is established.

Total

Lump Sum Price: \$ 6,000 00 (Numerals)

Six Thousand (Written)

3. **STORM WATER POLLUTION PREVENTION PLAN** - Notice of Intent (NOI) to be filed by the contractor. The contractor shall adhere to all Federal rules and regulations regarding the National Pollutant Discharge Elimination System (NPDES) for construction and ground water discharge. The Storm Water Pollution Prevention Plan (SWPPP) included in these plans shall establish the minimum requirements allowed. The contractor shall implement additional measures, as required, to ensure compliance with the NPDES requirements. This item does include erosion controls item shown on the erosion and turbidity control plans or erosion and turbidity controls required by City of Jacksonville, FDEP, or the St. Johns River Water

Management District. Contractor shall provide specifications and shop drawings on all material to be used as part of the SWPPP.

**Total**

Lump Sum Price: \$ 2,000 (Numerals)

Two Thousand Dollars (Written)

4. **CLEARING** - Includes complete clearing and removal off-site of all trees, brush, roots, and all other debris in accordance with the City of Jacksonville Standards and Specifications in the roadway rights-of-way, and all public areas. Special care shall be taken to ensure preservation of all natural vegetative areas indicated on the plans, existing mailboxes, and existing edge of pavement.

**Total**

Lump Sum Price: \$ 25,000.00 (Numerals)

Twenty Five Thousand Dollars (Written)

5. **WATER DISTRIBUTION SYSTEM** - Includes the construction of the water distribution system complete, including all pipe, location wire, valves, hydrants, fittings, restrained joints, connections, stub outs, testing, and disinfection, flushing hydrants and the removal, disposal and replacement of any unsuitable material encountered, and all other work necessary to complete the installation of the system. Contractor to stub out the water main with adequate JEA approved dead end connection and sample points. The contractor shall pressure test and as-built the existing water main extension for acceptance by JEA. The contractor shall restore all driveways, mailboxes and road crossings that are damaged during the construction effort. The contractor is asked to provide a price below for the 20-inch diameter water main extension from STA 10+00 to STA 15+25.

The contractor is also required to provide an alternate price for a smaller water main extension in place of the 16-inch diameter water main shown on the plans. The alternate price shall be a 8-inch PVC water main from STA 10+00 to STA 15+25.

**(a) 20 " Diameter Water Main Total**

Lump Sum Price: \$ 293,000.00 (Numerals)

Two Hundred Ninety Three Thousand dollars (Written)

**(b) Alternate 8" Diameter Water Main Total**

Lump Sum Price: \$ 180,000.00 (Numerals)

One Hundred Eighty Thousand Dollars (Written)

6. **FORCE MAIN SYSTEM** - Includes the construction of the force main system complete, including all pipe, location wire, valves, hydrants, fittings, restrained joints, connections, stub outs, testing, and disinfection, flushing hydrants and the removal, disposal and replacement of any unsuitable material encountered, and all other work necessary to complete the installation of the system. Contractor to stub out the force main with adequate JEA approved dead end connection and sample points. The contractor shall pressure test and as-built the force main extension for acceptance by JEA. The contractor shall restore all driveways, mailboxes and road crossings that are damaged during the construction effort. The contractor is asked to provide a price below for the 20-inch diameter force main extension price from STA 9+90 to STA 15+85.

The contractor is asked to provide a price below for the 8-inch diameter force main directional drill as shown on the plans.

The contractor is also required to provide an alternate price for a smaller force main extension in place of the 20-inch diameter force main shown on the plans. The alternate price shall be a 4-inch PVC force main from STA 9+90 to STA 15+85.

**(a) 20 " Diameter Force Main Total**

Lump Sum Price: \$ 294,000.00 (Numerals)

Two Hundred Ninety Four Thousand Dollars (Written)

**(b) Alternate 4" Diameter Force Main Total**

Lump Sum Price: \$ 170,910.00 (Numerals)

One Hundred Seventy Thousand, Nine (Written)  
Hundred Ten Dollars

**(c) 8 " Diameter Force Main Directional Drill**

Lump Sum Price: \$ 14,000.00 (Numerals)

Fourteen Thousand Dollars (Written)

7. **SEEDING AND MULCHING AND SOD** - Includes the complete grassing and mulching of all areas disturbed areas as a result of this construction effort. Seed selection shall be a mix that is seasonally appropriate to germinate in a timely manner to establish cover. Also, includes the complete sod strip along the curb of all proposed subdivision right of- ways, and where applicable as shown on the plans. Sod at the back of asphalt curb shall be installed after a minimum of 1 inch of cut has been pulled so that the sod is flush or slightly below the back of asphalt, sod all slopes that are 5% or greater to limits of work. Contractor shall water sod till sod is established prior to COJ and FDOT acceptance. Dead sod shall be replaced at the contractor's expense. Sod shall meet COJ and FDOT specifications.

**Total**

Lump Sum Price: \$ 15,000.00 (Numerals)

Fifteen Thousand Dollars (Written)

8. **UTILITY AS-BUILTS** - Includes the preparation and submittal of all water and force main pipe as-builts including all water main crossings over or under stormwater pipe, force mains, and electrical conduit, as required by the JEA and FDOT.

**Total**

Lump Sum Price: \$ 5,000.00 (Numerals)

Five Thousand Dollars (Written)

7. SEED AND MULCH AND SOD	\$ <u>15,000.00</u>
8. UTILITY AS-BUILTS	\$ <u>5,000.00</u>
Total \$ <u>693,000.00</u>	

Note: Total above should not include Item 5 (b) & 6(b).

GENERAL NOTES:

1. The Contractor shall submit a detailed construction schedule with the bid proposal that outlines time frames for major work items. This schedule will be used in bid evaluation.
2. The Contractor is required to perform all tests as required by City of Jacksonville, JEA, FDOT and applicable utility companies prior to project acceptance.
3. The Contractor is responsible for visually inspecting the entire route prior to submitting bids and notifying the Engineer of discrepancies, which may affect the construction and its cost.
4. The selected Contractor will be required to submit an itemized schedule of values outlining all work items that will be used for monthly pay requests.
5. Standard contract documents as provided by the Owner will be used for the Contract and General Conditions.
6. Stub out all utilities beyond pavement edge as needed to continue into next phase and not disturb pavement of previous phase.
7. The Owner will provide the following survey stakeout work for the Contractor. All other necessary survey work must be provided by the Contractor.
  - A. Project Benchmark
  - B. Route Baseline Points
8. The Contractor shall be responsible for coordinating all work necessary with all utility companies.
9. The Contractor shall be responsible for coordinating the work necessary to complete all final approvals and acceptances.
10. Contractor shall complete his work in a professional and workman like manner typical of his industry. There shall be no sections or parts missing. Further, the work shall be complete and able to function for its intended use. The work must be continuous.
11. All storm drainage must be maintained to each property owner during construction. If this does not occur, the Contractor will be responsible for any damage that may result.
12. Burning of clearing debris generated on this project area is not allowed.
13. Water and sewer As-Builts must include elevation on all water/storm, water/sanitary, forcemain/water, forcemain/storm crossings and must meet JEA Standard 501 As-Built Drawings. .
14. The Contractor shall specify subcontractors to be used for major work items, i.e. water directional drill with drill equipment specified and management of drainage during construction.

15. The Contractor must comply with and include in his bid all costs associated with compliance with the Florida Trench Safety Act.
16. See attached Geotech report.

Contractor shall secure and pay for all right- of way construction permits, NPDES Permit and other permits required.

The undersigned Bidder has examined and read all Plans, Specifications, General and Special Conditions, and other Contract Documents and all Addenda thereto; and is acquainted with and fully understands the extent and character of the work covered by this Proposal and the specified requirements for the proposed work and submits this Bid with no unanswered questions.

The undersigned Bidder certifies that he has carefully examined the foregoing Proposal after the same was completed and has verified every item placed thereon; and agrees to indemnify, defend and save harmless the Owner and/or Engineer against any cost, damage or expense which may be incurred by any error in his preparation of same.

The undersigned Bidder agrees that he understands the following items:

If this Proposal is accepted by the Owner, the undersigned agrees to keep the bid in effect for Ninty Days (90) calendar days from the bid opening date.

If awarded the Contract, the undersigned agrees to begin work within five (5) calendar days after executing the contract and complete the improvements in accordance with the schedule shown.

The following attachments A,B, C & D are attached to and made a condition of this Bid.

- A. Attachment A – List of Proposed Subcontractors
- B. Attachment B – Certificate of Compliance with Florida Trench Safety Act
- C. Attachment C Bid affidavit
- D. Contractor's Licenses – supplied by contractor
- E. Initial Project Schedule – supplied by contractor
- F. Schedule of values – supplied by contractor
- G. Attachment D Proposer will have constructed three (3) projects similar in quality and scope of a minimum of \$5,000,000 each in completed construction over the last ten (10) years;
- H. Proposer is a licensed underground utility contractor in the State of Florida for a minimum of ten (10) years – supplied by contractor

JEA requires the project to be bonded and insured. JEA will be an additional oblige and named insured.

**LIST OF PROPOSED SUBCONTRACTORS**

List shall include the name of each Subcontractor where the amount of their work exceeds five percent (5%) of the Contract Price. Indicate percentage of Contract Price for each subcontractor listed. Attach additional information as needed.

**Subcontractor No. 1**

Name: Cody's Professional Surveying and Mapping

NOTE: This form must be completed and attached to the Bidder's Bid Proposal

**AFFIDAVIT REGARDING PROPOSAL (Attachment C)**

STATE OF Florida

COUNTY OF Duval

Before me, the undersigned authority, appeared the affiant, Martin Adams, and having taken an oath, affiant, based on personal knowledge, deposes and states:

*Authorization*

1. I am over eighteen (18) years of age and competent to testify as to the matters contained herein. I serve in the capacity of General Manager for T B Landmark Construction, Inc. ("**Proposer**") and am authorized to make this Affidavit Regarding Proposals on behalf of Proposer. **Proof of such authorization is attached hereto.**

2. I assisted with the preparation of, and have reviewed, the Proposer's proposal ("**Proposal**") provided in response to the Water and Force main Extensions on Lem Turner Road. All of the information provided in the Proposal is full and complete, and truthful and accurate. I understand that inclusion of false, deceptive or fraudulent statements, or the failure to include full and complete answers, may constitute fraud, and, that, among other remedies, the owner and JEA may consider such action on the part of the Proposer to constitute good cause for rejection of the Proposal.

*Receipt of Documents*

3. The Proposer acknowledges the receipt of the complete Project documents as provided by the owner and as described in the Project description. Additionally, the Proposer acknowledges receipt of the following addenda:

Addendum No. \_\_\_\_\_ Dated \_\_\_\_\_

Addendum No. \_\_\_\_\_ Dated \_\_\_\_\_

Addendum No. \_\_\_\_\_ Dated \_\_\_\_\_

Addendum No. \_\_\_\_\_ Dated \_\_\_\_\_

*Pricing & Non-Collusion*

4. The Proposer agrees through submission of the Proposal to honor all pricing information for ninety (90) days from the due date of the Proposals.

5. I do hereby certify that the Proposer has not, either directly or indirectly, participated in collusion or proposal rigging. The price(s) and amount(s) of this Proposal have been arrived at independently and without consultation, communication or agreement with any other Proposer or potential Proposer, or review of any other Proposal, or potential Proposal. Moreover, neither the price(s) nor the amount(s) of this Proposal, and neither the approximate price(s) nor approximate amount(s) of this Proposal has been disclosed to any other firm or person who is a Proposer or potential Proposal, and they will not be disclosed before Proposal opening.

6. No attempt has been made or will be made to induce any firm or persons to refrain from submitting a Proposal for this contract, or to submit a price(s) higher than the prices in this Proposal, or to submit any intentionally high or noncompetitive price(s) or other form of complementary Proposal.

7. The Proposal is made in good faith and not pursuant to any agreement or discussion with, or inducement from, any firm or person to submit a complementary or other noncompetitive Proposal.

8. Neither Proposer nor its affiliates, subsidiaries, officers, director, or employees are currently under investigation, by any governmental agency and have not in the last three years been convicted or found liable for any act prohibited by State or Federal law in any jurisdiction, involving conspiracy or collusion with respect to a public procurement process, on any public contract, except as follows:

N/A

---

---

---

*Agreements Regarding Records and Project Manual*

9. The Proposer authorizes and requests any person, firm or corporation to furnish any pertinent information requested by the Owner, or its authorized agents, deemed necessary to verify the statements made in the Proposal, or regarding the ability, standing, integrity, quality of performance, efficiency, and general reputation of the Proposer.

**UNDER PENALTIES OF PERJURY, I DECLARE THAT I HAVE READ THE FOREGOING AFFIDAVIT REGARDING PROPOSALS AND THAT THE FACTS STATED IN IT ARE TRUE AND CORRECT.**

Dated this 31st day of May, 2022.

LIMITED POWER OF ATTORNEY

STATE OF FLORIDA  
COUNTY OF DUVAL

Known all men by these presents, T B Landmark Construction, Inc. ("T B Landmark"), a Florida Corporation with principal offices at 11220 New Berlin Road, Jacksonville, Florida 32226 does hereby irrevocably constitute, nominate, appoint and authorize, Martin Adams, who presently resides at 6042 Antigua Court, Orange Park, FL 32003, and who is presently employed by T B Landmark holding the position of General Manager, as its true and lawful attorney-in-fact, to do in its name and on its behalf, all such acts, deeds and things as are necessary or required in connection with or incidental to submission of its bid for the proposed project, including but not limited to signing and submission of all bids, and other documents and writings, participating in bidders and other conferences, providing information/responses, representing it in all matters relating to the bidding process, signing and execution of all contracts and undertakings consequent to acceptance of its bid, and generally dealing with the necessary parties in all matters in connection with or relating to or arising out of its bid for the proposed project and/or upon award thereof to T B Landmark.

And T B Landmark hereby agrees to ratify and confirm, and does hereby ratify and confirm all acts, deeds and things lawfully done or caused to be done by its said attorney-in-fact pursuant to and in exercise of the powers conferred by this limited power of attorney, and that all acts, deeds, and things done by its said attorney-in-fact in exercise of the powers hereby conferred shall and shall always be deemed to have been done by T B Landmark.

In witness whereof, Robin Thigpen, on behalf of T B Landmark as its President, has executed this power of attorney on this 10<sup>th</sup> day of July, 2020.

Robin Thigpen, President

## ARTICLE 1 – BID RECIPIENT

- |      |  |   |
|------|--|---|
| 1.01 | The Entity the bid is addressed to:  | The physical address the bid is submitted to:   |
|      | <p><b>Mattamy Jacksonville, LLC</b><br/> <b>39 Riverwalk Blvd</b><br/> <b>St Johns, FL 32259</b></p>   | <p><b>Prosser, Inc.      Attn: Shane Haslauer</b><br/> <b>13901 Sutton Park Drive S. Suite 200</b><br/> <b>Jacksonville, FL 32224</b></p> |
| 1.02 | <p>The undersigned Bidder proposes and agrees, if this Bid is accepted, to enter into an Agreement with Owner in the form included in the Bidding Documents to perform all Work as specified or indicated in the Bidding Documents for the prices and within the times indicated in this Bid and in accordance with the other terms and conditions of the Bidding Documents.</p> |   |

## ARTICLE 2 – BIDDER’S ACKNOWLEDGEMENTS

- 2.01 Bidder accepts all of the terms and conditions of the Instructions to Bidders, including without limitation those dealing with the disposition of Bid security. This Bid will remain subject to acceptance for **60 days** after the Bid opening, or for such longer period of time that Bidder may agree to in writing upon request of Owner.

### ARTICLE 3 – BIDDER’S REPRESENTATIONS

- 3.01 In submitting this Bid, Bidder represents that:
- A. Bidder has examined and carefully studied the Bidding Documents, the other related data identified in the Bidding Documents, and the following Addenda, receipt of which is hereby acknowledged.

<u>Addendum No.</u>	<u>Addendum Date</u>
Addendum #1	11/3/23
Addendum #2	11/10/23

- B. Bidder has visited the Site and become familiar with and is satisfied as to the general, local and Site conditions that may affect cost, progress, and performance of the Work.
- C. Bidder is familiar with and is satisfied as to all federal, state and local Laws and Regulations that may affect cost, progress and performance of the Work.
- D. Bidder has carefully studied all: (1) reports of explorations and tests of subsurface conditions at or contiguous to the Site and all drawings of physical conditions in or relating to existing surface or subsurface structures at or contiguous to the Site (except Underground Facilities) which have been identified in SC-4.02, and (2) reports and drawings of Hazardous Environmental Conditions that have been identified in SC-4.06
- E. Bidder has obtained and carefully studied (or accepts the consequences for not doing so) all additional or supplementary examinations, investigations, explorations, tests, studies and data concerning conditions (surface, subsurface and Underground Facilities) at or contiguous to the Site which may affect cost, progress, or performance of the Work or which relate to any aspect of the means, methods, techniques, sequences, and procedures of construction to be employed by Bidder, including applying the specific means, methods, techniques, sequences, and procedures of construction expressly required by the Bidding Documents to be employed by Bidder, and safety precautions and programs incident thereto.
- F. Bidder does not consider that any further examinations, investigations, explorations, tests, studies, or data are necessary for the determination of this Bid for performance of the Work at the price(s) bid and within the times and in accordance with the other terms and conditions of the Bidding Documents.

## Award #6 Supporting Documents 08/08/24

- G. Bidder is aware of the general nature of work to be performed by Owner and others at the Site that relates to the Work as indicated in the Bidding Documents.
- H. Bidder has correlated the information known to Bidder, information and observations obtained from visits to the Site, reports and drawings identified in the Bidding Documents, and all additional examinations, investigations, explorations, tests, studies, and data with the Bidding Documents.
- I. Bidder has given Engineer written notice of all conflicts, errors, ambiguities, or discrepancies that Bidder has discovered in the Bidding Documents, and the written resolution thereof by Engineer is acceptable to Bidder.
- J. The Bidding Documents are generally sufficient to indicate and convey understanding of all terms and conditions for the performance of the Work for which this Bid is submitted.
- K. Bidder will submit written evidence of its authority to do business in the state where the Project is located not later than the date of its execution of the Agreement.

### ARTICLE 4 – FURTHER REPRESENTATIONS

4.01 Bidder further represents that:

- A. this Bid is genuine and not made in the interest of or on behalf of any undisclosed individual or entity and is not submitted in conformity with any agreement or rules of any group, association, organization or corporation.
- B. Bidder has not directly or indirectly induced or solicited any other Bidder to submit a false or sham Bid;
- C. Bidder has not solicited or induced any individual or entity to refrain from bidding; and
- D. Bidder has not sought by collusion to obtain for itself any advantage over any other Bidder or over Owner.

### ARTICLE 5 – BASIS OF BID

5.01 Bidder will complete the Work in accordance with the Contract Documents for the following price(s):

<b>Lump Sum Price-</b>	Four Million Eight Hundred Twenty Nine Thousand Three Hundred Forty Two Dollars and Forty Seven Cents	<b>\$4,829,342.47</b>
	<b>Written</b>	<b>Numeric</b>

### ARTICLE 6 – TIME OF COMPLETION

- 6.01 Bidder agrees that the Work will be substantially complete within **180** calendar days, after the date when the Contract Times commence to run as provided in Paragraph 2.03 of the General Conditions, and will be completed and ready for final payment in accordance with Paragraph 14.07.B of the General Conditions within **210** calendar days after the date when the Contract Times commence to run.
- 6.02 Bidder accepts the provisions of the Agreement as to liquidated damages in the event of failure to complete the Work within the Contract Times.
  - A. **Liquidated damages for failure to meet times specified will be \$1000/ calendar day.**

### ARTICLE 7 – ATTACHMENTS TO THIS BID

- 7.01 The following documents are attached to and made a condition of this Bid:
  - A. Schedule of Values

**ARTICLE 8 - DEFINED TERMS**

8.01 The terms used in this Bid with initial capital letters have the meanings stated in the Instructions to Bidders, the General Conditions, and the Supplementary Conditions.

**ARTICLE 9 - BID SUBMITTAL**

# STANDARD FORM OF AGREEMENT

FOR

## RiverTown Main Street Phase 5

*Prepared by*

**PROSSER**

**October 09, 2023**

**STANDARD FORM OF AGREEMENT  
BETWEEN OWNER AND CONTRACTOR FOR  
CONSTRUCTION CONTRACT (STIPULATED PRICE)**

THIS AGREEMENT is by and between **Mattamy Jacksonville, LLC**

(Owner)

and Burnham Construction, Inc.

(Contractor)

Owner and Contractor, in consideration of the mutual covenants set forth herein, agree as follows:

**ARTICLE 1 - WORK**

1.01 Contractor shall complete all Work as specified or indicated in the Contract Documents. The Work is generally described as follows:

**Site work as shown on construction plans titled “Rivertown Main Street Phase 5”**

**ARTICLE 2 - THE PROJECT**

2.01 The Project for which the Work under the Contract Documents may be the whole or only a part is generally described as follows:

**“Rivertown Main Street Phase 5”**

**ARTICLE 3 - ENGINEER**

3.01 The Project has been designed by

**Prosser, Inc.  
13901 Sutton Park Drive South  
Jacksonville, FL 32224**

(Engineer), who is to act as Owner’s representative, assume all duties and responsibilities, and have the rights and authority assigned to Engineer in the Contract Documents in connection with the completion of the Work in accordance with the Contract Documents.

**ARTICLE 4 - CONTRACT TIMES**

4.01 Time of the Essence

A. All time limits for Milestones, if any, Substantial Completion, and completion and readiness for final payment as stated in the Contract Documents are of the essence of the Contract.

4.02 Days to Achieve Substantial Completion and Final Payment

A. The Work will be substantially completed within 180 calendar days after the date when the Contract Times commence to run as provided in Paragraph 2.03 of the General Conditions, and completed and ready for final payment in accordance with Paragraph 14.07 of the General Conditions within 210 days after the date when the Contract Times commence to run. Bidders shall provide a work schedule as part of the submittal.

**ARTICLE 5 - CONTRACT PRICE**

## Award #6 Supporting Documents 08/08/24

5.01 Owner shall pay Contractor for completion of the Work in accordance with the Contract Documents an amount in current funds equal to the sum of the amounts determined pursuant to Paragraphs 5.01.A, ~~5.01.B~~, and 5.01.C below:

A. For all Work other than Unit Price Work, a Lump Sum of:

Four Million Eight Hundred Twenty Nine Thousand Three Hundred Forty Two Dollars and Forty Seven Cents      \$      4,829,342.47

(written)

(numeric)

All specific cash allowances are included in the above price and have been computed in accordance with paragraph 11.02 of the General Conditions.

C. For all Work, at the prices stated in Contractor's Bid, attached hereto as an exhibit.

### ARTICLE 6 - PAYMENT PROCEDURES

#### 6.01 Submittal and Processing of Payments

A. Contractor shall submit Applications for Payment in accordance with Article 14 of the General Conditions. Applications for Payment will be processed by Engineer as provided in the General Conditions.

#### 6.02 Progress Payments; Retainage

A. Owner shall make progress payments on account of the Contract Price on the basis of Contractor's Applications for Payment on or about the 25th day of each month during performance of the Work as provided in Paragraphs 6.02.A.1 and 6.02.A.2 below. All such payments will be measured by the schedule of values established as provided in Paragraph 2.07.A of the General Conditions (and in the case of Unit Price Work based on the number of units completed) or, in the event there is no schedule of values, as provided in the General Requirements:

1. Prior to Substantial Completion, progress payments will be made in an amount equal to the percentage indicated below but, in each case, less the aggregate of payments previously made and less such amounts as Engineer may determine or Owner may withhold, including but not limited to liquidated damages, in accordance with Paragraph 14.02 of the General Conditions:

a. 90 percent of Work completed (with the balance being retainage).

2. Upon Substantial Completion, Owner shall pay an amount sufficient to increase total payments to Contractor to 95 percent of the Work completed, less such amounts as Engineer shall determine in accordance with Paragraph 14.02.B.5 of the General Conditions and less 300 percent of Engineer's estimate of the value of Work to be completed or corrected as shown on the tentative list of items to be completed or corrected attached to the certificate of Substantial Completion.

#### 6.03 Final Payment

A. Upon final completion and acceptance of the Work in accordance with Paragraph 14.07 of the General Conditions, Owner shall pay the remainder of the Contract Price as recommended by Engineer as provided in said Paragraph 14.07.

ARTICLE 7 - INTEREST

7.01 All moneys not paid when due as provided in Article 14 of the General Conditions shall bear interest at the rate of 12 percent per annum.

ARTICLE 8 – CONTRACTOR’S REPRESENTATIONS

8.01 In order to induce Owner to enter into this Agreement Contractor makes the following representations:

A. Contractor has examined and carefully studied the Contract Documents and the other related data identified in the Bidding Documents.

B. Contractor has visited the Site and become familiar with and is satisfied as to the general, local, and Site conditions that may affect cost, progress, and performance of the Work.

C. Contractor is familiar with and is satisfied as to all federal, state, and local Laws and Regulations that may affect cost, progress, and performance of the Work.

D. Contractor has carefully studied all: (1) reports of explorations and tests of subsurface conditions at or contiguous to the Site and all drawings of physical conditions in or relating to existing surface or subsurface structures at or contiguous to the Site (except Underground Facilities) which have been identified in the Supplementary Conditions as provided in Paragraph 4.02 of the General Conditions and (2) reports and drawings of a Hazardous Environmental Condition, if any, at the Site which has been identified in the Supplementary Conditions as provided in Paragraph 4.06 of the General Conditions.

E. Contractor has obtained and carefully studied (or assumes responsibility for doing so) all additional or supplementary examinations, investigations, explorations, tests, studies, and data concerning conditions (surface, subsurface, and Underground Facilities) at or contiguous to the Site which may affect cost, progress, or performance of the Work or which relate to any aspect of the means, methods, techniques, sequences, and procedures of construction to be employed by Contractor, including any specific means, methods, techniques, sequences, and procedures of construction expressly required by the Bidding Documents, and safety precautions and programs incident thereto.

F. Contractor does not consider that any further examinations, investigations, explorations, tests, studies, or data are necessary for the performance of the Work at the Contract Price, within the Contract Times, and in accordance with the other terms and conditions of the Contract Documents.

G. Contractor is aware of the general nature of work to be performed by Owner and others at the Site that relates to the Work as indicated in the Contract Documents.

H. Contractor has correlated the information known to Contractor, information and observations obtained from visits to the Site, reports and drawings identified in the Contract Documents, and all additional examinations, investigations, explorations, tests, studies, and data with the Contract Documents.

I. Contractor has given Engineer written notice of all conflicts, errors, ambiguities, or discrepancies that Contractor has discovered in the Contract Documents, and the written resolution thereof by Engineer is acceptable to Contractor.

J. The Contract Documents are generally sufficient to indicate and convey understanding of all terms and conditions for performance and furnishing of the Work.

## ARTICLE 9 - CONTRACT DOCUMENTS

### 9.01 Contents

#### A. The Contract Documents consist of the following:

1. This Agreement
2. General Conditions
3. Supplementary Conditions
4. Construction Drawings (As described by Article 2 above)
5. Exhibits to this Agreement:
  - a. Contractor's Bid (Bid Form and correlating Schedule of Values)
6. The following which may be delivered or issued on or after the Effective Date of the Agreement and *are not attached hereto*:
  - a. Notice to Proceed -

#### B. The documents listed in Paragraph 9.01.A are attached to this Agreement (except as expressly noted otherwise above).

#### C. There are no Contract Documents other than those listed above in this Article 9.

#### D. The Contract Documents may only be amended, modified, or supplemented as provided in Paragraph 3.04 of the General Conditions.

## ARTICLE 10 - MISCELLANEOUS

### 10.01 Terms

#### A. Terms used in this Agreement will have the meanings stated in the General Conditions and the Supplementary Conditions.

### 10.02 Assignment of Contract

#### A. No assignment by a party hereto of any rights under or interests in the Contract will be binding on another party hereto without the written consent of the party sought to be bound; and, specifically but without limitation, moneys that may become due and moneys that are due may not be assigned without such consent (except to the extent that the effect of this restriction may be limited by law), and unless specifically stated to the contrary in any written consent to an assignment, no assignment will release or discharge the assignor from any duty or responsibility under the Contract Documents.

### 10.03 Successors and Assigns

#### A. Owner and Contractor each binds itself, its partners, successors, assigns, and legal representatives to the other party hereto, its partners, successors, assigns, and legal representatives in respect to all covenants, agreements, and obligations contained in the Contract Documents.

### 10.04 Severability

#### A. Any provision or part of the Contract Documents held to be void or unenforceable under any Law or Regulation shall be deemed stricken, and all remaining provisions shall continue to be valid and binding upon Owner and Contractor, who agree that the Contract Documents shall be reformed to replace such stricken provision or part thereof with a valid and enforceable provision that comes as close as possible to expressing the intention of the stricken provision.

IN WITNESS WHEREOF, Owner and Contractor have signed this Agreement in duplicate. One counterpart each has been delivered to Owner and Contractor. All portions of the Contract Documents have been signed or identified by Owner and Contractor or on their behalf.

This Agreement will be effective on November 14, 2023 (which is the Effective Date of the Agreement).

AIA Document A310

Bid Bond

KNOW ALL MEN BY THESE PRESENTS, that **Burnham Construction, Inc** as Principal, hereinafter called the Principal, and **Merchants Bonding Company (Mutual)** a corporation duly organized under the laws of the State of IA as Surety, hereinafter called the Surety, are held and bound unto **Mattamy Homes** as Obligee, hereinafter called the Obligee, in the sum of

Five Percent of Bid Amount

Dollars( 5% )

for the payment of which sum well and truly to be made, the said Principal and the said Surety, bind ourselves, our heirs, executors, administrators, successors and assigns, jointly and severally, firmly by these presents.

WHEREAS, the Principal has submitted a bid for

**Rivertown Main Street Phase 5 Public Utilities**

NOW, THEREFORE, if the Obligee shall accept the bid of the Principal and the Principal shall enter into a Contract with the Obligee in accordance with the terms of such bid, and give such bond or bonds as may be specified in the bidding or Contract Documents with good and sufficient surety for the faithful performance of such Contract and for the prompt payment of labor and material furnished in the prosecution thereof, or in the event of the failure of the Principal to enter such Contract and give such bond or bonds, if the Principal shall pay to the Obligee the difference not to exceed the penalty hereof between the amount specified in said bid and such larger amount for which the Obligee may in good faith contract with another party to perform the Work covered by said bid, then this obligation shall be null and void, otherwise to remain in full force and effect.

Signed and Sealed this 14th day of November, 2023

(Title)  
Benjamin Powell, Attorney in Fact

**MERCHANTS**  
**BONDING COMPANY, INC.**  
**POWER OF ATTORNEY**

Know All Persons By These Presents, that MERCHANTS BONDING COMPANY (MUTUAL) and MERCHANTS NATIONAL BONDING, INC., both being corporations of the State of Iowa, d/b/a Merchants National Indemnity Company (in California only) (herein collectively called the "Companies") do hereby make, constitute and appoint, individually,

Benjamin Powell; Fitzhugh K Powell Jr; Robert T Theus; Susan W Jordan

their true and lawful Attorney(s)-in-Fact, to sign its name as surety(ies) and to execute, seal and acknowledge any and all bonds, undertakings, contracts and other written instruments in the nature thereof, on behalf of the Companies in their business of guaranteeing the fidelity of persons, guaranteeing the performance of contracts and executing or guaranteeing bonds and undertakings required or permitted in any actions or proceedings allowed by law.

This Power-of-Attorney is granted and is signed and sealed by facsimile under and by authority of the following By-Laws adopted by the Board of Directors of Merchants Bonding Company (Mutual) on April 23, 2011 and amended August 14, 2015 and adopted by the Board of Directors of Merchants National Bonding, Inc., on October 18, 2015.

"The President, Secretary, Treasurer, or any Assistant Treasurer or any Assistant Secretary or any Vice President shall have power and authority to appoint Attorneys-in-Fact, and to authorize them to execute on behalf of the Company, and attach the seal of the Company thereto, bonds and undertakings, recognizances, contracts of indemnity and other writings obligatory in the nature thereof."

"The signature of any authorized officer and the seal of the Company may be affixed by facsimile or electronic transmission to any Power of Attorney or Certification thereof authorizing the execution and delivery of any bond, undertaking, recognizance, or other suretyship obligations of the Company, and such signature and seal when so used shall have the same force and effect as though manually fixed."

In connection with obligations in favor of the Florida Department of Transportation only, it is agreed that the power and authority hereby given to the Attorney-in-Fact includes any and all consents for the release of retained percentages and/or final estimates on engineering and construction contracts required by the State of Florida Department of Transportation. It is fully understood that consenting to the State of Florida Department of Transportation making payment of the final estimate to the Contractor and/or its assignee, shall not relieve this surety company of any of its obligations under its bond.

In connection with obligations in favor of the Kentucky Department of Highways only, it is agreed that the power and authority hereby given to the Attorney-in-Fact cannot be modified or revoked unless prior written personal notice of such intent has been given to the Commissioner-Department of Highways of the Commonwealth of Kentucky at least thirty (30) days prior to the modification or revocation.

In Witness Whereof, the Companies have caused this instrument to be signed and sealed this 8th day of December, 2022.

MERCHANTS BONDING COMPANY (MUTUAL)  
MERCHANTS NATIONAL BONDING, INC.  
d/b/a MERCHANTS NATIONAL INDEMNITY COMPANY

By

*Larry Taylor*  
President

STATE OF IOWA  
COUNTY OF DALLAS ss.

On this 8th day of December 2022, before me appeared Larry Taylor, to me personally known, who being by me duly sworn did say that he is President of MERCHANTS BONDING COMPANY (MUTUAL) and MERCHANTS NATIONAL BONDING, INC.; and that the seals affixed to the foregoing instrument are the Corporate Seals of the Companies; and that the said instrument was signed and sealed in behalf of the Companies by authority of their respective Boards of Directors.

*Kim Lee*  
Notary Public

(Expiration of notary's commission does not invalidate this instrument)

I, William Warner, Jr., Secretary of MERCHANTS BONDING COMPANY (MUTUAL) and MERCHANTS NATIONAL BONDING, INC., do hereby certify that the above and foregoing is a true and correct copy of the POWER-OF-ATTORNEY executed by said Companies, which is still in full force and effect and has not been amended or revoked.

In Witness Whereof, I have hereunto set my hand and affixed the seal of the Companies on this 14th day of November, 2023.

*William Warner Jr.*  
Secretary

### OWNER'S REPRESENTATIVE:

(Architect, Engineer or Other Party)

§ 1 The Contractor and Surety, jointly and severally, bind themselves, their heirs, executors, administrators, successors and assigns to the Owner for the performance of the Construction Contract, which is incorporated herein by reference.

§ 2 If the Contractor performs the Construction Contract, the Surety and the Contractor shall have no obligation under this Bond, except when applicable to participate in a conference as provided in Section 3.

§ 3 If there is no Owner Default under the Construction Contract, the Surety's obligation under this Bond shall arise after

- .1 the Owner first provides notice to the Contractor and the Surety that the Owner is considering declaring a Contractor Default. Such notice shall indicate whether the Owner is requesting a conference among the Owner, Contractor and Surety to discuss the Contractor's performance. If the Owner does not request a conference, the Surety may, within five (5) business days after receipt of the Owner's notice, request such a conference. If the Surety timely requests a conference, the Owner shall attend. Unless the Owner agrees otherwise, any conference requested under this Section 3.1 shall be held within ten (10) business days of the Surety's receipt of the Owner's notice. If the Owner, the Contractor and the Surety agree, the Contractor shall be allowed a reasonable time to perform the Construction Contract, but such an agreement shall not waive the Owner's right, if any, subsequently to declare a Contractor Default;
- .2 the Owner declares a Contractor Default, terminates the Construction Contract and notifies the Surety; and
- .3 the Owner has agreed to pay the Balance of the Contract Price in accordance with the terms of the Construction Contract to the Surety or to a contractor selected to perform the Construction Contract:

§ 4 Failure on the part of the Owner to comply with the notice requirement in Section 3.1 shall not constitute a failure to comply with a condition precedent to the Surety's obligations, or release the Surety from its obligations, except to the extent the Surety demonstrates actual prejudice.

§ 5 When the Owner has satisfied the conditions of Section 3, the Surety shall promptly and at the Surety's expense take one of the following actions:

§ 5.1 Arrange for the Contractor, with the consent of the Owner, to perform and complete the Construction Contract;

§ 5.2 Undertake to perform and complete the Construction Contract itself, through its agents or independent contractors;

§ 5.3 Obtain bids or negotiated proposals from qualified contractors acceptable to the Owner for a contract for performance and completion of the Construction Contract, arrange for a contract to be prepared for execution by the Owner and a contractor selected with the Owner's concurrence, to be secured with performance and payment bonds executed by a qualified surety equivalent to the bonds issued on the Construction Contract, and pay to the Owner the amount of damages as described in Section 7 in excess of the Balance of the Contract Price incurred by the Owner as a result of the Contractor Default; or

§ 5.4 Waive its right to perform and complete, arrange for completion, or obtain a new contractor and with reasonable promptness under the circumstances:

- .1 After investigation, determine the amount for which it may be liable to the Owner and, as soon as practicable after the amount is determined, make payment to the Owner; or
- .2 Deny liability in whole or in part and notify the Owner, citing the reasons for denial.

§ 6 If the Surety does not proceed as provided in Section 5 with reasonable promptness, the Surety shall be deemed to be in default on this Bond seven days after receipt of an additional written notice from the Owner to the Surety demanding that the Surety perform its obligations under this Bond, and the Owner shall be entitled to enforce any remedy available to the Owner. If the Surety proceeds as provided in Section 5.4, and the Owner refuses the payment or the Surety has denied liability, in whole or in part, without further notice the Owner shall be entitled to enforce any remedy available to the Owner.

§ 7 If the Surety elects to act under Section 5.1, 5.2 or 5.3, then the responsibilities of the Surety to the Owner shall not be greater than those of the Contractor under the Construction Contract, and the responsibilities of the Owner to the Surety shall not be greater than those of the Owner under the Construction Contract. Subject to the commitment by the Owner to pay the Balance of the Contract Price, the Surety is obligated, without duplication, for

- .1 the responsibilities of the Contractor for correction of defective work and completion of the Construction Contract;
- .2 additional legal, design professional and delay costs resulting from the Contractor's Default, and resulting from the actions or failure to act of the Surety under Section 5; and
- .3 liquidated damages, or if no liquidated damages are specified in the Construction Contract, actual damages caused by delayed performance or non-performance of the Contractor.

§ 8 If the Surety elects to act under Section 5.1, 5.3 or 5.4, the Surety's liability is limited to the amount of this Bond.

§ 9 The Surety shall not be liable to the Owner or others for obligations of the Contractor that are unrelated to the Construction Contract, and the Balance of the Contract Price shall not be reduced or set off on account of any such unrelated obligations. No right of action shall accrue on this Bond to any person or entity other than the Owner or its heirs, executors, administrators, successors and assigns.

§ 10 The Surety hereby waives notice of any change, including changes of time, to the Construction Contract or to related subcontracts, purchase orders and other obligations.

§ 11 Any proceeding, legal or equitable, under this Bond may be instituted in any court of competent jurisdiction in the location in which the work or part of the work is located and shall be instituted within two years after a declaration of Contractor Default or within two years after the Contractor ceased working or within two years after the Surety refuses or fails to perform its obligations under this Bond, whichever occurs first. If the provisions of this Paragraph are void or prohibited by law, the minimum period of limitation available to sureties as a defense in the jurisdiction of the suit shall be applicable.

§ 12 Notice to the Surety, the Owner or the Contractor shall be mailed or delivered to the address shown on the page on which their signature appears.

§ 13 When this Bond has been furnished to comply with a statutory or other legal requirement in the location where the construction was to be performed, any provision in this Bond conflicting with said statutory or legal requirement shall be deemed deleted here from and provisions conforming to such statutory or other legal requirement shall be deemed incorporated herein. When so furnished, the intent is that this Bond shall be construed as a statutory bond and not as a common law bond.

#### § 14 Definitions

§ 14.1 **Balance of the Contract Price.** The total amount payable by the Owner to the Contractor under the Construction Contract after all proper adjustments have been made, including allowance to the Contractor of any amounts received or to be received by the Owner in settlement of insurance or other claims for damages to which the Contractor is entitled, reduced by all valid and proper payments made to or on behalf of the Contractor under the Construction Contract.

§ 14.2 **Construction Contract.** The agreement between the Owner and Contractor identified on the cover page, including all Contract Documents and changes made to the agreement and the Contract Documents.

§ 14.3 **Contractor Default.** Failure of the Contractor, which has not been remedied or waived, to perform or otherwise to comply with a material term of the Construction Contract.

§ 14.4 **Owner Default.** Failure of the Owner, which has not been remedied or waived, to pay the Contractor as required under the Construction Contract or to perform and complete or comply with the other material terms of the Construction Contract.

§ 14.5 **Contract Documents.** All the documents that comprise the agreement between the Owner and Contractor.

§ 15 If this Bond is issued for an agreement between a Contractor and subcontractor, the term Contractor in this Bond shall be deemed to be Subcontractor and the term Owner shall be deemed to be Contractor.

§ 16 Modifications to this bond are as follows:

**MERCHANTS**  
**BONDING COMPANY™**  
**POWER OF ATTORNEY**

Know All Persons By These Presents, that MERCHANTS BONDING COMPANY (MUTUAL) and MERCHANTS NATIONAL BONDING, INC., both being corporations of the State of Iowa, d/b/a Merchants National Indemnity Company (in California only) (herein collectively called the "Companies") do hereby make, constitute and appoint, individually,

Benjamin Powell; Fitzhugh K Powell Jr; Robert T Theus; Susan W Jordan

their true and lawful Attorney(s)-in-Fact, to sign its name as surety(ies) and to execute, seal and acknowledge any and all bonds, undertakings, contracts and other written instruments in the nature thereof, on behalf of the Companies in their business of guaranteeing the fidelity of persons, guaranteeing the performance of contracts and executing or guaranteeing bonds and undertakings required or permitted in any actions or proceedings allowed by law.

This Power-of-Attorney is granted and is signed and sealed by facsimile under and by authority of the following By-Laws adopted by the Board of Directors of Merchants Bonding Company (Mutual) on April 23, 2011 and amended August 14, 2015 and adopted by the Board of Directors of Merchants National Bonding, Inc., on October 16, 2015.

"The President, Secretary, Treasurer, or any Assistant Treasurer or any Assistant Secretary or any Vice President shall have power and authority to appoint Attorneys-in-Fact, and to authorize them to execute on behalf of the Company, and attach the seal of the Company thereto, bonds and undertakings, recognizances, contracts of indemnity and other writings obligatory in the nature thereof."

"The signature of any authorized officer and the seal of the Company may be affixed by facsimile or electronic transmission to any Power of Attorney or Certification thereof authorizing the execution and delivery of any bond, undertaking, recognizance, or other suretyship obligations of the Company, and such signature and seal when so used shall have the same force and effect as though manually fixed."

In connection with obligations in favor of the Florida Department of Transportation only, it is agreed that the power and authority hereby given to the Attorney-in-Fact includes any and all consents for the release of retained percentages and/or final estimates on engineering and construction contracts required by the State of Florida Department of Transportation. It is fully understood that consenting to the State of Florida Department of Transportation making payment of the final estimate to the Contractor and/or its assignee, shall not relieve this surety company of any of its obligations under its bond.

In connection with obligations in favor of the Kentucky Department of Highways only, it is agreed that the power and authority hereby given to the Attorney-in-Fact cannot be modified or revoked unless prior written personal notice of such intent has been given to the Commissioner-Department of Highways of the Commonwealth of Kentucky at least thirty (30) days prior to the modification or revocation.

In Witness Whereof, the Companies have caused this instrument to be signed and sealed this 8th day of December, 2022.

MERCHANTS BONDING COMPANY (MUTUAL)  
MERCHANTS NATIONAL BONDING, INC.  
d/b/a MERCHANTS NATIONAL INDEMNITY COMPANY

By

**ORIGINAL**

**GRIMES**  
Utilities, Inc.

#### ARTICLE 1 – BID RECIPIENT

- 1.01 The Entity the bid is addressed to: **Mattamy Jacksonville, LLC**  
**39 Riverwalk Blvd**  
**St Johns, FL 32259**
- The physical address the bid is submitted to: **Prosser, Inc. Attn: Shane Haslauer**  
**13901 Sutton Park Drive S. Suite 200**  
**Jacksonville, FL 32224**
- 1.02 The undersigned Bidder proposes and agrees, if this Bid is accepted, to enter into an Agreement with Owner in the form included in the Bidding Documents to perform all Work as specified or indicated in the Bidding Documents for the prices and within the times indicated in this Bid and in accordance with the other terms and conditions of the Bidding Documents.

#### ARTICLE 2 – BIDDER'S ACKNOWLEDGEMENTS

- 2.01 Bidder accepts all of the terms and conditions of the Instructions to Bidders, including without limitation those dealing with the disposition of Bid security. This Bid will remain subject to acceptance for 60 days after the Bid opening, or for such longer period of time that Bidder may agree to in writing upon request of Owner.

#### ARTICLE 3 – BIDDER'S REPRESENTATIONS

- 3.01 In submitting this Bid, Bidder represents that:

- A. Bidder has examined and carefully studied the Bidding Documents, the other related data identified in the Bidding Documents, and the following Addenda, receipt of which is hereby acknowledged.

<u>Addendum No.</u>	<u>Addendum Date</u>
<u>NO. 1</u>	<u>2/28/2024</u>
<u>                    </u>	<u>                    </u>
<u>                    </u>	<u>                    </u>

- B. Bidder has visited the Site and become familiar with and is satisfied as to the general, local and Site conditions that may affect cost, progress, and performance of the Work.
- C. Bidder is familiar with and is satisfied as to all federal, state and local Laws and Regulations that may affect cost, progress and performance of the Work.
- D. Bidder has carefully studied all: (1) reports of explorations and tests of subsurface conditions at or contiguous to the Site and all drawings of physical conditions in or relating to existing surface or subsurface structures at or contiguous to the Site (except Underground Facilities) which have been identified in SC-4.02, and (2) reports and drawings of Hazardous Environmental Conditions that have been identified in SC-4.06
- E. Bidder has obtained and carefully studied (or accepts the consequences for not doing so) all additional or supplementary examinations, investigations, explorations, tests, studies and data concerning conditions (surface, subsurface and Underground Facilities) at or contiguous to the Site which may affect cost, progress, or performance of the Work or which relate to any aspect of the means, methods, techniques, sequences, and procedures of construction to be employed by Bidder, including applying the specific means, methods, techniques, sequences, and procedures of construction expressly required by the Bidding Documents to be employed by Bidder, and safety precautions and programs incident thereto.
- F. Bidder does not consider that any further examinations, investigations, explorations, tests, studies, or data are necessary for the determination of this Bid for performance of the Work at the price(s) bid and within the times and in accordance with the other terms and conditions of the Bidding Documents.
-

- G. Bidder is aware of the general nature of work to be performed by Owner and others at the Site that relates to the Work as indicated in the Bidding Documents.
- H. Bidder has correlated the information known to Bidder, information and observations obtained from visits to the Site, reports and drawings identified in the Bidding Documents, and all additional examinations, investigations, explorations, tests, studies, and data with the Bidding Documents.
- I. Bidder has given Engineer written notice of all conflicts, errors, ambiguities, or discrepancies that Bidder has discovered in the Bidding Documents, and the written resolution thereof by Engineer is acceptable to Bidder.
- J. The Bidding Documents are generally sufficient to indicate and convey understanding of all terms and conditions for the performance of the Work for which this Bid is submitted.
- K. Bidder will submit written evidence of its authority to do business in the state where the Project is located not later than the date of its execution of the Agreement.

#### ARTICLE 4 – FURTHER REPRESENTATIONS

4.01 Bidder further represents that:

- A. this Bid is genuine and not made in the interest of or on behalf of any undisclosed individual or entity and is not submitted in conformity with any agreement or rules of any group, association, organization or corporation.
- B. Bidder has not directly or indirectly induced or solicited any other Bidder to submit a false or sham Bid;
- C. Bidder has not solicited or induced any individual or entity to refrain from bidding; and
- D. Bidder has not sought by collusion to obtain for itself any advantage over any other Bidder or over Owner.

#### ARTICLE 5 – BASIS OF BID

5.01 Bidder will complete the Work in accordance with the Contract Documents for the following price(s):

	One Million One Hundred Fifty Six	
Lump Sum Price-	Thousand Nine Hundred Dollars & Zero Cents	\$1,156,900.00
	Written	Numeric

#### ARTICLE 6 – TIME OF COMPLETION

- 6.01 Bidder agrees that the Work will be substantially complete within 180 calendar days, after the date when the Contract Times commence to run as provided in Paragraph 2.03 of the General Conditions, and will be completed and ready for final payment in accordance with Paragraph 14.07.B of the General Conditions within 210 calendar days after the date when the Contract Times commence to run.
- 6.02 Bidder accepts the provisions of the Agreement as to liquidated damages in the event of failure to complete the Work within the Contract Times.
  - A. Liquidated damages for failure to meet times specified will be \$1000/ calendar day.

#### ARTICLE 7 – ATTACHMENTS TO THIS BID

7.01 The following documents are attached to and made a condition of this Bid:

- A. Schedule of Values
-

**GRIMES**

Utilities, Inc.

**ARTICLE 8 - DEFINED TERMS**

8.01 The terms used in this Bid with initial capital letters have the meanings stated in the Instructions to Bidders, the General Conditions, and the Supplementary Conditions.

Bid Bond

KNOW ALL MEN BY THESE PRESENTS, that **Grimes Utilities Inc.** as Principal, hereinafter called the Principal, and **Merchants Bonding Company (Mutual)** a corporation duly organized under the laws of the State of **IA** as Surety, hereinafter called the Surety, are held and bound unto **Mattamy Homes** as Obligee, hereinafter called the Obligee, in the sum of

**Five Percent of Bid Amount**

Dollars( **5%** )

for the payment of which sum well and truly to be made, the said Principal and the said Surety, bind ourselves, our heirs, executors, administrators, successors and assigns, jointly and severally, firmly by these presents.

WHEREAS, the Principal has submitted a bid for

**RiverTown Parcel 39 Public**

NOW, THEREFORE, if the Obligee shall accept the bid of the Principal and the Principal shall enter into a Contract with the Obligee in accordance with the terms of such bid, and give such bond or bonds as may be specified in the bidding or Contract Documents with good and sufficient surety for the faithful performance of such Contract and for the prompt payment of labor and material furnished in the prosecution thereof, or in the event of the failure of the Principal to enter such Contract and give such bond or bonds, if the Principal shall pay to the Obligee the difference not to exceed the penalty hereof between the amount specified in said bid and such larger amount for which the Obligee may in good faith contract with another party to perform the Work covered by said bid, then this obligation shall be null and void, otherwise to remain in full force and effect.

**MERCHANTS**  
**BONDING COMPANY**  
**POWER OF ATTORNEY**

Know All Persons By These Presents, that MERCHANTS BONDING COMPANY (MUTUAL) and MERCHANTS NATIONAL BONDING, INC., both being corporations of the State of Iowa, d/b/a Merchants National Indemnity Company (in California only) (herein collectively called the "Companies") do hereby make, constitute and appoint, individually,

Benjamin Powell; Fitzhugh K Powell Jr; Robert T Theus; Susan W Jordan

their true and lawful Attorney(s)-in-Fact, to sign its name as surety(ies) and to execute, seal and acknowledge any and all bonds, undertakings, contracts and other written instruments in the nature thereof, on behalf of the Companies in their business of guaranteeing the fidelity of persons, guaranteeing the performance of contracts and executing or guaranteeing bonds and undertakings required or permitted in any actions or proceedings allowed by law.

This Power-of-Attorney is granted and is signed and sealed by facsimile under and by authority of the following By-Laws adopted by the Board of Directors of Merchants Bonding Company (Mutual) on April 23, 2011 and amended August 14, 2015 and adopted by the Board of Directors of Merchants National Bonding, Inc., on October 16, 2015.

"The President, Secretary, Treasurer, or any Assistant Treasurer or any Assistant Secretary or any Vice President shall have power and authority to appoint Attorneys-in-Fact, and to authorize them to execute on behalf of the Company, and attach the seal of the Company thereto, bonds and undertakings, recognizances, contracts of indemnity and other writings obligatory in the nature thereof."

"The signature of any authorized officer and the seal of the Company may be affixed by facsimile or electronic transmission to any Power of Attorney or Certification thereof authorizing the execution and delivery of any bond, undertaking, recognizance, or other suretyship obligations of the Company, and such signature and seal when so used shall have the same force and effect as though manually fixed."

In connection with obligations in favor of the Florida Department of Transportation only, it is agreed that the power and authority hereby given to the Attorney-in-Fact includes any and all consents for the release of retained percentages and/or final estimates on engineering and construction contracts required by the State of Florida Department of Transportation. It is fully understood that consenting to the State of Florida Department of Transportation making payment of the final estimate to the Contractor and/or its assignee, shall not relieve this surety company of any of its obligations under its bond.

In connection with obligations in favor of the Kentucky Department of Highways only, it is agreed that the power and authority hereby given to the Attorney-in-Fact cannot be modified or revoked unless prior written personal notice of such intent has been given to the Commissioner-Department of Highways of the Commonwealth of Kentucky at least thirty (30) days prior to the modification or revocation.

In Witness Whereof, the Companies have caused this instrument to be signed and sealed this 8th day of December, 2022.

BRIDGE NO. 724414 : HARTS ROAD OVER BROWARD RIVER

SECTION 3 - PROPOSAL FORM

BID NO.: CP-0017-24

BID DATE: ~~FEBRUARY~~ 21, 2024  
March 6th, 2024

2:00 P.M.

TO: THE CITY OF JACKSONVILLE, FLORIDA

FROM: J.B. Coxwell Contracting, Inc.

In accordance with the Invitation to Bid to construct **BRIDGE NO. 724414 : HARTS ROAD OVER BROWARD RIVER** for the City of Jacksonville, Florida, subject to the Drawings, Specifications, Standard Specifications and Details, Addenda thereto, if any, all of which are made a part of this Proposal, the undersigned proposes to construct BRIDGE NO. 724414 : HARTS ROAD OVER BROWARD RIVER for the Total Bid as follows:

TOTAL PART A BASE BID \$ 11,711,905.56 (Numerals) (Total of Page 3-9)

eleven million seven hundred eleven thousand nine  
hundred five dollars and fifty-six cents (Written) (Total of Page 3-9)

TOTAL PART B BASE BID \$ 3,672,275.00 (Numerals) (Total of Page 3-9)

three million six hundred seventy-two thousand  
two hundred seventy-five dollars and zero cents (Written) (Total of Page 3-9)

SUM TOTAL PART A+B BASE BID \$ 15,384,180.56 (Numerals)

fifteen million three hundred eighty-four thousand one hundred  
eighty dollars and fifty-six cents (Written)

**A. PROPOSAL SCHEDULE**

A Bidder must provide a price on each item listed within each Part. All entries in the entire Proposal must be made clearly in ink. Prices bid must be written in figures. Bidder must insert extended prices obtained by multiplying the proposed quantities times the unit prices. In case of errors, unit prices will govern. The corrected extended prices and corrected Base Bid will be used to determine the lowest qualified Bid. Proposals in which the prices obviously are unbalanced will be rejected.

JEA Bid Item Note: SUPPLEMENTAL WORK AUTHORIZATION (SWA). A written work order that shall only be authorized at the sole discretion of JEA, for the Contractor to perform changes in the Work.  
 (A1.11 & A1.12)

## ***Certification of Single Source or Emergency Procurement***

Please use this form to certify a Single Source or Emergency Procurement complies with the requirements of the JEA Procurement Code. The JEA Procurement Code defines a Single Source and Emergency Procurement as follows:

### **3-112 Single Source**

A Contract may be awarded for Supplies or Services as a Single Source when, pursuant to the Operational Procedures, the Chief Procurement Officer determines that:

- (a) there is only one justifiable source for the required Supplies or Services; **Note: Please provide justification.**
- (b) the Supplies or Services must be a certain type, brand, make or manufacturer due to the criticality of the item or compatibility within a JEA utility system, and such Supplies or Services may not be obtained from multiple sources such as distributors; **Note: If this is a Single Source Standard or OEM, please provide proper backup documentation.**
- (c) the Services are a follow-up of Services that may only be done efficiently and effectively by the Vendor that rendered the initial Services to JEA, provided the Procurement of the initial Services was competitive;
- (d) at the conclusion of a Pilot Project under Section 3-118 of this Code, the Procurement of Supplies or Services tested during the Pilot Project, provided the Vendor was competitively selected for the Pilot Project.

### **3-113 Emergency Procurements**

In the event of an Emergency, the Chief Procurement Officer may make or authorize an Emergency Procurement, provided that Emergency Procurements shall be made with as much competition as practicable under the circumstances. A written Determination of the basis for the Emergency and for the selection of the particular Vendor shall be included in the Procurement file.

For purposes of this Section 3-113, an "Emergency" means any one of the following:

- (a) a reasonably unforeseen breakdown in machinery;
- (b) an interruption in the delivery of an essential governmental service or the development of a circumstance causing a threatened curtailment, diminution, or termination of an essential service;
- (c) the development of a dangerous condition causing an immediate danger to the public health, safety, or welfare or other substantial loss to JEA;
- (d) an immediate danger of loss of public or private property;
- (e) the opportunity to secure significant financial gain, to avoid delays to any Governmental Entity or avoid significant financial loss through immediate or timely action; or (f) a valid public emergency certified by the Chief Executive Officer.

### **Please provide the following information:**

#### **Vendor Name:**

---

#### **Description of Services or Supplies provided by Vendor:**

---

---

---

**Certification:**

I the undersigned certify that to the best of my knowledge, no JEA employee has, either directly or indirectly, a financial interest in this Single Source Emergency Procurement, and

I the undersigned certify that this procurement meets the requirements of a (choose one of the following):

\_\_\_\_\_ **Single Source Procurement.** Please state which subsection of Section 3-112 above applies to this Single Source Procurement:

Is this Single Source also a Ratification?      Yes      No    If yes, explain

OR

\_\_\_\_\_ **Emergency Procurement** - Please state which subsection of Section 3-113 above applies to this Emergency

Is this Emergency also a Ratification?      Yes      No    If yes, explain

**Signature of JEA Business Unit Chief (or designee)**

**Name of JEA Business Unit Chief (or designee)**

**This certification shall be attached to the Purchase Order when it is routed for approval. A Single Source or Emergency Procurement shall be reported to the JEA Board in accordance with Section 1-110 of the JEA Procurement Code.**

## Award #9 Supporting Documents 08/08/24

## Formal Bid and Award System

Award #14 December 16, 2021

**Type of Award Request:** PROPOSAL (RFP)  
**Requestor Name:** Phelps, Charles, Material Handling Operator Maintainer II  
**Requestor Phone:** (904) 665-6382  
**Project Title:** Industrial Cleaning Services  
**Project Number:** See Attached  
**Project Location:** JEA  
**Funds:** O&M  
**Budget Estimate:** Award to Budget of \$1,092,900.00

**Scope of Work:**

The purpose of this solicitation is to contract the services of an industrial cleaning contractor to provide services described herein ("Work").

The scope of work includes furnishing all supervision, labor, materials, tools, equipment, consumables, and subcontracts necessary for industrial cleaning services primarily at JEA electric generating facilities. Services shall include, but not be limited to, the following:

- Wet & Dry Vacuuming Services
- Hydroblasting & Ultra High Pressure (UHP) Cleaning Services
- Chemical Cleaning Services (pricing will be requested on a per project basis)
- High Volume Pump Services
- Fugitive Dust Control Services

JEA has electric power generation equipment at four locations: Northside Generating Station, Brandy Branch Generating Station, Kennedy Generating Station, and Greenland Energy Center.

Additionally, this contract may be used to provide support to other JEA facilities, water, and wastewater locations on an as needed basis. The Water/Wastewater (W/WW) groups will evaluate rates submitted and make a determination if W/WW budget will be added to the forecast award.

As a part of this Bid, JEA required Bidders to submit hourly and equipment rates to provide a 40 hour / week industrial cleaning with a twelve man crew. This Bid requirement is referred to Option A.

**JEA IFB/RFP/State/City/GSA#:** 1410431046  
**Purchasing Agent:** Lovgren, Rodney  
**Is this a Ratification?:** NO

## Award #10 Supporting Documents 08/08/24

MPW INDUSTRIAL SERVICES, INC.	John Stoughton	jstoughton@mpwservices.com	9711 Lancaster Rd. SE, Hebron, Ohio 43025	800-827-8790	\$327,870.00
-------------------------------	----------------	----------------------------	---	--------------	--------------

**Amount for entire term of Contract/PO:** \$1,092,900.00

**Award Amount for remainder of this FY:** \$258,046.13

**Length of Contract/PO Term:** Three (3) Years, w/ Two (2) – 1 Yr. Renewals

**Begin Date (mm/dd/yyyy):** 12/22/2021

**End Date (mm/dd/yyyy):** 12/21/2024

**JSEB Requirement:** N/A - Optional

**PROPOSERS:**

Name	Points	Rank	Total Bid Price
THOMPSON INDUSTRIAL SERVICES LLC	96.2	1	\$708,935.30
MPW INDUSTRIAL SERVICES, INC.	85.3	2	\$733,351.45
ENVIROVAC	68.8	3	\$937,420.70
CESI	58.4	4	\$1,704,713.88

**Background/Recommendations:**

Advertised on 09/27/2021. Five (5) prime companies attended the mandatory pre-proposal meeting held on 10/01/2021. At proposal opening on 10/26/2021, JEA received four (4) Proposals. The companies were evaluated based on price, work approach and safety. Thompson Industrial Services and MPW Industrial Services are the highest evaluated proposing companies. A copy of the evaluation matrix, proposals and rate sheets are attached as backup.

JEA awards two (2) contracts for this type of work (Primary and Secondary) on a 70 / 30 split to ensure all facilities have access to sufficient contractors for outages and any ad hoc services. The budget for power generation facilities is \$250,000.00 annually.

The W/WW groups currently contract out their various different industrial cleaning services via independent bids and contracts (currently Williams Industrial and Universal Services). Being that some of the service types provided to the power plants (hydro-blasting, vacuuming, pit cleaning, etc.) is similar to W/WW industrial cleaning needs, they have added \$114,300.00 to the budget per year to this award to allow trial usage of these contractors.

JEA has reviewed the submitted Option A rates vs. JEA's forecast of managing the services with contract employees and JEA equipment, based on a 40 hour per week schedule. This topic was previously discussed at the Awards committee 9/23/2021. At that time JEA noted additional vetting would be performed once bids were received. Based on the submitted rates from the lowest Option A prices from MPW vs. JEA managed services; JEA forecasts a savings of \$1,178,236.00 (for the three year term) by managing the work directly and using JEA owned equipment. The pricing evaluation included labor and equipment rates of the outside contractor vs. JEA managed contract labor (via WorkSpend) and JEA owned equipment. The evaluation of annual maintenance and overhaul of JEA equipment, which is fully amortized, was included to make the evaluation equivalent (apples to apples). Based on this evaluation, it was decided to move forward without Option A pricing.

## Award #10 Supporting Documents 08/08/24

When comparing Thompson's evaluated Total Bid Price of \$708,935.30, to the incumbent rates against the bid forecast (MPW) \$684,017.50, there is a 3.64% increase. Since the Award Amount is based on the budget and not the bid forecast, when applying the 3.64% increase to the budget numbers there is an estimated spend increase on rates of \$38,413.47. The estimated spend increase on rates deducted from the estimated savings from insourcing management, equipment and contract crew of \$1,178,236.00, results in an aggregate three forecast savings of \$1,139,822.53. Considering market conditions pricing is deemed considered reasonable. JEA is allowing a CPI adjustment annually on labor rates, and equipment rates are fixed with allowances for fuel. Markups are fixed based on cost plus model for ad-hoc materials and subcontractor support services.

1410431046 – Request approval to award a contract to Thompson Industrial Services in the amount of \$765,030.00 and MPW Industrial Services in the amount of \$327,870.00 for Industrial Cleaning services, for a not-to-exceed amount of \$1,092,900.00, subject to the availability of lawfully appropriated funds.

**Renewal Options:** Two (2) - 1 Yr. Renewals  
**JSEB Requirement:** NA – Optional

### Background/Recommendations:

Competitively bid and approved by Awards Committee on 12/16/2021. The original award and renewal are attached as back-up. The original award was on a 70/30 split for T&M rate basis for industrial cleaning services to Thompson Industrial Services, LLC and MPW Industrial Services, Inc.

JEA had originally intended to manage industrial cleaning contractors directly using Workspend. After approximately 5 months of current market labor challenges using temporary labor & JEA managing personnel, JEA elected to use the Option A outsourced managed labor option from MPW. MPW's Option A pricing was the lower of the two original Awardees.

This request is to add funds for O&M in the amount of \$2,230,000.00, to allow continued use through the Term. The original award amount was based on historical usage and budget estimates available at the time of award. Contract prices have CPI adjustments allowable at contract anniversary upon request by the supplier.

Should the O&M workload exceed the current planned workload & outage support during the contract term, or should JEA elect to renew the contracts, additional funding may be required. Additional increases will be processed through the Awards Committee as necessary.

Request approval for a contract increase to MPW Industrial Services, Inc. \$2,230,000.00 for industrial cleaning services, for a new not-to-exceed amount of \$3,322,900.00, subject to the availability of lawfully appropriated funds.

**Manager** Crabtree, Jeremy D. - Mgr NGS Operations  
**Sr. Manager:** Wilds, Brian E. - Sr Mgr Energy Production & Material Handling Operations

## Consent Agenda

The Chief Procurement Officer offers the following items for the JEA Awards Consent Agenda. Any item may be moved from the Consent Agenda to the Regular Agenda by a committee member asking that the item be considered separately. **All items on the Consent agenda have been approved by OGC, Budget and the Business Unit Vice President and Chief.** The posting of this agenda serves as an official notice of JEA's intended decision for all recommended actions for **Formal Purchases** as defined by **Section 3-101 of the JEA Procurement Code**. Please refer to JEA's Procurement Code, if you wish to protest any of these items.

Award #	Type of Award	Solicitation # & Short Description/Title	VP	Awardee	Funding Source	Award Amount	Original Award Amount	New Not-to-Exceed	Amendments	Term	JSEB Participation (Y/N) If Y, then list company name(s) (% , \$ - awarded)
1	Minutes	Minutes from 06/08/2023 Meeting	N/A	N/A	N/A	N/A	N/A	N/A	N/A	N/A	N/A
2	Omnia Contract/Piggyback	Hewlett Packard DL380 and DL360 Servers and related Equipment and Support	Datz	CDW GOVERNMENT LLC	Capital	\$354,431.25	N/A	\$354,431.25	N/A	One-Time Purchase w/Five (5) years maintenance Start Date: 06/19/2024 End Date: 06/18/2029	N/A
	Piggyback Contract: Omnia ESCR4 R210401 Tech Sol. Products/Services For additional Information Contact: Nathan Woyak  Request to award CDW-G, an authorized HPE reseller and Omnia contract participant, a one-time, opportunity purchase of JEA standard platform DL360 (single rack-unit(RU) footprint) and DL380(double rack-unit(RU) footprint) HPE hardware servers including all hardware integrated HPE S&M providing operations warranty coverage of the systems over their expected useful life of 5 years. These are the two primary hardware server platform types used within the JEA data centers and at JEA field network locations for W/WW SCADA system support, remote VDI, distributed PI/Telemetry/Monitoring systems, information security application segmentation and other use cases per solution requirements. These systems will be used to build new systems, increase system capacity per forecasts or replace existing, aging-out hardware. All hardware is expected to be received in a timely manner based on the forecasted supply chain estimated delivery dates of each solution build as considerations were made during hardware selection to ensure system component availability.  JEA has deemed the pricing to be fair and accurate based on the established contract which in this case provides an overall 57.5% discount off MSRP on the DL360's and an overall 59.6% discount on the DL380's. These discounts result in a net savings of \$491,032.75 off retail to JEA.										
3	Contract Increase	1410431046 Industrial Cleaning Services	Erixton	Thompson Industrial Services, LLC	Capital & O&M	Thompson Industrial Services, LLC \$487,445.93	Thompson Industrial Services, LLC \$765,030.00 MPW Industrial Services, LLC \$327,870.00	Thompson Industrial Services, LLC \$1,328,978.93 MPW Industrial Services, LLC \$2,557,870.00	5/10/2023 Thompson Industrial Services, LLC \$76,503.00  1/19/2023 MPW Industrial Services, LLC \$2,230,000.00	Five (5) Years, w/ One (1) - 1 Yr. Renewals	N/A
	Originally Awarded: 12/16/2021 Contract Expiration: 12/15/2026 For additional information contact: Rodney Lovgren  JEA utilizes two (2) contractors for industrial cleaning services at the power plants (wet/dry vacuuming services, hydroblasting, chemical cleaning, high volume pumping, dust control system cleaning and pit cleaning). This increase is to allow continued use of the primary contractor (Thompson) through the original term. Additional funding requests will be processed as required. Work will be performed at the current contract rates, with CPI allowable annually upon request.										
4	Request for Proposal (RFP)	1411223446 Mail Services for JEA	Schepis	Fedex Office and Print Services, Inc.	O&M	\$535,659.00	\$535,659.00	N/A	N/A	Five (5) Years, w/ Two (2) - 1 Yr. Renewals	N/A
	Advertised: 04/19/2023 Bid Opening: 05/23/2023 Two (2) Proposals Received For additional information contact: Rodney Lovgren  The Supplier for the JEA mailroom provides processing of incoming and outgoing mail (interoffice, USPS, courier, express services, and contractor drop-off/pick-up). Other services include; courier pick-ups & deliveries, sending, receiving, and logging packages for express delivery, inventorying & replenishing mail and copy room supplies, notifying JEA employees of mail or packages for pick-up, sending digital mail and documents to JEA employees, copying, scanning.  Only two (2) Proposals were received due to the type and volume of work. Considering the range of the proposals received and the new provider is 18.7% less than the incumbent resulting in a forecasted savings of \$100,368.60, the price is deemed reasonable.										
5	IFB	1411251046 - Nassau Regional Water Reclamation Facility – Fiber Optic Construction, Installation, and Testing	Selders	Cook Electrical, Inc.	Capital	\$695,177.50	N/A	\$695,177.50	N/A	Project Completion (Estimated 06/20/23 through 09/27/23)	N/A – Optional
	MOVED TO REGULAR AGENDA										
6	Contract Increase	086-19 Construction Management-at-Risk (CMAR) Services for the Buckman Biosolids Conversion Projects	Melendez - Wastewater	Wharton-Smith, Inc. 	Last Awarded: 03/30/2023 For Additional Information Contact: Lynn Rix  The scope of work to be performed under this solicitation consists of CMAR services for the Buckman Biosolids Conversion Projects. These projects are needed to update the treatment process at the Buckman Water Reclamation Facility (WRF) to meet current and future needs.  This increase request will fund the early dewatering package needed to keep the upgrades going at the Buckman WRF. This package includes removing and replacing aeration headers, diffusers, the dewatering system and sluice gates. This increase also includes funding for the construction of the caking receiving station and long lead electrical equipment.  It is estimated that the overall contract value, inclusive of all projected projects, will be \$300,000,000.00.

Capital	\$545,738.00	\$545,738.00	N/A	N/A	Project Completion (2026)	Meskel & Assoc (Geotechnical Services) 5% - \$27,286.90  VIA Consulting (Constructability Review) 2% - \$10,914.76
	Advertised: 02/15/2023 Proposals Opened: 04/18/2023 Four (4) Proposals Received Public Evaluation Meeting: 05/18/2023 For additional information contact: Rodney D. Lovgren  This solicitation is for engineering services to provide civil and electrical engineering services and services during construction (SDC) for the new SJRPP 230 / 26 kV distribution substation. The RFP was evaluated based on engineering firms qualifications. The scope and fee were successfully negotiated with the highest evaluated Proposer. The Engineering fee is approximately 8.7% of the current construction estimate. JEA has reviewed the hourly rates for engineering and SDC estimate and deemed the estimate and rates reasonable when compared to previous contracts.										
8	IFB	1411172447 Martin Luther King-Fairfax to Brentwood Water Main Replacement	Melendez - Water	Petticoat-Schmitt Civil Contractors, Inc.	Capital	\$9,167,519.00	N/A	\$9,167,519.00	N/A	Project Completion (Expected: October: 2025)	Five Percent (5%) Requirement  RZ Services (Materials) - 5%
	Advertised: 4/13/23 Bids Opened: 5/23/23 Five (5) Bids Received For Additional Information Contact: Lynn Rix  This solicitation is to request construction services to install watermain pipe along Martin Luther King Pkwy (20th Street) and Myrtle Avenue. In addition, the following components are included to support the project: Removal and replacement of 148 existing water services; Installation of 25 new water services; Abandonment of 6,673 LF existing watermain by grout filling; Abandonment of 84 LF watermain by removal; Abandonment of 11 additional watermain locations by sealing or plugging; Removal and replacement of privately owned asphalt pavement and stamped brick asphalt pavers; and asphalt mill and resurfacing. Removal and replacement of COJ concrete curb and gutter, concrete/asphalt driveway, and concrete sidewalk. The bid was compared to the estimate and past projects and deemed reasonable.

Advertised: 05/09/2023 Proposals Opened: 05/31/2023 One (1) Proposal Received For additional information contact: Nickolas Dambrose  Two (2) bidders attended the optional Pre-Bid Meeting on 05/18/2023. JEA typically has a difficult time getting high participation for fiber optic work. To understand reasons for low participation, JEA sought correspondence with other potential bidders. Three additional bidders declined to participate because of their existing workloads.  This award requests Cook Electrical, Inc. to provide fiber optic construction, installation, and testing at Nassau Regional Water Reclamation Facility in Yulee, Nassau County. When completed this award will provide high speed data transmission, data security and data reliability for the Nassau Regional Water Reclamation, along with expanding JEA fiber optic network into Nassau County.  This award is \$105,000.00 less than the business unit estimate and will be fully funded from its original budget funding source. JEA also specified that the cost of payment and performance bonds were included in the pricing solicitation for this award. No liquidated damages have been included in this award request.

The Chief Procurement Officer offers the following items for the JEA Awards Consent Agenda. Any item may be moved from the Consent Agenda to the Regular Agenda by a committee member asking that the item be considered separately. All items on the Consent agenda have been approved by OGC, Budget and the Business Unit Vice President and Chief. The posting of this agenda serves as an official notice of JEA's intended decision for all recommended actions for <b>Formal Purchases</b> as defined by <b>Section 3-101 of the JEA Procurement Code</b> . Please refer to JEA's Procurement Code, if you wish to protest any of these items.											
Award #	Type of Award	Solicitation # & Short Description/Title	VP	Awardee	Funding Source	Award Amount	Original Award Amount	New Not-to-Exceed	Amendments	Term	JSEB Participation (Y/N) If Y, then list company name(s) (% , \$ - awarded)
1	Minutes	Minutes from 06/01/2023 Meeting	N/A	N/A	N/A	N/A	N/A	N/A	N/A	N/A	N/A
2	Real Estate Directive	PA20W-Rivertown Storage & Pump-W (RES - RiverTown - New Storage and Pumping System)	Mitchell Jr., Paul	MATTAMY JACKSONVILLE LLC, a Delaware limited liability company	Capital - 8006356	\$498,000.00	N/A	\$498,000.00	N/A	Project Completion  Start: 06/15/2023	N/A
	For additional information contact: Elaine Selders  JEA has negotiated the purchase of a parcel within Rivertown for new Reuse Pumping and storage site with Mattamy Jacksonville LLC, Delaware limited liability company, to provide reuse water capacity in St. Johns County and the Rivertown development.  The JEA Procurement Code Exemptions in Section 2-201 includes purchases of Real Estate. The Real Estate Services Procurement Directive requires Awards Committee approval for Real Estate purchases of \$50,000.00 to \$500,000.00.  This award is for a real property acquisition to provide land for a new Reuse Water Storage and Pumping site. The subject property will provide the real estate needed to construct the new Reuse Water Storage and Pumping site which will better serve St. Johns County and the Rivertown development with the capacity and pressure for reliable Reuse Water. The Real Estate team entered negotiations with the owner and determined it is in JEA's best interest to accept their second counter-offer. The cost justification summary has been attached as backup.  The cost avoidance savings for this award is \$19,050.00. The savings includes the difference between the appraised property value and the final cost of the property, minus the eminent domain costs JEA would have incurred if they were unable to negotiate with the seller. Formula is broken out below:  \$498,000.00 (final cost) - \$357,050.00 (property value) = 140,950.00 (additional compensation). Total Eminent Domain costs (\$160,000.00) less additional compensation (\$160,000.00 - \$140,950.00 = \$19,050.00).										
3	Real Estate Directive	PA23-Land Sale-Rivertown Well	Mitchell Jr., Paul	MATTAMY JACKSONVILLE LLC, a Delaware limited liability company	O&M - 8008728	\$89,800.00	N/A	\$89,800.00	N/A	Project Completion  Start: 06/15/2023	N/A
	For additional information contact: Elaine Selders  JEA has negotiated the sale of a portion of a prior St. Joe Well parcel within the Rivertown Development in St. Johns County for Mattamy Jacksonville, LLC to use as public right-of-way for Rivertown Main Street. It has been determined that the subject parcel has no current or future utility need and been determined surplus and ready for disposition. JEA obtained a third-party appraisal which valued the subject property at the agreed upon sales price.  The JEA Procurement Code Exemptions in Section 2-201 includes purchases of Real Estate. The Real Estate Services Procurement Directive requires Awards Committee approval for Real Estate purchases of \$50,000.00 to \$500,000.00.  This award is for the disposition of a portion of real property to Mattamy Jacksonville, LLC to use as public right-of-way for Rivertown Main Street.										
4	Contract Increase	Dell and Logitech Equipment Purchase FY23	Datz	CDW GOVERNMENT LLC	O&M and Capital	\$660,504.25	\$1,004,264.95	\$1,664,769.20	N/A	One (1) Year w/ Two - One (1) Year Renewals Start date: 01/01/2023 End Date:12/31/2023	N/A
	Originally Awarded: 12/15/2022 Contract Expiration: 12/31/2023 For additional information contact: Brooke Garland  The specific equipment will include the inventory of all Dell devices including Dell 7000 series computers (laptops, desktops, monitors), cases, keyboards, and docks. The Logitech webcams, and keyboard/mouse combo are also included. These products are JEA Standards.CDW is offering a 26-50% discount off list price on the Dell equipment and support including any additional related equipment not specifically listed in the workbook. The comparable item pricing is similar to previous contract.  This contract increase is to cover additional FY23 equipment needs. The funding request represented in the original award did not include PC Refresh. As a result, the CPA is short for FY23. This is the last purchase for FY23 for both capital and O&M but the CPA will also include funding planned for Q1 of FY24.

Award #	Type of Award	Solicitation # & Short Description/Title	VP	Awardee	Funding Source	Award Amount	Original Award Amount	New Not-to-Exceed	Amendments	Term	JSEB Participation (Y/N) If Y, then list company name(s) (% , \$ - awarded)
6	GSA Contract/Piggyback	Splunk Storage Monitoring Cloud Subscription	Datz	CDW GOVERNMENT LLC	O&M (30903)	\$441,931.41	N/A	\$441,931.41			
	<p>Piggyback Contract: GSA Schedule No: 47QSWA18D008F For additional information contact: Nathan Woyak</p> <p>This request for award proposes that JEA use the GSA authorized Splunk reseller CDW to facilitate a one (1) year purchase for the Splunk Cloud and Splunk Enterprise Suite of products which comprises JEA's standard Security Information and Event Management(SIEM) solution, SECaaS(Security as a Service), and the generic role as a single-repository, information correlation engine with ML/AI(Machine Language/ Artificial Intelligence) capability for all enterprise systems. JEA's Splunk solution supports a variety of use cases including threat detection, compliance(CIP and others), real-time telemetry and event analysis including cyber incident investigation.</p> <p>JEA's Splunk platform has been in the development and build in stages since approximately FY21, and started primarily to serve as the new log correlation engine to replace the current solutions which were approaching end of life. This solution was widely expanded architecturally during FY22/23 to facilitate the overall replacement of additional systems to align with current information security and compliance requirements in addition to increased cyber-attacks and the required identification of potential system vulnerabilities. The most noteworthy and impactful expansion resulted in holistic replacement of the existing SIEM solution with Splunk ES(Enterprise Security). Note, the same request was made for one year in 2022 on a previous award however it was not known at the time if JEA would award this beyond the first year.</p> <p>This request is for a one (1) year SPLUNK hot storage/monitoring cloud subscription for \$441,931.41. Due to the sensitive nature of the product solution architecture and configuration, JEA's procurement of the Splunk Product Suite has utilized the overarching GSA contracts to facilitate procurement. CDW's pricing has been deemed fair and reasonable based on the additional savings of ~40% (\$295,982.7) off the published GSA rates.</p>								N/A	One (1) Year w/ Two - One (1) Year Renewals Start date: 05/09/2023 End Date:05/08/2024	N/A

## Consent Agenda Action

Committee Members in Attendance	Names	Ted Phillips, Laura Schepis, David Emanuel
Motion by:	David Emanuel	
Second By:	Laura Schepis	
Committee Decision	Approved	

## Consent and Regular Agenda Signatures

 Chicago, IL 60673-1297

**Work Services Description**

ABB is pleased to offer this firm fixed price proposal for the services outlined below at the Northside Generation facility located in Jacksonville, FL.

**Site Address:**

Northside Generation Station  
 4377 Heckscher Drive  
 Jacksonville, FL

**Scope of Supply:**

1. Services:
  - a. Upon receipt of an acceptable purchase order, ABB will schedule the appropriate resource to perform the services once the customer provides a firm date of service.
  - b. Upon completion ABB will provide a field service report detailing the services performed, test results, and recommendations for future service.
2. ABB Supplied Equipment:
  - a. Equipment

### 3. Work Scope:

- a. Provide (1)-one ABB field resource to provide technical advisement during the installation of the equipment in Item 1 of this proposal. Buyer is to provide a supervisor, craft labor, and tools necessary to perform installation.
  - i. Field Services Report in .pdf format with work summary, discrepancies found, and recommended actions is included.
  - ii. Work is to be performed on a maximum on (25)-twenty five, (10)-ten hour ABB non-holiday weekdays in (4)-four mobilizations. If additional time is needed, a change order will be issued.
- b. Provide (1)-one ABB field resource to perform the following commissioning procedures on equipment in item #1 after installation is complete.
  - i. Visual inspection for signs of damage or missing components.
  - ii. Insulation resistance test (Megger) of main bus, phase-to-phase and phase-to-ground.
  - iii. Verify protective devices and starting contactors open and close freely by operating breakers and / or fuse disconnects manually and physically depressing the motor starting contactors.
  - iv. Setting of circuit breaker instantaneous trip level to setting provided by buyer. Note: if no settings are provided by customer, trip level will be set to mid-range.
  - v. Check lugs and bus splices for tightness. Check control wiring for tightness.
  - vi. Operate magnetic device hand to verify that all moving parts operate freely.

- vii. Manually operate branch-circuit disconnects and verify proper operation of disconnects and door interlocks.
  - viii. Where applicable, manually trip circuit breakers to verify that operating handles move freely to the TRIP-indicating position. With the door closed and latched, reset tripped circuit breakers, open, and close breakers to confirm proper operation.
  - ix. Check ground bus connections for proper tightness.
  - x. Starter module will be checked for proper insulation resistance using a megohmmeter.
  - xi. Provide a Field Services Report in .pdf format containing the test data sheets from the equipment check-out and verifying the equipment is ready for service.
  - xii. Work is to be performed on (12)-twelve, (10)-ten hour ABB non-holiday weekdays in (1)-one mobilization. Standby time of five (5), ten (10) hour ABB non-holiday weekdays in (1)-one mobilization for startup
  - c. Red line drawings
    - i. Provide (1)-one ABB field resource to red line buyer provided drawings to reflect installation modifications made after installation of equipment in line item #1.
    - ii. Work is to be performed during straight time hours on ABB non-holiday weekdays.
4. Comments / Exceptions:
- a. See Buyer's Responsibilities below.
  - b. See Assumptions and Clarifications below.
  - c. Approval drawings are required for equipment to be supplied in this proposal.
  - d. Bonds are not included in this proposal. If needed, a change order will be issued for the additional costs.
  - e. Civil work and/or concrete pads are not included in this proposal.
  - f. Cables and conduit are not included in this proposal. It is assumed that existing cables and conduits will be re-used for new MCC termination, otherwise a change order will be issued for buyer approval for extra costs.
  - g. Primary interface, coordination, compliance with regulations, permits and payment of fees are the responsibility of buyer.
  - h. Buyer will provide and maintain storage and material handling facilities as required, and security for equipment, tools, and instruments stored at the job site.
  - i. Buyer is to provide office space and sanitary facilities for ABB Employees as needed.
  - j. Buyer is to dispose of all existing equipment and wastes generated at the work site. JEA will be responsible for environmental conditions and will keep the equipment free of contaminants that would be detrimental to the performance of the equipment.
  - k. Customer shall advise ABB in writing of all applicable site-specific health, safety (training), security and environmental requirements and procedures.
  - l. Emergency services are not included in this proposal.
  - m. Working hours are defined as follows:
    - i. Straight time shall consist of eight (8) hour workdays, Monday through Friday, 8 AM to 5 PM exclusive of ABB holidays.
    - ii. Overtime shall consist of any hours on a daily basis in excess of eight (8) hours worked or Saturdays, excluding Sunday.
    - iii. Double time shall consist of hours worked on Sunday or ABB holidays.
  - n. For any delays, additional mobilizations (due to cancelled or delayed outages, or delays preventing ABB from completing planned work scope), or extra work incurred while the quoted work is being performed as a result of standby time or access to customer-provided equipment, malfunction or deficiencies encountered with equipment, other than that furnished by ABB under this work scope, a change order will be submitted for the costs relating to the additional work scope. Defective parts found while work is being performed will be documented in a follow-up change order proposal to customer which will include replacement parts price and services, as applicable.

- o. All mobilizations are to be mutually agreed upon the buyer and ABB.
- p. Control power transformers are not included in the Limit-amp.
- q. All line and load cable entries are assumed into BOTTOM unless otherwise indicated.
- r. Buyer is to add 1/8" space between sections in lineup for sealer.
- s. Buyer is to include actual motor data with order including FLC, LRC and SF. If data not available, confirm OK for ABB engineering to assume standard data.
- t. Buyer is to confirm/advise actual size and number of cables per phase for sizing all cable lugs. Include sizes for all load, incoming, and ground cables for which lugs are required.
- u. STANDARDS AND CODES: MV Limitamp Motor Control Centers conform to NEMA ICS 3, Part 1 for class E2 Controllers, UL347 and all applicable NEC standards. Limitamp AR MCC's conform to IEEE/ANSI C37.20.7-2007 -Type 2B standards. Exception is taken to all other codes & standards.
- v. Note not all assemblies meet UL347. For details, see BOM for UL label.
- w. STANDARDS AND CODES: ABB designs, manufactures and tests to the above national standards. Exception is taken to all other testing standards. Conformance to any local and state codes, where such codes are different than or have additional requirements to the above national standards, is not guaranteed.
- x. FACTORY PRODUCTION TESTS: Standard test procedures for LV MCCs are described in DET-291 and for Limitamp MV MCCs in GET-6840. ABB's standard factory production tests are always quoted. Special testing that may be required, must be reviewed, accepted and quoted by the factory.
- y. DRAWING PACKAGE: Elevation drawings, unit summaries, nameplate data and schematic drawings only are provided for drawing approval. Record drawings will also include connection drawings. All documentation is transmitted electronically in Adobe .PDF file format.
- z. SPARE PARTS: No Spare parts are included in this proposal.
- aa. The DC panelboard is proposed as a Main Lug Only panel. A Main Circuit Breaker is not an option for this panel.
- bb. All Protective settings shall be provided by others and are not included within this proposal.
- cc. All equipment must be de-energized and properly isolated prior to the start of work.
- dd. Price is contingent upon continuous, unobstructed access to de-energized equipment.
- ee. Customer shall provide temporary power and lighting as required for testing.

5. Schedule:

- a. **Material Lead Time: 56-68 Weeks once released for manufacturing. Approval drawings estimated at 16-18 weeks after purchase order acknowledgement.**
  - i. Subject to change. Final lead time will be provided at time of order.
- b. All service quoted on contingent upon straight time (normal business) hours. If services are required to be performed on an overtime and/or double time schedule, prices quoted are subject to increase.
- c. Any delays or extra work incurred while the quoted work is being performed as a result of malfunctions or deficiencies encountered with equipment, unless caused by ABB will be addressed in the form of a written change order and charged at ABB's currently published rates.

**Price, Terms and Conditions**

ABB will accomplish the above-described work scope for the firm fixed price of **\$527,000.00 USD** which includes the cost of travel, travel time and accommodations utilizing local resources.

Itemizations below are for accounting purposes only and does not imply ABB will accept a purchase order for individual line items.

1. Equipment	\$387,554.00
1B. Technical Advisement	\$82,115.00

Total for Equipment and Technical Advisement	\$469,669.00
--	--------------

Commissioning/Stand-By Time & Redlines	\$57,331.00
--	-------------

- Invoice to be issued as follows:
  - 20% Upon receipt of an acceptable purchase order.
  - 15% Upon release for manufacturing.
  - 50% Upon shipment of equipment to work-site.
  - 15% Upon substantial completion of the onsite work scope.
- Payment Terms: Net 30 days from the date of invoice.
- Pricing does not include any applicable taxes, permits and licensing fees.

The sale of any service and products, and the integration thereof, ordered by the Buyer is expressly conditioned upon the terms and conditions contained in this quotation and “ABB Inc. General Terms and Conditions of Sale (2022-01 U.S.)” as attached hereto. Any additional or different terms and conditions proposed by the Buyer at any time are expressly objected to and will not be binding upon ABB unless specifically agreed to in writing by ABB’s authorized representative. Any order for, or any statement of intent to purchase hereunder, or any direction to perform work and ABB’s performance of work shall constitute assent to the terms and conditions. Oral agreements and/or commitments to perform services are not enforceable.

If this contract is for the direct or indirect sale to any entity of and/or funded in whole or part of the U.S. government, then Buyer agrees that all products and services provided by Seller meet the definition of “commercial-off-the-shelf” (“COTS”) or “commercial item” as those terms are defined in Federal Acquisition Regulation (“FAR”) 2.101. To the extent the Buy American Act, Trade Agreements Act, or other domestic preference requirements are applicable to this contract, the country of origin of products is unknown unless otherwise specifically stated by Seller in this contract. If Buyer is procuring the products or services as a contractor, or subcontractor at any tier, on behalf of any agency of the U.S. Government, then Buyer agrees that FAR 52.212-5(e) or 52.244-6 (whichever is applicable) applies only to the extent applicable for sale of COTS and/or commercial items and as appropriate for the contract price.

#### **Additional Services**

Should the Buyer desire to have ABB perform additional services beyond the scope of services described in this proposal, a change order request will be submitted for the additional associated costs. No additional services shall proceed without written authorization from the Buyer. Additional services will be performed per our published rates for Service, applicable at the time that work is performed, including work that extends through the weekend / holiday. The current rates for Service can be found in Attachment “Electrification USA Service Rates, January 1, 2023”.

#### **Consideration on 2019-nCoV (Coronavirus Outbreak)**

If after submission of ABB’s bid or during the term of the agreement there are any measures taken by authorities, by ABB or others in connection with the current coronavirus (2019-nCoV) outbreak which affect the performance of the agreement, the parties agree that ABB will be entitled to cost compensation, time extension, or other reasonably required contract adjustments if any consequences in any way related to the coronavirus outbreak lead to delays in delivery of goods or provision of services or otherwise affect ABB’s contractual obligations or duties.

#### **Consideration for Material Supply**

The Parties are aware of the shortage of raw materials, electronic components worldwide which is likely to last for the foreseeable future, as well as of market fluctuations in the availability and cost of other raw materials,

commodities, other critical components, and transportation capacities. Notwithstanding anything to the contrary in the contract/terms and conditions/purchase order, if after the date of ABB's proposal / offer or during the term of the performance of the contract/purchase order there are any changes to availability and / or market conditions for electronic components, raw materials, commodities and transportation capabilities directly or indirectly affecting ABB's performance, ABB shall be entitled to relief in the schedule of the performance or delivery of the directly or indirectly affected scope of work under the contract/purchase order. In such circumstances, the Parties shall meet without delay and discuss in good faith to find a mutually agreeable solution, with equitable adjustment to the contract/purchase order date of delivery or completion. Customer hereby acknowledges and agrees that in said circumstances ABB may not be able to comply with the originally agreed delivery or completion schedule and that ABB shall not be liable for any liquidated or actual damages in connection thereto.

### **Consideration for Transportation**

The offer is based on Incoterms as stated. Due to current fluctuations in transportation cost, the transportation cost may be given as a separate line item and is to be considered a non-binding estimate based on current market prices. At the time of delivery, ABB will use reasonable efforts to get optimum transport arrangements and the actual cost will be invoiced by ABB to the Purchaser. In no case will ABB be liable for any increase in transportation cost at the time of delivery.

### **Buyer's Responsibilities**

The Buyer's responsibilities shall include, but are not limited to, the following:

- Issue switching orders, schedule outages, and de-energize the electrical apparatus, including Lock-Out Tag-Out (LOTO) of all systems associated with ABB's work scope involved in the project. LOTO procedures shall meet or exceed Contractor or ABB's requirements, whichever are more stringent.
- Prior to the start of the on-site work, Buyer shall familiarize ABB personnel with their safety practices, regulations in effect at jobsite, and any chemical and physical hazards, including process safety issues associated with the work environment. ABB shall be under no obligation to commence work unless safety practices are acceptable to ABB. As a safety precaution, prior to the commencement of work, access to a nearby telephone with the ability to call outside the facility will be provided by Buyer, as well as telephone numbers for local emergency services.
- Buyer will dispose of all wastes generated at the work site. Buyer will be responsible for environmental conditions and will keep the equipment free of contaminants that would be detrimental to the performance of the equipment.
- Buyer shall be responsible for the removal and replacement of any obstructions that may interfere with access to or removal of the existing equipment
- Buyer will provide an experienced electrician or electrical supervisor familiar with the power distribution system and trained in electrical safety and emergency response procedures including CPR, AED, and first aid for purposes of:
  - Directing ABB personnel in identifying and isolating the proper electrical equipment.
  - Shutting down electrical equipment in an emergency and providing emergency response during high-risk operations including electrical work when a single ABB representative is dispatched. This person must be visually present during all electrical work and high-risk operations. If not present, then ABB will stop work and notify the Buyer.
  - Complying with OSHA 1910.269(l)(1) and 1910.269(b)
- Buyer will provide all "special" maintenance tools including closing handles, test couplers, closing jacks, lifting devices, breaker cars/lift trucks, etc., furnished or defined by the original equipment manufacturer(s).
- Buyer shall provide one (1) copy of existing system schematics, drawings and other information regarding the equipment/site that is needed and be responsible for the accuracy of same and verbal information concerning existing conditions and wiring.

- All communication between, including meetings, all documents, notes on drawings, and submissions required under contract, shall be in the English language. Any language translation, of required, will be the responsibility of the Buyer.
- Buyer must supply minimum power supply of 120V, 1-Phase, power source, if necessary.
- Buyer will provide/operate/maintain services for drinking water, sanitary facilities, parking, trash containers, and lighting.
- Buyer to provide craft labor with tools and equipment to assist field engineer working on site, if necessary.
- Buyer to supply, operate, and maintain all standard services to the site facility, such as electric power, lighting, water, air, etc., if required. Backup for these systems is not included in this proposal. These services are to be made available to ABB, including a suitable source of 60Hz 120/240 volts AC, unless otherwise provided herein.
- Buyer to provide, and be responsible for, applicable codes, standard, laws, regulatory requirements, etc. required for the development of functional specification and system design and operation.
- Buyer shall be responsible for the review of the installation to assure compliance with applicable codes. It is the intention of ABB to comply with the applicable codes, standards, laws, regulatory requirements, etc.; however, by law it is the responsibility of the Buyer for compliance of the total installation. ABB would be pleased to quote any additional features or equipment that the Buyer deems necessary to meet these requirements.

#### **Assumptions and Clarifications**

- Any items or services not specifically outlined herein are not included.
- ABB assumes and is relying on the fact that any information furnished by Buyer is accurate and complete. To the extent that ABB obtains actual knowledge of any conditions with the equipment and/or the conditions at site are in addition to and/or different from those indicated in the Buyer's furnished documentation / information and/or there is a previously unknown physical condition that is found with the equipment and/or at the site, ABB shall notify the Buyer. If such condition(s) exist and this causes an increase in ABB's cost of and/or the time required for the performance of any part of the work under a contract, an equitable adjustment may be made, including without limitation, to the price and/or schedule.
- With the exception of delays beyond the control of ABB, no additional work scope shall proceed without the written authorization of the Buyer.
- Should any unforeseen work delays beyond the control of ABB occur, including those as a result of malfunctions or deficiencies encountered with the equipment (unless caused by ABB) or should the Buyer desire to have ABB perform work beyond the scope of work described in this proposal, that work will be billed at the published rates in effect at the time of performance of that the work scope and will apply to all ABB project management, field engineers, field engineering service technicians and/or craftsmen.
- ABB expressly objects to any requirements, methods or conditions contained in any Buyer request that are not specifically addressed in this document, and such requirements, methods, and conditions, if any, are outside the scope of this proposal.
- Schedule: Unless otherwise stated in the scope, all work will be performed on a straight time basis. All work is to be performed on a mutually agreeable schedule. The foregoing work as described under work scope shall be performed during normal working hours Monday through Friday, Holidays excepted. If work is performed on an overtime basis, the premium for the time spent and other applicable cost will be billed in addition to the price quoted and will be billed at our published rates in effect at the time work is performed. Time and expense of ABB employees' travel from their headquarters to work site and return, shall be considered as time worked. ABB typically requires a minimum four (4) weeks advance notice to ensure availability of resources.
- The services shall be considered "Substantially Complete" when the services to be performed by ABB or the designated portion thereof, are sufficiently complete in accordance with the contract documents, so that the Buyer can occupy or use the services or portion thereof for its/their intended use. For products

only order, “substantially complete” shall mean the date of shipment of the products. A “Punchlist” is to be developed upon “Substantial Completion,” and ABB’s standard warranty shall provide coverage (when applicable) for issues that occur after “Substantial Completion. “Final Project Completion” shall be reached when all contractual responsibilities have been met and the final bill issued.

## Electrification U.S.A. Service Rates

Jan 1, 2024

ABB's field service engineers and consulting experts are on call to provide a wide range of service and repairs on both ABB and non-ABB equipment and engineered systems in Industrial and Balance-Of-Plant Power Plant Systems.

### 8-Hour Daily Rates

Classification	Weekday	Saturday	Sunday Holiday
Field & Service Center			
Class I - Specialized Field Engineer/Specialized Field Technician	\$3,124	\$4,548	\$5,972
<b>Class II - Field Engineer/Service Center Specialist</b>	<b>\$2,564</b>	<b>\$3,708</b>	<b>\$4,852</b>
Class III - Service Technician	\$2,004	\$2,868	\$3,732
Phone Support			\$1,725/case
Emergency Standby Retainer			\$6,500/month

### Tooling Rates

IR Camera	\$120/day, \$480/week
Vibration Test Set	\$175/day, \$700/week
Online Motor Test Set	\$350/day, \$1,400/week
Offline Motor Test Set	\$350/day, \$1,400/week
Primary Current Injection Set	\$500/day, \$2,000/week
Relay Test Set	\$600/day, \$2,400/week
Power Factor Test Set	\$600/day, \$2,400/week

### Class I - Specialized Field Engineer

These services include installation, commissioning, repair, service, maintenance, and upgrade work associated with:

- Medium voltage motors, & generators
- Paralleling Switchgear
- Synchronous motors & generators, including excitation
- Legacy control systems including: Series 5 & Series 6
- Specialty power system studies, including: Harmonic, Transient Switching & Grounding
- Shipboard and offshore work, with a minimum 14-hour / day billing. Platform work requires a pay differential.
- Gas Insulated Substation (GIS)

### Class II - Field Engineer & Service Center Specialist

Service is technical advice and counsel from field personnel based on sound engineering, manufacturing, installation, and operation practices as applicable to the equipment. Such services may include analysis, adjustment, programming, and other similar services. They do not include supervision or management of purchaser's employees, agents or other contractors and design effort.

### Class III - Service Technician

Craftsmen experienced in the inspection, test, installation, service, and repair of one or more of the following equipment types:

- Transformer (Mechanical, Electrical, Fluid)
- Motors, Electrical & Controls Equipment
- Switchgear
- Mechanical
- Hydro (Electrical, Mechanical & Controls)

### Typical Installations, Services, Repairs, and Products

- Transformer (Including Mechanical, Electrical, Fluid)
- Power Delivery Equipment
- Motors, Electrical and Controls Equipment
- Distributed Control Systems and Programmable Logic Controls
- Instrumentation Related to Process Control and Automation Systems
- Marine Electrical Systems
- Power System Studies

### Rate Terms

1. Work greater than 8 hours per day is billed per hour:	Overtime	Double Time
Class I - Specialized Field Engineer	\$534.00	\$712.00
Class II - Field Engineer/Service Center Specialist	\$429.00	\$572.00
Class III - Service Technician	\$324.00	\$432.00

For less than 24-hour response, a 1.40 multiplier is used for all rates.

Overtime applies to billable weekday hours 9-12 or outside of 7:00am to 6:00pm. Double Time applies to billable weekday hours greater than 12, Saturday hours greater than 8, Sundays and holidays.

- Preparation, travel, and report writing time will be charged at the applicable rate (i.e., daily rates, overtime and double time) on a round trip basis with point of departure based on the location of the ABB Representative's office/service center.

3. Additional travel and living expenses include:	
Overnight stay	\$235 per day
Air Travel / Rental Car charges	Cost + 20%

**Notes:** Additional T&L charges may apply for high cost of living areas.

- Travel and living expenses outside the continental U.S.A., will be billed at a cost plus 20% minimum, or consult with your local ABB representative for a local per diem rate.
- Materials, subcontract labor and equipment if required will be provided at cost + 35%.
- All equipment is F.O.B. shipping point, seller's dock, with freight prepaid and charged 3% of material price (a minimum per shipment charge of \$100.00 shall apply). Seller reserves the right to select the method of transportation provided for all products unless specified by the client not less than 72 hours prior to shipment. Any premium transportation or required special handling is in addition and shall be for the account of the Buyer.
- Consult with local ABB office to determine applicable charges for other special tooling and/or test equipment or any taxes, fees or VAT that may be in addition to the above rates. Minimum daily billing of 8 hours for all services provided including standby time. A minimum order of \$500.00 shall apply for a parts/material only order.
- All rates are for hours worked, traveled, or on standby and are based on ABB's standard terms and conditions of sale. Price and data subject to change without notice. This quotation is not valid for PCB services, off shore or confined locations.
- Phone Support is a service provided on the phone by a Field Engineer for limited hardware and software troubleshooting services.
- Employee screening costs as required by the customer will be provided as follows:
 

Custom drug screen or background check	\$150
TWIC Card	\$300
BOSIET + HUET	\$2,500

All travel time to complete the screenings will be billed at the applicable hourly rate as set forth in 1 above plus expenses. All other specialty training will be billed at cost + 20%.
- All time to complete site specific training will be billed at the applicable hourly rate as set forth in 1 above plus expenses.
- A Critical Power Emergency Standby Retainer provides access to a qualified ABB Field Engineer at the customer site on the same day the need is identified by the customer. All time to support the emergency service, including travel to and from the customer site, will be billed at the applicable hourly rate as set forth in 1 above, however the 1.40 multiplier applied to work with less than 24hrs notice is waived.
- The Standard and Applicable rates shown on this sheet assume that services are being performed at a location that is not subject to a Location Premium which is an additional charge/rate that may be assessed for remote, inconvenient, confined or offshore work sites. Please contact ABB to see if a Location Premium applied to your location.

For more information contact your local ABB office or call our 24x7 customer service center at

**1-888-434-7378 or 540-387-8617** for legacy GE products

**1-800-HELP-365 (1-800-435-7365)** for legacy ABB products

## ***Certification of Single Source or Emergency Procurement***

Please use this form to certify a Single Source or Emergency Procurement complies with the requirements of the JEA Procurement Code. The JEA Procurement Code defines a Single Source and Emergency Procurement as follows:

### **3-112 Single Source**

A Contract may be awarded for Supplies or Services as a Single Source when, pursuant to the Operational Procedures, the Chief Procurement Officer determines that:

- (a) there is only one justifiable source for the required Supplies or Services; **Note: Please provide justification.**
- (b) the Supplies or Services must be a certain type, brand, make or manufacturer due to the criticality of the item or compatibility within a JEA utility system, and such Supplies or Services may not be obtained from multiple sources such as distributors; **Note: If this is a Single Source Standard or OEM, please provide proper backup documentation.**
- (c) the Services are a follow-up of Services that may only be done efficiently and effectively by the Vendor that rendered the initial Services to JEA, provided the Procurement of the initial Services was competitive;
- (d) at the conclusion of a Pilot Project under Section 3-118 of this Code, the Procurement of Supplies or Services tested during the Pilot Project, provided the Vendor was competitively selected for the Pilot Project.

### **3-113 Emergency Procurements**

In the event of an Emergency, the Chief Procurement Officer may make or authorize an Emergency Procurement, provided that Emergency Procurements shall be made with as much competition as practicable under the circumstances. A written Determination of the basis for the Emergency and for the selection of the particular Vendor shall be included in the Procurement file.

For purposes of this Section 3-113, an "Emergency" means any one of the following:

- (a) a reasonably unforeseen breakdown in machinery;
- (b) an interruption in the delivery of an essential governmental service or the development of a circumstance causing a threatened curtailment, diminution, or termination of an essential service;
- (c) the development of a dangerous condition causing an immediate danger to the public health, safety, or welfare or other substantial loss to JEA;
- (d) an immediate danger of loss of public or private property;
- (e) the opportunity to secure significant financial gain, to avoid delays to any Governmental Entity or avoid significant financial loss through immediate or timely action; or (f) a valid public emergency certified by the Chief Executive Officer.

#### **Please provide the following information:**

##### **Vendor Name:**

---

##### **Description of Services or Supplies provided by Vendor:**

---

---

---

**Certification:**

I the undersigned certify that to the best of my knowledge, no JEA employee has, either directly or indirectly, a financial interest in this Single Source Emergency Procurement, and

I the undersigned certify that this procurement meets the requirements of a (choose one of the following):

\_\_\_\_\_ **Single Source Procurement.** Please state which subsection of Section 3-112 above applies to this Single Source Procurement:

Is this Single Source also a Ratification?      Yes      No    If yes, explain

OR

\_\_\_\_\_ **Emergency Procurement** - Please state which subsection of Section 3-113 above applies to this Emergency

Is this Emergency also a Ratification?      Yes      No    If yes, explain

*Raynetta Curry Marshall*  
**Signature of JEA Business Unit Chief (or designee)**  
Raynetta Curry Marshall  
**Name of JEA Business Unit Chief (or designee)**

07/30/2024

**This certification shall be attached to the Purchase Order when it is routed for approval. A Single Source or Emergency Procurement shall be reported to the JEA Board in accordance with Section 1-110 of the JEA Procurement Code.**

## **Professional Engineering Services - Amendment No. 4 Scope and Fee**

June 28, 2024

Dear Mr. Llewellyn:

Mott MacDonald is pleased to submit an amendment proposal to provide assistance to the JEA for additional services necessary to assist the JEA in getting referenced Twin Creeks RW Storage Tank and Booster Pump Station project construction completed. As you know, the general contractor for the project was unable to complete the project and assistance was needed to assist the JEA with obtaining the certificate of completion and bringing the system on line. Back in December 2023, Mott MacDonald provided you with an estimate of the effort.

This amendment is for the efforts necessary to obtain the final certificate of completion which included multiple field inspections, additional start-up inspections and assessments followed by identification of all critical tasks necessary to bring the station on line.

In addition, the prime contractor abandoned the project prior to providing "as-built" surveys of the site/civil, stormwater, water, and sewer facilities. Mott MacDonald retained the services of SGC in order to obtain the needed "as-built" survey information in an expedited manner.

Attached you will find a breakdown of the additional fees for professional engineering services along with a copy of SGC's scope of services for the survey. The total additional lump sum fee is \$62,218.00 resulting in a new total contract value of \$1,173,779.00.

Mott MacDonald looks forward to continuing to work with JEA on this very important project. Should you have any questions or need additional information, please contact me at 850-596-6369.

Sincerely,

Mott MacDonald

Billy R. Perry

**RE:** Twin Creeks Reclaimed Water Survey As-Builts

Dear Mr. Perry,

SGC Surveying, LLC (SGC) is pleased to submit this proposal to Mott MacDonald, (Client) for professional surveying services in support of Client's Twin Creeks Reclaimed Water As-Built Survey (Project). This proposal is based on our knowledge and experience with similar projects. SGC has prepared this proposal based upon the following understanding, assumptions, and clarifications.

- This proposal has been prepared based on a Request for Proposal email received from Client on June 5, 2024 (RFP).
- All products developed will follow existing drawing standards set forth by the Client and the State of Florida Standards of Practice for surveying currently in effect.
- The project site is described in the aforementioned email. Said scope to include completing an as-built survey of the newly constructed drainage structures and inverts, buildings, concrete foundations, and roadway improvements.
- SGC understands above ground piping foundation will be sufficient for asbuilts and above and below ground piping will not be a part of this asbuilt survey.

---

SGC Engineering, LLC

8180 Pensacola Blvd Suite 214  
Pensacola, FL 32514  
800.581.4031

[www.sgcsurvey.com](http://www.sgcsurvey.com)

Following is a detailed Scope of Services, Additional Services, Schedule of Services, Fees for Services, Payment Terms and Contract Conditions. Please be advised this proposal is valid for thirty (30) days.

## 1.0 SCOPE OF SERVICES

---

### 1.1. As-Built Survey

- 1.1.1. SGC will perform an as-built survey for the area described above. SGC assumes a total four (4) mobilizations will be needed to complete this task.
- 1.1.2. SGC will be establishing control using GPS Static methods, or existing site control provided by client if available. Project and control will be in State Plane Coordinates Florida North NAD83 horizontal datum and NAVD88 vertical datum.
- 1.1.3. SGC will provide deliverables in the form of a 24" x 36" pdf and AutoCAD drawing showing as-built survey results and TIN surface can also be provided upon request.

## 2.0 ADDITIONAL SERVICES

---

SGC Engineering, LLC would be pleased to provide the services described below which are excluded from this agreement, for mutually agreed upon additional compensation.

- 2.1. In situations where survey crews are required to stand down because of inclement weather, construction delays, or other reasons, a maximum of eight hours per day will be charged. SGC has estimated this project based on the schedule provided and each day within the schedule being a workday. As such, if inclement weather hampers the ability to meet schedule, additional costs may be incurred to regain schedule.
- 2.2. Additional efforts outside the scope of work outlined.

### 3.0 SCHEDULE OF SERVICES

---

SGC acknowledges Client's interest in completing the scope of work discussed herein in a timely manner. SGC will work with the Client to develop a mutually acceptable. SGC also assumes CLIENT will provide SGC with all applicable requested CAD files prior to work beginning.

### 4.0 FEES OF SERVICES

---

SGC shall perform these services on a Lump sum basis for the amount of \$16,000.00.

### 5.0 PAYMENT

---

Invoices for services will be submitted monthly or upon completion of the survey, whichever is less. By the signing of this proposal, it is agreed and understood that payment will be made upon receipt of the invoice. The owner/client agrees to limit the liability of SGC, to the owner/client and to all construction contractors and subcontractors on the project arising from SGC's negligent acts, errors or omissions such that the total aggregate liability of SGC will not exceed the contract amount. It is further understood that any balances on this account remaining unpaid for a period of 30 days will incur a service charge of 1-1/2% per month (expressed as an annual percentage rate, the charge is 18%). It is further agreed that if said account is turned over for collection, reasonable attorney's fees and costs of collection shall be added to the unpaid balances, whether or not legal action is instituted.

SGC reserves the right to stop work on the project if invoices are not paid within 30 days of the date of the invoice. The parties to this contract specifically agree that SGC has no obligation to release drawings or other documents until the final bill for services has been paid.

## 6.0 GENERAL CONTRACT CONDITIONS

---

Work will be performed under the direct supervision of a Professional Surveyor & Mapper licensed in the State of Florida.

By signing this letter, you indicate your acceptance of the terms and conditions contained herein and you give us authorization to proceed with the scope of work indicated.

Thank you for this opportunity to be of service to you.

Very truly yours,  
SGC Surveying, LLC

Accepted and authorized to proceed:

**SGC ENGINEERING, LLC**  
**GENERAL CONTRACT CONDITIONS**

**A. Liability**

The Consultant's liability for any claim for damages, breach of contract, professional acts, errors or omissions, shall not exceed the Consultant's total fee for services rendered pursuant to this contract.

**B. Disputes**

All claims, disputes, and controversies arising out of or in relation to the performance, interpretation, application, or enforcement of this Contract, including but not limited to breach thereof, with the exception of non-payment for services performed, shall be referred to mediation under the then current Construction Industry Mediation Rules of the American Arbitration Association prior to any recourse to arbitration or judicial forum.

The Client and the Consultant agree to include the foregoing provision in any and all agreements with independent contractors and consultants retained for the project and to require all independent contractors and consultants to likewise include said provision in any and all agreements with subcontractors, sub consultants, suppliers, or fabricators so retained.

In the event the client makes a claim or brings action against the Consultant for any act arising out of the performance of this contract, and fails to win a judgment for such claim or action, either through arbitration or a court of law, then the client shall pay all legal and other reasonable costs incurred by the consultant in defense of such claim or action.

**C. Ownership of Documents**

All documents including original drawings, reports and copies thereof, produced as a result of this Contract, are instruments of service and shall remain the property of the Consultants.

The Client agrees that all such instruments of service furnished to the Client or its agents, that are not paid for, shall be returned to the Consultant upon demand and shall not be used by Client for any purpose whatever.

The Client may be furnished copies of said instruments of service and may make and retain copies for information and reference. However, such documents are not intended or represented to be suitable for reuse by Client or others. Any reuse is specifically prohibited without written consent of the Consultant.

**D. Standard of Care**

The Consultant will provide the services under the Contract in a manner consistent with the level of care and skill that is ordinarily exercised by members of the various professions involved and currently practicing under similar conditions. No other warranty, either express or implied is made with this agreement.

The Client recognizes that certain services may require decisions which are not based purely on science but rather on judgment and are based on the available information, taking into consideration the intended purpose of the work, environmental impacts, and the economics of the situation. The Consultant will be responsible for data, interpretations, and recommendations issued but shall not be responsible for the interpretation by others of the information developed.

**E. Safety**

The Consultant is responsible solely for its own and its employees' activities on any job site. The Client and its other consultants and contractors are solely responsible for maintaining a safe job site. Neither the professional activities of the consultant nor the presence of the consultant or its employees and sub consultants, on the job site shall be construed to imply that the Consultant has any responsibility for safety in or about the job site. The Consultant, its employees and sub consultants shall not have control over or charge of and shall not be responsible for construction means, methods, techniques, sequences or procedures, or for safety precautions and programs in connection with any work performed by others on a job site, since these are solely the responsibility of the Client and its contractor.

**F. Assigns**

The Client and the Consultants each binds itself and its successors, assigns, and legal representatives to each part to the Contract; provided nevertheless that neither the Client nor the Consultant shall assign, sublet or transfer any rights under or interest (including, but without limitation, moneys that may become or are due) in the contract without the written consent of the other party. Nothing contained in this paragraph shall prevent the Consultant from engaging such independent consultants, associates or subcontractors as it may deem appropriate to assist it with the performance of services hereunder.

**G. Termination**

This agreement may be terminated by either party upon seven (7) days written notice by mutual agreement, or in the event of a material failure by the other party to perform in accordance with the terms hereof. In the event of termination the Consultant shall be paid for all services performed and expenses incurred to the date of termination plus any expenses directly attributable to termination.

All invoices shall be paid within 30 days of the invoice date. If payment is not made within 5 business days after the due date the Consultant may terminate its services by written notice to Client under any and all purchase orders and agreements with Client.

**H. Amendments**

The Contract may be amended from time to time for the purpose of detailing additional work or changing scope including any special services required for the project. Each amendment should include a scope and estimated fee and shall be signed by representatives of both parties and may be done only in writing.

**I. Extent of Agreement**

This agreement including any attachments, exhibits and amendments, represents the entire and integrated agreement between the parties and supersedes all prior negotiations, representations, or agreements either written or verbal.

**J. Governing Law**

This agreement shall be governed by the laws of the State of Maine.

**K. Validity**

If any part of this agreement is found to be unenforceable all remaining provisions shall continue to be binding and valid and those unenforceable sections shall be interpreted to best reflect the intention of the parties.

**I. Payment**

Invoices for our services will be submitted monthly. It is agreed and understood that payment of invoices will be made on receipt. It is understood that you will limit the liability of SGC Engineering, LLC to you and to all contractors and consultants on the project arising from SGC Engineering, LLC's negligent acts, errors or omissions such that the total aggregate liability of SGC Engineering, LLC will not exceed the contract amount. It is further understood that any balances on this account remaining unpaid for a period of 30 days will incur a service charge of 1 ½ % per month (expressed as an annual percentage rate, the charge is 18%). It is further agreed that if said account is turned over for collection, reasonable attorney's fees and costs of collection shall be added to the unpaid balances, whether or not legal action is instituted.

SGC Engineering, LLC reserves the right to stop work on the project if invoices are not paid within 30 days of the date of the invoice. The parties to this contract specifically agree that SGC Engineering, LLC has no obligation to release drawings or other documents until the final bill for services has been paid.
