

Welcome to the

Awards Meeting

September 18, 2025, 10:00 AM EST

You have been joined to the meeting with your **audio muted** by default.

At the designated public comment time we will provide opportunity for you to unmute to speak.

During the meeting, public comments received via e-mail regarding any matter on the agenda for consideration will be read out. Per the Public Notice Agenda posted on JEA.com, public comments by e-mail must be received no later than 9:00 a.m. on the day of the meeting to be read during the public comment portion of the meeting.

Please contact **Camie Evers** by telephone at **(904) 832-3385** or by email at **everca@jea.com** if you experience any technical difficulties during the meeting.

JEA Awards Agenda September 18, 2025 225 North Pearl St., Jacksonville, FL 32202 - Hydrangea Room 1st Floor Teams Meeting Info Consent Agenda												
The Chief Procurement Officer offers the following items for the JEA Awards Consent Agenda. Any item may be moved from the Consent Agenda to the Regular Agenda by a committee member asking that the item be considered separately. All items on the Consent agenda have been approved by OGC, Budget and the Business Unit Vice President and Chief. The posting of this agenda serves as an official notice of JEA's intended decision for all recommended actions for Formal Purchases as defined by Section 3-101 of the JEA Procurement Code . Please refer to JEA's Procurement Code, if you wish to protest any of these items.												
Award #	Type of Award	Solicitation # & Short Description/Title	VP	Awardee	Funding Source	Business Unit Estimate	Award Amount	Original Award Amount	New Not-to-Exceed	Amendments	Term (Projected) Start Date - End Date	JSEB Participation (Y/N) If Y, then list company name(s) (% , \$ - awarded)
1	Minutes	Minutes from 09/11/2025 Meeting	N/A	N/A	N/A	N/A	N/A	N/A	N/A	N/A	N/A	N/A
2	Cost Participation	Wildlight - 2024-3443 Riverbluff Parkway Ph 2 & 3 - 1512	Zammataro	Wildlight, LLC	Capital	\$7,358,643.24	\$7,358,643.24	N/A	\$7,358,643.24	N/A	Project Completion Start: 09/01/2025 End: 11/30/2026	N/A
For additional information contact: David King This award request is for the Wildlight Developer and Utility Service Agreement, which includes JEA-reimbursable infrastructure to Wildlight, LLC. The project consists of a reclaimed water main, force main, and water main along the development spine road. These utilities are designed to serve future parcels within PDP-4, located north of Pages Dairy Road and west of Chester Road on the north side of SR 200. This project is developer driven, so all design and engineering were completed by the developer at their cost (no JEA funds for design). JEA Development has reviewed the plans submitted. Per the Developer Agreement, the Developer bid the project in accordance with JEA guidelines and the work has been awarded to the highest evaluated bidder. The project elements are comprised as follows: 11,580 feet of 16 inch Reclaimed water main (100%), 11,645 feet of 16 inch force main (100%), 3,450 feet of 16 inch water main (100%), and 8,130 feet of 20 inch water main (100%). The developer has followed JEA procurement directives by advertising and awarding to the highest evaluated bid. The solicitation was advertised on 03/12/2025, and a pre-bid meeting was held on 03/18/2025. Three addenda were issued during the course of the bid and the bid date was extended from 4/11/2025 to 4/18/2025. Two bidders attended the prebid meeting and two bids were received. Vallenecourt Construction Co., Inc. was the highest evaluated bid and was awarded the project. The bid is approximately 37% below the JEA estimate. The JEA estimate included the material, labor, and equipment. JEA is reimbursing in accordance with the Wildlight Developer and Utility Service Agreement and the bid amount is deemed reasonable.										N/A		
3	Cost Participation	2023-3409 Greenbriar BT1 - 1508	Zammataro	Greenbriar Community Development District	Capital	\$1,443,334.77	\$1,443,334.77	N/A	\$1,443,334.77	N/A	Project Completion Start: 09/01/2025 End 06/30/2026	N/A
Moved to Regular Agenda as Item 1												
4	Request for Proposal (RFP)	1412012050 General Substation Construction Services	Erixon	Reliable Substation Services, Inc.	Capital	\$2,000,000.00	\$1,383,945.00	N/A	\$1,383,945.00	N/A	Three (3) Years w/Two (2) 1-Yr. Renewals Start Date: 10/01/2025 End Date: 09/30/2028	N
Advertised: 07/16/2025 Opencal: 09/03/2025 Six (6) Bids Received: Electrical Engineering Enterprises Engtecnica USA, LLC National Electrical Engineering Consultants, LLC dba NEEC Phillips Heavy, Inc. (formerly Phillips & Jordan) Powerserve Technologies, Inc. Reliable Substation Services, Inc. Public Evaluation Meeting: 09/10/2025 For additional information contact: Lynn Rix This award request is to contract for general substation construction services for planned and emergency work. A mandatory pre-response meeting was attended by thirteen companies. Of those, six submitted formal responses. The remaining seven companies submitted "no bids," citing either current workload constraints or failure to meet the minimum qualification requirements. Following a thorough evaluation, Reliable Substation Services, Inc. (RSS) was identified as the highest-ranked respondent. RSS submitted the lowest bid at \$1,383,945.00, which is \$616,055.00 (36%) below the estimated budget of \$2 million. The second-lowest bid was \$286,510.45 (19%) higher than RSS's proposal. All other bids exceeded the internal estimate. The primary factor contributing to RSS's competitive pricing appears to be its ability to self-perform a larger portion of the work, minimizing the need for subcontractors.												
5	Contract Increase	1411294446 IFB Switchgear for Inventory Stock	Phillips	Gresco Supply, Inc.	Inventory	\$2,907,909.14	\$2,907,909.14	\$5,852,985.95	\$15,199,179.63	9/02/2025 - \$585,298.59	Three (3) Years w/Two (2) 1-Yr. Renewals Start Date: 08/15/2023 End Date: 08/16/2026	N
For additional information contact: Lynn Rix This award request seeks approval for a contract increase under JEA's existing agreement for 3-phase, padmount, dead front switchgear. Gresco, the sole approved distributor, has notified JEA of an upcoming average price increase of 2.52% on relevant products. This adjustment aligns with the contract's annual price escalation clause and is considered reasonable, given the current Consumer Price Index (CPI) of 2.7% over the past 12 months. To mitigate the financial impact, JEA requested and secured a three-week delay in the effective date of the new pricing. This delay enables the purchase of \$2,020,149.71 in switchgear for a targeted project replacing live front units with dead front units. As a result, JEA will realize a cost savings of \$58,959.24. The switchgear replacement project is a business and safety initiative that was already underway and prioritized after the contract was established. The additional requested increase of \$887,759.43 is based on past usage for new project installations, maintenance, and troubleshooting.												
6	Contract Increase	1411386246 IFB Hand and Power Tools for Inventory Stock	Phillips	Anixter, Inc. Certified Slings, LLC dba Bishop Lifting Ferguson Enterprises LLC Gresco Supply, Inc. Sid Tool Co., Inc. dba MSC Industrial Supply Co. Stuart C. Irby Company, LLC Valien Distribution, Inc.	Inventory	\$50,875.78	\$0.00 \$7,510.45 \$15,003.79 \$0.00 \$0.00 \$28,361.54 \$0.00	\$908,842.71 \$26,580.00 \$165,629.90 \$12,601.25 \$133,864.77 \$21,784.32 \$118,696.78	\$2,250,637.18 \$50,014.10 \$233,999.57 \$24,398.38 \$60,332.17 \$215,435.25	4/10/2025 - \$1,341,794.47 4/10/2025 - \$15,923.65 4/10/2025 - \$143,365.88 4/10/2025 - \$11,797.13 4/10/2025 - \$189,996.94 4/10/2025 - \$10,186.31 4/10/2025 - \$118,696.78	One (1) Year w/Two (2) 1-Yr. Renewals Start Date: 12/05/2023 End Date: 12/04/2026	N
For additional information contact: Lynn Rix This award request seeks to increase funding for three existing contracts that supply hand and power tools to JEA's Electrical and Water departments—covering 592 tools in total. The contracts, originally set for one year with two one-year renewals, have reached their final renewal term, with some increases already applied. The need for additional funds is primarily driven by higher-than-expected demand, not significant price increases, which has led to faster depletion of allocated funds. Based on current inventory forecasts (attached), an additional \$50,875.78 is needed to maintain supply through the contract expiration date of December 4, 2026. These contracts help reduce costs by locking in pricing and avoiding more expensive spot purchases.												

Consent Agenda Action												
Committee Members in Attendance	Names Ted Phillips, Garry Baker, Kim Wheeler											
Motion by:	Garry Baker											
Second By:	Kim Wheeler											
Committee Decision	Approved											
Regular Agenda												
Award #	Type of Award	Solicitation # & Short Description/Title	VP	Awardee	Award Amount	Business Unit Estimate	Original Award Amount	New Not-to-Exceed	Amendments	Term	JSEB Participation (Y/N) If Y, then list company name(s) (% , \$ - awarded)	Action
1	Cost Participation	2023-3409 Greenbriar BT1 - 1508	Zammataro	Greenbriar Community Development District	\$1,443,334.77	\$1,443,334.77	N/A	\$1,443,334.77	N/A	Project Completion Start: 09/01/2025 End 06/30/2026	N/A	Motion by: Garry Baker Second by: Kim Wheeler Committee Decision: Approved
	For additional information contact: David King This award request is for the Greenbriar Community Development District Cost Participation project, and includes JEA reimbursable water transmission main infrastructure. The project includes a 24" reclaimed water transmission main that JEA identified as a capital improvement to serve the south grid area. This project is developer driven, so all design and engineering were completed by the developer at their cost (no JEA funds for design). JEA Development has reviewed and approved the construction plan submittal. Per the Cost Participation Agreement, the Developer bid the project in accordance with JEA guidelines and the work has been awarded to the highest evaluated bid. The project elements are comprised as follows: Install 3,845 feet of 24" transmission reclaimed water main (100% JEA participation). The developer has followed JEA procurement directives by advertising and awarding to the highest evaluated bid. The solicitation was advertised on 09/18/24, and a pre-bid meeting was held on 09/24/24. Five bidders attended the pre-bid meeting and four bids were received. CW Matthews Contracting Co., Inc. was the lowest overall bid and highest evaluated bid and was awarded the project. The bid is approximately 33% below the JEA estimate. The JEA estimate included the material, labor, and equipment. JEA is reimbursing in accordance with the Cost Participation Policy and the bid amount is deemed reasonable.											
	DISCUSSION/ACTION: Ted Phillips asked for an explanation of how cost participation projects work and how we ensure the bidding is carried out in accordance with JEA procedures. Susan West responded that the Board adopted a policy in May 2022 under which these projects are governed. All of JEA's procurement standards are followed by the developer and JEA reviews all of the solicitation documents to ensure standards are met. Cost participation projects allow for efficiency and they eliminate design fees for JEA.

Consent Agenda

The Chief Procurement Officer offers the following items for the JEA Awards Consent Agenda. Any item may be moved from the Consent Agenda to the Regular Agenda by a committee member asking that the item be considered separately. **All items on the Consent agenda have been approved by OGC, Budget and the Business Unit Vice President and Chief.** The posting of this agenda serves as an official notice of JEA's intended decision for all recommended actions for **Formal Purchases** as defined by **Section 3-101 of the JEA Procurement Code**. Please refer to JEA's Procurement Code, if you wish to protest any of these items.

Award #	Type of Award	Solicitation # & Short Description/Title	VP	Awardee	Funding Source	Business Unit Estimate	Award Amount	Original Award Amount	New Not-to-Exceed	Amendments	Term (Projected) Start Date - End Date	JSEB Participation (Y/N) If Y, then list company name(s) (%), \$ - awarded)
1	Minutes	Minutes from 09/04/2025 Meeting	N/A	N/A	N/A	N/A	N/A	N/A	N/A	N/A	N/A	N/A
2	Invitation for Bid (IFB)	141200446 Townsend Boulevard Water Main Replacement	Zammataro	CMG Pipelines, Inc.	Capital	\$930,000.00	\$875,455.86	N/A	\$875,455.86	N/A	Project Completion Start Date: 10/01/2025 End Date: 09/30/2026	Y RZ Service Group, Inc. - \$54,448.81 M & M Construction Experts, LLC - 15,650.00
	Advertised: 07/02/2025 Opened: 08/26/2025 Two (2) Bids received CMG Pipelines, Inc. \$875,457.00 Murphy Pipeline Contractors, LLC \$1,057,461.53 For additional information contact: Darriel Brown This award request is for a new contract with CMG Pipelines, Inc. as the lowest bidder for the IFB for the Townsend Boulevard Water Main Replacement Project. The scope for this work involves replacing the aging asbestos cement water mains in the Alderman Park community, which have experienced repeated leaks and are near the end of their useful life. The new water distribution system will be installed using trenchless technology (stitch-moling), prohibiting open cut construction for long run. Construction will include installing nearly 1,900 linear feet of various new water mains and performing associated road and sidewalk restoration work. At the initial bid opening, only one response was received and procurement extended the due date for another week resulting in two bids. Other potential bidders declined to participate, citing an inability to meet the project requirements for directional drilling and stitch-moling. The bid amount is 6% below the business unit estimate. The business has reviewed and deems it reasonable.											
3	Contract Amendment / Contract Increase	Sourcewell Contract 110421-ALT: Digger derricks, bucket trucks, and utility equipment, Purchase of Class 212C 3T Bucket Truck Cut-Ins	Phillips	Altec Industries Inc.	Capital	\$1,267,450.00	\$1,267,450.00	\$1,270,710.00	\$2,538,160.00	N/A	One-Time Purchase in FY27 Start Date: 10/01/2026 End Date: 09/30/2027	N
	Collaborative Procurement Agency: Sourcewell, a State of Minnesota local government unit and service cooperative Contract #110421-ALT with Altec Industries Inc. Contract Term: Start Date 01/12/2022, through 12/27/2026 For additional information contact: Halley Stewart This contract increase request is for the purchase of five (5) additional Articulating Telescopic Aerial Device bucket truck cut-ins for JEA Fleet to be utilized for the Electric overhead group. JEA is utilizing the collaborative procurement contract with Sourcewell and Altec Industries Inc as provided in Section 3-115 of the Procurement Code. The trucks are being acquired to replace five (5) of the (21) FY22 Versalift aerial assets, which are undergoing a buyback due to unresolvable issues and contract termination. JEA is leveraging Sourcewell contract pricing as initiating a new bid process could interfere with ensuring delivery within FY27, when the necessary funds are available. A contract amendment is also being requested to lower the unit price for the five (5) trucks awarded in April 2025. Originally priced at \$254,142.00 each, the addition of five (5) more units qualifies JEA for an extra 0.5% supplier quantity discount on all ten trucks, resulting in a net savings of \$3,260.00. This discount is applied on top of the existing Sourcewell contract pricing, resulting in a new unit price of \$253,816.00 per truck. This contract increase to Altec Industries Inc is in the amount of \$1,267,450.00. Fleet has determined that the pricing is reasonable. Approval of this request includes the amendment to reduce the unit pricing for the April 2025 award and the increase for the addition of five (5) trucks, bringing the new total NTE to \$2,538,160.00 for (10) units.											
4	Invitation for Bid (IFB)	1412029046 Miscellaneous Electrical – Radio Parts for JEA Inventory	Phillips	U.S. Water Services Corp DBA BCI Technologies	Inventory	\$1,609,568.46	\$1,842,691.13	N/A	\$1,842,691.13	N/A	Four (4) Years w/Two (2) 1-Yr. Renewals Start Date: 10/01/2025 End Date: 09/30/2029	N
	Advertised: 08/11/2025 Opened: 08/29/2025 Three (3) Bids Received Advantage Contracting Group \$2,303,389.00 U.S. Water Services Corp. DBA BCI Technologies \$1,842,691.13 Wesco Distribution, Inc. \$2,039,470.54 For additional information contact: Lynn Rix This award request is for the procurement of miscellaneous electrical radio parts to support JEA's inventory needs. The purchase will be made under a new four-year contract set to expire on September 30, 2029, aligning with the termination date of the existing Miscellaneous Electrical Items contract. Moving forward, these radio parts will be included under that broader contract to streamline purchasing and inventory management. U.S. Water Services Corp, doing business as BCI Technologies, submitted the lowest responsible bid at \$1,842,691.13. While this amount is 13.5% (or \$233,122.67) higher than the business estimate, i.e. last price paid, it remains competitively priced—coming in 10% lower than the next closest bidder. Given current market conditions and comparative pricing, the bid is considered fair and reasonable.											
5	Invitation for Bid (IFB)	1412029646 Decorative Streetlight Poles POLCO040 and POLCO041	Phillips	Gresco Supply, Inc.	Inventory	\$1,260,242.54	\$1,084,592.01	N/A	\$1,084,592.01	N/A	Two (2) Years w/Two (2) 1-Yr. Renewals Start Date: 01/29/2026 End Date: 01/28/2028	N
	Advertised: 08/08/2025 Opened: 09/03/2025 Three (3) Bids Received Gresco Supply, Inc. \$1,084,592.01 Stuart C. Irbey Co., Inc. \$1,175,870.49 Wesco Distribution, Inc. \$1,087,855.05 For additional information contact: Lynn Rix This award request covers the procurement of decorative streetlight poles, specifically JEA IDs POLCO040 and POLCO041. Procurement received a spot buy request for 200 units of POLCO040, and in response, a strategic decision was made to place both pole types under contract to streamline future purchases and improve efficiency. This approach allows for better planning, pricing consistency, and alignment with broader infrastructure goals. The total award amount is \$1,084,592.01, which includes \$297,474.00 for the spot buy and \$787,118.01 under the contract. Gresco Supply, Inc. submitted the winning bid, coming in at \$175,650.53 (or 15%) below the internal business estimate. The bid was also highly competitive, with the next closest offer only \$3,263.04 higher. The contract is set for a two-year term and is aligned to expire on 1/28/2028, coinciding with the current Streetlight Materials contract. Going forward, these items will be incorporated into the larger streetlight materials bid process.

DEVELOPER AND UTILITY SERVICE AGREEMENT

[JEA UTILITY SERVICE - EAST NASSAU]

THIS DEVELOPER AND UTILITY SERVICE AGREEMENT ("**Agreement**") is made and entered into on June 27th, 2023 (the "**Effective Date**"), by and between the **WILDLIGHT LLC**, a Delaware limited liability company, whose address is 1 Rayonier Way, Wildlight, Florida 32097 (the "**Developer**"), and **JEA**, a body politic and corporate, whose address is 21 W. Church Street, Jacksonville, Florida 32202 (collectively, the "**Parties**" and each, a "**Party**").

RECITALS:

1. Developer is the developer of the real property located in Nassau County, Florida and shown on the attached **Exhibit "A"** (the "**Property**").
2. All or a majority of the Property is owned by Developer and Raydient LLC dba Raydient Places + Properties LLC, a Delaware limited liability company.
3. The Property will require water, sewer, and reclaimed water capacity as described and defined in this Agreement.
4. Developer and JEA desire to extend JEA's water, wastewater, and pressurized reclaimed water system to serve the Property (including, without limitation, the improvements conceptually shown on **Exhibits "B", "C" and "D"**) and to provide capacity in JEA's water and wastewater treatment plants and in JEA's reclaimed water facilities so that JEA can provide service to the Property.
5. Water, sewer, and reclaimed water capacity for the Property is outlined in the capacity and phasing schedule attached as **Exhibit "E"** (the "**Capacity and Phasing Schedule**") and shall be provided in the manner described below subject to the terms and conditions provided in this Agreement.
6. JEA is willing to expand JEA's utility system and to provide such service so that an adequate water and reclaimed water supply and wastewater disposal system may be provided to the Property and future occupants, subject to all of the terms and conditions of this Agreement.

NOW, THEREFORE, in consideration of the mutual undertakings and agreements contained in this Agreement and other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, the Parties hereby covenant and agree as follows:

1. **Recitals.** The above recitals are true and correct and form a material part of this Agreement.
2. **Definitions.** The parties agree that in construing this Agreement, the following words, phrases, and terms shall have the following meanings:
 - 2.1 "Agreement" means this Developer and Utility Service Agreement as it may be amended from time to time.
 - 2.2 "Capacity and Phasing Schedule" shall mean the time schedule for construction of water, sewer, and reclaimed water capacity for the Property as shown on **Exhibit "E."**

2.3 “Customer Installation” means all facilities on the customer’s side of the Point of Delivery.

2.4 “Developer” means Wildlight LLC, a Delaware limited liability company and its successors and assigns.

2.5 “District” means the East Nassau Stewardship District.

2.6 “Developer’s Engineer” means the Florida licensed, registered professional engineer selected by Developer or its successors and assigns from time to time.

2.7 “Developer’s Onsite Improvements” means the portion of the water, sewer, and reclaimed water facilities to be constructed by Developer, and/or its successors or assigns, at their expense, on the Property, consisting of all water, sewer, and reclaimed water facilities located on the Property that are not part of JEA’s Onsite Improvements, as defined below.

2.8 “Development Unit” means a part of the Property which is being or which is to be developed as platted property or as an unplatted Lot or Tract with a separate site plan and specific metes and bounds legal description.

2.9 “FDEP” means the Florida Department of Environmental Protection, an agency of the State of Florida, or any successor agency.

2.10 “FDOT means the Florida Department of Transportation.

2.11 “GPD” means gallons per day on an annual average basis.

2.12 “JEA’s Offsite Improvements” means the water, sewer, and reclaimed water facilities not located on or within the Property.

2.13 “JEA’s Onsite Improvements” means the water, sewer and reclaimed water improvements conceptually shown on the attached **Exhibits “B”, “C” and “D”**. The exact location of JEA’s Onsite Improvements shall be determined as development of the Property progresses.

2.14 “JEA’s System” means all water, sewer, and reclaimed water facilities and interests in real and personal property owned, operated, managed, or controlled by JEA now or in the future and used to provide water, sewer, and reclaimed water capacity to existing and future customers. The JEA System ultimately includes JEA’s Onsite and Offsite Improvements and Developer’s Onsite Improvements after acceptance by JEA.

2.15 “Lot or Tract” means each separate subdivided building site.

2.16 “Manuals” means JEA Rules and Regulations for Electric, Water and Sewer Services, JEA Water and Sewer Standards, Details and Materials Manual, and JEA’s Developer-Installed System Manual, as amended from time to time.

2.17 “Plans and Specifications” means those documents and drawings prepared by Developer’s Engineer and approved by JEA for the design and construction of certain water, sewer, and reclaimed water facilities.

2.18 “Point of Delivery” means the point where JEA’s service line is connected to the customer’s line and unless otherwise indicated by JEA, the Point of Delivery shall be at a point on the customer’s lot line.

2.19 “Property” is defined in the Recitals above.

2.20 “Reclaimed Water” or “Reuse Water” means wastewater that has been treated in accordance with the treatment and water quality requirements for reclaimed water for public access and residential irrigation established in Chapter 62-610, *Florida Administrative Code*, which will be provided by JEA at pressure to retail customers.

2.21 “SJRWMD” means the St. Johns River Water Management District.

2.22 “Sewage” or “Wastewater” means water-carried wastes from residences, business buildings, institutions, industrial establishments, and other customers of JEA’s System.

2.23 “Transmission mains” means Water mains and Reuse mains; all pipes 16” in diameter and greater; Sewer Gravity trunk mains 16” in diameter and greater; Sewer force mains; and all pipes 12” and greater.

2.24 “Water” means potable water meeting the applicable federal, state and local laws and regulations for human consumption, fire protection, irrigation and consumption by business and industry.

2.25 “Water and Sewer Capacity” and “Reclaimed Water Capacity” means the readiness and ability of JEA to furnish water, sewer, and reclaimed water service at pressure (at pressure ranges established by JEA for the applicable use) to each Lot or Tract in accordance with applicable governmental requirements and regulations. Capacity relating to water, sewer, and reclaimed water is typically expressed as a rate of water flow measured in GPD.

2.26 “Water and Sewer Capacity Charges” and “Reclaimed Water Capacity Charges” means the charges made by JEA for each new Customer Installation to JEA’s System, which are designed to defray the cost of JEA’s water and sewer facilities and reclaimed facilities which are consistent with JEA’s Uniform System of Rates and Charges.

2.27 “Water and Sewer Facilities and Reclaimed Water Facilities” means all facilities, including but not limited to, water plants, wells, pumps, treatment, production, transmission and distribution force mains, meters and other appurtenant facilities for the provision of piped water onto the Property and/or sewer plants, lift stations, treatment, disposal, transmission force mains, pumps and other appurtenant facilities to collect, transmit, treat, and dispose sewage from the Property and/or reclaimed water treatment, production, transmission and distribution force mains, meters and other appurtenant facilities for the provision of piped reclaimed water onto the Property.

3. Design and Construction of Water, Sewer, and Reclaimed Water Facilities.

3.1 Cost Participation. With respect to the water mains, reuse mains, and wastewater force mains along the principal and minor arterial and major collector roads as depicted in Exhibits B, C, and D, JEA shall pay the full construction costs in accordance with the terms and conditions of this Agreement. JEA shall have no obligation to pay any costs associated with the construction of any mains smaller than Transmission Mains within the Development.

3.2 Developer, or its designee shall design, in accordance with JEA standards, produce and submit to JEA for its review and written approval prior to construction, graphic plans and specifications for the construction of Developer’s Onsite Improvements and JEA’s Onsite Improvements. The Plans and Specifications may be limited to the improvements

necessary to serve only the first Development Unit or Development Units and Plans and Specifications for subsequent Development Units may be furnished from time to time for JEA's review and written approval prior to construction of subsequent Development Units. Each such Development Unit, however, shall conform to the Capacity and Phasing Schedule. Developer may modify the Capacity and Phasing Schedule only with the prior written consent of JEA, which consent shall not be unreasonably withheld

3.3 JEA shall review, and provide written approval or requests for modification, of any Plans and Specifications submitted pursuant to Subsection 3.2 above within 15 days after JEA receives the Plans and Specifications. Developer's Engineer shall make corrections or modifications to any portion of the Plans and Specifications which are in conflict with the manual and shall resubmit the corrected or modified Plans and Specifications to JEA for further review within 30 days.

3.4 Developer, or its designee is responsible for procurement of all applicable permits required for construction of Developer's Onsite Improvements and JEA's Onsite Improvements and will submit to JEA one copy of each permit issued for the project, e.g.: FDEP, SJRWMD, applicable FDOT, Nassau County right-of-way permits, railroad crossing approvals, etc.

3.5 After JEA's approval of the Plans and Specifications for any Development Unit or portion of Developer's Onsite Improvements, Developer shall, at its expense, construct and install that Development Unit or portion of Developer's Onsite Improvements as depicted in JEA-approved Plans and Specifications and in accordance with the Manuals. Developer shall comply with applicable governmental requirements. Prior to commencement of construction, Developer shall submit the construction bids or proposals to JEA. JEA shall have 30 days within which to accept or reject the bids or proposals. Once the bids or proposals have been approved, JEA shall be responsible for the cost of construction of JEA's Onsite Improvements. If all bids or proposals are unacceptable to JEA, JEA shall have the right to reject all such bids or proposals and construct the work itself. Unless JEA notifies Developer at the time of bid review with regard to any segment of JEA's Onsite Improvements that JEA desires to construct or contract independently in its own name for such portion of JEA's Onsite Improvements, then Developer shall contract for construction of JEA's Onsite Improvements in Developer's name at JEA's expense in accordance with the payment procedures set forth in Subsection 3.6 below. Developer shall cause its contractor to provide a payment and performance bond, for the benefit of JEA prior to commencement of construction. If the duty to construct any JEA Onsite Improvements is assigned to the District pursuant to Section 14.1 below, the District shall solicit bids for construction of improvements in accordance with Section 255.20, Florida Statutes, and any contractor awarded a contract shall be required to provide any bonds required pursuant to Section 255.20, Florida Statutes, for the benefit of JEA and the District prior to commencement of construction of such improvements.

3.6 Upon satisfactory review of the Developer's Application for Payment by JEA's construction inspector, JEA shall make a 50% progress payment on account of the contract price. This 50% payment shall be measured by the schedule of values or in the case of unit price work, based on the number of units completed.

3.6.1 JEA's maximum indebtedness for reimbursement of all fees, costs, expenses, and all other amounts payable under this Agreement shall be a fixed

monetary amount not-to-exceed One Hundred Sixty Million Dollars 00/100 (\$160,000,000). All amounts payable under this Agreement are contingent upon the existence of lawfully appropriated funds therefor. JEA shall seek such appropriations.

3.6.2 Final Payment - Upon satisfactory completion of the Work in accordance with the project close-out and acceptance process as stated herein, the Developer shall submit to JEA a request for final payment for the balance of the contract amount. Upon review and approval of JEA Project Manager, JEA will pay the balance of the lump sum contract price.

3.6.3 The Developer warrants and guarantees that title to all work, materials, and equipment covered by any Application for Payment whether incorporated in the Project or not, will pass to JEA no later than the time of payment free and clear of all liens, judgments, encumbrances and mortgages.

3.7 During construction of Developer's Onsite Improvements and JEA's Onsite Improvements, JEA's contract administration representative shall have the continuing right to inspect such installations to determine compliance with the Plans and Specifications. JEA shall have the right to control the quality of the installation and further, shall be entitled to perform standard tests for pressure, exfiltration, infiltration, line and grade, and all other normal engineering tests to determine if the system has been installed in accordance with the Plans and Specifications and good engineering practice, but it shall remain the responsibility of Developer's Engineer to certify that such construction by Developer complies with approved Plans and Specifications and applicable regulatory requirements.

3.8 Prior to acceptance of any portion of Developer's Onsite Improvements and JEA's Onsite Improvements for ownership, operation and maintenance by JEA, Developer shall, with respect to such improvements constructed or otherwise provided by Developer: (a) cause the conveyance, grant or dedication to JEA free and clear of all liens and any environmental or other fines or penalties, and subject only to such encumbrances as are subordinate to JEA's interest or do not otherwise unreasonably interfere with the easement rights granted to JEA, such easement or rights-of-way as are reasonably necessary for JEA to own, construct, operate, maintain, repair and replace Developer's Onsite Improvements and JEA's Onsite Improvements accepted by JEA; and (b) cause the transfer and conveyance, to the extent that the same are transferable, all permits, certificates, licenses, warranties and other approvals related to Developer's Onsite Improvements and JEA's Onsite Improvements and notify all governmental agencies of such transfer and conveyance as may be required by law. JEA shall review and approve or reject within 21 days after receipt, all documents submitted by Developer pursuant to this Subsection. JEA shall accept such documents which comply with the requirements of this Agreement.

3.9 Upon acceptance by JEA of any of Developer's Onsite Improvements or JEA's Onsite Improvements, the accepted improvements shall become a part of JEA's System and Developer shall surrender any Developer control of such improvements, and execute and deliver, or cause the execution and delivery, to JEA of all documents or instruments necessary for that purpose, including but not limited to, a bill of sale and a waiver and release of lien both in form customarily acceptable to JEA. If Developer shall fail or refuse to do so, then JEA shall be entitled to specifically enforce the provisions of this Subsection against Developer. JEA's

right to specific performance shall not limit JEA's right to any other remedy allowed by this Agreement or applicable law.

3.10 Developer shall be responsible for submitting all required documentation in form customary as established by JEA for acceptance of facilities constructed by Developer. Upon receiving this documentation, JEA will issue a utility acceptance letter and take on ownership, operation and maintenance authority of the installed Developer's Onsite Improvements and JEA's Onsite Improvements which shall then become a part of JEA's System. Developer's contractor will continue to be responsible for repairs and replacements required as covered by and described in the warranty made directly to JEA for customary warranty, as required by JEA.

4. Operation and Maintenance of Developer's Onsite Improvements. Upon acceptance and assumption of the responsibility for the operation and maintenance of Developer's Onsite Improvements, all customers connecting to those improvements shall be deemed customers of JEA's System and JEA shall set and collect all water, sewer, and reclaimed water rates, fees, charges and deposits, without exception, in accordance with its then current rate schedule. All property owners and customers must provide at their expense necessary individual service lines to the Point of Delivery, or JEA will provide such lines for a fee, as a condition precedent to receiving water, sewer, and reclaimed water service from JEA.

5. Grant of Easements. Developer shall grant or cause the grant to JEA, its successors and assigns, of the non-exclusive, perpetual right, privilege and easement to construct, reconstruct, operate, maintain, repair, replace, improve, alter, remove, relocate and inspect water and reclaimed water transmission and distribution mains, wastewater collection mains, pipelines, lateral lines, valves, connections and appurtenant equipment over, across and under any portion of the Property owned by Developer where the JEA System is located. Prior to JEA providing service to the Property, Developer shall execute or cause to be executed such grant or grants of easement in recordable form to be approved by JEA, specifically granting to JEA the above rights necessary, in the discretion of JEA, to provide water, reclaimed water, sewer, and wastewater utility service to the Property. Nothing contained in this Agreement shall prevent Developer (or the applicable owner of easement parcel) from granting exclusive or non-exclusive rights, privileges or easements to any other parties for furnishing utility services other than water, reclaimed water or wastewater, provided that JEA's use, occupancy and enjoyment of its easements shall be maintained so as to allow JEA to provide the utility service contemplated under this Agreement. JEA shall not be obligated to furnish any water, reclaimed water or wastewater service to any building which may be built on the Property to which it does not have access. All easements granted to JEA pursuant to this Agreement shall be non-exclusive and shall reserve to Developer or the applicable grantor all uses of the surface and subsurface areas that do not unreasonably interfere with JEA's installations.

6. Plant Site. To the extent necessary to provide service for the Property, JEA shall acquire title to that certain plant parcel as generally depicted on **Exhibit "B"** attached hereto (the "**Plant Site**"). JEA acknowledges that the location of the Plant Site is conceptual and that the location and configuration of the Plant Site may change from time to time. Such conveyance shall be made by special warranty deed, free and clear of all liens, claims, or encumbrances that would materially interfere with JEA's use of the Plant Site, and shall restrict use of the Plant Site to providing utility services for the Property. JEA acknowledges that the Plant Site may be

conveyed by a Developer as grantor. JEA shall pay to the applicable owner of the Plant Site at the closing of such conveyance the fair market value of the Plant Site as determined by an appraisal prepared by an MAI appraiser selected by JEA and mutually acceptable to JEA and the seller of the Plant Site. The cost of the appraisal, survey, title insurance, applicable taxes, recording costs, and any other closing costs related to the conveyance of the Plant Site shall be the obligation of JEA and the applicable owner of the Plant Site, to be paid one-half by JEA and one-half by the applicable owner of the Plant Site.

7. Rates, Fees, and Charges. All water, reclaimed water, and sewer service shall be provided to the Property at applicable rates, fees and charges in accordance with JEA's Water and Sewer Rate Document, latest edition (or similar successor document), as amended from time to time. Notwithstanding any provision in this Agreement, JEA may establish, amend, revise and enforce, from time to time in the future, its rates, fees and charges provided that such rates, fees and charges (including, but not limited to, all Water and Sewer Capacity Charges and Reclaimed Water Capacity Charges), and deposits are uniformly applied to customers in its service area and are non-discriminatory as applied to the same classification of service. JEA may establish, amend, or revise, from time to time in the future, and enforce rules and regulations covering Water and Sewer Capacity and Reclaimed Water Capacity to the Property. Any initial or future lower or increased rate, rates schedules, capacity charges (including, but not limited to, all Water and Sewer Capacity Charges and Reclaimed Water Capacity Charges) or other fees and charges, and rules and regulations established, amended or revised and enforced by JEA from time to time in the future, shall be applicable to the user or customer of the Property on a nondiscriminatory basis with other users or customers in its service area.

8. Capacity and Phasing Schedule. The original Capacity and Phasing schedule shown on **Exhibit "D"** is intended for planning purposes. The schedule shall be updated annually with the actual number of connections and an updated forecast for future growth. The schedule will be utilized by JEA for water, sewer and Reclaimed Capacity Planning and compliance with Section 9 of this agreement.

9. Allocation and Provision of Water and Sewer Capacity and Reclaimed Water Capacity.

9.1 Subject to Developer's compliance with the terms and conditions of this Agreement, JEA will provide Water and Sewer Capacity and Reclaimed Water Capacity necessary to serve the Property as requested by Developer pursuant to the Service Notice to JEA, in the amount necessary to serve the Property as set forth in the Capacity and Phasing Schedule.

9.2 After the completed conveyance of Developer's Onsite Improvements and JEA's Onsite Improvements to JEA, after payment of applicable rates, fees and charges, after the physical connection of a given Customer Installation to JEA's System, and after payment of all Water and Sewer Capacity Charges and Reclaimed Water Capacity Charges for the Customer Installation, JEA shall provide water, reclaimed water, and sewer service to said Customer Installation in accordance with the terms and conditions of this Agreement and in accordance with the Capacity and Phasing Schedule.

9.3 JEA shall, at its expense, design, permit and construct (including acquisition of any necessary land and easements) the JEA Offsite Improvements so as to supply

for all Water and Sewer Capacity and Reclaimed Water Capacity to the Property consistent with the requirements of this Agreement.

9.4 Notwithstanding anything to the contrary contained in this Agreement, the Parties recognize that the Parties may be required to obtain approvals from various environmental regulatory authorities having jurisdiction and regulatory power over the construction, maintenance and operation of the Water and Sewer Facilities and Reclaimed Water Facilities before JEA can render service to the Property. Each Party will diligently and earnestly make the necessary and proper application to all such authorities and will use its good faith reasonable efforts to obtain such approvals for that parties' own improvements. Applications for the approval of Plans and Specifications shall be forwarded by Developer's Engineer to the applicable regulatory authorities subsequent to JEA's approval of such Plans and Specifications.

10. Incorporation of Laws, Rules, and Policies. This Agreement shall be read in conjunction with and shall be subject to all existing and future federal, state and local laws, rules and policies applicable to water and sewer utilities in any manner or form, and all existing and future JEA rules, policies, and service provisions, applied in a non-discriminatory basis.

11. Covenant not to Engage in Utility Business. Developer, as a further consideration for this Agreement, agrees that so long as this Agreement remains in effect and JEA provides the water, reclaimed water, and sewer capacity for the Property in accordance with the terms of this Agreement, Developer shall not engage in the business of providing water, reclaimed water, or sewer capacity to the Property, it being the intention of the Parties that the foregoing provision shall be a covenant running with the land and it being intended that JEA shall have the sole and exclusive right and privilege to provide Water and Sewer Capacity and Reclaimed Water Capacity to the Property and to the occupants of each residence, building or unit constructed on the Property so long as this Agreement remains in full force and effect and JEA is not in default under this Agreement.

12. Limitations on Liability.

12.1 Each Party shall be an independent contractor, and neither shall be an agent of the other.

12.2 Neither Party shall be liable or responsible to the other Party as a result of injury to property or person or failure to comply with the terms of this Agreement proximately caused by force majeure. The term "force majeure" as employed in this Agreement shall be acts of God, strikes, lock-outs, or other industrial disturbances, acts of public enemy, wars, blockades, riots, acts of armed forces, epidemics, pandemics, delays by carriers, and the inability to obtain materials or right-of-way on reasonable terms, acts of public authorities, acts of vandals or other third parties, or any other causes whether or not of the same kind as enumerated herein that are not within the reasonable control of the Parties, provided that lack of funds or inadequate funding shall not be "force majeure".

12.3 This Agreement is solely for the benefit of and shall be binding on the Parties and their respective authorized successors and assigns and no right or cause of action shall accrue by reason of this Agreement to or for the benefit of any third party not a party to this Agreement or any unauthorized successor or assignee. Notwithstanding the foregoing, the Developer and their successors and assigns, are entitled to Water and Sewer Capacity and Reclaimed Water Capacity under this Agreement under the same terms and conditions of this

Agreement. Notwithstanding anything in this Agreement to the contrary, upon prior notice to JEA, the Developer may assign its rights under this Agreement, including, without limitation, to purchasers, tenants, or prospective purchasers or prospective tenants, of portions of the Property.

12.4 Nothing in this Section shall be interpreted as waiving or abrogating either Party's right of sovereign immunity pursuant to Section 768.28, *Florida Statutes* or any successor statute.

13. Default and Remedies. In the event of a breach of this Agreement by one Party, the other Party shall have all rights and remedies available at law or in equity. As to any material breach by either Party under this Agreement, the breaching Party shall proceed in good faith to use all reasonable action to cure such breach. In the event the breaching Party fails to cure, the non-breaching Party may proceed at law or in equity to enforce its rights under this Agreement, including the right to specific performance and mandamus or to terminate this Agreement and recover damages. Each of the Parties to this Agreement shall give the other Party written notice of any defaults under this Agreement and shall allow the defaulting Party 30 days from the date of its receipt of such notice within which to cure any such defaults.

14. Notice. Any notices required or allowed to be delivered under this Agreement shall be in writing and shall be deemed to be delivered when (1) hand delivered to the official designated below, or (2) upon such receipt of such notice when deposited in the United States Mail, Postage Prepaid, Certified Mail, Return Receipt Requested, addressed to a Party at the address set forth under the Parties name below or at such other address as the Party shall have specified by written notice to the other Party delivered in accordance with this Agreement:

14. Assignments.

14.1 The rights and interests of Developer under this Agreement may be assigned, in whole or in part, to any person or entity who owns or acquires the Property or any portion of the Property, provided (i) JEA is notified in writing of such assignment, and (ii) such assignee assumes all of Developer's liabilities and responsibilities under this Agreement as to the portion of the Property conveyed to such assignee and agrees as a condition to service hereunder, to obtain or cause to be obtained any easements or rights of way over and upon any portion of the Property as may be required under Sections 3.8 and 5 above to serve the portion of the Property conveyed to such assignee. Notwithstanding and in addition to the foregoing, the Developer may assign rights and obligations under this Agreement to the District. Upon any such permitted assignment under this Section 14.1, Developer shall be released from the obligations hereunder assumed by such permitted assignee, it being intended that upon assumption of obligations by any permitted assignee(s) this Agreement shall be several independent agreements between JEA and such permitted assignees.

14.2 JEA shall have the right to assign or transfer this Agreement or the rights and responsibilities contained in this Agreement to Nassau County or any properly authorized commission, authority, corporation, or other public or private person, firm, or entity who acquires all or substantially all of the assets of JEA in the County.

15. Binding Agreement on Successors. This Agreement shall be binding upon and shall inure to the benefit of Developer, JEA, their respective successors and assigns, including, without limitation, any entity that assumes the right and responsibility to provide water and sewer service to the Property. For purposes of clarity, this Agreement does not run with title to any land and nothing in this Agreement shall constitute a lien or encumbrance or otherwise affect title to any land.

16. Recordation. The parties agree that an executed copy of this Agreement and exhibits shall be recorded in the public records of Nassau County, Florida.

17. Applicable Law and Venue. This Agreement and the provisions contained in this Agreement shall be construed, controlled and interpreted according to the laws of the State of Florida. Litigation involving this Agreement shall take place in the state or federal courts located in Jacksonville, Duval County, Florida.

18. Time of the Essence. Time is of the essence of this Agreement.

19. Representations and Warranties. Developer makes the following representations: (1) Developer is a limited liability company duly organized, validly existing, and in good standing in the State of Delaware, is authorized to do business in the State and has the power and authority to enter into and fully perform this Agreement; (2) all necessary action on the part of Developer to authorize execution and delivery of this Agreement and the performance of its obligations under this Agreement have been duly taken and, assuming due authorization, execution and delivery by JEA, this Agreement shall be valid and enforceable against Developer in accordance with its terms; and (3) to the best of Developer's knowledge and belief after due inquiry, the terms and conditions of this Agreement do not violate the provisions of any applicable law or any applicable order or regulation of any government authority having jurisdiction over Developer and compliance with this Agreement will not violate the terms and conditions of any agreement or instrument to which Developer is a party. JEA makes the following representations: (1) JEA is a duly organized and validly existing body corporate and politic of the State of Florida and JEA has full power and authority to enter into the transactions contemplated by this Agreement; (2) to the best of its knowledge and belief after due inquiry, JEA is not in default under any provisions of the laws of the State of Florida material to the performance of its obligations under this Agreement; (3) JEA has duly authorized the execution and delivery of this Agreement and, assuming the due authorization, execution and delivery of this Agreement by the other Party, this Agreement constitutes a valid and legally binding obligation of JEA enforceable in accordance with its terms; and (4) to the best of JEA's knowledge and belief after due inquiry, the terms and conditions of this Agreement do not violate the provisions of any applicable law or any provision of the constitution of the State of Florida.

20. County Interlocal Agreement. JEA and Nassau County are parties to that certain Nassau County/JEA Water and Wastewater Interlocal Agreement dated December 17, 2001, as amended and as may be amended (collectively, the "**Interlocal Agreement**"). If the County and JEA enter into any negotiations or discussions for JEA to sell its utility facilities in Nassau County to the County pursuant to the Interlocal Agreement, then in connection with such transaction JEA shall use good faith efforts to cause the County to assume JEA's rights and obligations under this Agreement accruing from and after any such acquisition by the County. If the County does not agree to assume such obligations and the County thereafter acquires all of JEA's utility facilities in Nassau County and assumes JEA's service obligations as to the Property pursuant to the Interlocal Agreement, then either Party shall have the right to terminate this Agreement by written notice to the other, whereupon neither Party shall have any further rights or obligations under this Agreement from and after such termination (other than payment by JEA of any amounts which may be or become due to Developer or its assignees under this Agreement as to any utility improvements constructed or under construction by the Developer or its assignees as of the date of termination, which shall specifically survive termination of this

Agreement). For purposes of clarity, no termination of this Agreement shall relieve Nassau County from any utility service obligations to the Property that may exist under any other agreements or under applicable law.

[Signatures commence on following page]

IN WITNESS WHEREOF, Developer and JEA have executed or caused this Agreement with the named exhibits attached, to be duly executed in counterparts, each of which shall be considered an original executed copy of this Agreement, the day and year set forth above.

**INTERLOCAL AGREEMENT FOR
CONSTRUCTION AND REIMBURSEMENT OF COSTS FOR RECLAIMED WATER PIPE**

THIS INTERLOCAL AGREEMENT ("Agreement"), made and entered into this 12th day of June, 2025 by and between the Greenbriar Community Development District, a special-purpose unit of local government, established under Chapter 190, Florida Statutes, whose mailing address is c/o Wrathell, Hunt & Associates, LLC, 4300 Glades Road, Suite 410W, Boca Raton, Florida 33431 (hereinafter called "District"), and JEA, whose address is 225 N Pearl Street, Jacksonville, Florida 32202 (hereinafter called "JEA").

RECITALS

WHEREAS, District is facilitating the development of public infrastructure in St. Johns County, Florida, and such activities include the widening of Greenbriar Road ("Greenbriar Road Widening Project"); and

WHEREAS, as a part of the Greenbriar Road Widening Project, JEA has requested District install a twenty-four inch (24") ductile iron reclaimed water line that runs along the north side of Greenbriar Road for approximately 3,800 linear feet (the "Pipe," which is a planned component of "JEA's Utility System") on property owned by St Johns County; and

WHEREAS, in order to facilitate the timely completion of the Pipe, District and JEA wish to set forth the terms and conditions for JEA's reimbursement of the costs of the installation of the Pipe; and

WHEREAS, it is in the mutual interest of JEA and District to establish intergovernmental relations that encourage, promote and improve the coordination, overall effectiveness and efficiency of governmental activities and services; and

WHEREAS, JEA and District desire to exercise jointly their common powers and authority concerning the cost effective financing of the acquisition and construction of the infrastructure, public improvements and community facilities; the avoidance of inefficiencies caused by the unnecessary duplication of services and facilities; and the clarification of responsibilities, obligations, duties, powers, and liabilities of each of the governmental bodies; and

WHEREAS, Section 163.01, Florida Statutes, known as the "Florida Interlocal Cooperation Act of 1969" (hereinafter, the "Cooperation Act"), permits local governmental units to make the most efficient use of their powers by enabling them to cooperate with other localities on a basis of mutual advantage and thereby to provide services and facilities in a manner and pursuant to forms of governmental organization that will accord best with geographic, economic, population, and other factors influencing the needs and development of local communities; and

WHEREAS, JEA and District desire to enter into this Agreement finding it to be necessary, proper, and convenient to the exercise of their powers, duties and purposes authorized by law.

NOW, THEREFORE, in consideration of the mutual undertakings and agreements herein contained and assumed, and other good and valuable consideration, receipt of which is hereby acknowledged, District and JEA hereby covenant and agree as follows:

1. Effect of Recitals. The above recitals are incorporated into the body of this Agreement and are adopted as findings of fact.
2. Term. The term of this Agreement shall begin upon execution by both parties (the "Effective Date") and shall end upon acceptance by JEA of the Pipe unless earlier terminated as provided herein, but in no event shall the term of this Agreement exceed five (5) years from the Effective Date. Notwithstanding anything to the contrary herein, JEA may, in its sole discretion, extend the term of this Agreement for a period not to exceed one year if such extension is necessary to complete the Pipe, so long as District is making progress toward completion.
3. Conveyance of the Pipe. District shall, in accordance with the terms of this Agreement, (i) complete the Pipe on or before May 1, 2030 and (ii) cause to be conveyed to JEA, free and clear of all encumbrances, the Pipe in consideration for the payment by JEA to District of the lump sum price of One Million, Four Hundred Forty-Three Thousand Three Hundred Thirty-Four Dollars and Seventy-Seven Cents (\$1,443,334.77) ("Contract Price"), which sum represents the costs of the Pipe procurement and installation. District previously submitted to JEA engineering plans and specifications for the Pipe prepared by District's engineer and at District's cost, which plans, and specifications have already been approved by JEA. Said plans and specifications comply with the JEA Water and Wastewater standards in effect at the time the plans and specifications were submitted to JEA. All construction of the Pipe shall be done by District at District's cost pursuant to JEA's Cost Participation Policy and Procurement Code, and shall be consistent with JEA's Water and Wastewater Standards. Following conveyance by District, and acceptance by JEA, the Pipe, additions, repairs and replacements thereto shall at all times remain the sole, complete and exclusive property of and under the control of JEA, and District shall have no right or claim in and to the Pipe.
4. Contractor Selection. District has procured a contract with C. W. Matthews Construction Co., Inc. ("Contractor") to install the Pipe in compliance with the applicable, material provisions of the JEA Procurement Code and Cost Participation Policy. JEA consents to Contractor selected by District and waives any right to object to the

selection process and resulting selection of Contractor by District. [JEA further consents to District's direct purchasing of materials specified in the contract with Contractor if such will reduce the costs of the Pipe installation, through sales tax savings or otherwise.]

5. Plans. Prior to commencement of construction, District shall submit construction plans to JEA that include, at a minimum, a route survey depicting all improvements located in rights-of-way and/or dedicated easements, including, but not limited to, roads, driveways, landscaping, right-of-way boundaries, easements, and existing utilities. JEA will review said plans for constructability, hydraulic efficiency and conformity with JEA specifications. *Soft digs and geotechnical surveys may be required and will be determined during the plan review phase.* Upon satisfactory completion of the aforementioned plan review process, a minimum of five (5) sets of signed and sealed engineering plans must be submitted to JEA Environmental Services for Florida Department of Environmental Protection ("FDEP") permit processing. Once construction has commenced, District may not modify construction plans without JEA's written approval, which shall not be unreasonably withheld.

6. Performance Bond. District shall not begin construction on the Pipe until Contractor has posted a performance bond in a form acceptable to JEA guaranteeing completion of the Pipe.

7. Permits. District shall be responsible for procurement of all applicable permits and will submit to JEA one (1) copy of each permit issued for the project (e.g.: applicable FDEP, St. Johns River Water Management District, Florida Department of Transportation, and St. Johns County right-of-way permits, railroad crossing, etc.). JEA reserves the right to withhold funding until all applicable permits have been obtained.

8. Contract Price. The Contract Price constitutes the total lump sum compensation payable to District under this Agreement. All duties, responsibilities and obligations assigned to or undertaken by District shall be at District's expense without change in the Contract Price except as stated herein. Should District make any changes to the design, plans and/or specifications after receiving JEA's approval under Section 5 above, any additional costs associated with these changes shall be the responsibility of District. Should circumstances be found by the awarded contractor which were not included in District's design, plan and specifications and result in additional costs to the awarded contractor, these additional costs shall be the sole responsibility of JEA. Should JEA request a change in the design, plans and/or specifications after receiving JEA's approval under Section 5 above, any additional costs associated with these changes shall be the responsibility of JEA. JEA approval of any modification of construction plans is solely for the purposes of confirming that such modification is consistent with applicable JEA Water and Wastewater Standards and does not constitute consent on the part of JEA for assumption of additional costs associated with such modification except as stated herein.

9. District's Representative. District is responsible for management of the construction phases of the project and will appoint a qualified professional engineer ("Engineer") licensed in the State of Florida as its project

representative during the construction period. Engineer will make visits to the site at intervals appropriate to the various stages of construction as Engineer deems necessary in order to observe as an experienced and qualified design professional the progress that has been made and the quality of the various aspects of Contractor's executed work. Based on information obtained during such visits and observations, Engineer will endeavor on the behalf of District to determine, in general, if the work is proceeding in accordance with the plans described in Section 3 of this Agreement, any document described on Exhibit A, as described in Section 5 of this Agreement, and the construction contract for the Pipe.

10. Project Close-out and Acceptance. Project close-out shall occur when District has made satisfactory completion of the construction and acceptance processes as stated herein and in Exhibit A titled, "JEA Project Checklist" and likewise satisfied the terms of this Agreement in full.

11. Payment Procedures. Upon satisfactory review of Contractor's Applications for Payment by JEA's construction inspector, JEA shall make a 50 percent progress payment to District on account of the Contract Price. This 50 percent payment shall be measured by the schedule of values or in the case of unit price work, based on the number of units completed.

(a) Final Payment - Upon satisfactory completion of the Work in accordance with the project close-out and acceptance process as stated in Section 10 herein, District shall submit to JEA a request for final payment for the balance of the contract amount. Upon review and approval of JEA Project Manager, JEA will pay the balance of the lump sum contract price.

(b) District warrants and guarantees that title to all work, materials, and equipment covered by any Application for Payment whether incorporated in the Pipe or not, will pass to JEA no later than the time of payment free and clear of all liens, judgments, encumbrances and mortgages.

12. Indemnification and Hold Harmless Provisions. In special consideration of the work herein described, the sufficiency of which is hereby acknowledged, District hereby agrees as follows:

District, its successors, and assigns shall indemnify JEA, its officers, commissioners, council members, employees and agents from and against any and all losses, penalties, damages, settlements, costs, charges, professional fees, including a reasonable, actually incurred, attorney's fee or other expenses or liabilities, of every kind and character resulting from any negligent act of District in the performance of its obligations under this Agreement. However, nothing in this Agreement shall constitute or be construed as a waiver of JEA's or District's sovereign immunity pursuant to Section 768.28, Florida Statutes, or other law, and nothing in the Agreement shall inure to the benefit of any third party for the purpose of allowing any claim which would otherwise be barred under the Doctrine of Sovereign Immunity or by operation of law.

13. District's Right to Connect. Provided that District has complied with the terms of this Agreement and provided that the Pipe is installed with the approval of JEA and in compliance with the requirements of all public,

governmental or other agencies having supervision, regulation, direction or control of such water and wastewater utility systems, JEA shall allow District to connect to the Pipe and into JEA's Utility System.

14. Contract Administration. District shall be responsible for administering all aspects of the construction contract for the installation of the Pipe, including, but not limited to, review and processing of invoices and other contract documents, review and resolution of technical issues (whether foreseen or unforeseen) that arise during construction, and facilitating project close-out upon completion of construction. District shall be responsible for all costs associated with said contract administration. It shall also be District's responsibility to coordinate construction schedules of its contractors.

15. Force Majeure. Neither party shall be liable or responsible to the other party as a result of injury to property or person, or failure to comply with the terms hereof, proximately caused by Force Majeure. The term "Force Majeure" as employed herein shall be acts of God, strikes, lockouts, or other industrial disturbances, acts of public enemy, wars, blockades, riots, acts of Armed Forces, epidemics, delays by carriers, inability to obtain materials or right-of-way on reasonable terms, acts of public authorities, acts of vandals or other third parties, weather delays caused by hurricanes and other natural disasters, or any other causes whether or not of the same kind as enumerated herein which are beyond the control of the party claiming force majeure and qualify under Florida's impossibility of performance principles.

16. Approval by Governmental Agencies. JEA's obligations under this Agreement are contingent upon District obtaining all necessary approvals for the Pipe from all applicable governmental agencies. District hereby assumes the risk of loss as a result of the denial or withdrawal of the approval of any concerned governmental agency.

17. No Prohibition of Further Extension. This Agreement shall not prohibit or prevent JEA from extending JEA's utility system in or to areas not referred to herein to serve other developers or consumers; provided, however, such extension of utility service shall not cause the Pipe to become overloaded and shall not adversely affect the reservation of capacity.

18. Insurance. District shall not commence work under this Agreement until Contractor has obtained insurance in the types and amounts set forth in Exhibit B, attached hereto and incorporated herein, and provided JEA with Certificates of Insurance naming JEA as additional insured.

19. Miscellaneous.

(a) This Agreement supersedes all previous agreements or representations either verbal or written heretofore in effect between District and JEA and made with respect to the matters contained herein, and when duly executed constitutes the complete Agreement between District and JEA. Any amendment to this Agreement shall be in writing and executed by the fully authorized representatives of District and JEA.

(b) District is an independent contractor in the performance of all activities under this Agreement.

Nothing in this Agreement shall be construed to create an employment, agency, or partnership relationship between District and JEA.

- (c) No third-party beneficiary status or interest is conveyed to any third party by this Agreement.
- (d) Except as provided herein, neither District nor JEA shall assign, transfer, or sell any of the rights created under, or associated with, this Agreement without the express written consent of the non-assigning party, which consent shall not be unreasonably withheld.
- (e) District shall maintain records sufficient to document completion of the work performed under this Agreement. Upon JEA's request, District shall allow JEA to audit its financial and operating records for the purpose of determining invoice accuracy or otherwise assessing compliance with this Agreement. District agrees to allow JEA personnel or their qualified representative access such records at District's offices upon reasonable notice. All audit work will be done on District's premises, and no District documentation will be removed from District's offices. District agrees to have knowledgeable personnel available to answer questions for the auditors during the time the auditors are at District's offices and for a period of two weeks thereafter. District shall provide to JEA audited financial statements for the most recent fiscal year for which an audit has been completed upon JEA's request no later than five days after receipt of written request from JEA.
- (f) This Agreement was made and executed in St. Johns County, Florida, and shall be interpreted and construed according to the laws of the State of Florida. Litigation involving this Agreement, or any provision thereof shall take place in the State or Federal Courts located in St. Johns County, Florida.
- (g) Should any provision of the Agreement be determined by the courts to be illegal or in conflict with any law of the State of Florida, the validity of the remaining provisions will not be impaired.
- (h) The headings used in the paragraphs of this Agreement are solely for the convenience of the parties and the parties agree that they shall be disregarded in the construction of this Agreement.
- (i) This Agreement shall inure to and be binding upon the heirs, successors and assigns of the parties hereto.
- (j) JEA and District Board of Supervisors hereby authorize and direct, after execution of this Agreement by the duly qualified and authorized officers of each of the parties hereto, that this Agreement be filed with the Clerk of the Circuit Court of St. Johns County, Florida, in accordance with the requirements of Section 163.01(11) of the Cooperation Act.

[REMAINDER OF PAGE INTENTIONALLY LEFT BLANK]

IN WITNESS WHEREOF, the parties hereto have duly executed this contract, in duplicate, the date and year first above written.

_____ **Record of Final Inspection:** Final inspection record should indicate attendees and deficiencies noted. The original with Project Engineer/Inspector's Certification that all punch-list items have been satisfied.

Please submit all applicable documents for final utility acceptance and service.

Revised 1/3/2019

Exhibit B.

Insurance

Requirements

Before starting and until acceptance of the Work by JEA, and without further limiting its liability under the Contract, District shall require Contractor to procure and maintain, insurance of the types and in the minimum amounts stated below:

Workers' Compensation

Florida Statutory coverage and Employer's Liability (including appropriate Federal Acts); Insurance Limits: Statutory Limits (Workers' Compensation) \$500,000 each accident (Employer's Liability).

Commercial General Liability

Premises-Operations, Products-Completed Operations, Contractual Liability, Independent Contractors, Broad Form Property Damage, Explosion, Collapse and Underground, Hazards (XCU Coverage) as appropriate; Insurance Limits: \$1,000,000 each occurrence, \$2,000,000 annual aggregate for bodily injury and property damage, combined single limit.

Automobile Liability

All autos-owned, hired, or non-owned; Insurance Limits: \$1,000,000 each occurrence, combined single limit.

Excess or Umbrella Liability

(This is additional coverage and limits above the following primary insurance: Employer's Liability, Commercial General Liability, and Automobile Liability); Insurance Limits: \$2,000,000 each occurrence and annual aggregate.

Commercial General Liability, Excess or Umbrella Liability and Professional Liability (if applicable) policies shall remain in force throughout the duration of the project and until the Work is completed to JEA's satisfaction. The Indemnification provision provided herein is separate and is not limited by the type of insurance or insurance amounts stated above.

District's Contractor shall specify JEA as additional insured for all coverage except Workers' Compensation and Employer's Liability. Such insurance shall be primary to any and all other insurance or self-insurance maintained by JEA. Company shall include a Waiver of Subrogation on all required insurance in favor of JEA, their board members, officers, employees, agents, successors and assigns.

Such insurance shall be written by a company or companies licensed to do business in the State of Florida and satisfactory to JEA. Prior to commencing any Work under this Contract, certificates evidencing the maintenance of the insurance shall be furnished to JEA for approval. Contractor's and its subcontractors' Certificates of Insurance shall be mailed to JEA (Attn. Risk Management Services), 21 West Church Street, T12, Jacksonville, FL 32202-3139.

The insurance certificates shall provide that no material alteration or cancellation, including expiration and non-renewal, shall be effective until thirty (30) days after receipt of written notice by JEA.

Any contractors or subcontractors of District shall procure and maintain the insurance required hereunder during the life of the subcontracts. Subcontractors' insurance may be either by separate coverage or by endorsement under insurance provided by District's Contractor. District's Contractor shall submit subcontractors' certificates of insurance to JEA prior to allowing Subcontractors to perform Work on JEA's job sites.

JEA Awards Agenda April 10, 2025 225 North Pearl St., Jacksonville, FL 32202 - Hydrangea Room 1st Floor Teams Meeting Info Consent Agenda												
The Chief Procurement Officer offers the following items for the JEA Awards Consent Agenda. Any item may be moved from the Consent Agenda to the Regular Agenda by a committee member asking that the item be considered separately. All items on the Consent agenda have been approved by OGC, Budget and the Business Unit Vice President and Chief. The posting of this agenda serves as an official notice of JEA's intended decision for all recommended actions for Formal Purchases as defined by Section 3-101 of the JEA Procurement Code . Please refer to JEA's Procurement Code, if you wish to protest any of these items.												
Award #	Type of Award	Solicitation # & Short Description/Title	VP	Awardee	Funding Source	Business Unit Estimate	Award Amount	Original Award Amount	New Not-to-Exceed	Amendments	Term (Projected) Start Date - End Date	JSEB Participation (Y/N) If Y, then list company name(s) (% , \$ - awarded)

Last awarded: 10/06/2022 For additional information contact: David King The scope of this contract includes sealing, resealing, coating, repair and rehabilitation, along with any related incidental work, for sanitary sewer manholes located within JEA's service territory, which includes Duval and surrounding counties. Additional funding is needed to complete the work budgeted for the remainder of FY25, due to an increase in the number of manhole repairs that have been identified. The contract rates remain the same.												
3	Contract Increase	075-20 Repair and Installation of Video Surveillance Systems	Brooks	BCI Integrated Solutions	Capital	\$270,000.00	\$267,093.61	\$6,400,000.00	\$7,307,093.61	11/07/2023 \$640,000.00 new NTE \$7,040,000.00	Five (5) Years w/One (1) - 1 Yr. Renewals Start Date: 12/15/2020 End Date: 12/14/2025	No
For additional information contact: Lynn Rix The purpose of this contract is to install and maintain video surveillance systems for JEA facilities. Two projects: JEA - H2O VSS Project at JEA - H2O Water Purification Plan in the amount of \$190,619.14 FY25 JEA Electric NVR Lifecycle Installation at 29 substations in the amount of \$76,474.47 need to be completed prior to the new contract going into effect. The time and material quotes are attached and reflect contract rates. Therefore, a contract increase of \$267,093.61 is requested.												
4	Contract Increase	1411386246 Hand and Power Tools for Inventory Stock	Phillips	Anixter, Inc. Renewals Start Date: 12/05/2023 End Date: 12/04/2026	No
For additional information contact: Lynn Rix The purpose of this Contract is to purchase hand and power tools for inventory stock consisting of 605 items. The tools being bought are utilized by both the Electrical and Water departments. JEA has and will continue to realize savings through this contract's annual pricing adjustment capped at CPI as well as the process efficiencies gained through the auto-sourced blanket. The contract has been in force for 16 months. JEA is taking advantage of the second of two renewal options and adding funds for remaining 20 months. The usage is based on inventory planning's forecasts.												
5	Invitation to Negotiate (ITN)	1411885850 Sewer Main Cleaning and CCTV Inspection	Vu	Hydromax USA LLC	O&M	\$5,000,000.00	\$4,153,050.00	N/A	\$4,153,050.00	N/A	Three (3) Years w/Two (2) - 1 Yr. Renewals Start: 05/01/2025 End: 04/30/2028	N
Advertised: 12/6/2024 Opened: 01/14/2025 Nine (9) Proposers, Three (3) Short-listed Public Evaluation Meeting: 04/03/2025 Proposers (Ranked): Company ☐ Rank Score BAFO Bid Total (yearly amt) Hydromax USA LLC ☐ 1 ☐ 261.69 \$1,384,350.00 Hydro-Klean, LLC ☐ 2 ☐ 228.00 \$1,265,450.00 Envirowaste Services Group Inc 3 ☐ 225.56 \$1,337,250.00 For additional information contact: Darriel Brown The scope of work for this contract is to provide sewer main cleaning and CCTV inspection services, including cleaning sanitary sewer mains throughout the JEA service area and supporting JEA crews with jet-vac combination trucks. The contract includes the removal and disposal of debris such as sludge, grit, and grease from sewer lines and manholes, while maintaining the mains in service during cleaning operations. This Invitation to Negotiate (ITN) included the evaluation of multiple criteria, such as pricing, past performance, equipment inventory, organizational structure, and quality metrics. Based on the evaluation results, Hydromax USA LLC was determined to be the highest-ranked respondent. In particular, Hydromax achieved superior scores in past performance, organizational structure, and quality metrics, which outweighed the advantage Hydro-Klean earned by quoting the lowest rates. The BAFO totals are representative of annual usage; the award amount for the three-year term is \$4,153,050.00. Under the new contract, unit rates will be, on average, lower by approximately 1.46% compared to the currently contracted rates. Through the Best and Final Offer (BAFO) process, Hydromax reduced its pricing by \$21,550.00, representing a 1.53% decrease from its initial submittal. The contract will allow for annual price adjustments based on the Consumer Price Index (CPI).

	Advertised: 11/26/2024 Opened: 01/07/2025 Two (2) Proposers Public Evaluation Meeting: 01/21/2025 Proposers (Ranked): 1. Sundt Construction, Inc. 2. The Haskell Company For additional information contact: Marline McDonald											
	The scope of work for this contract is to provide Construction Manager-at-Risk (CMAR) services for the Northwest Water Reclamation Facility (WRF) project. The CMAR will deliver pre-construction administrative services, including cost estimating, scheduling, risk management, and value engineering. The construction phase of the project involves building a new 2 million gallons per day (MGD) greenfield water reclamation facility. JEA contacted prospective proposers who did not submit a response. These companies indicated they were focusing on other opportunities or current commitments instead of submitting a proposal for this project.											
	Negotiations for the pre-construction phase have been completed. The final scope and fee for these services were reviewed by JEA project staff and procurement personnel and were deemed reasonable when compared to similar previous projects. JEA will present future contract amendments for approval related to early work Guaranteed Maximum Prices (GMPs) and the final construction GMP. The preliminary 10% estimate for total construction costs is \$166,336,049.00. DISCUSSION/ACTION: Has this gone before the awards committee and board for approval? At the February Capital Projects Committee meeting, the board was made aware of this project. The process involves presenting these projects to the board for awareness and approval of the approach. At that time, only estimates were provided to the board. Once the project reaches a value of \$50 million, the board's approval will be required. Since this project is currently at only \$1 million, it doesn't require board approval at this stage. The awards committee has the authority to approve the dollar amounts at this point. When a Guaranteed Maximum Price (GMP) is reached, the project will go to the board for final approval to proceed with construction. It was noted by legal that there are off-ramps between now and board approval to be used as needed prior to negotiations of the GMP. DISCUSSION/ACTION PARTICIPANTS: Ted Phillips, Joe Perez, Rebecca Lavie, Jodie Brooks and Garry Baker

STICK, LOADBREAK TOOL 3 SECTION,DISCONNECT HEAD WITH PROTECTOR CAP (6' LG. X 1 1/4" DIA.), I
STICK, SHOTGUN, 4' 6" LG., FIXED LENGTH WITH EXTERNAL OPERATING ROD
STICK, SHOTGUN, 6' 6" LG., FIXED LENGTH WITH EXTERNAL OPERATING ROD
STICK, SHOTGUN, 8' 6" LG., FIXED LENGTH WITH EXTERNAL OPERATING ROD
STRIPPER, CABLE END ADJUSTABLE, FOR CABLE WITH O. D. OF 1/2IN. TO 2 1/4IN. ***DO NOT DISCAR

STRIPPER, CABLE END, FOR CABLE WITH O.D. OF .260 IN. TO 1.285 IN. REQUIRES BUSHING INSERT, (W
STRIPPER, CABLE INSULATION, 4X4 PLUS CABLE END, FOR SECONDARY CABLE WITH THE FOLLOWING I
REPLACEMENT SAW FOR CABLE STRIPPER (TOLST006)
STICK, FIBERGLASS LINK, 24", HASTINGS
STICK-HOT, ADAPTABLE. USED WITH VOLTAGE DETECTOR (TOLVD002) IN STOCK.
TORCH KIT, PROPANE, HEAVY DUTY, THAT INCLUDES 30 FT HOSE (AD-1434), ADJUSTABLE REGULATOR
TORCH FOR SOLDER/LEAD (COMPLETE KIT W/ TORCH, TIP, HOSE AND REGULATOR)
TAP, SAE, SIZE #10-32
TAP, SAE, SIZE 5/16"-24
TAP, SAE, TAPERED, SIZE 1/4"- 20
TAP, #6/#8/#10-32 COMBINATION SCREWDRIVER TYPE
TY-RAP TOOL, PISTOL TYPE, FOR TY-RAP TIE BODY WIDTHS .094"-.184" ***NO SUBSTITUTE***
TOOL, UNIVERSAL JOINT, 1/2" DRIVE,
TOOL, PROBE, FIBERGLASS UTILITY, 1/2" X 48" SHAFT, 5/8" X 3/4" TIP, 8 1/4" T-HANDLE
TIC 300 PRO WITH VOLTECT, VOLTAGE DETECTOR AC, HIGH & LOW VOLTAGE TESTING, LOW RANGE 3I
VISQUEEN, CLEAR, 16' X 100' X .006"
VOLTAGE TESTER
BAR, WRECKING
COOLER, WATER, 2 GAL, (QTYS OF 4 EA.)
COOLER, WATER, 5 GAL
WIPING CLOTH, FOR CLEANING BOOMS, REMOVES GREASE, TAR, THAT A DETERGENT AND WATER WI
WIPING CLOTH, FOR HOT STICKS, CLEANER AND WATER REPELLENT WIPES THAT REMOVES GREASE, D
WIPING CLOTH, SILICONE TREATED, FOR HOTSTICKS AND INSULATED TOOL HANDLES, (EACH = BOX),
WRENCH, T-HANDLE SOCKET, INSULATED, ?" BY 16" LONG, USED ON METERS
WRENCH, RATCHET, 9/16"-5/8", DOUBLE HEAD 12 POINT
WRENCH, RATCHET, 3/4"-13/16", DOUBLE HEAD 12 POINT NO SUBSTITUTE
WRENCH, UTILITY, SPLICING "EAGLEBEAK", **MANUFACTURER NOT AVAILABLE**
WRENCH, RATCHET FOR USE WITH RIPLEY SPLICING TOOL.
WRENCH, T-HANDLE, INSULATED SQUARE, 1/2" DRIVE FOR USE WITH CLASS 480 K BASE METERS
WRENCH, T-HANDLE ALLEN, 5/16" INSULATED FOR USE WITH CLASS 480 K BASE METERS
WRENCH, T HANDLE ALLEN, 3/8" INSULATED FOR USE WITH CLASS 480 K BASE METERS
WRENCH, ADJUSTABLE, 10"
TOOL, ADJUSTABLE, 12"
WRENCH, T HANDLE ALLAN, 1/4" INSULATED FOR USE WITH CLASS 480K BASE METER.
3/8" ALEN STYLE WRENCH FOR TIGHTENING TAP PLUGS FOR UNDERGROUND TRANSFORMERS.
WRENCH, RATCHETING, TRIPLE SQUARE, WAS DESIGNED FOR THE 3 MOST COMMON FASTENERS ON I
WRENCH, RATCHET, 12 POINT, DOUBLE HEAD, SIZE 1/2" AND 9/16"
WRENCH, HEX, 7/32", CUSHIONED TEE
WRENCH, ONE HAND METER, CAPACITY FITTING 1/8 - 3/4, LENGTH - 11". USED FOR WATER METER IN
WRENCH, ONE HAND METER, ITEM CODE 02281, CAPACITY - FITTING 1 - 1 1/4 LENGHT - 16' WEIGHT -
RATCHET WRENCH, COMBINATION, 9/16" X 3/4", HEAVY DUTY FORGED AND 12 POINTS BOXED END
WIRE STRIPPER, MULTI-PURPOSE, BLUE HANDLE,

USED ON BPA'S DUE TO QUALITY ISSUES AND HAVE BEEN PURCHASED AS SPOT BUYS

CUTTER, TUBING, FOR 1/4" - 2-3/8" O.D. TUBING, WITH ENCLOSED FEED SCREW AND GROOVED ROLL;
FUNNEL, SAFETY CAN

SET, SOCKET, HEX BIT & DRIVER, 3/8" DRIVE, HEX BIT SIZES 7/64" THROUGH 3/8" SET TO INCLUDE SOC
TAPE, MEASURE, 50 FT LINEN

DETECTOR, VOLTAGE, POCKET SIZE TYPE USED TO DETECT LOW VOLTAGE UP TO 500 V.

JEA OU	217997	67 TOLCW012	INVENTOR WRENCH, COMBINATION Each	29.881
JEA OU	217997	68 TLSAA670	INVENTOR CRAYON, LUMBER - B Each	0.83
JEA OU	217997	69 TOLSO308	INVENTOR TOOL, SOCKET, IMPACT Each	20.89
JEA OU	217997	70 TOLND001	INVENTOR NUT DRIVER SET, 9 PIECE Each	173.88
JEA OU	217997	71 TLSHH800	INVENTOR WRENCH, PIPE 10", END Each	35.429
JEA OU	217997	72 TLSDD820	INVENTOR LEVEL LINE #42-187, 5' Each	1.525
JEA OU	217997	73 TLSDD750	INVENTOR LADDER, EXTENSION - Each	257.768
JEA OU	217997	74 TOLBA007	INVENTOR BAG, TOOL, FOR BURIED Each	60.29
JEA OU	217997	75 TOLSO302	INVENTOR TOOL, SOCKET, IMPACT Each	17.409
JEA OU	217997	76 TLSFF894	INVENTOR SLING, NYLON, 2 PLY, Each	29.95
JEA OU	217997	77 TLSEE590	INVENTOR SCREWDRIVER, PHILLIPS Each	9.778
JEA OU	217997	78 TOLSO014	INVENTOR SOCKET, IMPACT, DOUBLE END Each	84.11
JEA OU	217997	79 TLSEE250	INVENTOR PUNCH, TAPER, 3/4", Each	15.536
JEA OU	217997	80 TOLTP022	INVENTOR TAP, SAE, TAPERED, SIZE 1/2" Each	7.625
JEA OU	217997	81 TOLSP001	INVENTOR TOOL, SPEEDER HANDLE Each	29.161
JEA OU	217997	82 TOLSA004	INVENTOR FRAME, HACKSAW Each	8.969
JEA OU	217997	83 TOLPB001	INVENTOR TOOL, PULL BAR, HINGE Each	58.512
JEA OU	217997	84 TLSCC230	INVENTOR GEAR PULLER, 8" - REAR Each	152.066
JEA OU	217997	85 TOLSO112	INVENTOR TOOL, SOCKET, IMPACT Each	12.591
JEA OU	217997	86 TLSHH685	INVENTOR WRENCH, COMBINATION Each	71.11
JEA OU	217997	87 TOLRF001	INVENTOR RULE, FOLDING, 6' LONG Each	21.443
JEA OU	217997	88 TOLSO012	INVENTOR SOCKET, HEX KEY, 3/8" Each	25.656
JEA OU	217997	89 TOLWR003	INVENTOR WRENCH, RATCHET, 3" Each	49.708
JEA OU	217997	90 TOLSDP03	INVENTOR SCREW DRIVER, PHILLIPS Each	13.43
JEA OU	217997	91 TOLSO020	INVENTOR SOCKET, DEEP, 13/16" Each	61.078
JEA OU	217997	92 TOLSO007	INVENTOR SOCKET, SHORT, 5/16" EACH	22.607
JEA OU	217997	93 TLSAA180	INVENTOR BLADE, SAW, 12" WIDE Each	5.618
JEA OU	217997	94 TOLSO030	INVENTOR SOCKET, KEY, 5/16" H Each	8.883
JEA OU	217997	95 TOLSO557	INVENTOR TOOL, SOCKET, SHALL Each	8.03
JEA OU	217997	96 TOLSO472	INVENTOR SOCKET, 32 MM, SHAFT Each	17.21
JEA OU	217997	97 TLSCC560	INVENTOR HOSE GREASE GUN WITH NOZZLE Each	44.02

Award #6 Supporting Documents 09/18/2025

JEA OU	217997	98 TOLCW015	INVENTOR WRENCH, COMBINAT Each	29.455
JEA OU	217997	3 TOLST002	INVENTOR STICK, LOADBREAK TC Each	47
JEA OU	217997	13 TOLTM001	INVENTOR TAPE, MEASURE, 50 F Each	34.349
JEA OU	217997	60 TLSDD671	INVENTOR KEY, CURB STOP, 1/2' Each	73.2
JEA OU	217997	61 TLSDD672	INVENTOR KEY, CURB STOP, 1/2' Each	73.2
