

Welcome to the

Awards Meeting

December 23, 2025, 10:00 AM EST

You have been joined to the meeting with your **audio muted** by default.

At the designated public comment time we will provide opportunity for you to unmute to speak.

During the meeting, public comments received via e-mail regarding any matter on the agenda for consideration will be read out. Per the Public Notice Agenda posted on JEA.com, public comments by e-mail must be received no later than 9:00 a.m. on the day of the meeting to be read during the public comment portion of the meeting.

Please contact **Camie Evers** by telephone at **(904) 832-3385** or by email at **everca@jea.com** if you experience any technical difficulties during the meeting.

JEA Awards Agenda December 23, 2025 225 North Pearl St., Jacksonville, FL 32202 - Board Room 1st Floor Teams Meeting Info												
Consent Agenda												
The Chief Procurement Officer offers the following items for the JEA Awards Consent Agenda. Any item may be moved from the Consent Agenda to the Regular Agenda by a committee member asking that the item be considered separately. All items on the Consent agenda have been approved by OGC, Budget and the Business Unit Vice President and Chief. The posting of this agenda serves as an official notice of JEA's intended decision for all recommended actions for Formal Purchases as defined by Section 3-101 of the JEA Procurement Code . Please refer to JEA's Procurement Code, if you wish to protest any of these items.

Renewals Start Date: 02/01/2025 End Date: 01/31/2030	Y TBD, 5%	Motion by: Ricky Erixton Second by: Jody Brooks Committee Decision: Approved
		Advertised: 07/04/2025 Mandatory Pre-Bid: 07/11/2025, 08/21/2025 Opened: 09/30/2025 Bids Received (for 5-year term): *Five (5) for Primary Scope: ABC Professional Tree Service \$43,530,370.74, The Davey Tree Expert Company \$51,174,877.34, Trees, LLC \$51,492,085.84, Xylem, LLC \$61,269,038.07, WA Kendall & Company \$84,065,528.69. *Six (6) for Secondary Scope: ABC Professional Tree Service \$9,877,231.42, The Davey Tree Expert Company \$9,983,845.40, Xylem, LLC \$10,427,309.26, WA Kendall & Company \$11,516,465.65 Trees, LLC \$11,802,653.60, Lucas Tree Experts, Inc. \$13,653,353.71 *Ten (10) for Storm Scope: Informal Purchase Orders to all bidders. For additional information contact: Jason Behr This request is to award concurrent contracts for Vegetation Management: a Primary Contract to ABC Professional Tree Services, Inc. and a Secondary Contract to The Davey Tree Expert Company. The scope covers line clearance and mowing across all JEA facilities, organized into three districts that must be maintained concurrently. To support the anticipated 3,003 circuit miles per 2.5-year cycle, the Primary awardee is required to provide a dedicated General Foreman for each district and ensure adequate staffing to handle both firm-price distribution pruning and Time and Equipment (T&E) designated work. ABC Professional Tree Services (Primary) will focus on routine distribution pruning of approximately 1,200 miles annually using a firm "per-mile" pricing model. As ABC is a new vendor, JEA structured their contract with a 2-year initial term and five (5) optional one-year renewals to effectively manage performance risk. The Davey Tree Expert Company (Secondary) will handle supplemental vegetation activities using "Time and Equipment" (T&E) rates for the standard 5-year initial term with two (2) optional one-year renewals; it should be noted that Davey is the incumbent supplier for supplemental vegetation support. The contracted rates for both awards are approximately 35% higher than JEA's current pricing. This increase corrects for the artificial suppression of rates in the previous 2017 contract, which was capped at 3% escalation despite labor and equipment costs rising significantly faster than CPI. Additionally, this solicitation qualified ten (10) contractors for storm-response support, who will receive informal contracts (\$500,000 each) to be deployed during severe weather emergencies. These contracts have no commitment from JEA, and the values are placeholders based on previous storms. Should a storm-related contract exceed \$500,000 in a fiscal year, the contract shall be presented to the Awards Committee for emergency ratification following the conclusion of the storm and receipt of final invoices. Historically only large storms have shown to cause significant enough damage necessitating a ratification of these vegetation agreements. DISCUSSION/ACTION: This item was pulled to the regular agenda to better understand the updated award structure for the vegetation management IFB. Procurement explained that the contract refresh includes a new primary supplier paid by the mile, a secondary time and equipment supplier, and separate as needed storm contracts. The award amounts differ from original bids due to updated consumption estimates and a shift from a five year bid to a two year contract with optional renewals. Future renewals will return to the awards committee for approval. DISCUSSION/ACTION PARTICIPANTS: Ted Phillips, Jody Brooks, Kenny Pearson

1	Minutes	Minutes from 12/11/2025 Meeting	N/A	N/A	N/A	N/A	N/A	N/A	N/A	N/A	N/A	N/A
2	Request for Proposal (RFP)	1412020847 Program Management Services for the Well Field Rehabilitation and Improvement Program	Zammataro	Jacobs Project Management Co.	Capital	\$13,000,000.00	\$12,959,055.24	N/A	\$12,959,055.24	N/A	Five (5) Years w/Two (2) - 1 Yr. Renewals Start Date: 2/01/2026 End Date: 02/01/2031	Y Complete Services Well Drilling, Inc - (Well Rehabilitation and Construction) - 50% - \$6,479,527.62 CSI Geo, Inc - (Soft Digs Utility Location) - 1% - \$129,590.55
	Advertised: 08/26/2025 Mandatory Pre-Bid: 09/09/2025 (Three primes attended) Opened: 10/07/2025 One (1) Proposal Received 1. Jacobs Project Management Co. For additional information contact: Marline McDonald This award request is for a new contract to Jacobs Project Management Co. for Program Management Services for the Wellfield Rehabilitation and Improvement Program. The scope of work includes providing integrated management services, including program management, planning, permitting, design, and construction services for select projects identified in JEA's Wellfield Rehabilitation and Improvement Program. These services will also be available on an as-needed basis. The project delivery method will be Program Management at Risk. JEA received one proposal. Jacobs, as the current provider under the Progressive Design-Build Services for Production Wells contract, has specialized knowledge of JEA's wellfield systems and is widely viewed by its competitors as the incumbent. Given limited market competition and this perception, JEA determined that extending the solicitation period was unlikely to attract additional qualified proposers. Accordingly, JEA proceeded to open and evaluate Jacobs' proposal and enter into negotiations. It is anticipated that approximately 50% of the work will be performed by Complete Services Well Drilling, a JSEB well drilling firm, during the construction portion of the work. The hourly rates proposed for this contract are consistent with prior contracts and deemed reasonable.											
3	Contract Increase	108-18 Engineering Services for the Arlington East WRF Upgrades Project	Zammataro	Hazen and Sawyer	Capital	\$7,500,000.00	\$7,172,377.00	\$813,750.00	\$24,784,064.00	08/28/2020 - \$78,560.00 03/04/2021 - \$7,137,148.00 06/07/2021 - \$135,318.00 03/28/2022 - (\$426,313.00) 02/09/2023 - \$224,300.00 11/30/2023 - \$7,060,822.00 12/05/2023 - Scope only 06/27/2024 - \$100,688.00 08/12/2024 - \$98,750.00 09/04/2025 - \$2,388,664.00	Project Completion Start Date: 04/25/2019 End Date: 09/30/2029	Y Four Waters Engineering (SDC) - \$245,845.00
	Last Awarded: 09/04/2025 For additional information contact: Dan Kruck This contract increase request is to provide post-design services for the Arlington East WRF High Level Disinfection (HLD) project. This amendment adds the planned post-design services for this project, including construction administration, one full-time resident project representative, specialty inspections, processing requests for information, receiving and reviewing submittals, attending project meetings, preparing final record drawings, developing O&M manuals, and providing operator training. The scope of work for this amendment also includes additional design services to modify the effluent equipment and piping infrastructure, which is expected to save JEA approximately \$7 million in construction costs. Project staff reviewed this amendment request and confirmed that the proposed hourly rates are consistent with the existing contract. The amendment was deemed reasonable when compared to current and past projects.											
4	Invitation for Bid (IFB)	1411940246 (IFB) Georgia St. Substation Pipe-Type Cable Pothead Replacement	Erixton	Ferreira UTEC LLC	Capital	\$1,852,272.73	\$1,929,135.25	N/A	\$1,929,135.25	N/A	Project Completion Start Date: 01/01/2026 End Date: 04/30/2027	N
	Advertised: 11/05/2025 Mandatory Pre-Bid: 11/14/2025 Opened: 12/09/2025 Two (2) Bids Received 1. Ferreira UTEC LLC - \$1,929,135.25 2. W.A. Chester, LLC - \$2,199,975.00 For additional information contact: Jason Behr This Solicitation seeks a contractor to provide labor, equipment, materials, and supervision for the construction and commissioning of twelve 115kV HPFF pipe-type cable terminations at Georgia Substation, Jacksonville, Florida. The contractor will handle the purchase, inspection, unloading, and installation of materials, including G&W ATA 139N-HS terminations. The project involves installing the HPFF cable system, consisting of steel pipes containing three copper cables, at four 69kV circuit termination locations within the substation. Responsibilities also include ensuring proper termination installation, preventing cable slippage, and site cleanup, including disposal of debris from this and a prior termination project. The limited competition for this project is due to its highly specialized nature. Bidders were required to be listed on our approved suppliers list for Responsible Bidder's List Category EGR, which covers Underground Transmission Construction for 69kV and above HPFF Pipe-Type Cable. Currently, only two suppliers are approved under this category, and both submitted bids. The budget estimate aligns with the lowest bid received, which has been determined to be reasonable											
5	Contract Increase	1411058846 Maintenance, Repair and Overhaul (MRO) Material Blankets	Vu	Grainger Co. Inc.	O&M	\$1,742,999.88	\$1,742,999.88	\$1,545,946.58	\$3,443,541.11	07/02/2025 - \$154,594.65	Five (5) Years w/One (1) - 1 Yr. Renewal Start: 05/15/2023 End: 05/14/2028	N
	Last Awarded: 7/27/2025 For additional information contact: David King This contract increase request is being submitted to the Awards Committee for approval because the Maintenance, Repair, and Operations (MRO) contract with Grainger has been utilized more than anticipated. The contract provides non-inventoried consumable materials for various JEA Water/Wastewater facilities. Additional JEA locations, including the H2.0 and Greenland facilities, as well as the Nassau and Southwest plant expansion projects, have begun using this contract as they are brought online.											
6	Contract Increase	1411815446 ITN Miscellaneous Wire and Cable for JEA Stock F&25 - FY28	Phillips	American Wire Group Gresco Supply, Inc. Stuart C. Irby Company Southwire Company Wesco Distribution, Inc.	Inventory	\$1,999,872.00	\$1,999,872.00 (\$1,815,360.00) \$0.00 \$0.00 \$0.00	\$44,107.20 \$9,971,250.08 \$467,957.20 \$29,662,429.35 \$755,158.07	\$2,043,979.20 \$8,155,890.08 \$467,957.20 \$29,662,429.35 \$755,158.07	N/A	Three (3) Years w/ Two (2) 1-Yr. Renewals Start Date: 01/23/2025 End Date: 01/22/2028	N
	For additional information contact: Lynn Rix This contract increase request supports JEA's wire and cable procurement needs. We are transitioning one item—CAIUS002—from the Gresco Supply, Inc. contract to the American Wire Group (AWG) contract. As part of this change, we are reallocating funding: reducing the allocation for Gresco and increasing the funding for AWG. Additionally, we are requesting new funding of \$184,512.00 for AWG. Gresco's contract permits monthly unit price adjustments based on Platts and copper market indices. However, Gresco submitted a price increase that exceeded the November worksheet limits, citing frequent fluctuations in Prysmian pricing. In response, we initiated a Market Cost Evaluation in accordance with the contract terms. The evaluation revealed that AWG's pricing offers a contract savings of \$190,464. For the immediate purchase of 120,000 feet, procuring through AWG will result in a direct savings of \$15,360.

Award #	Type of Award	Solicitation # & Short Description/Title	VP	Awardee	Award Amount	Business Unit Estimate	Original Award Amount	New Not-to-Exceed	Amendments	Term	JSEB Participation (Y/N) If Y, then list company name(s) (% , \$ - awarded)	Action
1	Single Source	SEL ICON MUX Equipment Purchase	Baker	Schweitzer Engineering Laboratories, Inc.	\$6,144,983.38	\$8,096,000.00	N/A	\$6,144,983.38	N/A	Project Completion Start Date:12/20/2025 End Date:12/19/2029	N	Motion by: Ricky Erixton Second by: Jody Brooks Committee Decision: Approved
	For Additional Information Contact: Angel Love											
	This single source award request is for Schweitzer Engineering Laboratories (SEL) OEM parts and equipment purchase in the amount of \$6,144,983.38. This purchase will be to replace all Bulk Electric System (BES) Multiplexer (MUX) Devices with Schweitzer Engineering Laboratories Integrated Communications Optical Network Multiplexers (SEL ICON MUX) devices over a four-year period. The current RFL Electronics MUX (EXMUX) system has been experiencing persistent communication issues, particularly with SEL 411 and 421 Relays. These problems include high asymmetry and latency, which have resulted in multiple relay mis operations over the past several years. Such failures pose significant risks to grid reliability, customer service, and regulatory compliance.											
	To address these issues, JEA proposes replacing all BES MUX devices with Schweitzer Engineering Laboratories Integrated Communications Optical Network Multiplexers (SEL ICON MUX) over a four-year period beginning in FY26. The SEL ICON system will provide dedicated communications for BES, including direct fiber-to-fiber relay connections for the X Channel, as well as support for the Y Channel, POTT channels, and SCADA. The project will be implemented in two phases: Phase 1 will install SEL ICON MUX on the 230KV and 138KV lines over two years, and Phase 2 will install SEL ICON MUX on the 69KV lines over the following two years. To support direct fiber connections between relays, additional fiber optic cable will be added or replaced in segments of the JEA fiber network to expand strand capacity. This upgrade will eliminate persistent asymmetry issues, improve relay reliability, strengthen grid resiliency, and ensure compliance with operational standards.											
	SEL is the single source OEM only Northeast Florida regional provider for the Power Connections manufactured items contained in this award. JEA has purchased some of these items in the past. The items that have been previously purchased remain at the same price as previously purchased. JEA compared unit pricing with an additional distributor outside of its geographic service area. The pricing for the items contained in this quote were determined to be reasonable. Comparative unit pricing for like for like items ranged from 18% to 21% in favor of SEL. The manufacturer will implement an average price increase of 5% in February 2026 and SEL will maintain these adjusted prices through the end of 2028. Note JEA will be able to make the majority if this purchase \$3,852,000.00, the full amount budgeted for FY26, by the end of January 2026 prior to this price increase.											
DISCUSSION/ACTION: The item was pulled to the regular agenda to better understand the reason for the single source. Also, clarification was requested on why the award amount was \$2 million lower than the initial business unit estimate. Discussion revealed that Schweitzer is the required standard manufacturer for this equipment, and the price difference exists because the \$8 million estimate covers the total project cost—including fiber optic cabling—while this specific award is only for the multiplexing hardware. DISCUSSION/ACTION PARTICIPANTS: Joey Pazzalia, Jody Brooks, Gary Vondrasek												
2	Emergency	TG1A Cable Replacement Project	Erixton	Ferreira UTEC LLC	\$2,461,957.00	\$2,461,957.00	N/A	\$2,461,957.00	N/A	Project Completion Start Date:12/18/2025 End Date: 08/31/2026	N	Motion by: Jody Brooks Second by: Ricky Erixton Committee Decision: Approved
	For additional information contact: Jason Behr											
	The HPFF (high pressure fluid filled) 2500kcmil cable and termination at NGS, located between GSU TG1A and the substation, failed due to loss of oil pressure. This failure has resulted in Unit 1 at Northside being limited to only half of its operational capacity. In response to this emergency, UTEC, an industry leader in specialized HPFF cable, was immediately engaged to conduct the initial investigation and explore repair or replacement options. UTEC’s expertise, access to materials, equipment, and vendors that JEA does not have, proved crucial in identifying the most reliable and cost-effective solution: a complete replacement of the cable and terminations at both ends, which includes 3,000 feet of cable and a total of six terminations. Alternative options explored included: a new technology cable, which came with a higher price, longer lead time, and unproven reliability; repairing the cable, which carried a similar cost but included significant risks and uncertainties, including potential cost overruns and the need for a splice pit at NGS; a new engineered solution, which would involve unknown costs, extended repair timelines (up to several years), and intrusive construction at NGS; and sourcing cable from other utilities, which offered no significant time or cost advantages. After evaluating all alternatives, the decision to proceed with a complete cable replacement was deemed the best approach. Ferreira UTEC will handle the sourcing of materials and installation.											
	DISCUSSION/ACTION: The item was pulled to the regular agenda to gather more information on the reason for the emergency procurement. This emergency was driven by a failure at the Northside Generating Station involving specialized cable terminations that normally have a three-to-four-year lead time. By engaging UTEC immediately, the utility secured a "like-for-like" replacement that reduces that wait to eight months and provides the most cost-effective path to restoring the unit to full capacity. DISCUSSION/ACTION PARTICIPANTS: Joey Pazzalia											
3	Single Source	Fault Current Indicator Upgrade Project	Erixton	Sentient Energy, Inc	\$898,170.00	\$898,170.00	N/A	\$898,170.00	N/A	One Time Purchase	N	Motion by: Ricky Erixton Second by: Jody Brooks Committee Decision: Approved
	For additional information contact: Jason Behr											
	JEA has nearly 3,000 Fault Current Indicators (FCIs) installed on our distribution system. These devices communicate via SCADA and are pivotal to outage management. 400 of these devices have failed in the field and need to be replaced. Most of the failures are due to weather-related factors, such as lightning strikes and water damage. Sentient has introduced improvements to the seal in the latest generation of the FCI, which should help mitigate water damage issues in the future. Based on the available data, the failure rate appears to be around 3-5% annually.											
	The Sentient FCI is the only brand that is compatible with JEA’s SCADA system. Based on historical purchases of similar devices, the pricing aligns with what JEA has previously paid and is actually slightly lower. The reduction is likely due to the higher volume included in this purchase.											
	DISCUSSION/ACTION: The item was pulled to the regular agenda to gather more information on the reason for the single source. During the discussion, concerns were raised regarding 400 failed fault current indicators, but staff explained that the Sentient brand remains the only option compatible with the existing SCADA system. The manufacturer has since implemented design improvements to seal the devices, and the committee opted to continue with the purchase to maintain field consistency while monitoring the effectiveness of these corrections. DISCUSSION/ACTION PARTICIPANTS: Armondo Jackson

Good Morning,

This communication is to inform you of JEA's intent to award for **1412007648 (IFB) Vegetation Management Services**.

JEA reviewed the submittals to determine **ABC Professional Tree Services, Inc** the Responsive and Responsible Bidder whose Bid meets or exceeds the Minimum Qualifications set forth in this Solicitation and is the Lowest Priced Bidder for the **Primary Services** which they are being awarded.

JEA reviewed the submittals to determine **The Davey Tree Expert Company** the Responsive and Responsible Bidder whose Bid meets or exceeds the Minimum Qualifications set forth in this Solicitation and is the Lowest Priced Bidder for the **Secondary Services** which they are being awarded.

JEA has reviewed the submittals to determine **all storm respondents** Responsive and Responsible Bidder whose Bid meets or exceeds the Minimum Qualifications set forth in this Solicitation. **JEA intends to award storm contracts to all participants**.

If you have any questions concerning this, you must refer to the JEA Procurement Code, Article 4, Administrative Remedies located on <http://JEA.com>. JEA's Chief Procurement Officer is Jenny McCollum at Gleejs@jea.com. JEA appreciates your participation and looks forward to future opportunities to work with your company.

Company Name	Storm Rank	Primary Rank	Secondary Rank	Award Amount	Storm Contract
ABC Professional Tree Services, Inc	N/A	1	1	\$18,858,358.00 *	\$500,000.00
Collective Strategic Resources, LLC	N/A	N/A	N/A	\$0.00	\$500,000.00
Lewis Tree Services, Inc	N/A	N/A	4	\$0.00	\$500,000.00
Lucas Tree Experts	N/A	N/A	7	\$0.00	\$500,000.00
PowerGrid Services, LLC	N/A	N/A	N/A	\$0.00	\$500,000.00

APPENDIX B – RESPONSE FORM
1412007648 (IFB) Vegetation Management Services

THE MINIMUM QUALIFICATIONS SHALL BE SUBMITTED ON THIS FORM. IN ORDER TO BE CONSIDERED A QUALIFIED BIDDER BY JEA YOU MUST MEET THE MINIMUM QUALIFICATIONS LISTED BELOW, AND BE ABLE TO PROVIDE ALL THE SERVICES LISTED IN THIS SOLICITATION.

THE BIDDER MUST COMPLETE THE BIDDER INFORMATION SECTION BELOW AND PROVIDE ANY OTHER INFORMATION OR REFERENCE REQUESTED. THE BIDDER MUST ALSO PROVIDE ANY ATTACHMENTS REQUESTED WITH THIS MINIMUM QUALIFICATIONS FORM.

BIDDER INFORMATION

COMPANY NAME: The Davey Tree Expert Company

BUSINESS ADDRESS: 1500 North Mantua Street

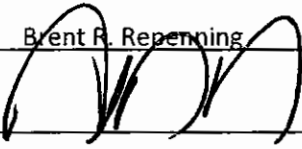

CITY, STATE, ZIP CODE: Kent, OH 44240

TELEPHONE: 330-673-9511

FAX: 330-673-0702

E-M AIL: EUBids@davey.com

PRINT NAME OF AUTHORIZED REPRESENTATIVE: Brent R. Repenning

SIGNATURE OF AUTHORIZED REPRESENTATIVE: 

NAME AND TITLE OF AUTHORIZED REPRESENTATIVE: Brent R. Repenning, Executive Vice President

MINIMUM QUALIFICATIONS:

Respondent must meet the following Minimum Qualifications to be considered eligible to have its Response evaluated by JEA. Respondent must complete and submit the Minimum Qualification Form provided in this Solicitation. Respondents that are working or have worked for JEA in the past 2 years involving similar work must submit JEA as a reference. JEA reserves the right to ask for additional back up documentation or additional reference projects to confirm the Respondent meets the requirements stated above.

APPENDIX B – RESPONSE FORM
1412007648 (IFB) Vegetation Management Services

JEA may reject Responses from Respondents not meeting all of the following Minimum Qualifications:

- I. The Respondent is not on the State of Florida Convicted Vendor List, State of Florida's Suspended Vendor List, The City of Jacksonville's Disqualified Vendor List, have not had their bidding privileges actively suspended by JEA, been debarred by JEA, or have had a contract with JEA terminated for default within the last two (2) years.
- II. Primary bidders must have a minimum of 10 years Utility Vegetation Management experience. Primary bidders must also currently have a minimum of 50 utility bucket tree crews within 500 miles of Jacksonville, that could be moved onto JEA's System within 3 business days if needed. These required quick response crews may be "sister" companies, but they will operate under the Primary or Secondary bidder's contract.
 - a. Additionally, primary bidders shall successfully performed two (2) similar projects in the past five (5) years of the Bid Due Date.
 - b. Primary bidders must also have a similar vegetation management project including Transmission and Distribution line clearance maintenance for a utility in the Southeast U.S, at least two (2) years in length with an annual value of \$3,000,000.00 per year.
- III. Secondary bidders must have a minimum of 10 years Utility Vegetation Management experience. Secondary bidders must also currently have a minimum of 25 utility bucket tree crews within 500 miles of Jacksonville, that could be moved onto JEA's System within 3 business days if needed. These required quick response crews may be "sister" companies, but they will operate under the Primary or Secondary bidder's contract.
 - a. Additionally, secondary bidders shall successfully performed two (2) similar projects in the past five (5) years of the Bid Due Date.
 - b. Secondary bidders must also have a similar vegetation management project including Transmission and Distribution line clearance maintenance for a utility in the Southeast U.S, at least two (2) years in length with an annual value of \$3,000,000.00 per year.
- IV. Storm bidders must have a similar continuing services contract with at least two (2) years in length, with tree trimming and vegetation clearing in transmission and distribution right-of-ways by energized power lines.
 - a. Company shall be qualified electric line clearance contractors to work around energized transmission and distribution power lines.
- V. Bidders shall also comply with the technical and commercial specifications for this solicitation. JEA may request and the bidders shall provide within 48 hours additional information regarding the company's ability to provide the scope of services in this solicitation. Failure to provide additional information may result in Bid rejection.

MINIMUM QUALIFICATIONS

APPENDIX B—RESPONSE FORM: Minimum Qualifications Responses

I. STATE OF FLORIDA GOOD STANDING: The Davey Tree Expert Company *is not* on the State of Florida Convicted Vendor List—see attached Florida state documentation.

II. PRIMARY & III. SECONDARY BIDDER INFORMATION

A. The Davey Tree Expert Company has successfully performed two (2) similar projects in the past five (5) years:

1) Tampa Electric Company

Annual Revenue: ~\$15.3 million per year

Years of Service: 2018—current

Description of Services: Transmission and Distribution Vegetation Management Services

2) City of Ocala

Annual Revenue: ~\$2.3 million per year

Years of Service: 2018—current

Description of Services: Power Line Tree Trimming and Clearance and storm response

B. The Davey Tree Expert Company possesses similar vegetation management project experience, at least two (2) years in length with an annual value of \$3 million per year, including Transmission and Distribution line clearance maintenance for the below utilities in the Southeast U.S.:

- Orlando Utilities Commission

Annual Revenue: ~\$6.1 million per year

Years of Service: 2016—current

Description of Services: Vegetation Management and Annual Emergency Line Clearance

- Duke Energy Florida

Annual Revenue: ~\$15.5 million per year

Years of Service: 2010—current

Description of Services: Vegetation Management Services

- City of Lakeland

Annual Revenue: ~\$4.1 million per year

Years of Service: 2023—current

Description of Services: Line Clearance Services and storm response

MINIMUM QUALIFICATIONS—continued

IV. STORM EXPERIENCE

*The above listed experience includes annual storm work and disaster response

V. COMPLIANCE WITH SPECIFICATIONS:

The Davey Tree Expert Company will comply with further specifications provided by JEA within the allotted 48-hour time limit listed in Appendix B.

APPENDIX B – RESPONSE FORM
1412007648 (IFB) Vegetation Management Services

LIST OF SUBCONTRACTORS

JEA Solicitation Number 141207648 requires certain major Subcontractors be listed on this form, unless the work will be self- performed by the Company.

The undersigned understands that failure to submit the required Subcontractor information on this form will result in bid rejection, and the Company agrees to employ the Subcontractors specified below: (Use additional sheets as necessary)

Note: This list of Subcontractors shall not be modified subsequent to bid opening, without a showing of good cause and the written consent of JEA.

Type of Work	Corporate Name of Subcontractor	Subcontractor Primary Contact Person & Telephone Number	Subcontractor's License Number (if applicable)	Percentage of Work or Dollar Amount

*The Davey Tree Expert Company will work with JEA upon award to select a JSEB approved subcontractor.

Signed: 

Company: The Davey Tree Expert Company

Address: 1500 North Mantua St. Kent, OH 44240

Date: 9/29/25

APPENDIX B – RESPONSE FORM
1412007648 (IFB) Vegetation Management Services

LIST OF JSEB SUBCONTRACTORS – 5% GOAL

The following JSEB Subcontractors will be utilized in fulfilling the terms and conditions of a Project Authorization arising from award of JEA -1412007648. I (We) the undersigned understand that failure to submit said information will result in bid rejection. I (We) will employ the JSEB Subcontractors specified below: (Use additional sheets as necessary)

Class of Work (Category) Dollar Amount	Name of JSEB Contractor (Indicate below)	Percentage of Total Job or
---	---	----------------------------

Respondents are not required to list JSEB companies. JEA will have a list of JSEB vendors. Once the Primary Contractor is awarded, the Primary contractor and the VM and Forestry Department will work together to select a JSEB vendor or vendors to perform mowing and other miscellaneous work that supports the Primary vendor. This form is just an acknowledgement that the Primary vendor will participate in the JSEB goal upon award.

8/27/25 - Email received from Land & Home Services, LLC offering subcontract services

9/22/25 - Davey responded requesting pricing and support details

9/29/25 - Land & Home Services responded providing rates for review

Upon successful award, we will work with JEA to finalize the required subcontractor need.

Signed: 
Company: The Davey Tree Expert Company
Address: 1500 North Mantua St. Kent, OH 44240
Date: 9/29/2025

Note: This list shall not be modified subsequent to bid opening without a showing of good cause and the written consent of the JEA.

Form **W-9**
(Rev. March 2024)
Department of the Treasury
Internal Revenue Service

Request for Taxpayer Identification Number and Certification

Go to www.irs.gov/FormW9 for instructions and the latest information.

Give form to the
requester. Do not
send to the IRS.

Before you begin. For guidance related to the purpose of Form W-9, see *Purpose of Form*, below.

Print or type. See Specific Instructions on page 3.	1 Name of entity/individual. An entry is required. (For a sole proprietor or disregarded entity, enter the owner's name on line 1, and enter the business/disregarded entity's name on line 2.)	
	THE DAVEY TREE EXPERT COMPANY	
	2 Business name/disregarded entity name, if different from above.	
	3a Check the appropriate box for federal tax classification of the entity/individual whose name is entered on line 1. Check only one of the following seven boxes. ☐ Individual/sole proprietor ☒ C corporation ☐ S corporation ☐ Partnership ☐ Trust/estate ☐ LLC. Enter the tax classification (C = C corporation, S = S corporation, P = Partnership) Note: Check the "LLC" box above and, in the entry space, enter the appropriate code (C, S, or P) for the tax classification of the LLC, unless it is a disregarded entity. A disregarded entity should instead check the appropriate box for the tax classification of its owner. ☐ Other (see instructions) _____	4 Exemptions (codes apply only to certain entities, not individuals; see instructions on page 3): Exempt payee code (if any) 5 Exemption from Foreign Account Tax Compliance Act (FATCA) reporting code (if any) _____ (Applies to accounts maintained outside the United States.)
	3b If on line 3a you checked "Partnership" or "Trust/estate," or checked "LLC" and entered "P" as its tax classification, and you are providing this form to a partnership, trust, or estate in which you have an ownership interest, check this box if you have any foreign partners, owners, or beneficiaries. See instructions ☐	
5 Address (number, street, and apt. or suite no.). See instructions. 1500 NORTH MANTUA STREET REMIT TO: PO BOX 773222	Requester's name and address (optional)	
6 City, state, and ZIP code KENT, OH 44240 DETROIT, MI 48277-3222		
7 List account number(s) here (optional)		

Part I Taxpayer Identification Number (TIN)

Enter your TIN in the appropriate box. The TIN provided must match the name given on line 1 to avoid backup withholding. For individuals, this is generally your social security number (SSN). However, for a resident alien, sole proprietor, or disregarded entity, see the instructions for Part I, later. For other entities, it is your employer identification number (EIN). If you do not have a number, see *How to get a TIN*, later.

Note: If the account is in more than one name, see the instructions for line 1. See also *What Name and Number To Give the Requester* for guidelines on whose number to enter.

Social security number									
			-				-		
or									
Employer identification number									
3	4		-	0	1	7	6	1	0

Part II Certification

Under penalties of perjury, I certify that:

- The number shown on this form is my correct taxpayer identification number (or I am waiting for a number to be issued to me); and
- I am not subject to backup withholding because (a) I am exempt from backup withholding, or (b) I have not been notified by the Internal Revenue Service (IRS) that I am subject to backup withholding as a result of a failure to report all interest or dividends, or (c) the IRS has notified me that I am no longer subject to backup withholding; and
- I am a U.S. citizen or other U.S. person (defined below); and
- The FATCA code(s) entered on this form (if any) indicating that I am exempt from FATCA reporting is correct.

Certification instructions. You must cross out item 2 above if you have been notified by the IRS that you are currently subject to backup withholding because you have failed to report all interest and dividends on your tax return. For real estate transactions, item 2 does not apply. For mortgage interest paid, acquisition or abandonment of secured property, cancellation of debt, contributions to an individual retirement arrangement (IRA), and, generally, payments other than interest and dividends, you are not required to sign the certification, but you must provide your correct TIN. See the instructions for Part II, later.

Sign Here	Signature of U.S. person <i>Jennifer Calcei, Mgr Indirect Tax</i>	Date 01/02/2025
------------------	---	------------------------

General Instructions

Section references are to the Internal Revenue Code unless otherwise noted.

Future developments. For the latest information about developments related to Form W-9 and its instructions, such as legislation enacted after they were published, go to www.irs.gov/FormW9.

What's New

Line 3a has been modified to clarify how a disregarded entity completes this line. An LLC that is a disregarded entity should check the appropriate box for the tax classification of its owner. Otherwise, it should check the "LLC" box and enter its appropriate tax classification.

New line 3b has been added to this form. A flow-through entity is required to complete this line to indicate that it has direct or indirect foreign partners, owners, or beneficiaries when it provides the Form W-9 to another flow-through entity in which it has an ownership interest. This change is intended to provide a flow-through entity with information regarding the status of its indirect foreign partners, owners, or beneficiaries, so that it can satisfy any applicable reporting requirements. For example, a partnership that has any indirect foreign partners may be required to complete Schedules K-2 and K-3. See the Partnership Instructions for Schedules K-2 and K-3 (Form 1065).

Purpose of Form

An individual or entity (Form W-9 requester) who is required to file an information return with the IRS is giving you this form because they

MINIMUM QUALIFICATIONS:

Respondent must meet the following Minimum Qualifications to be considered eligible to have its Response evaluated by JEA. Respondent must complete and submit the Minimum Qualification Form provided in this Solicitation. Respondents that are working or have worked for JEA in the past 2 years involving similar work must submit JEA as a reference. JEA reserves the right to ask for additional back up documentation or additional reference projects to confirm the Respondent meets the requirements stated above.

APPENDIX B – RESPONSE FORM
1412007648 (IFB) Vegetation Management Services

JEA may reject Responses from Respondents not meeting all of the following Minimum Qualifications:

- I. The Respondent is not on the State of Florida Convicted Vendor List, State of Florida's Suspended Vendor List, The City of Jacksonville's Disqualified Vendor List, have not had their bidding privileges actively suspended by JEA, been debarred by JEA, or have had a contract with JEA terminated for default within the last two (2) years.
- II. Primary bidders must have a minimum of 10 years Utility Vegetation Management experience. Primary bidders must also currently have a minimum of 50 utility bucket tree crews within 500 miles of Jacksonville, that could be moved onto JEA's System within 3 business days if needed. These required quick response crews may be "sister" companies, but they will operate under the Primary or Secondary bidder's contract.
 - a. Additionally, primary bidders shall successfully performed two (2) similar projects in the past five (5) years of the Bid Due Date.
 - b. Primary bidders must also have a similar vegetation management project including Transmission and Distribution line clearance maintenance for a utility in the Southeast U.S, at least two (2) years in length with an annual value of \$3,000,000.00 per year.
- III. Secondary bidders must have a minimum of 10 years Utility Vegetation Management experience. Secondary bidders must also currently have a minimum of 25 utility bucket tree crews within 500 miles of Jacksonville, that could be moved onto JEA's System within 3 business days if needed. These required quick response crews may be "sister" companies, but they will operate under the Primary or Secondary bidder's contract.
 - a. Additionally, secondary bidders shall successfully performed two (2) similar projects in the past five (5) years of the Bid Due Date.
 - b. Secondary bidders must also have a similar vegetation management project including Transmission and Distribution line clearance maintenance for a utility in the Southeast U.S, at least two (2) years in length with an annual value of \$3,000,000.00 per year.
- IV. Storm bidders must have a similar continuing services contract with at least two (2) years in length, with tree trimming and vegetation clearing in transmission and distribution right-of-ways by energized power lines.
 - a. Company shall be qualified electric line clearance contractors to work around energized transmission and distribution power lines.
- V. Bidders shall also comply with the technical and commercial specifications for this solicitation. JEA may request and the bidders shall provide within 48 hours additional information regarding the company's ability to provide the scope of services in this solicitation. Failure to provide additional information may result in Bid rejection.
