JEA will generate a billing statement at the end of each month.

Payment is due within 22 days of bill date to avoid late fees. Your deposit will not be considered as payment of the monthly invoice. Failure to pay the bill on time may result in disconnection of the water supply. Questions regarding your monthly invoice or refund of your deposit, please contact Felita Rackley at 665-5336.

Temporary Construction Meters will be allowed only until the customer completes the project. Immediately following COC (Certificate of Clearance) "FINAL" and before occupancy, customer is required to make application for permanent service and pay all applicable fees. (Meter/Capacity/Installation)
