ADDENDUM NUMBER: One (1)

TITLE: ITN JEA Primary Wire for JEA Inventory Stock

JEA ITN NUMBER: 032-20

RESPONSE DUE DATE: July 14, 2020

TIME DUE: 12:00 PM

**THIS ADDENDUM IS FOR THE PURPOSE OF MAKING THE FOLLOWING CHANGES OR CLARIFICATIONS:**

- 1. A Vendor Asked, "Would you please advise if JEA is open to alternate manufacturers for products on this bid? If so, we would like to participate in the solicitation process."**

At this time JEA will not accept any alternate items as the bidders must quote the listed manufacturer and manufacturer part numbers listed within the Appendix B – Response Workbook.

JEA is not able to accept any alternate items for any of the JEA item ID's in this solicitation as JEA has not tested these items nor gone through the process of approving the alternates through the Standards process. JEA is willing to look at approving additional makes and models for the listed JEA item ID's for future orders and requirements to determine the value they could provide to JEA long term.
