COMMENTARY:

- (1) The requirement for written concurrence includes concurrence by electronic means.

Additionally, procurement actions that combine the procuring of services and the selling of JEA surplus items, (e.g., demolition of excess power generation assets), shall also require Awards Committee approval when the Transaction Value is greater than Informal Purchases threshold. - a. one properly documented quotation for Procurements of \$10,000 or less; or
- b. three written or properly documented quotations for Procurements exceeding \$10,000 but not exceeding the Formal Purchase threshold amounts stated in 3-101 (Formal Purchases).

(3) If the purchase is over \$50,000 it shall be publicly advertised for 7 to 10 days.

3-103 Methods of Pre-Source Selection

If found to be in the best interest of JEA, the Chief Procurement Officer or Designee shall authorize the use of Pre-Source Selection methods which are as follows:

(1) *Request for Information (RFI)*. A Request for Information (RFI) may request written information about the capabilities of bidders and prepare interested parties for participation in future Solicitations. The publication of a RFI notice does not obligate JEA to make the purchases referred to in the RFI.

(2) *Intent to Bid*. An Intent to Bid is intended to provide information to all bidders of JEA's intent to solicit a bid for Supplies or Services. The Intent to Bid may request a response from Bidders confirming their intent to submit a bid in response to a future JEA Solicitation. The publication of an Intent to Bid notice does not obligate JEA to make the purchases referred to in the Intent to Bid.

3-104 Methods of Source Selection

All JEA Contracts shall be awarded through a competitive sealed bidding process, pursuant to Section 3-105 (Invitation for Bids), unless otherwise provided in the following Section(s):

- (1) Procurement Directives issued pursuant to Section 2-201(2) (Procurement Code Exemptions);
- (2) Section 3-109 (Multi-Step Competitive Bidding);
- (3) Section 3-106 (Request for Proposals);

3-105 Invitation For Bids (IFB)

(1) *Conditions for Use*. An IFB is the preferred method for acquiring Supplies and Services. Contracts awarded using this methodology shall be awarded based on price through a competitive sealed

bidding process except as otherwise provided in Section 3-104 (Methods of Source Selection). An IFB shall be used when JEA is capable of precisely defining the Specifications for a Supply or Service. An Award of Contract is based solely on the dollar amount of the Bid and does not include discussions or negotiations of material terms and conditions with the bidders.

COMMENTARY:

(1) IFBs are used when JEA is seeking the lowest price.

3-106 Request for Proposals (RFP)

(1) *Conditions for Use.* This bidding methodology shall be utilized if the Chief Procurement Officer or Designee determines that it is advantageous to JEA. JEA may use a RFP when (i) the evaluation criteria include quality measures in addition to price, or (ii) the Specifications cannot be precisely defined. Various combinations or versions of Supplies or Services may be proposed by a Company to meet the Specifications of the RFP document.

(2) This Section does not apply to the procurement of professional architectural, engineering, landscape architectural or surveying and mapping services. These types of services shall be obtained in accordance with Section 3-107 (Procurements subject to the Consultant's Competitive Negotiation Act) of this Code.

COMMENTARY:

(1) RFP Awards are based on quality and price, and allow greater flexibility in negotiating contract terms and conditions.

3-107 Consultant's Competitive Negotiation Act (CCNA) (Architectural, Engineering, Landscape Architectural, Or Surveying & Mapping Services)

(1) *Conditions for Use.* Professional architectural, engineering, landscape architectural, or surveying and mapping services shall be obtained in accordance with Florida Statutes 287.055, entitled "Consultant's Competitive Negotiation Act"(CCNA).

COMMENTARY:

(1) The CCNA process is required for these types of services and selection is based on quality measures only.

3-108 Competitive Selection Procedures for Design-Build Services

(1) *Conditions for Use.* JEA shall Award a Design-Build Contract in accordance with Section 287.055(9), Florida Statutes, or the Operational Procedures. The Operational Procedures allow the Award of a Design-Build Contract by the use of a competitive proposal selection process.

COMMENTARY:

(1) Design-Build is used in cases where the general design and construction requirements are known, but the detailed design and engineering is not completed, and this approach has been determined to be in the best interest of JEA.

3-109 Multi-Step Competitive Bidding

(1) *Conditions for Use.* Multi-Step Bidding involves a two phase process in which bidders first submit proposed revisions to both the commercial and technical terms of the Solicitation. During the second phase, the bidder shall submit a bid price based on a revised Solicitation. An Award is based solely on the price of the bid and does not include additional discussions or negotiations of material terms and conditions with bidders after the Award is approved.

COMMENTARY:

(1) Multi-Step Competitive Bidding provides flexibility for JEA to define commercial and technical terms after vendor feedback is obtained during the first step of the Solicitation process.

3-110 Invitation to Negotiate

(1) *Conditions for Use.* The Invitation to Negotiate is a Solicitation which in which JEA identifies one or more responsive Companies with whom JEA may request revised bids or responses, culminating in a Best and Final Offer, from which JEA will make its Award decision. The procedures for conducting an Invitation to Negotiate shall be described in the Operational Procedures.

COMMENTARY:

(1) This sourcing method provides added flexibility for JEA to directly negotiate with vendors during the IFB or RFP process to obtain the best overall pricing and service levels.

3-111 Sole Source Procurements

(1) *Conditions for Use.* A Contract may be awarded for Supplies or Services as a Sole Source when, pursuant to the Operational Procedures, the Chief Procurement Officer or Designee determines that:

- (a) there is only one justifiable source for the required Supplies or Services; or
- (b) a service is a follow-up of Services that may only be done efficiently and effectively by the Company that rendered the initial Services to JEA, provided the initial procurement was competitive.

3-112 Standard, Proprietary & Original Equipment Manufacturer Procurements

(1) *Conditions for Use.* A Contract may be awarded for Supplies or Services with limited or no competition when the Supplies or Services:

- (a) have been selected as a JEA standard in the course of a standards program or through the action of a standards committee (standard); or
- (b) must be a certain type, brand, make or manufacturer (proprietary); or
- (c) must be obtained from the original equipment manufacturer, manufacturer's representative or a distributor authorized by the original equipment manufacturer because

of the criticality of the item or compatibility within the JEA system (original equipment manufacturer).

3-113 Emergency Procurements

(1) *Conditions for Use.* Notwithstanding any other provision of this Code, the Chief Procurement Officer or Designee may make or authorize Emergency Procurements when there exists an Emergency as defined in this Code, provided that such Emergency Procurements shall be made with as much competition as is practicable under the circumstances. A written determination of the basis for the Emergency and for the selection of the particular Company shall be included in the Procurement file.

3-114 Public Private Ventures

(1) *Conditions for Use.* JEA hereby adopts F.S. §287.05712, as may be amended from time to time, for the receipt of unsolicited proposals for a qualifying project and the entering of contracts with a private entities for such projects, subject to the following conditions:

(a) *Application Fee.* The purpose of an application fee is to pay for the costs of evaluating the unsolicited proposal. The application fee shall be for the direct costs associated with JEA's engagement of non-JEA staff in the evaluation of the unsolicited proposal. The proposer will be notified of the estimated costs of evaluation and shall either pay the application fee or withdraw the unsolicited proposal.

(b) *Public Notice.* JEA shall publish public notice in a newspaper of general circulation at least once a week for two weeks stating that JEA has received the unsolicited proposal and JEA will accept other proposals for the same project. The timeframe for allowing other proposals shall be no fewer than 21 days but no more than 120 days after the initial date of publication of the notice.

(c) *Receipt of Proposals.* Sealed proposals must be received by the Procurement Office no later than the time and date specified for submission in the published notice.

(d) *Proposal Evaluations.* An evaluation team shall evaluate and rank the proposals based upon factors that include, but are not limited to, professional qualifications and experience, general business terms, innovative design, techniques or cost-reduction terms, and finance plans. Proposers may be invited to make oral presentations regarding their proposals. The recommendations of the Evaluation Team shall be submitted to the Awards Committee for approval, rejection or reconsideration.

(e) *Award.* For contracts involving long-term debt financing by JEA, the Awards Committee recommendation shall be reviewed and approved by the CEO. Award shall be made to the highest-ranked responsible proposer whose proposal is most advantageous to JEA in accordance with the criteria the Evaluation Team used in evaluating and ranking the proposals. The decision of the CEO shall be final. Written notice of the award shall be given to the successful proposer. Awards made by the CEO shall include authority for all subsequent options of renewal, if any. All contracts shall be in a form acceptable to the CEO and are subject to approval as to legal form by the Office of General Counsel. The Chief

Financial Officer or his/her designee shall review all finance plans and documents related to the Private Entity's performance, payment of subcontractors and similar responsibilities. The Director of Risk Management shall review all insurance and related requirements.

3-115 Collaborative Procurement Agreements

(1) *Authorization.* JEA may participate in, sponsor, conduct, or administer a Collaborative Procurement agreement for the Procurement of any Supplies or Services or Real Estate with one or more public or Utility Industry Partners, nonprofit organizations or purchasing alliances in accordance with an agreement entered into between the participants. Such Procurements shall be in accordance with Operational Procedures.

(2) *Compliance with Code.* JEA shall not enter into a Collaborative Procurement agreement for the purpose of circumventing this Code. When the Chief Procurement Officer determines that the Procurement policies and practices utilized by the public or Utility Industry Partner administering a Collaborative Procurement effort substantially comply with the underlying purposes and policies of this Code, JEA's participation in the Collaborative Procurement agreement shall be deemed to be in compliance with this Code.

(3) *Controversies.* Contract controversies arising from a Collaborative Procurement agreement may be resolved in accordance with Article 5, Administrative Remedies, or in accordance with other procedures established or adopted by the public or Utility Industry Partner administering the Collaborative Procurement.

3-116 Joint Projects

JEA may enter into joint projects with public or Utility Industry Partners, the City of Jacksonville and its other independent agencies or other political subdivisions (e.g., the United States Navy, the Florida Department of Transportation, etc.) independent of the requirements of Article 3, Source Selection. Joint projects may include, but shall not be limited to, the following:

- (a) combined water, sewer, drainage and road projects with the City of Jacksonville and Florida Department of Transportation;
- (b) projects that provide significant benefit to JEA and its ratepayers.

3-117 Use of Publicly Procured Contracts

JEA may procure from, or in accordance with pricing, or other terms and conditions set forth in contracts of the City of Jacksonville and its other independent agencies or political subdivisions, other city and state or governmental agencies, school board districts, community colleges, federal agencies, the public or governmental agencies of any state, or from state university systems, and procurement authorities of JEA separate systems, independent of the requirements of Article 3, Source Selection. These

Procurements shall be awarded through the Awards Committee in accordance with the Operational Procedures promulgated in accordance with Section 2-403 (Awards Committee Procedures).

COMMENTARY

St. Johns River Power Park and Unit 4 of Plant Scherer are separate systems of JEA.

3-118 Use Of Contract Types

(1) Any type of Contract subject to this Code that will promote the best interest of JEA may be used provided that, to the maximum extent practicable, all Formal Contracts, except master Contracts, must contain a not-to-exceed maximum amount. All subsequent orders or work authorizations under master Contracts must be in writing and contain a not-to-exceed maximum amount.

(2) A Cost-Reimbursement Contract may be used only when a determination is made that such Contract is likely to be less costly to JEA than any other type or that it is impracticable to obtain the Supplies or Services required except under such a Contract.

COMMENTARY:

(1) JEA has restrictions upon the use of funds in a fiscal year other than that in which the funds are appropriated. This section permits multi-year Procurement so that JEA may:

- (a) procure larger quantities and obtain the benefits of volume discounts; and
- (b) encourage Companies to make capital investments or investments in process changes required to reduce the cost of Supplies or Services they provide JEA.

(2) A multi-year Contract should be used only for master Contracts, unit price Contracts and Supplies or Services needed on a continuing basis with annual quantity requirements that can be reasonably estimated in advance. Multi-year Procurements should attract more competitors to submit bids or offers for the large Contract Awards and thereby provide JEA with the benefits of increased competition.

(3) In some cases, potential vendors are reluctant to enter into multi-year Contracts because of volatility or fluctuations in the vendor's cost of materials or components. To facilitate volume discounts through multi-year Contracts in these situations, Contracts may be structured with fixed and variable cost elements, where the variable cost elements escalate or de-escalate based upon materials or component prices at the time of order. For example, multi-year Contracts for cable and transformers may contain a variable price element based upon the published metals market cost of copper. In no situation, however, shall JEA enter into a Contract with variable price elements that requires JEA to order Supplies when such Supplies exceed any not-to-exceed price established in the Contract or when JEA determines that such order is not in its best interest.

3-119 Form Of Contract Documents

(1) *Formal Contracts.* The Office of General Counsel shall approve as to form all initial Contract documents requiring the signature of multiple parties for Contract documents exceeding the Informal Purchase amount. Contract Amendments do not require OGC form approval, unless specifically requested by JEA, and can be signed by the Chief Procurement Officer after review by a qualified JEA Employee.

(2) *Informal Contracts.* Purchase order formats may be used for Contracts that do not require the formality of signatures by both parties. If a Contract is executed for an Informal Purchase, it does not require OGC form approval, unless specifically requested by JEA, and can be signed by the Chief Procurement Officer after review by a qualified JEA Employee.

COMMENTARY:

(1) The Operational Procedures shall specify when a Contract should be established for a particular Procurement.

3-120 Execution of Contract Documents

The Chief Executive Officer shall execute all Contracts. The Chief Executive Officer may delegate to the Chief Procurement Officer the authority to execute Contracts. Contracts and purchase orders may be executed by electronic means or by facsimile signatures.

3-121 Project/Contract Manager Requirements

The role of a JEA Project and/or Contract Manager is as follows:

- (a) Focus on making best business decisions for JEA when authorizing work and approving invoices;
- (b) Improve Contract compliance by measuring vendor performance, applying liquidated damages, and holding the vendor accountable to Contract requirements;
- (c) Unless otherwise approved by the Director of the Organizational Element, payment retainage shall be in accordance with Florida Statute 255.078, as amended;
- (d) Take invoice payment discounts when appropriate; and
- (e) Ensure all invoices are processed per the Contract pricing and terms.

COMMENTARY:

(1) For Subsection (c), a Director of the Organizational element may reduce the retainage below the amount specified by Florida Statutes: (a) to an amount equal to no less than 20% of the remaining cost to complete the project; (b) where there are no performance issues or quality concerns with the Company to date; and/or (c) Contract is 90% complete.

3-122 Continuing Services Contracts

Continuing services contracts are utilized for recurring work that is projected over a period of time. Individual Tasks issued under a continuing services contract shall not exceed either the amount authorized by the Contract or the amount as authorized by Florida Statutes for the specific category of work.

COMMENTARY

The maximum Individual Task amounts for Professional Services are specified in Florida Statute 287.055 (2)(g), and the maximum amount for Individual Tasks for Construction Services are specified in Florida Statute 355.32 (3)

3-123 Contract Pricing Terms

Contract pricing terms are required in all contracts and are the basis for invoice payment approvals. The appropriate type of pricing terms will depend on the type of contract and work being performed and include, but are not limited to, the following:

-
- (a) Lump Sum/Fixed price Contracts. This type of Contract should be utilized for work that is clearly defined through the delivery of a specific deliverable or project milestone.
 - (b) Time and Materials and Labor Hour Contracts /Cost Reimbursement Contracts. This type of contract should be used when the scope and/or amount of work is uncertain at the beginning of the contract period.
 - (c) Unit Price Contracts: This type of contract is most appropriate for operations, repair and maintenance work provided through Continuing Services contracts.

The JEA Board authorizes the Chief Executive Officer or appointed managers designated by the Chief Executive Officer to:

- (a) open and close accounts at registered broker/dealers or banks;
- (b) purchase or sell securities which are authorized investments and sell securities provided to JEA as payment by customers in lieu of cash. The registered broker/dealer or bank is authorized to act upon any orders and instructions whether written or oral with respect to such account, and for the delivery of securities or money therefrom when received from the aforementioned appointed managers. Any of the aforementioned appointed managers may delegate to JEA Employees the authorization to transmit information regarding the execution and/or consummation of a trade described above. Securities transactions shall be approved in writing by any of the aforementioned appointed managers.

(2) *Execution of Certain Other Agreements.* Master Repurchase Agreements and tri-party master Repurchase Agreements and the related custody agreements shall be executed by the Chief Executive Officer or appointed managers designated by the Chief Executive Officer.

4-302 Financial Instruments and Arrangements

(1) *General.* Financial instruments and arrangements include interest rate Swaps, Caps, Floors, Collars, Options and related hedging instruments, Bond Insurance, surety policies, letters of credit,

Forward Supply Agreements, float Contracts, Guaranteed Investment Contracts (GIC's), and related investment instruments used primarily in escrow agreements relating to debt instruments and other credit enhancement and Liquidity Support. Due to the dynamic nature of the marketplace for the foregoing, these types of instruments and arrangements shall be procured in a manner as authorized in this Section or as authorized by the Chief Executive Officer, or Designee on a case by case basis, based on prevailing practices in the marketplace for such financial instruments and arrangements. Written approval by the Chief Executive Officer or Designee of the Procurement methodology shall be obtained prior to the Procurement, if the Procurement methodology is different than the methods specified below. Final approval of the winning bidder for the various instruments in this Section will be confirmed by the Chief Executive Officer or Designee.

(2) *Selection.* Suggested methods of procuring the Companies that provide these instruments and arrangements and/or executing the transactions are:

- (a) competitive bid by the Organizational Element directly or through JEA's financial advisor. Such bid may be restricted to the group of Companies selected to serve as underwriter or otherwise pre-qualified Companies as recommended in writing by JEA's financial advisor (e.g., top rated banks to provide Liquidity Support for JEA's commercial paper program) for interest rate Swaps, Hedges, Caps, Floors, Collars, Options, Bond Insurance, surety policies, letters of credit, Forward Supply Agreements, float Contracts, Guaranteed Investment Contract (GIC's) and related investment instruments used primarily in escrows agreements relating to debt instruments, other credit enhancements, and Liquidity Support.
- (b) Request for Information Solicitation by the Organizational Element or through JEA's financial advisor. Such Request for Information may be limited to the group of Companies selected to serve as underwriter or other groups of prequalified Companies as recommended in writing by JEA's financial advisor. If more than one Company is selected based on the RFI, a competitive bid shall be utilized among the Companies selected; and
- (c) if considered by the Chief Executive Officer to be in the best interest of JEA and upon the recommendation of JEA's financial advisor, the Chief Executive Officer may negotiate these types of instruments and agreements with one or more Companies from within JEA's underwriting group or other groups of Companies as recommended in writing by JEA's financial advisor. (e.g., an interest rate Swap executed in conjunction with a bond issue without being subject to (a) and (b) above). In the case of interest rate Swaps, interest rate Caps, Collars, Options and any related hedging agreements, the execution of such instruments or agreements shall be subject to the authorizations approved by the JEA Board on September 21, 1993, April 5, 1994 and April 19, 1994 and any subsequent approvals. In the case of interest rate Swaps, Caps, Floors, Collars, Options, and related hedging instruments,

such agreements (and any related agreements or arrangements, including without limitation related collateral agreements, that are determined necessary) shall be executed by the Chief Executive Officer or Designee upon confirmation by JEA's financial advisor that the terms and provisions thereof are commercially reasonable and consistent with customary practices in the relevant market for similar agreements.

(3) *Administration.* This section adopts and codifies those resolutions approved by the JEA Board on September 21, 1993, April 5, 1994 and April 19, 1994, and subsequent related resolutions. Any changes to those resolutions shall be approved by the JEA Board in the form of amendments to the Code or through additional resolutions approved by the Board. Bond Insurance, surety policies, and other credit enhancements or Liquidity Support agreements shall be approved by the JEA Board in conjunction with the related debt financing. Companies selected to serve as counterparties for Bond Insurance, surety policies, letters of credit, Forward Supply Agreements, float Contracts, Guaranteed Investment Contracts (GIC's) and related investment instruments used primarily in escrow agreements relating to debt instruments, other credit enhancements, Liquidity Support, and other similar instruments and arrangements, are subject to a written agreement executed by the Chief Executive Officer or Designee.

COMMENTARY:

(1) It is expected that sufficient expertise will be available in the underwriting group so that the interest rate Swaps can be competitively bid within the underwriting group. If the JEA staff determines that a market rate will not be obtained from the existing underwriting group, then additional prequalified bidders may, at the discretion of the Chief Executive Officer, be added to the group.

(2) It is anticipated that interest rate Swaps and other financial instruments outlined in this section will usually be competitively bid.

4-303 Purchases in the Secondary Market of Debt

(1) Purchases in the secondary market of debt issued under bond resolutions cited in Section 4-201(d) (Types of Procured Financial Instruments and Services) shall be purchased pursuant to Section 12.0 of JEA's Investment Policy approved by the JEA Board on September 5, 1995 (most recently amended 12/20/11), and any subsequent amendments to that policy approved by the JEA Board. Such purchases are subject to the applicable covenants contained in JEA's bond resolutions; or

(2) Policies, procedures, resolutions or related documents approved by the Board relating to the purchase or retirement of JEA debt.

Several underwriters may be selected to perform underwriting and related Services for JEA. A master

underwriting agreement shall be executed by the Chief Executive Officer at the end of the Solicitation process and a separate bond purchase agreement with the underwriter(s) shall be executed by an authorized officer of JEA upon the approval of the JEA Board for each sale of debt. Each such bond purchase agreement shall specify, among other customary matters, the fee to the underwriters.

(2) *Negotiations - Sales.* Board-approved resolutions authorize the sale of debt for each System. The Chief Executive Officer or Designee shall negotiate the sale of bonds, notes or other financial instruments with the designated lead debt underwriter.

4-305 Debt Underwriting Services to Underwrite Bonds, Notes or Other Financial Instruments Issued Under Bond Resolutions, Subject to a Competitive Bid

(1) *General.* Debt underwriting services to underwrite bonds, notes or other financial instruments issued under bond resolutions cited in Section 4-201(e) (Types of Procured Financial Instrument and Services) subject to a competitive bid shall be procured in accordance with (2) below.

(2) *Selection.* Bonds or revenue certificates and refunding bonds or refunding revenue certificates issued pursuant to the JEA Charter if sold by competitive bid shall be sold to the bidder whose bid produces the lowest true interest cost to JEA. The JEA Board may restrict the bidders in any sale by pre-qualification or otherwise and may reserve the right to reject any or all bids. Prior to any sale by competitive bid of bonds or revenue certificates, the JEA Board shall cause notice to be given in such manner and at such time as the JEA Board shall determine. Said notice shall specify such matters relating to the bonds or revenue certificates offered for competitive sale as the JEA Board shall determine and shall state the manner in which bids shall be given. The JEA Board may reserve the right to waive any informalities or irregularities if the JEA Board determines that such action is in JEA's best interest. In no event shall said bonds or revenue certificates be sold at a net interest cost to JEA in excess of the legal limit as established by Section 215.84 F.S., or according to said section as it may from time to time be amended.

4-306 Bond Counsel and Related Legal Services

The Procurement of bond counsel and related legal Services shall be in a manner authorized by the Office of General Counsel. The Office of General Counsel may deem it appropriate to utilize the method contained in the City of Jacksonville Procurement Code Section 126.311 or in accordance with Section 3-106 (Request for Proposals) of the Code, and does not require the approval of the Chief Procurement Officer. Regardless of the Procurement process used, the General Counsel shall make the final selection of the top ranked Company and recommend said Company to the JEA Board for approval.

4-307 Financial Advisory Services

The Procurement of financial advisory Services shall be in accordance with Section 3-106 (Request for Proposals) and does not require the approval of the Chief Procurement Officer.

4-309 Credit Rating Agencies Services

Authority to select appropriate additional credit rating agencies, in addition to the nationally recognized credit rating agencies of Fitch Ratings, Moody's Investors Service and Standard and Poor's, to secure debt ratings and related Services for JEA is delegated to the Chief Executive Officer or Designee. Terms and conditions for such Services shall be negotiated with the credit rating agency selected. Companies selected must be nationally recognized credit rating agencies that comply with bond resolution requirements and are acceptable to JEA's debt underwriter, remarketing agent or dealer in order to provide marketability for bonds, notes, or other financial instruments issued by JEA. The Chief Executive Officer or Designee has the authority to delete any of the Companies providing this Service.

4-310 Dealers or Remarketing Agents that Market Commercial Paper, Variable Rate Demand Obligations (VRDO), or other Variable Rate Debt

Selection. Procurement for dealers or remarketing agents that market commercial paper, VRDO or other variable rate debt issued under bond resolutions cited in Section 4-201(d) (Types of Procured Financial Instruments and Services) shall be by a (1) Request for Information (RFI) Solicitation by the Organizational Element or JEA's financial advisor; such RFI shall be limited to the group of Companies selected to serve as debt underwriters and that participate as dealers or remarketing agents in the commercial paper market, VRDO or other variable rate debt markets, or other pre-qualified groups, as recommended in writing by JEA's financial advisor, (2) as outlined in the then current underwriters' agreement. or (3) if considered by the Chief Executive Officer to be in the best interest of JEA and upon the recommendation of JEA's financial advisor, the Chief Executive Officer may negotiate these types of services and agreements with one or more Companies from within JEA's underwriting group or other qualified Companies as recommended in writing by JEA's financial advisor.

4-311 Securities Lending Arrangements

(1) *General.* Securities Lending arrangements are authorized pursuant to the electric system and bulk power supply system bond resolutions. On November 2, 1993, the JEA Board approved a resolution outlining methods of procuring and entering into Securities Lending arrangements. Responsible Bidders for Securities Lending arrangements shall be selected pursuant to requirements outlined in the JEA investment policy, Section 9.0, approved by the JEA Board on September 5, 1995. This section applies to future bond resolutions that authorize Securities Lending transactions.

(2) *Selection.* Suggested methods of procuring the Companies that provide Securities Lending arrangements are:

- (a) competitive bid by the Organizational Element directly or through JEA's financial advisor. One or more counterparties shall be selected by the highest bid of security lending income to JEA that complies with the provisions of the bond resolution under which the securities to be loaned are held;
- (b) Section 3-106 (Request for Proposals) or
- (c) if considered by the Chief Executive Officer to be in the best interest of JEA and upon the recommendation of JEA's financial advisor, the Chief Executive Officer may negotiate these types of services and agreements with one or more Companies from within JEA's underwriting group as recommended in writing by JEA's financial advisor.

(3) *Administration.* Agreements with one or more counterparties and related custodial agreements shall be executed by the Chief Executive Officer or Designee. These agreements shall also be approved by JEA's financial advisor and as to form by the Office of General Counsel.

COMMENTARY:

Based on the prevailing market practice at the time of selection, JEA shall determine the method expected to produce the best results for JEA in order to select the Companies with which to enter into Securities Lending agreements.

4-312 Financial Printing Services, Including but not Limited to Official Statement Printing

Procurement for these Services shall be obtained by one of the following methods:

- (a) competitive bid for official statement printers by the Organizational Element directly or through JEA's financial advisor. JEA shall utilize the printer with the lowest responsible bid; or
- (b) Section 3-102 (Informal Purchases).

4-313 Banking Services

Procurement of these Services shall be in accordance with Section 3-106 (Request for Proposals) and does not require the approval of the Chief Procurement Officer. The JEA Board authorizes the Chief Executive Officer or appointed managers designated by the Chief Executive Officer to:

- (a) open and continue accounts at any bank under Contract with JEA;
- (b) sign and agree to the provisions of said bank's customary corporate signature card, and authorize the said bank to pay or otherwise honor any checks, drafts, or other orders issued from time to time, for debit to said accounts when signed manually or by facsimile impression by any two of certain appointed managers;
- (c) authorize the electronic transfer of funds;
- (d) act on behalf of JEA in all matters and transactions relating to any of its business with the bank, including the withdrawal of property at any time held by the bank for the account of JEA; and
- (e) provide the bank the authority to accept for deposit for the account of JEA, for credit, or for collection, or otherwise, any and all checks, drafts, and other instruments of any kind endorsed by any persons, or by hand stamp impression, in the name of JEA, or without endorsement.

4-314 Escrow Verification Services and Accounting Services Related to a Debt Issue or Escrow Restructuring

Included in JEA's Contract with its external auditors is a provision for the auditors to perform these Services. If these Services can be obtained for a lesser total cost, including internal JEA costs, than provided for in the current Contract with the external auditors, then proposals may be obtained and evaluated pursuant to (1) the provisions of Section 3-106 (Request for Proposals) (2) Section 3-102 (Informal Purchases) or (3) competitive bid by Organizational Element or through JEA's financial advisor.

4-315 Letters of Credit or Revolving Credit Facilities

JEA on occasion has the option to secure certain contractual obligations by providing a Letter of Credit instead of cash payment or deposit. Procurement of such instruments for this purpose shall be limited to the banks selected per Section 4-313 (Banking Services). The Chief Executive Officer is authorized by a JEA Board resolution approved March 7, 1989 to execute individual letters of credit or lines of credit in an amount not to exceed \$5,000,000, and in the aggregate not to exceed \$25,000,000 outstanding at any time. This section does not pertain to letters of credit or lines of credit that provide credit enhancement or Liquidity Support for JEA's demand obligations or commercial paper programs and which are procured under Section 4-302 (Financial Instruments and Arrangements).

In addition, JEA may determine pursuant to the requirements of the JEA Charter to utilize revolving credit facilities for any legal corporate purposes. The Chief Executive Officer shall determine the need for utilization of such instruments up to a maximum of \$25,000,000, and shall execute the applicable documents. The JEA Board shall approve any amount in excess of \$25,000,000. Procurement of such instruments for this purpose shall be by one of the following methods:

- (a) Request for Information or competitive bid by the Organizational Element or through JEA's financial advisor with banks as recommended by the financial advisor,
- (b) Section 3-106 (Request for Proposals) and does not require the approval of the Chief Procurement Officer, or
- (c) if considered by the Chief Executive Officer to be in the best interest of JEA and upon the recommendation of JEA's financial advisor, the Chief Executive Officer may negotiate these types of services and agreements with one or more banks as recommended in writing by JEA's financial advisor.

COMMENTARY:

Maximum limits for letters of credit or Liquidity Support for working capital purposes are in addition to those limits required for letters of credits or Liquidity Support utilized instead of cash payments or deposits.

4-316 Sale of Voluntary Florida Cleanup Tax Credits

Procurement for these Services shall be obtained by one of the following methods:

- (a) Request for Information or competitive bid by the Organizational Element,
- (b) Section 3-106 (Request for Proposals) and does not require the approval of the Chief Procurement Officer, or
- (c) if considered by the Chief Executive Officer to be in the best interest of JEA, the Chief Executive Officer may negotiate these types of services and agreements with one or more firms and approved as to form by the Office of General Counsel.

4-401 Ratification of Expenditures

The Chief Executive Officer shall ratify by signature a summary statement of all expenditures made in accordance with JEA's established practices and policies and applicable statutes. Such ratification shall be made on a monthly basis. This section of the Code satisfies the requirement of Section 21.10 of the JEA Charter.

4-402 Reimbursement of Certain Expenditures from Long-term Permanent Financing

United States Treasury regulations in effect upon the effective date of this Code require JEA to make an official written declaration of its intent to incur certain expenditures using temporarily available

funds in anticipation of reimbursing such expenditures from the proceeds of debt obligations of JEA. The Chief Executive Officer or Chief Financial Officer or additional Designee is authorized to declare JEA's intention in writing to reimburse previously incurred expenditures out of proceeds of debt obligations to be issued at a later date. The Chief Executive Officer or Designee is authorized to execute documents that declare that intention and any additional documents necessary to satisfy the Treasury regulations regarding these transactions.

COMMENTARY:

United States tax regulations do change periodically. Future changes on this issue shall be automatically incorporated to this Code without further approval by the JEA Board.

ARTICLE 5 - ADMINISTRATIVE REMEDIES

5-101 Authority to Resolve Protested Solicitations and Awards

(1) *Right to Protest.* Any Company who is aggrieved in connection with a Solicitation or an Award of a Contract may submit a protest to the Chief Procurement Officer.

(2) *Protest Submittal.* All protests shall be submitted in writing and addressed to the Chief Procurement Officer. The protest shall clearly state the following:

- (a) the facts and issues supporting the protest,
- (b) specifically state how the Company has standing to protest,
- (c) and the remedies requested to resolve the protest.

(3) *Timeliness.* Failure to submit a timely protest shall result in the protest being rejected.

A protest concerning an Award of a Contract shall be submitted in writing forty-eight (48) hours after such aggrieved Company knows, or should have known, of the facts giving rise thereto. A protest concerning a Solicitation (including any Minimum Qualifications or any Specifications) must be submitted within five (5) calendar days prior to Bid Opening.

(4) *Authority to Resolve Protests.* Prior to the commencement of an action in court concerning a protest, the Chief Procurement Officer or Designee shall have the authority to settle and resolve a Company's protest concerning a Solicitation or Award of a Contract. This authority shall be exercised in accordance with the JEA Operational Procedures. Unless otherwise allowed by Florida Statutes, a Company must exhaust all administrative remedies afforded to it by this Code and Operational Procedures before it can commence an action in a court of law.

(5) *Decision.* The Chief Procurement Officer or Designee shall promptly issue a decision in writing addressed to protesting Company. The decision shall:

- (a) recite all relevant facts;
- (b) state the reasons for the action taken; and

(c) inform the Company of its right to administrative review as provided in this Article.

(6) *Notice of Decision.* A copy of the decision under Subsection (5) of this section shall be mailed or otherwise furnished immediately to protesting Company and any other party intervening.

(6) *Finality of Decision.* A decision under Subsection (5) of this Section shall be final and conclusive, unless clearly erroneous or fraudulent and any Company adversely affected by the decision may appeal administratively to the JEA Procurement Appeals Board in accordance with Section 5-303 (Appeals).

(7) *Stay of Procurements During Protests.* In the event of the receipt of a timely protest under Subsection (1) of this Section or under Section 5-303 (Appeals), JEA shall not proceed further with the Solicitation or with the Award of the Contract unless the Chief Procurement Officer, after consultation with the manager of the Organizational Element, makes a written determination that the Solicitation or Award of the Contract without delay is necessary to protect substantial interests of JEA.

COMMENTARY:

(1) It is essential that actual or prospective bidders and proposers have confidence in the procedures for soliciting and awarding Contracts. This can best be assured by allowing an aggrieved Company to protest a Solicitation, Award, or related decision. This section and Section 5-303 (Appeals) would permit actual or prospective bidders and proposers to:

- (i) promptly submit a protest to the Chief Procurement Officer concerning a Solicitation or Award; and
- (ii) have the protest decision reviewed by the Procurement Appeals Board.

(2) Nothing in this section is intended to affect the ability of the Office of General Counsel to settle actions pending before the Procurement Appeals Board, or the courts.

(3) The public posting of the Awards Committee agenda on the JEA website shall serve as one way in which a Company should know about an upcoming Award. The 48 hour limit for filing a protest shall begin at this public notice in this instance.

(4) Only a Company who is adversely affected by JEA's actions may file a protest under this Section. The purpose behind the standing requirement is to ensure that the protesting Company has a sufficient interest in the outcome of the protest resolution.

5-102 Authority to Debar or Suspend

(1) *Authority.* The Chief Procurement Officer or Designee is authorized to debar or suspend a Company from bidding on all JEA procurements for actions described in Subsection (2) of this Section. This authority shall be exercised in accordance with Operational Procedures and with the advice and counsel of the Office of the General Counsel.

(2) *Debarment.* After reasonable notice to the Company and a reasonable opportunity was provided for the Company to be heard, the Chief Procurement Officer, after consultation with the manager of the Organizational Element, shall have authority to debar a Company from consideration for the Award of Contracts. The debarment shall be for a period of no more than three (3) years.

(3) *Suspension.* After reasonable notice to the Company and a reasonable opportunity was provided for the Company to be heard, the Chief Procurement Officer, after consultation with the manager of the Organizational Element, shall have authority to suspend a Company from consideration for Award of Contracts. The suspension shall be for a period not exceeding six (6) months.

(4) *Causes for Debarment or Suspension.* The Chief Procurement Officer's decision to debar or suspend a Company shall depend on the seriousness of the adverse actions of the Company. The causes for debarment or suspension include, but may not be limited to, the following:

-
- (a) conviction of a Public Entity Crime and inclusion on the State of Florida Convicted Vendor List pursuant to Section 287.133 F.S.;
 - (b) violation of Contract terms or requirements, as set forth below, of a character that is regarded by the Chief Procurement Officer to be so serious as to justify debarment or suspension action:
 - (i) deliberate failure, without good cause, to perform in accordance with the Contract, Specifications, performance levels, warranty provisions, bonding and insurance requirements, or to comply within the time limits provided in the Contract, or failure to pay subcontractors; or
 - (ii) a recent record of failure to perform or of unsatisfactory performance in accordance with the terms of one or more JEA Contracts, including the delivery of Supplies, provided that the failure to perform or unsatisfactory performance was not caused by acts beyond the control of the Company,; or
 - (c) poor performance as reported under JEA's Vendor Performance Program;
 - (d) debarment or suspension by another governmental entity;
 - (e) the Company acted fraudulently or in bad faith;
 - (f) violation of JEA and the City of Jacksonville Ethic Code;
 - (g) violation of Ex Parte requirements; and
 - (h) any other cause the Chief Procurement Officer determines to be so serious and compelling as to affect the Company's performance of a Contract.
- (5) *Decision.* The Chief Procurement Officer shall issue a written letter to the Company informing it of the decision to debar or suspend that Company. The decision shall:
- (a) recite all relevant facts,
 - (b) state the reasons for the action taken,
 - (c) state the timeframe for debarment or suspension, and,
 - (c) inform the debarred or suspended Company involved of its rights to administrative review as provided in this Article.
- (6) *Notice of Decision.* A copy of the decision under Subsection (3) of this section shall be mailed or otherwise furnished immediately to the debarred or suspended Company and any other party intervening.
- (7) *Finality of Decision.* A decision under Subsection (3) of this Section shall be final and conclusive, unless fraudulent, or the debarred or suspended Company appeals administratively to the Procurement Appeals Board in accordance with Section 5-304 (Protest of Suspension or Debarment Proceedings).

COMMENTARY:

It is strongly encouraged the Office of General Counsel is consulted prior to the commencement of debarment or suspension of a Company. Debarments involve situations that involve a greater degree seriousness, harm, or damage to JEA.

5-103 Authority to Resolve Contract and Breach of Contract Controversies

(1) *Applicability.* This Section applies to controversies between JEA and a Company (the “Parties”) that arise under, or by virtue of, a Contract between the Parties and cannot be settled in the normal course of business to the mutual satisfaction of the Parties and after reasonable attempts by the JEA Project Manager to resolve the matter. This includes but is not limited to, controversies based upon breach of Contract, mistake, misrepresentation, failure to perform, payment disputes, or other causes for disputes concerning the Contract terms.

(2) *Authority.* Prior to commencement of an action in a court concerning the controversy, the Chief Procurement Officer or Designee is authorized to settle and resolve a controversy described in Subsection (1) of this Section. This authority shall be exercised in accordance with Operational Procedures and with the advice and counsel of the Office of the General Counsel.

(3) *Decision.* If such a controversy is not resolved by mutual agreement, the Chief Procurement Officer or Designee shall promptly issue a decision in writing. The decision shall:

- (a) recite all relevant facts;
- (b) state the reasons for the action taken; and
- (c) inform the Company of its right to administrative review as provided in this section.

(4) *Notice of Decision.* A copy of the decision under Subsection (3) of this section shall be mailed or otherwise furnished immediately to the Company.

(5) *Finality of Decision.* The decision under Subsection (3) of this section shall be final and conclusive, unless fraudulent, or the Company appeals to the Procurement Appeals Board in accordance with Section 5-305 (Contract and Breach of Contract Controversies).

COMMENTARY:

(1) The word "controversy" is meant to be broad and all encompassing. It includes the full spectrum of disagreements from pricing of routine Contract changes to claims of breach of Contract.

(2) Resolving controversy is a primary duty of the JEA Project Manager assigned to the Contract. Controversies resolved by the JEA Project Manager in the normal course of business are not the subject of this section.

(3) Subsection (2) gives the Chief Procurement Officer the authority to settle all Contract claims and controversies prior to the filing of a suit. This may avoid unnecessary litigation and often is essential for fair treatment of a Company contracting with JEA. On the other hand, some safeguards are needed. Limitations upon the power to settle, including prerequisite approvals, should be established by appropriate Operational Procedure.

5-201 Remedies

The provisions of this part apply where it is determined administratively, or upon administrative review, that a solicitation or Award of a Contract is in violation of this Code.

5-202 Remedies Prior to an Award

If prior to Award it is determined that a Solicitation or a proposed Award of a Contract is in violation of this Code, then the Solicitation or the Award shall be:

-
- (a) canceled; or
 - (b) revised to comply with this Code.

5-203 Remedies After an Award

If after an Award it is determined that a Solicitation or Contract is in violation of this Code, JEA shall take the following actions:

- (a) if the Company awarded the Contract has not acted fraudulently or in bad faith:
 - (i) the Contract may be ratified and affirmed, provided it is determined that doing so is in the best interest of JEA; or
 - (ii) the Contract may be terminated.
- (b) if the Company awarded the Contract has acted fraudulently or in bad faith:
 - (i) the Contract may be declared null and void;
 - (ii) the Company may be debarred or suspended; and/or
 - (ii) the Contract may be ratified and affirmed if such action is in the best interest of JEA, without prejudice to JEA's rights in regard to such damages as may be appropriate.

5-301 The Procurement Appeals Board

(1) *Applicability.* Article 2 establishes the Procurement Appeals Board and Article 5 describes the duties and operation of the Procurement Appeals Board. Appendix A of this Code contains the procedures of the Procurement Appeals Board.

(2) *Authority.* The Procurement Appeals Board is authorized to review and make a final determination of any appeal by a protesting Company from a written decision issued by the Chief Procurement Officer, or a Designee, which is authorized by:

- (a) Section 5-101 (Authority to Resolve Protested Solicitations and Awards);
- (b) Section 5-102 (Authority to Debar or Suspend); and
- (c) Section 5-103 (Authority to Resolve Contract and Breach of Contract Controversies).

5-302 Jurisdiction of the Procurement Appeals Board

(1) *Jurisdiction.* The Procurement Appeals Board shall have jurisdiction to review and determine any appeal by a protesting Company from a determination by the Chief Procurement Officer, or a Designee except:

- (i) if an action has been initiated previously in the courts for essentially the same cause of action, or

(ii) within forty eight (48) hours after the action is brought before the Procurement Appeals Board, written objection is made by either the aggrieved Company or the Chief Procurement Officer with the concurrence of the Office of General Counsel.

5-303 Appeals of Protest Decisions Regarding Solicitations or Awards
