

Welcome to the JEA Awards Meeting

You have been joined to the meeting with your **audio muted** by default.

We will unmute your lines during the public comment time and provide opportunity for you to speak.

During the meeting, interested persons can also email **Aileen Cruz** at **cruza@jea.com** to submit public comments to be read during the meeting regarding any matter on the agenda for consideration. Public comments by e-mail must be received no later than 9:00 a.m. to be read during the public comment portion of the meeting.

Please contact **Aileen Cruz** by telephone at **(904) 703-0996** or by email at **cruza@jea.com** if you experience any technical difficulties during the meeting.

Below is a summary of the meeting controls you will see at the bottom of your screen.

AWARDS COMMITTEE AGENDA

DATE: **Thursday, November 17, 2022**

TIME: **10:00 A.M.**

PLACE: **JEA, Customer Center, Bid Office, 1st Floor, 21 West Church Street, Jacksonville, FL 32202**
OR
WebEx/Teleconference
WebEx Meeting Number (access code): 2309 526 2709
WebEx Password: cQMmJPHA823

Public Comments:

Awards:

1. Approval of the minutes from the last meeting(11/03/2022)
2. Request approval for a ratification of an award to SPE Utility Contractors FD, LLC for overhead transmission and distribution repair services associated with Hurricane Ian in the amount of \$1,098,342.52, subject to the availability of lawfully appropriated funds..
3. 1410616846 – Request approval to award contracts to Chen Moore & Associates, Inc. \$88,000.00, Pickett & Associates LLC \$88,000.00 and Leidos Engineering, LLC \$88,000.00 for substation engineering services in the Not to Exceed amount of \$264,000.00, subject to the availability of lawfully appropriated funds..
4. Request approval of a payment to Sawyer's Preserve 214, LLC for the installation of a sewer force main and a duplex lift station by Pipeline Constructors, Inc. for the Sawyer's Preserve project in the amount of \$369,849.00, subject to the availability of lawfully appropriated funds.
5. Request approval to award a three (3) year contract renewal to Zycus, Inc. for the Procurement E-Sourcing and Contract Lifecycle Management Cloud SaaS Software Solution License Subscription and support in the amount of \$732,987.00, for a new not-to-exceed amount of \$1,623,413.36, subject to the availability of lawfully appropriated funds.
6. Request approval to award a change order to C and C Powerline, Inc. for construction services for Circuit 917 relocation in the amount of \$291,594.43, for a new not-to-exceed amount of \$1,288,128.79, subject to the availability of lawfully appropriated funds.
7. Request approval to award a contract increase to Underwater Mechanics Services LLC to incorporate the GMP for the circuit 853/822 lattice tower 39 foundation repair and construction services in the amount of \$831,825.21, for a new not-to-exceed amount of \$1,001,620.59, subject to the availability of lawfully appropriated funds.
8. Request approval to award a six (6) month contract extension to LionBridge Global Solutions II, Inc. for Customer Call Center Interpretation Language Services in the amount of \$87,936.00, for a new not-to-exceed amount of \$414,387.88, subject to the availability of lawfully appropriated funds.
9. Request approval to award a contract increase to Biosolids Distribution Services, LLC (\$361,109.37) and H & H Liquid Sludge Disposal, Inc. (\$903,875.06) for Grit, Waste and Sludge Disposal Management Services for the Buckman Water Reclamation Facility (WRF) in the amount of \$1,264,984.43, for a new not-to-exceed amount of \$6,959,307.43, subject to the availability of lawfully appropriated funds.

10. 1410730847 - Request approval to award a contract to Talogy, Inc. for Pre-Employment (Civil Service, Behavioral and Cognitive, etc.) Assessments for a not-to-exceed amount of \$2,400,000.00, subject to the availability of lawfully appropriated funds.
11. Requested approval of a payment to Plummer JV, LLC for the construction of the water main and force main by TB Landmark for the Darby Offsite project in the amount of \$996,008.00, subject to the availability of lawfully appropriated funds.
12. Request approval to award a contract increase to Merrell Bros Inc. for residuals hauling and disposal in the amount of \$625,213.13, for a new total not-to-exceed amount of \$5,625,154.48, subject to the availability of lawfully approved funds.
13. Request approval for a contract increase to Beyel Brothers, Inc. for crane, rigging and heavy hauling services in the amount of \$375,000.00, for a new total not-to-exceed amount of \$3,359,138.26, subject to the availability of lawfully appropriated funds.
14. Request approval to award a contract increase to Carollo Engineers, Inc. for additional services during construction of the Buckman Disinfection System Replacement project in the amount of \$168,226.00, for a new not-to-exceed amount of \$1,692,842.00, subject to the availability of lawfully appropriated funds.
15. Request approval to award a contract increase to Garney Companies, Inc. for construction of the Greenland WRF Pipelines for Water, Reclaimed Water and Sanitary Sewer Force Mains projects in the amount of \$3,635,894.97, for a new not-to-exceed amount of \$57,591,795.04, subject to the availability of lawfully appropriated funds.
16. Request approval to award a contract increase to The Haskell Company for the purchase of equipment for the Progressive Design-Build Services for the 1.0 MGD Water Purification Facility project in the amount of \$5,105,646.00, for a new not-to-exceed amount of \$11,129,003.00, subject to the availability of lawfully appropriated funds.

General Business: N/A

SPECIAL NOTES: Copies of the above items are available in JEA Procurement, if needed for review. If a person decides to appeal any decision made by the Awards Committee, with respect to any matter considered at this meeting, that person will need a record of the proceedings, and, for such purpose, needs to ensure that a verbatim record of the proceedings is made, which record includes the evidence and testimony upon which the appeal is to be based. If you have a disability that requires reasonable accommodations to participate in the above meeting, please call 665-8625 by 8:30 a.m. the day before the meeting and we will provide reasonable assistance for you.

11-17-2022 Awards Committee

| <u>Award#</u> | <u>Type of Award</u> | <u>Business Unit</u> | <u>Estimated/ Budgeted Amount</u> | <u>Amount</u> | <u>Awardee</u> | <u>Term</u> | <u>Summary</u> |
|---------------|--|----------------------|---|---|--|---|--|
| 1 | Minutes | N/A | N/A | N/A | N/A | N/A | Approval of minutes from the 11/03/2022 meeting. |
| 2 | RATIFICATION | Erixton | N/A | \$1,098,342.52 | SPE UTILITY CONTRACTORS FD, LLC | Project Completion | <p><u>Hurricane IAN T&D Overhead Support Services</u></p> <p>This request covers transmission and distribution overhead storm support and repair services for storm damage repairs due to Hurricane Ian.</p> <p>SPE Utility Contractors FD, LLC (SPE), services were required immediately after Hurricane Ian. The rates utilized were as per our existing Contract Purchasing Agreement. Services included:</p> <ul style="list-style-type: none"> • Hotel & Lodging, in the amount of \$4,811.44 • Crew Rates with include Equipment and Manpower in the amount of \$1,093,531.08 <p>The total cost of these services come up to \$1,098,342.52, exceeding the informal \$300,000.00 threshold and requiring Awards Committee approval.</p> |
| 3 | REQUEST FOR PROPOSAL (RFP) 8 Proposers | Melendez | \$264,000 | \$88,000.00 \$88,000.00 \$88,000.00 | CHEN MOORE & ASSOCIATES, INC. LEIDOS ENGINEERING, LLC PICKETT & ASSOCIATES, LLC | Three (3) Years, Two – 1 YR. Renewals | <p><u>Engineering Services Transmission</u></p> <p>The purpose of this solicitation is for JEA to solicit Proposals from companies for general engineering services for substation projects (the “Work” or “Services”).</p> <p>The proposed engineering rates are compared on an aggregate average basis per firm. When comparing the historical aggregate average rate index of \$122.24 to the bid aggregate average rate index \$139.30, the bid rate average is 14.0% higher. When considering the historical index rate was developed based in 2018 and current market conditions for professional services, the increase is deemed reasonable. The rates are subject to CPI price adjustment annually with a cap of six percent (6%).</p> |

11-17-2022 Awards Committee

| | | | | | | | |
|---|--|----------|--------------|--------------|---|-----------------------|--|
| | | | | | | | Not to Exceed amount of \$264,000.00. |
| 4 | DEVELOPER AGREEMENT / RATIFICATION | Melendez | \$419,645.00 | \$369,849.00 | SAWYER'S PRESERVE 214, LLC. / PIPELINE CONSTRUCTORS, INC. | Project Completion | <p><u>2018-3184 Sawyer's Preserve</u></p> <p>The scope of this project at Sawyer's Preserve is for the developer to upsize portions of the pump station and wastewater improvements to meet JEA requirements in the project area. These include pump station pump and electrical upsizing and wastewater pipe upsizing.</p> <p>The Sawyer's Preserve project is a 214-unit townhouse develop in the southside of Duval County. This cost participation agreement will reimburse the developer for certain upgrades and upsizing of portions of the wastewater infrastructure to meet JEA's requirements and to increase reliability. The entire amount of the award is a ratification, which the Developer was aware of working at risk without a fully executed agreement. Agreement delay was due to disruption on communication and coordination with the Developer to provide project execution assurance via a bond or an alternate solution.</p> <p>The developer requested bids for all the utility work and the project was awarded based upon the lowest lump sum total. Sawyer's Preserve 214, LLC publicly bid the project and received one bid on March 12, 2021. The bid was reviewed by the developer and their engineer and deemed reasonable. Pipeline Constructors, Inc. was the bidder. The bid is approximately 11.9% lower than JEA's estimate and deemed reasonable. JEA is only re-imbursing the developer for the difference in the material cost and the backup generator. The Developer completed the work and followed all the public procurement requirements and made significant improvements to the JEA system above and beyond the needs of the Development; however, they did so at their own risk as to not slow down the development progress. Agreement was reached and the work has been completed.</p> |

11-17-2022 Awards Committee

| | | | | | | | |
|---|--------------|----------|----------------|--------------|-------------------------|---|---|
| | | | | | | | This request is for approval for a ratification payment in the amount of \$369,849.00. |
| 5 | RENEWAL | Krol | \$720,474.00 | \$732,987.00 | ZYCUS, INC. | Three (3) Years w/ Two (2) - One (1) Yr. Renewals OR One (1) - 3 Yr. Renewal Option | <p><u>Procurement E-Sourcing and Contract Lifecycle Management Cloud SaaS Software Solution License Subscription Purchase, Implementation, and Integration</u></p> <p>This request is for the purchase, implementation, and integration of a cloud SaaS procurement e-sourcing and contract lifecycle management software solution for the use of JEA's internal procurement team, JEA non-procurement business users, and external suppliers.</p> <p>This request is for a three (3) year renewal option from 12/06/2022 to 12/05/2025 for \$732,987.00, which will be paid \$244,329.00 annually. The three (3) year renewal option as opposed to the one (1) year renewal option, allows JEA to maintain the same rates for another three years and avoiding inflationary rate increases year over year. The Zycus procurement requesting, e-Sourcing, and Contract Lifecycle Management Cloud SaaS Software Solution product has provided a number of advantages to JEA related to tracking and utilizing electronic, requests, sourcing/bidding, contracting, vendor performance, and reporting. Overall, the product functionality is performing relatively well for the intended purposes and requirements. JEA intends to rebid and explore other product options following this final three (3) renewal.</p> <p>A new not-to-exceed amount of \$1,623,413.36.</p> |
| 6 | CHANGE ORDER | Melendez | \$1,004,540.00 | \$291,594.43 | C AND C POWERLINE, INC. | Project Completion | <p><u>Circuit 917 Relocation between 9B and I-95</u></p> <p>Construction services to rebuild approximately three quarters (0.75) of a mile of 230kV single circuit transmission line inside public right of way of Race Track Road, beginning at the intersection of Race Track Road and S.R. 9B, and ending near the intersection of Race Track Road and Interstate 95.</p> |

11-17-2022 Awards Committee

| | | | | | | | |
|---|--------------------|----------|--------------------------|--------------|--------------------------------------|---|---|
| | | | | | | | <p>This request is for approval to award a change order to C and C Powerline, Inc. for construction services for matting, Maintenance of Traffic, additional surveying, and bond increase for additional work.</p> <p>A new not-to-exceed amount of \$1,288,128.79.</p> |
| 7 | CONTRACT INCREASE | Melendez | \$1,800,000.00 | \$831,825.21 | UNDERWATER MECHANIX SERVICES LLC | Project Completion | <p><u>Circuit 853/822 Tower 39 Lattice Tower Repairs</u></p> <p>The purpose of this Request for Proposals (this "RFP") is to evaluate and select a vendor that can provide Design-Build Services for Circuits 853/822 Tower 39 Foundation Rehabilitation (collectively, the "Work" or "Services").</p> <p>This award request is for a change order to incorporate the Guaranteed Maximum Price (GMP) as described in UWM's updated schedule of values to complete construction services. The new not to exceed contract amount of \$1,001,620.59 is approximately forty-four percent (44%) less than original budget estimate. Based on surveying and investigation in the design and engineering phase of the project, the engineer deemed that dredging and subsurface steel repair & welding, which was included in the original budget estimate, is not needed. This results in a significant reduction in the overall project cost (estimated \$800K - \$1M reduction in project cost).</p> <p>Aa new not-to-exceed amount of \$1,001,620.59.</p> |
| 8 | CONTRACT EXTENSION | Pressley | \$100,000.00 (Line BL01) | \$87,936.00 | LIONBRIDGE GLOBAL SOLUTIONS II, INC. | Three (3) Years w/One (1) – 1 Yr. Renewal | <p><u>Customer Call Center Interpretation Language Services</u></p> <p>This contract provides a phone-based language interpretation service provider for the JEA Customer Call Center.</p> <p>This request is for a six (6) month contract extension for \$87,936.00 to maintain the existing scope of services from 12/12/2022 to 06/11/2023. In addition to the \$62,594.00 in funds required for a six (6) month contract extension, this request also includes \$25,342.00 to cover additional services needed for</p> |

11-17-2022 Awards Committee

| | | | | | | | |
|----|---|---------|----------------|---|--|--|---|
| | | | | | | | <p>the remainder of the contract from 10/01/2022 through 12/12/2022. The additional funds are due to a greater than forecasted interpreter time usage from increased call handle time. This extension is required to allow appropriate time to complete a new bid, which may include a potential transition to a new provider. JEA will begin the rebidding process immediately to ensure successful completion and transition.</p> <p>A new not-to-exceed amount of \$414,387.88.</p> |
| 9 | CONTRACT INCREASE | Vu | \$1,264,984.43 | <p>\$361,109.37</p> <p>\$903,875.06</p> | <p>BIOSOLIDS DISTRIBUTIONS SERVICES, LLC</p> <p>H & H LIQUID SLUDGE DISPOSAL, INC.</p> | <p>Five Years w/ One (1) – 1 Yr. Renewal</p> | <p><u>Grit, Waste & Sludge Disposal Management Services for the Buckman Water Reclamation Facility (WRF)</u></p> <p>JEA requires the services of a Contractor for transportation and disposal of bar screened waste, grit, sand and unclassified sludge cake and occasionally pellets (waste materials) from the Buckman WRF.</p> <p>This contract increase is needed to fund biosolid removal through FY23. The biosolids dryer at Buckman WRF is currently out of service resulting in using these services more than originally forecasted. Prices were fixed for the first three years of the contract with a Consumer Price Index (CPI) adjustment in years four and five. The basis for the increase is historical spend and the Capital component has been added due to the dryer being out of commission.</p> <p>A new not-to-exceed amount of \$6,959,307.43.</p> |
| 10 | <p>REQUEST FOR PROPOSAL (RFP)</p> <p>1 Proposer</p> | Emanuel | \$2,400,000.00 | \$2,400,000.00 | TALOGY, INC. | <p>Five (5) Years w/Two (2) – One (1) Yr. Renewals</p> | <p><u>Pre-Employment (Civil Service, Behavioral and Cognitive, etc.) Assessments</u></p> <p>The purpose of this Request for Proposals (this “RFP”) is to evaluate and select a Company (“Company” or “Proposer”) to perform JEA’s Pre-employment, Civil Service and Psychological assessments for all JEA positions.</p> |

11-17-2022 Awards Committee

| | | | | | | |
|----|---------------------|----------|----------------|--------------|---|---|
| | | | | | | <p>After negotiations, JEA received an estimated two percent (2%) decrease in the hourly rate lowering pricing from \$200.00 to \$196.00 per hour.</p> <p>When comparing the current hourly rate pricing of \$187.50 with the proposed pricing of \$196.00, there is an approximate increase of five percent (5%) for the five (5) year term. The previous 2015/2016 contracts for these services had firm pricing for the term of their contract. Pricing is fixed for the original term of the contract. A Consumer Price Index (CPI) price adjustment is allowed for the renewal terms with a cap of six percent (6%). The contract award amount is based on the budgeted funds.</p> |
| 11 | DEVELOPER AGREEMENT | Melendez | \$1,837,013.00 | \$996,008.00 | PLUMMER JV, LLC / TB LANDMARK CONSTRUCTION, INC. | <p>Project Completion</p> <p><u>2021-5321 Darby Offsite</u></p> <p>This is a private development project where JEA has identified improvements consistent with the JEA Cost Participation Policy and as such are eligible for reimbursement. The Darby Offsite project will support the overall Darby Development which will consist of 697 single family residential units. This project is located within the Buckman Sewer Basin and the North Water Grid. The project elements are comprised as follows: upsize 5,729 feet of water main from 12" to 16" and upsize 13,647 feet of force main from 8" to 12".</p> <p>The developer has followed JEA procurement directives by advertising and awarding to the lowest responsible bidder. The developer requested bids for all the utility work and the project was awarded based upon the lowest bid total to the developer. Plummer JV, LLC received two bids, with TB Landmark being the lowest responsive bidder with the JEA portion of the overall bid at \$996,008.00. The JEA portion is approximately 45.8% below the JEA estimate of \$1,837,013.00. The JEA estimate included the material, labor, and equipment. JEA is only reimbursing the cost of upsizing the material, so the bid amount is deemed reasonable.</p> |

11-17-2022 Awards Committee

| | | | | | | | |
|----|-------------------|---------|--------------|----------------------------|---|---|---|
| 12 | CONTRACT INCREASE | Vu | \$625,213.13 | \$625,213.13 | MERRELL BROS, INC. | Five (5) Years w/ One – 1 Yr. Renewals | <p><u>Residuals Hauling and Disposal</u></p> <p>JEA requires the services of a Contractor to remove residuals and sludge cake from the various water reclamation facilities (WRFs), and other facilities within the JEA service area, including hauling and disposal at one (1) of three locations;</p> <ol style="list-style-type: none"> 1. Buckman Water Reclamation Facility for further processing; 2. Several Contractor permitted and regulatory approved land application sites; or 3. Landfill disposal <p>This request is for a contract increase for residuals hauling and disposal from various JEA sites to an allowed disposal site. The unit prices were fixed for the three-year term of the contract, and a unit price increase was approved in December 2021 based on the trucking CPI. The current increased usage of this contract is due primarily to the biosolids dryer at Buckman WRF being out of service. JEA is using Merrell Bros Inc. as an additional resource for hauling of biosolids from the Buckman WRF until the dryer returns to service.</p> <p>A new not-to-exceed amount of \$5,625,154.48.</p> |
| 13 | CONTRACT INCREASE | Erixton | \$375,000.00 | \$0.00 \$360,000.00 | SIMS CRANE AND EQUIPMENT CO. BEYEL BROTHERS INC. | Three (3) Years w/ Two (2) - 1 Yr. Renewals | <p><u>Crane, Rigging and Heavy Hauling</u></p> <p>The purpose of this solicitation is to provide contract services for crane rental and heavy hauling services. The Primary users of these services are the Transmission Group, Substations Distribution Group, Water and Sewer Department and the various JEA Generating Plants. This contract can also be used by any other group or department within JEA. JEA currently spends approximately \$260,000.00 per year on Time and Materials (T&M) for crane and rigging services. Two contracts awarded.</p> <p>This request is to add funds for O&M and Capital projects in the amount of \$360,000.00, to allow continued use through this second renewal. The</p> |

11-17-2022 Awards Committee

| | | | | | | | |
|----|-------------------|----------|----------------|----------------|------------------------|---|--|
| | | | | | | | <p>original award amount was based on historical usage and budget estimates available at the time of award. Contracts are subject to CPI adjustments allowable at contract anniversary upon request by the supplier. JEA did not receive a contract increase request at the time of the execution of the final renewal.</p> <p>A new total not-to-exceed amount of \$3,359,138.26, for both contracts.</p> |
| 14 | CONTRACT INCREASE | Melendez | \$175,000.00 | \$168,226.00 | CAROLLO ENGINEERS INC | Project Completion (Expected: June 2023) | <p><u>Buckman WRF Disinfection System Replacement</u></p> <p>The scope of this project is to replace the existing Ultraviolet (UV) disinfection system with a new UV system.</p> <p>This contract increase is to request additional services during construction for the Buckman WRF disinfection project. The construction schedule has been delayed due to material availability and changes to the overall plant upgrade project. JEA allowed increases to some hourly rates in 2021, and the rates have not changed for this increase.</p> <p>A new not-to exceed amount of \$1,692,842.00.</p> |
| 15 | CONTRACT INCREASE | Melendez | \$3,700,000.00 | \$3,635,894.97 | GARNEY COMPANIES, INC. | Project Completion (Expected: April 2024) | <p><u>Greenland Water Reclamation Facility (WRF) Pipelines: Water, Reclaimed Water and Sanitary Sewer Force Mains</u></p> <p>This project is a combination of five (5) JEA capital projects. The force main will redirect waste water from existing JEA pump stations to the proposed JEA Greenland WRF. The reclaim water main will convey reclaimed water away from the proposed JEA Greenland WRF to existing JEA reclaim water system. The water main is part of the JEA water master plan for conveying water from JEA's north water grid to the south water grid. The water main was grouped with the reclaim water main since they share the same proposed route. This project will be delivered using the Progressive Design-Build delivery method.</p> |

11-17-2022 Awards Committee

| | | | | | | |
|----|-------------------|----------|----------------|----------------|---------------------|---|
| | | | | | | <p>This contract increase request is for the material purchase and early work package for the addition of approximately 7,000 linear feet of 24" reclaim water main to the Greenland Pipe Program. At this time, the only surface water discharge to be permitted for Greenland WRF is Big Davis Creek. In dry weather conditions, there may be a lack of available water in the creek for dilution leading to a conditional limit or even restriction of water allowed to be discharged. This amendment will provide the pipeline for a secondary discharge in situations where Big Davis Creek does not have sufficient water available for dilution and/or reclaimed water demands are low (e.g., wet weather, winter months, power loss, etc.).</p> <p>Once a GMP for the construction of this RCM is completed another contract increase will be presented for approval. The total amount JEA expects to pay to Garney for this contract is \$62,591,795.04.</p> <p>A new not-to-exceed amount of \$57,591,795.04.</p> |
| 16 | CONTRACT INCREASE | Melendez | \$5,200,000.00 | \$5,105,646.00 | THE HASKELL COMPANY | <p><u>Progressive Design-Build Services for the 1.0 MGD Water Purification Facility</u></p> <p>The scope of work for this project includes design, construction, integration and interface, test, checkout and startup of a 1.0 million gallons per day (MGD) water purification facility based around membrane treatment. The treated water will meet applicable water quality standards including primary and secondary drinking water standards, potable reuse regulations and address the removal of currently unregulated compounds. The facility will utilize innovative technology including state of the art controls and instrumentation.</p> <p>This contract increase includes the purchase of long lead equipment. The equipment being purchased includes components for the plant microfiltration (MF), ultrafiltration (UF), reverse osmosis (RO) and ultraviolet (UV) disinfection systems. The current estimate, based on the 60% design documents, is for</p> |

JEA AWARDS COMMITTEE

NOVEMBER 3, 2022, MEETING MINUTES

The JEA procurement Awards Committee met on November 3, 2022, in person with a WebEx option.

WebEx Meeting Number (access code): 2309 526 2709

WebEx Password: cQMmJPHA823

Members in attendance were Jenny McCollum as Chief Procurement Officer, Stephen Datz as Chairperson (onsite), Stephanie Nealy as Budget Representative, Rebecca Lavie as Office of General Counsel Representative; Hai Vu (onsite), Laura Schepis (onsite), Todd Skinner for Ricky Erixton, and Joe Orfano. Unless otherwise indicated, all attendees were via WebEx.

Chair Datz called the meeting to order at 10:00 a.m., introduced the Awards Committee Members, and confirmed that there was an in-person quorum of the Committee membership present.

Public Comments:

Chair Datz recognized the public comment speaking period and opened the meeting floor to public comments. No public comments were provided by email, phone or videoconference.

Awards:

1. Approval of the minutes from the last meeting (10/27/2022). Chair Datz verbally presented the Committee Members the proposed October 27, 2022, minutes as presented.

MOTION: Laura Schepis made a motion to approve the October 27, 2022, minutes (Award Item 1). The motion was seconded by Hai Vu and approved unanimously by the Awards Committee (5-0).

The Committee Members reviewed and discussed the following Awards Items 2 –11.

2. Request approval to award a change order to Constantine Engineering, LLC for Engineering Services for the Monterey Wastewater Treatment Facility Improvements Project in the amount of \$230,446.74, for a new not-to-exceed amount of \$1,242,017.03, subject to the availability of lawfully appropriated funds.

MOTION: Hai Vu made a motion to approve Award Item 2 as amended in the committee packet. The motion was seconded by Joe Orfano and approved unanimously by the Awards Committee (5-0).

3. Request approval to award contract to AB SCIEX LLC for the purchase of Liquid Chromatography Tandem Mass Spectrometer, supplies and accessories in the amount of \$578,227.50, subject to lawfully appropriated funds.

MOTION: Laura Schepis made a motion to approve Award Item 3 as presented in the committee packet. The motion was seconded by Hai Vu and approved unanimously by the Awards Committee (5-0).

4. Request approval to award a change order to Insight Public Sector for additional fees and services needed for On-premise Oracle E-Business Suite Migration to Oracle Cloud Infrastructure in the amount of \$1,426,019.60, for a new not-to-exceed amount of \$3,808,942.40, subject to the availability of lawfully appropriated funds.

MOTION: Laura Schepis made a motion to approve Award Item 4 as presented in the committee packet. The motion was seconded by Joe Orfano and approved unanimously by the Awards Committee (5-0).

5. Request approval to award a change order to Cook Electrical of Jacksonville, Inc. dba Cook Electrical for additional funds and services needed for Bartram civil and electrical work to support the build of communications

tower in the amount of \$34,268.00, for a new not-to-exceed amount of \$332,068.00, subject to the availability of lawfully appropriated funds.

Formal Bid and Award System

Award #2 November 17, 2022

Type of Award Request: RATIFICATION
Requisition #: 560157
Requestor Name: Gordon, Josh - Mgr Energy Contract Management
Requestor Phone: (904) 665-8507
Project Title: Hurricane IAN T&D Overhead Support Services
Project Number: 8007671
Project Location: JEA
Funds: Capital (Storm Project)
Business Unit Pre-Bid Estimate: N/A
Scope of Work:

This request covers transmission and distribution overhead storm support and repair services for storm damage repairs due to Hurricane Ian.

JEA IFB/RFP/State/City/GSA#: 069-19 – T&D Electric Overhead Contract Rates
Purchasing Agent: Lovgren, Rodney D.
Is this a Ratification?: YES - \$1,098,342.52

If Yes, explain:

A formal contract (under Solicitation 069-19) for T&D overhead maintenance repair and storm services rates was awarded in 2020. The services rendered during Hurricane Ian are not tracked against the contract cap and are processed as individual ratifications.

RECOMMENDED AWARDEE(S):

| Name | Contact Name | Email | Address | Phone | Amount |
|---------------------------------|--------------|----------|---------------------------------|--------------|----------------|
| SPE UTILITY CONTRACTORS FD, LLC | Sven Steuber | steuber@ | SPE UTILITY CONTRACTORS FD, LLC | Sven Steuber | \$1,098,342.52 |

Amount for entire term of Contract/PO: \$1,098,342.52
Award Amount for remainder of this FY: \$1,098,342.52
Length of Contract/PO Term: Project Completion
Begin Date (mm/dd/yyyy): 09/26/2022
End Date (mm/dd/yyyy): 09/30/2022
JSEB Requirement: N/A – Optional
BIDDERS:

| Name | Amount |
|------------------------------------|----------------|
| SPE UTILITY CONTRACTORS FD, LLC | \$1,098,342.52 |

Background/Recommendations:

SPE Utility Contractors FD, LLC (SPE), services were required immediately after Hurricane Ian. The rates utilized were as per our existing Contract Purchasing Agreement. Services included:

- Hotel & Lodging, in the amount of \$4,811.44
- Crew Rates with include Equipment and Manpower in the amount of \$1,093,531.08

The total cost of these services come up to \$1,098,342.52, exceeding the informal \$300,000.00 threshold and requiring Awards Committee approval. The invoice summary is attached as backup.

Request approval for a ratification of an award to SPE Utility Contractors FD, LLC for overhead transmission and distribution repair services associated with Hurricane Ian in the amount of \$1,098,342.52, subject to the availability of lawfully appropriated funds.

Director: Wheeler, Kimberlie M. - Dir Preventative Maintenance & Contract Management
VP: Erixton, Ricky D. - VP Electric Systems

Formal Bid and Award System

Award #3 November 17, 2022

Type of Award Request: REQUEST FOR PROPOSAL (RFP)
Requestor Name: Rinehart, Jason – Electric Systems Engineer
Requestor Phone: 904-505-4756
Project Title: Engineering Services Transmission
Project Number: 8008201
Project Location: JEA
Funds: Capital
Budget Estimate: \$264,000.00

Scope of Work:

The purpose of this solicitation is for JEA to solicit Proposals from companies for general engineering services for substation projects (the “Work” or “Services”).)

Contract engineers are needed to supplement the design process for short periods of time (approximately three (3) to six (6) months for a typical project) when JEA in-house engineering resources may not meet the urgent demands of in-service dates. Electric transmission engineering is a very specialized area; therefore, JEA requires companies who have the resources and experience to execute electric transmission engineering. Proposers should be proficient with the computer application Micro-station.

All design work shall comply with JEA standards as deemed acceptable by the JEA project engineer. All design work shall comply with all applicable codes and industry standards including, but not limited to, NEC, NESC, IEEE/ANSI.

JEA IFB/RFP/State/City/GSA#: 1410616846
Purchasing Agent: LOVGREN, RODNEY D.
Is this a Ratification?: NO

RECOMMENDED AWARDEE(S):

| CHEN MOORE & ASSOCIATES, INC. | Leigh Barron | lbarron@chenmoore.com | 500 West Cypress Creek Road, Suite 630, Fort Lauderdale, FL 33309 | (954) 369-8306 | \$88,000.00 |
| LEIDOS ENGINEERING, LLC | Rob Jennings | Robert.jennings@leidos.com | 1750 Presidents Street, VA 20190 | (813) 777-8198 | \$88,000.00 |
| PICKETT & ASSOCIATES, LLC | Russell Coby | rcoby@pickettusa.com | 5010 w. Nassau Street, Tampa, FL 33607 | (904) 382-9514 | \$88,000.00 |

Amount for entire term of Contract/PO: \$264,000.00
Award Amount for remainder of this FY: \$264,000.00
Length of Contract/PO Term: Three (3) Years w/ Two (2) - 1 Yr. Renewals
Begin Date (mm/dd/yyyy): 11/30/2022
End Date (mm/dd/yyyy): 11/29/2025
Renewal Options: Yes – Two (2) – 1 Yr. Renewals
JSEB Requirement: Optional

Comments on JSEB Requirements:

Chen Moore & Associates, Inc ~ 7% (\$6,160.00)

Meskel & Associates Engineering, PLLC ~ 5%

VIA Consulting Services, Inc. ~ 2%

Pickett & Associates ~ 5% (\$4,400.00)

Meskel & Associates ~ 5%

Leidos Engineering, LLC ~ 5% (\$4,400)

CSI Geo, Inc ~ 1%

Alpha Envirotech Consulting, Inc. ~ 1%

Smith Surveying Group ~ 3%

PROPOSERS:

| Name | Rank |
|------------------------------|------|
| LEIDOS ENGINEERING, LLC | 1 |
| PICKETT & ASSOCIATES, LLC | 2 |
| CHEN MOORE & ASSOCIATES, INC | 3 |
| STANTEC | 4 |
| BURNS & MCDONNELL | 5 |
| POWER ENGINEERS | 6 |
| WORLEY GROUP | 7 |
| AECOM | 8 |

Background/Recommendations:

Advertised on 04/18/2022. Ten (10) prime companies attended the mandatory pre-proposal meeting held on 04/26/2022. At proposal opening on 06/07/2022, JEA received eight (8) proposals. The public evaluation meeting was held on 09/19/2022. Companies were evaluated on professional staff experience, design & work approach, company experience and JSEB content. JEA deemed Chen Moore & Associates, Inc, Pickett & Associates, LLC and Leidos Engineering, LLC the highest evaluated companies to perform the work. A copy of the evaluation matrix and negotiated rates are attached as backup.

For continuing services contracts, JEA does not have a set forecast of when each engineering project will be released, or total project amount be to awarded to engineering firms beyond the current and possibly at times the next approved fiscal year. As such, JEA will preliminarily fund the contract and will return to Awards Committee to add funds to the contracts to fund work as projects are released and scopes of work are determined.

The engineering services group will issue task orders as required to facilitate the work. The work may be awarded based on contracted rates (i.e. lowest rates for scope) or based on specialty (some firms have more experience in specific types of work and as such, work may assigned more randomly, however, in general the highest evaluated company will be awarded more work).

The proposed engineering rates are compared on an aggregate average basis per firm. When comparing the historical aggregate average rate index of \$122.24 to the bid aggregate average rate index \$139.30, the bid rate average is 14.0% higher. When considering the historical index rate was developed based in 2018 and current market conditions for professional services, the increase is deemed reasonable. The rates are subject to CPI price adjustment annually with a cap of six percent (6%).

1410616846 – Request approval to award contracts to Chen Moore & Associates, Inc. \$88,000.00, Pickett & Associates LLC \$88,000.00 and Leidos Engineering, LLC \$88,000.00 for substation engineering services in the Not to Exceed amount of \$264,000.00, subject to the availability of lawfully appropriated funds.

Manager: Hamilton, Darrell D. - Mgr Transmission and Substation Projects
Director: Acs, Gabor - Sr Dir Engineering & Projects
VP: Melendez-Melendez, Pedro A. - VP Planning Engineering & Construction

RE: Fee Proposal JEA Transmission Engineering Services

Dear Mr. Lovgren,

Pickett and Associates is pleased to offer the enclosed fee proposal to supply engineering services.

If you have any questions or require additional information, please do not hesitate to contact me. We look forward to working with JEA and are committed to a safe and successful relationship.

Sincerely,

A handwritten signature in black ink that reads "J. Russell Coby". The signature is written in a cursive, flowing style.

FEE PROPOSAL

1.1 Terms and Conditions

Pickett proposes to perform this work on a not-to-exceed, time and expense basis under the terms and conditions of the provided contract with the below exceptions and clarifications.

| Section | Exception |
|-------------------------|---|
| 2.70 Work Made for Hire | Strike providing 'software and source code'; source code and software development shall remain under Pickett ownership. |
| 2.70 Work Made for Hire | Strike "irrevocably assigns" from section 2.70. In such instance that JEA requests deliverables outside of works made for hire, Pickett will evaluate and determine assigning. |

1.2 Labor Rates

Pickett proposes the attached labor rate schedule.

1.3 Expenses

Expenses are proposed as reimbursable for travel and other direct receipt expenses on an as-needed basis if or when JEA requests. Mileage is reimbursed at the current IRS rates. Lodging, meals, and other direct expenses will be provided in monthly invoices.

1.4 Subcontracts

Subcontracts will be established as necessary by each detailed scope of work. We propose to supply proposals and execute work on a unit price basis. Subcontract costs will include a six percent (6%) markup for administration and management of the contracts. This will be invoiced with the regularly monthly invoice in the month which the subcontract invoice is received.

Formal Bid and Award System

Award #4 November 17, 2022

Type of Award Request: DEVELOPER AGREEMENT/RATIFICATION
Requestor Name: Davis, Deanna L. - Manager Development
Requestor Phone: (904) 665-8451
Project Title: 2018-3184 Sawyer's Preserve
Project Number: 166-15S, 166-15P
Project Location: JEA
Funds: Capital
Award Estimate: \$419,645.00

Scope of Work:

The scope of this project at Sawyer's Preserve is for the developer to upsize portions of the pump station and wastewater improvements to meet JEA requirements in the project area. These include pumps for Pump Stations in addition to electrical and wastewater pipe upsizing.

Purchasing Agent: King, David
Is this a ratification?: YES - \$369,849.00

If yes, explain:

The Developer was aware of working at risk without a fully executed agreement. Agreement delayed due to disruption on communication and coordination with the Developer to provide project execution assurance via a bond or an alternate solution. The Developer completed the work and followed all the public procurement requirements and made significant improvements to the JEA system above and beyond the needs of the Development.

RECOMMENDED AWARDEE(S):

Begin Date: 03/15/2021
End Date: Project Completion (September 2022)
JSEB Requirement: N/A - Developer Agreement

BIDDERS:

| Name | Amount |
|-----------------------------|--------------|
| PIPELINE CONSTRUCTORS, INC. | \$369,849.00 |

Background/Recommendations:

The Sawyer's Preserve project is a 214-unit townhouse develop in the southside of Duval County. This cost participation agreement will reimburse the developer for certain upgrades and upsizing of portions of the wastewater infrastructure to meet JEA's requirements and to increase reliability. These elements are comprised as follows: Pump Station – upsize pumps from 15 hp to 30 hp, upsize electric service from 230V to 460V, add a 125kw generator; Sewer Mains – upsize 2,500 LF of 4" force main to 8", upsize 856 LF 8" gravity main to 10", and add 81 LF 8" gravity sewer main.

The developer requested bids for all the utility work and the project was awarded based upon the lowest lump sum total. Sawyer's Preserve 214, LLC publicly bid the project and received one bid on March 12, 2021. The bid was reviewed by the developer and their engineer and deemed reasonable. Pipeline Constructors, Inc. was the bidder. The bid is approximately 11.9% lower than JEA's estimate and deemed reasonable. JEA is only re-imbursing the developer for the difference in the material cost and the backup generator.

Request approval of a payment to Sawyer's Preserve 214, LLC for the installation of a sewer force main and a duplex lift station by Pipeline Constructors, Inc. for the Sawyer's Preserve project in the amount of \$369,849.00, subject to the availability of lawfully appropriated funds.

Hart Resources, LLC.

INVITATION TO BID

Sawyers Preserve

Gentlemen:

Hart Resources LLC., respectfully requests a bid from your firm for the proposed utility improvements on the referenced project. This project will consist of the utility development for a **214** Townhome project. The pump station, and sanitary sewer improvements shall be constructed in accordance with the City of Jacksonville's and JEA's latest standards and specifications.

Sealed bids addressed to Mr. Curtis Hart, personal and confidential, will be received on the attached proposal forms no later than March 12, 2021, 5 P.M. in the office of Hill, Boring and Associates, address: 8825 Perimeter Park Blvd., Suite 201, Jacksonville, FL 32216, telephone number (904) 281-1121. It shall be the bidders' responsibility to make themselves familiar with the construction site and the City of Jacksonville and JEA's latest standards and specifications. ***Note: A Schedule of Values is required to have a valid bid.***

If there are any questions pertaining to this project, please direct those to Sessell Boring and Victor Calvert at Hill, Boring and Associates, telephone number (904) 281-1121 and/or Curtis Hart at telephone number (904) 993-5008.

Respectfully,

Mr. Curtis Hart

Attachments

SPECIAL CONDITIONS

1. **Sawyers Preserve is to include a pump station and onsite and offsite force main for 214 lots subdivision**
2. **Schedule of Values and List of Subcontractors must be submitted with bid in order to have a valid bid. The attached forms for Schedule of Values are examples only and may or may not cover entire project. Contractor shall make necessary adjustments.**
3. Contractor shall note all environmental sensitive areas, and shall not encroach in these areas. There will not be any exceptions. **Any fines levied shall be paid by contractor or contractors.**
4. Contractor shall prepare in accordance with JEA, and the City of Jax., latest standards & specifications, asbuilt drawing for sewer forcemain both on & off-site. These asbuilts shall be submitted to and approved by the City of Jacksonville and JEA.
5. **NO** items shall be considered 100% complete until all asbuilts are approved and the punch list completed.
6. **A list of all subcontractors and material suppliers will be provided to the Owner. All subcontractors and material suppliers shall be approved by the Owner.**
7. All density testing, according to the latest City of Jacksonville and JEA standards. **After final adjustments and prior to final paving, Contractor shall have a density test taken on quarter sections of each manhole to prevent asphalt settlement. This only applies to manholes in paved area.**
8. Grassing and mulching in strict accordance with COJ and FDOT standard specifications, for road and bridge construction Section 570, 1996 Edition including soil testing, fertilizer, lime, water, cutting, etc.
9. **All erosion control and turbidity devices shall be in place prior to beginning construction. Contractor shall monitor and keep construction area in compliance with all RESD, NPDES, SJRWMD, DEP, COE, and FDOT latest rules and regulations. Any fines levied to be paid by the Contractor or Contractors.**
10. **Contractor shall keep construction area clear of all excess debris at all times or owners shall have removed and back-charged to contractor.**
11. Contractor shall have ready at time of Pre-con with underground electric contractor, preliminary asbuilts for water, sewer and storm.
12. Owner assumes no responsibility for accuracy of soils report. These reports are submitted for information only.
13. All Contractors and Subcontractors shall meet the Owners insurance requirements.
14. All shop drawings for water, sewer and storm drainage shall be approved by design and inspecting engineer prior to any construction.
15. A pre-construction conference will be held in the office of Hill, Boring and Associates, Inc. prior to beginning the work.

16. Bi-weekly construction progress meetings will be held in the inspection engineer's office on designated day and time (If required by owner).
17. Partial lien releases shall be submitted, with all pay requests, from subcontractor or material suppliers for all work or materials included in prior pay requests.
18. The City of Jacksonville's and JEA's latest standards and specifications will supersede any standard or specification shown on plans.
19. Compaction with density reports shall be required for all back-fill area per City of Jacksonville and JEA latest standards and specifications.
20. **Contractor shall bid every item as shown with no deviation in order to have a valid bid. Please use the Value of Engineer page (page 09) for any cost saving suggestions you may have.**
21. At least 6 copies of shop drawings must be provided to Engineer for approval at beginning of project prior to construction.
22. At least 3 copies of closure documents must be provided to Engineer for approval at end of project prior to acceptance
23. After reviewing these documents, if you have value added suggestions, please communicate as soon as possible.

PROPOSAL

Bid Date: March 12, 2021

Proposal of Pipeline Constructors, Inc. Corporation (hereinafter called "Bidder"), organized and existing under the laws of the State of Florida, a partnership or individual doing business as _____.

TO:

Hill, Boring and Associates, Inc.
8825 Perimeter Park Blvd., Suite 201
Jacksonville, FL 32216

The Bidder, in compliance with your invitation for bids on Sawyers Preserve, in Jacksonville, Florida, having examined the plans, specifications, and related documents prepared by Hill, Boring and Associates, Inc., and the site of proposed work, and being familiar with all the conditions surrounding the construction of the proposed project including the availability of materials and labor, hereby proposes to furnish all labor, materials, and supplies and to construct the project in accordance with the contract documents at the prices stated below. **Note: A Schedule of Values is required to have a valid bid.**

The Bidder hereby agrees to commence work within ten (10) days after the date of the award of the contract and complete all work within 270 calendar days. (Days to be furnished by bidder.) Furthermore, it is agreed that the Owner has the right to delete any of the following items with no compensation made to the undersigned.

Bidder acknowledges receipt of the following addenda:

Contractor: **Please take note of attached Special Conditions No. 1 thru 23 and include in pricing, as they shall be rigidly enforced.**

ITEM DESCRIPTION and AMOUNT

1.0 BASE BID - Sewage Pump Station – Complete, includes but not limited to wet-well, valve box, pumps, sidewalk, controls, piping, control panel, electrical service, water meter and service, all concrete work, fencing and landscaping as required by JEA. Owner shall furnish electric meter. All components of the master pump station are to be included in this bid. However the generator is excluded from this item.

Three Hundred Thirty One Thousand, Four Hundred Forty Dollars

\$ 331,440.00

1.1 ALT BID 1 - Sewage Pump Station – includes wet-well, valve box, sidewalk, water meter and service, all concrete work, fencing and landscaping as required by JEA. Owner shall furnish electric meter. However the generator is excluded from this item.

One Hundred One Thousand, Four Hundred Forty Dollars

\$ 101,440.00

1.2 ALT BID 2 - Sewage Pump Station – includes pumps, controls, piping, control panel, electrical service, as required by JEA. However the generator is excluded from this item.

Two Hundred Thirty Thousand Dollars

\$ 230,000.00

1.3 BASE BID – Generator for Sewage Pump Station – Generator is not included in this item.

Fifty Thousand Dollars

\$ 50,000.00

1.4
1.2 ALT BID 1 and 2 – Generator for Sewage Pump Station – The generator is included in this item (Materials and Installation).

One Hundred Fifty One Thousand, Five Hundred Sixty Dollars

\$ 151,560.00

2 BASE BID - 4" Sewer Force Main On Site – Complete includes all materials and labor required for the installation and completion of piping, valves, testing and onsite force main including connection. All

required layout and surveying asbuilt approval by JEA shall be included in this item. Force main to start at pump station and to end at RW line at existing cul de sac at entrance to project.

Twenty Two Thousand, Eight Hundred Forty Five

Dollars

2.1 ALT BID 1 and 2 - 8" Sewer Force Main On Site – Complete includes all materials and labor required for the installation and completion of piping, valves, testing and onsite force main including connection. All required layout and surveying asbuilt approval by JEA shall be included in this item. Force main to start at pump station and to end at RW line at existing cul de sac at entrance to project.

Forty Six Thousand Four Hundred Seventy One

Dollars

3.0 BASE BID - 4" Sewer Force Main Off Site – Complete includes all materials and labor required for the installation and completion of piping, valves, testing and onsite force main including connection. All required layout and surveying asbuilt approval by JEA shall be included in this item. Directional bores and pavement repair is part of this line item. Force main to begin at RW line at offsite Station 9+25 (at existing cul de sac at entrance to project) and end at Station 33+45 at connection point at Southside Blvd (24" FM).

Two Hundred Thousand, Two Hundred Seventy Nine

Dollars

3.1 ALT BID 1 and 2 - 8" Sewer Force Main Off Site – Complete includes all materials and labor required for the installation and completion of piping, valves, testing and onsite force main including connection. All required layout and surveying asbuilt approval by JEA shall be included in this item. Directional bores with 10" HDPE and pavement repair is part of this line item. Force main to begin at RW line at offsite Station 9+25 (at existing cul de sac at entrance to project) and end at Station 33+45 at connection point at Southside Blvd (24" FM).

Two Hundred Sixty Eight Thousand, Two Hundred

Dollars

4.0 BASE BID and ALT BID 1 and 2 - Existing gravity sewer system modification – Contractor to construct 81 LF of 8" PVC gravity main. Contractor to abandon existing pipe and manhole. Grout fill existing pipe and manhole. (Remove top section and backfill with soil. Note: Existing gravity sewer system to remain in service until the proposed pump station is completed and operational. Note that this requirement must be done before abandoning and grouting the existing gravity system (Contact JEA for final logistics).

Twenty Four Thousand, Nine Hundred Seventy Six

Dollars

5.0 BASE BID and ALT BID 1 and 2 - Temporary existing 6" sewer Force Main relocation – Complete includes all materials and labor required for the installation and completion of piping, valves, testing and onsite force main including connection. All required layout and surveying asbuilt approval by JEA shall be included in this item. Connect exist. Force main to proposed bypass/relocation pipe. Existing force main to be abandoned and removed after completion and JEA testing of the bypass/relocation bypass line. Approximate location of 6" force main. Contractor to locate and protect the entire run of force main prior to any construction activity. Force main to remain active until new bypass line is in place (see phase 1 / bypass plan, sheet no. 10 A).

Twenty One Thousand, Four Hundred

Dollars

\$ 21,400.00

6.0 BASE BID and ALT BID 1 and 2 - As-builts must include all components of the sewer system. Sewer system (**include forcemain**) – in accordance with JEA Standards.
Sixteen Thousand, Two Hundred Thirty Five Dollars

\$ 16,235.00

TOTAL ITEMS 1-6 (BASE BID)

\$ 667,175.00

TOTAL ITEMS 1-6 (ALT BID 1)

\$ 731,722.00

TOTAL ITEMS 1-6 (ALT BID 2)

LISTING OF MANUFACTURER AND SUPPLIERS

The contractor shall submit this sheet with his bid, completed, to list the manufacturers or materials he intends to use. It shall be understood that where the Contractor elects not to use the materials called for in the specifications, he will substitute only items of equal quality, durability, functional character and efficiency as determined by the Engineer. The Contractor should ascertain prior to bidding, the acceptability of substitutes. Only one manufacturer shall be listed for each item.

| <u>ITEM OR MATERIAL</u> | <u>MANUFACTURERS AND SUPPLIERS</u> |
|--------------------------------|---|
| Pipe, Fittings, Etc. | Fortiline Waterworks |
| Precast Structures | Forterra |
| | |
| | |

NO change shall be allowed by the Engineer or of any material manufacturer listed after receipt of bids, unless the manufacturer so listed cannot furnish materials meeting the specifications. Should such change be allowed, there will be no change in the amount of the bid originally submitted.

LISTING OF SUB-CONTRACTORS

The Contractor shall submit in the space provided below, a list of all subcontractors. Furthermore, it is agreed that the Owner has the right to delete any subcontractor.

HART RESOURCES LLC.

REQUEST FOR PROPOSALS

SAWYERS PRESERVE PUMP STATION/FORCE MAIN

Duval County, Florida

Notice is hereby given that Hart Resources LLC will receive proposals for the following project:

SAWYERS PRESERVE PUMP STATION/FORCE MAIN

The Project Manual consisting of the proposal package, contract, proposal form, plans and other materials will be available beginning February 19, 2021 at 8:00 A.M. by accessing <http://www.dmcsdigital.com> from DMCS & Southside Blueprint Planroom. Printed copies are available for a non-refundable fee or can be downloaded from the website. Shipping will be at the bidder's expense. All plan holders must maintain registered plan holder status through DMCS & Southside Blueprint Planroom. Only registered plan holders will receive addenda or other official notifications by email.

The Project Manual will include, but not be limited to, the Request for Proposals, proposal and contract documents, and construction plans and specifications. The Project Manual will not be available for pickup at the offices of Hill, Boring & Associates Inc.

There will be a mandatory pre-proposal conference on zoom at 1:30 PM EST on February 26, 2021. The pre-proposal conference may include, but not limited to, a discussion of contract requirements, inspections, evaluations, and submittal requirements. Please call for Zoom instructions prior to meeting with Hill, Boring & Assoc. Inc. at 904-281-1121.

The Owner reserves the right to reject any and all proposals, make modifications to the work, award the contract in whole or in part with or without cause, provide for the delivery of the project in phases, and waive minor or technical irregularities in any Proposal, as it deems appropriate, if it determines in its discretion that it is in the Owner's best interests to do so. The successful proposer will be required to execute a contract with the Owner and file the requisite Performance and Payment Bonds and insurance within ten (10) calendar days after execution of the Construction Contract.

Any person who wishes to protest the Project Manual, or any component thereof, shall file with the Owner a written notice of protest within seventy-two (72) hours after the Project Manual is made available, together with a protest bond in a form acceptable to the Owner and in the amount of \$10,000, and shall file a formal written protest with the Owner within seven (7) calendar days after the date of timely filing the initial notice of protest. Filing will be perfected and deemed to have occurred upon receipt by the Owner. Failure to timely file a notice of protest or failure to timely file a formal written protest shall constitute a waiver of any right to object to or protest the contents of the Project Manual. The formal written protest shall state with particularity the facts and law upon which the protest is based.

Ranking of proposals will be made on the basis of qualifications according to the evaluation criteria contained within the Project Manual; however, please note that proposals received from firms failing to meet the following minimum qualifications/ requirements will not be considered or evaluated: (1) Proposer shall be required to provide evidence of \$10,000,000 minimum bonding capacity from a Surety Company acceptable to the Owner; (2) Proposer shall provide proof of insurance including: General Liability Insurance capacity in an amount equal to or exceeding \$5,000,000, Automobile Liability Insurance capacity in an amount equal or exceeding \$1,000,000, General Aggregate Insurance capacity in an amount equal or exceeding \$5,000,000. (3) Proposer will have constructed three (3) projects similar in quality and scope of a minimum of \$5,000,000 each in completed construction over the last ten (10) years; (4) Proposer is a licensed underground utility contractor in the State of Florida for a minimum of ten (10) years; (5) Proposer is eligible to do business with the JEA.

Any and all questions relative to this project shall be directed in email only to Victor Calvert, P.E. at hbaeng@gmail.com, no later than 3:00 PM EST on March 5, 2021.

Firms desiring to provide services for this project must submit one (1) original and five (5) copies of the required proposal no later than 3:00 PM EST on March 12, 2021 at the office of Hill, Boring & Associates Inc. with an electronic copy in PDF included with the submittal package on a CD. Proposals shall be submitted in a sealed opaque package, shall bear the name of the proposer on the outside of the package and shall identify the name of the project. Proposals will be opened at the time and date stipulated above; those received after the time and date stipulated above will be returned un-opened to the proposer. Any proposal not completed as specified or missing the required proposal documents as provided in the Project Manual may be disqualified.

AIA® Document A101® – 2017

Standard Form of Agreement Between Owner and Contractor where the basis of payment is a Stipulated Sum

AGREEMENT made as of the _____ day of _____ in the year _____
(In words, indicate day, month and year.)

BETWEEN the Owner:
(Name, legal status, address and other information)

and the Contractor:
(Name, legal status, address and other information)

for the following Project:
(Name, location and detailed description)

The Architect:
(Name, legal status, address and other information)

This document has important legal consequences. Consultation with an attorney is encouraged with respect to its completion or modification.

The parties should complete A101®–2017, Exhibit A, Insurance and Bonds, contemporaneously with this Agreement.

AIA Document A201®–2017, General Conditions of the Contract for Construction, is adopted in this document by reference. Do not use with other general conditions unless this document is modified.

The Owner and Contractor agree as follows.

TABLE OF ARTICLES

- 1 THE CONTRACT DOCUMENTS
- 2 THE WORK OF THIS CONTRACT
- 3 DATE OF COMMENCEMENT AND SUBSTANTIAL COMPLETION
- 4 CONTRACT SUM
- 5 PAYMENTS
- 6 DISPUTE RESOLUTION
- 7 TERMINATION OR SUSPENSION
- 8 MISCELLANEOUS PROVISIONS
- 9 ENUMERATION OF CONTRACT DOCUMENTS

EXHIBIT A INSURANCE AND BONDS

ARTICLE 1 THE CONTRACT DOCUMENTS

The Contract Documents consist of this Agreement, Conditions of the Contract (General, Supplementary, and other Conditions), Drawings, Specifications, Addenda issued prior to execution of this Agreement, other documents listed in this Agreement, and Modifications issued after execution of this Agreement, all of which form the Contract, and are as fully a part of the Contract as if attached to this Agreement or repeated herein. The Contract represents the entire and integrated agreement between the parties hereto and supersedes prior negotiations, representations, or agreements, either written or oral. An enumeration of the Contract Documents, other than a Modification, appears in Article 9.

ARTICLE 2 THE WORK OF THIS CONTRACT

The Contractor shall fully execute the Work described in the Contract Documents, except as specifically indicated in the Contract Documents to be the responsibility of others.

ARTICLE 3 DATE OF COMMENCEMENT AND SUBSTANTIAL COMPLETION

§ 3.1 The date of commencement of the Work shall be:

(Check one of the following boxes.)

- ☐ The date of this Agreement.
- ☐ A date set forth in a notice to proceed issued by the Owner.
- ☐ Established as follows:
(Insert a date or a means to determine the date of commencement of the Work.)

If a date of commencement of the Work is not selected, then the date of commencement shall be the date of this Agreement.

§ 3.2 The Contract Time shall be measured from the date of commencement of the Work.

§ 3.3 Substantial Completion

§ 3.3.1 Subject to adjustments of the Contract Time as provided in the Contract Documents, the Contractor shall achieve Substantial Completion of the entire Work:

(Check one of the following boxes and complete the necessary information.)

- ☐ Not later than () calendar days from the date of commencement of the Work.

☐ By the following date:

§ 3.3.2 Subject to adjustments of the Contract Time as provided in the Contract Documents, if portions of the Work are to be completed prior to Substantial Completion of the entire Work, the Contractor shall achieve Substantial Completion of such portions by the following dates:

Portion of Work

Substantial Completion Date

§ 3.3.3 If the Contractor fails to achieve Substantial Completion as provided in this Section 3.3, liquidated damages, if any, shall be assessed as set forth in Section 4.5.

ARTICLE 4 CONTRACT SUM

§ 4.1 The Owner shall pay the Contractor the Contract Sum in current funds for the Contractor's performance of the Contract. The Contract Sum shall be (\$), subject to additions and deductions as provided in the Contract Documents.

§ 4.2 Alternates

§ 4.2.1 Alternates, if any, included in the Contract Sum:

Item

Price

§ 4.2.2 Subject to the conditions noted below, the following alternates may be accepted by the Owner following execution of this Agreement. Upon acceptance, the Owner shall issue a Modification to this Agreement.
(Insert below each alternate and the conditions that must be met for the Owner to accept the alternate.)

Item

Price

Conditions for Acceptance

§ 4.3 Allowances, if any, included in the Contract Sum:
(Identify each allowance.)

Item

Price

§ 4.4 Unit prices, if any:

(Identify the item and state the unit price and quantity limitations, if any, to which the unit price will be applicable.)

Item

Units and Limitations

Price per Unit (\$0.00)

§ 4.5 Liquidated damages, if any:

(Insert terms and conditions for liquidated damages, if any.)

§ 4.6 Other:

(Insert provisions for bonus or other incentives, if any, that might result in a change to the Contract Sum.)

ARTICLE 5 PAYMENTS

§ 5.1 Progress Payments

§ 5.1.1 Based upon Applications for Payment submitted to the Architect by the Contractor and Certificates for Payment issued by the Architect, the Owner shall make progress payments on account of the Contract Sum to the Contractor as provided below and elsewhere in the Contract Documents.

§ 5.1.2 The period covered by each Application for Payment shall be one calendar month ending on the last day of the month, or as follows:

§ 5.1.3 Provided that an Application for Payment is received by the Architect not later than the day of a month, the Owner shall make payment of the amount certified to the Contractor not later than the day of the month. If an Application for Payment is received by the Architect after the application date fixed above, payment of the amount certified shall be made by the Owner not later than () days after the Architect receives the Application for Payment.

(Federal, state or local laws may require payment within a certain period of time.)

§ 5.1.4 Each Application for Payment shall be based on the most recent schedule of values submitted by the Contractor in accordance with the Contract Documents. The schedule of values shall allocate the entire Contract Sum among the various portions of the Work. The schedule of values shall be prepared in such form, and supported by such data to substantiate its accuracy, as the Architect may require. This schedule of values shall be used as a basis for reviewing the Contractor's Applications for Payment.

§ 5.1.5 Applications for Payment shall show the percentage of completion of each portion of the Work as of the end of the period covered by the Application for Payment.

§ 5.1.6 In accordance with AIA Document A201™-2017, General Conditions of the Contract for Construction, and subject to other provisions of the Contract Documents, the amount of each progress payment shall be computed as follows:

§ 5.1.6.1 The amount of each progress payment shall first include:

- .1 That portion of the Contract Sum properly allocable to completed Work;
- .2 That portion of the Contract Sum properly allocable to materials and equipment delivered and suitably stored at the site for subsequent incorporation in the completed construction, or, if approved in advance by the Owner, suitably stored off the site at a location agreed upon in writing; and
- .3 That portion of Construction Change Directives that the Architect determines, in the Architect's professional judgment, to be reasonably justified.

§ 5.1.6.2 The amount of each progress payment shall then be reduced by:

- .1 The aggregate of any amounts previously paid by the Owner;
- .2 The amount, if any, for Work that remains uncorrected and for which the Architect has previously withheld a Certificate for Payment as provided in Article 9 of AIA Document A201-2017;
- .3 Any amount for which the Contractor does not intend to pay a Subcontractor or material supplier, unless the Work has been performed by others the Contractor intends to pay;
- .4 For Work performed or defects discovered since the last payment application, any amount for which the Architect may withhold payment, or nullify a Certificate of Payment in whole or in part, as provided in Article 9 of AIA Document A201-2017; and
- .5 Retainage withheld pursuant to Section 5.1.7.

§ 5.1.7 Retainage

§ 5.1.7.1 For each progress payment made prior to Substantial Completion of the Work, the Owner may withhold the following amount, as retainage, from the payment otherwise due:

(Insert a percentage or amount to be withheld as retainage from each Application for Payment. The amount of retainage may be limited by governing law.)

§ 5.1.7.1.1 The following items are not subject to retainage:

(Insert any items not subject to the withholding of retainage, such as general conditions, insurance, etc.)

§ 5.1.7.2 Reduction or limitation of retainage, if any, shall be as follows:

(If the retainage established in Section 5.1.7.1 is to be modified prior to Substantial Completion of the entire Work, including modifications for Substantial Completion of portions of the Work as provided in Section 3.3.2, insert provisions for such modifications.)

§ 5.1.7.3 Except as set forth in this Section 5.1.7.3, upon Substantial Completion of the Work, the Contractor may submit an Application for Payment that includes the retainage withheld from prior Applications for Payment pursuant to this Section 5.1.7. The Application for Payment submitted at Substantial Completion shall not include retainage as follows:

(Insert any other conditions for release of retainage upon Substantial Completion.)

§ 5.1.8 If final completion of the Work is materially delayed through no fault of the Contractor, the Owner shall pay the Contractor any additional amounts in accordance with Article 9 of AIA Document A201–2017.

§ 5.1.9 Except with the Owner's prior approval, the Contractor shall not make advance payments to suppliers for materials or equipment which have not been delivered and stored at the site.

§ 5.2 Final Payment

§ 5.2.1 Final payment, constituting the entire unpaid balance of the Contract Sum, shall be made by the Owner to the Contractor when

- .1 the Contractor has fully performed the Contract except for the Contractor's responsibility to correct Work as provided in Article 12 of AIA Document A201–2017, and to satisfy other requirements, if any, which extend beyond final payment; and
- .2 a final Certificate for Payment has been issued by the Architect.

§ 5.2.2 The Owner's final payment to the Contractor shall be made no later than 30 days after the issuance of the Architect's final Certificate for Payment, or as follows:

§ 5.3 Interest

Payments due and unpaid under the Contract shall bear interest from the date payment is due at the rate stated below, or in the absence thereof, at the legal rate prevailing from time to time at the place where the Project is located.

(Insert rate of interest agreed upon, if any.)

_____ %

ARTICLE 6 DISPUTE RESOLUTION

§ 6.1 Initial Decision Maker

The Architect will serve as the Initial Decision Maker pursuant to Article 15 of AIA Document A201–2017, unless the parties appoint below another individual, not a party to this Agreement, to serve as the Initial Decision Maker.

(If the parties mutually agree, insert the name, address and other contact information of the Initial Decision Maker, if other than the Architect.)

§ 6.2 Binding Dispute Resolution

For any Claim subject to, but not resolved by, mediation pursuant to Article 15 of AIA Document A201–2017, the method of binding dispute resolution shall be as follows:

(Check the appropriate box.)

- ☐ Arbitration pursuant to Section 15.4 of AIA Document A201–2017
- ☐ Litigation in a court of competent jurisdiction
- ☐ Other *(Specify)*

If the Owner and Contractor do not select a method of binding dispute resolution, or do not subsequently agree in writing to a binding dispute resolution method other than litigation, Claims will be resolved by litigation in a court of competent jurisdiction.

ARTICLE 7 TERMINATION OR SUSPENSION

§ 7.1 The Contract may be terminated by the Owner or the Contractor as provided in Article 14 of AIA Document A201–2017.

§ 7.1.1 If the Contract is terminated for the Owner's convenience in accordance with Article 14 of AIA Document A201–2017, then the Owner shall pay the Contractor a termination fee as follows:

(Insert the amount of, or method for determining, the fee, if any, payable to the Contractor following a termination for the Owner's convenience.)

§ 7.2 The Work may be suspended by the Owner as provided in Article 14 of AIA Document A201–2017.

ARTICLE 8 MISCELLANEOUS PROVISIONS

§ 8.1 Where reference is made in this Agreement to a provision of AIA Document A201–2017 or another Contract Document, the reference refers to that provision as amended or supplemented by other provisions of the Contract Documents.

§ 8.2 The Owner's representative:

(Name, address, email address, and other information)

§ 8.3 The Contractor's representative:

(Name, address, email address, and other information)

§ 8.4 Neither the Owner's nor the Contractor's representative shall be changed without ten days' prior notice to the other party.

§ 8.5 Insurance and Bonds

§ 8.5.1 The Owner and the Contractor shall purchase and maintain insurance as set forth in AIA Document A101™-2017, Standard Form of Agreement Between Owner and Contractor where the basis of payment is a Stipulated Sum, Exhibit A, Insurance and Bonds, and elsewhere in the Contract Documents.

§ 8.5.2 The Contractor shall provide bonds as set forth in AIA Document A101™-2017 Exhibit A, and elsewhere in the Contract Documents.

§ 8.6 Notice in electronic format, pursuant to Article 1 of AIA Document A201-2017, may be given in accordance with AIA Document E203™-2013, Building Information Modeling and Digital Data Exhibit, if completed, or as otherwise set forth below:

(If other than in accordance with AIA Document E203-2013, insert requirements for delivering notice in electronic format such as name, title, and email address of the recipient and whether and how the system will be required to generate a read receipt for the transmission.)

§ 8.7 Other provisions:

ARTICLE 9 ENUMERATION OF CONTRACT DOCUMENTS

§ 9.1 This Agreement is comprised of the following documents:

- .1 AIA Document A101™-2017, Standard Form of Agreement Between Owner and Contractor
- .2 AIA Document A101™-2017, Exhibit A, Insurance and Bonds
- .3 AIA Document A201™-2017, General Conditions of the Contract for Construction
- .4 AIA Document E203™-2013, Building Information Modeling and Digital Data Exhibit, dated as indicated below:

(Insert the date of the E203-2013 incorporated into this Agreement.)

- .5 Drawings

| Number | Title | Date |
|--------|-------|------|
|--------|-------|------|

- .6 Specifications

| Section | Title | Date | Pages |
|---------|-------|------|-------|
|---------|-------|------|-------|

- .7 Addenda, if any:

| Number | Date | Pages |
|--------|------|-------|
|--------|------|-------|

Portions of Addenda relating to bidding or proposal requirements are not part of the Contract Documents unless the bidding or proposal requirements are also enumerated in this Article 9.

- .8 Other Exhibits:

(Check all boxes that apply and include appropriate information identifying the exhibit where required.)

☐ AIA Document E204™-2017, Sustainable Projects Exhibit, dated as indicated below:
(Insert the date of the E204-2017 incorporated into this Agreement.)

☐ The Sustainability Plan:

| Title | Date | Pages |
|-------|------|-------|
|-------|------|-------|

☐ Supplementary and other Conditions of the Contract:

| Document | Title | Date | Pages |
|----------|-------|------|-------|
|----------|-------|------|-------|

.9 Other documents, if any, listed below:

(List here any additional documents that are intended to form part of the Contract Documents. AIA Document A201™-2017 provides that the advertisement or invitation to bid, Instructions to Bidders, sample forms, the Contractor's bid or proposal, portions of Addenda relating to bidding or proposal requirements, and other information furnished by the Owner in anticipation of receiving bids or proposals, are not part of the Contract Documents unless enumerated in this Agreement. Any such documents should be listed here only if intended to be part of the Contract Documents.)

This Agreement entered into as of the day and year first written above.

Formal Bid and Award System

Award #5 November 17, 2022

Type of Award Request: RENEWAL**Requestor Name:** Garg, Ajay K. - Manager ERP Systems**Requestor Phone:** (904) 665-4215**Project Title:** Procurement E-Sourcing and Contract Lifecycle Management Cloud SaaS Software Solution License Subscription Purchase, Implementation, and Integration**Project Number:** HEB0600**Project Location:** JEA**Funds:** O&M**Budget Estimate:** \$720,474.00**Scope of Work:**

This request is for the purchase, implementation, and integration of a cloud SaaS procurement e-sourcing and contract lifecycle management software solution for the use of JEA's internal procurement team, JEA non-procurement business users, and external suppliers.

JEA expects to gain the following key efficiencies from this purchase including:

- Automate and accelerate sourcing processes, ensure fact-driven decision-making and consistent sourcing event outcomes
- Formalize project management processes and approvals
- Allow the use of automated workflow to drive behavior and processes
- Enable a central repository for all Procurement and Contract documents
- Provide a comprehensive platform for automating all aspects of supplier performance and supplier management for a collaborative & innovative relationship with suppliers
- Simplify and accelerate complex legal, financial and other interactions with suppliers

JEA IFB/RFP/State/City/GSA#: 100-19**Purchasing Agent:** Dambrose, Nickolas C.**Is this a Ratification?:** NO**RECOMMENDED AWARDEE(S):**

Length of Contract/PO Term: Three (3) Years w/ Two (2) - One (1) Yr. Renewals OR One (1) - 3 Yr. Renewal Option
New Not to Exceed Amount: \$1,623,413.36
Begin Date (mm/dd/yyyy): 12/06/2019
End Date (mm/dd/yyyy): 12/05/2025
Renewal Options: None remaining
JSEB Requirement: No JSEB Opportunities were identified

Background/Recommendations:

Originally competitively bid and approved by Awards Committee on 11/07/2019 in the amount of \$788,037.00 to Zycus, Inc. On 01/27/2020, a contract amendment was requested in the amount of \$35,720.00 for travel expenses. On 09/02/2020, a contract amendment was requested in the amount of \$42,799.36 to add 183 additional licenses for business users at original rates, that also included docuSign functionality at \$1,500 annually and to reduce the majority of travel expenses due to working remotely. On 12/17/2020, a change order of \$1,715.00 was done to complete three small system functionality requests. On 05/09/2022, a contract amendment was requested in the amount of \$3,155.00 to add iContract JSEB functionality. On 06/27/2022, a contract amendment was requested in the amount of \$19,000.00 was added to add 75 additional business users. A copy of the previous awards are attached as backup.

This request is for a three (3) year renewal option from 12/06/2022 to 12/05/2025 for \$732,987.00, which will be paid \$244,329.00 annually. The three (3) year renewal option as opposed to the one (1) year renewal option, allows JEA to maintain the same rates for another three years and avoiding inflationary rate increases year over year. The Zycus procurement requesting, e-Sourcing, and Contract Lifecycle Management Cloud SaaS Software Solution product has provided a number of advantages to JEA related to tracking and utilizing electronic, requests, sourcing/bidding, contracting, vendor performance, and reporting. Overall, the product functionality is performing relatively well for the intended purposes and requirements. JEA intends to rebid and explore other product options following this final three (3) renewal.

The FY23 budget is \$12,240.00 short due to the business user increase. These funds will be transferred HEB0600 sometime during FY23.

Request approval to award a three (3) year contract renewal to Zycus, Inc. for the Procurement E-Sourcing and Contract Lifecycle Management Cloud SaaS Software Solution License Subscription and support in the amount of \$732,987.00, for a new not-to-exceed amount of \$1,623,413.36, subject to the availability of lawfully appropriated funds.

AMENDMENT No. 03 TO THE JEA CONTRACT #186322 BETWEEN ZYCUS INC AND JEA

This Amendment is effective as of [●] ("**Effective Date**") by and between **JEA ("JEA")** and **ZYCUS INC ("Company/Zycus")**.

JEA and Zycus have an existing agreement titled JEA Contract #186322 dated 06 December 2019 and the amendments ("**Agreement**").

WHEREAS JEA and Zycus have mutually decided to amend the terms of the Agreement. Now therefore, for good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, JEA and Zycus hereby agree to amend the term of the Agreement as follows:

1. The Term of the Agreement is further extended for a period of 3 (Three) years from 6 December, 2022 till 5 December, 2025 ("**Term**").
2. The following revised Pricing schedule shall be applicable during the extended Term.

| Year & Term | Price in USD | Renewal Date / Billing Date |
|--|---------------------|------------------------------------|
| Year 1 December 6, 2022- December 5, 2023 | \$ 244,329 | December 5, 2022 |
| Year 2 December 6, 2023- December 5, 2024 | \$ 244,329 | December 5, 2023 |
| Year 3 December 6, 2024- December 5, 2025 | \$ 244,329 | December 5, 2024 |

3. The scope of services provided under the extended Term shall be as follows:

| Solution | Total SaaS fees |
|---|------------------------|
| iContract (30 Power Users, 355 Business Users) iRequest (30 Power Users, 355 Business Users) iSource (30 Power Users, 355 Business Users) iSupplier (30 Power Users, 355 Business Users) iRisk Lite (30 Power Users, 355 Business Users) iManage (30 Power Users, 355 Business Users) Spend Analysis Solution - \$1.5 Billion Spend Cap | \$ 732,987.00 |

4. All other terms and conditions of the Agreement remain the same.

Except as amended hereby, the Agreement shall remain in full force and effect in accordance with the terms thereof. All the capitalized terms shall have the same meaning as provided in the Agreement.

IN WITNESS WHEREOF, the Parties hereto, by their duly authorized representatives, have executed this Amendment Agreement as of the date first set forth above.

Begin Date (mm/dd/yyyy): 11/15/2019

End Date (mm/dd/yyyy): 11/14/2022

Renewal Options: YES - Two (2) – Optional One (1) Yr. Renewal

JSEB Requirement: No JSEB Opportunities were identified

Background/Recommendations:

Originally competitively bid and approved by Awards Committee on 11/07/2019 in the amount of \$788,037.00 to Zycus, Inc. On 01/27/2020 a contract amendment was requested in the amount of \$35,720.00 for travel expenses. On 09/02/2020 a contract amendment was requested in the amount of \$42,799.36 to add 183 additional business users licenses at original rates, add optional docuSign functionality at \$1,500 annually and to reduce the majority of travel expenses due to working remotely. A copy of the original award is attached as backup.

This request is a change order for \$1,715.00 a one-time cost to complete three small system functionality change requests JEA discovered were needed during post go live stabilization. The three change orders are summarized below and deemed reasonable based on original contract rates.

1. WorkFlow changes in iRequest Zycus module to allow informal requests to flow to the correct purchasing agent and not have to be delegated by the Senior Purchasing Agent. The cost for this change is \$805.00 based off of original hourly rates.
2. New Fields in iSupplier Zycus module user interface (UI) to allow JEA to better track Certificates of Insurance (COI) information and expirations. The cost for this change is \$465.00 based off of original hourly rates.
3. New Fields in iContract Zycus module user interface (UI) to add 3 new fields in all the sub-types in iContract staging and production environment. The following fields need to be added, Amendment Amount, Amendment Expiration Date, New Contract Amount. The cost for this change is \$445.00 based off of original hourly rates.

Request approval to award a change order to Zycus, Inc. related to the Procurement E-Sourcing and Contract Lifecycle Management Cloud SaaS Software Solution License Subscription Purchase, Implementation, and Integration in the amount of \$1715.00, for a new not-to-exceed amount of \$868,271.36, subject to the availability of lawfully appropriated funds.

| PROJECT: | JEA | NUMBER: | 3 |
| TITLE: | Adding new fields in iContract | | |
| RAISED BY: | Heather Beard | DATE: | 26 th November,2020 |

Introduction:

iContract allows you to create new contracts, add contracts to the repository and upload softcopies of the associated documents to the contract. The contracts can be organized by its type and its sub-type.

Description of Proposed Change:

- Adding 3 new fields in all the sub-types in iContract staging and production environment. The following fields need to be added :

- Amendment Amount
- Amendment Expiration Date
- New Contract Amount

Effort Estimate for iContract UI change:

| Proposed Work / Effort | Software Engineer | Procurement Analyst | Project Manager | Quality Analyst | Total Effort in Hours |
|---------------------------------------|-------------------|---------------------|-----------------|-----------------|-----------------------|
| Apply the changes on staging setup | 1 | 1 | | | 2 |
| Apply the changes on production setup | 1 | 1 | | | 2 |
| Quality Assurance/Control | | | 1 | 2 | 3 |
| Total Person Hours | 2 | 2 | 1 | 2 | 7 |

Cost Estimation:

| Resource | Person Hours | Cost/hr | Cost |
|---------------------|--------------|---------|---------------------|
| Procurement Analyst | 2 | \$90 | \$180 |
| Project Manager | 1 | \$125 | \$125 |
| Quality Analyst | 2 | \$70 | \$140 |
| Total Cost | | | <u>\$445</u> |

|-------------------|------------------------------|----------------|-------------------------------|
| PROJECT: | JEA | NUMBER: | CR-2020-2 |
| TITLE: | WorkFlow Changes in iRequest | | |
| RAISED BY: | Nathan Woyak | DATE: | 16 th October,2020 |

Introduction:

iRequest enables users to create requests for different types of requests such as contracting, sourcing, projects and to do. Requests can be configured to have several approval flows and is also integrated with the iContract, iSource and iManage tools in Zycus.

Description of Proposed Change:

Creating a new flow in iRequest with the following conditions:

- When the "Procurement Threshold" is selected as *Formal* the request should navigate to the senior purchasing agent and then to the category manager
- When the "Procurement Threshold" is selected as *Informal* the request should navigate to the purchasing agent and then to the category manager
- Adding CULT Tables with Purchasing agent mapped according to the category

Effort Estimate for iContract UI change:

|-------------------|-------------------------|----------------|--------------------|
| PROJECT: | JEA | NUMBER: | CR 2020-3 |
| TITLE: | New Fields in iSupplier | | |
| RAISED BY: | Heather Burnett | DATE: | October 16th, 2020 |

Introduction:

iSupplier allows you to create new suppliers, add suppliers to the repository and follow an approval process in doing so. The suppliers can be easily managed and changed according to the users requirements.

Description of Proposed Change:

Add the following fields in iSupplier in a new view :

1. General Liability Expiration Date
2. Auto Liability Expiration Date
3. Umbrella Liability Expiration Date
4. Worker's Comp Expiration Date
5. Excess Liability Expiration Date

Effort Estimate for iContract UI change:

| Proposed Work / Effort | Software Engineer | Procurement Analyst | Project Manager | Quality Analyst | Total Effort in Hours |
|---------------------------------------|-------------------|---------------------|-----------------|-----------------|-----------------------|
| Apply the changes on staging setup | | 1.5 | | | 1.5 |
| Apply the changes on production setup | | 1.5 | | | 1.5 |
| Quality Assurance/Control | | | 1 | 1 | 2 |
| Total Person Hours | 0 | 3 | 1 | 1 | 5 |

Cost Summary:

| Resource | Person Hours | Cost/hr | Cost |
|---------------------|--------------|---------|--------------|
| Procurement Analyst | 3 | \$90 | \$270 |
| Project Manager | 1 | \$125 | \$125 |
| Quality Analyst | 1 | \$70 | \$70 |
| Total Cost | | | \$465 |

Terms:

This Change Request is governed under Contract 186322 between the parties effective December 6, 2019.

Payment is due in full on signature and acceptance of this Change Request. Work will commence upon execution and based on resource availability. Schedule and timeline will be agreed upon by both parties upon execution.

Formal Bid and Award System

Award #5 November 7, 2019

Type of Award Request: INVITATION TO NEGOTIATE (ITN)
Request #: 6582
Requestor Name: Woyak, Nathan J. - Procurement Category Manager
Requestor Phone: (904) 665-6155
Project Title: Procurement E-Sourcing and Contract Lifecycle Management Cloud SaaS Software Solution License Subscription Purchase, Implementation, and Integration
Project Number: Capital Project 8006188, O&M Year 2 and 3, HEB0600
Project Location: JEA
Funds: Capital (Year 1, \$396,279.00) and O&M (Year 2 and 3, \$391,758.00)
Budget Estimate: \$800,000.00

Scope of Work:

This request is for the purchase, implementation, and integration of a cloud SaaS procurement e-sourcing and contract lifecycle management software solution for the use of JEA's internal procurement team, JEA non-procurement business users, and external suppliers.

JEA expects to gain the following key efficiencies from this purchase

- Automate and accelerate sourcing processes, ensure fact-driven decision-making and consistent sourcing event outcomes.
- Formalize project management processes and approvals
- Allow the use of automated workflow to drive behavior and processes
- Enable a central repository for all Procurement and Contract documents
- Provide a comprehensive platform for automating all aspects of supplier performance and supplier management for a collaborative & innovative relationship with suppliers.
- Simplify and accelerate complex legal financial and other interactions with suppliers.

This purchase impacts the following JEA value(s):

Financial Value: A conservative 10% incremental improvement from e-sourcing equates to a savings of \$1.1M in additional annual savings through enabling more efficient internal procurement processes and by facilitating the competitive bid process for external suppliers.

Community Value: Provides the JEA Supplier Community improved solicitation and contractual easy to use services.

JEA IFB/RFP/State/City/GSA#: 100-19
Purchasing Agent: Dambrose, Nickolas C.

| NITOR/IVALUA | \$1,267,581.00 | N/A | 4 | No | N/A |
| BONFIRE | N/A | N/A | N/A | Yes | N/A |

Background/Recommendations:

Prior to bid solicitation, JEA completed a formal request for information (RFI) and demonstrations to gather business requirements and supplier information and received steering committee approval.

Advertised ITN on 5/20/2019. Five (5) prime companies attended the optional pre-Response meeting held on 5/30/2019. At response opening on 06/25/2019, JEA received five (5) Responses. In addition to price, the supplier Responses were also evaluated on Past Performance, Professional Staff Experience, Ability to Meet the Business Requirements, and the suppliers' Design Approach and Workplan. Cobblestone, Synertrade, and Zycus were short-listed and invited to present their solutions to the evaluation team. Following the shortlist written and presentation scoring completion Synertrade was ranked number one (1) and JEA issued an intent to award pending an additional two (2) day Proof of Concept (POC) workshop with JEA. Upon completion of Synertrade's POC with JEA, Synertrade's solution was determined to not satisfy all of JEA's business requirements. Synertrade protested and requested a hearing with the chief procurement officer (CPO) for reconsideration of Synertrade's prototype solution for award. JEA declined Synertrade's request per the attached letter. The new highest ranking company Zycus also completed a two (day) POC workshop and was determined to meet all of JEA's requirements and thus a new intent to award was issued to Zycus. A copy of the Zycus BAFO Response Form and Workbook are attached as backup.

JEA's current e-Sourcing and Contract Life Cycle Management process is very manual and time consuming for JEA procurement staff and business users. The information and business requirements to manage e-Sourcing and Contract Lifecycle Management are significant and require the use of multiple systems, manual emails, spreadsheets, and notifications. The proposed solution offers better organization, tracking, notification, reporting, E-Sourcing, and Contract Life Cycle Management features that will be beneficial to not only JEA procurement but to our internal customers and vendors.

The Cloud subscription based software solution includes licenses for 30 Procurement Power Users and 100 business/evaluator users. The solution also includes the following components and implementation for:

- eSourcing Solution (iSource), Electronic sourcing (RFx) and reverse auctions
- Contract Management Solution (iContracts) Contract repository and Contract Authoring
- iRequest -support for non-procurement users to initiate requests and provide requisite information and approval workflow
- Supplier Information Management Solution (iSupplier) with supplier onboarding, supplier information management, advanced search, Supplier self-service portal
- Project Management (iManage) Project Management and Task Tracking
- Supplier Performance Management Solution (iPerform) (Price when purchased with iSupplier) with KPI tracking, score carding, performance measurement, alerts, internal/external surveys, portal for supplier self-management
- Spend Analysis Solution (AutoClass, iAnalyze,) Classification and Reporting of up to 1.5 Billion in annual spend with monthly refreshes and with one (1) year of historical spend. Vendor normalization and parent/child enrichment of suppliers representing up to 90% of spend. Solution includes spend miner, spend monitoring, & unlimited users. Data is in English.
- Zycus Mobile Apps Included for licensed users
- iConsole - is the Zycus product which serves as a gateway for all data integrations to and from the Zycus application suite
- Single Sign-On and Oracle Integration
- Included one onsite class per solution within the base implementation fee. Additional onsite classes are \$7,500 each if needed. Post go live onsite support included in the bid is 4 weeks. More is available at \$5,000/week if needed.

The cost of the solution is a one-time Implementation and integration cost of \$180,400.00, training and 4 weeks of post go live support of \$20,000.00 and three (3) years of annual licenses cloud subscription at \$195,879.00 per year which includes support and maintenance. An optional item includes a \$5 per document DocuSign add on through Zycus however JEA will likely explore options directly with DocuSign to add this feature and therefore this cost is not included in the award. Zycus, Inc. submitted a Best and Final Offer (BAFO) that did not improve their original pricing. Zycus did not reduce their price in the BAFO round primary due to JEA adding scope for additional business user licenses however Zycus did keep their pricing the same with the additional licenses. This purchase has been approved by JEA's Steering Committee and will be present to Technology Projects Committee (TPC) as an informational item.

100-19 -Request approval to award a contract to Zycus, Inc. for the Procurement E-Sourcing and Contract Lifecycle Management Cloud SaaS Software Solution License Subscription Purchase, Implementation, and Integration for a total not-to-exceed amount of \$788,037.00, subject to the availability of lawfully appropriated funds.

Award #6 November 17, 2022

Type of Award Request: CHANGE ORDER
Request #: 648
Requestor Name: Chmist, Sebastian
Requestor Phone: (904) 665-7016
Project Title: Circuit 917 Relocation between 9B and I-95
Project Number: 8007804
Project Location: JEA
Funds: Capital
Updated Budget Estimate: \$1,288,328.79 (Business Unit Prebid Budget Estimate \$1,004,540.00)

Scope of Work:

Construction services to rebuild approximately three quarters (0.75) of a mile of 230kV single circuit transmission line inside public right of way of Race Track Road, beginning at the intersection of Race Track Road and S.R. 9B, and ending near the intersection of Race Track Road and Interstate 95.

Transmission construction will include the setting of nine (9) new spun concrete transmission poles, and re-framing of two (2) existing steel transmission poles along with proposed guy wires/anchors, insulators, and hardware. Transmission Conductor installation will include sagging / tensioning of new 1590 ACSR "Falcon" conductor, 3#6 AW shield wires, and 72-Count ADSS Fiber Optic Cable. Demolition work will include the removal of eight (8) existing spun concrete transmission structures. All guy wires / anchors, wires, conductors, and hardware shall be removed and disposed of as indicated per the construction drawings and specifications.

| C AND C POWERLINE, INC. | Rick Sprenger | rspenger@ccpowerline.com | 12035 Palm Lake Drive, Jacksonville, FL 32218 | (904)751-6020 | \$291,594.43 |

Amount of Original Award: \$996,534.36
Date of Original Award: 09/01/2022
Change Order Amount: \$291,594.43
New Not-To-Exceed Amount: \$1,288,128.79
Length of Contract/PO Term: Project Completion
Begin Date (mm/dd/yyyy): 10/01/2022
End Date (mm/dd/yyyy): Project Completion (Estimated 01/12/2023)
JSEB Requirement: N/A – Optional

Background/Recommendations:

Originally bid and approved by Awards Committee on 09/01/2022 in the amount of \$996,534.36 to C and C Powerline, Inc. A copy of the original award is attached as backup.

This change order request is broken down into four parts: 1) Matting, 2) Maintenance of Traffic, 3) Additional Surveying, and 4) Bond Increase.

1. **Matting:** Most of the proposed change order is a result of additional matting costs. JEA's contract with our contractor, C and C Powerline, treats matting as a pass-through cost with an allowance of \$125,000.00 as indicted in the solicitation. An allowance of \$125,000.00 was chosen because it was anticipated that some matting would be required due to the nature of the work being performed; however, it was not anticipated that matting would be required for the entire path of the transmission circuit. The contractor needs to install new poles and wires onto a property being developed by the Bartram Community Development District, roughly between S.R. 9B and I-95. JEA has an agreement with the developer, requiring the developer to grade and clear the property to make access for JEA's contractor. The site has been cleared, however the grading onsite is running behind schedule and is unsatisfactory to allow for large truck access without the use of matting due to poor soil compaction. JEA made the decision to accept the increase and keep the project moving forward to avoid additional change orders by delaying the construction and to ensure we meet JEA's obligations to stake holders. As a result, it is estimated that matting for the overall project will total to \$386,757.00, an increase of \$261,757.00 over the allowance in the contract. ($\$386,757.00 - \$125,000.00 = \$261,757.00$).
2. **Maintenance of Traffic (MOT):** JEA's contract with our contractor, C and C Powerline, treats MOT as a pass-through cost with an allowance of \$50,000.00 as indicted in the solicitation. A \$50,000.00 allowance was chosen as this was the historical cost for installing a transmission line at the project location in 2018. The contractor anticipates that the actual cost will be \$75,000.00, an increase of \$25,000.00. ($\$75,000.00 - \$50,000.00 = \$25,000.00$)
3. **Additional Surveying:** Additional surveying will be needed to restake poles that were covered up by the developer during their clearing / grading activities. The cost for this additional surveying is \$1,237.50.
4. **Bid Bond Increase:** As a result of the additional matting and maintenance of traffic, the bid bond will need to be increased. The fee for this is \$3,599.93.

Costs are deemed reasonable and budget has been adjusted to match the new Not To Exceed (NTE).

Request approval to award a change order to C and C Powerline, Inc. for construction services for Circuit 917 relocation in the amount of \$291,594.43, for a new not-to-exceed amount of \$1,288,128.79, subject to the availability of lawfully appropriated funds.

Formal Bid and Award System

Award #7 November 17, 2022

Type of Award Request: CONTRACT INCREASE
Requestor Name: Rinehart, Jason – Electric Systems Engineer
Requestor Phone: (904) 625-5974
Project Title: Circuit 853/822 Tower 39 Lattice Tower Repairs
Project Number: 8007593
Project Location: JEA
Funds: Capital
Business Unit Pre-Bid Estimate: \$1,800,000.00

Scope of Work:

The purpose of this Request for Proposals (this "RFP") is to evaluate and select a vendor that can provide Design-Build Services for Circuits 853/822 Tower 39 Foundation Rehabilitation (collectively, the "Work" or "Services"). The scope of work for this project includes architectural, engineering, and contractor services which will be competitively sourced as a single team through this solicitation process.

Long Lead Items: Facilities will purchase long lead and expensive capital items to reduce the construction timeline, where such purchase is beneficial to JEA.

The scope of services includes, but is not necessarily limited to, the items listed below. The following items are considered basic to the RFP response:

- Resource loaded project plan – estimated hours and rates for investigation, discovery, design, materials and rehabilitation of tower structure 39
- Project Design proposed design for the rehabilitation of the tower structure
- Upon 30 or 60% design, the successful awardee will submit Guaranteed Maximum Price (GMP) for review and approval, should JEA not approve the GMP, JEA may terminate the contract for convenience and pay for current costs incurred, JEA may elect to have the company complete the design and have a third party bid the construction
- Should JEA proceed to construction, the company shall complete the project for the GMP developed during design

JEA IFB/RFP/State/City/GSA#: 1410542646

| UNDERWATER MECHANIX SERVICES LLC | ERIC SUMMERS | esummers@uwmechanix.com | 1004 EASTPORT ROAD, JACKSONVILLE, FL 32218 | (904) 503-2191 | \$831,825.21 |

Amount of Original Award: \$169,795.38
Date of Original Award: 05/19/2022

Change Order Amount: \$831,825.21
New Not-To-Exceed Amount: \$1,001,620.59
Length of Contract/PO Term: Project Completion
Begin Date (mm/dd/yyyy): 06/15/2021
End Date (mm/dd/yyyy): Project Completion (Expected: 07/31/2023)
JSEB Requirement: Optional

Comments on JSEB Requirements:

Original Award - Acuity Design Group – Consulting Support – 5%
Change Order 1 - Acuity Design Group – Consulting Support – 5%

Background/Recommendations:

Originally approved by Awards Committee on 05/19/2022 in the amount of \$169,795.38 to Underwater Mechanics Services LLC (UWM). A copy of the original award is attached as backup.

This award request is for a change order to incorporate the Guaranteed Maximum Price (GMP) as described in UWM's updated schedule of values to complete construction services. The Guaranteed Maximum Price includes all materials and construction services to complete the rehabilitation project. JEA & UWM began GMP discussions at 60% design and have finalized GMP at the current 90% design complete milestone. Project completion is estimated 07/31/2023.

The new not to exceed contract amount of \$1,001,620.59 is approximately forty-four percent (44%) less than original budget estimate. Based on surveying and investigation in the design and engineering phase of the project, the engineer deemed that dredging and subsurface steel repair & welding, which was included in the original budget estimate, is not needed. This results in a significant reduction in the overall project cost (estimated \$800K - \$1M reduction in project cost). The change order amount and new not to exceed amount based on this reduced scope work is deemed reasonable.

Request approval to award a contract increase to Underwater Mechanics Services LLC to incorporate the GMP for the circuit 853/822 lattice tower 39 foundation repair and construction services in the amount of \$831,825.21, for a new not-to-exceed amount of \$1,001,620.59, subject to the availability of lawfully appropriated funds.

Formal Bid and Award System

Award #6 May 19, 2022

Type of Award Request: REQUEST FOR PROPOSAL (RFP)
Request #: 345
Requestor Name: Jason Rinehart
Requestor Phone: 904-625-5974
Project Title: Circuit 853/822 Tower 39 Lattice Tower Repairs
Project Number: 8007593
Project Location: JEA
Funds: Capital
Budget Estimate: \$1,800,000.00

Scope of Work:

The purpose of this Request for Proposals (this "RFP") is to evaluate and select a vendor that can provide Design-Build Services for Circuits 853/822 Tower 39 Foundation Rehabilitation (collectively, the "Work" or "Services"). The scope of work for this project includes architectural, engineering, and contractor services which will be competitively sourced as a single team through this solicitation process. The selected team will create a 10% drawing (plan), to be approved by all stakeholders. The 30%, 60%, 90% and 100% design documents will then be created, with stakeholder review at each phase. The required construction documents will be subject to review and approval by the JEA Engineering team.

Long Lead Items: Facilities will purchase long lead and expensive capital items to reduce the construction time line, where such purchase is beneficial to JEA.

The scope of services includes, but is not necessarily limited to, the items listed below. The following items are considered basic to the RFP response:

- Resource loaded project plan – estimated hours and rates for investigation, discovery, design, materials and rehabilitation of tower structure 39.
- Project Design proposed design for the rehabilitation of the tower structure
- Upon 30 or 60% design, the successful awardee will submit Guaranteed Maximum Price (GMP) for review and approval, should JEA not approve the GMP, JEA may terminate the contract for convenience and pay for current costs incurred, JEA may elect to have the company complete the design and have a third party bid the construction.
- Should JEA proceed to construction, the company shall complete the project for the GMP developed during design.

Amount for entire term of Contract/PO: \$169,795.38
Award Amount for remainder of this FY: \$121,579.15
Length of Contract/PO Term: Project Completion
Begin Date (mm/dd/yyyy): 06/01/2022
End Date (mm/dd/yyyy): Project Completion (Expected: 7/31/2023)
JSEB Requirement: Optional
Comments on JSEB Requirements:

PROPOSERS:

| Name | Points | Rank |
|----------------------------------|--------|------|
| UNDERWATER MECHANIX SERVICES LLC | 79.4 | 1 |
| EXO | 74.8 | 2 |
| MADCON INC. | 66.9 | 3 |

Background/Recommendations:

Advertised on 01/12/2022. Four (4) prime companies attended the mandatory pre-proposal meeting held on 01/20/2022. At proposal opening on 03/08/2022, JEA received three (3) proposals. The public evaluation meeting was held on 04/11/2022 and JEA deemed Underwater Mechanix Services LLC (UWM) most qualified to perform the work. A copy of the evaluation matrix, negotiated schedule and fees are attached as backup.

Negotiations with UWM were successfully completed. The proposed engineering design proposal is 6.1% higher than the budgeted engineering estimate of \$160,000.00 due to JEA requesting UWM to include cathodic protection design which was not included in the original estimate. The design proposal is 10.4% of the estimated construction costs of \$1,640,000.00 and is deemed reasonable.

1410542646 – Request approval to award a contract to Underwater Mechanix Services LLC for engineering services for the Circuit 853/822 Lattice Tower 39 foundation repair in the amount of \$169,795.38, subject to the availability of lawfully appropriated funds.

Formal Bid and Award System

Award #8 November 17, 2022

Type of Award Request: CONTRACT EXTENSION
Requestor Name: Crawford, Danielle N.
Requestor Phone: 904-665-7830
Project Title: Customer Call Center Language Interpretation Services
Project Number: Cost Center 40110
Project Location: JEA
Funds: O&M
Budget Estimate: \$100,000.00 (Line BL01)

Scope of Work:

This contract provides a phone-based language interpretation service provider for the JEA Customer Call Center. The service provider provides 24 hour, 7 days per week, 365 days per year, interpretation services for thirty-six (36) languages in addition to Spanish with a minimum uptime of 99.7%. Spanish is the primary language that requires interpretation and in the recent past comprises over 90% of requested interpretation calls. Expected call subjects are related to:

- Starting, stopping and transferring utility service including running a credit check.
- Exploring and analyzing the reasons behind a large utility bill.
- Billing structure questions and negotiating payment arrangements extending past due debt for payment over multiple months.
- Explaining program offerings such as appliance and energy services rebates. Explaining the differences in services offered such as traditional services vs. prepaid and other electric, water, sewer and irrigation utility questions.

JEA IFB/RFP/State/City/GSA#: CPA 179845, 149-18

| | | |
|--------|-------------|------------|
| 179845 | \$98,263.25 | 01/13/2022 |
|--------|-------------|------------|

New Not-To-Exceed Amount: \$414,387.88
Length of Contract/PO Term: Three (3) Years w/One (1) – 1 Yr. Renewal
Begin Date (mm/dd/yyyy): 12/13/2018
End Date (mm/dd/yyyy): 06/11/2023
Renewal Options: None remaining
JSEB Requirement: JSEBs were reviewed and no opportunities available.

Background/Recommendations:

Competitively bid and approved by the Awards Committee on 12/13/2018. JEA has already utilized the one (1) renewal option. A copy of the previous award is attached as backup.

This request is for a six (6) month contract extension for \$87,936.00 to maintain the existing scope of services from 12/12/2022 to 06/11/2023. In addition to the \$62,594.00 in funds required for a six (6) month contract extension, this request also includes \$25,342.00 to cover additional services needed for the remainder of the contract from 10/01/2022 through 12/12/2022. The additional funds are due to a greater than forecasted interpreter time usage from increased call handle time. This extension is required to allow appropriate time to complete a new bid, which may include a potential transition to a new provider. JEA will begin the rebidding process immediately to ensure successful completion and transition.

JEA will continue to receive the same pricing from LionBridge Global Solutions II, Inc. for the six (6) month contract extension. Lionbridge has performed well over the term of the contract with no service issues to report.

Request approval to award a six (6) month contract extension to LionBridge Global Solutions II, Inc. for Customer Call Center Language Interpretation Services in the amount of \$87,936.00, for a new not-to-exceed amount of \$414,387.88, subject to the availability of lawfully appropriated funds.

New Not-To-Exceed Amount: \$326,451.88
Begin Date (mm/dd/yyyy): 12/13/2018
End Date (mm/dd/yyyy): 12/12/2022
Renewal Options: None remaining
JSEB Requirement: JSEBs were reviewed and no opportunities available.

Background/Recommendations:

Advertised on 09/11/2018. Four (4) prime contractors attended the optional pre-Response meeting held on 09/14/2018. At Response opening on 10/02/2018, JEA received four (4) Responses. In addition to the Quotation of Rates, the supplier Responses were also evaluated on Past Performance, Professional Staff Experience, Ability to Design an Approach and Workplan and Meet the Project Requirements. On 11/15/2018, JEA requested a Best and Final Offer (BAFO) from all four (4) Respondents. Lionbridge was determined to be the highest evaluated and responsible Respondent and awarded informally on 12/13/2018. An administrative increase of \$19,008.14 was completed on 06/24/2021 to make additional funds available to satisfy invoice requirements in advance of budgeting cycles. Attached is the evaluation matrix summary and BAFO as back-up.

This request is for additional funding of \$98,263.25 for a one (1) year contract renewal from 12/13/2021 to 12/12/2022 to maintain the existing scope of services for this contract. Included in this award amount is a ratification of \$6,788.78 for November 2021 invoice that is included in the \$98,263.25 renewal amount. Note the invoice for December services will not be paid until mid-January. Lionbridge has performed well over the initial term of the contract and will keep rates the same for the one (1) year renewal. The one (1) year renewal estimate is attached as backup.

Request approval to award a one (1) year contract renewal to Lionbridge Global Solutions, LLC for Customer Call Center Interpretation Language Services in the amount of \$98,263.25, for a not-to-exceed amount of \$326,451.88 subject to the availability of lawfully appropriated funds.

Good afternoon and I hope you had a great weekend as well!

Based on usage over the course of the last three months (7/7-10/7), I would anticipate that the 6 month extension would cost approximately \$62,594.

This was calculated by approximating the per month spend of \$10,432, based off of the previous three month spend of \$31,297.

Please let me know if this helps at all!

Good afternoon John,

Hope you had a wonderful weekend. I was curious if you would be able to work up a cost estimate for the extension, 6 month from 12/23/22 to 5/22/23, by chance based on our previous usage and current terms remaining the same?

Thank you,

Danielle Crawford

Formal Bid and Award System

Award #9 November 17, 2022

Type of Award Request: CONTRACT INCREASE
Requestor Name: Gonzalez Vargas, Freddy
Requestor Phone: (904) 665-8885
Project Title: Grit, Waste & Sludge Disposal Management Services for the Buckman Water Reclamation Facility (WRF)
Project Number: 30140 and 711-53/8007131
Project Location: JEA Buckman WRF
Funds: O&M and Capital
Award Estimate: \$1,264,984.43

Scope of Work:

JEA requires the services of a Contractor for transportation and disposal of bar screened waste, grit, sand and unclassified sludge cake and occasionally pellets (waste materials) from the Buckman WRF, located at 2400 Talleyrand Avenue, Jacksonville, Florida, 32206. Currently all waste materials are loaded out on a large concrete pad at the Buckman WRF, mixed and then loaded into trucks for landfilling. Pickups will be on a frequency determined by Buckman WRF plant personnel and coordinated between plant personnel and the awarded Contractor to transport and dispose of grit, sand and sludge cake material.

New Not-To-Exceed Amount: \$6,959,307.43
Length of Contract/PO Term: Five Years w/ One (1) – 1 Yr. Renewal
Begin Date: 10/30/2018
End Date: 10/29/2023
JSEB Requirement: N/A

Background/Recommendations:

Originally approved by Awards Committee on 10/25/2018 in the amount of \$4,302,500.00 to Biosolids Distribution Services, LLC and H&H Liquid Sludge Disposal, Inc. The Awards Committee approved a contract increase on 06/03/2021 to Biosolids Distribution Services, LLC due to equipment failures requiring emergency dewatering and sludge hauling services in the amount of \$1,215,573.00. Copies of the previous awards are attached for reference.

This contract increase is needed to fund biosolid removal through FY23. The biosolids dryer at Buckman WRF is currently out of service resulting in using these services more than originally forecasted. Prices were fixed for the first three years of the contract with a Consumer Price Index adjustment in years four and five. The basis for the increase is historical spend and the Capital component has been added due to the dryer being out of commission.

Request approval to award a contract increase to Biosolids Distribution Services, LLC (\$361,109.37) and H & H Liquid Sludge Disposal, Inc. (\$903,875.06) for Grit, Waste and Sludge Disposal Management Services for the Buckman Water Reclamation Facility (WRF) in the amount of \$1,264,984.43, for a new not-to-exceed amount of \$6,959,307.43, subject to the availability of lawfully appropriated funds.

Director: Sgambettera, John J. – Dir WW & Reuse Treatment
VP: Vu, Hai X. - VP Water Wastewater Systems

Formal Bid and Award System

Award #2 June 3, 2021

Type of Award Request: CONTRACT INCREASE
Request #: 166
Requestor Name: Smith, Thaliah
Requestor Phone: (904) 665-8319
Project Title: Grit, Waste and Sludge Disposal Management Services for the Buckman Water Reclamation Facility (WRF)
Project Number: HW30140 (O&M Budget Details Line 509)
Project Location: JEA
Funds: O&M
Budget Estimate: \$1,215,573.00

Scope of Work:

JEA requires the services of a Contractor for transportation and disposal of bar screened waste, grit, sand and unclassified sludge cake and occasionally pellets (waste materials) from the Buckman WRF, located at 2400 Talleyrand Avenue, Jacksonville, Florida, 32206. Currently all waste materials are loaded out on a large concrete pad at the Buckman WRF, mixed and then loaded into trucks for landfilling. Pickups will be on a frequency determined by Buckman WRF plant personnel and coordinated between plant personnel and the awarded Contractor to transport and dispose of grit, sand and sludge cake material.

Additionally, JEA solicited the participants for two (2) other services:

- Option 1: JEA is requesting pricing per ton for Class B biosolids disposal. For this service, Class B biosolids residuals will be loaded directly onto contractor provided trucks for disposal. JEA is currently evaluating having the Buckman sludge cake classified as Class B biosolids.
- Option 2: JEA is requesting pricing for emergency dewatering services in the event of a failure of JEA dewatering equipment (centrifuges).

JEA IFB/RFP/State/City/GSA#: 123-18
Purchasing Agent: King, David
Is this a Ratification?: NO

|---|---|
| Change Order Amount: | \$1,215,573.00 |
| New Not-To-Exceed Amount: | \$3,755,573.00 |
| Award Amount for remainder of this FY: | \$115,573.00 |
| Length of Contract/PO Term: | Five (5) Years w/ One (1) Renewal remaining |
| Begin Date: | 10/30/2018 |
| End Date: | 10/29/2023 |
| JSEB Requirement: | N/A |

Background/Recommendations:

Originally approved by Awards Committee on 10/25/2018 in the amount of \$2,540,000.00 to Biosolids Distribution Services LLC to provide transportation and disposal of bar screened waste, grit, sand and unclassified sludge cake. A copy of the original award is attached as backup.

Due to equipment failures over the last two years, JEA required more emergency dewatering and sludge hauling services from Biosolids Distribution Services LLC than originally projected. Currently, there is \$159,427.00 remaining in the contract. With the forecast of spending of \$550,000.00 per year, JEA needs an additional \$1,215,573.00 to cover services to the end of contract, approximately 30 more months:

$$\frac{\$550,000}{\text{year}} \times \frac{30 \text{ months}}{12 \text{ months/year}} - \$159,427 = \$1,215,573.00$$

Request approval to award a contract increase to Biosolids Distribution Services LLC to provide transportation and disposal of bar screened waste, grit, sand and unclassified sludge cake in the amount of \$1,215,573.00, for a new not-to-exceed amount of \$3,755,573.00, subject to the availability of lawfully appropriated funds.

BIDDERS:

| Name | First Round | BAFO | Rank | Option 1 Alt. Disposal | Option 2 Emer. Sves. |
|-------------------------------------|----------------|----------------|------|------------------------------|----------------------------|
| BIOSOLIDS DISTRIBUTION SERVICES LLC | \$5,080,000.00 | \$5,080,000.00 | 1 | \$48.18 | \$48.18 |
| MERRELL BROS INC. | \$5,645,000.00 | \$5,642,000.00 | 2 | \$54.22 | \$57.86 |
| H&H LIQUID SLUDGE DISPOSAL INC. | \$6,575,000.00 | \$6,575,000.00 | 3 | \$35.25 | \$88.00 |
| SOUTHERN LOGISTICS INC. | \$6,650,000.00 | N/A | 4 | \$95.00 | \$66.50 |
| SYNAGRO LLC | \$6,750,000.00 | N/A | 5 | \$59.75 | \$95.67 |

Background/Recommendations:

Advertised on 07/27/2018. Six (6) companies attended the mandatory pre-response meeting held on 08/08/2018. At Response opening on 08/28/2018, JEA received five (5) Responses. Three (3) companies were short-listed and invited to submit Best and Final Offers (BAFO). JEA evaluated the companies on price only, and Biosolids Distribution Services LLC (BDS), is deemed the lowest responsive and responsible respondent. Additionally, H&H Liquid Sludge Disposal, Inc. (H&H) will be awarded a secondary contract for Class B biosolids disposal (Option 1) on a callout basis, as they are the lowest price respondent for this option. Lastly, BDS will be awarded the option for emergency dewatering services (Option 2), on a callout basis, as they are the lowest price respondent for this service. A copy of the Response Form and Workbook are attached as backup.

The award amounts were determined as follows:

| Company | Service | Forecast (Tons) | Price per Ton | Total |
|-------------------------------------|---|--------------------|------------------|----------------|
| Biosolids Distribution Services LLC | Hauling of Grit/Sand, Pellets, Sludge to Landfill | 50,000 | \$50.80 | \$2,540,000.00 |
| H&H Liquid Sludge Disposal Inc. | Option 1: Disposal of Class B Biosolids | 50,000 | \$35.25 | \$1,762,500.00 |
| Biosolids Distribution Services LLC | Option 2: Emergency Dewatering Services | callout | \$48.18 | - |
| Total | Blended rate (analysis) | 100,000 | \$43.03 | \$4,302,500.00 |

The incumbent rate from Southern Logistics is \$41.00 per ton and will expire on November 30, 2018. It

should be noted, Southern Logistics participated in the solicitation with a proposal of \$66.50 per ton.

The award amount of \$4,302,500.00 is approximately 4.9% higher than the estimate. This comparison uses two rates; \$50.80 per ton for landfilling (BDS) and \$35.25 per ton (H&H) for alternate disposal (e.g., land application). A blended rate of \$43.03 is used to compare cost increase for the services. Price increase for landfilling is due to tipping fee increases. It should be noted, the blended rate will be lower the more JEA can divert to the optional disposal method with H&H for the Class B disposal.

Prices are fixed for the first three (3) years of the contract, after which a Consumer Price Index adjustment will apply in years four (4) and five (5). BAFO resulted in no price reduction. The business unit will fund the work from same cost center and trend funds as necessary.

123-18 - Request approval to award a contract to Biosolids Distribution Service Inc, for \$2,540,000.00, and to H&H Biosolids Solutions in the amount of \$1,762,500.00 for biosolids waste hauling management services, for a not-to-exceed amount of \$4,302,500.00, subject to the availability of lawfully appropriated funds.

BIDDERS:

| Name | Annual Amount | Rank | Score |
|-------------|----------------|------|-------|
| TALOGY, LLC | \$2,400,000.00 | 1 | 95.5 |

Background/Recommendations:

Advertised on 06/16/2022. At Proposal opening on 07/19/2022, JEA received one (1) Proposal. A second Proposal was expected but we received feedback that the company did not have the bandwidth to participate, and we made the decision to proceed with the proposal opening. Talogy, Inc. has been deemed the highest evaluated Responsive and Responsible Proposer. Evaluation criteria included rates, financial responsibility, professional experience, past performance and design approach. The evaluation matrix is attached as backup.

After negotiations, JEA received an estimated two percent (2%) decrease in the hourly rate lowering pricing from \$200.00 to \$196.00 per hour. When comparing the current hourly rate pricing of \$187.50 with the proposed pricing of \$196.00, there is an approximate increase of five percent (5%) for the five (5) year term. The previous 2015/2016 contracts for these services had firm pricing for the term of their contract. Pricing is fixed for the original term of the contract. A Consumer Price Index (CPI) price adjustment is allowed for the renewal terms with a cap of six percent (6%). The contract award amount is based on the budgeted funds. The revised Proposal Workbook with lower pricing has been attached as backup.

1410730847 - Request approval to award a contract to Talogy, Inc. for Pre-Employment (Civil Service, Behavioral and Cognitive, etc.) Assessments for a not-to-exceed amount of \$2,400,000.00, subject to the availability of lawfully appropriated funds.

| Total Amount for all Services for Five Year Term - Transfer this Amount to Page 1 of the Proposal Form and Enter this Amount in Zycus | | | | | \$ 5,695,350.00 |

Formal Bid and Award System

Award #11 November 17, 2022

Type of Award Request: DEVELOPER AGREEMENT
Requestor Name: West, Susan R. - Consulting Engineer
Requestor Phone: (904) 665-7980
Project Title: 2021-5321 Darby Offsite
Project Number: 166-16W & 166-16S
Project Location: JEA
Funds: Capital
Award Estimate: \$1,837,013.00 (JEA portion)

Scope of Work:

This is a private development project where JEA has identified improvements consistent with the JEA Cost Participation Policy and as such are eligible for reimbursement. The Darby Offsite project will support the overall Darby Development which will consist of 697 single family residential units. This project is located within the Buckman Sewer Basin and the North Water Grid. The project elements are comprised as follows: upsize 5,729 feet of water main from 12" to 16" and upsize 13,647 feet of force main from 8" to 12".

Purchasing Agent: King, David

Is this a ratification?: NO

If yes, explain:

| PLUMMER JV, LLC / TB LANDMARK CONSTRUCTION, INC. | Michael Blevins | mblevins@corner lotdevelopment.com | 1819 Goodwin St, Jacksonville, FL 32204 | (904) 955- 8390 | \$996,008.00 |

Amount for entire term of Contract/PO: \$996,008.00

Award Amount for remainder of this FY: \$996,008.00

Length of Contract/PO Term: Project Completion

Begin Date: 12/01/2022

End Date: Project Completion (Estimated: September 2023)

JSEB Requirement: N/A - Developer Agreement

BIDDERS:

| Name | Total Bid Amount | JEA Portion Amount |
|--|------------------|--------------------|
| PLUMMER JV, LLC / TB LANDMARK CONSTRUCTION, INC. | \$4,667,725.00 | \$996,008.00 |
| JAX UTILITIES MANAGEMENT INC. | \$5,015,010.00 | \$722,530.00 |

Background/Recommendations:

The area surrounding the project location has experienced significant development interest in the last several years. Several surrounding parcels have undergone land use and/or zoning modifications to entitle the land for new development. The proposed sewer force main upsizing improvements will occur along Plummer Road, Old Kings Road and Garden Street. The proposed water main upsizing improvements will occur along Plummer Road and Old Kings Road. The proposed main sizes are based on future growth estimations and are interconnected with the existing grid where possible to provide redundancy.

The developer has followed JEA procurement directives by advertising and awarding to the lowest responsible bidder. The solicitation was advertised, and a pre-bid meeting was held on July 20, 2022. The developer requested bids for all the utility work and the project was awarded based upon the lowest bid total to the developer. Plummer JV, LLC received two bids, with TB Landmark being the lowest responsive bidder with the JEA portion of the overall bid at \$996,008.00. The JEA portion is approximately 45.8% below the JEA estimate of \$1,837,013.00. The JEA estimate included the material, labor, and equipment. JEA is only reimbursing the cost of upsizing the material, so the bid amount is deemed reasonable.

Requested approval of a payment to Plummer JV, LLC for the construction of the water main and force main by TB Landmark for the Darby Offsite project in the amount of \$996,008.00, subject to the availability of lawfully appropriated funds.

PROPOSAL
(OFFICIAL BID FORM)
Darby Subdivision Offsite Utilities

DARBY SUBDIVISION OFFSITE UTILITIES

1. MOBILIZATION AND SITE PREPARATION - Includes the preparatory work and operations in mobilizing to begin the work and demobilizing upon completion of work on the project. Work will include any site preparation necessary for construction. This item will be paid for on a percentage of total construction complete basis.

TOTAL

LUMP SUM PRICE: \$ 60,000.00 (Numerals)

Sixty Thousand Dollars and Zero Cents

(Written)

2. EROSION AND SEDIMENT CONTROL - Includes all measures that are required to comply with the State of Florida water quality standards. This includes, but is not limited to silt screens, hay bales, sodding, settling ponds or other such measures that shall prevent the discharge of turbid waters from the site and minimize erosion of all graded areas. This item includes all measures necessary to meet agency quality standards and requirements for the construction limits as shown on the Sediment and Erosion Control Plan. This item will be paid for on a percentage of total construction complete basis. All offsite water discharge will be tested for turbid water by the Owner's Representative, Contractor will coordinate all testing.

TOTAL

LUMP SUM PRICE: \$ 33,125.00 (Numerals)

Thirty Three Thousand, One hundred Twenty Five Dollars
and Zero Cents

(Written)

3. STORM WATER POLLUTION PREVENTION PLAN - Notice of Intent (NOI) to be filed by the Owner's Representative. The contractor shall adhere to all Federal rules and regulations regarding the National Pollutant Discharge Elimination System (NPDES) for construction and ground water discharge. The Storm Water Pollution Prevention Plan (SWPPP) included in these plans shall establish the minimum requirements allowed. The contractor shall implement additional measures, as required, to ensure compliance with the NPDES requirements. This item does not include erosion controls item shown on the erosion and turbidity control plans or erosion and turbidity controls required by St. Johns County or the St. Johns River Water Management District. Contractor shall provide specifications and shop drawings on all material to be used as part of the SWPPP. Contractor and all subcontractors shall sign SWPPP and SWPPP documentation will be maintained by the Owner or Owner's Representative.

TOTAL

LUMP SUM PRICE: \$ 6,000.00 (Numerals)

Six Thousand Dollars and Zero Cents

(Written)

PROPOSAL
(OFFICIAL BID FORM)
Darby Subdivision Offsite Utilities

GENERAL NOTES:

1. The Contractor shall submit a detailed construction schedule with the bid proposal that outlines time frames for major work items. This schedule will be used in bid evaluation.
2. The Contractor is required to perform all tests as required by Duval County and applicable utility companies prior to project acceptance.
3. The Contractor is responsible for visually inspecting the entire site prior to submitting bids and notifying the Engineer of discrepancies, which may affect the construction and its cost.
4. The selected Contractor will be required to submit an itemized schedule of values outlining all work items that will be used for monthly pay requests.
5. Standard contract documents as provided by the Owner will be used for the Contract and General Conditions.
6. Stub out all utilities beyond pavement edge as needed to continue into next phase and not disturb pavement of previous phase.
7. The Owner will provide the following survey stakeout work for the Contractor. All other necessary survey work must be provided by the Contractor.
 - (1) Project Benchmark
 - (2) Roadway Center Points
8. The Contractor shall be responsible for coordinating all work necessary with all utility companies.
9. The Contractor shall be responsible for coordinating the work necessary to complete all final approvals and acceptances.
10. Contractor shall complete his work in a professional and workman like manner typical of his industry. There shall be no sections or parts missing. Further, the work shall be complete and able to function for its intended use. The work must be continuous.
11. All storm drainage must be maintained to each property owner during construction. If this does not occur, the Contractor will be responsible for any damage that may result.
12. Burning of clearing debris generated on this project area may be burned as allowed by the Duval County Fire Marshall.
13. Water and Sewer As-Builts must include elevation on all water/storm and water/sanitary crossing and must meet JEA Standard 501 As-Built Drawings. Sanitary Sewer services are not included.
14. The Contractor shall specify subcontractors to be used for major work items, i.e. water, sewer, paving and drainage.

PROPOSAL
(OFFICIAL BID FORM)
Darby Subdivision Offsite Utilities

15. Contractor shall secure and pay for all paving and drainage construction permits, building permits, right-of-way construction permits, county "clearance sheet" permit, electrical permit, water and electrical meters (if applicable), installation fees, electrical inspection fees, if any required.

The undersigned Bidder has examined and read all Plans, Specifications, General and Special Conditions, and other Contract Documents and all Addenda thereto; and is acquainted with and fully understands the extent and character of the work covered by this Proposal and the specified requirements for the proposed work and submits this Bid with no unanswered questions.

The undersigned Bidder certifies that he has carefully examined the foregoing Proposal after the same was completed and has verified every item placed thereon; and agrees to indemnify, defend and save harmless the Owner and/or Engineer against any cost, damage or expense which may be incurred by any error in his preparation of same.

The undersigned Bidder agrees that he understands the following items:

If this Proposal is accepted by the Owner, the undersigned agrees to keep the bid in effect for one hundred and eighty (180) calendar days from the bid opening date.

The Owner reserves the right to reject any or all Bids, waive informalities in any Bid, make award in part of whole with or without cause, and to the award in what is deemed to be the best interest of the Owner.

If awarded the Contract, the undersigned agrees to begin work within ten (10) calendar days after executing the contract and complete the improvements in accordance with the schedule shown.

The following documents are attached to and made a condition of this Bid.

- A. Attachment A – List of Proposed Subcontractors
- B. Attachment B – Certificate of Compliance with Florida Trench Safety Act
- C. Letter of Qualification for Performance and Payment Bonds
- D. Contractor's Licenses
- E. Initial Project Schedule
- F. Schedule of Values -per page 7, General Notes, #4- The selected contractor will be required to submit SOV
- G. Attachment C – Bid Affidavit

| 174352 | \$454,540.12 | 10/27/2022 | Contract increase due to increased demand at Buckman WRF |

New Not-To-Exceed Amount: \$5,625,154.48

Contract Term Five (5) Years w/ One – 1 Yr. Renewals

Begin Date: 05/18/2018

End Date: 05/17/2023

Renewal Options: One (1) – 1 Yr. Renewals

JSEB Requirement: N/A

Background/Recommendations:

Originally approved by Awards Committee on 05/10/2018 in the amount of \$3,291,555.20. On 12/16/2021, a contract increase was also approved for \$924,690.51. Additionally, administrative increases were approved on 11/23/2021 and 10/27/2022 as shown in the table above. Copies of the previous awards are attached for reference.

This request is for a contract increase for residuals hauling and disposal from various JEA sites to an allowed disposal site. The unit prices were fixed for the three-year term of the contract, and a unit price increase was approved in December 2021 based on the trucking CPI. The current increased usage of this contract is due primarily to the biosolids dryer at Buckman WRF being out of service. JEA is using Merrell Bros Inc. as an additional resource for hauling of biosolids from the Buckman WRF until the dryer returns to service. The contract increase amount is based on historical usage; a summary table is attached as backup.

Request approval to award a contract increase to Merrell Bros Inc. for residuals hauling and disposal in the amount of \$625,213.13, for a new total not-to-exceed amount of \$5,625,154.48, subject to the availability of lawfully approved funds.

Change Order Amount: \$924,690.51

List of Previous Change Order/Amendments:

| CPA # | Amount | Date |
|--------|--------------|------------|
| 174352 | \$329,155.52 | 11/23/2021 |

New Not-To-Exceed Amount: \$4,545,401.23
Length of Contract/PO Term: Five (5) Years w/One (1) – 1 Yr. Renewal
Begin Date: 05/18/2018
End Date: 05/17/2023
Renewal Options: YES – One (1) – 1 Yr. Renewal
JSEB Requirement: N/A – Optional

Background/Recommendations:

Originally approved by Awards Committee on 05/10/2018 in the amount of \$3,291,555.20 to Merrell Bros, Inc. A copy of the original award is attached as backup. An administrative contract increase was approved on 11/23/2021 to allow work to continue while pricing was finalized for the remainder of the contract.

This request is for a contract increase for residuals hauling and disposal from various JEA sites to an allowed disposal site. Merrell Bros, Inc. contacted JEA requesting a rate increase based on the trucking consumer price index (CPI) in October. The trucking CPI at that time represented 16.82% increase. JEA and Merrell Bros, Inc. agreed to a 14.86% rate increase instead of the full trucking CPI increase. The updated pricing is attached for reference. The award amount is the adjusted budget amount for hauling services with Merrell Bros, Inc.

Request approval to award a contract increase to Merrell Bros, Inc. for residuals hauling and disposal in the amount of \$924,690.51, for a new not-to-exceed amount of \$4,545,401.23, subject to the availability of lawfully appropriated funds.

| PRO LIME | \$4,664,979.00 | 5 | N/A | N/A | N/A |

Background/Recommendations:

Advertised 03/05/2018. Eight (8) vendors attended the optional pre-response meeting on 03/20/2018. At Bid opening on 04/03/2018, JEA received five (5) responses. Merrell Bros and H&H were invited to submit Best and Final Offers (BAFO) on 04/20/2018. Merrell Bros is deemed the lowest responsible and responsive Respondent. A copy of the Response Form and Workbook is attached as backup.

When comparing Merrell Bros new rates with their current contract, the rates decreased by an average of thirteen percent (13%). This represents a savings of \$503,823.21 over the five (5) year life of the contract. The rates are fixed through the first three years of the Contract. Thereafter, the Company may request a CPI adjustment annually.

073-18 - Request approval to award a five (5) year contract to Merrell Bros., Inc. to remove residuals and sludge cake from the various WRF and haul and dispose in the amount of \$3,291,555.20, subject to the availability of lawfully appropriated funds.

Formal Bid and Award System

Award #13 November 17, 2022

Type of Award Request: CONTRACT INCREASE
Requestor Name: Ford, Raymond J. – Project Cost Specialist Senior
Requestor Phone: (904) 665-4758
Project Title: Crane, Rigging and Heavy Hauling
Project Number: Various
Project Location: JEA
Funds: O&M & Capital (see back-up)
Business Unit Budget Estimate: \$360,000.00

Scope of Work:

The purpose of this solicitation is to provide contract services for crane rental and heavy hauling services. The Primary users of these services are the Transmission Group, Substations Distribution Group, Water and Sewer Department and the various JEA Generating Plants. This contract can also be used by any other group or department within JEA. JEA currently spends approximately \$260,000.00 per year on Time and Materials (T&M) for crane and rigging services. Two contracts are to be awarded on a 70/30 split.

Begin Date (mm/dd/yyyy): 11/15/2018
End Date (mm/dd/yyyy): 11/14/2023
Renewal Options: None Remaining
JSEB Requirement: N/A – Optional

Background/Recommendations:

Competitively bid and approved by Awards Committee on 11/15/2018. The original award and renewal are attached as back-up. The original award was to Sims Crane and Equipment Co. on 70% and Beyel Brothers, Inc. 30% split.

Increases were approved in 03/14/2019 (\$829,262.36), 06/29/2020 (\$196,726.24), 04/08/2021 (\$720,000.00), 10/10/2021 (\$100,149.66) to support continued use of the contracts.

The following table reconciles the contract increases over the life of the contract to date, including this increase for the new NTE.

| Contract Detail | Sims Crane 178506 | Beyel Bros 178508 | Subtotals / Line |
|--|------------------------------|------------------------------|-------------------------|
| Original Award (11/08/2018) | \$803,600.00 | \$334,400.00 | \$1,138,000.00 |
| Contract Increase #1 (3/14/2019) | \$580,483.65 | \$248,778.71 | \$829,262.36 |
| New NTE | \$1,384,083.65 | \$583,178.71 | \$1,967,262.36 |
| 10% increase (06/29/2020) | \$138,408.37 | \$58,317.87 | \$196,726.24 |
| New NTE | \$1,522,492.02 | \$641,496.58 | \$2,163,988.60 |
| Contract Increase #2 (04/08/2021) (funds supported first renewal) | \$360,000.00 | \$360,000.00 | \$720,000.00 |
| New NTE 04/08/2021 | \$1,882,492.02 | \$1,001,496.58 | \$2,883,988.60 |
| 10% Increase (10/10/2022) | \$0 | \$100,149.66 | \$100,149.66 |
| Current NTE | \$1,882,492.02 | \$1,101,646.24 | \$2,984,138.26 |
| This Increase #3 (11/17/2022) | \$0 | \$360,000.00 | \$360,000.00 |
| New NTE (11/17/2022) | \$1,882,492.02 | \$1,461,646.24 | \$3,359,138.26 |

This request is to add funds for O&M and Capital projects in the amount of \$360,000.00, to allow continued use through this second renewal. The original award amount was based on historical usage and budget estimates available at the time of award. Contracts are subject to CPI adjustments allowable at contract anniversary upon request by the supplier. JEA did not receive a contract increase request at the time of the execution of the final renewal.

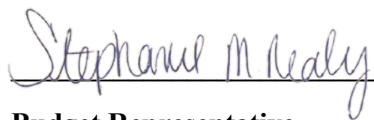

It should be noted that term-based services contracts are typically not funded for the latter years of the contract. Should additional work develop during the contract term, or should JEA elect to renew the contracts, additional funding may be required. Additional increases will be processed through the Awards Committee as necessary.

Request approval for a contract increase to Beyel Brothers, Inc. for crane, rigging and heavy hauling services in the amount of \$360,000.00, for a new total not-to-exceed amount of \$3,344,138.26, subject to the availability of lawfully appropriated funds.

Formal Bid and Award System

Award #5 April 8, 2021

Type of Award Request: CONTRACT INCREASE
Request #: 6557
Requestor Name: Lovgren, Rodney D.
Requestor Phone: (904) 665-6631
Project Title: Crane, Rigging and Heavy Hauling
Project Number: Various
Project Location: JEA
Funds: O&M & Capital (see back-up)
Budget Estimate: \$720,000.00

Scope of Work:

The purpose of this solicitation is to provide contract services for crane rental and heavy hauling services. The Primary users of these services are the Transmission Group, Substations Distribution Group, Water and Sewer Department and the various JEA Generating Plants. This contract can also be used by any other group or department within JEA. JEA currently spends approximately \$260,000.00 per year on Time and Materials (T&M) for crane and rigging services. Two contracts are to be awarded on a 70/30 split.

JEA IFB/RFP/State/City/GSA#: 113-18
Purchasing Agent: Lovgren, Rodney Dennis
Is this a ratification?: NO

RECOMMENDED AWARDEE:

| Name | Contact Name | Email | Original Award | Contract Increase Total | Contract Increase | New NTE |
|------------------------------|----------------|---------------------------|----------------|-------------------------|-------------------|----------------|
| SIMS CRANE AND EQUIPMENT CO. | Tanya Scott | tanya.scott@simscrane.com | \$803,600.00 | \$718,892.02 | \$360,000.00 | \$1,882,492.02 |
| BEYEL BROTHERS INC. | Kevin McElveen | kevin.mcelveen@beyel.com | \$334,400.00 | \$307,096.58 | \$360,000.00 | \$1,001,496.58 |

Amount of Original Award: \$1,148,000.00 (10K mismatch - \$1,138,000.00 – corrected)

Date of Original Award: 11/08/2018

Change Order Amount: \$720,000.00

List of Previous Change Order Amendments:

| Change Order # | Amount | Date |
|-------------------|--------------|------------|
| Contract Increase | \$829,262.36 | 03/14/2019 |
| 10% Increase | \$196,726.24 | 06/29/2020 |

New Not-To-Exceed Amount: \$2,883,988.60

Length of Contract/PO Term: Three (3) Years w/ Two (2) - 1 Yr. Renewals
Begin Date (mm/dd/yyyy): 11/15/2018
End Date (mm/dd/yyyy): 11/14/2022
Renewal Options: Yes - One (1) – 1Yr. Renewal Remaining
JSEB Requirement: NA – Optional

Background/Recommendations:

Competitively bid and approved by Awards Committee on 11/15/2018. The original award and renewal are attached as back-up. The original award was to Sims Crane on 70% and Beyel Brothers 30% split.

Two increases were approved in 03/14/2019 (\$829,262.36) and 06/29/2020 (\$196,726.24) to support continued use of the contracts.

This request is to add funds for O&M and Capital projects in the amount of \$720,000.00, to allow the contract to run through term, and initially fund the execution of the first renewal. The original award amount was based on historical usage and budget estimates available at the time of award. Contract prices have CPI adjustments allowable at contract anniversary upon request by the supplier.

It should be noted, that term based services contracts are typically not funded for the latter years of the contract. Should additional work develop during the contract term, or should JEA elect to renew the contracts, additional funding may be required. Additional increases will be processed through the Awards Committee as necessary.

Request approval for a contract increase to Sims Crane (\$360,000.00) and Beyel Brothers (\$360,000.00) for crane, rigging and heavy hauling services for JEA in the amount of \$720,000.00, for a new not-to-exceed amount of \$2,883,988.60, subject to the availability of lawfully appropriated funds.

Formal Bid and Award System

CPA 178506

Award #9 March 14, 2019

Type of Award Request: CONTRACT INCREASE
Request #: 6557
Requestor Name: Lovgren, Rodney D.
Requestor Phone: (904) 665-6631
Project Title: Crane, Rigging and Heavy Hauling
Project Number: Various
Project Location: JEA
Funds: ~~O&M~~ & Capital (see back-up)
Budget Estimate: See attached

Scope of Work:

The purpose of this solicitation is to provide contract services for crane rental and heavy hauling services. The Primary users of these services are the Transmission Group, Substations Distribution Group, Water and Sewer Department and the various JEA Generating Plants. This contract can also be used by any other Group or Department within JEA. JEA currently spends approximately \$260,000.00 per year on Time and Materials (T&M) for crane and rigging services. Two contracts are to be awarded on a 70/30 split.

Continuing to use this contract through term will positively impact JEA's measures of value:

- Customer and Community Value: Outsourced service contracts support operational reliability and grid stability.
- Environmental Value: using contractors to perform intermittent services, allows JEA to not expend dollars on equipment, maintenance and operations, which limits JEA's impact in environment.
- Financial Value: Outsourced service contracts allows JEA to focus on core competencies and spend financial resource in areas that create greater value.

JEA IFB/RFP/State/City/GSA#: 113-18
Purchasing Agent: Lovgren, Rodney Dennis
Is this a ratification?: NO

| End Date (mm/dd/yyyy): | 11/14/2021 |
| Renewal Options: | Yes - Two (2) - 1Yr. Renewals |
| JSEB Requirement: | NA - Optional |

Background/Recommendations:

Competitively bid and approved by Awards Committee on 11/15/2018. The original award and renewal are attached as back-up.

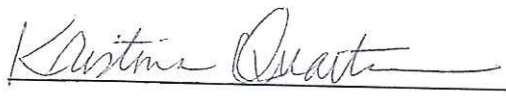

This request is to add funds for capital projects in the amount of \$829,262.36, to allow the contract to run through expiration. The original award amount was based on historical usage and budget estimates. As the Brandy Branch outage project released and quotes were solicited through the awarded companies, JEA noted a change order would be required. Procurement elected to wait to process the change order until a better estimate of contract increase required was determined. The original Bid Form is attached as backup and pricing remains the same. The additional funds are in line with the original award where the primary contractor, Sims Crane and Equipment Co. continues to hold 70% of the award. Should additional capital projects be approved in the coming years, funds will need to be added to the contract.

Request approval for a contract increase to Sims Crane (\$580,483.65) and Beyel Brothers (\$248,778.71) for crane, rigging and heavy hauling services for JEA in the amount of \$829,262.36, for a new not-to-exceed amount of \$1,977,262.36, subject to the availability of lawfully appropriated funds.

CPA 178508

BIDDERS:

| Name | First Round | BAFO | Rank | Score (Price) | Score (Safety & Work Approach) | Total Score |
|---------------------------------|--------------|--------------|------|---------------|--------------------------------|-------------|
| SIMS CRANE & EQUIPMENT | \$665,865.95 | \$656,126.22 | 1 | 100 | 21 | 121 |
| BEYEL BROS INC. | \$741,122.76 | \$713,722.50 | 2 | 91.8 | 18.5 | 110.3 |
| CRANE & RIGGING OF JACKSONVILLE | \$767,061.50 | \$767,061.50 | 3 | 85.5 | 23 | 108.5 |

Background/Recommendations:

Advertised on 07/30/2018. Nine (9) companies attended the mandatory pre-response meeting held on 07/27/2018. At Response opening on 08/14/2018, JEA received three (3) Responses. All three (3) companies were short-listed and invited to provide safety & work approach presentations. All three (3) companies were invited to submit Best and Final Offers (BAFO). JEA evaluated the companies on price (100 points) and safety and work approach (25 points). Sims Crane & Equipment and Beyel Bros Inc. were deemed to be the lowest responsive and responsible Respondents. A copy of the Response Form and Workbook are attached as backup.

The award estimate was based on historical spend at \$21,682.89/month over a three year period, for a total of \$780,000.00. The work in the past was performed off the rental resources contract, which was established to help identify historical spend across the company. The award amount of \$1,148,000.00 is based on the projected budget estimates from wastewater, power generation and transmission & distribution business units at JEA. It should be noted, the Brandy Branch Hot Gas Path project has a significant capital budget estimate, which has been included in the award amount.

Sims Crane and Equipment lowered their price by \$9,739.73 in the BAFO round or 1.5%, and Beyel Brothers lowered their price by \$26,582.50 in the BAFO round or 3.7%, for a total BAFO savings of \$36,322.23. There is not a direct comparison of current incumbent contract rates with Crane & Rigging to this solicitation; however, the rates from both awardees are lower than what the incumbent bid submitted for this solicitation (Sims Crane & Equipment are lower by 14.5%; Beyel Bros are lower by 7.0%).

Prices are fixed for the term of the contract, with Sims being the primary awardee for callout work. Both companies have in-town rolling equipment and emergency minimum call out times as well as 24/7 response contacts.

113-18 - Request approval to award contracts for crane, rigging and heavy hauling services to Sims Crane and Equipment for \$803,600.00 and to Beyel Bros Inc. for \$334,400.00, for a not-to-exceed amount of \$1,148,000.00, subject to the availability of lawfully appropriated funds.

Jacksonville, Florida 32202

October 11, 2018

Addendum Number: TWO (2)

Title: Crane, Rigging and Heavy Hauling Services

JEA Solicitation Number: 113-18

BAFO Due Date: October 19, 2018

Due Date Time: 12:00 PM

This Addendum 2 requests the Respondents to submit their Best and Final Offers (BAFOs) electronically in pdf by October 19, 2018, 12:00 PM Noon (EST) by email to: lovgrd@jea.com. Respondents not submitting a BAFO will have their first round submitted Total Bid Price used in Evaluation. Individual Unit Prices for specific scopes of work may change (increase or decrease), however, the submitted BAFO Total Bid Price (Total Response price) cannot be higher than the submitted first round Total Bid Price.

- Documents to submit with your BAFO Response by email.
 - Bid Form – Attached to this Addendum 2.
 - BAFO Bid Workbook – excel file attachment to Addendum 2.

A handwritten signature in blue ink, enclosed within a circular outline. The signature appears to be "Ker".

113-18 ADDENDUM 2 BAFO APPENDIX B BID FORM
CRANE, RIGGING AND HEAVY HAULING SERVICES FOR JEA

Submit an electronic copy pdf by email to: lovgard@jea.com by October 19, 2018, 12:00 PM noon.

Formal Bid and Award System

Award #14 November 17, 2022

Type of Award Request: CONTRACT INCREASE
Requestor Name: Clendening, William M.
Requestor Phone: (904) 665-4723
Project Title: Buckman WRF Disinfection System Replacement
Project Number: 8003631
Project Location: JEA
Funds: Capital
Award Estimate: \$175,000.00

Scope of Work:

The scope of this project is to perform a life cycle cost analysis comparing replacing the existing Ultraviolet (UV) disinfection system with either a new UV system or a new sodium hypochlorite/bisulfite disinfection system, to determine the most cost-effective and permit compliant technology.

JEA IFB/RFP/State/City/GSA#: 086-16
Purchasing Agent: Kruck, Daniel Robert (Dan)
Is this a Ratification?: NO

RECOMMENDED AWARDEE(S):

| Name | Contact Name | Address | Phone | Amount |
|------------------------|-----------------|---|----------------|--------------|
| CAROLLO ENGINEERS INC. | Dwayne Kreidler | 1089 West Morse Blvd, Suite A Winter Park FL 32789 | (407) 478-4642 | \$168,226.00 |

Amount of Original Award: \$1,053,270.00
Date of Original Award: 03/30/2017
Contract Increase Amount: \$168,226.00

List of Previous Change Order/Amendments:

| CPA # | Amount | Date | Reason |
|--------|--------------|------------|---|
| 164058 | \$371,485.00 | 05/17/2018 | Updated design to UV disinfection system based on results of a study |
| 164058 | \$99,861.00 | 10/11/2021 | Additional services during construction due to extended construction schedule |

New Not-To-Exceed Amount: \$1,692,842.00
Length of Contract/PO Term: Project Completion
Begin Date: 05/22/2017
End Date: Project Completion (Expected: June 2023)
JSEB Requirement: Evaluation Criteria (5%)
Comments on JSEB Requirements:

C&ES Consultants, Inc. - (5.3%)

1st Change order

C&ES Consultants, Inc. - (8.7%)

This Increase

N/A

Background/Recommendations:

Originally bid and approved by Awards Committee on 03/30/2017 in the amount of \$1,053,270.00 to Carollo Engineers, Inc. A change order was approved by the Awards Committee on 05/17/2018 in the amount of \$317,485.00. Additionally, an administrative increase was approved in the amount of \$99,861.00 on 10/11/2021. Copies of the previous awards are attached for reference.

This contract increase is to request additional services during construction for the Buckman WRF disinfection project. The construction schedule has been delayed due to material availability and changes to the overall plant upgrade project. JEA allowed increases to some hourly rates in 2021, and the rates have not changed for this increase.

Request approval to award a contract increase to Carollo Engineers, Inc. for additional services during construction of the Buckman Disinfection System Replacement project in the amount of \$168,226.00, for a new not-to-exceed amount of \$1,692,842.00, subject to the availability of lawfully appropriated funds.

Manager: Doherty, Peter F. – Senior Manager, Project Management

BIDDERS:

| Name | Rank |
|-------------------------|------|
| CAROLLO ENGINEERS, INC. | 1 |
| CDM SMITH | 2 |

Background/Recommendations:

Advertised 05/06/2016. Two (2) firms attended the mandatory pre-proposal meeting on 05/24/2016. At proposal opening on 06/07/2016, JEA received two (2) proposals. JEA contacted the solicited companies that did not attend the pre-proposal meeting and reasons for not attending were lack of necessary expert staff and workload constraints. The public evaluation meeting was held on 08/04/2016, and JEA deemed Carollo Engineers, Inc. most qualified to perform the work. A copy of the evaluation matrix and negotiated fees are attached as back-up.

Due to the advances and changes in disinfection technology, a life cycle cost analysis will be performed comparing replacing the existing UV disinfection system with either a new UV system or a new sodium hypochlorite/bisulfite disinfection system to determine the most cost-effective and permit compliant technology.

The proposed negotiated engineering fee of \$1,053,270.00 is approximately eighteen percent (18%) of the estimated construction cost for a chemical disinfection system. In addition to engineering design services, this fee also includes an evaluation study, benchtop testing plan for hypochlorite disinfection/dechlorination, permitting, geotechnical, surveying, and services during construction. The negotiated fees are twenty-four percent (24%) over the original estimate for this project because JEA did not include an evaluation study or permitting fees in the estimate. The negotiated fee of \$1,053,270.00 is deemed reasonable.

Based on the results of the alternatives investigation study, the benchtop testing plan and permitting agency requirements, additional design upgrades may be necessary. These design upgrades could include additional process, structural, electrical, and control efforts for chlorine contact tank volume or to remove and upgrade a new UV system. Such upgrades may result in a change order to the project.

086-16 - Request approval to award a contract to Carollo Engineers, Inc. for the engineering services of the Buckman Disinfection System Replacement project in the amount of \$1,053,270.00, subject to the availability of lawfully appropriated funds.

Comments on JSEB Requirements:

Original award: C&ES Consultants, Inc.: \$56,009.00 (5.3%)
Change order: C&ES Consultants, Inc.: \$32,503.00 (8.7%)

Background/Recommendations:

Originally bid and approved by Awards Committee on 03/30/2017 in the amount of \$1,053,270.00 to Carollo Engineers, Inc. A copy of the original award is attached as back-up.

The original award was based on designing a new sodium hypochlorite/bisulfite disinfection system, but included language asserting that additional design upgrades may be necessary based on the recommendations, which would result in a change order to the project. Based on the results of the alternatives investigation study, the benchtop testing plan, permitting agency requirements, and a decision matrix, Carollo Engineers, Inc. recommended that JEA replace the existing system with a new UV system. These design upgrades include upstream hydraulic improvements, additional services during construction, process, structural, electrical, and control efforts for removal and upgrade for the new UV system. The change order amount is based on the hourly rates previously negotiated under the original award.

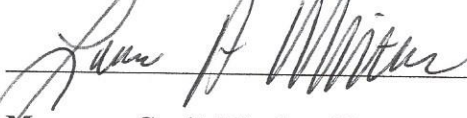

Request approval to award a change order to Carollo Engineers, Inc. for additional design and services during construction of the Buckman Disinfection System Replacement project in the amount of \$371,485.00, for a new not-to-exceed amount of \$1,424,755.00, subject to the availability of lawfully appropriated funds.

Scope of Services

JEA

Buckman Disinfection System Replacement

Solicitation Number 086-16

**Preliminary, Final Design, Bidding, and Construction Phase Services
UV Replacement and Hydraulic Improvements
Amendment 3**

October 17, 2022

EXHIBIT A – SCOPE OF SERVICES

A. Project Understanding

JEA owns and operates the Buckman Street wastewater treatment facility (WWTF) with a permitted average day flow (ADF) capacity of 52.5 million gallons per day (mgd) and a peak hour flow (PHF) of 157.5 mgd. The Buckman Street WWTF is an activated sludge wastewater treatment facility that provides secondary treatment with ultraviolet (UV) disinfection. The final effluent is discharged to the St. Johns River.

The existing UV disinfection system was installed in 2001 and this system is nearing the end of its useful life. JEA intends to evaluate and provide the necessary disinfection improvements to the facility to maintain the current permitted design capacity. The proposed evaluation is to review new UV disinfection equipment or the use of new sodium hypochlorite/bisulfite disinfection as a replacement of the existing UV disinfection system.

Carollo Engineer, Inc. (CONSULTANT) was selected by JEA to perform the evaluation, preliminary and final design, permitting services, bidding and construction phase services. The detailed scope of services includes both scopes of services assuming either the chemical disinfection or the UV disinfection could be selected, designed, bid, and constructed as one construction project.

CONSULTANT evaluated the replacement of the existing UV system with a new low-pressure-high-output (LPHO) UV system or a bulk sodium hypochlorite and sodium bisulfate system.

The final evaluation identified that the new LPHO UV system is recommended for installation with additional hydraulic modifications as identified in the final disinfection evaluation and screenings report. The following details this Amendment 3 scope of services.

D. Amendment 3 - Scope of Services for UV Replacement Design and Hydraulic Improvements

The scope of services is to be provided as the additional services for the LPHO UV disinfection system and hydraulic improvements. The detailed services are summarized by the following tasks:

Task 100 – Project and Quality Management
Task 700 – Construction Phase Services

Task 100 – Project Management and Quality Management

These additional services will be added to the effort provided in the original scope of services under Task 100.

Task 101 – Progress Reports

CONSULTANT will provide JEA with monthly progress reports that identify what work has been performed during the month and an itemized listing of work that will be anticipated in the upcoming month. These reports will be delivered as part of the monthly progress payment request. The Amendment 3 scope adds 5 monthly progress reports to the project services.

Task 102 – Maintain Schedule, Action Item Logs, and Decision Logs

CONSULTANT will continue to maintain a project schedule for the project services management for 5 additional months. CONSULTANT will also maintain the project Action Item Log and Decision log for 5 additional months.

Task 700 – Construction Phase Services

CONSULTANT will provide additional limited construction phase services related to the construction schedule for the LPHO UV disinfection system and hydraulic improvements. It is assumed that JEA will provide the on-site activities to observe general conformance of the construction with the conformed documents. These additional services will be added to the effort provided in the original scope of services under Task 700.

Task 702 – Review Shop Drawings

The CONSULTANT will receive, review, evaluate, and distribute shop drawings as submitted by the Contractor. An estimated additional 50 shop drawing resubmittals are anticipated to be reviewed as part of this Addendum 3.

Task 703 – Attend Monthly Construction Progress Meetings

The CONSULTANT will attend an additional 5 monthly onsite construction progress meetings.

Task 706 – Review of O&M Manuals

The CONSULTANT will review the equipment O&M manuals at the request of JEA. It is assumed that an additional five (5) manuals will be reviewed as part of this Addendum 3.

Task 708 – Startup/Commissioning Support

The CONSULTANT will provide startup assistance to JEA and the Contractor on critical processes, systems, and equipment installed as part of the project. CONSULTANT will provide a UV Technology Specialist and engineering support to assist in startup planning and sequence review and to check that proper operating parameters are being met, suggest adjustments, review applicable performance data, and provide written confirmation that the specific process, system or equipment is functioning as designed.

The UV Technology Specialist will be on site for one (1) week. While on site, CONSULTANT will schedule, and conduct/attend manufacturer and control strategy training for JEA maintenance personnel as needed.

D. Schedule

The scope of services will follow the Contractor's schedule during construction.

E. Compensation

Amendment 3 will be included as the additional effort to the original scope of services for the Buckman Disinfection System Replacement Project (Solicitation Number 086-16).

Total compensation will be based on a lump sum cost and billed on a monthly percent complete. **Attachment No. 1** provides the task hours and compensation for the Amendment 3 scope of services.

Formal Bid and Award System

Award #15 November 17, 2022

Type of Award Request: CONTRACT INCREASE
Requestor Name: Williams, Michael S. - Water Wastewater Engineer
Requestor Phone: (904) 665-7454
Project Title: Greenland Water Reclamation Facility (WRF) Pipelines: Water, Reclaimed Water and Sanitary Sewer Force Mains
Index Number: 417-94
Project Location: JEA
Funds: Capital
Award Estimate: \$3,700,000.00

Scope of Work:

This project is a combination of six (6) JEA capital projects. The force main will redirect wastewater from existing JEA pump stations to the proposed JEA Greenland WRF. The reclaim water main will convey reclaimed water away from the proposed JEA Greenland WRF to existing JEA reclaim water system. The water main is part of the JEA water master plan for conveying water from JEA's north water grid to the south water grid. The water main was grouped with the reclaim water main since they share the same proposed route. This project will be delivered using the Progressive Design-Build delivery method.

List of Previous Change Order/Amendments:

| Amendment | Amount | Date | Reason |
|-----------|-----------------|------------|--|
| 1 | \$45,720.00 | 11/01/2019 | Additional reclaimed water modeling and route evaluations. |
| 2 | \$110,579.00 | 03/02/2020 | Add 3 HDD drills across I-9B; expanded the evaluation of the Mandarin WRF outfall capacity. |
| 3 | \$40,441.00 | 04/22/2020 | Design fiber optic system expansion to support communications at the new Greenland WRF. |
| 4 | \$112,973.53 | 09/28/2020 | Phase II design services. Brings most design to 90%. Changes construction GMP to 90% design vs. 60% to better estimate final costs. Redesign of reclaimed interconnections along US1 due to JEA initiated changes. Re-allocated \$479,507.47 in funding from design not used in Phase I to Phase II. |
| 5 | \$10,500.00 | 11/16/2020 | Additional soil sampling and analysis of contamination found in original assessment. |
| 6 | \$21,039.60 | 04/08/2021 | 100% design for the water main, traffic control design and additional geotechnical services. Re-allocated \$49,800.00 from unused Phase I costs. |
| 7 | \$476,782.00 | 09/02/2021 | Design services for reclaimed water main from Mandarin WRF and services during construction for the engineering firm. |
| 8 | \$6,156,627.77 | 12/09/2021 | Early purchase of portions of ductile iron pipe, HDPE pipe and associated materials. |
| 9 | \$43,376,077.17 | 02/17/2022 | GMP increase for the reclaimed water main, force main and water main |

New Not-To-Exceed Amount: \$57,591,795.04
Length of Contract/PO Term: Project Completion
Begin Date: 06/25/2019
End Date: Project Completion (Expected: April 2024)
JSEB Requirement: Five Percent (5%) Evaluation Criteria

Comments on JSEB Requirements:Original Award:

Meskel & Associates (Geotechnical) – 15.6%
C&ES (MOT Engineering) – 4.3%

Amendments 1-3:

N/A

Amendment 4:

C&ES (Temporary Traffic Control/Permitting) – \$91,985.00 (15.5% of pre-adjusted fee)
Meskel & Associates (Geotechnical) – \$11,346.10 (1.92% of pre-adjusted fee)

Amendment 5:

Meskel & Associates (Geotechnical) – 100%

Amendment 6:

Meskel & Associates (Geotechnical) – \$24,275.60 (34.3% of pre-adjusted fee)

Amendment 7:

Meskel & Associates (Geotechnical) – 15.3%
C&ES (Temporary Traffic Control Plan) – 2.8%

Amendment 8:

N/A – Material Purchase

Amendment 9 Increase:

Meskel & Associates (Materials Testing & Geotechnical) - \$164,552.00

Garmon Trucking (Trucking) – \$487,507.00

D and J Erosion Control Specialists, Inc. (Erosion Control) – \$118,660.00

This Contract Increase

DJ Contracting of Jacksonville, Inc. (Trucking) – TBD

*Garney has also committed to soliciting JSEBs qualified to complete the landscaping services, once the scope of work is better defined.

Background/Recommendations:

Originally approved by Awards Committee on 06/20/2019 in the amount of \$3,605,160.00 to Garney Companies, Inc. Six administrative (less than 10% of original award) contract amendments have been issued. A contract amendment was approved by the Awards Committee on 09/02/2021 for final design services. Additionally, the Awards Committee approved a contract increase on 12/09/2021 for the early purchase of materials, and an increase on 02/17/2022 for the guaranteed maximum price (GMP) of the three main projects. A copy of the previous awards are attached for reference.

This contract increase request is for the material purchase and early work package for the addition of approximately 7,000 linear feet of 24” reclaim water main to the Greenland Pipe Program. At this time, the only surface water discharge to be permitted for Greenland WRF is Big Davis Creek. In dry weather conditions, there may be a lack of available water in the creek for dilution leading to a conditional limit or even restriction of water allowed to be discharged. This amendment will provide the pipeline for a secondary discharge in situations where Big Davis Creek does not have sufficient water available for dilution and/or reclaimed water demands are low (e.g., wet weather, winter months, power loss, etc.). The pipeline will start from just north of the JEA Bartram Repump Station (where the two existing 20” reclaimed water mains from Mandarin and Arlington WRFs tie together) to the Greenland WRF. On the west end, the new 24” reclaimed water main should tie into the existing 20” reclaimed water main west of the existing tee to the Bartram Repump Station, so that all Mandarin WRF reclaimed water flow will be redirected into the new 24” line. JEA estimating staff has reviewed the amendment proposal and deemed them reasonable when comparing to previous projects and current market conditions. The fee letter for the work is attached for reference. Once negotiations for the construction GMP of this reclaimed water main are completed another contract increase will be brought before the Awards Committee for approval. The total amount JEA expects to pay to Garney for this contract is \$62,331,795.04.

Request approval to award a contract increase to Garney Companies, Inc. for construction of the Greenland WRF Pipelines for Water, Reclaimed Water and Sanitary Sewer Force Mains projects in the amount of \$3,635,894.97, for a new not-to-exceed amount of \$57,591,795.04, subject to the availability of lawfully appropriated funds.

 D and J Erosion Control Specialists, Inc. (Erosion Control) – \$118,660.00

*Garney has also committed to soliciting JSEBs qualified to complete the landscaping services, once the scope of work is better defined.

Background/Recommendations:

Originally approved by Awards Committee on 06/20/2019 in the amount of \$3,605,160.00 to Garney Companies, Inc. Six administrative (less than 10% of original award) contract amendments have been issued. A contract amendment was approved by the Awards Committee on 09/02/2021 for final design services. Additionally, the Awards Committee approved a contract increase on 12/09/2021 for the early purchase of materials. A copy of the previous awards are attached for reference.

This contract increase request is for the construction of the water main, reclaimed water line and force main leading to the new Greenland Water Reclamation Facility (WRF), which include approximately 13 miles of 24" or greater pipelines. This guaranteed maximum price (GMP) is based on the 100% design documents. JEA decided to base the GMP on the 100% design to reduce the amount of contingency needed in the final GMP. JEA estimating staff has reviewed the GMP proposals and deemed them reasonable when comparing to previous projects and current market conditions. The fee tables for the work are attached for reference. The total current approved budget for these projects is \$56,263,198.00, and this work is included in that budget. See the table below for the construction costs per project included in this award.

| Project | GMP | Previously Awarded | Total |
|----------------------|-----------------|--------------------|------------------------|
| Reclaimed Water Main | \$30,643,180.16 | \$4,328,023.41 | \$26,315,156.75 |

This Change Order

N/A – Material Purchase

Background/Recommendations:

Originally approved by Awards Committee on 06/20/2019 in the amount of \$3,605,160.00 to Garney Companies, Inc. Six administrative (less than 10% of original award) contract amendments have been issued. A contract amendment was approved by the Awards Committee on 09/02/2021 for final design services. A copy of the previous awards are attached for reference. An overview of the previous change orders can also found in the table above.

The scope of work for this amendment includes the partial purchase of ductile iron pipe, HDPE pipe, and associated materials, for both the water main and the reclaimed water main. These materials have been identified as long lead items and need to be purchased before the final guaranteed maximum price (GMP) is

finalized to keep the project on schedule. The JEA W/WW project team has reviewed the pricing and deemed it reasonable when compared to current projects. A copy of the costs are attached as backup. The overall project budget is \$49,775,095.98, and the purchase of these materials is included within this budget.

Request approval to award a contract amendment to Garney Companies, Inc. for material purchases for the Greenland WRF Pipelines: Water, Reclaimed Water and Sanitary Sewer Force Mains project in the amount of \$6,156,627.77, for a new not-to-exceed amount of \$10,579,822.90, subject to the availability of lawfully appropriated funds.

Requestor Name: Williams, Michael - Water Wastewater Engineer
Requestor Phone: (904) 665-7454
Project Title: Greenland Water Reclamation Facility (WRF) Pipelines: Water, Reclaimed Water and Sanitary Sewer Force Mains
Project Number: 21421014
Project Location: JEA
Funds: Capital
Budget Estimate: \$900,000.00 (design of added reclaimed water main)

Scope of Work:

This project is a combination of three JEA capital projects. The force main will redirect waste water from existing JEA pump stations to the proposed JEA Greenland WRF. The reclaim water main will convey reclaimed water away from the proposed JEA Greenland WRF to existing JEA reclaim water system. The water main is part of the JEA water master plan for conveying water from JEA's north water grid to the south water grid. The water main was grouped with the reclaim water main since they share the same proposed route. This project will be delivered using the Progressive Design-Build delivery method.

Amendment 6:

Meskel & Associates (Geotechnical) – \$24,275.60 (34.3% of pre-adjusted fee)

This Change Order:

Meskel & Associates (Geotechnical) – 15.3%
 C&ES (Temporary Traffic Control Plan) – 2.8%

Background/Recommendations:

Originally approved by Awards Committee on 06/20/2019 in the amount of \$3,605,160.00 to Garney Companies, Inc. A copy of the original award is attached as backup. Six administrative (less than 10% of original award) contract amendments have been issued. An overview of the administrative change orders can be found in the table above.

Mandarin WRF is limited on how much reclaimed water can be pumped into the south grid as a result of its interconnection with the Arlington East WRF reclaimed water pumps. The proposed reclaimed water main in this amendment will allow Mandarin WRF to discharge directly into a tank at Greenland WRF, increasing the average reclaimed water discharge from 3 to 6 million gallons per day. JEA Electric Planning is in the process of evaluating the expansion of Greenland Energy Center (GEC) to a combined cycle. Reclaimed water is included in the evaluation for water to be used in the cooling towers. Additionally, this project will allow more reclaimed water to be available to both GEC and Greenland WRF.

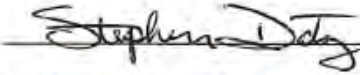

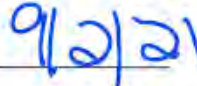

The scope of work for this amendment includes the design approximately 9,500 feet of 24" reclaimed water main from just North of the JEA Bartram Repump Station (where the two existing 20" reclaimed water

mains from Mandarin and Arlington WRFs tie together) to the new Greenland WRF. On the West end, the new 24" reclaimed water main will tie into the existing 20" reclaimed water main west of the existing tee to the Bartram Repump Station so that all Mandarin WRF reclaimed water flow will be redirected into the new 24". Garney will also install a valve between the 24" tie in point and the existing tee that leads to the Bartram Repump Station. This amendment request also includes services during construction for the design firm (Mott MacDonald) for all of the pipeline projects. It is anticipated that this amendment is the last design-related increase to the contract. When design reaches 90%, Garney will prepare a Guaranteed Maximum Price (GMP) for the construction of the pipelines, which will be brought before the Awards Committee for approval. The fee for this work is approximately 47% lower than estimated due to adding this pipeline to the existing route for the other Greenland WRF pipelines, saving costs on route study and explorations. A copy of the proposed fees are attached as backup.

Request approval to award a contract amendment to Garney Companies, Inc. for additional Design-Build services for the Greenland WRF Pipelines: Water, Reclaimed Water and Sanitary Sewer Force Mains project in the amount of \$476,782.00, for a new not-to-exceed amount of \$4,423,195.13, subject to the availability of lawfully appropriated funds.

**Formal Bid and Award System***CPA 182958*

Award #4 June 20, 2019

Type of Award Request: PROPOSAL (RFP)
Request #: 6466
Requestor Name: DiMeo, Elizabeth A.
Requestor Phone: (904) 665-8139
Project Title: Greenland Water Reclamation Facility (WRF) Pipelines: Water, Reclaimed Water and Sanitary Sewer Force Mains
Project Number: 730-12, 100-62, 102-33
Project Location: JEA
Funds: Capital
Budget Estimate: \$3,830,620.20 (60% Design Budget Estimate)

Scope of Work:

JEA is requesting proposals for a design-build team to design and construct the Greenland WRF Pipelines: Water, Reclaimed Water and Sanitary Sewer Force mains project. This project is a combination of three JEA capital projects. The force main will redirect waste water from existing JEA pump stations to the proposed JEA Greenland WRF. The reclaim water main will convey reclaimed water away from the proposed JEA Greenland WRF to existing JEA reclaim water system. The water main is part of the JEA water master plan for conveying water from JEA's north water grid to the south water grid. The water main was grouped with the reclaim water main since they share the same proposed route. This project will be delivered using the Progressive Design-Build delivery method.

This award positively impacts the following JEA Measures of Value:

- Customer Value - Provides reliable water, sewer and reclaim service to our customers.
- Community Value - The new force main will provide sewer system reliability by redirecting flow from an existing overloaded treatment grid to a new treatment grid. The water main will increase system reliability for the South Grid. The reclaim water main will provide potable water consumption offsets.
- Environmental Value - The new sewer force main will help mitigate sanitary sewer overflows (SSOs) by redirecting flow from an existing overloaded treatment grid to a new grid. The reclaim water main will provide potable water consumption offsets. The water main will transfer water from the North grid to the South grid to protect the existing well fields' water quality in the area.
- Financial Value - The new force main will reduce the potential for SSO fines. The reclaim water main will increase reclaim water sales.

JEA IFB/RFP/State/City/GSA#: 040-19

Amount for entire term of Contract/PO: \$3,605,160.00
Award Amount for remainder of this FY: \$914,070.00
Length of Contract/PO Term: Project Completion
Begin Date (mm/dd/yyyy): 06/14/2019
End Date (mm/dd/yyyy): Project Completion (Expected: October 2022)
JSEB Requirement: Five Percent (5%) Evaluation Criteria
Comments on JSEB Requirements:
 Meskel & Associates (Geotechnical) – 15.6%
 C&ES (MOT Engineering) – 4.3%

PROPOSERS:

| NAME | Amount | Rank |
|-----------------------------|----------------|------|
| GARNEY COMPANIES INC. | \$3,605,160.00 | 1 |
| REYNOLDS CONSTRUCTION | N/A | 2 |
| JB COXWELL CONTRACTING INC. | N/A | 3 |
| LANZO CONSTRUCTION | N/A | 4 |

Background/Recommendations:

Advertised on 02/05/2019. Nine (9) prime companies attended the mandatory pre-proposal meeting held on 02/12/2019. At proposal opening on 03/05/2019, JEA received four (4) Proposals. The public evaluation meeting was held on 03/26/2019 and JEA deemed Garney Companies, Inc. most qualified to perform the work. A copy of the evaluation matrix and negotiated schedule and fees are attached as backup.

Negotiations with Garney Companies Inc. were successfully completed for Phase 1 of this project. This project will be delivered using the Progressive Design-Build method, splitting the effort into two (2) phases. Phase 1 includes engineering design up to sixty percent (60%), support services and pre-construction services, which is approximately 7.55% of the estimated project cost. After Phase 1, a Guaranteed Maximum Price (GMP) will be established, with the option of an "off ramp" if construction pricing is not acceptable. Upon acceptance of the GMP and subsequent approval by the Awards Committee, Phase 2 will commence. Phase 2 will include the final design, services during construction (SDC) and construction costs. Negotiations of the design builder fee resulted in a cost savings of \$35,034.00 for the Phase 1 fee.

Project Budget and Schedule Details:

- Original Project Budget: \$42,219,274.00
 - Engineering Cost: \$4,301,824.00
 - Construction Cost: \$34,135,413.00
 - JEA Services Cost: \$3,735,486.00
- Revised Project Budget: \$52,126,834.00
 - Engineering: \$6,384,367.00
 - Phase 1 Fee (60% design): \$3,830,620.20
 - Phase 2 Fee (40% Design): \$2,553,746.80

- Phase 2 Fee (Construction): \$41,317,267.00
 - JEA Services Costs: \$4,425,201.00
- Estimate at Completion: \$52,126,834.00
 - Engineering: \$6,384,367.00
 - Phase 1 Design (60%): \$3,605,160.00 (this award, 7.55% of DB fee estimate)
 - Phase 2 Design (40%): 2,779,206.00
 - Construction: \$41,317,267.00
 - JEA Services Costs: \$4,425,201.00
- Original Project Schedule:
 - Engineering Completion: December 2019
 - Construction Completion: February 2022
- Revised Project Schedule:
 - Engineering Completion: September 2020
 - Construction Completion: October 2022

Major Issues/Changes

The original cost estimates were updated to include cost escalations, contingency costs and design-build fees. Originally each of the three pipelines was envisioned to be its own design-bid-build project. The schedule was delayed due to the need to write a design criteria package to solicit the design build firm.

040-19 – Request approval to award a contract to Garney Companies, Inc. for design-build services for the Greenland WRF Pipelines: Water, Reclaimed Water and Sanitary Sewer Force Mains project in the amount of \$3,605,160.00, subject to the availability of lawfully appropriated funds.

GREENLAND WRF INTERCONNECT**

DATE 10/19/2022

| ITEM NO. | DESCRIPTION | TOTAL VALUE |
|--------------------------|--|-----------------|
| 1 | PIPE AND MATERIALS PURCHASE | \$ 1,757,833.07 |
| 2 | LABOR, EQUIPMENT, AND GENERAL CONDITIONS | \$ 382,696.52 |
| 3 | SUBCONTRACTOR | \$ 990,647.45 |
| 4 | CONTINGENCY / ALLOWANCE | \$ 222,912.00 |
| 5 | 9% DESIGN BUILDER FEE | \$ 281,805.93 |
| PROPOSED AMENDMENT VALUE | | \$3,635,894.97 |

AMENDMENT NOTES

Pricing for valves, fittings, and restraints, are valid through 10/31/2022. Pricing for HDPE is valid through 10/27/2022, thus must be released by 10/27/2022. JEA authorization must be obtained by October 27th, 2022 so Garney can issue purchase orders to the vendors no later than 10/27/2022.

Pricing for ductile iron pipe is value through 12/31/2022. ACIPCO intends to place a portion of the material on order by mid-October to secure capacity for manufacture and delivery of pipe by May 2023. (30 Week Lead Time)

This includes cost for the jack and bores assuming we will have the permitting needed to start construction by end of December 2022.

This includes cost for the HDD's assuming we will have the permitting needed to start construction by end of December 2022

Formal Bid and Award System

Award #16 November 17, 2022

Type of Award Request: CONTRACT INCREASE**Requestor Name:** Gaines, Brian A. - Staff Engineer**Requestor Phone:** (904) 654-9207**Project Title:** Progressive Design-Build Services for the 1.0 MGD Water Purification Facility**Index Number:** 825-13**Project Location:** JEA**Funds:** Capital**Award Estimate:** \$5,200,000.00**Scope of Work:**

The scope of work for this project includes design, construction, integration and interface, test, checkout and startup of a 1.0 million gallons per day (MGD) water purification facility based around membrane treatment. The treated water will meet applicable water quality standards including primary and secondary drinking water standards, potable reuse regulations and address the removal of currently unregulated compounds. The facility will utilize innovative technology including state of the art controls and instrumentation.

A key component to the facility will be the visitor experience/education center and execution of the public communication plan. It is anticipated that the facility will have thousands of visitors each year. The facility's visitor/education center will be accessible for tours of attendees such as JEA employees, elected officials, community leaders, grade school students, university students, regulatory agency employees, engineers and plant operators from other utilities. The visitor experience/education center will also incorporate a training area for groups such as engineers, operators and students.

This Contract Increase

N/A (specialty equipment purchase)

Background/Recommendations:

Originally approved by the Awards Committee on 01/23/2020 in the amount of \$800,000.00 to The Haskell Company. A contract increase was approved by the Awards Committee on 10/14/2021 in the amount of \$5,223,357.00. A copy of the previous awards are attached for reference.

This project will be delivered using the Progressive Design-Build delivery method, which will include several phases. This contract increase includes the purchase of long lead equipment. The equipment being purchased includes components for the plant microfiltration (MF), ultrafiltration (UF), reverse osmosis (RO) and ultraviolet (UV) disinfection systems. The fee letter overview is attached for reference.

Negotiations for the construction guaranteed maximum price (GMP) will start once the design reaches the 90% stage. Once those negotiations are completed another contract increase will be brought before the Awards Committee. The current estimate, based on the 60% design documents, is for the total costs to Haskell to be \$68,624,214.00 for this project.

Request approval to award a contract increase to The Haskell Company for the purchase of equipment for the Progressive Design-Build Services for the 1.0 MGD Water Purification Facility project in the amount of \$5,105,646.00, for a new not-to-exceed amount of \$11,129,003.00, subject to the availability of lawfully appropriated funds.

This Contract Increase (% of this Increase)

C&ES (Civil Eng.) – 3.19%

Smith Surveying Group (Survey) – 0.6%

Meskel and Associates (Geotechnical) – 0.66%

Background/Recommendations:

Originally approved by the Awards Committee on 01/23/2020 in the amount of \$800,000.00 to The Haskell Company. A copy of the original award is attached as backup.

This project will be delivered using the Progressive Design-Build delivery method, which will include several phases. Preliminary work that could be done before a site was finalized was completed with the original award amount, including an approximately 10% design. On 06/03/2020, JEA suspended work on this project until the Integrated Water Resource Plan (IWRP) was completed. A copy of the suspension letter is attached as backup. With the IWRP plan now completed, JEA is ready to resume the project. On 09/17/2021, the JEA Board of Directors approved the purchase of the real estate for this project.

This contract increase includes pre-construction services and 100% design services. It is anticipated, as the design progresses, to bring several interim Guaranteed Maximum Prices (GMPs) for equipment pre-purchase and early construction work. At the 90% design stage, a final GMP will be established. Upon acceptance of the GMP and subsequent approval of the Awards Committee, construction will commence. If JEA and Haskell cannot agree upon a final GMP, Haskell will complete the design as stated in this contract increase and the contract will end.

The tasks included in this contract increase are listed below:

- General project management tasks
- Continue design-builder preliminary design assistance and oversight
 - Preliminary P&IDs
 - Unit Process Descriptions
 - Process/Mechanical system PDR criteria and description
- Commence detailed process design activities
- Continue drafting major equipment specifications for procurement activities
- Field investigations
- Site geotechnical investigation
- Begin site civil design
- Site survey
- Exploratory well preliminary design and permit application
- Prepare early construction packages
- Architectural building prototype development including general schematic plan layout for process design assistance, site use planning, and preliminary conceptual design.
- Permitting and regulatory investigations and support
- 100% Design Services
- Grant and funding assistance

The original estimate for this project was created in 2019 and projected the pre-construction and engineering costs to be \$3,330,663.00. This estimate is attached for reference. The proposed fee for this work is approximately 56.8% higher than the original estimate. When the original estimate was created JEA did not know the final location of the demonstration plant. The location of the plant has a large impact on the cost of design/construction due to differing site conditions, and pipelines needing to be brought to and from the site. Additionally, the original estimate did not include the design/permitting of the monitoring and deep injection wells. JEA has reviewed the proposed fees and deemed them reasonable when compared to other JEA projects. The contract increase fee overview is attached for reference. The expected total cost to be paid to Haskell for this project in the approved budget, including

construction, is currently estimated at \$40,209,803.00. This contract increase is included in that approved budget number.

Request approval to award a contract increase to The Haskell Company for the pre-construction and design services of the Progressive Design-Build Services for the 1.0 MGD Water Purification Facility project in the amount of \$5,223,357.00, for a new not-to-exceed amount of \$6,023,357.00, subject to the availability of lawfully appropriated funds.

JEA Contract #JEA188037 / 187427
Early Procurement Guaranteed Maximum
Price

Mr. Ryan Popko
JEA
Consulting Engineer
21 West Church Street
Jacksonville, Florida 32202

Dear Mr. Popko,

Haskell is pleased to submit to JEA for your review and comment our firms Early Procurement Equipment Guaranteed Maximum Price for the H2.O Purification Center. The Scope of Work was developed utilizing Black & Veatch's design documents and Haskell's Bid Manual as listed below:

H2.O Purification Center Design Documents

1. 30% Design Documents Dated 02/18/2022
2. 30% Specifications Dated February 2022
3. Appendix F – AEWRF Water Quality Phase 1 R&D combined
4. 30% Preliminary Design Report dated 18 February 2022

Haskell's Early Procurement Guaranteed Maximum Price includes the following attachments:

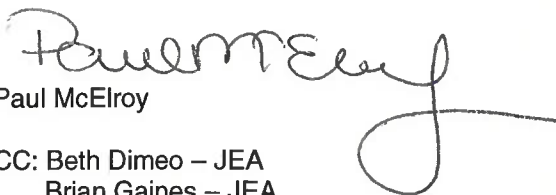

1. Project Summary broken down by Vendor Proposal Package.
2. Black & Veatch technical logs/clarifications from the vendors.
3. Detailed technical comparison between each vendor in each package.
4. Clarifications and Assumptions.

Haskell's Early Procurement Guaranteed Maximum Price summary is as follows:

1. Total Equipment Package Cost - \$4,209,871.00
2. Total Owner Allowance - \$404,526.00
3. Total Design-Builder Contingency - \$30,000.00
4. Total Indirect Costs (Insurance / Fee) - \$461,250.00
5. Total Early Procurement Works Package GMP - \$5,105,646.00

Haskell is thankful for this opportunity and is available at JEA's convenience to answer any questions they may have concerning this milestone estimate.

Sincerely,

Paul McElroy
