This document is an outline of the coverage provided under your employer's benefit plans. It does not include all the terms, coverages, exclusions, limitations, and conditions contained in the official Plan Document, applicable insurance policies and contracts (collectively, the “plan documents”). The plan documents themselves must be read for those details. The intent of this document is to provide you with general information about your employer's benefit plans. It does not necessarily address all the specific issues which may be applicable to you. It should not be construed as, nor is it intended to provide, legal advice. To the extent that any of the information contained in this document is inconsistent with the plan documents, the provisions set forth in the plan documents will govern in all cases. If you wish to review the plan documents or you have questions regarding specific issues or plan provisions, you should contact your JEA Benefit Services.

Welcome

Dear Employee,

JEA understands your benefits are important to you and your family. Helping you understand the benefits available to you is essential. This Benefits Guide provides a description of our company’s benefit program. Included in this guide are summary explanations of the benefits, as well as contact information for each provider.

This guide is not an employee/employer contract. It is not intended to cover all provisions of all plans, but rather it is a quick reference to help answer most of your common questions. Please refer to the carrier benefit summaries and certificates in the Employee Benefits site and read the plan documents for more details.

TOP THINGS TO KNOW ABOUT THIS GUIDE AND YOUR BENEFITS

- Benefit summaries are available on-line on the GRID
- Please review the medical, dental, and vision plan comparison charts located on pages 8, 18, and 20, respectively.
- Contact information for each vendor is available on the respective benefit page and the back cover.

We encourage you to review each section and discuss your benefits with your family members. Be sure to pay close attention to applicable copayments, deductibles, coinsurance, out-of-pocket maximums and bi-weekly premiums. This guide will give you an overview of your benefits and help prepare you for the enrollment process.

NEW for 2024!

- Reduced Pharmacy Copays and coinsurance for Formulary and Non-Formulary Medications for retail and mail order.
- Increased Wellness credits for employees and spouses who participate in biometric screenings.
- PREMIUM vision plan that includes a HIGHER frame allowance per calendar year, a lower lens copay, and no additional charge for scratch coating, UV coating, and tint.
- Eye360 is an addition to both Vision Plans. Utilize a Eye360 participating provider to receive a $0 exam copay and an additional $50 frame allowance.
- Vision diabetic plan that covers office visits and diagnostic testing once every 6 months
- Increased Spouse and Child Life Insurance policies available
- Increase in both Short Term Disability plan options weekly maximums
Eligibility and Enrollment

EMPLOYEE ELIGIBILITY
Benefit eligible employees are provided an opportunity to participate in the JEA sponsored benefits program. You are eligible for benefits on your first day. You may change your coverage tier of the respective plan for the first time you enroll, add or remove a dependent or terminate a plan previously elected. All benefits discontinue on your last day of employment or termination date with JEA.

QUALIFYING LIFE EVENT
Elections made during your initial election period or at Open Enrollment may not be changed until the next annual Open Enrollment period, unless you experience a “Qualifying Life Event.” A Qualifying Life Event allows you to make a change to your benefit elections within 30 days of the event. Once you are enrolled in a respective plan, you may only change your coverage tier with a qualifying event.

Coverage will be effective the date of the Qualifying Life Event. A retro adjustment of the premium for the change in the level of coverage will be deducted from your pay check.

Examples of Qualifying Life Events include but are not limited to:
- Marriage
- Divorce or legal separation
- Birth, adoption, or legal custody of a dependent child
- Changes to your dependent’s eligibility for benefits under another group health plan resulting in gain/loss of coverage
- Death

Documentation will be required, such as a marriage certificate, divorce decree, birth certificate, proof of loss/gain coverage, etc.

If you experience a Qualifying Life Event, contact Benefit Services at 1.904.665.5300 and submit all required documents within 30 days of the event.

Note: Health Savings Account (HSA) contributions can be changed at any time.

YOUR RESPONSIBILITY
Before you enroll, make sure you understand the plans and ask questions. Always print out (from Oracle) your JEA Benefits.

Confirmation Statement with your enrollment choices and beneficiaries to keep for your records. After you enroll, you should check your first paycheck to make sure the correct amount is being deducted and that all the benefits you elected are included.

### WHAT IF I HAVE MORE THAN ONE MEDICAL PLAN?

If you are covered under JEA’s medical plan and also have medical insurance somewhere else (such as through a spouse, TRICARE, etc.), your medical benefits will be subject to Coordination of Benefits (COB).

Coordination of Benefits is a practice used to ensure that insurance claims are not paid multiple times when someone is insured under multiple insurance plans. When your JEA plan is primary, the other plan is secondary and will pay next. When your JEA plan is secondary it pays benefits after the primary plan has paid benefits. The rules for determining which plan is primary and which plan is secondary vary based on the circumstances.

If you have more than one medical plan, let Florida Blue know when you enroll and they will work with your other insurance company on your behalf.

Specialty medications are generally used to treat rare or complicated conditions (autoimmune disorders, cancer, etc.).

**Note:** Diabetic Supplies (e.g., glucose monitors and batteries, test strips, alcohol wipes, insulin syringes, needles and lancets) are covered at 100% under the HMO with HRA and PPO plans; and are covered at 100% after DED under the HDHP with HSA plan.
Teladoc

SEE A DOCTOR ANYTIME (MEDICAL, DERMATOLOGY AND MENTAL HEALTH)

You and your covered family members have access to Teladoc which allows you to contact a licensed doctor from anywhere at anytime. Using a computer or your cellphone, reach a doctor for assistance with things like a cold, minor injuries, sinus infections, upset stomach, and fevers. Teladoc providers can write prescriptions when appropriate, and you don’t have to travel to a doctor’s office and wait!

Register online at www.teladoc.com.

When you register, you will need to answer some medical questions just like you would for a doctor you see in person. After you’ve registered, you may contact a doctor when you need them using the contact methods available.

TIPS FOR BEING A WISE HEALTHCARE CONSUMER

Understand your medical coverage. Read this guide and ask questions if there is something you don’t understand.

- Establish a relationship with a doctor. Do not wait until you’re sick to try to find a primary care doctor. Become an established patient by scheduling an initial exam. The doctor will then have your health history, which is an important tool in good medical care. Additionally, established patients generally have priority in scheduling appointments.

- Use network providers. The doctors and hospitals who are part of the BlueOptions network have agreed to negotiated prices for the services they provide, so you’ll generally pay less from your own pocket.

- Save the emergency room for emergencies. A hospital emergency room is no place to get care for a common illness. Going to the emergency room for non-emergencies can be very expensive and time-consuming.

- Consider an Urgent Care Center, Teladoc, or Convenience Clinic (usually inside drugstores) instead.

Shop around. When you need something like an MRI or surgery, contact a Florida Blue Care Consultant (1.888.476.2227) or use the comparison features on www.floridablue.com to compare your options.
Health Accounts

HSA: SAVINGS WHEN YOU NEED CARE
Your HSAs are administered by HSA Bank. An HSA is a great way to handle medical, prescription, dental, and vision expenses not covered by your insurance. JEA provides a contribution, and you may make regular tax-free contributions to your account through payroll.

And that's not all:
- You own the account, even if you change plans or jobs
- Your funds roll over from year to year and any growth is tax-free
- Any withdrawal for qualified medical expenses is tax-free

Under the High Deductible Health Plan (HDHP) with HSA, JEA will contribute $1,200 for employees enrolling in single coverage, and $2,400 for employees enrolling in family coverage. **Prorated JEA contribution for accounts effective after Jan 1, 2024.**

</tr>
</tbody>

**HSA ELIGIBILITY:**
You must be enrolled in the HDHP with HSA to have the HSA. You cannot contribute to an HSA if you have other medical coverage (like Medicare or TRICARE) or if you are a dependent on someone else’s tax return. In this scenario, you may still enroll in the medical plan. JEA will make the contribution on your behalf to a health care FSA instead.

The first time you elect an HSA with JEA you will need to set up an account on-line with HSA Bank (the plan administrator). Please set up your account after your HSA debit card is received.

HSA elections can be changed throughout the year with a change form submitted to benefits.

**AGE 55 OR OLDER?**
The IRS permits an extra $1,000 per year in catch-up contributions.
Health Accounts

HRA: MEDICAL CARE ACCOUNT FUNDED BY JEA

The HRA – a Health Reimbursement Arrangement – is an account established by JEA for your use when you enroll in the HMO with HRA plan. The HRA is administered by HSA Bank. Funds in the account can be used to pay for qualified medical expenses incurred by you and your covered family members. Any remaining funds at the end of the year are carried over to the next year up to the annual deductible limit.

Unlike an HSA, you are not able to make your own contributions to an HRA. However, you are able to contribute to a Health Care Flexible Spending Account (FSA) to pay for qualifying expenses with pre-tax dollars. Any remaining balance in the FSA is forfeited at the end of the year. HSA Bank administers the HRA accounts.

COMPARING YOUR OPTIONS
Remember that you aren’t just choosing an HRA or an HSA, you’re also choosing a health plan. You’ll need to consider a variety of factors: your general health, whether you expect to receive any expensive treatment or have surgery this year, medications, who you cover, etc. to make the best decision for you.

ELIGIBILITY
Must be enrolled in the HDHP through JEA and meet eligibility qualifications for an HSA. Must be enrolled in the HMO through JEA for HRA.

The choice is yours based on your individual needs. If you’re considering the HDHP with HSA for the first time and have questions about how it may impact your taxes, we encourage you to contact a qualified tax professional to determine what it means for you.

2024 Benefits Guide

2024 Benefits Guide
Flexible Spending Account

HEALTH AND DEPENDENT CARE

FLEXIBLE SPENDING ACCOUNTS CAN SAVE YOU MONEY

Pay for qualifying health care and dependent care expenses with tax-free money using a Flexible Spending Account (FSA).

FSAs will be administered by HSA Bank. You may generally enroll in one or both accounts depending on your needs. You will receive a debit card from HSA Bank to pay for your eligible expenses. Estimate carefully — any leftover funds at the end of the year are forfeited per IRS regulations. Expenses must be incurred between January 1, 2024 and December 31, 2024.

KEEP YOUR RECEIPTS!

HSA Bank (according to IRS regulations) requires substantiation for some debit card transactions to confirm eligible expenses.

HEALTH CARE FSA

Pay for qualifying medical, pharmacy, dental, and vision expenses using pre-tax funds with a Health Care FSA.

| Contribution Maximum | $3,200 ($133.33 per paycheck) |
| Time period for claims | January through December |
| Time period to submit claims | Through March 31, 2025 |

Good to know:
If you are enrolled in the HDHP with HSA, you are not eligible for a Health Care FSA.

DEPENDENT CARE FSA

Pay for qualifying dependent care on behalf of an eligible individual with pre-tax funds. Eligible individuals are typically defined as a dependent child under the age of 13 or a tax dependent or spouse who is physically or mentally incapable of self-care.

| Contribution Maximum | $5,000 ($208.33 per paycheck) $2,500 if married filing separately |
| Time period for claims | January through December |

Good to know:
Eligible expenses must be necessary for you and/or your spouse to work, attend school, or look for work.

Only the amount you contributed year to date is available at any one time.

### HOW TO LOCATE IN-NETWORK PROVIDERS FOR EACH OF YOUR BENEFIT PLANS.

If you experience issues with the websites or have questions about navigating the directories, please contact the company by using the contact information provided either on each coverage page or the back cover of this guide.
Wellness Program

JEA is committed to helping employees live a healthy lifestyle. For over 25 years, the JEA Wellness Program has been an important part of JEA’s culture and overall commitment to providing benefits and services that support the physical, mental, financial and social wellbeing of each employee.

To assist JEA with ensuring the employees and their dependents maintain or improve one’s health and wellbeing, JEA has partnered with HealthCheck360 (HC360). HC360 is devoted to improving health and early identification of your health risks, confidentially. JEA also offers Wellness Centers at many of our locations that are managed and maintained through the assistance of Corporate Fitness Works (CFW). CFW specializes in the management of fitness facilities.

HC360 has the technology and the experience to create a unique and confidential program for JEA employees.
Wellness Program

HealthCheck 360 Provides:

- **Wellness Challenges**
- **Biometric Screening** – comprehensive analysis of your health which includes testing of the liver and kidneys plus many other areas
- **Health Coaching** – MyHealthCheck360 APP and website to easily track your health goals
- **Health Education**
- **And more** to make focusing on your health fun and easy

Starting January 2024, employees can earn a wellness credit $650 per year ($25 for 26 pay checks) by completing the 2023 biometric screening and health risk assessment and achieving a score of a 75+ points or improve last year's score by 5+ points. An eligible Dependent Spouse can earn a wellness credit $520 per year ($20 for 26 pay checks for employees) by completing a biometric screening and health risk assessment. Employees and eligible spouses who complete a biometric screening and health risk assessment, but do not meet the score criteria can complete a reasonable alternative as established with the HC360 health coach. Be sure to download your myHealthCheck360 app for easy participation and to stay current on all things wellness.
Corporate Fitness Works brings a certified Wellness Center manager to help meet your JEA Wellness Center needs. This support is through individual fitness counseling, virtual group classes along with many other areas to assist you in meeting your fitness goals. Our JEA Wellness Center provides:

- Group classes – in person or virtual
- Wellness Challenges
- Webinars
- Health Education
- Clean facilities
- Maintenance of equipment

You can participate in the JEA Wellness Center at any time. To enroll visit the SharePoint Grid. Should you elect to participate, the cost is $7.50 per pay period.

Through your JEA Wellness Program and its partners, lifestyle change incentive programs (for example - Pride Points) are offered year round to encourage participation in healthy living activities, stress management, tobacco cessation, healthy eating, exercise and weight management.
BASIC (JEA-PROVIDED) LIFE AND AD&D INSURANCE
As an employee of JEA, you are provided with life insurance and accidental death and dismemberment (AD&D) coverage at no cost to you. Make sure you designate a beneficiary in Oracle who will receive your life insurance payment if you pass away while covered under this policy.

VOLUNTARY AD&D INSURANCE OPTIONS
To supplement the AD&D coverage provided by JEA, you have the option to purchase additional AD&D coverage for yourself and your dependents. You may elect up to five times annual salary to a maximum of $500,000.

VOLUNTARY LIFE INSURANCE OPTIONS
To supplement the life insurance coverage provided by JEA, you have the option to purchase additional life insurance coverage for yourself and your dependents through Standard. You must cover yourself to cover your dependents, and a beneficiary designation is required to enroll in additional life insurance. Your cost for coverage depends on your coverage amount and is available at enrollment.

AD&D
AD&D, or Accidental Death & Dismemberment insurance, is attached to the basic and voluntary life insurance policies you receive through JEA.
Your AD&D coverage is for the same amount as your life insurance and can pay a benefit in one of two ways:
1. If your death is caused due to a covered accident, the AD&D benefit pays in addition to your life insurance. This is sometimes called a “double indemnity” because your beneficiary receives both the life insurance amount and the AD&D amount.
2. If, as the result of a covered accident, you either lose a covered body part (such as a limb) or lose the function of a covered body part, you may receive a percentage of the total AD&D benefit depending on the functions that have been lost.
Life and AD&D Insurance

**COVERAGE AMOUNTS**

**For You**

Your life insurance and AD&D benefit amounts depend on your business unit and your salary. Additional life insurance options are based on multiples of your salary as indicated by your business unit to a maximum of $250,000.

</tr>
</tbody>
</table>

As a new employee, you may elect up to the **guarantee issue limit of $250,000** with no medical questions required.

Requests to enroll at a later date will be subject to medical questions and approval by Standard.
Disability insurance helps to protect your income should you become sick or disabled for an extended period. In the event you cannot return to work, disability insurance can provide you and your family with a continued source of income until you can return to work or retire.

You have the opportunity to purchase both Short-Term Disability Insurance (STD) and Long-Term Disability Insurance (LTD) through Standard Insurance Company. If you elect this coverage as a newly eligible employee, no medical questions are required. Requests to enroll at a later date will be subject to medical questions and approval by Standard. Disability insurance does not pay for injuries received on the job, and benefits are reduced if you receive other payments (such as Social Security).

Additional Benefits

VOLUNTARY BENEFITS AND LEGAL PLAN

AFLAC BENEFITS
AFLAC offers a selection of plans to help you meet financial obligations associated with accidents, illnesses, and certain diagnoses. Coverage is paid for through payroll deductions, and benefits are paid directly to you. Your cost for coverage depends on the plan, and in some cases, your age. If your employment with JEA ends, you may take these benefits with you for the same cost you pay as an employee. Additional information is available on www.aflac.com/JEA, at enrollment, or from our AFLAC representative, Susan Knight, 1.904.241.2482.

HOSPITAL INDEMNITY PLAN
Pays for hospital confinements or outpatient surgeries due to injury, illness or pregnancy. Pays cash benefits directly to you to help offset the costs associated with hospital confinements.

CANCER PLAN
AFLAC pays a cash benefit upon the initial diagnosis of a covered cancer. A variety of, other benefits are also payable throughout the cancer treatment such as chemotherapy, radiation and surgery. You can use these cash benefits to help pay, out of pocket medical expenses, the rent or mortgage, groceries or utility bills. The plan offers a $75 wellness benefit for each covered person each year.

ACCIDENT PLAN
AFLAC pays cash benefits directly to you in the event of an accident, either on or off the job.
The accident plan, has no deductibles, copayments or lifetime limit. You are covered 24 hours per day, 7 days a week.
This plan offers a wellness benefit of $60 payable after 12 months of enrollment.
LEGAL PLAN
JEA offers full-time employees the opportunity to purchase Legal Assistance through US Legal Services with post-tax payroll deductions. The Family Protector is a comprehensive legal protection program designed to help individuals and their families deal with various personal issues in a dignified, affordable manner. This program includes, but is not limited to, free services such as:
- Telephonic legal advice
- Review of legal documents
- Simple wills for member & spouse
- Credit repair assistance

You can upgrade your Legal Plan to include the Identity Theft Program which covers a $25,000 identity theft expense reimbursement. The policy also covers lost wages up to $500 per week for a maximum of four weeks.

RATES FOR SERVICES
- **Family Defender®** $9.38 per pay period
- **Defender® Family & Identity** $14.35 per pay period

Coverage extends to the employee, employee's spouse, and unlimited eligible dependent children up to age 26.
TIME AWAY FROM WORK

JEA has a comprehensive leave program which includes accrued annual/personal leave for vacation, sick, or personal reasons, Family Medical Leave (FML), and leave of absence (LOA) without pay. In addition to our leave programs, we also have 12 paid holidays and a Personal Leave Day, dependent upon the applicable bargaining unit agreement or employment plan.

ANNUAL/PERSONAL LEAVE
Annual/personal leave accrues on a bi-weekly basis. Employees must be in a paid status in order to accrue annual leave. JEA policy requires that accrued annual leave and Paid Paternal Leave run concurrently. Refer to your Collective Bargaining Agreement or the JEA Appointed Staff Employment Plan for more comprehensive details and accrual rates.

PAID PARENTAL LEAVE
An eligible employee has the opportunity to utilize up to six (6) continuous weeks of Paid Parental Leave during the 12-week period following the birth or adoption of an employee’s child. For further information, please refer to the Paid Parental Leave Policy.

FAMILY MEDICAL LEAVE ACT (FMLA)
The Family Medical Leave Act (FMLA) provides eligible employees of JEA unpaid job-protected leave for specified family and medical reasons. JEA policy requires that accrued annual leave and FML leave run concurrently. Eligible employees are entitled to twelve workweeks of FML in a 12-month period for:

- the birth of a child and to care for the newborn child within one year of birth;
- the placement with the employee of a child for adoption or foster care and to care for the newly placed child within one year of placement;
- to care for the employee’s spouse, child, or parent who has a serious health condition;
- a serious health condition that makes the employee unable to perform the essential functions of their job;
- any qualifying exigency arising out of the fact that the employee’s spouse, son, daughter, or parent is a covered military member on “covered active duty;” or
- twenty-six workweeks of FML during a rolling 12-month period to care for a covered service member with a serious injury or illness if the eligible employee is the service member’s spouse, son, daughter, parent, or next of kin (military caregiver leave).

*See the Department of Labor’s list of potential covered/eligible leave definitions.
LEAVE OF ABSENCE (LOA) WITHOUT PAY

If an employee does not qualify for FMLA, yet requires time for their own personal health reasons, a leave of absence (LOA) may be available. Please see the Civil Service and Personnel Rules and Regulations and/or the JEA Appointed Staff Employment Plan for details on these plans. Any time granted without pay will adjust your service and pension eligibility dates.

All leave options work in tandem with short and/or long-term disability. For questions regarding leave, please call 1.904.665.5300.

HOLIDAYS

Employees are given paid holidays each year, provided the employee is not on a leave without pay status when the holiday occurs. Employees must be paid the day before and the day after the holiday in order to be paid for the holiday.

- New Year’s Day
- Martin Luther King Jr’s Birthday
- President’s Day
- Memorial Day
- Juneteenth
- Independence Day
- Labor Day
- Veteran’s Day
- Thanksgiving Day

Help for Stress is Here

Our lives today are ever more complex, fast-moving and changing, increasing our stress load in any number of ways. It can feel like there is no way out of it. But feeling overwhelmed and fatigued doesn’t have to be a way of life. These tips will help you gain control of your stress to feel more balanced so you can function at your best.

<table>
<thead>
<tr>
<th>Identify the key source</th>
<th>Just breathe</th>
</tr>
</thead>
<tbody>
<tr>
<td>Is it too many deadlines or personal obligations? Getting to specifics can help lead you to the solutions.</td>
<td>Breathing in deeply through your nose, fully expanding your abdomen, and exhaling slowly through your mouth can quickly calm your nervous system and short-circuit the stress response.</td>
</tr>
</tbody>
</table>

<table>
<thead>
<tr>
<th>Make an action plan</th>
<th>Blow off some steam</th>
</tr>
</thead>
<tbody>
<tr>
<td>Some examples: Ask your supervisor about adjusting a deadline or delegating responsibilities; stock up on audiobooks to ease your commute.</td>
<td>Find an activity or hobby that gives you a lift, whether it’s reading, yoga, crafts, listening to music, or just laying with the dog.</td>
</tr>
</tbody>
</table>

<table>
<thead>
<tr>
<th>Simplify expectations and let go of perfectionism</th>
<th>Work it out</th>
</tr>
</thead>
<tbody>
<tr>
<td>Instead of staying up late to bake the perfect cake for an event, opt to buy cupcakes instead, for example.</td>
<td>Even brief physical activity helps release the “feel-good” brain chemicals that can boost a sense of well-being.</td>
</tr>
</tbody>
</table>

<table>
<thead>
<tr>
<th>Prioritize your to-do list</th>
<th>Talk about it</th>
</tr>
</thead>
<tbody>
<tr>
<td>Time management is a major stress reducer! Figure out what tasks are most important and finish those first.</td>
<td>Talking through stressful moments can help to release pent-up tension.</td>
</tr>

<tbody>
<tr>
<td>Allowed Charge or Negotiated Rate</td>
<td>The maximum amount upon which payment will be based for benefit covered services.</td>
</tr>
<tr>
<td>Balance Billing</td>
<td>When a provider bills you for the difference between the provider’s charge and the allowed amount. For example, if the provider’s charge is $100 and the allowed amount is $70, the provider may bill you for the remaining $30. A preferred provider may not balance bill you for covered services.</td>
</tr>
<tr>
<td>Beneficiary</td>
<td>You must list a beneficiary for each of your life insurance plans. Your beneficiary can be a person or a trust. If listing a child, the child must be over the age of 18 to receive the benefits (If under 18, claim payments will be placed in a trust).</td>
</tr>
<tr>
<td>Calendar Year Deductible (CYD)</td>
<td>Amount, if any, a member owes per calendar year before the carrier will begin to pay for covered services.</td>
</tr>
<tr>
<td>Coinsurance</td>
<td>Your share of the costs of the allowed amount of a covered service, a percent of the allowed amount for the service, after your deductible has been met.</td>
</tr>
<tr>
<td>Copayment (copay)</td>
<td>A fixed dollar amount you pay for covered services, usually due when you receive the service.</td>
</tr>
<tr>
<td>Dependent Care Flexible Spending Account (FSA)</td>
<td>An employer sponsored benefit that enables employees to set aside pre-tax contributions to pay for eligible daycare expenses.</td>
</tr>
<tr>
<td>DHMO</td>
<td>Dental plan with a restricted network. All dental services must be coordinated with your primary care dental provider.</td>
</tr>
<tr>
<td>Health Reimbursement Account (HRA)</td>
<td>Tax-advantaged account available for employees enrolled in the Health Maintenance Organization Plan (HMO). Employer funded account; employees cannot make contributions. Funds can only be used towards medical expenses for covered members under the HMO medical plan. Remaining funds at the end of the year are carried over to the next year (up to the annual deductible limit).</td>

<td>------------------------------------------</td>
<td>----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------</td>
</tr>
<tr>
<td>Health Savings Account (HSA)</td>
<td>Tax-advantaged account available to members enrolled in the High Deductible Health Plan (HDHP). Employer funded account, and employees can make pre-tax contributions. Balance will roll over at the end of the calendar year. Account balances over $2,000 can be invested in mutual funds. Funds can be used for any eligible tax dependent for medical, dental, or vision out-of-pocket expenses.</td>
</tr>
<tr>
<td>Healthcare Flexible Spending Account (FSA)</td>
<td>Tax-advantaged account available for employees to lower their taxable income with pre-taxed contributions. Unused balance does not roll over at the end of the calendar year. Funds can be used only for any eligible tax dependent for medical, dental or vision out-of-pocket expenses.</td>
</tr>
<tr>
<td>In-Network</td>
<td>Providers and facilities that are part of the network of providers with which it has negotiated allowable charges. Insured individuals pay less when using an in-network provider.</td>
</tr>
<tr>
<td>Out-of-Pocket Maximum</td>
<td>The maximum amount you pay each calendar year for covered services including coinsurance and deductibles. Once you reach your out-of-pocket maximum, the plan pays 100% for covered services.</td>
</tr>
<tr>
<td>Out-of-Network</td>
<td>Providers and facilities that are not a part of the network of providers. Balance billing does apply.</td>

YOUR RIGHTS
This section contains important information about your benefits and rights. Please read the following pages carefully and contact Human Resources with any questions you have.

HIPAA SPECIAL ENROLLMENT RIGHTS
A federal law called the Health Insurance Portability and Accountability Act of 1996 (HIPAA) requires that we notify you about an important provision in the plan - your right to enroll in the plan under its “special enrollment provision” if you acquire a new dependent, or if you decline coverage under this plan for yourself or an eligible dependent while other coverage is in effect and later lose that other coverage for certain qualifying reasons.

Loss of Other Coverage (Excluding Medicaid or a State Children’s Health Insurance Program). If you decline enrollment for yourself or for an eligible dependent (including your spouse) while Medicaid coverage or coverage under a state children’s health insurance program is in effect, you may be able to enroll yourself and your dependents in this plan if you or your dependents lose eligibility for that other coverage. However, you must request enrollment within 30 days after your or your dependents’ coverage ends under Medicaid or a state children’s health insurance program.

New Dependent by Marriage, Birth, Adoption, or Placement for Adoption. If you have a new dependent as a result of marriage, birth, adoption, or placement for adoption, you may be able to enroll yourself and your new dependents. However, you must request enrollment within 30 days after the marriage, birth, adoption, or placement for adoption.

Eligibility for Medicaid or a State Children’s Health Insurance Program. If you or your dependents (including your spouse) become eligible for a state premium assistance subsidy from Medicaid or through a state children’s health insurance program, you may be able to enroll yourself and your dependents in this plan. However, you must request enrollment within 60 days after your or your dependents’ determination of eligibility for such assistance.

If you are enrolled in this plan through the special enrollment provision, note that special enrollees cannot be required to pay more for the same coverage than other individuals who enrolled when first eligible for this plan.

To request special enrollment or to obtain more information about the plan’s special enrollment provisions, contact JEA Benefit Services at 1.904.655.5300 or Benefits@JEAC.com.

PATIENT PROTECTION
Florida Blue generally requires the designation of a primary care provider for the HMO plan. You have the right to designate any primary care provider who participates in our network and who is available to accept you or your family members. Until you make this designation, Florida Blue designates one for you. For information on how to select a primary care provider, and for a list of the participating primary care providers, contact Florida Blue at www.floridablue.com. For children, you may designate a pediatrician as the primary care provider.

You do not need prior authorization from Florida Blue or from any other person (including a primary care provider) in order to obtain access to obstetrical or gynecological care from a health care professional in our network who specializes in obstetrics or gynecology. The health care professional, however, may be required to comply with certain procedures, including obtaining prior authorization for certain services, following a pre-approved treatment plan, or procedures for making referrals. For a list of participating health care professionals who specialize in obstetrics or gynecology, contact Florida Blue at www.floridablue.com.
WOMEN’S HEALTH AND CANCER RIGHTS ACT OF 1998
If you have had or are going to have a mastectomy, you may be entitled to certain benefits under the Women’s Health and Cancer Rights Act of 1998 (WHCRA). For individuals receiving mastectomy-related benefits, coverage will be provided in a manner determined in consultation with the attending physician and the patient, for all stages of reconstruction of the breast on which the mastectomy was performed, surgery and reconstruction of the other breast to produce a symmetrical appearance, prostheses; and treatment of physical complications of the mastectomy, including lymphedema.

These benefits will be provided subject to the same deductibles and coinsurance applicable to other medical and surgical benefits provided under this plan.

If you would like more information on WHCRA benefits call your plan administrator at 1.800.664.5295.

WELLNESS PROGRAM
JEAs Wellness Program is a voluntary wellness program available to all employees. The program is administered according to federal rules permitting employer-sponsored wellness programs that seek to improve employee health or prevent disease, including the Americans with Disabilities Act of 1990, the Genetic Information Nondiscrimination Act of 2008 and the Health Insurance Portability and Accountability Act of 1996, as applicable, among others.

The JEA Wellness Program is committed to helping you achieve your best health. Employees who elect to participate in the biometric screening event during 2023 in the JEA Wellness Program will be eligible to receive beginning January 2024 a $27.08 wellness credit per pay period (up to $650 for the calendar year) if they achieve a health score of a 75+ or improve last year’s score by 5+ points along with completing a voluntary health risk assessment or “VHRA”. Your Dependent Spouse (as defined under the JEA Wellness Program rules) can also participate by completing a biometric screening and VHRA and achieving a health score of 75+ or improving last year’s score by 5+ points, and in that case, you (the employee) will be eligible to receive beginning January 2024 a $21.66 wellness credit per pay period (up to $520 for the calendar year).

If you or your Dependent Spouse are unable to participate in any of the health-related activities or achieve any of the health outcomes required to earn an incentive, you or your Dependent Spouse may be entitled to a reasonable accommodation or an alternative standard. You or your Dependent Spouse may request a reasonable accommodation or an alternative standard by contacting HealthCheck360 at 1.866.511.0360. HealthCheck360 will work with the requestor (and, if the requestor wishes, with the requestor’s doctor) to find a reasonable accommodation or alternative standard that is right for the requestor in light of the requestor’s health status.

Please note an employee or Dependent Spouse completing the biometric screening and VHRA will receive a comprehensive report that will include cholesterol ratio, high-density lipoproteins (HDL), low-density lipoproteins (LDL), triglycerides, glucose, nicotine, total cholesterol, gamma-glutamyl transferase (GGT), blood urea nitrogen (BUN), creatinine, total bilirubin, aspartate aminotransferase (AST), alanine transaminase (ALT), alkaline phosphatase (ALK) phosphate (PHOS), total protein, albumin and globulin. You and your Dependent Spouse are not required to complete the VHRA or to participate in the blood test or other medical examinations.

The information from you and your Dependent Spouse’s VHRA and the results from the biometric screenings will be used to provide you and your Dependent Spouse with information to help you each understand your respective current health and potential risks and they may also be used to offer services through the JEA Wellness Program, such as educational seminars or health related campaigns and resources. You and your Dependent Spouse also are encouraged to share results or concerns with your own doctors.

Protections from Disclosure of Medical Information: JEA is required by law to maintain the privacy and security of your and your Dependent Spouse’s personally identifiable health information. Although the wellness program and JEA may use aggregate information it collects to design a program based on identified health risks in the workplace, the JEA Wellness Program will never disclose any of you or your Dependent Spouse’s personal information either publicly or to the employer, except as necessary to respond to a request for a reasonable accommodation needed to participate in the JEA Wellness Program or as expressly permitted by law. Medical information that personally identifies you or your Dependent Spouse that is provided in connection with the JEA Wellness Program will not be provided to your supervisors or managers and may never be used to make decisions regarding your employment.

You and your Dependent Spouse’s health information will not be sold, exchanged, transferred or otherwise disclosed except to the extent
permitted by law to carry out specific activities related to the JEA Wellness Program, and you and your Dependent Spouse will not be asked or required to waive the confidentiality of your respective health information as a condition of participating in the JEA Wellness Program or receiving an incentive.

Anyone who receives your or your Dependent Spouse's information for purposes of providing services as part of the JEA Wellness Program will abide by the same confidentiality requirements. The only individuals who will receive personally identifiable health information are representatives from HealthCheck360 and possibly health coaches you or your Dependent Spouse may utilize through HealthCheck360 in order to provide services under the JEA Wellness Program. Florida Blue may also receive JEA Wellness Program information when necessary to assist with JEA Wellness Program services. In addition, all medical information obtained through the JEA Wellness Program will be maintained separate from your personnel records, information stored electronically will be encrypted and no information you or your Dependent Spouse provide as part of the JEA Wellness Program services. In addition, all medical information obtained through the JEA Wellness Program will be used in making any employment decision. The JEA Wellness Team completes annual HIPAA training, signs a Confidentiality Agreement and keeps all information locked and secured.

Appropriate precautions will be taken to avoid any data breach, and in the event a data breach occurs involving information you or your Dependent Spouse provide in connection with the JEA Wellness Program, we will immediately notify you and/or your Dependent Spouse, as applicable.

You may not be discriminated against in employment because of the medical information you or your Dependent Spouse provide as part of participating in the JEA Wellness Program, nor may you be subjected to retaliation if you or your Dependent Spouse choose not to participate. If you have questions or concerns regarding this notice or about protections against discrimination and retaliation, please contact the Manager of Benefit Services at 1.904.665.5300.

MICHELLE'S LAW –
JEA's Group Medical Plan provides dependent coverage for the children of its participants until a child has attained age 26, regardless of the child's status as a student. For a child covered under JEA's Group Medical Plan after attaining age 26, Michelle's Law requires continued coverage for that dependent child covered under the plan if the child loses eligibility under JEA's Group Medical Plan because of the loss of student status resulting from a medically necessary leave of absence from a post-secondary educational institution. If your child is covered under JEA's Group Medical Plan, but will lose eligibility because of a loss of student status caused by a medically necessary leave of absence, your child may be able to continue coverage under our plan for up to one year during the medically necessary leave of absence. This coverage continuation may be available if on the day before the medically necessary leave of absence begins your child is covered under JEA's Group Medical Plan and was enrolled as a student at a post-secondary educational institution.

A "medically necessary leave of absence" means a leave of absence from a post-secondary educational institution (or change in enrollment status in that institution) that: (1) begins while the child is suffering from a serious illness or injury, (2) is medically necessary, and (3) causes the child to lose student status as defined under our plan.

The coverage continuation is available for up to one year after the first day of the medically necessary leave of absence and is the same coverage your child would have had if your child had continued to be a covered student and not needed to take a medical leave of absence. Coverage continuation may end before the end of one year if your child would otherwise lose eligibility under the plan - for example, by reaching age 26 or 30 as applicable.

If your child is eligible for this coverage continuation and loses coverage under the plan at the end of the continuation period, COBRA continuation may be available at the end of the Michelle's Law coverage continuation period.

If you believe your child is eligible for this continued eligibility, you must provide to the plan a written certification by the child's treating physician that the child is suffering from a serious illness or injury and that the leave of absence is medically necessary. The written certification must be provided to JEA Benefit Services. (See contact info below.)

If you have any questions concerning this notice or your child's right to continued coverage under Michelle's Law, please contact JEA Benefit Services, 225 N. Pearl St., Jacksonville, FL 32202 at 1.904.665.5300, e-mail: Benefits@JEA.com.
STATEMENT OF RIGHTS UNDER THE NEWBORNS’ AND MOTHERS’ HEALTH PROTECTION ACT

Under federal law, group health plans and health insurance issuers offering group health insurance coverage generally may not restrict benefits for any hospital length of stay in connection with childbirth for the mother or newborn child to less than 48 hours following a vaginal delivery, or less than 96 hours following a delivery by cesarean section. However, the plan or issuer may pay for a shorter stay if the attending provider (e.g., your physician, nurse midwife, or physician assistant), after consultation with the mother, discharges the mother or newborn earlier.

Also, under federal law, plans and issuers may not set the level of benefits or out-of-pocket costs so that any later portion of the 48-hour (or 96-hour) stay is treated in a manner less favorable to the mother or newborn than any earlier portion of the stay.

In addition, a plan or issuer may not, under federal law, require that a physician or other health care provider obtain authorization for prescribing a length of stay of up to 48 hours (or 96 hours). However, to use certain providers or facilities, or to reduce your out-of-pocket costs, you may be required to obtain precertification. For information on precertification, contact your plan administrator at 1.800.664.5295.

PREMIUM ASSISTANCE UNDER MEDICAID AND THE CHILDREN’S HEALTH INSURANCE PROGRAM (CHIP)

If you or your children are eligible for Medicaid or CHIP and you’re eligible for health coverage from your employer, your state may have a premium assistance program that can help pay for coverage, using funds from their Medicaid or CHIP programs. If you or your children aren't eligible for Medicaid or CHIP, you won't be eligible for these premium assistance programs but you may be able to buy individual insurance coverage through the Health Insurance Marketplace. For more information, visit www.healthcare.gov.

If you or your dependents are already enrolled in Medicaid or CHIP and you live in a state listed below, contact your State Medicaid or CHIP office to find out if premium assistance is available.

If you or your dependents are not currently enrolled in Medicaid or CHIP, and you think you or any of your dependents might be eligible for either of these programs, contact your State Medicaid or CHIP office or dial 1.877.KIDS.NOW or www.insurekidsnow.gov to find out how to apply. If you qualify, ask your state if it has a program that might help you pay the premiums for an employer sponsored plan.

If you or your dependents are eligible for premium assistance under Medicaid or CHIP, as well as eligible under your employer plan, your employer must allow you to enroll in your employer plan if you aren't already enrolled. This is called a "special enrollment" opportunity, and you must request coverage within 60 days of being determined eligible for premium assistance. If you have questions about enrolling in your employer plan, contact the Department of Labor at www.askebsa.dol.gov or call 1.866.444.EBSA (3272).

If you live in one of the following states, you may be eligible for assistance paying your employer health plan premiums. The following list of states is current as of July 31, 2023. Contact your state for more information on eligibility.

MEDICARE PART D NOTICE

IMPORTANT NOTICE FROM JEA ABOUT YOUR PRESCRIPTION DRUG COVERAGE AND MEDICARE

Please read this notice carefully and keep it where you can find it. This notice has information about your current prescription drug coverage with JEA and about your options under Medicare’s prescription drug coverage. This information can help you decide whether or not you want to join a Medicare drug plan. If you are considering joining, you should compare your current coverage, including which drugs are covered at what cost, with the coverage and costs of the plans offering Medicare prescription drug coverage in your area. Information about where you can get help to make decisions about your prescription drug coverage is at the end of this notice.

There are two important things you need to know about your current coverage and Medicare’s prescription drug coverage:

1. Medicare prescription drug coverage became available in 2006 to everyone with Medicare. You can get this coverage if you join a Medicare Prescription Drug Plan or join a Medicare Advantage Plan (like an HMO or PPO) that offers prescription drug coverage. All Medicare drug plans provide a minimum standard level of coverage set by Medicare. Some plans may also offer more coverage for a higher monthly premium.

To see if any other states have added a premium assistance program since July 31, 2023, or for more information on special enrollment rights, contact either:

U.S. Department of Labor
Employee Benefits Security Administration
www.dol.gov/agencies/ebsa

is therefore considered Creditable Coverage. Because your existing coverage is Creditable Coverage, you can keep this coverage and not pay a higher premium (a penalty) if you later decide to join a Medicare drug plan.

WHEN CAN YOU JOIN A MEDICARE DRUG PLAN?
You can join a Medicare drug plan when you first become eligible for Medicare and each year from October 15th through December 7th. However, if you lose your current creditable prescription drug coverage, through no fault of your own, you will also be eligible for a two (2) month Special Enrollment Period (SEP) to join a Medicare drug plan.

WHAT HAPPENS TO YOUR CURRENT COVERAGE IF YOU DECIDE TO JOIN A MEDICARE DRUG PLAN?
If you decide to join a Medicare drug plan, your current JEA group medical coverage will not be affected. You can keep your JEA group medical coverage if you elect Medicare Part D and the JEA group medical coverage will coordinate with Medicare Part D coverage.

If you do decide to join a Medicare drug plan and drop your current JEA group medical coverage, be aware that you and your dependents will not be able to get this coverage back until our plan’s next annual open enrollment, unless you experience a qualifying life event that allows sooner re-entry into the plan under our plan’s rules.

WHEN WILL YOU PAY A HIGHER PREMIUM (PENALTY) TO JOIN A MEDICARE DRUG PLAN?
You should also know that if you drop or lose your current coverage with JEA and don’t join a Medicare drug plan within 63 continuous days after your current coverage ends, you may pay a higher premium (a penalty) to join a Medicare drug plan later.

If you go 63 continuous days or longer without creditable prescription drug coverage, your monthly premium may go up by at least 1% of the Medicare base beneficiary premium per month for every month that you did not have that coverage. For example, if you leave nineteen months without creditable coverage, your premium may consistently be at least 19% higher than the Medicare base beneficiary premium. You may have to pay this higher premium (a penalty) as long as you have Medicare prescription drug coverage. In addition, you may have to wait until the following October to join.

FOR MORE INFORMATION ABOUT THIS NOTICE OR YOUR CURRENT PRESCRIPTION DRUG COVERAGE...
Contact the person listed below for further information. NOTE: You’ll get this notice each year. You will also get it before the next period you can join a Medicare drug plan and if this coverage through JEA changes. You may also request a copy of this notice at any time.

FOR MORE INFORMATION ABOUT YOUR OPTIONS UNDER MEDICARE PRESCRIPTION DRUG COVERAGE...
More detailed information about Medicare plans that offer prescription drug coverage is in the “Medicare & You” handbook. You will receive a copy of the handbook in the mail every year from Medicare. You may also be contacted directly by Medicare drug plans.

FOR MORE INFORMATION ABOUT MEDICARE PRESCRIPTION DRUG COVERAGE:
- Visit www.medicare.gov
- Call your State Health Insurance Assistance Program (see the inside back cover of your copy of the “Medicare & You” handbook for their telephone number) for personalized help.
- Call 1.800.MEDICARE (1.800.633.4227). TTY users should call 1.877.486.2048.

If you have limited income and resources, extra help paying for Medicare prescription drug coverage is available. For information about this extra help, visit Social Security on the web at www.socialsecurity.gov, or call them at 1.800.772.1213 (TTY 1.800.325.0778).

Remember: Keep this Creditable Coverage notice. If you decide to join one of the Medicare drug plans, you may be required to provide a copy of this notice when you join to show whether or not you have maintained creditable coverage and, therefore, whether or not you are required to pay a higher premium (a penalty).

JEA SELF-FUNDED HEALTH PLAN
NOTICE OF PRIVACY PRACTICES THIS NOTICE DESCRIBES HOW MEDICAL INFORMATION ABOUT YOU MAY BE USED AND DISCLOSED AND HOW YOU CAN GET ACCESS TO THIS INFORMATION. PLEASE REVIEW IT CAREFULLY.

EFFECTIVE DATE: October 1, 2023

This Notice of Privacy Practices (the “Notice”) describes the legal obligations of the JEA Self-Funded Medical Plan (the “Plan”) and your legal rights regarding your protected health information held by the Plan under the Health Insurance Portability and Accountability Act of 1996 (“HIPAA”) and the Health Information Technology for Economic and Clinical Health Act (“HITECH”).

Among other things, this Notice describes how your protected health information may be used or disclosed to carry out treatment, payment or health care operations, or for any other purposes that are permitted or required by law. We are required to provide this Notice of Privacy Practices to you by HIPAA. The HIPAA Privacy Rule protects only certain medical information known as “protected health information.” Generally, protected health information is health information, including demographic information, collected from you or created or received by a health care provider, a health care clearinghouse, a health plan, or your employer on behalf of a group health plan, from which it is possible to identify you and that relates:

1. your past, present, or future physical or mental health or condition;
2. the provision of health care to you; or
3. the past, present, or future payment for the provision of health care to you.

Understanding what is in your record and how your health information is used helps you to ensure its accuracy, better understand who, what, when, where, and why others may access your health information, and helps you make more informed decisions when authorizing disclosure to others.

YOUR HEALTH INFORMATION RIGHTS

Unless otherwise required by law, your health record is the physical property of the health plan that compiled it. However, you have certain rights with respect to the information. You have the right to:

1. Receive a copy of this Notice of Privacy Practices from us upon enrollment or upon request.
2. Request restrictions on our uses and disclosures of your protected health information for treatment, payment and health care operations. We reserve the right not to agree to a given requested restriction.
3. Request to receive communications of protected health information in confidence.
4. Inspect and obtain a copy of the protected health information contained in your medical or billing records and in any other of the organization’s health records used by us to make decisions about you.
5. Request an amendment to your protected health information. However, we may deny your request for an amendment, if we determine that the protected health information or record that is the subject of the request:
   • was not created by us, unless you provide a reasonable basis to believe that the originator of the protected health information is no longer available to act on the requested amendment;
   • is not part of your medical or billing records;
   • is not available for inspection and denial is permitted under the law; or
   • is accurate and complete.

In any event, any agreed upon amendment will be included as an addition to, and not a replacement of, already existing records.

6. Receive an accounting of disclosures of protected health information made by us to individuals or entities other than to you in the six years prior to the date on which the accounting is requested, except for disclosures:
   • to carry out treatment, payment and health care operations as provided above;
   • to persons involved in your care or for other notification purposes as provided by law; to correctional institutions or law enforcement officials as provided by law; for national security or intelligence purposes;
   • that occurred before April 14, 2003;
   • incidental to other permissible uses or disclosures;
   • that are part of a limited data set (does not contain protected health information that directly identifies individuals);
   • made to you, a covered dependent, or your personal representative;
   • disclosures made pursuant to an authorization from you.
Revoke your authorization to use or disclose health information except to the extent that we have already taken action in reliance on your authorization, or if the authorization was obtained as a condition of obtaining insurance coverage and other applicable law provides the insurer that obtained the authorization with the right to contest a claim under the policy. The revocation must be in writing, and is not effective until we receive it.

**HOW MEDICAL INFORMATION ABOUT YOU MAY BE USED AND DISCLOSED**

We may use and/or disclose your medical information for the following purposes:

**Treatment:** We may use or disclose your health information without your permission to health care providers to provide you with treatment.

**Payment:** We may use or disclose your health information without your permission to carry out activities relating to reimbursing you for the provision of health care, obtaining premiums, determining coverage, and providing benefits under the policy of insurance that you are purchasing. Such functions may include reviewing health care services with respect to medical necessity, coverage under the policy, appropriateness of care, or justification of charges.

**To Carry Out Certain Operations Relating to Your Benefit Plan:** We also may use or disclose your protected health information without your permission to carry out certain limited activities relating to your health insurance benefits, including reviewing the competence or qualifications of health care professionals, placing contracts for stop-loss insurance and conducting quality assessment activities.

**To Plan Sponsor:** Your protected health information may be disclosed to the plan sponsor as necessary for the administration of this health benefit plan pursuant to the restrictions imposed on plan sponsors in the plan documents. These restrictions prevent the misuse of your information for other purposes.

**Health-Related Benefits and Services:** We may contact you to provide information about other health-related products and services that may be of interest to you. For example, we may use and disclose your protected health information for the purpose of communicating to you about our health insurance products that could enhance or substitute for existing health plan coverage, and about health-related products and services that may add value to your existing health plan.

**Individuals Involved in Your Care or Payment for Your Care:** Unless you object, we may disclose your protected health information to your family or friends or any other individual identified by you when they are involved in your care or the payment for your care. We will only disclose the protected health information directly relevant to their involvement in your care or payment. We may also disclose your protected health information to notify a person responsible for your care (or to identify such person) of your location, general condition or death.

**Business Associates:** We may contract with individuals or entities known as Business Associates to perform functions on our behalf or to provide certain types of services. An example might include a copy service we use when making copies of your health record. When these services are contracted, we may disclose some or all of your health information to our Business Associate so that they can perform the job we have asked them to do. To protect your health information, however, we require the Business Associate to appropriately safeguard your information.

**Limited Data Sets:** We may use or disclose, under certain circumstances, limited amounts of your protected health information that is contained in limited data sets. These circumstances include public health, research, and health care operations purposes.

**Organ and Tissue Donation:** If you are an organ donor, we may release medical information to organizations that handle organ procurement or organ, eye or tissue transplantation or to an organ donation bank, as necessary to facilitate organ or tissue donation and transplantation.

**Worker’s Compensation:** We may release protected health information about you for programs that provide benefits for work related injuries or illness.

**Communicable Diseases:** We may disclose protected health information to notify a person who may have been exposed to a disease or may be at risk for contracting or spreading a disease or condition.

**Health Oversight Activities:** We may disclose protected health information to federal or state agencies for activities authorized by law. These activities include audits, investigations, inspections, and licensure.

**Law Enforcement:** We may disclose protected health information if asked to do so by a law enforcement official (a) in response to a court order, subpoena, warrant, summons or similar process; (b) to identify or locate a suspect, fugitive, material witness or missing person; (c) about the victim of a crime if, under certain limited
circumstances, we are unable to obtain the victim’s agreement; (d) about a death that we believe may be the result of criminal conduct; (e) about criminal conduct at the Plan Sponsor’s office(s); and (f) in emergency circumstances to report a crime, the location of a crime or victims, or the identity, description or location of the person who committed the crime.

Military and Veterans: If you are a member of the armed forces, we may release protected health information about you as required by military command authorities.

Lawsuits and Disputes: We may disclose protected health information about you in response to a court or administrative order. We may also disclose medical information about you in response to a subpoena, discovery request, or other lawful process.

Inmates: If you are an inmate of a correctional institution or under the custody of a law enforcement official, we may release protected health information about you to the correctional institution or law enforcement official. An inmate does not have the right to the Notice of Privacy Practices.

Abuse or Neglect: We may disclose protected health information to notify the appropriate government authority if we believe an individual has been the victim of abuse, neglect or domestic violence. We will only make this disclosure if you agree or when required or authorized by law.

Coroners, Medical Examiners, and Funeral Directors: We may release protected health information to a coroner or medical examiner. This may be necessary to identify a deceased person or determine the cause of death. We may also release protected health information about patients to funeral directors as necessary to carry out their duties.

Public Health Risks: We may disclose your protected health information for public health activities and purposes to a public health authority that is permitted by law to collect or receive the information. The disclosure will be made for the purpose such as controlling disease, injury or disability.

Serious Threats: As permitted by applicable law and standards of ethical conduct, we may use and disclose protected health information if we, in good faith, believe that the use or disclosure is necessary to prevent or lessen a serious and imminent threat to the health or safety of a person or the public.

Food and Drug Administration (FDA): As required by law, we may disclose to the FDA health information relative to adverse events with respect to food, supplements, product and product defects, or post marketing surveillance information to enable product recalls, repairs, or replacement.

For Purposes For Which We Have Obtained Your Written Permission: All other uses or disclosures of your protected health information will be made only with your written permission, and any permission that you give us may be revoked by you at any time.

INFORMATION WE COLLECT ABOUT YOU
We collect the following categories of information about you from the following sources:

- Information that we obtain directly from you, in conversations or on applications or other forms that you fill out.
- Information that we obtain as a result of our transactions with you.
- Information that we obtain from your medical records or from medical professionals.
- Information that we obtain from other entities, such as health care providers or other insurance companies, in order to service your policy or carry out other insurance-related needs.

GENETIC INFORMATION
We will not use or disclose genetic information or results from genetic services for underwriting purposes, such as:

- Rules for eligibility or benefits under the health plan;
- The determination of premium or contribution amounts under the health plan;
- The application of any pre-existing condition exclusion under the health plan; and
- Other activities related to the creation, renewal or replacement of a contract of health insurance or health benefits.

OUR RESPONSIBILITIES
We are required to maintain the privacy of your health information and to notify you if there is a breach of your unsecured protected health information. In addition, we are required to provide you with a notice of our legal duties and privacy practices with respect to information we collect and maintain about you. We must abide by the terms of this Notice. We reserve the right to change our practices and to make the new provisions effective for all the protected health information we maintain. If we make a material change to this Notice, we will provide you with a copy of our revised Notice of Privacy Practices by posting the revised Notice of Privacy Practices on the JEA intranet by the effective date of the material change, and providing a hard copy of the revised Notice in the Plan’s next annual mailing.
Your health information will not be used or disclosed without your written authorization, except as described in this Notice.

The following uses and disclosures will be made only with explicit authorization from you: (i) uses and disclosures of your health information for marketing purposes, including subsidized treatment communications; (ii) disclosures that constitute a sale of your protected health information; and (iii) other uses and disclosures not described in this Notice. Except as noted above, you may revoke your authorization in writing at any time.

OUR PRACTICE REGARDING CONFIDENTIALITY AND SECURITY

We restrict access to nonpublic personal information about you to those employees who need to know that information in order to provide products or services to you. We maintain physical, electronic, and procedural safeguards that comply with federal regulations to guard your nonpublic personal information.

OUR PRACTICE REGARDING CONFIDENTIALITY AND SECURITY FOR E-MAIL COMMUNICATION

If you choose to communicate with us via e-mail, please be aware of the following due to the nature of e-mail communication: (a) privacy and security of e-mail messages are not guaranteed (b) we are not responsible for loss due to technical failures and (c) e-mail communication should not be used for emergencies or time and content sensitive issues.

POTENTIAL IMPACT OF STATE LAW

In some circumstances, the privacy laws of a particular state, or other federal laws, provide individuals with greater privacy protections than those provided for in the HIPAA Privacy Regulations. In those instances, we are required to follow the more stringent state or federal laws as they afford the individual greater privacy protections. For example, where such laws have been enacted, we will follow more stringent state privacy laws that relate to uses and disclosures of protected health information concerning HIV or AIDS, mental health, substance abuse/chemical dependency, genetic testing, and reproductive rights.

NOTICE OF PRIVACY PRACTICES AVAILABILITY

You will be provided a hard copy for review at the time of enrollment (or by the Privacy compliance date for this health plan). Thereafter, you may obtain a copy upon request, and the Notice will be maintained on the organization’s Web site (if applicable Web site exists) for downloading.

FOR MORE INFORMATION OR TO REPORT A PROBLEM

If you have questions about this Notice or would like additional information, you may contact our HIPAA Privacy Officer, Pat Maillis at the telephone or address below. If you believe that your privacy rights have been violated, you have the right to file a complaint with the Privacy Officer or with the Secretary of the Department of Health and Human Services. We will take no retaliatory action against you if you make such complaints.

The contact information for both is included below.
