ADDENDUM NUMBER: One (1)

TITLE: Hand and Power Tools for Inventory FY27

JEA SOLICITATION NUMBER: 1412225480

BID DUE DATE: October 27, 2026

TIME OF RECEIPT: 12:00 PM

TIME OF OPENING: 02:00 PM

THIS ADDENDUM IS FOR THE PURPOSE OF MAKING THE FOLLOWING CHANGES OR CLARIFICATIONS:

Clarifications:

Minimum Qualifications: Only previous work done for JEA in the last two years needs to be submitted on the Minimum Qualification Form. If this does not apply to your company state on the minimum qualification form: "No work for JEA in the past two years." If you have done work for JEA, the contract number or BPA number will suffice.

Alternate sources: The manufacturers and part numbers in the workbook are the ones that are currently approved. JEA understands that manufacturer names and part numbers can change. JEA is open to accepting alternates, however, alternates must be submitted and approved prior to the response due date. On most of these items only a cut sheet is required for our standards department to make a determination. If approved the new manufacturer and/or part number will be communicated through an addendum. All requests must be sent to rixlw@jea.com.

Volume discounting: JEA has limited space in our warehouse, so discounts that involve, for example, a year plus of material will not be considered.

Units of Measure: If unsure of what constitutes a unit of measure of each, send the specific item(s) in question to rixlw@jea.com

Additions:
