

Communication from JEA to Respondents

December 27, 2019

2:15pm

Consistent with the communication previously sent on December 24, 2019, and the terms of section 2.8 of the ITN stating that “If the Respondent fails to submit a redacted copy of information it claims is confidential, JEA is authorized to produce all documents, data, and other records submitted to JEA in answer to a public records request for such information,” today JEA is releasing all initial ITN Replies, except in those instances where it has received a timely objection to the public release of such information.

Communications and instructions regarding additional information and/or documentation that JEA intends to publicly release will be forthcoming.
